Agreement

This agreement is made and entered into this July 1, 2019, by and between the Dickinson-Iron Intermediate District Board of Education, hereinafter referred to as the "Board" or "Employer" and the Dickinson-Iron Intermediate School District Educational Support Personnel Association-MEA-NEA, hereinafter referred to as the "Association" or "Union".

PREAMBLE

WHEREAS, the Board and the Association recognize their rights and obligations pursuant to the Michigan Public Employment Relations Act, Act No. 336 of the Public Acts of 1947 as amended; and

WHEREAS, the Board and the Association have entered into good faith negotiations and reached agreement upon wages, hours and other terms and conditions of employment; and

WHEREAS, both the Board and the Association desire to establish cooperative and harmonious labor relations founded upon a mutually agreeable contractual relationship;

THEREFORE, the Board and the Association do hereby set forth and record this Master Agreement as their express and entire contractual commitment.

ARTICLE 2

Recognition

A. Bargaining Unit Defined

The Board hereby recognizes the Association as the sole and exclusive bargaining representative as defined in Section II of Act 336, Public Acts of 1947, as amended, for all employees, who are within the appropriate bargaining unit described and defined as: all full-time and regular part-time Secretarial/Clerical Employees which includes both Lead and School as one category with a differential for pay only, but excluding the secretary to superintendent, school services, systems operator, substitutes, supervisors and all other employees.

B. Employees

Unless otherwise indicated, use of the term "employee" or "bargaining unit member" hereinafter in this Agreement shall refer to all members of the above defined bargaining unit.

Any new employee hired to fill a position that falls into one of the categories of the Recognition Clause will be instructed at the time of hire that the position is an Association position and that the terms and conditions of Article 3, Professional Responsibility, of this agreement shall prevail for the position after completion of the probationary period. This provision would require either membership in the Association or the payment of a Service Fee as a condition of employment. New employees are probationary for a period of ninety (90) work days and are not covered by the provisions (other than wages and health insurance) of this contract. If employment is continued, terms and conditions of this agreement begin on the ninety-first (91st) work day. Any days taken for sick, vacation or personal leave are not counted in the number of probationary days.

ARTICLE 3

Professional Responsibility

A. **Membership**

Membership in the Association shall comply with all State and Federal laws and Regulations.

B. **Notification**

The Board agrees to send or present each prospective employee with a copy of this Article along with the individual employee contract.

C. **Payroll Deductions**

Upon appropriate written authorization from the bargaining unit member, the Board shall deduct from the wages of any such bargaining unit member and make appropriate remittance for Financial Services programs and annuities, insurance programs not fully Board-paid, financial institutions savings bonds, charitable donations, contributions or any other plans or programs jointly approved by the Association and the Board, but not more than the computer payroll program allows.

D. **Compliance List**

E. **Temporary Employees**

When a temporary vacancy occurs and it cannot be filled from within the Association, the individual hired to fill the temporary vacancy will be employed at a wage rate as determined by the Board not to exceed Step 2 of the salary schedule. Temporary employees are not covered by this agreement.

If an employee is hired to replace an employee during the contractual year, that employee

will receive a contract after working a total of sixty (60) consecutive work days, at which time they fall under the terms and conditions of this Agreement. The long term temporary employee contract will state that his/her employment will terminate at the end of that contractual year or when the regular employee returns to his/her duties, whichever occurs first. In the event that the same employee is rehired to the same or a similar position within the same contractual year, he/she shall serve a total of ninety (90) actual work days inclusive of the temporary assignment and probationary days, but exclusive of sick, personal or vacation time. That employee may pay dues or service fees to the Association upon completion of probation, and subject to Article 3, D.

F. Legal Defense

In the event of any legal action against the Board brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend against such action, at its own expense and through its own counsel. The Association shall have complete authority to settle all claims which it defends under this section in cooperation with the Board.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Employer, including the Board, wholly or individually, and/or administration, wholly or individually, from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with this Article 5.

Informal Level 1: When an employee(s) or the Association believe(s) a grievable incident has occurred, the affected employee(s) or the Association shall request a meeting with the immediate supervisor and/or department director in an effort to resolve the complaint within ten (10) administrative business days. The Association shall be notified and a representative thereof be present if available with the employee(s) at such meeting. If the employee(s) or Association's satisfaction is not met with the result(s) of the meeting, he/she/they may formalize the complaint.
2. It may be necessary to send students home on a given day, it will be the prerogative of the administration to determine if bargaining unit members will be released or not.

