MID PENINSULA EDUCATION ASSOCIATION AGREEMENT 2010-2012

This Agreement entered into this 1st day of July 2012 by and between the Mid Peninsula Education Association, a voluntary, unincorporated association, hereinafter called the "Association", affiliated with the Michigan Education Association, hereinafter called the "MEA", and the Mid Peninsula School District, hereinafter called the "Board". The signatories shall be the sole parties to this Agreement.

ARTICLE I - RECOGNITION

The Board recognizes the Association as the sole and exclusive bargaining representative for professional personnel; i.e., regular, full and part-time teachers, whether under contract, either verbal or written, on leave, or on a per diem, hourly or class-rate basis, employed or to be employed by the Board. Such representation shall cover all personnel assigned to newly created professional positions unless the positions are principally supervisory and administrative. Such representation shall exclude Superintendent, Principals, Assistant Principals, Athletic Director, and any other person engaged more than 50 percent of the time in the direct administration and supervision of professional personnel. The term 'teacher' when used hereinafter in the Agreement shall refer to all professional employees represented by the Association in the bargaining or negotiating unit as above defined, and references to teachers shall include female and male teachers.

The Board agrees not to negotiate with or recognize any teachers' organization other than the Association for the duration of this Agreement.

ARTICLE II - WITNESSETH

WHEREAS, the Board and the Association recognize and declare that providing a quality education for the children of the District is their mutual aim and that such education depends predominately upon the quality and morals of the teaching service, and

WHEREAS, the Board has a statutory obligation, pursuant to the Public Employment Relations Act, Act 336 of the Public Acts of 1947 as amended, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment, and

WHEREAS, the parties have reached certain understanding which they desire to confirm in this Agreement.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE III - CONTINUITY OF OPERATIONS

Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes that threaten to interfere with such operations. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this Agreement. The Association accordingly agrees that it will not during the period of this Agreement directly or indirectly engage in or assist in any strike as said term is defined by the Public Employment Relations Act.

The Board also agrees that it will not during the period of this Agreement directly or indirectly engage in or assist in any unfair labor practice as defined by Section 10 of the Public Employment Relations Act

Nothing in this Article shall require the Board to keep school open in the event of severe inclement weather or when otherwise prevented by an act of God. When schools are closed to students due to the above conditions, teachers shall not be required to report to duty, however, teachers will be required to meet the 1098 hours of student instruction or more as required by law at no additional cost to the district.

ARTICLE IV - PROFESSIONAL DUES OR FEES & PAYROLL DEDUCTIONS

- A. Any teacher who is a member of the Association or who has applied for membership may sign and deliver to the Board an assignment authorizing deduction of professional dues in the Association which sum shall be the amount of current dues for the current school as established by the Association. Such authorization shall continue in effect from year to year unless revoked in writing between June 1 and September 1 of any year. Pursuant to such authorization the Board shall deduct

the dues in equal installments from each regular salary check through the end of the school year. Any teacher who shall not perform services for an entire month of the school year shall have his dues reduced by one-tenth (1/10) of the yearly dues for each entire month he/she did not work, except where the failure to perform services during any month was the result of the teacher taking leave of absence or sick leave provided for in this contract.

- B. Upon appropriate written authorization from the teacher the Board shall deduct from the salary of any teacher and make appropriate remittance for approved annuities, credit union, insurance, or any other plans or programs jointly approved by the Association and the Board.
- C. This Article will be effective retroactively to the date of the Agreement, and all sums hereunder shall be determined from said date.

ARTICLE V - FINANCIAL RESPONSIBILITY

- A. Any teacher who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days from the date of commencement of teaching duties shall as a condition of employment pay as a representation benefit fee to the Association an amount equal to the professional dues of the Association; provided, however, that the teacher may authorize payroll deduction for such fee in the same manner as provided in the preceding Article. In the event that a teacher shall not pay such representation benefit fee directly to the Association or authorize payment through payroll deductions as provided in the preceding Article, the Board may cause the termination of employment of such teacher. The parties expressly recognize that the failure of any teacher to comply with the provisions of this Article is just and reasonable cause for discharge from employment since the establishment of said representation benefit is herewith deemed to be the sum required to insure that nonmembers pay their proportionate share of the costs of obtaining and administering the benefits to be received hereunder.
- B. The procedure in all cases of discharge for violation of this Article shall be as follows:
 - 1. The Association shall notify the teacher of noncompliance by certified mail, return receipt requested. Said notice shall detail the noncompliance and shall provide ten (10) days for compliance and shall further advise the recipient that a request for discharge may be filed with the Board in the event compliance is not affected.
 - 2. If the teacher fails to comply, the Association may file charges in writing with the Board and shall request termination of the teacher's employment. A copy of the notice of noncompliance and proof of service shall be attached to said charges.
 - 3. The Board, only upon receipt of said charges and request for termination, shall conduct a hearing on said charges; and to the extent that said teacher is protected by the provisions of the Michigan Tenure of Teachers Act, all proceedings shall be in accordance with said Act. In the event of

