Both parties include the provisions of this paragraph for the purpose of indicating their pledge to the community to discourage the interruption of the operation of the school system. They, nevertheless, reiterate that each of them will make effort to reach agreement at the local level where important details of the needs of the school system can most clearly and thoroughly be understood.

## **BOARD RIGHTS**

The Association recognizes that the Board has the responsibility and the authority to manage and direct, on behalf of the public, all of the operations and activities of the District to the full extent authorized by the laws of the state of Michigan and the United States, provided that such rights and responsibilities shall be exercised in conformity with the provisions of this agreement.

Whereas House Bill 4313 was signed into law on July 14, 2017, thereby amending the State School Aid Act in part, by adding Section 164h and; whereas violation of subsection (1) of 164h shall result in forfeiture of an amount equal to 5% of the funds due to the district under this article, the Bendle Board of Education and Bendle Education Association agree not to enter into a collective bargaining agreement that does any of the following: (1)a establishes racial or religious preferences for employees, (b) automatically deducts union dues from employee compensation, (c) is in conflict with any state or federal law regarding district or intermediate district transparency, (d) includes a method of compensation that does not comply with section 1250 of the revised school code, (MCL 380.1250).

## **CHAPTER 1 SALARIES**

## **CHAPTER 2 TEACHING CONDITIONS**

### **Section 2.01 - Class Loads**

It is understood and accepted by the Administration, the Board, and the Association that the student-teacher ratio is an important aspect of effective programming. To ensure a high quality of education, the Board will make a continuing effort to maintain good student-teacher ratios, with emphasis at the K-3 level where it is agreed that a good student-teacher ratio is desirable to ensure the very best learning environment. Also, every effort will be made to ensure that any mainstreaming of special needs students in regular classrooms, consistent with IEP placement, will be done in such a manner (number/distribution) as to give all students the best possible educational experience.

- A. Placement of new enrollees at the elementary level shall be made using the following procedures:
  - 1. Before posting class listings for the beginning of each school year, class sizes will be compared by building/grade level to maintain consistent student-teacher ratios.
  - 2. After posting class listings, the Building Administrators (or designee) will consult before the placement of any new elementary enrollee. Consultation will include comparison of the current student-teacher ratio in each grade by building and District wide. Except for special circumstances as agreed by teachers at that grade level, new students will be placed in the classroom containing the least number of students.
  - 3. When practicable, classroom teachers shall be notified one day before to new students report to class. Upon notification, should the classroom teacher have a concern about placement, the teacher shall request and be granted a meeting with the Building Administrator (or designee) and the Building Representative to discuss the concern. Should the classroom teacher be absent from his/her assignment, the Building Representative will be notified and will act on behalf of the classroom teacher. Should both the teacher and building representative be absent from their assignments, an Association officer will be contacted to act on behalf of the classroom teacher.

- B. In order to assist in the equitable distribution of all students among available classes, the Board shall provide the Association with a report on the distribution of students before the first day of school. The Association may request a meeting to discuss said report and said meeting, if requested, will occur prior to the first day of school. For students enrolling after the beginning of the school year, a serious effort will be made to assure equal distribution District-wide. The Association president or designee will be kept informed of all new students enrolled after the first day of the school year and of all IEP placements.
  
- C. Following the official state membership count date each year, the Board will provide the Association with a listing of all class sizes in the District. Following receipt of said list, the Board or the Association may request a meeting to review the data.
  - 1. As a result of this report, if the Association is not satisfied with the Administration's effort to reach and maintain a good and acceptable student-teacher ratio, the Association may submit, in writing, any suggestions or alternatives to the Board via the Superintendent. These suggestions and/or alternatives will be placed on the Board agenda for action at the regular Board meeting in October or at a special Board meeting before the October meeting.
  
  - 2. The Board assures the Association that their suggestions and recommendations will be reviewed and studied and that decisions made, as a result of these suggestions and recommendations will be consistent with the Board philosophy of the importance of good student-teacher ratios in the classrooms.

**Section 2.02 - Teaching Hours - Elementary**

- A. The teachers' scheduled work day in the elementary schools shall consist of seven (7) hours and twelve (12) minutes. Within that time, the following will be included:
  - 1. A forty (40) minute duty--free and uninterrupted lunch period. Teachers shall be at their assigned place of duty at the end of the lunch period.
  - 2. A minimum of forty-five (45) minutes of planning/conference time per day with a minimum of two hundred fifty (250) minutes per week.

- D. Teachers who are assigned to one building in the AM session and a different building in the PM session will be assured ten (10) minutes of travel time at the conclusion of their duty-free and uninterrupted lunch period. Mileage reimbursement will be granted consistent with the rate established in this Agreement.
1. On occasion, the Building Principal may find it necessary to call upon the teaching staff to assume the responsibility of lunch hour supervision during his/her absence. If a teacher accepts this assignment, the Building Principal will not be considered in violation of the Agreement. In addition, this assignment is not to be counted as a "substitute" teaching assignment as detailed in section 10.05.
  2. Any teacher accepting the assignment of noon supervision shall be paid at the rate indicated in Appendix E for the duration of this Agreement.
- E. Teachers shall not leave before their contractual period of responsibility unless given prior approval by the Building Principal.