B. Notification of Closure

Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations. While no final agreement shall be executed without ratification by the Association and the Board of Education, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

B. **Work Week**

The work week for all full time bargaining unit members shall consist of a full week; Monday through Friday, except as may be interrupted by a paid holiday, paid or unpaid leave, or other break pursuant to this Agreement. The DIISD may schedule a four day workweek for economic reasons and during the summer months after consultation with the Association.

The work day for all bargaining unit members shall be as follows:

1. Secretarial/Clerical:

Seven and one-half (7.5) hours, beginning no earlier than 6:00 a.m. and ending no later than 5:00 p.m. Adjustments may be made in the work day for operational efficiency or to improve service after consultation with the Association.
2. Requests for occasional flexibility from the schedule as outlined above, from either party, can occur

through mutual prior agreement between employee and administrator/supervisor based on operational efficiency.

D. Duty-Free Lunch

All bargaining unit members shall receive a one (1) hour uninterrupted, duty-free lunch period which shall be scheduled approximately mid-shift; specific scheduling of which shall be arranged in cooperation with the department director. This one hour lunch period shall include one-half (2) hour unpaid leave and one-half (2) hour paid leave based on two fifteen (15) minute relief periods (i.e.)

12:00-12:15 - break

12:15-12:45 - lunch

12:45-1:00 - break

Some employees and administrators may wish a different schedule, determined mutually and on a case by case. These provisions do not create a guarantee of work hours or days in the event the DIISD determines there is an economic need for reductions in the normal work schedule.

E. Emergency Call-In

A minimum of one (1) hour shall be credited to an employee called in for an emergency situation, even if less time is worked by the employee. In such an emergency situation, the employee will only be required to deal with the emergency situation, with minimal other duties, if required.

F. In-Service

In-service training opportunities shall be offered to all employees as determined necessary by the Administration to fulfill the requirements of their job.

G. Flex Time

“Flex Time” may occur based on mutual agreement with the immediate supervisor to adjust the normal work hours and is limited to a total of 1 hour in any given work week. Flex time may not be used if the

employee's resulting work hours will exceed 40 in any workweek. Flex time must be taken during the same work week or pay period. Flex time is earned at 1:1 time the number of minutes/hours worked over the usual work day and shall not result in an overtime (paid or compensatory time) obligation. All flex time hours worked or paid shall be accurately recorded by the employee and supervisor in the manner determined by the District. Flex time is not to be used in lieu of sick time.

H. Time Above Weekly Contract (Paid or Compensatory Time)

Employees may be requested during critical times by Administration to work minutes/hours beyond their normal workweek up to a maximum of 40 hours. This additional time will be compensated at the straight (1:1) rate of the employee. Prior administrative approval is required to work beyond the normal workweek. At the written request of the employee and with the administrative agreement, any minutes/hours earned in excess of their Normal workweek (40 hours or less) may in lieu of monetary compensation be given as compensatory (comp) time at the same straight (1:1) time rate as earned.

1. At the time the minutes/hours are approved, the employee and supervisor will determine if the minutes/hours will be paid or taken as compensatory time. Their agreement will be reflected on forms provided by the Employer and signed by the employee and supervisor.
2. The utilization of compensatory time shall be scheduled by mutual agreement. An employee shall use the compensatory time within 30 calendar days of the accrual if the use of the compensatory time does not unduly disrupt the District's operations. Utilization must be completed prior to June 30th of each fiscal year.
3. If the employee selects pay in lieu of compensatory time, unused compensatory time will be paid in the pay period immediately following the pay period in which it was accrued.
4. Accrued compensatory time, if paid, is paid at the rate of the employee at the time the compensatory time is taken.
5. An employee with accrued compensatory time who terminates employment will be paid for the

unused compensatory time on the same basis as set forth in Paragraph I.5 below for Overtime (Paid or Compensatory Time).

I. Overtime (Paid or Compensatory Time)

Overtime scheduled by the Administration shall be compensated at the rate of time and one-half (1-1/2) of the regular hourly pay for all minutes/hours worked over forty (40) in a given week. Prior administrative approval is required for an employee to work any overtime.

