In all cases, said teacher shall state his/her intention to return to the school system. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule as he/she would have been had he/she taught in the district during such period.
- B. A military leave of absence shall be granted to any teacher who shall be inducted into any branch of the armed forces of the United States. Leaves shall not exceed a period of two (2) years or one (1) tour of duty unless the teacher is retained in service because of a national emergency or is involuntarily extended. Leaves shall not exceed a period of two (2) years or one (1) term of office. Leaves shall begin at the beginning of the semester and the teacher shall return to the position at the beginning of a semester. The teacher shall notify the Superintendent at least thirty (30) days prior to the beginning of the semester that he/she wishes to return to his/her position.

ARTICLE 17 - TRADITION OF EDUCATION

- A. The parties seek to educate young people in the democratic tradition, to foster recognition of individual freedom and social responsibility, to inspire meaningful awareness of and respect for the Constitution and Bill of Rights, and to instill appreciation of the values of the individual personality. No special limitation shall be placed upon study and investigation of facts and ideas concerning humanity, human society, the physical and biological world or other branches of learning within approved curriculum guidelines put into place under the terms and conditions of this Agreement.
- B. Fairness in procedures will be observed in working toward the implementation of Section A. The parties will also exhibit by appropriate examples the basic objectives of a democratic society.
- C. Teachers shall be entitled to full rights of citizenship. No religious or lawful political activity of any teacher, or the lack thereof, shall be grounds for any discipline with respect to the teacher under such circumstances.
- D. The parties agree to comply with state law regarding grading and grade changes.

ARTICLE 18 - Tenure Procedures

I. Responsibilities of Principal Regarding Teacher Tenure:

- A. The building principal shall explain tenure to all new probationary teachers.
- B. The building principal shall assign a mentor to the probationary teacher within a reasonable period of time. A tenure teacher may accept such appointment at his/her discretion.

II. Responsibilities of Mentors and Probationary Teachers:

- A. The role of the mentor is supportive -- not supervisory. He/she stands in the position of a friendly counselor and helpful personal advisor.
- B. The mentor shall generally offer assistance to help the probationary teacher, upon the probationary teacher's request.

III. Conclusion

It is agreed by the Board and the Association that it is not obligatory by either party for a teacher to serve as a mentor.

ARTICLE 19 - Professional Behavior

- A. Members are expected to comply with reasonable rules, regulations, and directions from time to time adopted by the Board of Education or its representatives which are not inconsistent with the provisions of this Agreement, providing that a member may reasonably refuse to carry out an order which threatens physical safety. Board policy books will be placed in each teacher's lounge and principal's office and will be updated with reasonable frequency.
- B. The Board recognizes that the Code of Ethics of the Education Profession is considered by the Association and its membership to define acceptable criteria of professional behavior. In addition to possible disciplinary action, the

Association shall deal with ethical problems in accordance with the terms of such Code of Ethics of the Education Profession. Any employment, outside the profession, participated in by the member shall be of such a nature as to not interfere in any way with the member's effectiveness as a Member and shall not bring the school district or the teaching profession into public disrepute. (See Code of Ethics in appendix)

- C. The Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a member reflect adversely upon the profession and create undesirable conditions in the school building. Alleged breaches of discipline or the Code of Ethics of the Education Profession should be reported to the member and to the Association. The Association will use its best efforts to correct breaches of professional behavior by any member and, in appropriate cases, may institute proceedings against the offending teacher.
- D. An association member shall at all times be entitled to have present a representative of the Association when he/she is being reprimanded or formally disciplined for any infraction of rules or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the member until such representative of the Association is present.

ARTICLE 20 - Maintenance of Standards

- A. All conditions of employment, as defined by Act 379, PA 1965, as agreed to herein, shall not be changed except by mutual agreement of the parties hereto.
- B. The duties of any teacher or the responsibilities of any position in the bargaining unit will not be substantially altered or increased without prior negotiation with the Association, except as permitted by section 15 (3) (j) of PERA.

