## ARTICLE II - UNION RIGHTS AND SECURITY

- SECTION 1. Special Conferences: Special conferences on important and urgent matters relating to the administration of this Agreement will be arranged between the local Union president and the Employer upon request of either party. At least two members of the committee may attend such meetings. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda. This meeting may be attended by the CFMT representative.

- SECTION 3. The Board agrees to provide for the Union the use of school equipment and facilities for the duplication of printed material, provided such use does not interfere with normal school operations. The Union agrees to assume the cost of repair to school equipment if damaged while in use for Union business. The Union shall furnish its own materials for such purposes and shall not use school material.
- SECTION 4. The local Union president shall notify the Employer of those persons authorized to process grievances. The CFMT representative is also authorized to process grievances.
- SECTION 5. One person at a time shall be designated to present grievances to the Employer without loss of time or pay, providing such activities shall be kept within reasonable limits.
- SECTION 6. The parties will establish a Safety and Health Committee consisting of two (2) representatives of each group classification designated by each and two (2) representatives of the Board of Education, which will meet whenever the circumstances warrant, during working hours, for the purpose of recommending safety and health measures. Only one group classification will meet at a time and only circumstances pertaining to that classification will be discussed.
- SECTION 7. The Employer agrees to furnish the Union, in response to reasonable requests, available information concerning financial resources of the district, agendas of all school Board meetings and other such readily available information.

SECTION 8. Upon written authorization from the employee, the Employer shall deduct from wages/salary of the employee, and make appropriate remittance, for annuities, credit union, savings bonds, or any other allowable plans or programs jointly approved by employee and Employer.

For purposes of this provision, an emergency shall be defined as an unforeseen circumstance, or combination of circumstances, which call for immediate action in a situation which is not expected to be of a recurring nature.

B. Notwithstanding the above, supervisors/directors may assist bargaining unit members with their work and may continue performing the work they are currently doing.

SECTION 10. The Employer will continue its established policy and practice of giving employees a preference for work they have customarily performed. The Employer, however, reserves the right to subcontract work when:

A. the skills and equipment needed to perform the work specified are unavailable in the school system, or

B. the schedule for such work cannot be met with the equipment or skills available for such work, or

C. when it is financially beneficial, the employer may enter into a contractual agreement with a neighboring school district in providing transportation services for Davison students to the Genesee Area Skill Center and special education facilities in Genesee County.

### **ARTICLE III - EMPLOYEE RIGHTS AND PROTECTION**

**SECTION 1.** No regular non-probationary employee will be disciplined, demoted, reduced in rank or compensation, dismissed, suspended with or without pay or reprimanded without just cause.

Reasons for discipline including discharge, will include, but not be limited to: repeated inefficiency or incompetence; insubordination; repeated tardiness or absence; moral misconduct; or disability, mental or physical, as shown by competent medical evidence but only after exhaustion of available sick leave (see Article XIII, Section 9). The Board shall not be prohibited from disciplining and/or discharging an employee during sick leave for reasons other than disability.

The specific grounds forming the basis for any disciplinary action will be made available to the employee and the union in writing.

Any disciplinary action of a regular non-probationary employee shall be subject to the grievance procedure herein set forth, including arbitration.

**SECTION 2.** An employee will have the right to review the contents of all records of the district pertaining to said employee. Other examination of an employee's files shall be limited to qualified supervisory personnel, to the extent allowable by law. Each file shall contain a record indicating who has reviewed it, the date reviewed, and the reason for such review.

**SECTION 3.** No adverse material regarding an employee will be placed in the employee's personnel file without a copy being furnished to the employee. When material is to be placed in an employee's file, the affected employee shall review and sign said material, such signature shall be understood to indicate awareness of the material but in no instance shall said signature be interpreted to mean agreement with the content of the material. The employee may respond to the complaint within five (5) days in a written statement to be attached to the original complaint; the statement is limited to five (5) sheets of 8.5" x 11" paper.

**SECTION 4.** An employee shall be entitled to have present a representative of the Union during any meeting or conference which leads, or may lead, to disciplinary action. Should disciplinary action likely occur at a given meeting, the employee shall be advised by the Employer of the right to representation under this provision of the Agreement.

It is recognized that a perceived problem with an employee and/or the performance of his/her job may be resolved by a meeting with the employee, his/her steward, and the appropriate administrator(s), without resorting to the discipline or grievance procedures. Such meeting can be called by either party and may be scheduled during the employee's regular working hours.

SECTION 5. Any case of assault upon an employee shall be promptly reported to his/her immediate supervisor. The Board shall render all reasonable assistance to the employee, which may include legal counsel, in connection with handling of such incident by law enforcement and judicial authorities.

SECTION 6. No employee shall be discriminated against based on creed, physical handicap, race, gender, marital status or dependents of the employee provided he is otherwise qualified to perform the work required.

## ARTICLE IV - MANAGEMENT RIGHTS

### SECTION 1.

- A. Nothing contained herein shall be considered to deny or restrict the District of its rights, responsibilities, and authority under the Revised School Code or any other laws or regulations.
- B. Except as expressly abridged by the provisions of this Agreement, it is agreed that all rights which ordinarily vest in and have been exercised by the District shall continue to vest exclusively in and be exercised exclusively by the District. Such rights shall include by way of illustration and not by way of limitation, the right to:
  - 1. Manage and control its business, its equipment, and its operations.
  - 2. Continue its rights, policies, and practices of assignment and direction of its personnel and scheduling.

## ARTICLE V - GRIEVANCE PROCEDURES

SECTION 1. A grievance shall be defined as an alleged violation, misinterpretation, or misapplication of this Agreement. Any member believing he/she has a grievance, should meet with his/her Supervisor within ten (10) working days of the occurrence or reasonable knowledge thereof. There shall be an earnest effort on the part of the parties to settle such disputes promptly. A bargaining unit member shall be entitled to have a representative of the Association at any grievance meeting as requested. A dispute not resolved in this way will be processed through the following steps:

- Step 1. **Formal Conference:** For the grievance to be timely, a request for a formal conference must be made to the employee's supervisor in writing within twenty (20) working days of when the occurrence giving rise to the grievance was known to the grievant. The term "working days" as used herein shall mean all days Monday through Friday except days when the central office is closed.
- Step 2. **Written Grievance:** If the grievance is not satisfactorily adjusted in Step 1, then it shall be reduced to writing and presented to the supervisor involved in Step 1. Such written grievance shall be on forms as mutually agreed to between the Employer and the Union and placed as Appendix E in this agreement. Such written presentation of grievance must be made within ten (10) working days of denial of grievance at Step 1. Upon presentation of a written grievance the supervisor involved shall notify the grievant and/or Union of his/her answer in writing within ten (10) working days after presentation of said written grievance.
- Step 3. **Appeal to Assistant Superintendent:** If the grievance is not satisfactorily adjusted in Step 2, it shall be presented to the Assistant Superintendent for Personnel no later than ten (10) working days after the grievant and/or Union received the Step 2 response. The Assistant Superintendent for Personnel shall arrange a meeting with the Union within ten (10) working days of receipt of the written grievance and shall notify the Union of his/her answer in writing within ten (10) working days of such meeting.