At the written request of the employee and with administrative agreement, any authorized minutes/hours earned in excess of 40 hours in any workweek may in lieu of monetary overtime compensation be given as compensatory (comp) time at a rate of time and one half.

1. At the time the overtime minutes/hours are approved, the employee and supervisor will determine if the overtime minutes/hours will be paid or taken as compensatory time. Their agreement will be reflected on forms provided by the Employer and signed by the employee and supervisor.
2. The utilization of compensatory time shall be scheduled by mutual agreement. An employee shall use the compensatory time within 30 calendar days of accrual if the use of compensatory time does not unduly disrupt the District's operations. Utilization must be completed by June 30th of each fiscal year.
3. If the employee selects payment in lieu of compensatory time, unused compensatory time will be paid in the pay period immediately following the pay period in which it was accrued.
4. Accrued compensatory time is paid at the rate of the employee at the time the compensatory time is taken.
5. An employee with accrued compensatory time who terminates employment must be paid for the unused compensatory time as required by applicable law.
6. Employees who do not wish to perform overtime work shall notify the Administration in writing. This request shall remain in effect until revoked in writing by the employee. Employees may be

required to work overtime in critical situations.

J. Extra Assignments

Additional work will be offered to the most senior and qualified employees within the affected department who possess the necessary job skills to perform the work as determined by the job description. If no one is available within the department, the rotation list will be utilized.

The rotation list will go in descending order of seniority for staff who possesses the necessary job skills to perform the work as determined by the job description. If an employee turns down any extra assignment, they shall be placed on the bottom of the rotation schedule. This rotation shall be a continuous cycle except in the case of job continuity. Job continuity shall be defined as a position in the bargaining unit that requires abilities and skills which would require an employee to finish an assignment because they are most familiar and qualified to finish the job in a timely manner. Extra assignments accepted by a bargaining unit member do not constitute credit toward additional or increased insurance benefits or eligibility and may not require overtime pay.

K. Emergency Assignments

Emergency assignments are defined as immediate and unforeseen activities which are subject to very limited district timelines or deadlines, as determined by administration and issued with prior administrative approval. Emergency assignments may occur either during the school year or summer period and may be assigned by the administration as determined by the acute needs of the district. Emergency assignments may be assigned up to a limit of 2.5 hours in any given work week. The provisions of this section are not grievable.

L. None of the sections within this article limit the Board's inherent management rights to reduce the day, week or calendar if needed for economic reasons in the Board's opinion and work in accordance with applicable law.

ARTICLE 10

Conditions of Employment

A. Miscellaneous

1. Any employee working in more than one (1) position or holding two (2) part-time positions within one (1) position shall receive pay and benefits according to job position in proportion to the time spent in each position.
2. No employee shall be required to work in a facility alone beyond normal working hours or during any period when the building is normally closed.

ARTICLE 11

Seniority

A. Seniority Defined

Seniority shall be defined as the continuous length of service within the district. Accumulation of seniority shall begin from the bargaining unit member's first work day retroactive after the completion of the ninety (90) work day probationary period. Seniority shall not be awarded during the probationary period. The rate of accumulation shall be based on a full-time employee working 1950 hours receiving one (1) year seniority and those working less shall receive the fractional portion of the year rounded to the nearest hundredth. In the event that more than one individual bargaining unit member has the same starting date of work, position on the seniority list shall be determined by drawing lots.

B. Probation

Probationary employees shall have no seniority until the completion of the probationary period, which shall be a period of ninety (90) working days. Any days taken for sick, vacation or personal leave are not counted in satisfying the number of probationary days. Upon the completion of the probationary period, the bargaining unit member shall be entered on the seniority list of the unit and shall rank for seniority from the first work day. There shall be no seniority among probationary employees.

C. Seniority List

The Board shall prepare, maintain, and make available the seniority list. The seniority list shall be prepared and included as the last Appendix to this contract. A copy of the seniority list and subsequent revisions shall be furnished to the Association on a timely basis, but not later than October 1 of each year. Employees shall have thirty (30) days from the posting of the list to verify that their seniority is correct. After the thirty (30) day period, the seniority list shall be approved and not subject to the grievance procedure. From this time forward, only revisions to the current year's list are subject to the grievance procedure for a period of thirty (30) days following the yearly posting.

