SECTION 1. The Pension provisions now in effect for employees covered by this Agreement shall be continued.

SECTION 2. The Employer shall continue to pay in full, for each employee, into the Michigan Public School Employees' Pension Fund.

SECTION 3. Early Retirement Compensation: An employee who has accrued a minimum of twenty (20) years of service in the Gladstone Area Schools and who will meet State requirements for retirement by September 1 of a given School year may at his or her option request early retirement upon at least one (1) year's advance written notice. An employee shall not be eligible for such early retirement until he or she has reached at least the age of 46. Retirement as used in this clause shall mean severance of active employment with the Gladstone Area Schools and verification to the Board of an application from the employee to the Michigan Public Schools Employees' Retirement System for Retirement Benefits of such system. The affected employee will notify the Superintendent of Schools of his or her early retirement, in writing, no later than one (1) year prior to the school year when such retirement will take effect. If an employee wishes to retire prior to the end of such one year notification period, his or her request for early retirement incentive must be agreed to by both the Union and the Board at the public meeting. Applicants who do not notify the Board with the one year prior advance written notice or obtain the mutual consent of the Union and the Board at a public meeting, shall not be eligible for the benefits outlined in this policy. Beginning on October 1 of the first school year of their retirement, for a period of seven (7) years. The first payment shall be made on the appropriate October 1 and subsequent payments shall be made on the first of each month thereafter. If the first payment will jeopardize retirement benefits, it will be delayed thirty (30) days.

In the event of death of the retiree prior to the seven (7) year period provided herein, whichever occurs first, benefits will be paid to the retiree's spouse, if any, or dependent, if any, as defined by the IRS for the same amount of time as if the employee had lived through the applicable payment period.

If a Michigan Court, following exhaustion of all available State appeals, rules that early retirement incentive plans are in violation of law, then this early retirement

incentive program described shall be null and void. In such cases, the retiree shall have no cause of action against the Board whatsoever.

Persons retiring due to a medical disability which qualifies them for retirement benefits from Worker's Compensation or any Board provided disability insurance, are not eligible to qualify for benefits under this policy. Once a person is receiving benefits through this policy, however, no subsequent disability will adversely affect those benefits.

The rights of any retiree and the benefits to be paid to the retiree shall be only those specifically set forth herein. Such rights or benefits shall not be altered if this early retirement incentive plan and section, or any amendment or replacement thereof or thereto, should be changed in any way in the future. The retiree shall lose eligibility for the rights and benefits set forth herein, if the employee returns to a regular position for compensation at any level or location.

The Board, by payment of the monthly amounts required hereunder, shall be relieved from all liability with respect to any payments provided in the policy. The retiree's benefits and rights shall be specifically limited to the payment of the monthly amount provided for herein.
