SECTION 1 — BASIC CONTRACT PROVISIONS

1.1 STATEMENT OF AGREEMENT

The Board of Education of the Bentley Community Schools, Genesee County, Michigan, hereinafter called the "Board" and Local 10 MEA/NEA, Bentley Unit, hereinafter called the "Association," in consideration of the mutual covenants herein, agree as follows

1.2 RECOGNITION

The Board hereby recognizes Local 10 MEA/NEA, Bentley Unit as the sole and exclusive bargaining representative for all full-time and regular part-time certified or professional employees under contract to the Board, including: classroom teachers, federally and/or categorically funded teachers, and special education teachers, long-term substitutes employed for ninety (90) continuous work days or more in the exact same position for the same teacher. However, this representation shall not include per diem substitutes, long-term substitutes employed for less than ninety (90) continuous work days in the exact same position, social workers, guidance counselors, speech pathologists, temporary employees, casual employees, aides, adult and community education instructors, superintendent, assistant superintendent, principals, business managers, supervisors, administrators, executive employees, clerical employees, and all other employees of the Board.

The term "Board" shall include all the officers and members of the Board of Education and its supervisory personnel. The term "Association" shall mean those teachers under contract to the Board of Education, as defined above.

The Board agrees not to negotiate with or recognize any teacher's organization other than the Association for the duration of this Agreement.

1.3 EXTENT OF AGREEMENT

A. Agreement Expiration

Not later than March 1 of the calendar year in which this Agreement expires, the Board and the Association agree to begin negotiations on a successor agreement in accordance with the procedure set forth herein.

B. Complete Commitment between the Parties

The parties mutually agree that the terms and conditions set forth in this Agreement represent the full and complete understanding and commitments between the parties hereto, which may be altered, added to, deleted from, or modified only through the voluntary mutual consent of the parties in the Agreement hereto. Any amendment shall become a part of this Agreement and shall be reduced to writing following the procedure in C below.

C. Amendments

The official form shall be used for any agreements between the Board and the Association (see SECTION VI, 6.3):

1. All Agreements between the Association and the Board shall be reduced to writing. No Agreement shall be binding unless it is in writing and signed by representatives of both parties.
2. All Agreements shall be subject to ratification and signed by two (2) representatives each from the Board and the Association.

D. Law Supersedes Agreement

If a law which is pertinent to this Agreement is changed or if any provision of this Agreement is held to be contrary to the law, then such provision shall be deemed valid only to the extent permitted by law; but all other provisions of this Agreement will continue in full force and effect.

E. Timeline for Re-negotiating Affected Provisions

The parties will meet not later than fourteen (14) calendar days after such holding for the purpose of renegotiating the provision or provisions affected.

F. Negotiations Procedures

Representatives of the Board and the Association negotiating teams will meet, in addition to negotiating sessions, for the purpose of reviewing administration of the Contract and to attempt to resolve problems that may arise, whenever necessary. These meetings are not intended to bypass the grievance procedure. An agenda for each meeting will be prepared in advance of each meeting.

G. Individual Contract of Employment

Any individual contract of employment between the Board and an individual teacher shall be subject to, and consistent with, the terms and conditions of the Agreement.
Sole Personnel Policy

This Agreement shall supersede any rules, regulations, or practices of the Board, which shall be contrary to or inconsistent with its terms. (This Agreement shall become the sole personnel policy between the Board of Education and the Association.)

H. Individual Teacher Contracts:

An individual contract offered to a teacher covered by this Agreement, shall be signed by said teacher, and returned to the Board within fourteen (14) calendar days of its issuance to be valid.

1.4 DURATION OF AGREEMENT

A. Expiration Date

This Agreement shall be effective as of 12:01 a.m. on July 1, 2021, and shall continue in effect until 12:00 midnight, June 30, 2023. If, pursuant to such negotiations, an agreement on the renewal or modification is not reached prior to the expiration date, this Agreement shall expire at such expiration date unless it is extended for a specific period or periods by mutual written agreement of the parties.

