AGREEMENT

This Agreement is entered into this fifteenth day of August, 2009, between the Board of Education of the Clio Area School District, 18 fractional of Genesee and Saginaw Counties, hereinafter referred to as the “Board” and Local Union 1918, Chapter .21, affiliated with Council 25 of the American Federation of State, County and Municipal Employees (AFL-CIO) hereinafter referred to as the “Union”. The Signatories shall be the sole parties to this Agreement.

ARTICLE 1 RECOGNITION

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Board does hereby recognize the Union as the sole exclusive representative for the purpose of collective bargaining for the term of this Agreement of all Clio Area Transportation Employees employed by the Board: all bus drivers and mechanics employed by the Board but excluding all administrative, supervisory, certificated, professional, custodial, maintenance, food service, office clerical, substitute bus drivers and all others hired by the Board.

ARTICLE 2 UNION SECURITY & DUES CHECK-OFF

Section 1. It shall be a condition of continued employment that all employees of the Board covered by this Agreement shall become and remain members of the Union on or before the ninetieth (90th) day following the effective date of this Agreement or pay to the Union an equivalent to the dues of the Union for the duration of this Agreement.

Section 2. Employees hired, rehired or reinstated into the bargaining unit after the effective date of this Agreement shall be required as a condition of employment to become and remain members of the Union on or before the ninetieth (90th) day following the beginning of their employment in the bargaining unit or pay to the Union on or before the ninetieth (90th) day of their employment an amount equivalent to the dues of the Union for the duration of this Agreement. Employees shall be deemed to be members in

good standing of the Union within the meaning of this section if they are not more than thirty (30) days in arrears in payment of membership dues.

Section 3. An employee who shall tender the periodic dues or sum equivalent to dues, uniformly required as a condition of acquiring and retaining membership, shall be deemed to meet the condition of this Article.

Section 4. During the life of this Agreement and in accordance with the terms of the “Authorization for Payroll Deduction” form hereinafter set forth and to the extent the laws of the State of Michigan permit, the Board agrees to deduct Union membership dues levied in accordance with the Constitution and Bylaws of the Union or an amount equal to dues of Union membership from the pay of each employee who has executed an “Authorization for Payroll Deduction” form. An official dues check-off form will be exhibit #1 of this Agreement.

Section 5. Dues shall be deducted from the second pay of the month and shall be remitted to the treasurer of the Local Union within ten (10) days thereafter with a list of the employees from whom dues have been deducted. The Union agrees to inform the Board of the name and address of the treasurer of the Local Union.

Section 6. The Board shall not be required to make any deductions for dues if the employee’s pay is not sufficient to cover the amount in any pay period.

Section 7. The Union agrees to **indemnify** and save the Board harmless from any and all liability that may arise in consequence of application of this Article.

ARTICLE 3 CONTINUITY OF OPERATION

The Union and the Board recognizes that strikes and other forms of work stoppages by the employees are contrary to law and public policy. The Union and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program. The Union agrees that its officers, representatives and members shall not authorize, instigate, cause, aid, encourage, ratify or condone, nor shall any employee take part in any strike, slowdown or stoppage of

work, boycott, picketing or other interruption of activities in the school system during the term of this Agreement. (Failure or refusal on the part of any employee to comply with this, the provision of this Article, shall be cause for whatever reasonable disciplinary action is deemed necessary by the Board.)

ARTICLE 4 BOARD RIGHTS

- A. The Board, on its own behalf and on the behalf of the district, hereby retain and reserve unto itself without limitation all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Michigan and of the United States of America, including but not without limiting, the generality of the foregoing, the right:
1. To the executive management and administrative control of the school system, its properties and facilities, and the activities of its employees.
 2. To hire all employees and subject to the provision of law determine their qualifications and the conditions for their dismissal or demotion, and to promote and transfer all such employees.
 3. To determine bus schedules and routes, the hours of such schedules and routes, and the duties and responsibilities and assignments of employees with respect thereto.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewithin shall be subject to the provisions of Public Act 379 of 1965 and the specific provision hereof are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States of America.