ARTICLE 21 - Reductions in Personnel and Annexations and Consolidations of Districts

- A. To the full extent permitted by law, this Agreement shall be binding upon the Board and its successor personnel and upon any school district into which or with which this district shall be merged or combined.
- B. In the event this district shall be combined with one or more districts, the Board will use its best efforts to assure the continued recognition of the Association and the continued employment of its members in such consolidated district.
- C. Seniority (not for lay-off/recall or job placement purposes) shall be defined as total years of service to the Breitung Township School District in positions that require certification. Every employee who completes one complete year as a full time employee shall be granted a total of six (6) points for the year. An employee who works less than full time shall be granted a pro rata number of points based on the number of hours worked, i.e., a one-half time Association Member shall be granted three (3) points for the year. Seniority points will be determined by the number of full-time equivalent days taught divided by Contracted Student Contact Days, multiplied by 6, and rounded to the nearest tenth. An employee on an involuntary leave of absence, such as a disability, maternity, military, etc., shall continue to accrue seniority while on leave of absence. An employee on an approved voluntary leave of absence shall not accrue seniority while on leave but shall retain the seniority earned prior to such leave.
- D. A seniority list shall be posted by October 1 of each school year and contain the number of seniority points and degree plus hours held. The list shall be posted for a 30 day period. If any errors are found in the list they shall be corrected within the 30 day period. After the 30 day posting period, the seniority list shall be final and not subject to any change or protest. Supervisors who previously paid dues to the MEA-BTEA will have accumulated seniority points for those years and be included on the seniority list.
- E. The Board shall give written notice to recall an Association member from layoff by sending a registered or certified letter to said Association member at his/her last known address. It shall be the responsibility of the Association member to notify the Board of any change of address.
- F. Any bargaining unit member who collects unemployment compensation during the summer months (MESCS's "summer denial period") and who is recalled before the start of his/her normal work year so that he/she suffers no actual loss of district compensation shall be obligated to reimburse to the District the amount of the unemployment compensation, upon written request of the District. In this case, the bargaining unit member shall be offered the choice of repayment of either payroll deduction of the appropriate amount in equal payments over the entire year or direct payment in lump sum to the District by September 30.

ARTICLE 22 - Continuity of Operations

- A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations. Since the parties have established a comprehensive grievance procedure under which unresolved disputes may be settled, the parties have removed the basic cause of work interruptions during the period of this agreement and they shall not, directly or indirectly, engage in or assist in any strike in the Breitung Township District as defined by Section I of the Public Employment Relations Act.
- B. No teacher or any other member of the bargaining unit will take part in any strike or work stoppage of any kind or nature for the duration of this agreement. Strike and work stoppages shall be deemed to include, but are not limited to, slow-downs, stoppages of any kind, sit-ins, and "blue-flue". There shall be no picketing or demonstrating during the school day.
- C. The Board and Association agree that neither will, during the period of this agreement, directly or indirectly, engage in or assist in any unfair labor practice as defined by Section 10 of the Public Employment Relations Act.
- D. Nothing in this Article shall require the Board to keep schools open in the event of severe inclement weather or when otherwise prevented by an act of God and nothing shall require teachers to report for work in such circumstances.
- E. In the event that days when school is closed due to unforeseen conditions may not lawfully be counted to arrive at the annual instructional minimum required by law to qualify for maximum State Aid, the teachers shall make up any such days without extra compensation. Such days shall be rescheduled at the end of the school year as determined by the Board, after input from the Association.

ARTICLE 23 - School Calendar

- A. For the 2014-2015 school year, the school calendar shall be as already agreed upon. There shall be no deviation from or change in the school calendar except by mutual agreement of the Board and the Association.
- B. New teachers shall report for a one-day orientation session to be held prior to the beginning of classes at the beginning of the school year.
- C. No teacher will be required to remain after completion of the school calendar.
- D. For subsequent school years, the Association and Board shall meet and jointly set the calendar to be in compliance with state requirements.

ARTICLE 24 - Professional Compensation

- A. The basic salaries of teachers covered by this Agreement are set forth in Schedule B, which is attached to and incorporated in this Agreement. Such salary schedule shall remain in effect during the term of this Agreement.
- B. All teachers, whether or not newly employed, may be given up to eight (8) years credit on the Salary Schedule for prior teaching experience.
- C. A maximum of five (5) years of active service in the armed forces shall be considered equivalent to five (5) years of teaching in the Breitung Township Schools for salary purposes. In no instance shall the combined credit for teaching outside the Breitung Township Schools and service in the armed forces exceed eight (8) years.
- D. Academic credit received by the teacher for the purpose of changing classification on the salary schedule must be toward a higher degree or credit in the field in which he is teaching or related areas. Prior approval for courses may be obtained from the Superintendent before enrolling in a class.
 - 1. Evidence of credits shall be given to the principal of the school. The principal and Superintendent shall evaluate the credits and recommend to the Board those approved changes in the schedule.
 - 2. If credits are disapproved, they shall be given to a committee composed of two (2) teachers, one (1) administrator, and two (2) Board members who shall judge credits and recommend to the Superintendent changes of classification for salary purposes. The Superintendent will then recommend to the Board of

Education these changes.