compliance at any time prior to discharge, charges may be withdrawn. The Association in the processing of charges agrees not to discriminate between various persons who may have refused to pay the professional dues and/or representation benefit fee.

- C. With respect to all sums deducted by the Board pursuant to authorization of the employee whether for professional dues or representation benefit fee, the Board agrees promptly to disburse said sums upon direction of the Association.
- D. The Association agrees to assume the legal defense of any suit or action brought against the Board regarding this Article of the collective agreement. The Association further agrees to indemnify the Board of any costs or damages which may be assessed against the Board as the result of said suit or action subject, however, to the following conditions:
 - 1. The damages have not resulted from the negligence, misfeasance or malfeasance of the Board or its agents.
 - 2. The Association, after consideration with the Board, has the right to decide whether to defend any said action or whether or not to appeal the decision of any court or other tribunal regarding the validity of the section or the defense which may be assessed against the Board by any court tribunal.
 - 3. The Association has the right to choose the legal counsel to defend any said unit or action.
 - 4. The Association shall have the right to comprise or settle any claim made against the Board under this section.
- E. This Article shall be effective retroactively to the date of the Agreement, and all sums payable hereunder shall be determined from said date.

ARTICLE VI - SCHOOL CALENDAR

The parties agree that the Board of Education has the sole right and authority to establish the starting date of each school year and that all other aspects of the school calendar are negotiable including length of the school year (within the requirements of the law) and further agree that the school calendar shall be set forth in Appendix A. Any deviation shall be by mutual consent. The school calendar shall be coordinated with the Intermediate School District. Machinery for insuring its mutuality shall be established between the school districts and the associations.

In-service days shall be added to the state's required 1098 hours calendar in order to improve instruction and curriculum. This does not include professional development hours that are already counted by the state.

The term "vacation" should not appear in the calendar; "recess" is preferred

ARTICLE VII - PROFESSIONAL GRIEVANCE PROCEDURE

- A. A claim by a teacher of the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement or any rule, order, or regulation of the Board may be processed as a grievance as hereinafter provided.

INFORMAL LEVEL

- A. In the event that a teacher believes there is a basis for grievance, he/she shall first discuss the alleged grievance with his building principal either personally or accompanied by his Association representative.

STEP I

- A. If as a result of the informal discussion with the building principal a grievance still exists, the teacher may invoke formal grievance procedure through the Association on the form set forth in annexed Appendix B signed by the grievant and a representative for the Association, which form shall be available from the Association representative in each building. A copy of the grievance form shall be delivered to the principal within 20 days of discovery of the alleged contractual violation. If the grievance involves more than one (1) school building, it may be filed with the Superintendent or a representative designated by him.
- B. Within ten (10) calendar days of receipt of the grievance the principal shall meet with the Association in an effort to resolve the grievance. The principal shall indicate his disposition of the grievance in writing within ten (10) calendar days of such meeting and shall furnish a copy thereof to the Association.

STEP II

- A. If the Association is not satisfied with the disposition of the grievance by the Superintendent or his designee or if no disposition has been made within five (5) working days of such meeting [or ten (10) calendar days from the date of filing, whichever shall be later], the grievance shall be transmitted to the Board by filing a written copy thereof with the Secretary or other designee of the Board. The Board, no later than its next regular meeting or within two (2) calendar weeks, whichever shall be later, shall meet with the Association on the grievance. Disposition of the grievance in writing by the Board shall be made no later than seven (7) calendar days thereafter. A copy of such disposition shall be furnished to the Association. Utilization of this step of the grievance procedure shall be optional with the Association. If in the opinion of the Association there would be no useful purpose derived out of the utilization of this step, the Association may bypass said step and proceed to its next level. The Association shall notify the Board of its intention in this regard within the time limits herein specified.