B. Board to Provide Copies of Agreement

This Agreement is available on the District website and shall be printed at the expense of the Board upon request. When an individual contract is offered, a copy of the current Agreement shall be given to each new teacher.

1.5 CONTINUITY OF OPERATIONS

Both parties recognize the desirability of continuous and uninterrupted operation of the entire school program during the school year and the avoidance of disputes, which threaten to interfere with such operations. Since the parties have established a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions. The Association accordingly agrees that it will not, directly or indirectly, engage in or assist in any strike against the Board, as said term is defined by the Public Employment Relations Act. Should the Association initiate any action, which constitutes a violation of the no-strike clause, the Board's remedy shall be that which law shall allow.

1.6 GRIEVANCE PROCEDURE

A. General

1. A claim that there has been a violation, misinterpretation or misapplication of any provision of this Agreement may be processed as a grievance as hereinafter provided.
2. The "grievant" is the person or persons making the claim. If, in the judgment of the Association, a grievance involves contract administration or affecting a group of teachers, the Association may initiate and process the grievance at any level up to and including the Superintendent's level.

B. Step 1 – Must Attempt to Resolve Grievances with Building Principal

In the event that the grievant believes there is a basis for a grievance; the grievant shall first discuss the alleged grievance with his/her Building Principal either personally or accompanied by his/her Association representative. Any written grievance must be initiated within twenty (20) school days of the alleged violation, misinterpretation, or misapplication, or within twenty (20) school days of the discovery thereof.

C. Step 2 – Initiation of Formal Grievance Procedure

If, as a result of the informal discussion with the Building Principal, an alleged grievance has not been resolved, the grievant may invoke this formal grievance procedure within ten (10) school days of the informal discussion, on the form provided, and shown in Section 6.2, copies of which shall be available in each building. A copy of the grievance form shall be delivered to the principal. If the grievance involves more than one (1) building, it shall be filed with the Superintendent or a representative designated by him/her.

D. Step 3 – Principal to Meet with Grievant

Within five (5) school days of receipt of the grievance, the Principal shall meet with the grievant or the grievant and a representative of the Association in an effort to resolve the grievance. The Principal shall indicate his/her disposition of the grievance, in writing, within five (5) school days of such meeting to the grievant, with a copy to the Association.

E. Step 4 – Superintendent to Meet with Grievant

If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) school days of such meeting, (or ten (10) school days from date of filing, whichever shall be later), the grievance shall be transmitted to the Superintendent. Within ten (10) school days, the Superintendent or his/her designee shall meet with the grievant or the grievant and a representative of the Association and shall indicate his/her disposition of the grievance, in writing, within five (5) school days of such meeting to the grievant, with a copy to the Association.

F. Step 5 – Board to Meet with Grievant

If the grievant is not satisfied with the disposition by the Superintendent, or if no disposition has been made within the period above provided, the grievance shall be submitted to the Board of Education. Within twelve (12) school days from receipt of the written referral, the Board shall meet with the grievant or the grievant and a

representative of the Association and render a decision within 10 school days of said meeting.

G. Step 6 – Initiate Arbitration

If the grievant is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within ten (10) school days of the meeting outlined in F above, the grievance may, within ten (10) school days, be forwarded to the American Arbitration Association, and the parties shall proceed under procedures of the American Arbitration Association until resolution.

The decision of the arbitrator shall be final and binding on both parties.

It shall be the function of the arbitrator, and he/she shall be empowered except as their powers are limited below, after due investigation, to make a decision in cases of alleged violation, misinterpretation or misapplication of the specific articles and sections of this Agreement, or to determine that they do not have jurisdiction over the issue. A decision shall be rendered within thirty (30) calendar days.

1. They shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
2. The Board and the Association shall share the fees and expenses of the arbitrator equally. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

H. Grievances Judged Accepted

Any grievance that is not referred to the next step in the grievance procedure within the time limits provided herein shall automatically be judged as accepted and shall not be the subject of another grievance.