This type of meeting may be scheduled upon twenty-four (24) hours written notice, with agenda attached, and provided to each teacher. It will be counted as one (1) of the nine (9) staff meetings allowed each year.
4. Staff members who are not in attendance due to teaching assignment conflicts with a scheduled meeting will meet with the Building Principal within three (3) days of the meeting.
5. Teachers who are not in attendance for an entire contractually scheduled staff meeting may have their pay adjusted accordingly, prorated by the hour.
6. Building Administrators may excuse teachers who may have a long-standing doctor's appointment, professional class examination, or other vital reason for absence on the condition that the Administrator is notified immediately upon receipt of the meeting notice. Verification may be required.
7. The Building Administrator may excuse teachers in case of personal illness which develops while the teacher is at work on the day of the staff meeting.

### **Section 2.03 - Preparation Time**

Daily preparation is needed for effective teaching, correcting examination papers, computing grades, conducting parent/student conferences, and related activities require many hours of application outside the classroom and add to the professional responsibilities of the teacher. Because both parties agree that the primary duty and responsibility of the teacher is to teach and that the organization of the school and school day should be directed toward ensuring that the energies of the teacher are primarily utilized to this end, the Board shall grant one (1) preparation period per day to all teachers for this purpose. The preparation period for full-time teachers shall not be less than forty-five (45) minutes in duration and shall normally be assigned to a single period of time. Half-time teachers shall receive no less than one-half of the time granted to full-time teachers. (If an unusual situation occurs and with the consent of the teacher, the preparation period may be divided into two (2) periods of time.)

1. Other variations will be permissible, with mutual consent of the teacher and the building administrator.
2. Every effort will be made to ensure that teachers have their regular classrooms available for their use during their preparation period.

3. When IEP Team meetings are scheduled during the staff member's preparation period, every effort will be made to see that the IEP Team meeting is scheduled in the building of that child's classroom teacher.
4. Teachers required to travel during their preparation time will be reimbursed for mileage consistent with the rates established in this Agreement.
5. No elementary teacher shall be required to travel on a regular basis during his/her designated forty-five (45) minute preparation time. No secondary teacher shall be required to travel on a regular basis during his/her designated preparation time.

#### **Section 2.04 - Assignments**

Staff members will know their assignments no later than August 1. However, unplanned extenuating circumstances could later result in assignment changes.

#### **Section 2.05 - Working Conditions**

- A. The Association and the Board recognize that optimum school facilities for both student and teacher are desirable to ensure the high quality of education that is the goal of both the Association and the Board. The Board shall attempt to keep the schools and other District facilities in working conditions which are conducive to such quality programs for our students. Bargaining unit members are to report to their building principal any physical aspects of their classroom such as lights, ventilation, heat, etc. which are not conducive to a high quality of education so that attention can be given to any such deficiency. The Board assures that any physical aspects of classrooms which need to be given attention will receive it in a timely fashion.
- B. The Board, the Administration, and the Association mutually agree to enforce the Bendle Student Code of Conduct, the Teacher Handbooks, and Board Policies.
- C. In its pledge to provide a quality education and in its recognition that technology is a vital link in such an education, the Board will make every effort to provide the materials and technical equipment necessary for the fulfillment of the goals and objectives of the curriculum.
- D. If equipment is deemed necessary for classroom instruction and cannot be reasonably provided for by the District, and this necessity is mutually agreed upon in writing by the Building Administrator and the teacher, then in the case of loss or destruction the Board agrees to provide compensation at the value provided for in the Agreement.

#### **Section 2.06 - Mentor Teachers**

- A. A mentor teacher shall be assigned to each probationary teacher in accordance with the provisions of the Revised School Code.
- B. Participation as a mentor teacher shall be voluntary.
- C. Mentor teachers shall be selected by the Administration from among bargaining unit members who volunteer and other qualified personnel as outlined in the Revised School Code. Consideration should be given to mentors who have the same or similar grade level and/or major/minor as the mentee. Should a non--bargaining unit member be selected over a bargaining unit member, the bargaining unit member may request and will be provided a written explanation.
- D. Because the purpose of the mentor/mentee match is to acclimate the new bargaining unit member and to provide necessary assistance toward the end of quality instruction, the Board and the Association agree the relationship shall be confidential. Neither the mentor nor the mentee shall be required to serve, but may volunteer, as a witness in any grievance or administrative hearing involving the other. The Association will be informed of any issue which arises and involves both the mentor and the mentee prior to any investigation or administrative hearing.
- E. The mentor teacher may assist in preparing the probationary teacher's individualized development plan. Release time may be approved by the Building Administrator for the purpose of meeting the goals of the individualized development plan. The mentor teacher shall be granted compensatory time, on a one-for-one basis, for time spent outside the normal work day, subject to the approval of the Building Administrator.
- F. Mentees shall be provided with a minimum of fifteen (15) days of professional development induction, as required by the Revised School Code, during their first three (3) years of classroom teaching. It is the intent of the Board to provide said time during the normal school day.

