The service fee shall not exceed the amount of association dues collected from Association members. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such service fee directly to the Association, or authorize payment through payroll deduction, the employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association. (See Article 14-A-5).
- E. If an employee is absent for three (3) consecutive working days without notifying their immediate supervisor, the Board shall send written notification to the employee at his last known address that his employment has been terminated. If the disposition made of any such case is not satisfactory to the employee, the matter may be referred to the grievance procedure.

- A. In November and May of each year the Board shall post on bulletin boards the complete seniority list of those employees covered by the bargaining unit. The list shall show the classification, employee name, length of continuous service with the Alma Public Schools and length of service in present classification.
- B. Seniority shall be measured from the original date of hire to a regular position (after probationary period has been completed). That date shall become the seniority date for each employee. In a case where two or more employees start to work on the same day, the date of application for employment shall establish priority of position on seniority list.
- C. New employees hired in the unit shall be considered as probationary employees for the first sixty (60) working days of their employment with an additional thirty (30) days if requested by the Board in writing prior to the end of the sixty (60) days. When an employee finishes the probationary period he/she shall be entered on the seniority list of the unit and shall rank for seniority from the original date of hire. There shall be no seniority among probationary employees. Probationary employees may be terminated at any time at the discretion of the Board and the termination shall not be subject to the grievance procedure, except in those cases of alleged discrimination and only with respect to alleged discrimination. Persons pursuing relief through legal action for alleged discrimination waive their right to the grievance procedure.

ARTICLE 8 – LAY-OFF AND RECALL

- A. The Alma Public Schools shall lay off employees in inverse order of seniority by department providing that the remaining employees have the demonstrated ability and qualifications to perform the remaining work. Employees laid off or bumped out of the department affected shall have the right to bump the least senior employee in another department, provided they have greater district seniority and can meet the minimum qualifications.
- B. If an employee receiving health and/or dental/vision benefits pursuant to Articles 26 & 27 of this Agreement is or may be disqualified from such benefits due to a reduction in their work schedule, that employee shall have the right to bump any less senior employee in the department if such bump would restore the employee's eligibility for health and/or dental/vision benefits. If no such bump is possible, then the employee shall have the right to bump the least senior employee in another department, provided they have greater district seniority and can meet the minimum qualifications.
- C. In the event of a reduction in staff, any employee on a Board approved leave shall be considered in the same status as an actively employed employee for the purpose of this Article.

Notwithstanding their position on the seniority list, president, vice president, secretary/treasurer and a representative from each department in the event of a lay off of any type, be continued at work as long as there is a job in the department which they can perform and shall be recalled to work in the event of lay off in accordance with the recall procedure. When retaining an employee because of super seniority, the Board shall retain the right to determine the

necessary qualifications of the job to which the individual will be assigned. If the individual with super seniority does not meet these qualifications, that person shall not be retained.

- E. No new employee shall be hired until all qualified laid off employees are recalled to whatever work is available for which they are qualified as determined by the Board, except for that a temporary employee may be hired awaiting report from employees recalled.
- F. Leaves of absence may be granted by the Board upon written request when reduction of staff is necessary in compliance with Article 20 – Unpaid Leaves of Absence.
- G. Recall:
 - 1. Employees on lay off shall be recalled in the order of seniority by department providing that those recalled have demonstrated ability and qualifications to perform the available work.
 - 2. No employee shall be forced to accept a recall to a position other than which he held prior to lay off.
 - 3. The Board shall give written notice of recall from lay off by sending a certified letter to said employee at his last known address. It shall be the responsibility of each employee to notify the Board of any change in address. The employee's address as it appears on the Board's record shall be conclusive when used in connection with the lay off, recall or other notice to the employee. If an employee fails to report to work within ten (10) calendar days from date of sending of the recall, unless an extension is granted in writing by the Board, said employee shall be considered as a voluntary quit and shall thereby terminate his employment with the school district.
 - 4. Should the Board re-instate a position that had been eliminated, the employee, if not on lay off, who previously held the position, shall be offered the position before it is offered to laid off employees.
 - 5. A recall list shall be maintained for a period not to exceed two (2) years. Thereafter, a laid off employee shall lose his/her right to recall.

