AGREEMENT

This Agreement is made and entered into this, 25th day of February, 2013 between the BOARD OF EDUCATION OF THE NORWAY-VULCAN AREA SCHOOLS (hereinafter referred to as the Board), on its own behalf and on behalf and for the benefit of its affiliate, the NVEA, UPEA, MEA and the National Education Association.

WITNESSETH:

WHEREAS, certain understandings have been reached which the Board and the Association desire to incorporate into a written collective bargaining agreement.

NOW THEREFORE, In consideration of the following mutual covenants, it is hereby agreed as follows:

SECTION 1

RECOGNITION

1:1 EXCLUSIVE BARGAINING REPRESENTATIVE:

The Board hereby recognizes the Norway-Vulcan Education Association and Michigan Education Association as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, for all certified teaching personnel excluding substitute teachers, the superintendent, assistant superintendents, principals, and all other supervisory and executive personnel.

Unless otherwise indicated, the term teacher as used herein shall refer to all employees in the unit for bargaining as defined above. References to male teachers will include female teachers.

1:2 NEGOTIATIONS WITH ASSOCIATION:

The Board agrees not to negotiate with any teacher organization other than the Norway-Vulcan Education Association and Michigan Education Association for the duration of the Agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having it adjusted without intervention of the Association, (if adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given an opportunity to be present at such adjustment).

1:3 ASSOCIATION SECURITY AND DUES:

- A. Membership in the Association is voluntary and shall comply with all State and Federal Regulations in accordance with the terms and conditions found in this Article.
- B. All employees included in the recognition Clause shall pay dues or service fees in compliance with all State of Michigan and Federal regulations that apply.

C. The Board agrees to:

1. Deduct appropriate and applicable Association dues or service fees;
2. Such deductions shall be established in accordance with applicable laws and regulations;
3. All applicable dues or service fees shall be transferred to the Association or its designee, provided each member authorizes the Board to deduct dues or service fees. The written authorization for Union dues shall be in full force and effect and may be revoked only by written notice in accordance with procedures found on the authorization form.

D. Each employee shall, as a condition of employment, (1) on or before thirty (30) days from the day of active employment or the effective date of this Agreement, whichever is later, join the Association, or (2) pay a service fee to the Association, pursuant to the Association's "policy regarding objections to political-ideological expenditures" and the administrative procedures adopted pursuant to that policy. The service fee shall not exceed the amount of association dues collected from association members. The employee may authorize payroll deduction for such fee. In the event that the employee shall not pay such service fee directly to the Association, or authorize payment through payroll deduction, the Board shall, pursuant to MCLA 408.477;MSA 17,277(7) and at the request of the Association, deduct the service fee from the employee's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each employee. Moneys so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction. The procedure in all cases of non-payment of the service fee shall be as follows:

- 1) The Association shall notify the Board of non-compliance by personal service and/or certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for wage deduction may be filed with the Board in the event compliance is not effected.
- 2) If the employee fails to remit the service fee or authorize deduction for same, the Association may request the Board to make such deduction pursuant to the opening paragraph above.
- 3) The Board, upon request for involuntary deduction, shall provide the employee with an opportunity for a due process hearing limited to the question of whether or not the employee has remitted the service fee to the Association or authorized payroll deduction for same.
- 4) The Board and Association may mutually agree, in writing, to withhold, and/or suspend involuntary wage deduction, and/or to place any involuntary wage deductions in an escrow account pending any legal challenges. Pursuant to Chicago Teachers Union v Hudson, 106 S CT 1066 (1986), the Association has established a "policy regarding objections to political-ideological expenditures." That policy, and administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-union employees who chose not to belong to the Association. The remedies set forth in that policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim, or complaint by an objecting employee concerning the applications and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure. Due to certain requirements established in court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year. Consequently, the

parties agree that the procedures in this Article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association notification to non-members of the fee for that given school year. In the event that such an authorization is not signed and returned to the school business office by the end of the probationary period, or a service fee is not paid directly to the Association, the Board shall, upon written request by the association, deduct the service fee from the employee's wages and remit same to the Association, only after a meeting between a business office representative and the employee, pursuant to MCLA 408.477, MSA 17,17.277(7).

- E. The Board agrees to send or present each prospective employee with a copy of this Article along with the individual employee contract.
- F. The Association shall certify to the Board in writing the current rate of membership dues. If the Association shall change the rate of its membership dues, the Association shall give the Board thirty (30) work days written notice prior to the effective date of such change. Additionally, the Association shall certify to the Board in writing the current service fee. If the Association shall change the rate of its service fee, the Association shall give the Board thirty (30) work days written notice prior to the effective date of such change.
- G. Deductions referred to in Section C above shall be made in equal installments determined by the number of pay periods selected by each employee. Upon appropriate written authorization from the employee, the Board shall deduct from the wages of any such employee and make appropriate remittance for Financial Services programs and annuities, insurance programs not fully Board paid, financial institutions, savings bonds, charitable donations, contributions or any other plans or programs jointly approved by the Association and the Board.