- Step 4. Mediation: At the request of either party and the written agreement of both parties, a mediator from the Michigan Employment Relations Commission will be requested to help settle the dispute before the next step is utilized. Mediated settlements are not binding.
- Step 5. Arbitration: If any grievance is not settled through the previous procedures, the Union (but not individuals) may, within thirty (30) days from the conclusion of Step 4, submit the grievance to arbitration in accordance with the current rules of the American Arbitration Association. If not so requested within said thirty (30) day period, the matter shall be considered settled on the basis of the last preceding disposition.

More than one grievance or dispute may not be submitted in one arbitration proceeding except by mutual agreement of the parties.

After designation of the Arbitrator, a hearing shall be held as soon as practicable and the Arbitrator shall issue an Opinion and Award in accordance with said rules, which, if within the Arbitrator's jurisdiction, shall be final and binding on the parties and the employee(s) involved. Said award shall be subject to any applicable law or governmental regulation. Either party shall have the right to obtain issuance of subpoenas for any witnesses necessary to the presentation of its case.

The fee of the arbitrator, including travel expenses, and the cost of any room or facilities shall be borne equally by the parties. The fees and wages of representatives, counsel, witnesses, or other persons attending the hearing on behalf of a party shall be borne by the party incurring them. The grievant and steward or president shall be released without loss of wages to participate in the arbitration hearing. Other employees necessary to the hearing shall be released without loss of wages at the request of the Union, provided the Union pays the necessary substitute costs.

The Arbitrator shall have no power to add to, subtract from or modify any of the terms of this Agreement, nor to make any recommendations with respect thereto. Neither shall he have the power to establish or change any classification or wage rate, to rule on any claim arising under an insurance policy or retirement claim or dispute, or to rule on

any matter covered by a Statute or Ordinance. Any other dispute arising out of, or relating to, the interpretation or proper application of this Agreement, based upon a grievance of any employee alleging violation thereof, shall be deemed arbitrable hereunder.

- SECTION 2. No award involving wages due any grievant shall be made retroactive for more than thirty (30) days prior to the date the grievance was submitted in writing.
- SECTION 3. The time limits provided in this article shall be strictly observed, but may be extended by written agreement of the parties.
- SECTION 4. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.
- SECTION 5. In consideration of the arbitration provision, the Union agrees that there shall be no suspension of work, or other interference with the operation of the schools during the term of this Agreement with respect to, or based upon, any dispute which is subject to arbitration under this article. It being agreed that arbitration provides the exclusive method of determining all such disputes if no settlement thereof is reached under the Grievance Procedure herein; the Union further agrees that it will actively oppose and discourage any such action on the part of individual employees.

## ARTICLE VI - DISCHARGE AND DISCIPLINE

- SECTION 1. Note of Discharge or Discipline: The Employer agrees, promptly upon the discharge or discipline of any employee, to notify, in writing, the steward of the group, of the discharge or discipline.
- SECTION 2. A. The Board will observe the concept of progressive discipline, with non-probationary employees which may include verbal warning, written warning, written reprimand, suspension with or without pay, and with discharge as the final and last resort. Any disciplinary action taken against a non-probationary employee shall be appropriate to the misconduct. Nothing in this provision shall prevent the District from imposing more severe disciplinary action (possibly including discharge) for unprofessional conduct.
- B. Where the Employer's action requires the employee to leave the premises, he will be allowed to discuss his discharge or discipline with the steward of the department and the Employer will make available an area where he may do so before he is required to leave. The Employer or his designated representative will discuss the discharge or discipline with the employee and the steward.
- SECTION 3. Appeal of Discharge or Discipline of a Non-Probationary Employee: Should the discharged or disciplined non-probationary employee or the steward consider the discharge of a non-probationary employee to be improper, a complaint shall be presented in writing through the steward to the Employer within five (5) regularly scheduled working days of the discharge or discipline. The Employer will review the discharge or discipline and give its answer within three (3) regularly scheduled working days after receiving the complaint. If the decision is not satisfactory to the Union, the matter shall be referred to the grievance procedure at Step No. 2.
- SECTION 4. Use of Past Records: In imposing discipline, the Employer will take into account the employee's cumulative record. Disciplinary actions will remain in an employee's cumulative file subject to the following:
- A. Request for removal by an employee may be approved.
- B. Upon request by an employee, a letter/memo/evaluation may be put in his/her file indicating there has been no repetition and the problem has been corrected.
- C. Verbal warnings will be removed from files and destroyed if requested by the employee one year after the warning is issued if there is no repetition and no other discipline during that time.

Discipline concerning unprofessional conduct shall not be removed or suppressed pursuant section 380.1230b of the Michigan Revised School Code.

SECTION 5. Any employee who has attained the status of a regular employee shall be reprimanded, suspended or discharged for just cause only. Any such action may be the subject of a grievance under the procedure as set forth above.

## ARTICLE VII - SENIORITY

- SECTION 1. All employees shall be probationary employees for a period of ninety (90) working days from the date they are hired. Such employees may be discharged for any reason during the probationary period. Probationary employees shall be given a written evaluation during the probationary period with a follow-up conference with the employee's immediate supervisor. Termination of employment during any part of the probationary period shall not be grounds for a grievance under this Agreement.
- SECTION 2. Regular full-time employees in the Custodial Group shall be considered as those who regularly work at least four (4) hours per day. Regular part-time employees shall be those who regularly work less than four (4) hours per day. Regular full-time employees in the Cafeteria Group shall be those who regularly work at least twenty (20) hours per week. Regular part-time employees shall be those who regularly work less than twenty (20) hours per week. Regular full-time employees in the Transportation Group shall be bus drivers who regularly work four and one-half (4.5) or more hours per day, and regular part-time employees in that group shall be those who regularly work less than four and one-half (4.5) hours per day.
- SECTION 3. Seniority shall be acquired only during the regular scheduled work year. An employee can acquire seniority only in his department.
- SECTION 4. Seniority may be lost for the following reasons:
- A. Resignation
  - B. Discharge for just cause
  - C. Absence from work for four (4) consecutive working days without due notification to the Employer shall be considered as voluntary termination of employment and treated as resignation unless extenuating circumstances justifying such failure of notification are brought to the attention of the Employer.
- SECTION 5. The Employer will keep the seniority lists up-to-date at all times, showing the names, seniority date and job titles of all seniority employees. A revised copy will be supplied to the president every six months.