ARTICLE 9 – VACANCIES, PROMOTIONS AND TRANSFERS

- A. A vacancy, as determined by the Board, shall be defined as any position, either newly created or a present position that is not filled.

 2. Determined vacancies shall be posted for five (5) departmental working days before an appointment is made. The posting shall be mailed on the day of posting to the last known address of each employee who is not actively working at this time.
 3. Interested employees shall submit in writing, on a form created by the employer (see Appendix D), their qualifications to the supervisor designated on the job posting. The Association president will be provided with a list showing those who applied for the position.
 4. All vacancies shall be filled within three (3) departmental working days after the posting period, unless no candidates have applied for the position.
 5. An employee offered a vacancy under these provisions shall have twenty-four (24) hours to notify the immediate supervisor of their decision to accept or reject the offer.
 6. For the purpose of this section, qualified shall mean, "meeting the minimum qualifications necessary to perform the tasks of the open position." The employee with the most seniority and qualifications to fulfill the duties of the job shall be given first preference to the open job.
 7. Only when there are no qualified applicants as determined by the board from the bargaining unit, the Board may interview and subsequently fill the vacancies with applicants from outside the bargaining unit. In this case, the Board shall make its best efforts to fill the position within ten (10) working days following expiration of the posting.
 8. Upon filing the posted position, the name of the employee shall be provided, along with a copy of the job posting, to the Union president.
 9. When transferring to a different classification, building, or shift, an employee shall serve a fifteen (15) working day time period if the employee has tried in that position before within the last two years. At the end of the trial period, if the employee's work is unsatisfactory according to evaluations conducted, or, if the employee so requests, the employee shall be reinstated to his/her previously held position.

- a. Upon mutual agreement between the employee and the supervisor the employee may waive all or part of this trial period, such waiver to be in writing.

- C. If the Board intends to change the work schedules and/or assignments of bargaining unit employees, such intentions shall be communicated to the Association President. If requested by the bargaining unit, a meeting shall be scheduled within three (3) business days of notification to receive input from bargaining unit representatives. The Board will respond to the Association President within five (5) business days as to the result of the meeting.

ARTICLE 10 – HOURS & ASSIGNMENTS – GENERAL PROVISIONS

- A. All employees shall have designated work schedules/shifts with an established starting time and quitting time. Work schedules/shifts shall be posted on the bulletin board.

If the school determines that the temporary vacancy is going to exceed 30 work days, then the temporary vacancy shall be posted as soon as possible, for the duration of the temporary vacancy. However, eight (8) hour employees may request in writing to their immediate supervisor alternations of the lunch period from one-half (1/2) hour to two (2) hours. This request may be made when special circumstances exist or when such changes will facilitate improved work efficiency. The Board reserves the right to approve or disapprove such requests. Furthermore, the Board reserves the right to make lunch time adjustments when it is necessitated by school work loads or work requirements.

Regular routes shall include morning and afternoon K-12 runs and noon young 5/Preschool and PPI runs. 2. The assignment of routes shall be made on the basis of bidding by seniority and qualifications at a meeting to be held sometime prior to the opening of school. Route assignments shall generally be fixed for the school year. However, a senior driver may appeal to the transportation director for reassignment if adversely affected by route changes taking place during the year. This should be done within fifteen (15) business days. The Board shall have the option of making the reassignment or compensating the senior driver as if the reassignment had occurred.

If the regular driver asked to fill this assignment refuses three times in a school year, they will be dropped from this assignment. The regular driver filling this position may not give up this assignment to take any extra work or extra trips.

6. Bus drivers shall be paid \$5.00 per meal for charter trips that occur during the morning and noon meal periods (5:00 – 7:00 AM, 11:00 – 1:00 PM) and \$7.00 per meal during the evening meal period (6:00 – 8:00 PM).

A two (2) hour call in pay will be paid to drivers who are not notified one half (1/2) hour prior to their starting time and come to work and are sent back home because school is canceled. On days when school is delayed, a two (2) hour call in

pay will be paid to drivers who report at their regular shift time and accept work assignments during the delay period.

ARTICLE 14 – DUAL DEPARTMENT EMPLOYEES

APPENDIX E – GRIEVANCE PROCEDURE

A. A grievance may be filed by an employee for any alleged violation of this contract and shall be presented and adjusted in accordance with the following procedures.