- A. **VACANCIES FROM THE FIRST DAY OF THE SCHOOL YEAR UP TO FIVE (5) DAYS BEFORE THE END OF THE SCHOOL YEAR:**

- D. The Board and the Association recognize that when vacancies occur during the school year, it may be difficult to fill them from within the District without causing undue disruption to the existing instructional program. Therefore, when applications are received and the position is not awarded due to causing a disruption to an existing program, the applicant will be notified that the position will be assigned to him/her at the beginning of the ensuing school year or semester. In such situations, during the interim, the position will be filled on a temporary basis and this position will be considered vacant at the end of the school year or semester, which will then permit the applicant who was awarded the position to assume this assignment on the first day of the following school year or semester. If no requests for transfer are received, the position will be filled on a permanent basis.

- C.
1. The Board and the Association recognize that when vacancies occur and no qualified teacher applies; this vacancy may be filled on a temporary basis until the end of the current school year in June by a person other than a teacher.
  2. However, in all such instances, when a person other than a teacher is hired for a position on a temporary basis, this assignment will be declared "vacant" at the end of that particular sport season, thus offering an opportunity for all teachers to apply. As long as non-bargaining unit personnel are assigned to these positions, this procedure will be repeated annually.

counter-signed by the Building Principal, who will then forward it to the Central Administration Office. This form is necessary in order to maintain accurate and documented employee payroll records, and it is the teacher's responsibility to see that it is submitted.

1. No deduction will be made from a teacher's pay for a sick leave day taken from within his/her accumulation of such days. However, should a teacher not provide proper "Verification of Absence" through the designated electronic absence system within twenty-four hours of the actual absence, he/shall be "docked" for the day in question.

E. Emergency Sick Leave Bank

At the beginning of each school year and at the request of the Association, members of the Association, who wish to, will have the opportunity to contribute one (1) of the above granted sick leave days from their personal accumulation to an "Emergency Sick Leave Bank" to be used in an emergency by Association members.

1. The number of days donated and credited to the Emergency Sick Leave Bank shall be used at the discretion of the Emergency Sick Leave Bank Board comprised of two members selected by administration and two members selected by the Association and the president of the Association or designee.
  - a. Prior to the 4th Friday of each year, a copy of the "criteria" or "Guidelines" for use of the Emergency Sick Leave Bank, as formulated by the Emergency Sick Leave Bank Board, shall be submitted to the Superintendent who, in turn, will place this item as "communications received" on the agenda for the regular meeting of the Board in October.
  - b. Whenever a teacher requests sick leave days from the Emergency Sick Leave Bank, a copy of that request shall be forwarded to the Emergency Sick Leave Bank Board.
2. The unused portion of said days shall accumulate in the Emergency Sick Leave Bank each year.
3. During the school year, if the accumulated days in the Emergency Sick Leave Bank should drop below fifty (50), additional days may be donated at the rate of one (1) per Bank Member, one-half (1/2) day for half-time employees who are members of the bank.
4. All days donated to the Emergency Sick Leave Bank by Association members and credited to the Emergency Sick Leave Bank shall be donated over the Association member's signature on a form provided by the administration.

## Section 5.02 - Personal Leave Days

- A. Five (5) personal illness/disability days may be used as Personal Leave Days each year. A maximum of three (3) days may be used in succession.
1. Should a teacher use all of the personal leave days allotted to him/her each year during the first semester and for any reason is not employed by the Bendle School District for the second semester, the pro-rated number shall be deducted from his/her final paycheck.
  2. Should the Board or one of its designees have reason to believe that there is evidence which indicates that a teacher is actually using a personal leave day and reporting his/her absence as a sick leave day, the teacher's request may be disallowed. The teacher shall be presented the evidence, in writing, within one (1) week after submission of the "Verification of Absence" and shall be entitled to a hearing before the Board with representation as recognized in this Agreement. If, after the hearing before the Board, the Association is not satisfied with the Board's decision, the matter may be transmitted by the Association to the Grievance Committee as provided in this Agreement - Section 7.01.
- B. Granting of Personal Leave Days
1. A teacher planning to use a personal leave day shall notify his/her Building Principal, in writing, at least (3) three work days in advance.
  2. When fewer than three (3) work days advance written notice is given, the granting of the request is subject to the availability of a substitute teacher.
  3. In case of an emergency where written notification is impossible, personal leave days will be subject to verbal notification by the teacher to the Building Principal before 6:00 a.m. of the day the leave is to be taken, and the granting of said personal leave day will also be subject to the availability of a substitute teacher.
  4. Personal Leave Days shall not be granted, except in the case of extenuating circumstances and prior approval has been received from the Superintendent, either the day before or the day following (1) a paid legal holiday, (2) vacation days, or (3) during semester examination periods where applicable, and/or (4) the last paid working day(s) of the second semester that are "designated" teacher workday(s). (5) day(s) or partial days designated as teacher non-attendance days to compensate for services rendered after the regular workday.
- C. Docked Days for Personal Reasons

The Association and the Board recognize that extenuating circumstances might exist whereby a teacher may need an additional personal leave day after already exhausting his/her allocated

five (5) days. Thus, the teacher has no alternative but to report the absence as a "docked" day. However, consecutive "dock days" for personal reasons may not be in the best interest of the school's program or to the students to whom that teacher has been assigned. Teachers are encouraged to arrange and plan their personal calendars to avoid the necessity of using docked days for personal reasons.