ARTICLE 5
GRIEVANCE PROCEDURE

A. Definition:

1. A grievance shall mean complaint by an employee or the employer on the interpretation of a specific provision of this Agreement, except that the term “grievance” shall not apply to any matter as to which method or review is prescribed by law.
2. As used in this Article, the term “employee” may mean a group of employees having the same grievance. The term “employer” in this Article shall mean any supervisor working for the Board of Education or any member of the Board of Education.
3. The primary purpose of the procedure set forth in this Article is to secure at the lowest possible level equitable solutions to the problem that may arise relative to the application or operation of this Agreement.
4. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at any level of these procedures. Nothing contained herein shall be constructed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration.
 - a. The Board supply simplified grievance forms to the Union.
 - b. The Board will use written reprimands for formal reproof with a copy to the employee and, upon employee’s request, an extra copy to the Union.
5. The following grievance procedure affords the sole and exclusive remedy for complaints and grievances under this Agreement.
6. Failure of an aggrieved part to appeal a decision at any level within the specified time limits herein set forth shall be deemed as evidence of acceptance of the decision reached at that level.
7. The term “days” when used in this Article shall mean working days, exclusive of holidays, Saturdays and Sundays.

8. All grievance meetings will be scheduled outside the normal working hours of the employee, unless approved by the Board.

B. Procedure:

1. An employee having a grievance shall first discuss the matter informally, fully and frankly, with his/her immediate supervisor within five (5) days of when the employee became aware of the act or condition giving rise to the grievance.
2. If the grievance is not settled orally, it should be reduced to writing and presented to the employee's immediate supervisor within five (5) working days of the act or condition that caused the grievance. **The written grievance must cite the specific provision(s) of the contract that were violated, the remedy requested, and must be signed by the aggrieved employee and a Union Representative. The employer is not required to process grievances that fail to cite specific contract provisions, or that include language that does not limit the scope of the grievance to specific provisions.**
3. The employee's immediate supervisor will answer the grievance within five (5) working days from the date it was filed in writing unless extended by mutual agreement in writing.
4. Unless appealed in writing to the next step within five (5) working days, such answer shall be final.
5. If appealed, the grievance shall be presented to the superintendent or his designated representative who will arrange for a conference with the employee and/or the Union representative in an attempt to settle the grievance.
6. Said conference shall be held within ten (10) working days from the date of receipt of appeal and will be scheduled at a time mutually agreeable to the parties.
7. The superintendent or his designated representative shall answer such grievance in writing within five (5) working days from the date of the conference unless extended by mutual agreement in writing.

8. Any appeal of a decision rendered by the superintendent shall be presented to the Personnel Committee within five (5) working days from the date of the decision by the superintendent or his designated representative. The appeal shall be in writing and shall state the reason or reasons why the decision of the superintendent or his designated representative was not satisfactory.
9. Such grievance shall be placed on the agenda of a regular Personnel Committee meeting scheduled within a period of twenty (20) working days from the date or receipt of the appeal and the representatives of the Union shall be advised in writing as of the time and place of this meeting.
10. The Personnel Committee or its designated representative shall answer such grievance in writing within five (5) working days from the date of conference unless extended by mutual agreement and be placed on the agenda of the next regular board meeting. The decision of the Board shall be final and binding.
11. Such answer shall be final and binding unless appealed to the next step within ten (10) working days from the date of the decision.
12. a. If the grievance remains unresolved after the Board has rendered its decision, it may be submitted for binding arbitration if the request for submission to arbitration is delivered to the Board within ten (10) calendar days from the date of the Board's (or committee thereof) written decision. Within ten (10) days after the date of the written request for arbitration, the Board or its designated representative and the Union or its designated representative may agree upon a mutually acceptable arbitrator.

If the parties are unable to agree upon an arbitrator within the time period set forth herein, the party seeking arbitration shall file a request with the American Arbitrator Association or the Federal Mediation and Coalition Service to submit a list of qualified arbitrators. The request to the American Arbitrator Association

must be within thirty (30) days after the expiration of the ten (10) day period for the parties to mutually agree to an arbitrator. The arbitrator shall then be selected according to the rules of the American Arbitration Association. The case shall be heard and presented in accordance with the rules of the American Arbitration Association.

- b. S/He shall have no power to establish salary scales or change any salary.
- c. S/He shall have no power to rule on the termination of services or failure to re-employ any probationary appeal except for legal Union activities.

