- A. The KCGMFT recognizes and agrees that the Board, as the Board, has the responsibility and the authority to manage and direct, by the establishment of and administration of policy, on behalf of the public, all the operations and activities of the Kearsley Community School District to the full extent of the law.
- B. It is expressly recognized, merely by way of illustration and not by way of limitation, that such rights and functions include, but are not limited to the following:
 - 1. Full and exclusive control of the management of the school district; the supervision of all operations; the methods, processes, means and personnel by which any and all work will be performed; the control, property, and the composition and assignment of the size and type of its working forces.

 - 5. The right to discipline, suspend, and discharge bargaining unit members and to maintain an orderly, effective, and efficient operation.
 - 6. The right of contracting and sub-contracting is vested in the Board. It is understood that should the Board contract bargaining unit work, they will discuss with the KCGMFT the impact on bargaining unit employees.
 - 7. Prohibition on the use of alcohol and/or illegal drugs; definitions, testing, discipline and treatment:

- i. The use of intoxicating alcohol or controlled substances (illegal drugs) during working hours, or being under the influence of them on school property or during working hours is strictly forbidden.
 - ii. Controlled substances are those set forth in state and federal law and are commonly called illegal or street drugs. They include, but are not limited to: cocaine, marijuana, and heroin.
 - iii. Upon reasonable suspicion the Board may require an employee to undergo drug and/or alcohol testing at the Board's expense. The level of unacceptability shall be that as established in federal law.
 - iv. Split samples shall be taken and two tests shall be done at Board expense whenever there is testing for drugs. For alcohol, a second test shall be immediately done at Board expense if the initial test indicates an unacceptable level. An employee may have another test conducted at a place of their choice and at their expense as long as it is done in a timely fashion.
 - v. The Board will pay for and make substance abuse treatment available to all employees, either through the medical insurance and/or another source.
 - vi. Failure to comply with the prohibitions set forth above shall subject the employee to discipline and/or dismissal. The Board, however, may choose not to suspend or dismiss if the employee becomes involved in a program designed to correct substance abuse and the abuse is corrected.
 - vii. Any time spent in drug testing, including random testing, shall be considered work time and shall be paid at the Agreement rate.
- C. Past Practice: This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms.
- D. As required by State Law the following agreement is included. An emergency manager appointed under the Local Government and School District Fiscal Accountability Act, MCL 141.1501 et seq., shall have the authority to reject, modify, or terminate the collective bargaining agreement as provided in that Act.

ARTICLE 3 - Strikes and Lockouts

- B. During the life of this Agreement, the Board agrees that it will not institute a lockout.

ARTICLE 4 - Association Rights

- A. KCGMFT shall have the right to use building facilities and equipment consistent with Board policy. KCGMFT shall pay for the reasonable cost of all materials and supplies incident to such use. KCGMFT shall have reasonable use of inter-school mail services.
- B. The parties agree that KCGMFT business shall not be conducted during work hours. However, the parties also realize that KCGMFT officers from time to time need to perform associated duties. Toward this end, the parties agree that KCGMFT officers may be released from their regular duties, at times mutually agreeable to their immediate supervisor(s).
- C. The Association president or designee shall be provided with five (5) release days annually to conduct Association business and/or attend Association conferences. Requests for release time shall be made in writing two (2) weeks in advance and approved by the Human Resource Director.

- H. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every bargaining unit member may choose to freely organize, join, and support KCGMFT for the purpose of engaging in collective bargaining or negotiations. As a duly elected body, exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly, or indirectly, discourage or deprive or coerce any bargaining unit member in the enjoyment of any rights conferred by the Act or other laws of Michigan, or the constitutions of Michigan and the United States of America; that it will not discriminate against any bargaining unit member with respect to hours, wages, or any terms or conditions of employment by reason of his/her choice of membership in KCGMFT, his/her participation in any activities of KCGMFT or collective negotiations with the Board, or his/her institution of any

grievance, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

- I. The President, or designee, of KCGMFT shall be sent the names of new hires and his/her classification assignment within five working days of first day of employment.
- J. The Board shall provide the KCGMFT with electronic copies of this Agreement.
- K. Any complaints regarding an Employee made to the Board by any parent, student, or another person of said Employee's performance will be promptly called to the Employee's attention. The Employee may submit a written notation regarding the incident or incidents in question. This notation shall be attached to the official file copy of the material. An Employee believing a complaint to be inappropriate or in error, may seek removal of the official file copy through the grievance procedure outlined in Article 6.