- D. When returning to school after taking a personal leave day taken from within the above allocated amount, the teacher shall be required to submit a written form "Verification of Absence" which is provided by the school. This form is to be counter-signed by the Building Principal, who will then forward it to the Central Administration Office. This form is necessary in order to maintain accurate and documented employee payroll records, and it is the teacher's responsibility to see that it is submitted.
  - 1. No deduction will be made from a teacher's pay for a personal leave day taken from within the allocated amount. However, if the teacher has not submitted the "Verification of Absence" before the second payday following his/her absence, his/her paycheck will be held in the Central Office until such time as the teacher comes to the Central Office, where he/she shall complete the required "Verification of Absence" and pick up his/her check. (In such case, counter-signing by the Building Principal will not be required.)

### **Section 5.03 – Workers' Compensation**

Whenever a teacher is absent because of illness, accidental injury, or injury resulting from an assault case arising out of and/or in the course of his/her employment as defined in the Michigan Workers' Compensation Act, the Board shall pay to such teacher the difference between his/her regular salary, and the benefits he/she shall receive under the Michigan Workers' Compensation Act for the duration of such absence subject to the following:

- A. For the first two (2) weeks the teacher shall be paid in full and such absence shall not be deducted from any sick leave to which such teacher is entitled under this Agreement.
- B. If disability continues for two weeks or more and the teacher is incapacitated as a result of work injury or illness covered by the Workers' Compensation Act, the teacher shall be paid the difference between his/her regular salary and the benefits he/she shall receive under the Michigan Workers' Compensation Act for an additional six (6) weeks, and such paid absence shall not be deducted from any sick leave to which such teacher is entitled under this Agreement. (In this case, the Workers' Compensation paid to the person for the first two weeks shall be paid to the Board.)

If the absence exceeds eight (8) weeks, the teacher may elect, in writing, to receive from the Board the difference between the Workers' Compensation benefits and his/her regular salary, provided such difference shall be deducted from the teacher's sick leave allowance:

- 1. The teacher's sick leave allowance shall be determined by dividing his/her

contractual salary by the actual number of paid working days to find his/her daily wage. This wage shall then be multiplied by the total number of accumulated sick leave days to determine the dollar amount of his accumulated sick leave allowance.

2. When a subtraction is made from the teacher's dollar sick leave allowance and the ensuing balance is not evenly divisible by his/her daily wage, the remainder shall be rounded off to the nearest half day.

#### **Section 5.04 - Professional Conventions and/or Conferences**

Realizing that Professional Conventions and/or Conferences are important to the growth and advancement of both staff members and the District, Professional Convention and/or Conference attendance requests may be authorized by the Superintendent, without loss of pay.

- A. Recognizing that some teachers have multiple subject area assignments, staff members may request and may be granted the right to attend more than one conference during a particular school year. However, teacher's absence from the classroom shall not exceed three (3) days total and their total personal reimbursement for conference expenses, regardless of the number of conferences attended, shall not exceed the total teacher allocation for conferences/conventions indicated in Appendix E.

1. Request must first be submitted to the Building Principal on forms provided by the District eight (8) days before the date of the convention or conference. A copy of the convention announcement or program is to be attached to the request.

Before approval is given by the Building Principal, it must be evident that attending the convention or conference will contribute to the effectiveness of the instructional program in the assigned teaching area of the teacher making the request at that particular time. Requests approved by the Building Principal will then be forwarded to the Office of the Superintendent for final determination. Should the request be denied, a written statement of the reason(s) for denial shall be provided to the teacher requesting the convention/conference.

(Note: Conference/convention attendance for longer than three (3) days would be a basis for "denial" since it is felt that the teacher's absence for a period longer than three (3) days certainly would have an adverse effect upon the educational program of his/her students.)

2. Request for reimbursement for convention or conference expense must be made within five (5) days following the conclusion of the convention or conference. Reimbursement will be made on a "Request for Purchase Order" form with the maximum reimbursement being not more than the amount indicated in Appendix E per teacher for each respective school year covering the duration of this Agreement.
- B. At the beginning of the school year, the Association will be credited with six (6) days which

may be used by the Association.

1. The Association agrees to notify the Board no less than five (5) days in advance of taking such leave.
2. The Association will reimburse the Board for the cost of the substitute.
3. These leave days will not be deducted from the representative's personal leave days.
4. The Board will be responsible for the hiring of the substitute for the teacher on these days missed.
5. All requests for use of these days will be made through the Association President.

#### **Section 5.05 - Association Release Time**

The Association and the Board recognize that the Association President or designee may be required to meet or conduct business with the Board, Superintendent, or other Administrators during the school day. In order to allow time for said meetings and other related business, the Association President or designee will be granted release time by the Superintendent.

## **CHAPTER 6 LEAVES OF ABSENCE**

#### **Section 6.01 - Leave of Absence: Personal Illness**

Any teacher whose personal illness extends ten (10) consecutive days beyond the period for which he/she is compensated under our Sick Leave Article (Section 5.01), shall be granted an unpaid leave of absence, for such time as is necessary for complete recovery from such illness. The Board will continue to pay for the teacher's fringe benefits for one month beyond the month in which the teacher's sick days expire, or until the teacher is eligible for long term disability, whichever comes first. During the leave of absence, the teacher may elect to continue insurance benefits by paying premiums through the Central Office, contingent upon approval of the respective insurance carrier.