3. Credits for change of classification submitted by a elementary school teacher shall be judged by a committee of two (2) elementary school teachers, one elementary school principal or supervisor and two (2) Board members.
 4. Credits for a change of classification submitted by a high school teacher shall be judged by two (2) high school teachers, one high school principal or supervisor and two (2) Board members.
 5. Credits for a change of classification submitted by a middle school teacher shall be judged by two (2) middle school teachers, one middle school principal or supervisor and two (2) Board members.
 6. Teachers serving on this committee will be selected by the teachers of each group during the last month of school each school year and continue to serve until a successor is selected.
- E. Any teacher who expects to move horizontally on the salary schedule must notify the Superintendent of Schools in writing prior to July 1 of the year in which he/she is to make the horizontal move. Credits must be evaluated and approved prior to payment. If notification is not made prior to July 1, the teacher will not be entitled to make such a horizontal move during the first semester of that school year. If notification is not made prior to November 1, the teacher will not be entitled to make a horizontal move during the second semester of that school year. Credits taken for advancement on the salary schedule beyond the Master's Degree must be taken during the academic year proceeding the awarding of the Master's Degree or after. - Option II: One twentieth of the annual salary, less deductions.
- Option III: One twenty-sixth of the annual salary, less deductions.
- Pay dates will be every other Thursday.
- Teachers may elect any of the three options. A change may be made from Option I to Option III, or from Option III to Option I, provided that the change is made prior to June 1.
- H. The Salary Schedule is based upon the regular school calendar as set forth in Schedule A and the normal teaching load as defined in this Agreement.
- I. Teachers involved in extra duty assignments set forth in Schedules B, I and 2, which are attached to and incorporated in this Agreement, shall be compensated in accordance with the provisions thereof. All teachers shall be compensated in accordance with the provisions of this Article and the annexed Schedules without deviation.
- J. All coaching assignments below the level of Head Coach will be reviewed annually by a committee made up of the High School Principal, Athletic Director, and the Head Coach of the involved sport. Transfers may be recommended within the coaching ranks of all sports to best utilize the talent of the coaching staff. The Board shall post any coaching positions annually which are filled by non-teaching personnel. However, the Board is not required to hire a teacher for these positions. All other vacancies will be filled by proper posting procedures with the application being subject to the recommendation of the said committee and in compliance with the express terms and conditions of this Agreement. However, in such regard, Article 8, F., of this Agreement shall not be applicable. The recommendation of the Head Coach, Athletic Director, and Principal shall be forwarded to the Board for final approval.
- K. Teachers required in the course of their work to drive personal automobiles from one school building to another shall receive a car allowance equal to the approved Internal Revenue Service Rate. The same allowance shall be given for use of personal cars for field trips or other business of the district. The Board shall provide property damage and liability insurance protection for teachers when their personal automobiles are used as provided in this section.

A teacher supervising a student teacher shall be paid an amount equal to the amount paid to the Board by the university or college from which the student teacher will receive credit. No teacher shall supervise more than two (2) student teachers per year.

ARTICLE 26 - Retirement Alternatives

- A. In recognition of service to the School District, each teacher will be paid upon retirement fifty dollars (\$50) per year for each year's service to the Breitung Township School District. A teacher must have at least ten (10) years of service in order to qualify. This payment will be made upon showing proof that the retiree is receiving retirement benefits under the Michigan School Employees Retirement System and pursuant to Article 26(E).
- B. A qualifying teacher must make application for this plan by March 1 of the year of retirement.
 - 1. There shall be no minimum age requirement for this plan.
 - 2. A qualifying teacher must have a minimum of 10 years of service with Breitung Township Schools.
 - 3. This retirement incentive is available upon a person retiring at the end of the first school year in which:
 - a. He/she has reached the age of 55 and has acquired thirty (30) years for retirement in the Michigan Public School Employees Retirement System.

- b. He/she is over the age of 55 but less than 60 and has acquired thirty (30) years for retirement in the Michigan Public School Employees Retirement System.
- c. He/she has reached the age of 60 and has acquired at least ten (10) years with the Board of Education of the Breitung Township Schools.
- d. Teachers who qualify to retire through the State of Michigan Member Investment Plan and who qualify for purchase of Michigan Public School Employees Retirement System (MPERS) credit are eligible to participate and receive early retirement incentive. It is further understood that the forfeiture of the retirement incentive shall not apply to staff members who choose to retire before the age of 55 under the MIP program and before 30 years under the MPERS buy-in program.

In the event that the teacher does not take the early retirement incentive the first year they are eligible (Actual years worked in Michigan) that teacher will forfeit the entire early retirement incentive.

Example 1 – A teacher's first year eligible to qualify for the ERI and that individual retires at the end of the first year of eligibility, that teacher received \$25,000.