STEP III

A. If the Association is not satisfied with the disposition of the grievance by the Board or no disposition has been made within the period provided, the grievance may be submitted to arbitration before an impartial arbitrator. If the parties cannot agree as to the arbitrator within five (5) calendar days from the notification date, the arbitration will be pursued; he/she shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

MISCELLANEOUS

- A. The fees and expenses of the arbitrator shall be shared equally by the parties.
- B. If any probationary or tenure teacher for who a grievance is sustained shall be found to have been unjustly discharged or unjustly denied renewal of his contract, he/she shall be reinstated with full reimbursement of all professional compensation lost. If any teacher shall have been found to have been improperly deprived of any professional compensation or advantage, the same or its equivalent in money shall be paid to him.
- C. The time limit provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship of any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- D. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.
- E. If the Board refuses to arbitrate a grievance arising under his Agreement, the arbitrator appointed according to the above grievance procedure shall proceed on an ex-parte basis. If the Association refuses to arbitrate a grievance arising under this Agreement, the arbitration shall be dropped.
- F. For the purpose of assisting a teacher or the Association in the prosecution or defense of any contractual, administrative, or legal proceedings, the Board shall permit a teacher access to and the right to inspect and acquire copies of his personnel file and any other files or records of the Board which pertain to the teacher or any issue in the proceeding in question. A representative of the Association may accompany and assist the teacher in this regard. Confidential letters of reference secured from sources outside the school system may be excluded from the materials available for the teacher's inspection.

ARTICLE VIII - VACANCIES, PROMOTIONS AND TRANSFERS

- A. A vacancy shall be defined for purposes of this contract as a situation where an employee previously held a vacant position or when a new position covered by this Article is created.
- B. The Board declares its support of a policy of filling vacancies, including vacancies in supervisory positions, from within its own teaching staff. Whenever a vacancy arises or is anticipated, the Superintendent shall promptly notify the Association and post notice of same on bulletin board in each school building for no less than two (2) weeks before the position is filled.
 - ◆ Whenever vacancies occur during the normal summer months when regular school is not in session, the following procedure, in addition to the procedures heretofore outlined, shall be followed:
 - a) Teachers with specific interests in possible vacancies will notify the Personnel Office or Director of their interest, in writing, during the last regular week of school and shall include their summer address.
 - b) Should a vacancy occur, the teachers who have expressed an interest in said position or a similar position shall be contacted by the Personnel Office or Director and notified of the vacancy.
 - c) The teachers so notified shall have the responsibility of contacting the Personnel Office or Director indicating their interest in said position within three (3) days of receiving such notification.
- C. The Board declares its support of a policy of filling vacancies, including vacancies in supervisory positions, from within its own teaching staff. Whenever a vacancy arises or is anticipated, the Superintendent shall promptly notify the Association and post notice of same on bulletin board in each school building for no less than two (2) weeks before the position is filled.
 - ◆ Whenever vacancies occur during the normal summer months when regular school is not in session, the following procedure, in addition to the procedures heretofore outlined, shall be followed:
 - d) Teachers with specific interests in possible vacancies will notify the Personnel Office or Director of their interest, in writing, during the last regular week of school and shall include their summer address.
 - e) Should a vacancy occur, the teachers who have expressed an interest in said position or a similar position shall be contacted by the Personnel Office or Director and notified of the vacancy.
 - f) The teachers so notified shall have the responsibility of contacting the Personnel Office or Director indicating their interest in said position within three (3) days of receiving such notification.

- g) Any teacher who shall be transferred to an administrative or executive position and later shall return to teacher status shall be entitled to retain such rights as he/she may have had under this Agreement prior to such transfer. Seniority will be applied as defined in Article XIII, Section F
- h) A teacher who holds a degree when entering the services of the Mid Peninsula Schools will be allowed up to two (2) years seniority for teaching in other systems providing he/she held a degree during those years. The Association will allow individual teachers to negotiate with the Board for credit beyond two (2) years.