1. Any teacher who is on a "Leave of Absence for Personal Illness" shall be allowed to return to work upon presentation of a physician's statement verifying the teacher's ability to return to work, contingent upon the following provisions:
  - a. Physician's statement shall be presented to the Central Office one (1) week prior to the teacher's return.
  - b. The teacher's ability to return to work must precede the end of the current semester by two (2) weeks (ten 10 school days),

otherwise his/her return to work shall be on the first day of the subsequent semester.

2. While the teacher is on a "Leave of Absence for Personal Illness", the teacher shall provide a monthly certificate from his/her physician verifying the status of his/her condition of health to the Central Administration Building.
3. If the teacher returns from a personal illness leave within twelve (12) months following the end of the semester during which the leave was granted he/she shall be returned to or assigned to a position in accordance with applicable law and board policy. If the teacher does not return within twelve (12) months following the end of the semester during which the leave was granted, the position shall be considered vacant.

**Section 6.02 - Leave of Absence with Pay** Teachers will be paid leave time for the following purposes:

#### **BEREAVEMENT**

A. Five (5) days per school year will be allowed in the case of a death in the immediate family interpreted as: husband, wife, children, mother, father, brother, sister, mother-in-law, father-in-law, grandparents or grandchildren, step-parents, step-sister, or step-brothers.

1. In the event of a death of a person not interpreted as "immediate" family (above) and whose relationship to the teacher poses a special circumstance; a leave of absence may be granted at the discretion of the Superintendent provided that such leave is requested and approved before taking the leave.

Number of days allowed in such case shall also be deducted from the five (5) days allowed per school year, as designated in "A" above.

2. It is conceivable that in the same school year, a teacher might experience more than one death in the immediate family. In such case, an additional five (5) days will be allowed, provided the two (2) deaths do not occur simultaneously.
3. One (1) day per school year will be granted in the case of the death of a brother-in-law, sister-in-law, spouse's grandparents, aunts, uncles, nieces, and nephews.
4. Death leave benefits will be granted only for days lost while school is in session.

5. Should the death of a student currently--enrolled in the Bendle Schools or the parent of a currently--enrolled Bendle student occur, released time will be given to a teacher representative to attend the funeral. At the elementary level, the teacher representative shall be the student's regular classroom teacher. At the secondary level, the teacher representative shall be selected by those teachers in whose classes the student was enrolled at the time of his/her death.

### **JURY DUTY/COURT APPEARANCES**

- B. Absence when a teacher is called for jury service; per diem pay received by the teacher for jury service shall be returned to the Board.
- C. Court appearances as a witness in any case connected with the teacher's employment or the school, or whenever the teacher is subpoenaed to attend any proceeding which was not directly caused by him/her. A copy of the subpoena must be provided to the school before requesting the leave. The teacher shall return to his/her teaching assignment as soon as testimony has been presented and teacher is excused from the court, if before the end of the regular teaching hours.

### **UNIFORMED SERVICES LEAVE**

- D. Time necessary to take the Selective Service physical examination.
- E. Time to serve on active duty in the uniformed services in conformity with state and federal statutes. The teacher shall suffer no loss of seniority of status as a result of uniformed services leave. Teachers may also elect to continue insurance benefits by paying premiums through the Central Office, contingent upon approval of the respective insurance carrier.

### **Section 6.03 - Family Care Leave of Absence**

- A. A leave of absence for Family Care, without pay and fringe benefits, shall be granted to any teacher for the purpose of caring for a member of the immediate family as defined in Section 6.02 A and 6.02 A1. During said leave, the teacher may elect to continue insurance benefits by paying premiums through the Central Office, contingent upon approval of the respective insurance carriers. Leaves may be taken under the FMLA, not in conjunction with this section.
- B. A request for Family Care Leave, without pay, shall be submitted to the Superintendent at least two (2) weeks prior to the effective date of the Leave of Absence.
  1. Emergency situations which are verified by a physician, permits "waiver" of the two week notification requirement and said leave would commence on the date recommended by the physician.

- C. A Leave of Absence for Family Care shall be granted up to one (1) full year in addition to the number of months absent during the semester in which the leave of absence was granted.

### **OTHER UNPAID LEAVES: CONDITIONS**

- A. Other unpaid leaves may be granted under the following conditions:
1. The teacher has acquired tenure in the Bendle School District.
  2. The leave will be without pay and/or fringe benefits.
  3. Teachers may continue benefits as allowed by the respective insurance carrier.
  4. No seniority or advancement on the salary scale shall occur during leave.
  5. Leaves will be applied for in writing and granted by the Board in writing.
  6. Such leave would not adversely affect the student programs.
  7. Appendix B, C, or D jobs will be restored provided the leave lasts no more than one year.
- B. Kinds of Unpaid Leaves
1. Peace Corps, Vista, Teachers Corps, Department of Defense leaves: up to two years.
  2. Personal travel: Up to one year
  3. Professional study: Up to one year
  4. Campaign and/or hold public office: Length of first term
  5. Universal Leave (personal): Up to one year

### **Section 6.10 - Return from Leave of Absence**

- A. A teacher who has been granted a Leave of Absence shall notify the Superintendent, in writing, on or before the first (1st) day of November or the first (1st) day of May preceding the opening of the semester following the expiration of leave of his/her intent to resume work at the beginning of the ensuing school semester.
1. Individuals on leave of absence who do not make the proper notification to the Superintendent, in writing, as stated above, will be considered as having voluntarily resigned.
  2. When November 1st or May 1st is before the effective day of the teacher's leave and the teacher intends to resume work at the beginning of the next semester, the teacher must make such notification at the time his/her request for a leave is submitted.