I. Distinction between Grievance and Discipline or Termination

The grievance procedure shall not apply to the discipline or the termination of services of a teacher.

J. Grievance Time Limits

The time limits provided in this section shall be strictly observed, but may be extended by written agreement of both parties. In the event a grievance is filed after May 15 of any year, the time limits may be reduced by mutual agreement of both parties in order to effect a solution prior to the end of the school year or as soon thereafter as it is possible.

K. Grievances Processed via Grievance Procedure

Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.

L. Teacher Testimony at Arbitration

Paid leave shall be provided to any teacher called by the Board to testify at an arbitration hearing held during normal working hours. Leave shall be provided to an employee of the Board who is called by the Association to testify at an arbitration hearing that is held during the employee's normal working hours. The Association shall reimburse the cost of a substitute to the Board.

M. Adjustment to Grievance

Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having said grievance adjusted without intervention of the Association, providing such adjustment is not inconsistent with the terms of this Agreement and the Association has been given an opportunity to be present at such adjustment.

N. Expediting the Grievance Process

In the event that a grievance is filed that is of such a nature that expediency in resolution is imperative or the grievance is of such a nature that a resolution could not be achieved by following the normal procedures, the parties may, by mutual written consent, send the grievance directly to binding arbitration.

O. Protection of Students

Insofar as possible, the handling of all grievances under this section shall be done in a manner and at a time which will not embarrass, detract, inconvenience or penalize any student or group of students.

P. Process Shall Be Minimally Disruptive

It shall be the practice of all parties interested in the processing of a grievance to attempt to proceed during times which do not interfere with assigned duties.

SECTION 2 — EMPLOYMENT RELATIONS

2.1 ASSOCIATION RIGHTS AND RESPONSIBILITIES

Seniority, for the purpose of this Agreement, is defined as continuous years of active service with the bargaining unit, subject to the restrictions herein:

1. Seniority credit shall accumulate for any semester if one-half (1/2) or more of a semester is taught in a school year.
2. Teachers whose normal assignment is less than full time shall accrue full seniority for the year.
3. Teachers on paid leave of absence, such as, but not limited to, illness and/or disability, shall accumulate seniority credit during the period of such leave.
4. Teachers on a voluntary leave of absence shall not accumulate seniority credit during the period of voluntary leave.
5. Teachers on leave of absence that permits the teacher to accrue seniority can accrue a maximum of one (1) year of seniority credit.
6. All seniority is lost when employment is severed by resignation, retirement, and discharge for cause; however, seniority is retained if severance of employment is due to lay-off. In the cases of lay-off, teachers so affected shall retain all seniority accumulated as of the effective date of the lay-off. This provision is effective with the June 30, 1985 Seniority List, and is subject to provisions of 2.6, A.6, above.
7. Accumulated seniority for those teachers on lay-off shall be the number of years shown on the seniority list dated June 30 of each year and attached as Addendum E.

B. Seniority List

A seniority list shall be prepared by the Board and verified by the Association.

1. It is the individual employee's responsibility to notify the Superintendent's Office of any changes or anticipated changes in certification and/or endorsements. Such notice must be given prior to May 1 if to be used in making assignments from current seniority list, and appropriate documentation provided as soon as possible.
2. When two (2) or more employees have the same years of seniority, they will be ranked in order of their date of hire by the Board.

3. When two (2) or more employees have the same years of seniority and Board hire date, the individuals affected will participate in a drawing, when hired, to determine placement on the seniority list. The Association and teachers so affected will be notified, in writing, of the date, place, and time of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected teachers and Association representatives to be in attendance. The Association shall draw for any affected teacher not present.

C. Seniority List Contents

The seniority list will include 1.) years of seniority, 2.) Board hire date, 3.) type of certification, 4.) areas of certification, and 5.) current assignments. The seniority list shall be published and posted conspicuously in all buildings of the District by November 1 of each school year.