ARTICLE 5 - Contract Management Committee

- A. The Board and the KCGMFT support the concept of Win-Win Negotiations and will work as a team to resolve mutual concerns and problems.
- B. In order to facilitate communications between the Board and the KCGMFT, a Contract Management Committee (CMC) comprised of representatives from the KCGMFT and the Board will meet on a regular basis to discuss topics and resolve issues and problems.
- C. Nothing in this article shall be construed to prevent the bargaining unit member or the KCGMFT from filing a grievance, or to prevent either party from making a negotiations proposal. However, the five (5) day grievance filing deadline in Article 6.D of this agreement may be delayed, by mutual consent of the parties, until a solution or recommendation is made by the CMC.
- D. The CMC will attempt to resolve issues and problems prior to implementing the grievance procedure or referring them to the negotiations process. However, a problem may be taken through the grievance procedure and/or through the CMC at the same time or separately.
- E. Issues or problems may be referred by the CMC, the KCGMFT, the Board, or a bargaining unit member to the grievance procedure or negotiations process if it is deemed that the CMC is not the appropriate committee to meet and resolve the issue or problem.
- F. The parties shall meet at least sixty (60) days prior to the expiration of this agreement to identify issues and begin the bargaining of a successor agreement. If pursuant to such negotiations an agreement is not reached prior to the expiration date, this agreement will remain in effect until a successor agreement is reached, or until the Board and/or the KCGMFT gives notice, in writing, of a desire for changes or termination.

ARTICLE 6 - Grievance Procedures

- A. A grievance shall be defined as an alleged violation, misinterpretation or misapplication of the express terms of this Agreement or Board policy/regulation.
- B. The time elements in the Steps may be shortened or extended upon written mutual agreement between the parties.
- C. For the purpose of processing grievances, working days shall be defined as Monday through Friday, excluding paid holidays.
- D. Any employee or Association grievance not presented for disposition through the grievance procedure within five (5) working days of the occurrence of the condition giving rise to the grievance, or within five (5) working days of the date it is reasonable to assume that the employee or the Association first became aware of the condition giving rise to the grievance unless the circumstances made it impossible for the employee or the Association, as the case may be, to know prior to that date that there were grounds for such a claim, the grievance shall not thereafter be considered a grievance under this Agreement.
- E. Rights to Representation: A KCGMFT representative has the right to be present at all levels of the grievance procedure upon request of the grievant(s). When it is apparent discipline will be imposed, the employee(s) involved may request participation by the KCGMFT representative and, if requested, the conversation will not continue until the KCGMFT representative is present. At that point, the supervisor will advise the employee and the KCGMFT representative of the discipline contemplated and the reason for it. The KCGMFT representative shall, upon request, be granted a reasonable opportunity to caucus privately prior to the actual imposition of discipline.
- F. Any meeting called pursuant to the grievance procedure will be scheduled at a mutually convenient time likely to cause the least disruption of work of the employee(s) involved in the meeting. An employee who is released from his work for a meeting with the Board (including grievance meetings other than arbitration hearings), or for reasonable amounts of time for investigation of grievances, will be paid his/her regular hourly rate for scheduled work missed because of such KCGMFT business.

Step One – Supervisor:

- a. Any employee having a grievance shall discuss the grievance with his/her Supervisor and they shall attempt to resolve it.
- b. If the grievance is not settled verbally, the employee may, no later than five (5) working days later, file a grievance and request a meeting with the Association Representative and Supervisor to discuss the grievance.
- c. The supervisor shall have five (5) working days after the meeting to reply in writing to the grievance.

Step Two – Superintendent of Schools:

- a. No later than five (5) working days after the receipt of the Supervisor's response, the Association Representative may submit the grievance in writing to the Superintendent of Schools or his/her designee stating the remedy or correction requested, plus the facts upon which the grievance is based and the alleged contract and/or Board policy/regulation violation. The employee and the Association Representative shall sign the grievance.
- b. The Association Representative and grievant shall meet with the Superintendent of Schools or his/her designee to discuss the grievance within five (5) working days of its written submission to the Superintendent of Schools or his/her designee.
- c. The Superintendent of Schools or his/her designee shall give his/her decision, in writing, relative to the grievance within ten (10) working day of his/her meeting with the Association Representative and grievant.