## **CHAPTER 7 PROCEDURE FOR HANDLING GRIEVANCES**

### **Section 7.01 - Grievance Conditions**

A grievance shall be defined as a claim that there has been an alleged violation, misinterpretation, or

misapplication of any provision of this Agreement or any existing rule, order, or regulation of the Board or any provision of law (except a statute specifically establishing a procedure for redress) relating to wages, hours, and other terms, and conditions of employment.

A. Established Committees

1. The Association shall establish a Grievance Committee and inform the Administration of said committee.
2. The Board of Education shall establish a Review Committee and inform the Association of said committee.

**Section 7.02 - Procedure**

A. Level One

Any grievance must be filed within fifteen (15) days of the alleged violation, or reasonable knowledge thereof. The grievance shall first be informally discussed with the teacher's principal. If a resolution is not reached within ten (10) days, the employee shall have ten (10) days to submit the grievance in writing. The Principal shall have ten (10) days to provide a written response.

B. Level Two

Any grievance not satisfactorily resolved at Level One may be appealed to the Superintendent or designee within ten (10) days of receipt of the Level One answer. A hearing on said grievance shall be held within ten (10) days of receipt of the appeal. A written response shall be provided within ten (10) days of said hearing.

C. Level Three

Any grievance not satisfactorily resolved at Level Two may be appealed to the Board Review Committee within ten (10) days of receipt of the Level Two answer. The Board Review Committee shall be comprised of not more than three (3) board members. A hearing on said grievance shall be held within ten (10) days of receipt of the appeal. A written response shall be provided within ten (10) days of said hearing.

D. Level Four - Arbitration

Any grievance not satisfactorily resolved at Level Three may be appealed to arbitration by the Association within ten (10) days of receipt of the Level Three answer. Notice of intent to arbitrate shall be sent to the Superintendent. The parties will attempt to select an arbitrator by mutual agreement. If the parties cannot agree on an arbitrator within ten (10) days after notice is given, he/she shall be selected by the American Arbitration Association in accordance with

its rules which shall also govern the arbitration hearing. The arbitrator shall have no power to alter, add to, or subtract from the terms of this agreement. Both parties agree to be bound by the award of the arbitrator.

1. The costs of arbitration under this section shall be assumed by the party whom the judgment is against.
  2. The Board and the Association shall assume their own costs for representation.
- E. The term “days” (when used in this article) shall mean work days. During the summer recess, working days shall mean days when the Superintendent's Office is open.
- F. Any grievance which arises from a decision above the Principal's level or which involves more than one building may be filed at Level Two.
- G. Time limits may be extended in writing by mutual agreement.
- H. A grievance may be filed by a teacher, group of teachers, or the Association. However, beginning with new hires for school year 2011-12, a probationary teacher within his/her first two years of probation shall not be able to process a grievance beyond Level III.
- I. If a written response at any level is not received or not received within the time period, the grievance will automatically be considered moved to the next level.
- J. This Agreement shall not be construed to prevent any teacher from presenting a grievance and having the grievance settled without intervention of the Association provided that the settlement is consistent with the terms of this agreement and the Association has been given the opportunity to be present at such settlement. Grievances may only be processed at Board level and above if the Grievance has the support of the Association.

## **CHAPTER 8 PROFESSIONAL STAFF DEVELOPMENT**

### **Section 8.01 - Purpose**

The Board will provide the highest quality professional development opportunities possible, as mandated by state law, for staff members. Professional staff development concerns shall be the responsibility of building and District school improvement teams.

## **CHAPTER 9 GENERAL**

### **Section 9.01 - Strikes by Public Employees**

The Association recognizes that the Public Employment Relations Act makes strikes by public employees illegal when conditions are shown that an organized action has been implemented to provide pressure through a work stoppage for economic gain. MCL 423.201 et seq. To this extent, the Association recognizes its obligation to discourage a strike among its members.

### **Section 9.02 - Medical Requirements**

- A. All written statements from a doctor testifying to a teacher's state of health and x-ray certificates shall be kept in the teacher's personnel file unless otherwise required by law.
- B. The Board shall provide, free of charge, a licensed physician to issue to each teacher any required health certificate; or each teacher may secure said certificate from his/her own licensed physician at the teacher's expense.

### **Section 9.03 - Teacher Evaluations**

- A. Each teacher shall have the right, upon request, to review the contents of his/her personal file folder.

### **Section 9.04 - Special Department Clothing**

The Board shall furnish yearly, without charge, a maximum of four (4) smocks and/or shop jackets for each secondary teacher in the following subject areas: Arts Education, Life Management, Chemistry, Biology, Physics, Technology and Industrial Arts.

The Board may provide a maximum of two (2) smocks and/or shop jackets for other science course offerings contingent upon need upon the request of the Building Principal and approval of the Superintendent.

Upon the request of an elementary teacher the Board shall provide yearly, without charge, one (1) smock for his/her use.

The maximum cost per smock or shop jacket, which will be selected by the teacher, shall not exceed the amount indicated in Appendix E.

Special departmental clothing shall be ordered by the teacher through a Purchase Order Request by no later than September 30 of the current school year.