Example 2 – A teacher's first year eligible to qualify for the ERI and that individual does not retire at the first year of eligibility, that teacher will forfeit the early retirement incentive. (To begin with the 2011-2012 school year)

(Proof of years of service form ORS is required when calculating ERI)

One time payments into the plan for terminal leave (26A) and unused sick leave (26D) shall be paid no later than July 31 following the date of retirement. Accordingly, the District will "make whole" any such participant who elects to make a withdrawal from the Valic Plan within 45 days after the severance payment is made to the Valic Plan. This will normally require reimbursement of an amount equal to 2.35% of the early withdrawal (10% penalty less 7.65% savings on social security taxes). The District will make whole only one withdrawal during the 45 day period. If more than one withdrawal is made, the first withdrawal will be the make whole withdrawal.

ARTICLE 27 - Student Discipline and Teacher Protection

- A. Since the teacher's authority and effectiveness in his/her classroom are undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom.

The Board further recognizes that the teacher may not fairly be expected to assume the role of warden or custodian for emotionally disturbed students nor to be charged with responsibility for psychotherapy. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians, or other professional persons, the Board will take reasonable steps to relieve the teacher of responsibilities with respect to such pupil. Teachers shall be responsible for creating and maintaining conditions conducive to learning and discipline in their classrooms. The parties, however, acknowledge that not all students will be able to meet desirable curriculum and behavioral goals because of various factors beyond the control of the parties. At the beginning of each school year, the Board shall publish rules of conduct. Changes shall be published, and teachers shall establish classroom rules.

- B. Teachers may use such force as is lawful and necessary to protect themselves from attack, or to prevent injury to any other person, or to remove or restrain a student who refuses to cease disruptive conduct after being asked, in order to maintain appropriate control of a classroom or other school setting, in accordance with the State statutes. Teachers may use reasonable physical force set forth above, but shall not be obligated to risk personal safety to perform such function.
- C. A teacher may exclude a pupil from class for one session when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. The student shall be sent to the principal's office. In such cases, the teacher will furnish the principal, as promptly as his/her teaching obligations will allow, full particulars of the incident.
- D. Suspension of students from school for a longer period of time may be imposed only by a principal or his/her designated representative. School authorities will endeavor to achieve correction of student misbehavior through counseling and interviews with the child and his/her parents when warranted.
- E. Any case of alleged assault by a teacher upon a student shall be promptly reported to the Board or its designated representatives. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such alleged assault and will render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.
- F. If the Board is convinced after investigation that the teacher was legally justified in his/her actions, the Board will provide legal counsel and render all necessary assistance to the teacher in his/her defense.
- G. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher.
- H. The Board will reimburse teachers for any loss, damage, or destruction of clothing or personal property of the teacher resulting from disciplining a student while on duty in the school or on the school premises.
- I. When a student demonstrates non-typical personal behavior characteristics that are either disruptive of the educational climate of the classroom or that impede the student's personal learning, the following procedure may be utilized:
 - 1. The teacher notifies the principal's office of the non-typical behavior characteristics.
 - 2. The teacher dismisses the student from the classroom pending referral.
 - 3. The Board accepts the responsibility to provide legal services for the teacher or counselor involved in such referrals.

ARTICLE 28 - Professional Grievance Procedure

- A. A claim by a teacher or the Association that there has been a violation or misapplication of any provision of this Agreement may be processed as a grievance as hereinafter provided. The Association may process a grievance on behalf of an employee or group of employees without his/her/their consent beyond Level III. Any rule, order, or regulation of the Board may be processed as a grievance as it affects the members of the bargaining unit as hereinafter provided, except where 2011 PA 103 is applicable.
- B. Level I - Any teacher who believes he/she has a grievance shall present such grievance on an informal basis to the building principal within twenty-six (26) calendar days after the grievant becomes aware of the alleged grievance. If the grievance is not resolved within nineteen (19) calendar days after the events giving rise to the grievance occurred, or after the grievant reasonably should have been aware of the alleged grievance, the grievance shall be reduced to writing and submitted to the principal within two (2) days.

- C. Level II - The grievant may invoke the formal grievance procedure on the form set forth in annexed Schedule C., signed by the Grievant and a representative of the Association, which form shall be available from the Association representative in each building. A copy of the grievance form shall be delivered to the principal. If the grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by him/her.

Within five (5) calendar days of receipt of the grievance, the principal shall meet with the grievant and the Association in an effort to resolve the grievance. The principal shall indicate his/her disposition of the grievance in writing within five (5) calendar days of such meeting, and shall furnish a copy thereof to the grievant. The administration shall have the option of using supportive personnel in any stage of the grievance procedure.