B. A dispute must be started at the immediate supervisor level. The parties may mutually agree to take as much time as necessary to resolve the issue but should establish a time frame for this investigation to conclude at this time. At any point, the grievant may decide this process is not acceptable, and he/she may direct, in writing, the union to proceed to the next step of the grievance procedure.

C. A grievance must be presented by the aggrieved employee through the employee's department steward to the employee's immediate supervisor within ten (10) work days after the alleged violation occurred or ten (10) work days from the time the grievant first learned of the alleged violation, in order to be a proper matter for the grievance procedure. The grievant, their steward and at the grievant's request, the president or vice-president, will be present during grievance procedures.

Step 1. At the first conference with the immediate supervisor, if this grievance is resolved either by withdrawal of the same by the employee or by agreement of the parties, a written record shall be made of the claimed violation and its resolution, and the Union, the board and the grievant shall each have a copy of said record including the date of this alleged violation and the date of disposition. The immediate supervisor shall have ten (10) work days in which to respond.

Step 2. In the event the matter is not resolved informally, the grievance shall be submitted in writing to the immediate supervisor within ten (10) work days following the supervisor's informal response. Such written grievance shall be on a form to be agreed upon by the Union and the Board and it shall contain, among other items, the following:

1. The name of the grievant, his department, his immediate supervisor and signature of the grievant or grievants.
2. Synopsis of the facts giving rise to the alleged violation.
3. The section or subsections of this Agreement alleged to have been violated.
4. The date of alleged violation.
5. The relief requested.

Within ten (10) work days after receiving the grievance, the immediate supervisor shall state the decision in writing, together with support reasons, and shall furnish one copy to the grievant and a copy to the Union.

Step 3. Should the decision of the immediate supervisor be unsatisfactory to the aggrieved employee, or the Union steward acting in his behalf, such grievant shall, within ten (10) work days of the decision of the immediate supervisor, notify the superintendent of the Union's desire to meet and discuss the grievance. Such meeting shall be held within ten (10) work days of receipt of such notice. At such meeting, the superintendent and/or his representative, the Union committee and/or the representative of the Union, shall discuss the grievance. The decision of the superintendent shall be given in writing within ten (10) work days after the meeting.

Step 4. If the executive Board wishes to carry the matter further, it will, within ten (10) school days after the reply of the superintendent at Step 3, make a written request for meeting with the Board to try to resolve the grievance(s) three representatives from each group. The purpose of the meeting is to consider fairly and in good faith any other methods of settlement might be mutually agreed upon.

Step 5. In the event that an adjustment or disposition of the grievance satisfactory to the employee and/or the Union is not obtained under the above procedures, the Union shall within thirty (30) calendar days after rendition of the Board's decision, appeal the same by serving written notice thereof upon the superintendent that the grievance be submitted to arbitration. The Board and the Union, shall, within ten (10) calendar days thereafter, select an arbitrator or, in the event they cannot agree upon such person, they shall then file a demand for arbitration with the American Arbitration association in accordance with its rules which shall likewise govern the arbitration proceedings.

1. There shall be no appeal from an arbitrator's decision. Each such decision shall be final and binding on the Union, its members, the employee or employees involved, and the Board.
2. The arbitrator shall make a judgment based upon the express terms of this Agreement and shall have no authority to add to or subtract from any of the terms of this Agreement.
3. The expenses of the arbitrator shall be shared equally between the Board and the Union.

D. In all steps of the grievance procedures, when it becomes necessary for individuals to be involved during working hours, they shall be excused with pay for that purpose. Every effort will be made to carry out the steps of the grievance procedure outside the normal school hours.

E. No employee at any stage of the grievance procedure shall be required to meet with any administrator without Union representation by the steward or his/her designee.

F. Time Limits: The failure of a grievant to proceed from one step of the Grievance Procedure to the next step within the time limits set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance. The failure of the immediate supervisor or the superintendent to communicate its response within the specified time limits shall permit the grievant to proceed to the next step in the Grievance Procedure.

G. The time limits specified in this procedure may be extended, in any specific instance, by mutual agreement in writing.
