ARTICLE 7

GRIEVANCE PROCEDURE

A grievance is defined as an alleged violation, misinterpretation or misapplication of any Article or Section of this Agreement. The following procedure shall be used:

STEP ONE: Any grievance must first be taken up within ten (10) school days of its occurrence by discussion with the Administrator's immediate supervisor. The Association may accompany the individual grievant on this occasion. If not resolved and intended to be carried forward, the grievance shall be reduced to writing and given to the immediate supervisor within fifteen (15) school days after the event occurred of which complaint was made.

STEP TWO: During the period of the next eight (8) school days, the grievant and/or the Association shall meet with the immediate supervisor to attempt a resolution of the grievance. During this period, said immediate supervisor shall indicate disposition of the grievance in writing with a copy to the grievant. If the grievance is not resolved and is intended to be carried forward, such must be done within five (5) school days after the conclusion of Step Two.

STEP THREE: During the period of the next eight (8) school days, the grievant and/or the Association shall meet with the Superintendent to attempt a resolution of the grievance. During this period, said Superintendent shall indicate disposition of the grievance in writing with a copy to the grievant. If the grievance is not resolved and is intended to be carried forward, such must be done within five (5) school days after the conclusion of Step Three.

STEP FOUR: The grievance may be transmitted to this Step by filing a written copy with the Secretary of the Board. The Board shall, during the next three (3) calendar weeks, meet in private session (or in public session if required by the Open Meetings Act) with the grievant and/or the Association concerning the grievance. Disposition of the grievance in writing by the Board shall be made within seven (7) calendar days after said meeting and copy furnished to the grievant. If the grievance is not thereby resolved and is intended to be carried forward, notification shall be given as set forth below in Step Five.

STEP FIVE: Within five (5) school days of the conclusion of Step Four, if the grievant or the Association wished to process the matter to arbitration, notification shall be made simultaneously to the Board and to the American Arbitration Association requesting the selection of an impartial arbitrator through the processes of the American Arbitration Association. The expenses of

arbitration shall be shared equally by the parties, provided however, each party shall be responsible for the costs of any of its own witnesses or counsel. The arbitrator shall have no authority to alter, modify, add to, detach from or in any way change the specific and expressed terms of this contract or any portions of Board policy or rules incorporated therein.

He/she shall have no authority to make a determination, which in any way shall limit the rights, responsibilities or authority of the Board as determined by law except insofar as this contract shall have specifically limited such authority. He/she shall specifically be bound to the conditions and specifications as set forth in the Board Rights clause of this contract. Either party may appeal his/her decision to a court of competent jurisdiction.

ARTICLE 8

ADMINISTRATOR EVALUATION

ARTICLE 9

CONFERENCES AND VISITATIONS

Applications may be made by Administrators for leave to attend conferences and to make school visitations, provided however, the Board in its sole discretion may determine whether to grant or deny such application. Further, the Board may, in its discretion, determine the degree to which, if at all, it shall reimburse expenses incurred in regard to such leave. The denial of such application shall not constitute a basis for grievance, nor shall the granting of such application constitute precedent to be applied in any future case.

A representative of the Association shall meet with the Superintendent of Schools, or his/her designee, to mutually establish the conferences and visitation schedule for administrators for the entire year. This schedule shall be presented for informational purposes to the Board of Education.

ARTICLE 10

SABBATICAL LEAVE

Any administrator who has been employed in such capacity for longer than seven (7) years in the school district shall be eligible to apply for sabbatical leave. In the event such leave is granted, subsequent assignment or employment of the administrator will not be positively or negatively influenced by virtue of the leave having been granted. The Board in its sole discretion may determine to grant such leave or deny it. The granting of such leave shall not constitute a precedent to be applied in any other case, nor shall the denial constitute a basis for grievance.

An application may be made in writing to the Superintendent on or before March of the school year preceding the school year for which the leave is sought.

The Board may require as a condition of such leave, the Agreement in writing by the Administrator to remain in the employ of the District for a period of not less than two (2) years following his/her return.

The Board may consider adjustments in salary continuation as specified below in light of other income either available or to be earned or received by the individual Administrator during the period of said leave. Credit for advancement on the salary schedule shall be within the full discretion of the Board depending upon the consideration and evaluation of the value of the sabbatical in regard to the performance of work duties for the District in the future. During the leave, accumulated sick days shall be frozen, but no additional ones may be accumulated. The Board will continue to make hospitalization, dental, vision and life insurance payments, but no other fringe benefits of any nature will be in effect. Compensation during sabbatical leave shall not be in excess of one-half (1/2) of annual salary for twelve (12) months leave, or one-quarter (1/4) annual salary for six (6) months leave.

ARTICLE 11

UNPAID LEAVE OF ABSENCE

The Board may grant a leave of absence upon written request of an Administrator, without pay, not to exceed one year (except as otherwise specified and required by law) subject to renewal at the will of the Board. In the event such leave is granted, subsequent assignment or employment of the Administrator will not be positively or negatively influenced by virtue of the leave having been granted. The Board in its sole discretion may determine to grant such leave or deny it. The granting of such leave shall not constitute a precedent to be applied in any other case, nor shall the denial constitute a basis for grievance. There shall be no continuation of any fringe benefits during such leave.

ARTICLE 12

JOB DESCRIPTIONS

The Association recognizes that the adoption of specific job descriptions is the prerogative of the Board. The job description for a particular position should not be altered without consultation with the individual Administrator or Administrators to be affected by such change at least thirty (30) days prior to effective date.

The Board reserves the right within its sole discretion to alter job descriptions to meet the best interest of the District, and such shall not be subject to the grievance procedure.

ARTICLE 13

ADMINISTRATOR ASSIGNMENTS

- B. Notice of assignment shall be given to administrators for the following school year as soon as practicable.
- C. If the Board contemplates hiring a new administrator for a position within the bargaining group, any current administrator or former Flushing administrator so desiring shall be interviewed for the assignment along with any other candidates selected for interview.

ARTICLE 14

DISTRICT-WIDE COMMITTEE ASSIGNMENTS

The Association will be informed whenever district-wide committees are being set up by the Board or the Central Administration, which will include unit personnel as members. ARTICLE 15

RIGHTS OF THE ASSOCIATION

1. Use of inter-school mail delivery for all official Association communication, if appropriately signed or approved by an Association officer.

- B. It is recognized that administrators who have completed probationary requirements under the Michigan Teacher Tenure Act have tenure as teachers in the district.
- C. Any administrator who requests placement, or who is placed, in a teaching position in the district shall become subject to the collective bargaining agreement governing teachers.
- D. It is the understanding of the Board of the Flushing Administrators' Association that any seniority administrators may have as teachers is exclusively governed by the Board's contract with the bargaining agent for the teacher group. It is further understood that the Board's current agreement with Local 10 MEA/NEA (Flushing Unit) continues to grant the accumulation of seniority to those individuals employed as administrators in the district during 1982-83 and that other individuals employed in the future will not accumulate teacher seniority while serving in an administrative capacity. The Board and its Administration would defend this understanding throughout any challenge through the teacher grievance procedure.

ARTICLE 18

The district will contribute \$4,180 annually to an approved annuity plan for each unit administrator for each year of this agreement. Two payments of \$2,090 will be paid during the school year (one in July, one in December).