- D. Level III - If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) calendar days of such meeting (or eight (8) calendar days from the date of filing at Level II, whichever shall be later) the grievance shall be transmitted to the Superintendent. Any grievance transmitted to the Superintendent shall specifically refer to the section or sections and provisions of the Agreement which have allegedly been violated. Within seven (7) calendar days, the Superintendent or his/her designee shall meet with the grievant on the grievance and shall indicate his/her disposition of the grievance in writing within seven (7) calendar days of such meeting, and shall furnish a copy thereof to the grievant.
- E. Level IV - If the grievant is not satisfied with the disposition of the grievance by the Superintendent or his/her designee, or if no disposition has been made within seven (7) calendar days of such meeting (or twelve (12) calendar days from the filing at Level III, whichever shall be later), the grievance shall be transmitted to the Board by filing a written copy thereof with the secretary or other designee of the Board. The Board, no later than its next regular meeting or two calendar weeks, whichever shall be later, may hold a hearing on the grievance, review such grievance in executive session, or give such other consideration as it shall deem appropriate. Disposition of the grievance in writing by the Board shall be made no later than nine (9) calendar days thereafter. A copy of such disposition shall be furnished to the Association.
- F. Level V - If the grievant is not satisfied with the disposition of the grievance by the Board of Education, appeal may be taken to an impartial arbitrator provided the grievance involves a question concerning interpretation or application of a term of this Agreement. Such appeal to be effective must be taken within nineteen (19) calendar days of receipt of the answer from Level IV of the grievance procedure, shall be in writing and shall specify the grievance and the disposition from which appeal is taken.

The arbitrator shall be agreed upon by the Board and the Association, or if no agreement is reached within seven (7) calendar days of notice of appeal to arbitration, the parties agree to utilize the services of the American Arbitration Association as arbitrators.

The arbitrator in making his/her decision shall not change, alter, or modify, nor shall he/she add to or subtract from any term or provision of this Agreement and shall be limited deciding whether the Board has violated the expressed Articles or sections of this contract. The arbitrator may reinstate and/or make the grievant whole. The parties agree that an arbitrator's decision, if made in accordance herewith, shall be final and binding upon them.

In addition to the other restrictions in this Article, the arbitrator shall have no power to rule on the following:

1. The termination of services of or failure to re-employ any probationary teacher.
2. The termination of services or failure to re-employ any teacher to a position on the extra-curricular schedule.
3. Any claim or complaint subject to the procedures specified in the Tenure Act (Act IV, Public Acts, extra session, of 1937 of Michigan, as amended).

- G. The fees and expenses of the arbitrator shall be paid by the party losing the arbitrator's decision.
- H. The time limits provided in this Article shall be strictly observed or the grievance shall be deemed to be waived except that limits may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall process such grievance prior to the end of the school term or as soon thereafter as possible.
- I. Miscellaneous: A grievance may be withdrawn at any level without prejudice or record.