### **Section 9.05 - Substitute Teaching by Regular Staff Members**

The use of regular teachers as substitute teachers shall be avoided whenever possible; however, on

occasion, Building Principals may find it necessary to assign regularly employed faculty members to substitute for a regular teacher who is absent. When this assignment is made, the following provisions shall apply:

- A. This assignment can be made only at a time when the teacher has a regularly scheduled preparation period.
- B. The number of such required assignments for any teacher cannot exceed three (3) per semester. (Volunteer noon hour supervision assignments are not included in this limitation.)
  - 1. Faculty members shall be reimbursed at the rate indicated in Appendix E per assignment for substitute work when assigned during the duration of this Agreement.
- C. If a situation develops in which there is no substitute teacher available, a teacher who has fulfilled the provision of "B" above, and after all teachers in that preparation hour have fulfilled the provisions of "B", may volunteer to take an unfilled class assignment in lieu of leaving a class unattended. No prejudice shall be exhibited by any school administrator either verbally or in writing against any individual who does not wish to volunteer. The total number of volunteer assignments shall not exceed three (3) per semester.
  - 1. Faculty members who so volunteer for such an assignment as provided for in "C" above, shall be reimbursed at the rate indicated in Appendix E per assignment, for the duration of this Agreement.
- D. Substitute pay will be disbursed in the check following the actual work.
- E. Building Principals are to schedule a specific period during the day for Guidance Counselors which will be their preparation period. Like other professional staff members, only during this period may they be assigned to substitute for a teacher who is absent.

#### **Section 9.06 - Seniority**

- A. A seniority list shall be prepared by the Board and verified by the Association. Seniority shall be defined as the length of service to the District within the bargaining unit beginning with the teacher's first day of work since the most recent date of hire. All teachers shall be ranked on the list in the order of their first day of work, as defined above.
  - 1. When two or more bargaining unit members have the same first day of work since the most recent date of hire, they will be ranked in order of the date of the initial signing of said contract.
  - 2. When two or more bargaining unit members have the same first day of work since the most recent date of hire and the same date of initial contract signing, the individuals so affected will participate in a

drawing to determine placement on the seniority list. The Association and the teachers so affected will be notified in writing of the date, place and time of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected teachers and Association representatives to be in attendance.

3. All seniority is lost when employment is severed by resignation, retirement, or discharge. However, seniority is retained and accumulated if severance of employment is due to layoff. If severance of employment is due to transfer to a non-bargaining unit position in the District, seniority will be retained but not accumulated.
  4. Seniority shall continue to accumulate when a bargaining unit member is on a "leave of absence."
  5. Any administrator returning to a teaching position within the District shall retain only his/her seniority for previous years taught in the District. Any administrator who was not previously in the bargaining unit and for whatever reason is assigned to the classroom, his/her seniority date shall be established as the date on which he/she began the classroom assignment and his/her placement for seniority purposes shall be based on that date.
- B. The seniority list, including publication date, seniority, years of service within the District, first day of most recent hire, date of initial signing of said contract, type of certification, area(s) of certification, current assignments and leave status shall be published and provided to each member of the Association and posted in all buildings of the District by May 1st of each school year. Individuals and the Association shall have ten (10) school days to respond with challenges to the seniority list. "Changes" and "updates" of the seniority list shall be published at least the (10) days before the date assignments are made for the following school year, but no later than the last day of school. A copy of the changes and updates shall be provided to each member of the Association and posted in each school building.
1. It is the individual employee's responsibility to notify the Superintendent's Office, in writing, of any changes or anticipated changes in certification, endorsements, and area(s) of certification. Such notice must be given prior to May 1 of each year in order to be used in making assignments from the current seniority list, and appropriate documentation provided as soon as available.

### **Section 9.07 - Parent-Teacher Conferences**

- A. The Board of Education and the Association acknowledge that parent-teacher conferences have serious educational value. Both parties agree that parent-teacher conferences serve an effective and necessary purpose in areas such as general information giving and discipline

problems. It is also recognized that it is very important to respect the time limitations of parents; therefore, it is acknowledged that telephone discussions and handwritten notes are often positive means of conducting parent-teacher conferences. The professional staff is highly encouraged by the Board and the Association to hold meaningful parent-teacher conferences in person, by telephone or through hand written notes whenever and wherever they are needed.

- B. If a teacher has exhausted his/her means of arranging a conference with a student's parents with whom they feel it is necessary to hold a conference, the teacher is to contact his/her building principal for assistance in scheduling a conference. The building principal may, in turn, find it necessary to seek assistance from the Superintendent.
- C. A form may be used to write up the results of any conference held and this form may be submitted to the Building Principal's office.

### **Section 9.08 - Continuing Employment**

A teacher under continuing contract shall be considered an employee of the Bendle Public Schools with full rights and provisions granted in this Agreement until such time as said employee has tendered a letter of resignation or whose employment has been terminated by the Board.

### **Section 9.09 - Savings Clause**

If any provisions of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

### **Section 9.10 - Annexations and Consolidations**

- A. To the full extent permitted by law, this Agreement shall be binding upon the Board and its successor personnel and upon any school district into which or with which this District shall be merged or combined including academy, charter and private or other public schools.

