AGREEMENT

THIS AGREEMENT entered into on this 1st day of April, 2011, between the BOARD OF EDUCATION of the NORWAY-VULCAN AREA SCHOOLS (hereinafter referred to as the "BOARD") and the MICHIGAN EDUCATIONAL SUPPORT PERSONNEL ASSOCIATION (hereinafter referred to as the "UNION").

WHEREAS, the general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Board, the employees, and the Union; and

WHEREAS, the parties recognize that the interest of the community and the job security of the employees depend upon the Board's success in establishing a proper service to the Community;

NOW, THEREFORE, the parties hereto agree as follows:

ARTICLE I -- RECOGNITION

- A. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Board does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement for all custodial employees, maintenance employees, food service employees, teacher aide employees, office-clerical employees, school bus drivers, excluding the confidential secretary to the superintendent, secretary/payroll, supervisors, and independent bus contractors.
- B. For the purpose of this Agreement, the term "employee" shall mean all full-time and part-time custodial, maintenance, cafeteria, teacher aide, office-clerical employees, and school bus drivers.

ARTICLE II -- ASSOCIATION SECURITY AND DUES

- A. Membership in the Association is voluntary and shall comply with all State and Federal Regulations in accordance with the terms and conditions found in this Article.
- B. All employees included in the recognition Clause shall pay dues or service fees in compliance with all State of Michigan and Federal regulations that apply.
- C. The Board agrees to:
 - 1. Deduct appropriate and applicable Association dues or service fees;
 - 2. Such deductions shall be established in accordance with applicable laws and regulations;

3. All applicable dues or service fees shall be transferred to the Association or its designee, provided each member authorizes the Board to deduct dues or service fees. The written authorization for Union dues shall be in full force and effect and may be revoked only by written notice in accordance with procedures found on the authorization form.

D. Each employee shall, as a condition of employment, (1) on or before thirty (30) days from the day of active employment or the effective date of this Agreement, whichever is later, join the Association, or (2) pay a service fee to the Association, pursuant to the Association's "policy regarding objections to political-ideological expenditures" and the administrative procedures adopted pursuant to that policy. The service fee shall not exceed the amount of association dues collected from association members. The employee may authorize payroll deduction for such fee. In the event that the employee shall not pay such service fee directly to the Association, or authorize payment through payroll deduction, the Board shall, pursuant to MCLA 408.477;MSA 17,277(7) and at the request of the Association, deduct the service fee from the employee's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each employee. Moneys so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction. The procedure in all cases of non-payment of the service fee shall be as follows:

- 3) The Board, upon request for involuntary deduction, shall provide the employee with an opportunity for a due process hearing limited to the question of whether or not the employee has remitted the service fee to the Association or authorized payroll deduction for same.
- 4) The Board and Association may mutually agree, in writing, to withhold, and/or suspend involuntary wage deduction, and/or to place any involuntary wage deductions in an escrow account pending any legal challenges. Pursuant to Chicago Teachers Union v Hudson, 106 S CT 1066 (1986), the Association has established a "policy regarding objections to political-ideological expenditures." That policy, and administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-union employees who chose not to belong to the Association. The remedies set forth in that policy shall be exclusive, and unless and until such

procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim, or complaint by an objecting employee concerning the applications and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure. Due to certain requirements established in court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year. Consequently, the parties agree that the procedures in this Article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association notification to non-members of the fee for that given school year. In the event that such an authorization is not signed and returned to the school business office by the end of the probationary period, or a service fee is not paid directly to the Association, the Board shall, upon written request by the association, deduct the service fee from the employee's wages and remit same to the Association, only after a meeting between a business office representative and the employee, pursuant to MCLA 408.477, MSA 17,17.277(7).

- E. The Board agrees to send or present each prospective employee with a copy of this Article along with the individual employee contract.
- F. The Association shall certify to the Board in writing the current rate of membership dues. If the Association shall change the rate of its membership dues, the Association shall give the Board thirty (30) work day's written notice prior to the effective date of such change. Additionally, the Association shall certify to the Board in writing the current service fee. If the Association shall change the rate of its service fee, the Association shall give the Board thirty (30) work day's written notice prior to the effective date of such change.
- G. Deductions referred to in Section C above shall be made in equal installments determined by the number of pay periods selected by each employee. Upon appropriate written authorization from the employee, the Board shall deduct from the wages of any such employee and make appropriate remittance for Financial Services programs and annuities, insurance programs not fully Board paid, financial institutions, savings bonds, charitable donations, contributions or any other plans or programs jointly approved by the Association and the Board.

No later than the thirtieth (30th) workday following the opening day of school, the Board shall provide the Association with a list of employees who have not authorized the Board to make deductions for membership dues or service fees for negotiation and administration of this Agreement.

H. In the event of any legal action against the Board brought in court or administrative agency because of its compliance with this Article, the Association agrees to defend against such action, at its own expense and through its own counsel. The Association shall have complete authority to settle all claims which it defends under this section in cooperation with the Board.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Employer, including the Board, wholly or individually, and/or administration, wholly or individually, from any liability for damages and costs imposed by a final judgement of a court or administrative agency as a direct consequence of the Board's compliance with this Article.

Therefore, the Board and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