ARTICLE IX - ASSOCIATION RIGHTS

- A. The Association and its representatives shall have the right to use school buildings at all reasonable hours for meetings provided that when special custodial service is required, the Board may make a reasonable charge therefore. No charge shall be made for use of schoolrooms before commencement of the school day nor until 6 p.m.
- B. Duly authorized representatives of the Association and their respective affiliates shall be permitted to transact official Association business on school property at all reasonable times provided that this shall not interfere with or interrupt normal school operations.
- C. The Association shall be the only teacher organization having the exclusive right to use school facilities and equipment including calculating machines and audio-visual equipment at reasonable times when such equipment is not otherwise in use. (The Association shall pay for the reasonable cost of all materials and supplies incident to such use.)
- D. The Association shall have the exclusive right to post notices of activities and matters of Association concern on teacher bulletin boards, at least one (1) of which shall be provided in each school building. The Association may use the district mail service and teacher mailboxes for communication to teachers.
- E. The Board agrees to furnish to the Association in response to reasonable requests all available information concerning the financial reports and audits, register of certified personnel, tentative budgetary requirements and allocations (including county allocation board budgets, agendas and minutes of all Board meeting), treasurer's reports, census and membership data, names and addresses of all teachers, salaries paid thereto and educational background, and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of teachers and their students, together with information which may be necessary for the Association to process any grievance or complaint.
- F. The Board may consult with the Association on any new or modified fiscal, budgetary or tax programs, construction programs, or major revisions of educational policy which are proposed or under consideration; and the Association may be given opportunity to advise the Board with respect to said matters prior to their adoption and/or general publication.

G. The rights granted herein to the Association shall not be granted or extended to any competing labor organizations.

H. The Board shall place on the agenda of each regular Board meeting as the first item for consideration under "New Business" any matters brought to its attention by the Association so long as those matters are made known to the Superintendent's Office five (5) working days prior to said regular meeting.

ARTICLE X - PROFESSIONAL QUALIFICATIONS & ASSIGNMENTS

A. The District shall follow all rules and regulations established by the Michigan Department of Education (MDE) and the State of Michigan regarding professional qualifications and assignments within this contract.

C. All teachers shall be given written notice of their tentative assignments/schedules for the forthcoming year no later than the 15th day of August preceding the commencement of the school year unless an emergency situation requires change, and the teacher(s) shall be notified in each instance.

D. Any assignments in addition to the normal teaching schedule during the regular school year including driver education, extra duties enumerated in Appendix C, and summer school courses shall not be obligatory but shall be with the consent of the teacher.

ARTICLE XI - TEACHER OBSERVATION & PROGRESS

The parties recognize the importance and value of a procedure for assisting and evaluating the progress and success of both newly employed and experienced personnel. Therefore, to this end, the following procedure has been agreed to in an effort to accomplish the goals.

- A. A teacher will have the right to review the contents of all records of the district pertaining to said teacher originating after original employment and to have a representative of the Association accompany him/her in such review.
- B. No material originating after original employment will be placed in his/her personnel file unless the teacher has had an opportunity to review the material. The teacher may submit a written notation regarding any material, and the same shall be attached to the file copy of the material in question. If the teacher believes that material to be placed in his/her file is inappropriate or in error, he/she may receive adjustment, provided cause is shown, through the grievance procedure whereupon the material will be corrected or expunged from the file. If the teacher is asked to sign material placed in his/her file, such signature shall be understood to indicate his/her awareness of the material but in no instance shall said signature be interpreted to mean agreement with the content of the material.
- C. Any complaint made against a teacher or person for whom the teacher is administratively responsible by any parent, student, or other person will be promptly called to the attention of the teacher to the extent permitted by law.
- D. If a teacher is to be disciplined or reprimanded by the Board or its agents, he/she shall be entitled to have a representative of the Association present.
- E. L. Any disciplinary action taken against a teacher shall be appropriate to the behavior that precipitates said action.