## **ARTICLE VIII - JOB VACANCIES AND PROMOTIONS**

**SECTION 1.** Posting of vacancies shall include place of assignment, shift, and the job description as provided in Appendix B.

All postings of permanent job openings for cooks, custodians, and bus drivers shall be posted in the bus drivers' lounge and all schools, and copies shall be sent to the head cook and head custodians of each building and the Union president so as to properly notify all employees covered by the terms of this agreement of all job openings. The notice shall be posted within ten (10) days of official notification of a position being vacated and shall remain posted for five (5) working days. The administration will make every effort to post the notice of vacancy within three (3) working days.

To fill the posted vacancy, a bid meeting shall be held in the appropriate department (cooks, custodians, and bus drivers) in which all employees in the department may bid by seniority for the vacancy and any resultant opening(s). Any position not filled by bidding shall be posted within three (3) days for a period of five (5) days. All interviews shall be held within ten (10) working days after the close of posting, and the job shall be awarded within an additional five (5) working days.

In the event that an employee who is eligible to bid for such vacancy or promotion is absent from work at the time of posting, due to being on vacation or approved leave of absence, and is not expected to return within the above posting period, the District will mail a copy of the posting to the employee's last known address.

The bidding procedures provided above shall not apply to the selection of Head Custodian, Head Cook, and Maintenance Person which shall be by interview as set forth below.

**SECTION 2.** Bargaining unit positions will be filled pursuant to the following:

- A. Application to fill regular full-time openings from part-time applicants or applicants who have no seniority in the department will not be considered unless there are no full-time applicants.
- B. When a part time cook moves to a full time position, the vacated position will be filled with a substitute for a period of fifteen (15) days. If the employee is unable to demonstrate ability to perform

the work required within the fifteen (15) day period, they will be allowed to return to their former position.

- C. When applications (with the exception of Section D - Head Custodians, Head Cook, and Maintenance Person) within a classification are made by employees, the position shall be awarded to the most senior applicant meeting the qualifications as set forth in the job description. Informational interviews may be required.
- D. Head Custodian, Head Cook, and Maintenance Person positions will be filled by the most senior qualified (as determined by the District) applicant.

In the event of promotion or transfer to a position with a job description differing from the job description of the position currently held in the department, the employee shall be given a seventy (70) work-day trial period in which to show his/her ability to perform on the new job. The Employer shall give the promoted or transferred employee reasonable assistance to enable him/her to perform up to the Employer's standards on the job.

If the employee is unable to demonstrate ability to perform the work required during the trial period, or at the option of the affected employee, the employee shall be returned to his/her previous assignment.

In the event no qualified applicants, as determined by the District, exist within the bargaining unit for a vacancy, the District has the right to post the position externally and hire from outside the unit.

The District also has the ability to negotiate salary within the confines of Appendix A of the Master Agreement to ensure the hiring of the best possible candidate for the position.

The trial period shall be waived when a head custodian, head cook, or maintenance person returns to a lower classification.

Following the selection, all related transfers shall be considered temporary until the employee completes his/her trial period. At that time, the transfer will be made permanent. Should the employee return to his/her previous position pursuant to the provisions above, all affected employees will return to their prior positions and the position will be re-posted.

- E. Employees interested in the Head Cook, Head Custodian, or Maintenance Person positions should declare their possible interest in writing to their supervisors in advance of a vacancy so they may be observed. A training program and period of time may be provided for employees indicating interest in these positions.
- F. In determining "most senior qualified" in Section D above, the following shall be used to determine "qualified":
  - 1. Qualifications as set forth in the appropriate job description in Appendix B.
  - 2. Recommendations from past and present supervisors and building administrators.
  - 3. Evaluations.
- G. Any grievance concerning such selection shall start at the level of the Superintendent for Personnel.

SECTION 3. Employees who are promoted to a higher classification, or part-time employees who become full-time employees, shall retain the seniority previously acquired and have such applied to their seniority in the new classification or full-time category.

SECTION 4. Transfers Out Of, and In To Unit: If an employee is transferred by the Employer, on a regular and permanent basis, to a position not included in the bargaining unit, his/her seniority in the unit shall continue to accumulate for a period of one year thereafter, after which he/she will retain but not accumulate seniority in the unit. During said one year period only, he/she shall be entitled to receive all fringe benefits provided for in this Agreement. If, at any time after such transfer he/she shall be transferred back into the unit, he/she shall have such seniority as he/she has accumulated and/or retained and will be returned to his/her prior classification in the unit.

- A. Provided, however, that such transfers which are specified at the date of transfer, to be for a period of less than one year, shall be considered as temporary, shall be made and/or continued only with the consent of the employee, and will not prejudice his status within the bargaining unit.
- B. Provided further that if the transfer out of the unit is not of the employee's volition, his/her seniority in the unit will continue to

accumulate indefinitely. During the first year after such transfer, his/her fringe benefits will continue at not less than the levels provided in this Agreement. If the employee returns to the unit, he/she will do so with accumulated seniority and shall, thereafter, be entitled to those benefits to which such seniority may entitle him/her.

**SECTION 5. Temporary Filling of Bus Driver Position:** When it is known that a bus driver will be absent for over thirty (30) work days, other interested bus drivers will be given an opportunity to bid on the regular position based on their seniority, if the awarding of such position would result in an increase in work hours of thirty (30) minutes or more per day for interested bus drivers or fifteen (15) minutes if a fifteen (15) minute increase qualified the driver for benefits. A notice of the temporary opening and the time for a bid meeting will be posted for two (2) work days. Interested drivers must be present at the meeting or have their bids submitted to the supervisor in advance of the meeting to be eligible to bid. There will be no compensation for such bid meetings. This selection process will not be grievable. This process will not apply to special education runs.

When one bus driver is temporarily reassigned to fill the position of another bus driver who will be absent from work for over thirty (30) work days, her/his position shall also be open to bid from other drivers at the bid meeting pursuant to the above. This bidding and temporary reassignment shall continue during the bid meeting until there is a remaining temporary opening which shall be filled with a substitute.

When a bus driver is temporarily reassigned to fill the position of another bus driver who will be absent from work for over thirty (30) work days, as described above, he/she may not bid on other temporary assignments that may come up while he/she is filling the temporary assignment.

