Letter of Agreement

Bellevue Community Schools
and
Bellevue Education Association (BEA)

This letter of Agreement (LOA) is being executed contemporaneously with the parties' approval of a tentative agreement of the collective bargaining agreement between the parties for the 2012-13 school year.

As a result of the enactment of PA 103, a number of items in the current collective bargaining agreement between the parties have been rendered as "prohibited" under the Michigan Public Employment Relations Act, relative to the wages, hours and working conditions of persons working within the bargaining unit represented by the BEA.

In an effort to comply fully with the law, the parties have identified provisions within the collective bargaining agreement that contain topics which are considered prohibited topics for bargaining and are, therefore, not included as part of the 2012 – 2013 collective bargaining agreement between the parties.

It is the understanding of the parties that a proposed Constitutional amendment will be on the ballot in November 2012, which, if passed, may reverse the impact of PA 103. In the event that the Constitutional amendment passes and is held to render the items referenced under the PA 103, as mandatory topics for negotiation, the following provisions which were part of the 2011-12 agreement between the parties (attached) shall be re-inserted into the collective bargaining agreement between the parties: Article VII regarding assignments and Article VIII regarding teacher protection.

This LOA represents the parties' entire understanding as to the matters to which it relates, and no other agreement on these matters is binding unless executed in writing and signed by the parties.
