- L. When the instructional time is reduced for Professional Development, curriculum or related work, all employees in the Aides classification will be involved in Professional Development and will be paid their regularly scheduled hours. If the employer does not provide a Professional Development opportunity, the employees will still be paid their regularly scheduled hours.
- M. All aides meeting the NCLB requirements shall receive an additional \$2.00 per hour.
- N. An employee who receives notice of layoff and who is paid unemployment compensation benefits during the summer immediately following receipt of the layoff notice and who is subsequently recalled at the beginning of the next school year, will be paid a wage rate, such that his/her unemployment compensation plus annual earnings at the adjusted wage rate will be equal to the annual earnings he/she would have made for the school year had he/she not been laid off and collected unemployment benefits during the summer months.
- O. An employee shall be paid at wage rate (bus drivers' rate will be extra run rate) for the actual time he/she is in attendance and/or participating in a training and/or testing session related to his/her job which is required by law or by the employer. All probationary employees shall be reimbursed their hourly rate (bus drivers' rate will be extra run rate) for said trainings or testing, upon the completion of their probationary period.
- P. If a driver leaves the District prior to the end of their first year of employment, the District shall deduct the cost of the required, by law, training from their last check(s).
- Q. Any member of this bargaining unit that leaves the unit after fifteen (15) years of continuous service will be paid ten dollars (\$10.00) for each leave day that he/she has accumulated to a maximum of one thousand three hundred dollars (\$1300.00)

# **ARTICLE XII - GRIEVANCE PROCEDURE**

- A. A grievance is defined as a claim by an employee that there has been a violation, misinterpretation or misapplication of the terms of this Agreement. The following subjects shall not constitute the basis for any grievance and are hereby excluded from any consideration under the grievance procedure and shall not be processed:
  - 1. The termination of any probationary employee.
  - 2. The content of any performance evaluation.
  - The content of any job description.
- B. **Step One**. The employee or Union must file any grievance in writing with the immediate supervisor within ten (10) workdays of the occurrence of the events upon which it is based. The substance of the grievance must have been discussed orally with the immediate supervisor prior to the filing of the grievance. The supervisor must have been advised in the oral discussion that the events being discussed could form the basis of a grievance and the terms of the Agreement upon which it would be based. Failure to do so will invalidate the grievance. If the immediate supervisor is unavailable prior to the deadline for filing a grievance, the oral discussion may take place with the Superintendent or his designated representative.

When a written grievance is filed with the immediate supervisor after the oral discussion and within ten (10) work days of the occurrence of events upon which it is based, the immediate supervisor shall respond in writing within ten (10) work days following receipt of the written grievance.

If the employee is not satisfied with the written response of the immediate supervisor or if no response is made within the ten (10) work day period allowed for the response, the employee may appeal the grievance to Step Two within ten (10) work days from the date of the immediate supervisor's written response or the deadline for the response, whichever occurs first.

**Step Two.** A copy of the written grievance with any responses must be filed with the Superintendent or his designated representative within the ten (10) workday appeal period. Upon receipt of the written grievance within the timelines provided for appeal, the Superintendent shall arrange to meet with the employee and the Union representative to discuss the grievance. The Superintendent shall have ten (10) workdays following the discussion within which to respond in writing to the employee and Union representative.

If the employee or the Union is not satisfied with the written response of the Superintendent or if no response is made within the timeline specified, the employee may appeal the grievance to the Board of Education by filing a copy of the grievance and any responses with the Secretary of the Board of Education within five (5) work days after receipt of the Superintendent's response or the deadline for the response whichever occurs first.

**Step Three**. Upon receipt of the written grievance within the timeline for appeal, a Committee of the Board shall be convened to hear the grievance and recommend a disposition of the grievance to the Board at its next regular meeting after the hearing. The committee shall hear the grievance prior to the next regular meeting of the Board of Education after receipt of the grievance appeal, if it is received at least ten (10) workdays prior to the next regular meeting scheduled. Otherwise, the Committee may delay the hearing until after the next regular meeting after the receipt of grievance. At the next regular Board meeting following the hearing before the committee, the Board of Education shall make a determination and render its decision on the grievance. The decision shall be reduced to writing and provided to the employee and the Union within ten (10) workdays of the Board meeting.

**Step Four.** If the Union is not satisfied with the response of the Board of Education or if no response is made within the timeline specified, the Union may appeal the grievance to Arbitration by filing a Demand for Arbitration with the American Arbitration Association within ten (10) work days after receipt of the Board of Education's response or the deadline for the response, whichever occurs first, with a copy mailed simultaneously to the Superintendent. Selection of the Arbitrator shall be governed by the rules of the American Arbitration Association, which shall likewise govern the arbitration proceedings.