**SECTION 6. Temporary Filling of Head Cook and Cook Positions:** When a head cook or regular cook is absent from work, another cook in the building who is qualified will be temporarily reassigned by the supervisor to that head cook or regular cook position. This reassignment process shall continue among cooks within the building until there is a vacancy which will be filled with a substitute. Over the year, extra time will be spread equally, so far as possible, among all the qualified cooks (except head cook) in the building.

If no qualified cook in the building wants to be assigned to the head cook or regular cook position(s), and the head cook or regular cook in

those positions will be absent for at least thirty (30) work days, interested and qualified cooks from other buildings (except head cooks) will be given an opportunity to bid on the position(s) based on their seniority. A notice of the temporary opening and the time for a bid meeting will be posted for two (2) work days. Interested cooks must be present at the meeting or have their bids submitted to the supervisor in advance to be eligible to bid. There will be no compensation for such bid meetings. This selection process will not be grievable.

When one cook is temporarily reassigned to fill the position of another cook who will be absent from work for over thirty (30) work days, her/his position shall also be open to bid from other cooks at the bid meeting pursuant to the above paragraph. This bidding and temporary reassignment shall continue during the bid meeting until there is a remaining temporary opening which shall be filled with a substitute.

Although substitute cooks will be rotated among buildings, experienced long-term substitutes will be assigned by the Food Service Supervisor for the duration of the long term absence.

**SECTION 7. Temporary Filling of Head Custodian and Custodian Positions:** When a head custodian or regular custodian is absent from work, another custodian in the building who is qualified will be temporarily reassigned to the head custodian or regular custodian position. This reassignment process will continue among custodians within the building until there is a vacancy which will be filled with a substitute. These temporary reassignments shall be voluntary and based on greatest seniority among qualified custodians to the extent feasible.

If no qualified custodian in the building wants to be assigned to the head custodian or regular custodian positions(s), and the head custodian or regular custodian in those positions will be absent for at least thirty (30) work days, interested and qualified custodians from other buildings (except head custodians) will be given an opportunity to bid on the position(s) based on their seniority. A notice of the temporary opening and the time for a bid meeting will be posted for two (2) work days. Interested custodians must be present at the meeting or have their bids submitted to the supervisor in advance to be eligible to bid. There will be no compensation for such bid meetings. This selection process will not be grievable.

When one custodian is temporarily reassigned to fill the position of another custodian who will be absent from work for over thirty (30) work days, his/her position shall also be open to bid from other custodians at the bid meeting pursuant to the above paragraph. This bidding and temporary reassignment shall continue during the bid meeting until there is a remaining temporary opening which shall be filled with a substitute.

**SECTION 8: Temporary Filling of Head Custodian Where All Evening Cleaning is Performed by Contracted Custodians:**

Any custodian in the CFMT bargaining group who is interested in subbing both short term, as well as long term, needs to provide their possible interest in writing to their supervisor in advance of a vacancy so they may be observed. A training program and period of time may be provided for employees indicating interest in these positions. The temporary filling will be filled by the most senior qualified applicant, as determined by District Administration, taking into account the length of the opening and the supervisory experience, as well as the maintenance skills required.

**SECTION 9. Former Employees Returning to Bargaining Unit Positions:** If an employee quits and is later rehired in a bargaining unit position, the following shall apply:

- A. The employee's seniority shall be terminated when he/she quits. Upon rehire, the employee's seniority shall begin to accrue from zero regardless of the classification into which he/she is hired.
- B. The employee shall be considered a new-hire for the purposes of eligibility for insurance coverage regardless of the classification into which he/she is hired.
- C. If the employee is rehired for a position that is within the same classification as his/her previous position (before he/she quit), his/her placement on the pay schedule will be the same as his/her placement at the time he/she quit.
- D. If an employee is rehired for a position in a classification that is different than that of his/her previous position (before he/she quit), he/she shall start at step one of the pay schedule of the new position.

**SECTION 10. A full-time custodian wishing to voluntarily transfer out of his/her full-time position when there is no vacancy within the district may make**

his/her intention known to the supervisor in writing. As a result, the position shall be declared vacant and a standard bid meeting shall be conducted to fill the position. Only full-time custodians shall be allowed to participate in the bid meeting. The custodian who relinquished the position shall be assigned to the position which is vacated as a result of the bid meeting. The custodian shall not be allowed to change his/her mind and return to his/her vacated position at any time during this process unless the bid meeting results in no full-time custodian applying for the vacated position. In that case, the custodian shall remain in his/her original position.

## ARTICLE IX - REDUCTION IN PERSONNEL, LAYOFF, AND RECALL

- SECTION 1. Layoff shall be defined as a necessary reduction in the work force beyond normal attrition due to a shortage of funds or due to a decline in student enrollment.
- SECTION 2. No employee shall be laid off pursuant to a necessary reduction in the work force unless said employee shall have been notified of said layoff at least twenty (20) working days prior to the effective date of the layoff. The term "working days" as used herein shall mean all days Monday through Friday except days when the central office is closed, such as holidays.
- SECTION 3. In the event of a necessary reduction in work force, the Employer shall first lay off probationary employees, all part-time employees, then the least senior full-time employees. In no case shall a new employee be employed by the Employer while there are laid off employees who are qualified for a vacant position.

In the event a reduction in work hours of an employee appears probable, a meeting will be held with the Union and the administration prior to any such reduction. The specific reasons for the reduction will be discussed and alternatives will be sought. The administration will do everything they can to avoid reducing an employee's hours to an amount less than those required to maintain regular full-time employment status. In the event of a reduction in the work hours in a classification, an employee may claim seniority over another employee for the purpose of maintaining his/her normal work schedule, provided he/she has greater classification seniority than the employee he/she seeks to replace. In no case shall a reduction of any employee's work hours take effect until the Employer gives ten (10) work-day written notice to the affected employee(s). If a full-time employee is reduced to less than four (4) hours, the Employer will continue fringe benefits for sixty (60) days after the effective date of the reduction of hours. After the conclusion of the sixty (60) days, the employer will continue to pay fifty percent (50%) of the fringe benefit cost through August 31. The Employer will pay the fifty percent (50%) if the employee elected to continue the fringe benefits.

SECTION 6. A laid-off employee may, upon application, be given preference for substitute work. Laid-off employees shall have all existing fringe benefits paid by the Board for a period of sixty (60) days after the effective day of layoff. The recall notice shall state the time and date on which the employee is to report back to work. It shall be the employee's responsibility to keep the Employer notified as to his/her current mailing address. A recalled employee shall be given at least five (5) calendar days from receipt of notice, excluding Saturdays and Sundays, to report to work. The Employer may fill the position on a temporary basis until the recalled employee can report for work, providing the employee reports within the five (5) day period. Employees recalled to work for which they are qualified are obligated to take said work. An employee who declines recall to perform work for which he/she is qualified shall be deemed to voluntary quit.