13. The Agreement constitutes a contract between the parties, which shall be interpreted and applied by the parties and by the arbitrator in the same manner as other collective bargaining agreements. The function and purpose of the arbitrator is to determine disputed interpretations of terms actually found in the Agreement, or to determine disrupted facts upon which the application of the Agreement depends. The arbitrator shall therefore not have authority, nor shall s/he consider his/her function to include the decision of any issue not submitted or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The arbitrator shall not give any decision which in practice or actual effect modifies, revises, detracts from, or adds to any of the terms or provisions of this Agreement. Past practice in interpreting or applying terms of the Agreement can be relevant evidence, but may not be used so as to justify or result in what is in effect a modification (whether by addition or deletion) of written terms of this Agreement. The arbitrator has no obligation or function to render a decision or not to render a decision merely because in his/her opinion such decision is fair or equitable.
14. If either party shall claim before the arbitrator that a particular grievance fails to meet the tests of arbitrability, as the same are set forth in this Article (Grievance Procedure) the arbitrator shall proceed to decide such issue before proceeding to hear the case upon the

merits. The arbitrator shall have the authority to determine whether s/he will hear the case on its merits at the same hearing in which the jurisdictional question is presented. In any case where the arbitrator determines that such grievance fails to meet said test of arbitrability, s/he shall refer the case back to the parties without a recommendation on the matter.

15. Unless expressly agreed to by the parties in writing, the arbitrator is limited to hearing one grievance including its arbitrability at any one hearing, upon its merits.
16. The arbitrators may make such investigation as they deem proper and may, at their option, hold a public hearing and examine all such witnesses and to make record of all such proceedings. Within thirty (30) days after the close of the hearing or the date established for filing post hearing briefs, if so desired by either party, the Board of Arbitration shall issue their decision, which shall be final and binding.
17. The fees and expenses of the arbitrator shall be shared equally by the parties.
18. At the arbitrator's level, neither party shall present any new defense/issue not previously raised.

ARTICLE 6 DISCIPLINE AND DISCHARGE

- A. The discipline, suspension or discharge of any probationary employee, except for Union activity, shall not be covered by this Article and shall not be the subject of a grievance.
- B. The discharged or disciplined employee will be allowed to discuss their discharge or discipline with their steward, and the Board will make available an area where they may do so before they are required to leave the property of the Board. The employees shall be on their own time during said discussion. Upon request, the Board or their designated representative will discuss the discharge or discipline with the employee and the steward.

- C. The supervisor will make available an area where the employee may discuss the discipline, suspension or discharge with his/her steward/officer before s/he is required to leave the premises, except for unusual circumstances.
- D. Upon request, the supervisor will discuss the discipline, suspension or discharge with the employee and/or the steward/officer.
- E. If the employee feels that the discipline, suspension or discharge is improper, s/he may file a grievance in accordance with the grievance procedure.
- F. In imposing discipline, suspension or discharge, the Board will follow the principle of progressive procedure; i.e. oral reprimand, written reprimand, suspension, discharge, except for those violations that justify immediate discharge, such as but not necessarily limited to, drinking intoxicating beverages on or in relation to his/her job, under the influence of alcohol or drugs, gross misconduct and revocation of license. Any such action may be made subject to the grievance procedure. (All discipline will be imposed even-handedly and without discrimination.) Employees shall be disciplined, suspended or discharged for just cause only.
- G. Disciplinary action will be presented to the employee in a manner which will be the least disruptive of normal school operations.
- H. In the interest of the safety of students and equipment, all bus drivers pledge that they will assume responsibility to promptly report all violations or other infractions of rules and regulations to the transportation supervisor and/or other administrator(s).

ARTICLE 7 REPRESENTATION

- A. The Union shall be represented by the committee of three (3) stewards and the chapter chairperson. The designated stewards and chapter chairperson shall represent all employees.
- B. Meetings between the representative of the Board and representatives defined in paragraph "A" above shall be scheduled at a time and place to be mutually agreed upon.

- C. The Union will furnish the Board with names of its officers, stewards and alternates and such changes as may occur from time in such personnel.

**ARTICLE 8
SPECIAL CONFERENCE**

- A. Upon request of either party, special conferences for important matters shall be arranged at a mutually agreed upon time between the Union and the Employer. The conference shall pertain to the issues presented in writing prior to the meeting date.
- B. If the Employer requests a conference during an employee's regularly scheduled run, the employee shall be paid for lost time.
- C. Meetings called by the administration, at which attendance is required, the employees shall receive their regular rate of pay.