ARTICLE XII - REDUCTIONS IN PERSONNEL, SENIORITY, & RECALL

- A. No later than thirty (30) days following the ratification of this Agreement and a maximum of once each year thereafter a seniority list shall be prepared upon the request of the Association. All teachers shall be ranked on the list in the order of their beginning date of employment
- B. In the circumstance of more than one (1) individual teacher beginning employment on the same date all individuals so affected will participate in a drawing by lot to determine position on the seniority list. The Association and teachers so affected shall be notified in writing of the date, place, and time of the drawing. The drawing shall be conducted openly and at a time and place which will reasonably allow affected teachers and the Association to be in attendance.
- C. Seniority shall continue to accumulate when teachers are on layoff, military, study, health, or other authorized leave or a period not to exceed two (2) years.
- D. Seniority for regular part-time teachers will be given on the following basis:
 - 1. Teachers employed over fifty percent (50%) contractual teaching time will be given full year seniority
 - 2. Teachers who are employed for fifty percent (50%) or less contractual teaching time will be given one-half (1/2)-year credit toward seniority.
- F. Administrators will not receive credit towards seniority even though they may be assigned to teaching up to full time. Seniority earned prior to becoming an administrator will be maintained.
- G. All seniority is lost when there is both a severance of employment and a break in service; however, seniority is retained if a severance of employment and a break in seniority is due to layoff. In such cases, teachers so affected shall retain all seniority that has been accrued as of the effective day of layoff.

ARTICLE XIII - PROFESSIONAL BEHAVIOR

A. A teacher shall at all times be entitled to have present a representative of the Association when he/she is being reprimanded, warned, or disciplined for any infraction of rules or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present.

B. The District shall not adopt, implement, or maintain a policy for discharge or discipline of an employee that includes a standard for discharge or discipline that is different than the arbitrary and capricious standard provided under section 1 of article IV of 1937 (Es Sess) PA 4, MCL 38.101.

ARTICLE XIV - PROFESSIONAL IMPROVEMENT

A. The parties support the principle of continuing training of teachers, participation by teachers in professional organizations in the areas of their specialization, leaves for work or advanced degrees or special studies, and participation in community, state, and federal educational projects.

B. The Board may appropriate monies for teachers desiring to attend selected professional conferences. All teachers desiring to attend said conferences shall apply to the Board who shall make final determination as to approval or disapproval to said application. Criteria to be used in making said decision shall include, but not be limited to, needs of the district, areas of specialization of the teacher, validity of the proposed program, and number of conferences or seminars attended by the applicant as opposed to other applications for other programs.

ARTICLE XV - MANAGEMENT RIGHTS CLAUSE

The Board, on its own behalf and on behalf of the lectors of the District, hereby retains and reserves unto itself without limitation all powers, rights, authority, duties and responsibilities conferred upon and voted in it by the laws and the Constitution of the State of Michigan and of the United States including, but without limiting the generality of the foregoing, the right:

The exercise of the foregoing powers, rights, authorities, duties, and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms are in conformance with the Constitution and laws of the United States and the State of Michigan.

ARTICLE XVI - TEACHER INSTRUCTIONAL AIDE RELATIONS

(This section does not refer to General School Teachers Aides.) A. The Board may employ instructional aides to assist teachers in reinforcing instructional activities: making and/or securing instructional materials, keeping school records, maintaining a proper instructional environment, inventory, ordering, and storing or filing classroom supplies and materials, and in the supervision of students. A detailed job description shall precede the employment of any aide. The teachers to whom the aides are assigned shall develop such a job description

Teacher members of the committee shall be appointed by the Association and shall be given released time for the purpose of meeting with the committee.

 - Necessary job-related skills (such as reinforcement activities in reading, writing, math, and spelling);
 - Skill in utilizing audio-visual, duplicating and school equipment,
 - Skills necessary in working effectively with students and with other members of the instructional team;
 - Skills necessary to adequate performance of other responsibilities which may be assigned; and
 - An understanding of new developments in education.

ARTICLE XVII - TEACHER RIGHTS

A. Pursuant to the Michigan Public Employment Relations Act the Board hereby agrees that every employee of the Board shall have the right freely to organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under code of law of the

State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any right conferred by the Act or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

The private and personal life of any teacher is not within the appropriate concern or attention of the Board

- D. The provisions of this Agreement shall be applied without regard to race, creed, religion, color, national origin, age, sex, or marital status. Membership in the Association shall not be denied to any teacher because of race, creed, sex, marital status, or national origin.

ARTICLE XVIII - ACADEMIC FREEDOM

- A. Academic freedom shall be guaranteed to teachers, and no special limitations shall be placed upon study, investigation, presenting and interpreting facts and ideas concerning man, human society, the physical and biological world, and other branches of learning subject to accepted standards of professional responsibility. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall promptly render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.
- B. If any teacher is complained against or sued as a result of any legal action taken by the teacher while in pursuit of his/her employment, the Board may underwrite the cost of legal counsel to be selected by the teacher and render all necessary assistance to the teacher in his/her defense.