SECTION 9. Employees on layoff shall retain their seniority for purpose of recall for a period of two (2) years. Any employee on layoff for more than two (2) years shall lose his/her seniority and any further rights under this Agreement.

SECTION 10. The Employer will pay the cost of required tests, examinations, fees, and other job-related costs for laid-off employees who are recalled to work.

C. The Board may continue the current practice of infrequently transporting pupils by private busses paid for by parents or private groups, such as the Flint Institute of Arts.

D. The Transportation Supervisor may call meetings with drivers and building principals to discuss student discipline and any other issues that may occur on the bus as needed to address concerns. Drivers may also request meetings with the Transportation Supervisor and building principals to address concerns with student behavior and/or student discipline. The issues that concern the drivers will be forwarded ahead of time to the building principals. An agenda will be agreed upon and disseminated to all those participating.

SECTION 4. Bus driving which involves special education pupils shall not be considered as regular runs. The Employer reserves the right within its full discretion to select the driver from the current seniority register whom it deems best suited to handle such runs.

SECTION 5. Field Trips: All other runs not specifically set forth or covered above will be assigned as follows:

- A. Field trips will be assigned on a weekly basis. Field trips will be posted by 9:00 a.m. on Thursday for the following week, and field trips will be assigned on Friday before noon in seniority order first, on a rotation basis. For the purposes of field trip selections, a work week is defined as running from Saturday through Friday. Bus drivers are not eligible for drop only field trips that take place during times that interfere with their normal daily route assignments.

When assigning field trips, all regular Davison drivers will be given the opportunity to select field trips. After all Davison drivers have had an opportunity to select one trip, METS drivers will then have the opportunity to select a trip based on time spent driving for the District.

- B. A field trip to a location that drops off a group at one time and picks them up at a later time on the same day, where there is no paid waiting time for the driver, is considered one trip, and will be assigned to one driver.
- C. A field trip to a location that drops off a group on one day and picks them up on another day is considered one trip, and will be assigned to one driver.
- D. A driver who is absent from the field trip meeting on an approved absence will be allowed to have another driver choose his or her field trips, based on written instructions from the driver. The absent driver will be required to take the trip selected by the other driver.
- E. Drivers who have accepted a field trip are expected to complete the trip unless absent due to illness or reasons stated in Article XIII. Drivers who are absent due to illness will be required to provide a doctor's note to excuse the absence
- F. If a field trip is canceled, the driver assigned shall have the opportunity to pick first from the following week's trip picks. If more than one field trip is canceled, the affected drivers shall have the opportunity to pick from the following week's trip picks, prior to all other drivers, in the order the trips were picked.
- G. Last minute trips shall be assigned to drivers from a Last Minute Trip Pick Roster. Trips shall be assigned on a rotating basis.

H. Holiday and weekend field trips will be assigned in the same manner as above. A separate roster will be kept. Holiday and weekend field trips will be offered to Davison CFMT employees first prior to being offered to a contracted employee.

SECTION 6. Shuttle Runs: A shuttle is a bus run that picks up students at one school building and drops them off at another school building.

SECTION 7. The Board shall provide two external vacuum cleaners selected by the Board for cleaning of the buses. Drivers shall be expected to thoroughly clean the interior of their buses daily.

SECTION 8. The Employer shall provide, or have provided, fuel-proof gloves for use by drivers in fueling their buses. Drivers shall be paid for fueling their buses at their applicable hourly rate, if fueling is deemed necessary by the Transportation Supervisor.

SECTION 9. A bus driver who is laid off and who is paid unemployment compensation benefits during the summer, and who is recalled to a position prior to the start of school, or other mutually acceptable date, will be paid for the next school year an annual rate such that the bus driver's unemployment compensation plus that annual rate will be equal to the rate of the pay the bus driver would have earned for the school year had the bus driver not been laid off.

SECTION 10. Athletes may be dropped at extracurricular events and not returned by District buses. One way drops will be so designated when they are posted. Drivers shall be paid for the time it takes to make the drop and return to the bus lot. If the trip was not posted as drop only but becomes a drop only trip, the driver will receive a minimum of two hours pay at the field trip rate.

SECTION 11. Field Trips: The term "field trips" shall refer to runs other than regularly scheduled runs. Field trips shall be paid at the above rate, including lay-over time.

If during any such field trip run the driver is paid for any activity other than driving the bus, the time spent on such other activity will not also be compensated as driving or lay-over time.

On field trips, where it is necessary for a regular driver to give up their regular scheduled runs to take the field trip, the driver will be paid their regular hourly rate for the hours they drive during their regular scheduled runs. Then the established hourly rate for field trips will be the rate for the remainder of the trip. Drivers are expected to report at least twenty (20) minutes prior to their

departure time unless requested to report earlier by the Transportation Supervisor. After three (3) driver refusals, the Supervisor of Transportation may pick a driver at random for field trips that fall into this category. No driver shall be mandated to work outside of their regularly scheduled work day.

In addition, drivers on field trips exceeding five (5) hours in duration will be paid a meal allowance of \$5.00; field trips exceeding eight (8) hours in duration, an additional \$5.00; and field trips exceeding twelve (12) hours in duration, an additional \$5.00 will be paid for meal allowance.

SECTION 12. Physical Examinations: State law requires Bus Drivers to undergo an annual physical examination. Newly hired drivers will pay the cost of the examination. Subsequent examinations will be done in the District or at a District-approved medical facility. Those examinations done at the outside facility will be reimbursed by the District up to fifty dollars (\$50.00).

SECTION 13. Bus School: Drivers will be paid the hourly rate at field trip rate for the hours in attendance at the annual bus driving school.

SECTION 14. Pre-Trip Bus Inspections: Drivers shall be expected to perform comprehensive pre-trip bus inspections prior to driving their bus runs. Drivers shall be paid ten (10) minutes per pre-trip inspection at their applicable hourly rate. Pay for pre-trip bus inspections shall not exceed three per day.

SECTION 15. Extra Time: Drivers shall be compensated for extra time worked outside of the normal daily schedule. Such extra time includes, but is not limited to, parent calls and conferences, weather or road condition delays, bus breakdowns, training, mandatory meetings, and bus fueling. Drivers shall turn in requests for extra pay for such work.