**ARTICLE 9
SENIORITY**

- A. Employees hired by the Board will be considered as probationary employees until they have worked or received pay for ninety (90) working days. The date of hire by the Board shall be the employee's seniority date. In the event that employees' dates of hire are the same, the last four (4) digits of their social security numbers shall determine their ranking on the seniority list (highest first, lowest last).
- B. When an employee acquires seniority, his/her name shall be placed on the appropriate classification seniority list. Up-to-date seniority lists will be made available to all employees for their inspection by posting where practical (bulletin board) or by a satisfactory equivalent method. A copy of an up-to-date seniority list shall be furnished to the Union two (2) weeks prior to the start of each school year. All additions or deletions to the seniority list during the school year will be given to the Union. Employees will acquire seniority only in their job classification of driver or mechanic.

- C. Employee's seniority will continue and the employee shall hold all seniority rights except when s/he voluntarily resigns or is discharged and the discharge is not reversed.
- D. In the event of a layoff or a reduction in the work force, probationary employees and substitute employees who are filling in for a regular employee on a leave of absence shall be laid off prior to the layoff of any regular seniority employee, providing that the seniority employee is available and has the ability to perform the work required.

Recalls from layoff shall be in the reverse order of layoff, provided that the recalled employee has the ability to perform the work required and is available to perform the work required. An employee with more than two (2) years of seniority who is laid off for a period of time equal to his/her seniority shall lose all rights to recall and shall be terminated from employment. A laid off employee with less than two (2) years of seniority shall retain his/her seniority for a maximum of two (2) years, at which time s/he shall lose all rights to recall and shall be terminated from employment.

ARTICLE 10
RUN SELECTION – RUN VACANCIES – RUN CHANGES – TRANSFERS

- A. Prior to the start of each school year, following the signing of this Agreement, it shall be the responsibility of the Board to establish bus runs for the school year and assign these runs to time slots which shall be presented to the drivers at the special meeting at least one (1) week prior to the start of the school year. The specific day will be established and drivers notified prior to the end of each school year. Drivers shall receive one (1) hour's pay at regular rate for time spent on specific bid day and one (1) hour's pay for mapping on bid day.
- B. Drivers shall retain their runs from year to year. Runs shall be selected by the drivers in seniority order to become their package. The choice of runs is defined as:
 - **High School:** (Drivers must select both morning and afternoon runs)
 - Morning pick up
 - Afternoon take home

- ❑ **Middle School:** (Drivers must select both morning and afternoon runs)

- Morning pick up
- Afternoon take home

- ❑ **Elementary:** (Drivers must select both morning and afternoon runs)

- Morning pick up
- Afternoon take home

- ❑ **Shuttles**

A shuttle run is a run that takes students either to or from one school to another school for purposes of getting students to or from their educational program. All shuttles will be timed at .4.

- ❑ **Kindergartens**

- Kindergarten pick up (AM)
- Kindergarten take home (PM)
- Early Childhood Program

- ❑ **Extra**

Any runs, other than those listed above that come up during the school year. Extra runs not to be retained from year to year.

Kindergarten runs will be rebid each year. A package of runs must be forty (40) hours or less per week of driving times. A package of runs will not contain runs that have conflicts or do not provide adequate time to safely get from one run to another.

- C. The process for bidding at run selection time when a run(s) has been eliminated, split or combined will be:

1. If a driver has a run eliminated, the driver may bump the lowest seniority driver with a run in that time slot.
2. When a run has been split or combined, drivers will retain their runs according to seniority based on the **number** of miles remaining at their selection time, **then by seniority.**
3. An open run will be determined by the transportation supervisor and the Union based on the majority of miles of the driver's runs from the previous year of those who quit, retire

or drop a run. Open runs will be selected according to #1 and #2 above. Any runs that become open during the bidding process will be offered to drivers in seniority order on the bidding day. Drivers must be present during the bidding process to be eligible for any open runs.