No later than the thirtieth (30th) workday following the opening day of school, the Board shall provide the Association with a list of employees who have not authorized the Board to make deductions for membership dues or service fees for negotiation and administration of this Agreement.

- H. In the event of any legal action against the Board brought in court or administrative agency because of its compliance with this Article, the Association agrees to defend against such action, at its own expense and through its own counsel. The Association shall have complete authority to settle all claims which it defends under this section in cooperation with the Board.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Employer, including the Board, wholly or individually, and/or administration, wholly or individually, from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with this Article.

1:4 ASSOCIATION INDEMNIFIES BOARD FOR DUES PROCEDURE:

In the event the Board, acting on the request of the Association, the Association agrees to indemnify and hold the Board harmless from any and all damages and judgments which may result from such action, except for loss which may be caused by the Board's willful misconduct.

Attorney fees will be included in the indemnity, but in lieu of the Board's attorneys, the Association may hire competent counsel to represent the Board's interest, who shall be subject to the reasonable approval rights of the Board.

1:5 CHECKOFF PROCEDURE:

A teacher may elect to join the Association and pay the periodic Association dues by authorizing the deduction of such amounts from his salary, or Such teacher may elect not to join the Association, but to pay it a service fee.

The following procedure for dues deduction shall apply:

- A. Signed authorization forms are to be delivered to the Board on or before one (1) week prior to the second scheduled pay period of the school year; provided, however, new teachers hired after the beginning of the school year may submit a signed authorization within thirty (30) days of initial employment.
- B. Such authorization shall continue in effect unless subsequent to June 1 and prior to September 15 of any year, such authorization is formally revoked by the teacher in writing and copies thereof are delivered to the Association and the Board and shall be considered revoked if the employee is promoted to a supervisory position, retires, dies, resigns, or is discharged without reversal of said decision.
- C. The Association will, at least fifteen (15) days prior to the beginning of each school year, give written notification to the Board of the amount of its authorized dues, which are to be deducted in that school year. The amounts of the deductions for such dues are not subject to change during the school year.
- D. Pursuant to such authorization, the Board shall deduct one-tenth (1/10) of such dues from the regular salary checks of the teacher each month for ten (10) month, beginning in September and ending in June of each year.
- E. The Association will protect and save harmless the Board from any and all claims, demands, suits, and other forms of liability, except for the loss, which may be caused by the Board's willful misconduct (if such willful misconduct is not caused by information or data supplied by the Association). Attorney fees will be included in the indemnity, but in lieu of the Board's attorneys, the Association may hire competent counsel to represent the Board's interest, who shall be subject to the reasonable approval rights of the Board.

Director of Guidance - up to 10 additional work days per year may be required.
Payment will be at the regular daily base salary rate.

By mutual agreement between the administration and the teacher, a staff member may have their school year extended to perform specialized tasks which impact student learning and can not be performed during the regular school time. Payment will be at the regular daily base rate of the employee.

Longevity - for athletic positions only, an increase of 5% of the coaching salary will be given after 10 years of service in the same coaching position.

HOURS OF INSTRUCTION

Scheduled days/hours of student instruction which are not held because of conditions not within the control of school authorities such as inclement weather, fires, epidemics, emergencies, mechanical breakdowns, or health conditions as defined by city, county or state health authorities, may be rescheduled at the discretion of the Board of Education to ensure that there are a minimum of hours necessary to receive full state aid. Teachers will receive their regular pay for days which are cancelled but shall work on any rescheduled days with no additional compensation.

The Board of Education shall not be required to cancel a work day (in other words, a day when teachers report but students are not in session such as an end of semester grading day, a parent/teacher conference day, or an in-service day) or that portion of any day which is scheduled to be a partial work day even though students do not report. However, the Board may cancel such a day or partial day in its sole discretion. The Board shall not be required to reschedule any work day, or a partial work day which is cancelled, but may do so in its sole discretion.

Total annual salary is based upon 182 days of work for the duration of this agreement regardless of whether the days actually worked are the same as originally scheduled or are different from those originally scheduled due to rescheduling by the Board. Teachers will be paid an additional per diem rate only for any days which they are required to work as part of the regular school year beyond those numbers listed above.

In the event a teacher receives unemployment compensation benefits of any nature during the school year associated with his or her regular teaching assignment due to days of instruction not being held when scheduled due to conditions not within the control of school authorities as stated above, and those days of instruction are rescheduled so that the teacher works those instructional days at a later time, the teacher will have his or her pay adjusted, such that his or her unemployment compensation plus the salary paid to the teacher for the year will be equal to the annual salary he or she would have earned for the school year had there not been scheduled days of instruction cancelled for such reasons.