SECTION 16. The Transportation Supervisor will provide an estimate of each position's length at the time of filling vacancies, as defined in Article VIII. Drivers must notify the Transportation Supervisor if they believe there is a discrepancy in the length of the position under normal conditions from the estimate provided by the Supervisor

The Transportation Supervisor may adjust a position length after reviewing the estimated position time. The Supervisor will notify the bus driver and union steward of any change. Any changes of thirty (30) minutes or more to the length of a position will result in rebidding of the position as defined in Article VIII.

In the event that a change of less than thirty (30) minutes to the length of a position results in a run that would entitle a driver to benefits, the position will be re-bid.

SECTION 17. A. When all runs come up for bid (once every four years), the Transportation Supervisor will create bus driver positions. For the purpose of creating bus driver positions under this provision, the following parameters will be used:

1. Each position will consist of a package of bus runs determined by the Transportation Supervisor. Drivers will bid for packages by seniority.
2. Each position will state the estimated number of normal daily work hours for that position (5 hour position, etc).
3. There will be at least the same number of bus driver positions eligible for benefits that were in place on October 1, 2008. Twenty-three (23) bus drivers were eligible for benefits on October 1, 2008.
4. Eligibility for benefits is based on the number of normal daily work hours for a bus driver. The assignment of mid-day routes is considered in the computation of normal daily work hours.

B. The creation of bus driver positions in #1 above will complete the bid meeting. Once all positions have been filled, the Transportation Supervisor will start bus drivers in their new positions as deemed appropriate to minimize disruption and confusion for students, parents, and staff.

C. Bus driver positions will not be bid every year. The process of bidding runs will take place every four (4) years, starting in the 2009/2010 year. A bid meeting will be held no later than September 25 of each bid year, and transition of drivers to their new positions will begin as outlined in #2 above on October 5 of each bid year, to be completed by November 1 of each bid year. Bus drivers will be allowed to change positions only as the result of a bid meeting held due to a vacancy as outlined in the Master Agreement, Article VIII (Job Vacancies and Promotions) or as otherwise stated in Article VIII.

- D. Late start High School runs will be bid every year by seniority. If a late start run goes unfilled, the District reserves the right to assign a regular or substitute driver to do the late start run. This run may be added to and/or packaged with an existing run at some time in the future at the discretion of the Transportation Supervisor.
- E. Mid-day runs will be bid every year. These consist of morning Mid-day take-home, afternoon Mid-day pick-up, and afternoon Mid-day take-home runs. A driver may not select a Mid-day run that will conflict with their regular runs.
- F. On an annual basis, the Transportation Supervisor will assign the bus deemed appropriate for each bus route package.
- G. The Transportation Supervisor may make changes to bus driver positions which may include, but are not limited to, increasing or decreasing the length of bus runs, dealing with bus run overloads or other ridership issues, adding or removing students from bus runs, and increasing or decreasing the number of bus stops. A permanent cumulative record of any and all changes increasing or decreasing the length of a bus driver package shall be maintained by the Transportation Supervisor and the Union/Association shall be notified at the time the change occurs. Any changes made that results in an overall increase or decrease in the normal daily work hours of a bus driver package by thirty (30) minutes or more over the duration of the four (4) year assignment, based upon the original 4 year bid pick, will result in the re-bidding of the entire position.
- H. New bus runs may be created in the future, based on the needs of the department. Whenever possible, new bus runs will be added to existing bus driver positions. If the addition of bus runs to an existing position results in an increase of 30 minutes per day to the position, the position shall be re-bid.
- I. The provisions of Article IX Section 4 of the Master Agreement (Reduction in Personnel, Layoff, and Recall) shall apply to bus driver positions where a bus driver whose position has been eliminated due to a reduction in work force or who has been affected by a layoff shall have the right to take any available vacancy or to take the position of a less senior bus driver.

- J. Transportation assignments which involve transporting out of District homeless student(s) shall not be considered as regular runs. The Transportation Supervisor reserves the right within his/her discretion to select the driver from the current seniority register, including sub-drivers, best suited to fulfill the assignment.

When it is known that the homeless transportation assignment will be 30 days or more, other interested bus drivers will be given consideration based on seniority and their ability to perform the assignment without substantially altering their regular daily driving assignment.

Transportation may vary on A.M. pick-up and P.M. drop-off assignments.

## ARTICLE XVI - DISPATCHERS

- SECTION 1. A. The positions of Full-Time Dispatcher and Part-Time Dispatcher shall be posted. The Employer shall establish qualifications for the dispatcher position. The parties understand and agree that the skills needed to be successful as a dispatcher are not necessarily the same as those needed to be successful as a bus driver. Therefore, seniority in the unit will be considered but shall not be the controlling factor in hiring of dispatchers. The Employer shall list the necessary qualifications on the job postings and shall hire the person(s) who it feels best meet those qualifications.
- B. Full-Time Dispatcher: This will be posted as an eight hour position and will be eligible for full fringe benefits. If the person who is hired for this position comes from within the bus driver unit, he/she shall begin to accrue dispatcher seniority from the first day worked as a dispatcher (retroactively) and shall continue to accrue driver seniority. If the person who is hired for this position comes from outside of the bus driver unit, he/she shall begin to accrue dispatcher seniority from the first day worked as a dispatcher and shall not accrue driver seniority. Overtime (e.g. field trips, weekend extra trips) may be allowed at the discretion of the supervisor and according to established procedures.
- C. Part-Time Dispatcher: This will be posted as a part-time position (less than 8 hours per day). The person hired for this position may elect to do bus driver runs if he/she is qualified to drive a school bus and based on his/her driver seniority as long as these runs do not qualify him/her for overtime. Overtime may be allowed at the discretion of the supervisor and according to established procedures.

The part-time dispatcher shall begin to accrue dispatcher seniority effective the first day worked as a dispatcher. The part-time dispatcher shall accrue 2 years of driver seniority for any school year in which he/she drives at least one run on at least ninety-two (92) school days.

D. Payrates: Dispatcher pay rates can be found in Appendix A. Experience as a dispatcher in the district shall be granted for placement on the pay schedule. Outside experience as a dispatcher may be granted for placement on the pay schedule at the discretion of the Employer.

SECTION 2. Thirty (30) work day trial period: If a dispatcher is hired from within the bus driver unit, he/she shall be given a thirty (30) work day trial period in which to show his/her ability to perform on the new job. Bus driver seniority will continue to accrue at a full-time rate during this time. The Employer shall give the employee reasonable assistance to enable him/her to perform up the Employer's standards on the job. The employee shall be paid at the appropriate dispatcher experience step during the trial period.

If the employee is unable to demonstrate ability to perform the work required during this trial period, or at the option of the affected employee, the employee shall be returned to his/her previous assignment.