ARTICLE 29 - Insurance Protection

- A. For all purposes of Article 30 of this agreement relating to insurance protection teachers hired on or before August 31, 1992 shall be considered "existing teachers" and any teacher hired on or after September 1, 1992 shall be considered a "new teacher".
1. The Board shall make available to all teachers the MESSA PAK PLAN A & PLAN B providing family health care coverage plan including basic hospital and major medical insurance protection provided by MESSA. A copy of the coverage is attached hereto as Schedule B3. Health insurance premiums are to be based on a tiered rate as provided by the insurance carrier.
 2. Existing teachers currently receiving options under terms of the 1992-1994 Collective Bargaining Agreement shall retain those same options, provided however, that the dollars contributed by the District to such option purchases shall be limited to the actual dollar amount which the District would have had to pay to provide to any particular teacher in the 1992-93 school year the same options and coverage amounts actually utilized by that teacher during the 1991-92 school year. For these purposes, the Business Manager of the District shall provide an option listing setting forth the actual options each teacher took in the 1991-92 school year and their 1992-93 cost and those dollar amounts shall become the amounts available to that particular teacher in the future to purchase option coverage. If at any time a teacher currently receiving options elects to change that teacher's status from MESSA PAK Plan B to Plan A, the letter of agreement dated October 25, 1994 shall prevail. New teachers shall not be entitled to any option coverage. Teachers electing to move from MESSA PAK Plan B to MESSA PAK Plan A shall then forfeit all further right to option coverage.
 3. New teachers shall be entitled to receive only that insurance coverage based upon their actual marital and family status and further shall only be entitled to change such status at the beginning of each semester, that is on September 1st and February 1st of each year, with the exception of the situation of the birth or adoption of a child/children, a bargaining unit member's marriage, divorce or the death of a spouse or dependent child. Subject to Paragraph E, the District shall be responsible to contribute no more than the actual premium incurred for health, dental or vision insurance premium applicable to the appropriate marital/family status of any teacher; provided however existing teachers may purchase options from "excess premium" subject to the limitations set forth in Paragraph 2.
- B. Upon proper application, the Board shall make payment of insurance premiums for each teacher to assure insurance coverage for the full twelve month period commencing on the first day of school and ending August 31; when necessary, premiums in behalf of the teacher shall be made retroactively or prospectively to assure uninterrupted participation and coverage. The Board will continue health insurance benefits for three (3) additional months beyond normal coverage for teachers on illness or disability leave whose sick leave and personal business days have been exhausted, for teachers who have taught for eight or more years in the Breitung Township School District.
- C. Any insurance benefits provided for herein shall be subject to the terms and conditions specified in the School District's MESSA Group Insurance Policies, and any claim by any employee shall not be the basis of a grievance or subject to arbitration. The Board, by payment of any premium payments required to provide coverage as agreed upon, shall be relieved from all liability with respect to any insurance benefits provided in this agreement. The failure of an insurance company to provide any of the benefits which it has contracted for, for any reason, shall not result in any liability to the Board, nor shall such failure be considered a breach by the Board of any obligations or duties under this agreement.
- D. If a bargaining unit member dies during the term of this Agreement, the Board shall continue payments of applicable contributions for MESSA health care coverage, as specified above (but excluding matters such as dental coverage, vision coverage, etc.) for the member's eligible dependents as defined by MESSA for a period of three (3) months, to begin on the first month following the date of death.
- E. The Board will contribute a monthly premium not to exceed \$458.33 per month for single, \$916.67 a month for 2-person and \$1,250 for full family for the cost of MESSA PAK A **MEDICAL** benefit. The Board will contribute a monthly premium not to exceed \$633 per month for single, \$1,255 a month for 2-person and \$1,392 for full family for the total cost of MESSA PAK A. Employee's share of the premium will be paid through payroll deductions. For those employees selecting MESSA PAK B, the premium will continue to be shared at 85% Board paid and 15% employee paid.

By submitting written notice to the Superintendent no later than October 30, 2014, the BTEA may elect the MESSA ABC 1 HSA plan as an additional option for bargaining unit employees as of January 1, 2015 or by October 30, 2015, for a start date of January 1, 2016. The Board's monthly cost shall not exceed the monthly amounts for medical

benefits per subscriber category, described above. In consultation with BTEA representatives, the Board reserves the authority to determine if there will be a board paid contribution to the HSA and the schedule for making such payments.

Any deviation from the caps for medical insurance for the purpose of redistributing costs will be agreed upon through a letter of agreement. At no time shall the cost of the board contribution for medical insurance exceed the collective state cap for this bargaining unit.

- F. Upon proper application, employees not electing health insurance coverage (PAK A) shall receive a \$2,400 cash payment in lieu of insurance, but will still be in PAK B for dental, vision, and life insurance coverage.

ARTICLE 30 - Professional Study Committee

The Upper Peninsula Education Association shall be available to study and review any problem of mutual concern which may arise. Curriculum Study Committees shall be organized in each school. A joint committee made up of representatives of each school shall meet with the Board Curriculum Committee or representatives on a regular basis.

ARTICLE 31 - Negotiation Procedures

- A. It is contemplated that terms and conditions of employment provided in this Agreement shall remain in effect until altered by mutual agreement in writing between the parties. Nevertheless, because of the special nature of the public education process, it is likewise recognized that matters may from time to time arise of vital mutual concern to the parties which have not been fully or adequately negotiated between them. It is in the public interest that the opportunity for mutual discussion of such matters be provided. The parties accordingly undertake to cooperate in arranging meetings, selecting representatives for discussion, furnishing necessary information, and otherwise constructively considering and resolving any such matters.
- B. A reasonable time prior to expiration of this Agreement, upon request of either party, negotiations will be undertaken for an agreement covering the next school year.
- C. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. While no final agreement shall be executed without ratification by the Association and the Board of Education, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.
- D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Labor Mediation Board or take any other lawful measures it may deem appropriate.