- D. If a driver, after utilizing all options, cannot come within one (1) hour (less time) of his/her last year's package, s/he may elect to bump the lowest seniority driver's package that contains as close to the amount of time as was lost.
- E. The total driving time for each bus run shall be determined by averaging the driving time per run during the second and third weeks after the beginning of school. The driving time shall be computed from the time the bus driver leaves the bus service center and returns to the bus service center. In addition, seven (7) minutes shall be added to each bus run for various responsibilities connected with the operation of buses and maintenance of buses. Wages shall be computed to the next highest one-tenth (0.1) of an hour. The transportation supervisor is authorized to verify the accuracy of driving times for each bus run. When bus runs change more than **one-tenth (0.1)**, the average driving time for that bus run shall be recomputed. During the first week of school, drivers shall be paid at actual time spent. Any new runs that are created during the school year shall be timed for five (5) days. **The transportation supervisor may use GPS devices to check run times at any time during the course of the year. If the supervisor determines the actual run time is significantly different from the average run time computed, the supervisor may adjust the time accordingly. Employees who disagree with the change may request a five (5) day retiming period. Following the new timing, the supervisor will make the final decision with respect to run time.**
- F. If during the course of the school year a driver's regular runs are changed to the extent that the driver has lost one (1) hour or more per day, s/he may bump the lowest seniority driver's run/runs to fill his/her package but the time may not exceed forty (40) hours per week. If regular runs are bumped, the driver must be able to do the morning and afternoon runs. If an "extra run" ends

during the school year, no bumping to another run will be allowed. If a reposting is necessary for an extra run because of change, the original driver has first choice. Any extra runs that become available during the school year shall be posted subject to Article 10, Section H. If reposting becomes necessary for an extra run because of time changes, only that portion of the run that changes shall be posted. **Shuttle Runs and Extra Runs are not included in this section.**

- G. If a driver is unable to attend the annual run selection meeting prior to the start of the school year, s/he shall submit a written proxy to a Union officer, which shall permit the Union officer to select a run or a package of runs for the absent driver. If a driver fails to attend the annual run selection meeting and fails to provide a Union officer with a proxy, the absent driver shall be assigned a package of available runs by the transportation supervisor after all employees present have selected their runs and all other proxies have been processed. If a proxy is used, the proxy must set the map and will be paid one (1) hour for mapping.
- H. After the bidding of runs for the school year, any new runs that are created will be posted for three (3) days and filled within three (3) days, if possible. This includes any runs that became vacant due to registrations after the bidding period. If a run vacancy occurs between the bidding date and the opening of school, the three (3) days of posting will begin on the first day of school for students.
- I. In filling "H" above, the senior employee who desires to fill the job shall be given first consideration for transfer or promotion, providing s/he is qualified to do the job.
- J. An employee may exercise his/her prerogative to refuse an unwarranted transfer without bias or loss of seniority, at no cost to the district.
- K. Every effort shall be expended to retain full-time drivers for all routes. However, if a driver is unable to work his/her full regular schedule, adjustments will be made, if possible, following a discussion of these adjustments between the transportation supervisor and the Union.
- L. Drivers shall not be allowed to drop portions of their regular time in an attempt to add additional run(s).

ARTICLE 11 SUBSTITUTING

- A. The transportation supervisor will assign substitutes when selecting substitutes for absences called in to him prior to the day on which a substitute is needed. The supervisor will begin with

the most senior driver on the list and proceed down the list in seniority order when a driver refuses to sub.

- B. When the transportation supervisor is notified by a driver prior to 7:00 a.m. that a substitute is needed on the same day as the absence, the supervisor will utilize the sub list in seniority order for the filling of those runs. Any subbing assignments after 7:00 a.m. may be filled without regard to seniority.
- C. A daily sign-up sheet for subbing will be made available each morning for those drivers to indicate their availability to sub. The sheet must be signed by the drivers (no call-ins) and indicate: 1) their rank in seniority order, 2) what run/runs they are unable to do, and 3) a phone number at which they can be reached, if other than their home. Assignments for subbing will be given out in the order in which they were received. If a driver chooses not to sub on a particular run, that will be counted as a turndown. After three (3) turndowns, the transportation supervisor will not use them in seniority order.
- D. When a driver gives written notification that s/he will be unable to drive for ten (10) or more consecutive days, the supervisor will post the driver's runs for 24 hours. Drivers wishing to drop their scheduled runs, providing there is at least 0.2 per day of an hour more than their scheduled run, may do so providing the total driving time of all regular runs does not exceed eight (8) hours. Once a driver accepts to sub on an extended sub run, s/he shall remain on that run until the end of the school year or until the regular driver returns, whichever comes first. At this time only may drivers bump a lower seniority driver on an extended sub run.
- E. **Drivers** may substitute on days their programs are not scheduled. However, they may not bump a previously scheduled regular driver or a regular driver driving on a permanent sub run.