Dispatchers hired from outside the bus driver unit shall be considered probationary as defined in Article VII, Section 1 of the master agreement.

## ARTICLE XVII - COOKS

SECTION 1. Catering shall be according to the following:

- A. Pay for catering activities shall be equal to the Cook's regular pay rate on the Appendix A salary scale.
- B. Voluntary - all catering shall be voluntary.
- C. Rotated - high seniority, low hours.
- D. A catering leader will be assigned for each catering activity from the group of head cook and qualified substitute head cook employees.
- E. Catering leader is responsible to see that all food is prepared, and that food and equipment is returned, put away and all areas cleaned up.
- F. Catering will not reduce the number of hours of the regular food service work.
- G. When an outside caterer is used, it is not considered a catering activity. A regular cook will be used to supervise.
- H. General description of catering will usually include:
  - 1. Food Preparation
  - 2. Serving
  - 3. Cleanup

SECTION 2. Meals per hour (MPH) shall be computed for each building on a monthly basis by the Food Service Supervisor and distributed to all head cooks. The formula for upcoming meals per hour shall be determined as follows:

MPH = number of meals/meal equivalents served  
divided by the number of serving days for the month,  
further divided by the number of scheduled building  
staff hours per day.

The number of meals/meal equivalents shall be equal to the sum of the number of reimbursable lunch meals served, the number of reimbursable breakfast meals (as defined in Section 3 below), the number of a la carte meal equivalents (using the annual state meal

equivalent factor), the number of adult meals (using the annual state meal equivalent factor), and the number of earned meals served.

If the number of meals per hour per cook goes to 22 to 1 for ten (10) days or more, that building shall get at least one extra hour of work per day, for a regular non head cook, for one (1) month (twenty (20) work days). If the ratio stays up, the extra hour will be continued; if the ratio goes down, the extra hour may be reduced.

If additional time is needed at a building on a day where increased conventional preparation time is needed for specific menu offerings, additional time shall be granted, if mutually agreed upon between the building head cook and the Food Service Supervisor.

This ratio will be reviewed and evaluated and brought back to CMC at the end of the first and second semesters.

The ratio numbers will be provided to CMC on a regular basis.

SECTION 3. Every 2 breakfasts will count as 1 meal for the MPH formula under current Federal guidelines.

SECTION 4. Education Guidelines for Prospective Head Cooks:

All interested persons desiring to become a head cook must be ServSafe certified. Such personnel shall provide a letter of interest to the Food Service Supervisor.

The food service program will pay for the classes for certification.

SECTION 5. Employees may be required to work on half days or non-student days for cleaning and/or training purposes.

SECTION 6. No one other than cooks can use the kitchen except as provided for in administrative guidelines.

SECTION 7. Beginning with the 2007/2008 year, Davison Community Schools will provide a free adult meal from the cafeteria for all (five) 5 to (seven) 7 hour cooks and day head custodians and maintenance personnel.

## **CLASS FULFILLMENT REQUIREMENTS FOR FOOD SERVICE PERSONNEL**

1. All cooks are required to successfully complete courses in Sanitation & Safety and School Food Service Basics within the first year of employment.
2. Head cooks, cooks who work four (4) or more hours per day, and prospective head cooks shall be ServSafe certified within one year of meeting one of these classifications.
3. Sanitation & Safety and School Food Service Basics must be repeated every 3 years. The Food Service Supervisor may require a cook to complete any course due to changes in course content, regulations, or employee concerns.
4. An employee will be paid for hours that he/she attends each required course for his/her current classification at his/her hourly rate. Payment shall be made upon completion of each course.

If any employee does not pass a course, the employer will inquire if the employee wants to retain employment and the employee will have the opportunity to freely and voluntarily choose to do so. If the employee chooses to retain employment, he/she will pay any and all fees associated with passing the course.

5. Classes may be taken at GISD or any place in the state of Michigan where they are offered.
6. The Food Service Supervisor may extend the deadline for course requirements in the case of any emergency at his/her discretion.

## **ARTICLE XVIII - RATES OF PAY**

- SECTION 1. Rates of pay for each classification shall be set forth in Appendix A attached hereto and made a part hereof. Appendix A is subject to the unemployment compensation provisions of Article XV, Section 10.
- SECTION 2. When a new job is created which cannot properly be placed in an existing classification, the Employer, upon determining the qualifications and duties thereof, shall post the same upon the bulletin board and establish a rate thereof. If the Union desires to negotiate concerning the rate so established, it shall notify the Employer of that fact within five (5) working days after such posting, and the parties will arrange a meeting on the matter; otherwise, the rate shall become permanent for the duration of this Agreement.
- SECTION 3. Whenever an employee is required by the Employer to work in a higher rated classification within the bargaining unit, compensation will be paid for all hours worked in such capacity at the starting rate of the higher classification unless his own rate exceeds such starting rate, in which case he will be paid at the rate in the higher classification which is next higher than his own rate.

## **ARTICLE XIX - MISCELLANEOUS**

- SECTION 1.** Summer Jobs: The Employer will notify the local president or other person designated by the Union as to the existence of all summer job openings on non-professional work, but the awarding of non-bargaining unit work will not be subject to the grievance procedure. However, preference will be given to unit employees as to all extra custodial work during the summer. The employer is not required to offer employment if doing so would increase the employees' average weekly wage above thirty (30) hours per week.
- SECTION 2.** Supplemental Agreements: The parties acknowledge that during negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees, that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge and contemplation of either or both of the parties at the time they negotiated or signed this Agreement. Provided, however, that if the parties shall hereafter mutually agree to vary this Agreement it may be done by a supplemental written agreement, subject to ratification by the parties.
- SECTION 3.** The Agreement shall be posted on the District website within thirty (30) days after it is signed. The union or employees may request hard copies of the agreement.
- SECTION 4.** Employees shall not be responsible for the discipline or supervision of detention students.
- SECTION 5.** Each employee and his/her spouse is entitled to one (1) pass to all home athletic contests.
- SECTION 6.** Use of Alcohol/Controlled Substances and Treatment: The use of intoxicating liquors or controlled substances during working hours, drinking alcoholic beverages or using controlled substances on school property, or being under the influence of intoxicants or controlled substances on school property or during working hours is strictly forbidden. Controlled substances are those set forth in the Michigan Controlled Substances Act and are commonly called illegal

or street drugs. These include, but are not limited to, cocaine, marijuana, and heroin.

Failure to comply with these regulations shall subject the employee to penalty of indefinite suspension or dismissal from the employment of the Board of Education. The Board, however, may choose not to suspend or dismiss if the employee becomes involved in a program designed to correct substance abuse.