Step Three – Board of Education:

- a. Any appeal of a decision rendered by the Superintendent of Schools shall be presented to the Board of Education, not later than its next official meeting or two (2) calendar weeks, whichever shall be later. The appeal shall be in writing and state the reason or reasons why the decision of the Superintendent of Schools or his/her designee was not satisfactory.
- b. The Board of Education shall give a decision in writing relative to the grievance within ten (10) working days of the meeting with the Board of Education.

Step Four – Arbitration:

- a. If the appealing party is not satisfied with the disposition of the grievance by the Board of Education, and determines to appeal to arbitration, then within ten (10) working days from the date of receipt of the answer given by the Board of Education, the grievance must be submitted to arbitration but only by the Association (an individual employee may not appeal to arbitration).

The arbitrator shall be selected by mutual agreement of the parties. If the parties cannot mutually agree within five (5) days, then the arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration procedure.

- b. The arbitrator, the Association, or the Board may call any person as a witness in any arbitration hearing, and each party shall be responsible for the witnesses that they may call.
- c. The arbitrator shall not have jurisdiction to subtract from or modify any of the terms of this Agreement, or any written amendments hereof, or to specify the terms of a new agreement, or to substitute his/her discretion for that of any of the parties hereto.
- d. The fees and expenses of the arbitration shall be shared equally by both parties.

- e. The decision of the arbitrator shall be final, conclusive and binding upon all employees, the Board, and the Association.

ARTICLE 7 - Progressive/Corrective Discipline

Good discipline is a serious matter. It is an essential part of managing our school district, so that our employees can be treated fairly while working safely and efficiently together as a team.

There can be no mechanical formula for establishing disciplinary action, but the following important factors will be considered in all cases:

1. The seriousness of the offense
 2. The employee's past, documented record
 3. The circumstance surrounding each particular case
-
- A. No employee shall be disciplined or deprived of any employment advantage without just cause. Discipline shall include verbal warnings, written reprimands, suspensions and discharge. Such discipline shall be subject to the grievance procedure, including arbitration. It is further recognized that duly authorized administrative staff shall make the specific recommendation forming the basis for disciplinary action available to the employee and the KCGMFT in writing. Prior to taking disciplinary action, the supervisor shall investigate the situation.
 - B. An employee who is to be given disciplinary action shall have KCGMFT representation. All disciplinary action shall be noted in writing. The written notification shall include the date, reason, and form of disciplinary action taken with potential consequences for further action. Copies shall be provided to the employee, representative, the president of the KCGMFT, and the employee's personnel file. The employee will be allowed to discuss his/her discipline or discharge with the KCGMFT representative in a private area made available by the Board before he/she is required to leave the property of the Board. In emergency situations, the Board has the right to order the employee to immediately leave the premises, at which time the employee shall immediately notify the appropriate KCGMFT official.
 - C. In imposing discipline, the Board shall, except in serious cases, follow the principle of progressive/corrective discipline, i.e., verbal warning, written reprimand, suspension (with or without pay), or discharge.
 1. Verbal Warning
The purpose of a verbal warning is for the supervisor to put an employee on notice that, in the opinion of the supervisor, the employee is not performing his/her duties at a satisfactory level. The purpose of a verbal warning is to correct the behavior without further action. To be sure there is no dispute that a verbal warning occurred, a note would be placed in an employee's file confirming the verbal warning. The employee will have an opportunity to sign this document. The signature only acknowledges receipt.
 2. Written Reprimand
The purpose of a written reprimand is to place the employee on notice that his/her conduct is of concern to the supervisor and will not be allowed to continue.

3. Suspension
Suspension without pay for up to ten (10) work days may be utilized as a consequence for repeated misconduct and for serious matters.
 4. Discharge
Discharge is for very serious matters.
- D. The parties recognize that the foregoing is a guide only. Should an employee believe any warning, reprimand, suspension or discharge is without just cause, he/she can resolve the dispute through the grievance procedure.
- E. Below is a list of examples of just cause for discharge, suspension, or other disciplinary measures. The list is not intended to be a complete or limiting list.
1. Fraud
 2. Stealing
 3. Flagrant insubordination
 4. Gross dereliction of duty
 5. Falsifying records
 6. Bringing drugs or alcohol onto school property, using drugs or alcohol during working hours, or coming to work under the influence of drugs or alcohol.
 7. Failing a mandatory drug or alcohol test.
 8. Immoral conduct
 9. Conviction of a serious crime.