ARTICLE 32 - Miscellaneous Provisions

- A. No polygraph or lie detector device shall be used in any investigation of any teacher or pupil.
- B. This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.
- C. Any individual contract between the Board and an individual teacher heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement and any individual contract hereafter executed shall be expressly made subject to and consistent with the terms of this or subsequent agreements to be executed by the parties. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling, excluding issues subject to 2011 PA103.
- D. Except as required by 2011 PA 103, this Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.
- E. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

- F. Copies of this Agreement shall be duplicated at the expense of the Board and presented to all teachers now employed, hereafter employed, or offered teaching contracts by the Board.
- G. Within thirty (30) days of the start of school, teachers shall be given a written statement of sick leave days and personal business days accumulated to and for that year.
- H. In the event that the board of Education studies and implements a School Improvement Plan, no part of such a plan will be implemented if it violates, contradicts, or is inconsistent with the terms and provisions of this Agreement.
- I. In the event that any School Improvement Plan Committee is established for any building, the BTEA building representative shall be a member of the Building School Improvement Committee. In the event that any committee is established for the Woodland School, there shall be two BTEA building representatives. Whenever teachers are asked to serve on such committees, the Administrator convening the committee shall ask for volunteers. In the event that there are more volunteers than designated teacher positions on such committee, then there shall be a secret ballot to determine which teacher shall serve on such committee. Any such election shall be supervised jointly by the Administrator and the building representative.
- J. In the event that a child with an ongoing or chronic communicable disease is allowed, by policy or law, to attend school, all teachers having contact with the student shall be notified in advance of the child's placement and/or return to school; to the extent such notification is permitted under law. The District shall provide in-service training in hygienic practices and management to teachers coming into contact with students having such communicable diseases, if requested by such teachers. Once notified and trained, teachers shall comply with District policies to assure that such afflicted students are not discriminated against by such teachers in their education.

ARTICLE 33 – Non-Certified Personnel (NCP)

For purposes of this agreement, non-certificated personnel (NCP) shall mean and include employees assigned to positions for which a valid Michigan teaching certificate is not required, such as school nurses, non-tenure eligible speech/language pathologists, social workers, and guidance counselors who have not acquired tenure and/or are not eligible for tenure acquisition.

A. Professional Responsibility (NCP)

If a NCP is hired at the beginning of the year as a one-year replacement, he/she will receive a special contract for that year only and will be placed on the salary schedule at the beginning of the year.

NCP defined above shall not have rights to recall.

B. Illness or Disability (NCP)

In the event of suspected periodic abuse of sick leave by NCP staff, the Board may start progressive discipline after one warning by the Superintendent.

C. Evaluation of Non-Certified Teachers (NCP)

1. The work performance of all NCP shall be evaluated in writing every three years or as required by applicable law.
2. Evaluations shall be conducted by the NCP's immediate supervisor or an administrator working in the same building or otherwise familiar with the NCP's work who shall be designated by the Board.
3. Each observation shall be made in person for a reasonable length of time and the time will be recorded on the evaluation sheet. All monitoring or observation of the work of a NCP shall be conducted openly and with full knowledge of the NCP. The use of eavesdropping, closed circuit television, public address or audio systems and similar surveillance devices shall be strictly prohibited.
4. Videotaping of NCP for purposes of evaluation shall not be mandatory without mutual consent.
5. A copy of the written evaluation shall be submitted to the NCP at the time of such personal interview or within ten (10) days thereafter, and the NCP shall have the opportunity to review the evaluation report. All evaluations shall be based upon valid criteria for evaluating professional growth.

6. No later than April 15th of each probationary year the final written evaluation report will be furnished to the Superintendent covering each NCP. A copy shall be furnished simultaneously to the NCP and signed. If the report contains any information not previously made known to and discussed with the probationary NCP, the NCP shall have an opportunity to submit additional information to the Superintendent. In the event a probationary NCP is not continued in employment, the Board will advise the NCP.
7. Each Association Member shall have the right upon request to review the contents of his/her own personnel file. A representative of the Association may, at the NCP's member's request, accompany the NCP member in this review. The NCP member shall have the right to attach a rebuttal letter to his/her file.
8. Any documents regarding a Association Member will be available consistent with the requirements of the Freedom of Information Act, and any hearing regarding a NCP member will be held consistent with the requirements of the Open Meetings Act.

D. Professional Behavior (NCP)

No NCP shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage for arbitrary and capricious reasons. Any such discipline, reprimand or reduction in rank, compensation or advantage, including adverse evaluation of NCP staff performance asserted by the Board or representative thereof shall be subject to the professional grievance procedure hereinafter set forth. All information forming the basis for disciplinary action will be made available to the NCP staff and the Association.