SECTION 7. At the beginning of each school year, custodians, within their own buildings, may select by virtue of seniority, the areas in which they will work. The size and the locations of these areas will be equitable, and be determined by the Building Principal after consultation with the Head Custodian of the building. The Building Principal, again with consultation with the Head Custodian, may make changes in assignments when deemed necessary.

SECTION 8. The Employer shall provide for each building approved first aid kits and protective eye shields as needed.

SECTION 9. Inservice Training: Two (2) bargaining unit members from each of the three (3) departments and such administrators as the Board may designate will jointly meet to discuss possible inservice programs which may be beneficial to the employees and the school district.

SECTION 10. Custodial Evaluations:

- A. Custodians shall be evaluated once each year. This does not include the probationary evaluations.
- B. All evaluations shall be upon the official form approved by the Board of Education.
- C. The evaluation shall be conducted by the building principal or his/her designee.
- D. A copy of the evaluation shall be given to the employee who may, within five (5) working days hereafter, respond to the evaluation in writing. Such response will be attached to the evaluation in his/her personnel file.

SECTION 11. Snow/Emergency Days:

- A. Custodians and maintenance staff are expected to report to work for their regularly scheduled shift on snow/emergency days. Custodians and maintenance staff will be paid their regular hourly wage. Custodians and maintenance staff will be

paid time and one half for additional hours beyond their regularly scheduled shift.

- B. Bus drivers and cooks are not expected to report to work on snow/emergency days but are required to report if called in by their supervisor. If required to report, the employee will be notified by their supervisor prior to their report time. Employees cannot be required to report to work on snow/emergency days if not notified prior to their normal scheduled report time.
- C. Bus drivers and cooks will not be paid on snow/emergency days unless they are called into work. If called into work, bus drivers and cooks will only be paid for the hours they actually work. Cooks will be paid their regular hourly rate if called into work on a snow/emergency day. Bus drivers will be paid the extra run rate if called into work on a snow/emergency day.
- D. If school is cancelled, cooks and bus drivers will be notified at least 30 minutes prior to their report time. If the employee is not notified at least 30 minutes prior to his/her report time, and he/she reports to work, he/she will receive a minimum of one hours pay. "Notification" will be defined as an email and/or text alert. It is the employees' responsibility to ensure that the district has updated contact information, including a reliable cell phone number and/or email for notification purposes and employees will need to sign up to receive District emails and text alerts.

SECTION 12. Emergency Financial Manager:

An emergency manager appointed under the Local Financial Stability and Choice Act is authorized to reject, modify, or terminate this Agreement as provided in the Local Financial Stability and Choice Act, 2012 Public Act 436.

## **ARTICLE XX - SAVINGS CLAUSE**

**SECTION 1.** If any article or section of this contract or if any riders thereto should be held invalid by operation of law, or by a tribunal of competent jurisdiction, or if compliance with, or enforcement of, any article or section should be restrained by such tribunal pending a final determination as to its validity, the remainder of this contract, or the application of such article or section to persons or circumstances other than those as to which it has been held invalid, or as to which compliance with it, or enforcement of it, has been restrained, shall not be affected thereby. In the event that any article or section is held invalid, or enforcement thereof, or compliance therewith, has been restrained, as above set forth, the parties affected thereby shall enter into immediate collective bargaining negotiations, upon the request of the Union, for the purpose of arriving at a mutually satisfactory replacement for such article or section during the period of invalidity or restraint.

**ARTICLE XXI - DURATION OF AGREEMENT**

SECTION 1. This Agreement shall be effective as of the 1<sup>st</sup> day of July 2018, and shall continue in full force and through the 30<sup>th</sup> day of June 2020. Negotiations between the parties shall begin at least sixty (60) days prior to the contract expiration date. If, pursuant to such negotiations, an agreement on the renewal or modification is not reached prior to the expiration date, this Agreement shall expire at such expiration date unless it is extended by mutual agreement of the parties.

3. Employees, immediate supervisors/administrators, and building representatives are expected to share their problems and concerns at the program/building level or with the appropriate administrator so that the problem or concern can be researched, discussed, and resolved at the lowest possible level.

## 8. MEETING STRUCTURE

The group will be seated so all members can see each other. Seating will not be by teams. Meeting times will include both day session and afternoon/evening sessions.

Meeting dates and times will be set for 3 meetings. Tentative completion date is prior to opening of school.

The facilitator will announce a break upon request or at his or her discretion.

## 9. SPEAKING

Group members will speak at will; however, the facilitator may require that group members be recognized by the facilitator before speaking. Group members will try not to interrupt each other.

## 10. PROBLEMS

Use a Davison Problem Statement Form. See Appendix A.

On the first day of bargaining, all problem topics will be listed and briefly described and will be presented on problem statement forms.

The parties will use the following categories for issues:

1. Mutual issues (wages, fringe benefits)
2. Issues which must be decided in contract bargaining
3. Issues which can be deferred to CMC
4. Issues which can be sent to subcommittee
5. Editing not counted as issues

Editing will be presented first, if possible, and the group will decide whether any need to be counted as issues. The two sides will alternate presenting problems for discussion and decision-making.

All problems presented will be accepted by the group as a problem for discussion and decision-making.

The contract will stay the same except where it is changed by consensus of the group and ratified.

The group will decide which issues will be handled in contract bargaining, which in CMC, which in subcommittees, which to other forums.

11. CONTRACT MANAGEMENT COMMITTEE

The contract management committee will be continued for the purpose of discussing ongoing problems and issues, and implementing the contract.

13. CAUCUS

Either side may caucus for 15 minutes, or as mutually agreed upon. The topic(s) to be discussed will be announced before the caucus. A summary of the caucus will be announced at the end of the caucus. The parties will make an effort to limit the number of caucuses.

14. COMMUNICATIONS OUTSIDE THIS GROUP

Any press releases will be sent by consensus of the group. Officials from CFMT and the Board may respond in general terms to press inquiries, but issues on the table will not be discussed except by consensus.

At the end of each meeting, the whole group will discuss what will be disseminated and then each team will decide what that team will disseminate to their constituencies.

15. CONFIDENTIALITY

Any request for confidentiality will be considered by the group and decided on by consensus.

Facts and opinions expressed in the group will not be related outside the group with the person's name attached, except by permission of that person. All members agree that sensitive information and opinions will be treated discreetly.

16. DEBRIEFING

Ten (10) minutes of each meeting shall be reserved for debriefing.

Anyone may speak for up to one (1) minute; anyone may pass; no one will respond to any comment made except by consent of the group. Anyone who passes can request to speak at the end.