In the event this District shall be combined with one or more districts, the Board will fully comply with its obligations under Michigan laws, including protecting any rights of its teachers related to the consolidation.

All teachers must have obtained 18 hours above the Bachelors degree by step 5 of the salary schedule to be eligible for the adopted percentage index increment. Those who do not meet this requirement will be "frozen" at the Bachelors 5 step level and their salary for each following year will be based on the same percentage increase as the contractual salary schedule for that year.

\*Contractual salary to be granted the year following completion of the teacher's first year on the 10+ step.

1. "Plus" in the Bachelor's +18 portion of the salary schedule means course credits earned subsequent to the recorded date of the receipt of the Bachelor's degree in their planned Master's degree program.
2. "Plus" in the Master's +15 and Master's +30 portion of this salary schedule means graduate course credits earned subsequent to the recorded date of the receipt of the Master's degree. Course credits earned must be received from an accredited institution and all credits earned must have a grade.

**SALARY SCHEDULE PROVISIONS**

1. Any change in degree status during the course of the school year shall become effective at the beginning of the subsequent semester. Contractual salary shall be adjusted to conform with the new status.

2. No limitations for years of service outside of the Bendle Public Schools shall be applied for new teachers in the system.
3. Half years of service (not consecutive) in Bendle Public Schools shall be cumulative to full years when a Leave of Absence has been approved.
4. The teacher's contractual salary shall correspond with his/her degree status and years of service on the salary schedule, however,
  - a. A teacher who is laid off, is paid unemployment compensation benefits (associated with his or her regular teaching assignment) during the summer immediately following the layoff, and is subsequently recalled to a teaching position at the beginning of the next school year, will be paid according to an annual salary rate such that his/her unemployment compensation plus that annual salary rate will be equal to the rate of salary he/she would have earned for the school year had he/she not been laid off, subject to the following conditions:
  - b. The total of unemployment compensation plus salary earned by employment in the District shall not be below that which the employee would have received had he or she been employed the entire school year.
  - c. The salary earned through employment in the District shall not be less than his or her salary from same for a similar period the preceding year.
5. Staff members may choose from the District list of financial institutions for direct payroll deposit.

**FRINGE BENEFIT ALLOWANCE FOR THE YEAR:** Negotiated consistent with PA 152 of 2001.

1. PLAN A – For employees needing health insurance:

Employees will receive the MESSA PAK with Choices II and the following:

Long Term Disability	66 2/3%
	\$5,000 monthly maximum with no added cost to district
	120 calendar days – modified fill
	Freeze on offsets
	Alcohol/Drug – 2 year limitation
	Mental/Nervous – 2 year limitation

Delta Dental	(80/80/80/50 -- \$1,000)
Negotiated Life	\$40,000 AD&D
Vision	VSP 3

Any employee may select the same Plan except with ABC 1 medical plan (\$1,350/\$2,700 deductible) instead of the Choices II medical plan.

2. PLAN B – For employees not needing health insurance:

Long Term Disability	66 2/3%
	120 calendar days – modified fill
	\$5,000 monthly maximum with no added cost to district
	Freeze on offsets
	Alcohol/Drug – 2 year limitation
	Mental/Nervous – 2 year limitation

Delta Dental	(80/80/80/50 -- \$1,000)
Negotiated Life	\$40,000 AD&D
Vision	VSP 3

Plan B, cash in lieu of health, shall be \$175 per month. Should (7) additional staff members choose Plan B, the monthly rate shall be raised to \$416.67.

There will be no dual health coverage. The employee may select health insurance from the Board or from another source, whichever coverage they want. Exceptions shall be granted where employee choice of coverage is not available. (For example, a member, whose spouse is required to take his or her employer's or union negotiated insurance package and is not permitted to decline coverage, may also take Board provided insurance.)

- A. Teachers assigned to work less than full-time but half-time or more, shall be entitled to one-half of the amount set forth above, provided that the teacher assumes the cost of the remaining one-half of the premium. Teachers currently in half-time positions shall be grandfathered.
- B. If a bargaining unit member goes on a leave of absence during the year and does not return that year, resigns, or his/her employment is terminated during the school year, fringe benefits shall be continued until the bargaining unit member has received the pro-rated portion of the twelve (12) month fringe benefits year earned at the time of leave, resignation or termination.
  - a. If an employee goes on a leave of absence during the school year and returns to his/her teaching assignment that same school year, the above pro-rated fringe benefits will not be continued since benefits earned will be provided during the remainder of the school year after the teacher returns. In these instances, the teacher will be responsible for paying fringe benefits during the time of his/her leave if he/she wishes to continue his/her coverage.

- b. These provisions are contingent upon approval of the respective insurance carriers.
- C. Upon termination of employment in the District, bargaining unit members shall receive forty five dollars (\$45.00) for each unused sick leave day provided that the bargaining unit member has accumulated at least fifteen (15) years seniority, per the bargaining unit's seniority list. In case of death while employed by the District, the above payment will be made to the deceased employee's beneficiary as listed on his/her group term life insurance benefit.

**APPENDIX B  
COACHES SALARIES**

The following assistant coaching positions may be filled. The number in parenthesis indicates the maximum number, while the actual number will be contingent upon the number of teams involved in that sport season and the number of participants. If the number of participants in a given sport warrants, the Association and the Board may, by mutual agreement, increase the number of assistant coaching positions.