D. Unpaid Leave

An employee on a Board-approved unpaid leave of absence shall retain all earned seniority, but shall not accrue additional seniority while on such leave.

E. Seniority Lost

An employee's seniority and employment relationship with the School District shall terminate for the following reasons:

- 1) If the employee resigns or retires.
- 2) If the employee is terminated for cause.
- 3) If the employee is absent for four (4) consecutive working days without properly notifying the School District.
- 4) If the employee fails to report to work within ten (10) working days following notification of recall.
- 5) If the employee fails to return on the required leave date following a leave of absence or vacation without notice and without explanation.
- 6) An employee's layoff exceeds three (3) years.
- 7) If the employee is convicted of a listed offense(s) in the SORA (Sex Offender's Registration Act) including any future amendments of SORA.

An employee transferring to a non-bargaining unit position will have their seniority frozen for a one year period. The employee will have up to a forty-five (45) work day period to bump back to their original vacated position. Their original position during this period will be posted and filled as a temporary position.

ARTICLE 12

Vacancies, Transfers, and Promotions

A. **Vacancy Defined**

A vacancy shall be defined as a newly created position or a present position that is to be filled as determined by the Board.

B. **Vacancy Posting**

All vacancies shall be posted in a conspicuous place in each primary building of the district for a period of two (2) work days and a copy provided to the Association. Said posting shall state the type of work, classification, and minimum requirements of the position.

C. **Vacancy Notification**

Interested bargaining unit members may apply in writing to the Superintendent, or designee, within the two (2) day posting period.

D. **Award of Vacancies**

Vacancies shall be filled with the most senior, qualified applicant who possesses the necessary job skills to perform the work as determined by the Board. Applicants on a plan of improvement at the time of a posting will not be considered qualified applicants. If there are no qualified applicants from within the bargaining unit, the Administration has the right to advertise and fill the position from outside the bargaining unit.

E. **Trial Period**

The successful applicant shall be given thirty (30) work days in which to show his/her ability to perform on the job. If the bargaining unit member is unable to demonstrate ability to perform the work required during the trial period, or at the option of the affected bargaining unit member, the bargaining unit member shall be returned to his/her previous assignment.

F. **Transfer Rights**

The parties agree that involuntary transfers of bargaining unit members shall not be made for reasons that

are arbitrary and capricious. Bargaining unit members shall not be reduced in salary due to involuntary transfers. In all cases of transfer due to reduction in force, the salary paid shall be that attributed to the work being performed.

G. Long-Term Temporary Vacancies

When a long-term (one [1] year or more), but not permanent vacancy occurs, a permanent employee may apply for and if qualified, be temporarily transferred to fill such a vacancy. At the conclusion of the temporary transfer, the permanent employee shall be transferred back to the former -position or a position equivalent to it. When such a transfer is made, the vacancy thereby created may be filled with a temporary employee. The Board reserves the right to fill or not fill this temporary position.

ARTICLE 13

Reduction in Personnel, Layoff, and Recall

A. **Layoff Defined**

Layoff shall be defined as a necessary reduction in the work force beyond normal attrition due to a lack of funds or decrease in work load.

B. **Layoff Notice**

No bargaining unit member shall be laid off pursuant to a necessary reduction in the work force unless said bargaining unit member shall have been notified of said layoff at least ten (10) work days prior to the effective date of the layoff except in cases of extreme emergency.

D. Evaluation Conferences

Following each formal evaluation, which shall include a conference with the evaluator; the bargaining unit member shall sign and be given a copy of the evaluation report prepared by the evaluator. In no case shall the bargaining unit member's signature be construed to mean that he/she necessarily agrees with the contents of the evaluation. At the completion of the probationary period, an evaluation of the bargaining unit member's work shall be completed, following the procedures of this provision.

ARTICLE 21

INSURANCE PROTECTION

A. Insurance Coverage

The Board shall make available to the bargaining unit member the following insurance protection plans. The Board, by payment of any contributions toward the premium required to provide coverage as agreed upon, shall be relieved from all liability with respect to any insurance benefits provided in this agreement. Any change in carriers shall be derived at through mutual agreement between the Board and the Association. As of January 1, 2012, the bargaining unit member shall contribute towards the applicable premium at least the amount required by applicable law in effect as of such date, or as stated within this agreement, whichever is larger.