ARTICLE 8 - Seniority and Classifications

- A. Seniority shall be defined as the length of time worked within a specific classification as set forth in paragraph E below. An employee who accumulates seniority in a specific classification and successfully moves to a bargaining unit position in another classification shall maintain a placement on each seniority list.
- B. Probationary employees are those employees assigned to a regular full-time or part-time job/run, for the first ninety (90) days of their employment. Probationary employees may be laid off or discharged without recourse to the grievance procedure unless the lay-off or discharge is with malice or discriminatory. Upon successful completion of the probationary period, the employee will be considered as a seniority employee and his/her seniority will be established as of the first day worked.

- C. Effective with the ratification date of this Agreement forward, in the event of more than one individual having the same first day of work, the relative place of such persons on the seniority list, with respect to that date of work, will be determined by the last four (4) numbers of their social security numbers, with the higher number having preference. The current seniority list will remain as-is; any new employees will follow this procedure.
- D. Any bargaining unit member on a Paid Leave of Absence shall continue to accrue seniority for the duration of said paid leave. If a bargaining unit member is on an Unpaid Leave of Absence, said bargaining unit member shall not accrue seniority.
- E. For purposes of this provision, all bargaining unit members shall be placed in the following classifications, based on their current assignment. Seniority shall be separately maintained in the sub classifications listed.
 - 1. Custodial
 - 2. Maintenance-Grounds
 - 3. Utility-Grounds
 - 4. Food Service: Head Cook, Cook, Kitchen Aide/Cashier/Delivery Person
 - 5. Bus Driver (regular and special education)
 - 6. Mechanic
 - 7. Bus Aide
- F. Employees seeking reclassification of their position may do so prior to scheduled bump meetings.
- G. Any bargaining unit member who has been incapacitated at his/her work by injury or compensable, occupational disease while employed by the Board may be employed at other bargaining unit work on a job that is operated by the Board, which he/she can do seniority permitting.
- H. The Board will prepare, maintain and make available an updated seniority list on an “upon request” basis including each employee in order of seniority by employee classification.
- I. A year constitutes a least 170+ days of employment. Not more than one year of seniority can be earned in a year. Seniority shall be calculated in years and tenths of years.
- J. Seniority is only earned by regular employees. Substitutes are not eligible for seniority.
- K. Employees moving from one classification to another shall have seniority in the new classification as of the date of transfer.

- L. Years of seniority for service prior to the effective date of this agreement will be accepted as published on the last official list after certification by the KCGMFT and only future calculations are subject to the terms of this Agreement.
- M. An employee's seniority shall entitle him/her to only such rights as are expressly provided for in this Agreement.

ARTICLE 9 - Reduction and Recall

Reduction and Recall

- A. An employee may be laid-off by the Board in the manner herein provided when there is lack of work or lack of funds and reduction in personnel is necessary.
- B. For purposes of lay-off and recall only, the following classifications (as defined in Article 8.E) shall be considered related: Custodian, Maintenance, and Grounds.
- C. In the event of a necessary reduction in work force, the Board shall first lay-off probationary bargaining unit members, then the least senior bargaining unit members within the affected classification. In no case shall a non-bargaining unit member be employed by the Board while there are laid-off bargaining unit members. Bargaining unit members whose positions have been eliminated due to reduction in work force or who have been affected by a lay-off/elimination of position shall have the right to assume the position of the least senior employee in their own classification. If the least senior employee in the classification being reduced or eliminated is less than full-time, the affected employee shall have the right to assume the position of the lowest seniority employee in that classification who works the same length of workday and/or work year. If there is no one less senior in their classification, the affected employee may replace the least senior employee in any other classification that they may hold accumulated seniority in.
- D. In the event of lay-off, the Board and KCGMFT may mutually agree to allow individual bargaining unit members to waive their seniority rights for the purpose of lay-off. With the approval of the Board and the KCGMFT, bargaining unit members may, at their option, without prejudice to seniority and other rights under the Agreement, waive their seniority in the instance of the Board instituting a lay-off during the period of this Agreement. Such waiver, if authorized by the bargaining unit member, shall not be construed to be a waiver of seniority or any other right under the Agreement, including the bargaining unit member's right to be recalled from such lay-off.
- E. In the event of a reduction in the daily work hours of one hour or more in a classification, a bargaining unit member may use his/her seniority to regain his/her lost hours by displacing the least senior employee in that classification who has a work schedule equal to the more senior employee's schedule prior to the reduction.

