14.4 Workers' Compensation

An employee may utilize accrued paid leave days if drawing Workers' Compensation. The employee will sign over Workers' Compensation checks to the district within ten (10) days of receipt. The employee will receive a check from the district based upon permanently scheduled hours. The difference in amounts will be charged to the employee's accrued leave days on a prorata basis.

If the employee has no accumulation or has exhausted his/her accumulation, the employee will no longer be required to sign over the checks.

14.5 Pay for Unused Leave Days

Employees who have served the Watersmeet School District for a minimum of ten (10) years shall, upon retirement or separation for other than cause, receive compensation for each unused leave day at the rate of \$3.00 per hour for each regularly scheduled hour per day for up to the maximum total days accumulated. An employee whose termination is upheld shall not be eligible for this benefit.

14.6 Child Care Leave

Upon written request to the superintendent, unpaid child care leave shall be granted for a period not to exceed one (1) year, pursuant to the provisions of the FMLA. The employee can return to work prior to the end of the approved leave time with notice of such intent given to the superintendent no less than ten (10) workdays before the date of return.

14.7 Other Unpaid Leaves

Employees interested in applying for other unpaid leaves of absence, not to exceed three (3) months, must submit a written application to the Superintendent which includes the requested beginning and ending date of the leave and the purpose for requesting the leave.

14.8 Approval of Unpaid Leaves

The right to grant or reject an unpaid leave request rests solely with the Board of Education, or should the Board elect, with the Superintendent. Upon written request, extensions may also be granted.

14.9 Benefits During Unpaid Leaves

Except where mandated by law, all benefits shall cease to be paid for an employee on unpaid leave. The employee will assume responsibility for any premium payments.

14.10 Return From Leave

For the purpose of this article, an employee returning to work from any leave shall be reinstated to the same, or equivalent (compensation) position held when the leave began. In the event the position has been eliminated, the employee may elect to use his/her seniority to fill a position in accordance with the layoff provisions of Article 14, Section 3.

During and after the second year of employment they will receive two (2) weeks; three (3) weeks during and after the eighth year; and four (4) weeks during and after the twelfth year.

15.2 Vacation Accumulation

Beginning in 1995-96, employees with regularly scheduled permanent annual job hours of 1400 to 1819, exclusive of overtime, shall be eligible for vacation after ten (10) years of service to the District. These employees shall receive vacation as follows:

17th year	56 hours
18th year	64 hours
19th year	72 hours
20th and further years	80 hours

15.3 Scheduling Requirements Vacation days must be taken when school is not in session. This requirement may be waived upon approval of the Superintendent.

15.4 Vacation Period

- b. A vacation may not be waived or accumulated by an employee and extra pay received for work during that period.

- c. If an employee becomes ill and is under the care of a duly licensed physician during this vacation, his/her vacation will be changed to and chargeable to sick leave and the vacation time will be rescheduled. In the event his/her incapacity continues through the year, he/she will be awarded payment in lieu of vacation. The Employer in such case may require a physician's certificate.
- d. When school is closed for deer season, all employees shall be allowed the days off. These days shall be deducted from the accrued vacation days. Employees with only one (1) week of vacation shall have these days deducted from personal leave days. In the event of school activities during this period, the employee normally scheduled for that day would report for work, at straight time, and the deduction from vacation or personal leave shall be reduced by the number of hours worked during the activity. The employee shall be required to report for work two (2) hours prior to the time of the activity.

15.5 Pay Advance