Benefit coverage for 2019-2022 include one of the following options as selected by the employee:

Plan A: Messa ABC Plan 1, CHOICES, or a District selected MESSA plan.

The Union can choose the medical options and deductibles available for the ABC Plan 1 or Choices prior to open enrollment. The Union must give the options selected to the BSC by October 1st for changes to be allowable. All plans will include \$20,000 Life insurance with Accidental Death and Dismemberment, Long Term Disability, Delta Dental 100/90/90/90: \$3,000; \$2,000, and Vision VSP3 Gold.

We will utilize Messa's billing definition for subscriber category of Full family, 2 Person, and Single.

However if MDE requires a different definition, MDE's interpretation will control. The Board of Education's contribution toward the applicable premium for the health/medical plan selected by any eligible full-time employee (single, two person or full family) combined with the Board provided premium contribution for a corresponding Dental/Vision/Life/LTD Insurance Plan, will be as listed below based on their date of hire, but the health portion not to exceed the state cap. The distribution of insurance costs can be changed per group (Full family, 2 Person, and Single) by the union if it yields a zero net difference of Board paid health contribution (BPHC).

If a MESSA HSA plan is selected, the Board will agree to pay the HSA contribution as follows: ½ of

the annual contribution (AC) in July and the other ½ of the annual contribution in January if the employee is on staff on July 1st of the preceding year– not to exceed \$1,350 for single or \$2,700 for 2 person or full family per contract year. The Board will agree to offer employees the option to refuse the AC amount and increase their BPHC instead by the same amount. Example, an employee could receive \$2,700 AC either ½ in July and ½ in January or that \$2,700 divided by their numbers of pays and add that amount (\$100 if 26 pays were selected) per pay period to the BPHC, reducing their copayment. The board contribution would be distributed equally over the employee’s chosen copay option. The July payment will not be made if the employee is not scheduled to return to work for the full school year; it would be prorated based on the projected work-days. If an employee starts after July of the contract year, the contribution will be prorated. If a termination of employment by either party is known prior to a HSA payment, the HSA contribution will be prorated based on projected work-days. In no case will the Board be required to contribute more than the amount permitted by 2011 PA 152, the Board will follow all necessary State or Federal regulations.

Plan B: Association members (P/T 50%-89% or Full 90-100%) not using the Plan A will have MESSA/

- Delta Dental Plan 100/90/90/90: \$3,000; \$2,000, (P/T & Full)
- Vision VSP-3 Gold, (P/T & Full)
- \$40,000 Life insurance with Accidental Death and Dismemberment life insurance, (P/T & Full)
- and Long Term Disability (66 and 2/3%) and (P/T & Full)

for a total not to exceed the information below with any balance paid in cash in lieu (CIL) on a pro-rated basis.

The Board will provide payment in equal installments through payroll.

Options, Payments and Calculations

1. BLENDING After each open enrollment period, the District will provide the new ESPI census information within two weeks of receiving the information from MESSA to the Union. The Union will provide “blended” rates within two weeks after receiving the census information. The Business office will verify that the figures do not exceed the state cap within each tier and that the blending does not violate any tax laws. If the

blending exceeds the tax ability, the rates will be blended up to the allowable amount, not to exceed the state cap when combined. If the union prefers, they do not need to blend rates – the union must let the business office know this within two weeks after receiving the census information.

2. SELECTION The union will select the health options of CHOICES, ABC Plan 1, District selected plan and Plan B (Full or P/T) prior to the first open enrollment after the ratification of this contract. Those health selections will remain in place during the duration of this contract. The non-health will be as described above and will not be changed.

3. PAYMENTS All Board paid premium or cash in lieu obligations are earned monthly with the exception of the HSA twice annual contribution.