E. Reductions in Personnel (NCP)

1. Should substantial and unforeseen changes in student population or other conditions make necessary a general reduction in the number of NCP staff employed by the Board, the Board will retain, as nearly as possible, those NCP staff qualified for the position by the State of Michigan having the most seniority in the district. The Association and the Board will further use their best efforts to assist all Association NCP terminated for lack of work to secure employment in adjacent school districts upon terms and conditions as nearly comparable as possible. Nothing herein shall relieve the Board from fulfilling the terms of any contract with an Association Member.
2. Qualified NCP staff shall be recalled in the opposite order of the layoff. **Error! Bookmark not defined.** Those NCP staff qualified for the position available having the most seniority in the Breitung Township Schools will be the first to be recalled.
3. The Association NCP member's address as it appears in the Board's records shall be conclusive when used in connection with layoffs, recalls, or any other notice to the Association NCP member.
4. Laid off NCP staff will have a right of recall for a period not to exceed three years following the effective date of layoff. If the NCP staff fails to acknowledge his/her availability for re-employment within five (5) calendar days after date of receipt of the letter of recall or fifteen (15) days after mailing of recall notice, unless an extension is granted in writing by the Board, or refuses such offer of re-employment, said Association member shall be considered a voluntary quit, shall lose all seniority, and shall completely terminate his/her individual employment contract and any other relationship with the Board. Provided, however, that a NCP staff under contract with another school district may refuse a recall during the school year.

ARTICLE 34 - Duration of Agreement

This Agreement will be a two-year agreement, continuing in effect until June 30, 2016. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated.

Pursuant to 2011 PA 4, and as required by law, an emergency manager appointed under the local government and school district fiscal accountability act, 2011 PA 4, MCL 141.1501 to 141.1531, reject, modify, or terminate this collective bargaining agreement as provided in such act.

Code of Ethics of the Education Profession

(As adopted by the Representative Assembly of the National Education Association, July 1975)

Article XII of the Constitution of the Michigan Education Association provides that the Code of Ethics adopted by the National Education Association shall be the Code of Ethics for the members of the Michigan Education Association.

Preamble

The educator, believing in the worth and dignity of each human being, recognizes the supreme importance of the pursuit of truth, the devotion to excellence and the nurturing of democratic principles. Essential to these goals is the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. The educator accepts the responsibility to adhere to the highest ethical standards.

The educator recognizes the magnitude of the responsibility inherent in the teaching process. The desire for the respect and confidence of one's colleagues, of students, of parents and of the members of the community provides the incentive to attain and maintain the highest possible degree of ethical conduct. The Code of Ethics of the Education Profession indicates the aspiration of all educators and provides standards by which to judge conduct.

The remedies specified by the NEA and/or its affiliates for the violation of any provision of this code shall be exclusive, and no such provision shall be enforceable in any form other than one specifically designated by the NEA or its affiliates.

Principle I. Commitment to the Student

The educator strives to help each student realize his or her potential as a worthy and effective member of society. The educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

In fulfillment of the obligation to the student, the educator:

1. Shall not unreasonably restrain the student from independent action in the pursuit of learning;
2. Shall not unreasonably deny the student access to varying points of view;
3. Shall not deliberately suppress or distort subject matter relevant to the student's progress;
4. Shall make reasonable effort to protect the student from conditions harmful to learning or to health and safety;
5. Shall not intentionally expose the student to unnecessary embarrassment or disparagement;
6. Shall not on the basis of race, color, creed, sex, national origin, marital status, political or religious beliefs, or family, social or cultural background, or sexual orientation, unfairly:
 - a. Exclude any student from participation in any program;
 - b. Deny benefits to any student;
 - c. Grant any advantage to any student;
7. Shall not use professional relationships with students for private advantage;
8. Shall not disclose information about students obtained in the course of professional service, unless disclosure serves a compelling professional purpose or is required by law.

Principle II. Commitment to the Profession

The education profession is vested by the public with a trust and responsibility requiring the highest ideals of professional service.

In the belief that the quality of the services of the education profession directly influences the nation and its citizens, the educator shall exert every effort to raise professional standards to promote a climate that encourages the exercise of professional judgment, to achieve conditions which attract persons worthy of the trust to careers in education and to assist in preventing the practice of the profession by unqualified persons.

In fulfillment of the obligation to the profession, the educator:

1. Shall not in an application for a professional position deliberately make a false statement or fail to disclose a material fact related to competency and qualifications;
2. Shall not misrepresent his/her professional qualifications;
3. Shall not assist entry into the profession of a person known to be unqualified in respect to character, education or other relevant attribute;
4. Shall not knowingly make a false statement concerning the qualifications of a candidate for a professional position;
5. Shall not assist a non-educator in the unauthorized practice of teaching;
6. Shall not disclose information about colleagues obtained in the course of professional service unless disclosure serves a compelling professional purpose or is required by law;
7. Shall not knowingly make false or malicious statements about a colleague;
8. Shall not accept any gratuity, gift or favor that might impair or appear to influence professional decisions or actions.