- F. A laid-off bargaining unit member shall, upon application and at his/her option, be granted priority status on the daily substitute list according to his/her seniority. When subbing on a daily basis, the employee will receive substitute wages with no benefits. If a substitute will be needed for twenty (20) or more working days to fill a temporary vacancy, the most senior qualified person must be offered that temporary vacancy position first. If they refuse, the next senior person that is qualified must be contacted and so on down the lay-off list of employees. During temporary recall, the employee will receive regular hourly wages and benefits of that position. For the purpose of this Article, qualifications shall be defined as outlined in Article 12.J.
- G. Laid-off bargaining unit members shall be recalled in order of seniority, with the most senior being recalled first to any position in the classification from which they were laid-off. In the event a position becomes available in a classification the laid-off bargaining unit member holds frozen accumulated seniority in, the laid-off bargaining unit member shall be offered that position. The bargaining unit member's refusal of said position shall not constitute a refusal to work. The bargaining unit member shall only be required to return from lay-off to a position they were laid-off from, in their current classification.
- H. Notice of recall shall be sent by certified or registered mail to the last known address, as shown on the Board's records. The recall notice shall state the time and date on which the bargaining unit member is to report back to work. It shall be the bargaining unit member's responsibility to keep the Board notified as to his/her current mailing address. A recalled bargaining unit member shall be given ten (10) days from receipt of notice, excluding Saturday, Sunday, and holidays, to report to work. The Board may fill the position on a temporary basis until the recalled bargaining unit member can report for work, providing the bargaining unit member reports within the ten (10) day period. Bargaining unit members recalled to full-time work within their current seniority classification, are obligated to take said work. A bargaining unit member who declines recall to full-time work within their current seniority classification, shall forfeit his/her seniority rights. Bargaining unit members on lay-off shall not accrue seniority during the period of such lay-off.
- I. The KCGMFT shall be given a copy of the lay-off list prior to the notification of the individual employees to be laid-off. If there is disagreement concerning the lay-off list, the KCGMFT shall have the right to meet with the representatives of the Board to attempt to resolve the disagreement.
- J. Employees shall be given thirty (30) days advance notification of the impending lay-off.
- K. Employees shall retain recall rights equal to their accumulated seniority acquired prior to lay-off.

ARTICLE 10 - Paid Leaves and Absences

Sick and Personal Time

- A. All sick/personal leave shall be earned at the rate of one (1) day per month worked, to a maximum of twelve (12) days per year, with unlimited accumulation.

- B. Sick/personal leave shall be front loaded and posted at the beginning of the fiscal year as follows:
 - 1. For those employees working twelve (12) months (52 week employees), sick/personal time posted per the following formula:

8 hours x 12 months = 96 sick/personal leave hours per year
24 hours, or 3 days will be personal time
72 hours, or 9 days will sick time

 - 2. For those employees working ten (10) months and less than full-time, sick/personal time posted shall be pro-rated, based on the proportion of a regular eight hour day, not including extra work, that the employee is regularly scheduled to work - per the following formula:

Average daily hours x 10 months = sick/personal leave hours per year
30% of this number will be personal time
70% of this number will be sick time

- C. An employee will notify his/her supervisor twenty-four (24) hours in advance of known absences, if possible. All absences, if possible, should be reported at least sixty (60) minutes prior to the employee's start time.

- D. Doctor's statements may be required in cases where a particular pattern of absenteeism or particular circumstances exist which lend doubt to the legitimacy of sick day utilization.

- E. Accumulated sick time shall be used under the following conditions:
 - 1. Illness or physical disability of the employee;
 - 2. Illness or death in the immediate family, including mother, father, mother-in-law, father-in-law, grandparent, grandchildren, siblings, spouse and children;
 - 3. Utilization of sick days or unpaid days to attend funerals of other persons shall be subject to the approval of the employee's supervisor.

In the event an employee has exhausted all available sick days, said employee may be allowed to use unpaid time subject to his/her supervisor's prior approval and his/her supervisor may require the appropriate verification.