The monthly Board paid premium for Choices or District selected plan (if applicable) will be 1/12 of the annual state cap for medical for full time employees. The monthly Board paid premium for the non-health benefits listed above for Plan A members based on provider status will be 1/12 of the annual cost for all staff. Example: If the annual state cap for full family is \$18,232 and the annual cost for non-health is \$1,200. The monthly Board obligation would be 1/12 of \$18,232 or \$1,519.33 and 1/12 of \$1,200 would be \$100 so the monthly Board obligation would be \$1,619.33. The monthly Board paid premium for ABC Plan 1 or District selected plan (if applicable) will be calculated as follows: The annual state cap (based on provider status) less the Board paid bi-annual contribution (based on provider status) equals the Board paid health contribution (BPHC). The Board will pay 1/12 of the BPHC on a monthly basis for all full time employees. The Board will pay 1/12 of the annual cost for the non-health benefits listed above per month for all full-time Plan A members based on provider status. Example: The annual state cap for full family is \$18,232; the annual contribution will be \$2,650. $\$18,232 \text{ minus } \$2,650 = \$15,582$. The monthly obligation would be 1/12 of \$15,582 or \$1,298.50 as well as \$1,325 in July and \$1,325 in January.

These payment calculations are based on the state cap, but blending is allowed if the district has a net-zero effect

and can follow all taxing regulations.

c. The Board paid premium for Plan B will be as follows: single subscribers hired prior to 7/1/2008 will receive a total monthly CIL contribution of \$458.33 less the monthly cost of the insurance. Single subscribers hired after 6/30/2008 would receive \$165 less per month for their total monthly CIL and insurance contribution. The two person and full family hired prior to 7/1/2008 will receive a total monthly CIL contribution of \$732.27 less the monthly cost of the insurance. The two person and full family subscribers hired after 6/30/2008 would receive \$165 less per month for their total monthly CIL and insurance contribution. The annual cost will not exceed \$5,500 for a single subscriber or \$8,787 for a two person or full family for employees hired prior to 7/1/2008 or \$3,520 for a single subscriber or \$6,808 for a two person or full family for employees hired after 6/30/2008. Example: If the monthly Board paid Plan B is \$732.27 and the monthly cost of insurance was \$300, the monthly CIL contribution would be \$432.27 for employees hired prior to 7/1/2008 and \$267.27 for employees hired after 6/30/2008.

4. STATE CAP The State cap will be annually adjusted each July for the duration of this contract using the state approved cap established at the start of that calendar year. The State cap for the 2019-2020 school year is \$6,685.17 (\$557.09/month) for single, \$13,980.75 (\$1,165.06/month) for two person and \$18,232.31 (\$1,519.36/month) for full family prior to any blending.

The Board will provide payment for any cash in lieu (CIL) in equal installments through payroll. The balance of any premium in health care insurance and additional benefits will be paid in full by the association member utilizing a payroll deduction of equal monthly installments. Open enrollment occurs from November 1 – November 30 of each year.

B. Insurance Coverage for Part Time Members

The Board shall make available for part time bargaining members the insurance protection plans as outlined in Section A: (1) Plan A, (2) Plan B and shall contribute toward the applicable premium for a part time

employee's health/medical plan (single, two person or full family) combined with the Board provided premium contribution for a corresponding Dental/Vision/Life Insurance Plan the percentage of the Board paid premium contribution that is equal to the percentage of full time that the employee is contracted to work. The amounts contributed by the Board toward the applicable premium shall not exceed the actual monthly premium amounts charged for the part time ESP I's applicable plan or the maximum monthly Board premium contribution, whichever is less. The balance of any premium in health care insurance and additional benefits will be paid in full by the association member utilizing a payroll deduction of equal monthly installments. Open enrollment occurs from November 1 – November 30 of each year.

Any change in carriers shall be derived at through mutual agreement between the Board and the Association. Part time bargaining members must be employed a minimum of 51% of a full time position to be eligible for prorated benefits and must be employed 90% of a full time position (either 200 or 260 days) to be eligible for full time benefit status.

ARTICLE 22

An Association Member, upon prior approval of his/her Supervisor, will receive reimbursement of up to \$250.00 per calendar school year for tuition, books, and materials for courses, credits, or CEU's that will enhance the Association Members' work skills and/or job performance.

The Association Member must provide original evidence of successful completion of work and/or credits earned, if any. Upon receipt of such evidence, the DIISD will reimburse the Association Member for the cost of such training in accordance with the amount stated above.

ARTICLE 23

EXTENT OF AGREEMENT