ARTICLE 12 EQUALIZATION OF FIELD TRIPS

- A. Field trips shall be equalized among the bargaining unit drivers. Field trip assignments shall be made based on a driver's accumulated field trip hours, with the driver with the lowest number of

said hours given the first opportunity. All drivers shall begin with zero (0) hours at the start of each school year. New drivers hired after the start of the school year will be given high hours for field trips.

B. A field trip is defined as any time students are transported by bus to an activity other than regular runs. Field trip hours shall be posted by 12:00 noon each day, Monday through Friday. Any field trip tickets turned in prior to 10:00 a.m., Monday through Friday, will be included on the day's hours posting. Field trips shall be assigned, according to hours, at 12:00 noon on the day prior to the trip. Assignments for field trips on Saturday, Sunday and Monday shall be made at 12:00 noon on Friday. Field trips will be numbered when posted and will be assigned in numbered order for that day.

C. Letter of Understanding to cover all field trips:

1. There will be a sign-up sheet for all field trips by seniority.
2. If a driver elects not to sign the field trip sheet then they will not have seniority for field trips that year.
3. If a field trip is not covered, the lowest seniority driver on the trip sheet will be assigned that trip and will not be charged the hours for that trip. The next uncovered trip will be assigned to the next highest seniority driver on a rotating basis.
4. If a driver is assigned to do an uncovered trip and elects not to do the trip, they will be taken off the trip sheet and will not have any seniority for trips for the remainder of the year.
5. If a driver is assigned to do an uncovered trip and wants to change with another driver, they may do so by mutual agreement with the supervisor.
6. Any sub driver who gets his/her ninety (90) days in during the school year and wants to sign the field trip sheet may do so. He/she will be placed next on the list for uncovered field trips. Drivers will have to take high hours on the field trip board.

D. If field trip tickets are cancelled, the following procedures shall apply:

1. One-half hour's pay shall be granted if a field trip ticket is cancelled after the field trip ticket is issued, providing the notice of cancellation is placed in the employee's mailbox at the bus compound or a notice is made with the driver at least one (1) hour prior to the scheduled field trip ticket. If less than one (1) hour's notice of cancellation is given, the employee shall receive two (2) hour's pay.
 2. If a field trip is cancelled after the bus driver has left the school district, the employee shall receive pay for the actual hours worked or a minimum of two (2) hours, whichever is greater.
- E. Pay for field trips shall begin at the time designated on the field trip ticket. Field trip tickets are to be issued at noon on the preceding workday and with field trips occurring on Saturday, Sunday and Monday shall be made at 12:00 noon on Friday. If a driver cancels after once accepting a trip ticket, s/he shall be charged with the hours of the trip and the administration shall have the right to select any replacement driver who shall not be charged with the hours of the trip. Any transfers of field trip tickets shall be by mutual agreement of the drivers involved and the transportation supervisor.
- F. Credit cards shall be provided to bus drivers for extended trips at the discretion of the transportation supervisor.
- G. All field trip tickets are to be returned to the Service Center office by 10:00 a.m. on the morning after the completion of a field trip, excluding holidays which will be turned in the next workday and weekends which will be turned in on Monday. Drivers with unreturned field trip tickets shall not be eligible for field trips until the tickets are turned in. The bus supervisor will attach name of stand-by person. In the event the stand-by person is not available, the driver must call the bus supervisor; if not available, the business manager.

**ARTICLE 13
REPORTING TIME**

- A. The bus driver will assume the responsibility for starting up and warming up their bus prior to the start of their run. **Warm up time shall not exceed ten (10) minutes.**
- B. Employees will notify the transportation supervisor on those days they are unable to work. Prior to the start of each school year, employees will be provided with a written administrative directive that will include the time and telephone numbers they are to use to notify the supervisor. The employee is to inform the supervisor as to the reason for his/her absence. If the absence may extend beyond one day, the employee is to inform the supervisor of the expected date of return.