- F. Bereavement. When a death occurs in an employee's immediate family, the employee, on request, will be granted a leave of absence with pay for up to three (3) working days. In the

event of the death of a spouse or child, up to a total of five (5) days shall be granted. Additional days will be granted per Article 10.E.2 and Article 10.E.3 above.

- G. Personal days may be used from the total of Article 10.A above. Such days shall be available the day prior to or following a legal holiday or vacation. A minimum of two (2) days advance notice, in writing, on the proper form, must be made with the supervisor or his/her designee, if possible. (Advanced notice provision may be waived in emergency situations.) Employees shall not be required to provide the reason for requesting a personal day. For the purposes of this section, a day shall be defined as the number of hours an employee is normally scheduled to work on a typical day, excluding extra work. If too many employees elect to use personal time so as to create a substitute shortage, the time shall be granted on a first come, first served basis. When two or more employees have requested the same time on the same day, (according to the date on their request form) the most senior employee shall be approved first.
- H. Employees who use no sick time in a fiscal year may convert one additional unused sick day (for a total of four [4]) for use as an additional personal day to be used during the next fiscal year only. If the additional personal day is not used during the next fiscal year it will revert back to accumulated sick time.
- I. In the event sick days are needed beyond those accumulated in Article 10.A, they may be granted at the discretion of the Superintendent, but in no event will they exceed the maximum which may be accumulated at the end of that school year. If an employee terminated employment prior to the end of the year, the sick days used in excess of the day/month and/or annual accumulation shall be deducted from the employee's final paycheck or shall be repaid by that employee.
- J. Employees who are called for jury duty during the work year shall not be paid until proof of attendance is provided to the Personnel Office. Upon receipt of proof of attendance, the bargaining unit member will be reimbursed his/her regular daily wage less any compensation received as a result of his/her court responsibility.
- K. Employees are covered by applicable Worker's Compensation Law. In the case of a Worker's Compensation claim, the fringe benefits shall be paid by the Board for a maximum of one year, but not to exceed the seniority of the employee. Worker's Compensation shall continue to be paid according to the Federal Law.

ARTICLE 11 - Unpaid Leaves

- A. Leave of absence without pay or benefits in accordance with Federal law up to one (1) year in duration may be granted upon written request from an employee. The employee requesting such leave will complete an Unpaid Leaves Form. All requests must be made at least two (2) weeks prior to the leave, if possible, at the Board of Education offices with the Superintendent or designee. In no case shall an unpaid leave be granted for the purpose of vacation.
- B. Requests for leaves of absence shall include the reason for the leave, along with notification of the beginning and ending dates of said leave.
- C. A one year leave of absence granted to an employee shall normally not be extended. Each consecutive extended leave shall require approval by the Superintendent of Schools or designee.
- D. A bargaining unit member **shall** be granted an Unpaid Leave for the following purposes:
 - 1. Family Medical Leave Act;
 - i. In compliance with the FMLA Requirements, employees are entitled to up to twelve (12) weeks unpaid leave for certain family and medical reasons if they have worked for at least one (1) year and for 1,250 hours over the previous twelve (12) months. The method used for calculations is a “rolling” 12-month period measured backward from the date an employee uses any FMLA leave. The FMLA leave begins on the employee’s first day off work. The complete FMLA regulations can be obtained from the Administration Office.
 - ii. An employee granted an unpaid leave under the Family Medical Leave Act shall continue to receive fringe benefits, for the balance of the current month and two (2) additional months. Prior to the end of said two (2) months, an employee shall make arrangements to pay for all fringe benefits he/she wishes to keep in effect as allowable by the insurance carrier
 - 2. Military Leave
 - i. Military Leave: An employee covered by this Agreement who enters active duty in the Armed Forces of the United States and who makes written application for re-employment within ninety (90) days after his release from original conscription, shall be restored to employment and his status with respect to other employees shall be the same as if he had not entered the services herein specified.
 - ii. An Employee granted an Unpaid Leave using the Military Leave provision, shall receive fringe benefits for the balance of the current month only.

- E. A bargaining unit member **may** be granted an Unpaid Leave for the following purposes:
1. Education Leave:
 - i. Upon written application by the employee to the Board, an educational leave of up to one (1) year may be granted. In order to qualify for an educational leave the employee must be enrolled in a full-time program, as defined by the institution. Return from said leave shall be to the employee's previous classification, seniority permitting.
 - ii. An employee granted an Unpaid Leave using the Education Leave provision, shall receive fringe benefits for the balance of the current month only.