The Arbitrator shall render a decision based upon the interpretation of the provisions of this Agreement and shall have no jurisdiction to add to, subtract from, change, modify, or alter any of the terms of this Agreement or any written amendments thereof or to specify or impose any new terms upon the parties. The Arbitrator shall have no power to establish wages or to change any wage. Where no wage loss has been caused by the action of the Employer grieved, the Employer shall be under no obligation to make monetary adjustments, and the Arbitrator shall have no power to order one. The Arbitrator shall have no power to change any practice, policy or rule of the Employer nor substitute his/her judgment for that of the Employer as to the reasonableness of any such practice, policy, rule or any action taken by the Employer. The Arbitrator shall have no power to decide any question which is within the responsibility of the Employer to decide. In rendering decisions, the Arbitrator shall give due regard to the management responsibility of the Employer and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically

conditioned by this Agreement. The Arbitrator shall have no power to interpret state or federal law. The Arbitrator shall have no power or authority to rule in a matter which is also pending as a complaint or charge in any other judicial or administrative agency proceedings. The Arbitrator shall not hear any grievance barred from the scope of the grievance procedure. Furthermore, the Arbitrator shall have no jurisdiction to rule upon the termination of any probationary employee, the content of any performance evaluation and/or the content of any job description.

The decision of the Arbitrator shall be final and binding upon the employees, the Employer and the Union, provided the matter is arbitrable and the decision of the Arbitrator is made within the scope of his/her authority under the terms of this Agreement. If either party disputes the arbitrability of any grievance under the terms of this Agreement, the Arbitrator shall determine the arbitrability issue before proceeding to the issue on the merits. In the event that a grievance is appealed to the Arbitrator on which he/she has no power to rule, it shall be referred back to the parties without any decision or recommendation on its merits. The Arbitrator's ruling upon the arbitrability of the grievance does not constitute a submission of the issue of arbitrability to the Arbitrator for an arbitral disposition and does not preclude an appeal of the Arbitrator's decision for an independent review of the arbitrability of the grievance by the court. More than one grievance may not be considered by the Arbitrator at the same time except upon expressed written mutual consent of the Union and the Employer and then only if they are of similar nature. The fees and expenses of the Arbitrator shall be borne solely by the non-prevailing party. All other fees and/or expenses shall be paid by the party incurring them.

- C. Failure to appeal a grievance to the next level of the procedure within the time limits specified shall be deemed withdrawal of the grievance. Failure of any representative of the Employer to respond at any level within the time lines specified shall enable the grievant to appeal to the next level of the grievance procedure within the designated time lines.
- D. Grievances involving discharge of an employee shall be initiated at Step Two of the procedure by filing a written grievance with the Superintendent or his designated representative within five (5) workdays of the date of discharge. The grievance shall be processed thereafter according to the provisions of Step Two, Step Three and Step Four of the grievance procedure.
- E. All preparation, filing, presentation or consideration of grievances shall be held at times other than when an employee or a participating Union representative is to be engaged in his/her work duties. Any grievance filed must be submitted in writing on the form attached to this contract as Appendix B.

F. Nothing contained herein shall be construed to prevent any individual or this Union from presenting a grievance directly to the Employer and having the grievance adjusted by the Employer, without intervention of the Union, if the adjustment is not inconsistent with the terms of this Agreement, provided that a Union representative has been given an opportunity to be present at such adjustment.

## ARTICLE XIII - DURATION OF AGREEMENT

- A. This Agreement constitutes the sole and entire existing Agreement between the parties and supersedes all prior practices, whether oral or written, and expresses all obligations imposed upon the Employer and the Union. This Agreement is subject to amendment, alteration or additions only by a subsequent written Agreement between and executed by the Employer and Union. The waiver of any breach, term or conditions of the Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.
- B. The provisions of this Agreement shall not be construed to deny or deprive any bargaining unit employee of any rights or benefits expressly conferred by state or federal law, except where the contractual provision is permitted to govern by law.
- C. If any specific provision of the Agreement or any specific application of this Agreement to any employee or group of employees shall be found contrary to law, then such specific provision or specific application shall be deemed null and void but all other provisions or applications shall continue in full force and effect.
- D. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and Union for the life of this Agreement each

voluntarily and unqualifiedly waives the duty and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement, unless the parties mutually agree to enter into negotiations for an amendment of this Agreement concerning such subjects or matters.

- E. The Union agrees that it, its officers, its agents, its employees and/or its membership shall not authorize, sanction, condone, promote, encourage, engage in or acquiesce in any strike as defined in the Michigan Public Employment Relations Act and/or any work stoppage, job action or demonstration of any kind which interferes with the full, faithful and proper performance of any of the duties and responsibilities of any position of employment by any person.
- F. There shall be two (2) original signed copies of the ratified Agreement. One (1) original signed copy shall be retained by the Employer and the other shall be retained by the Union. Fifty (50) copies of the original signed Agreement will be printed, the cost of which shall be shared equally by the Union and the Employer. Each bargaining unit employee employed at the time of distribution of the Agreement and thereafter upon hire shall be given one (1) copy of the Agreement and the Union shall be provided with ten (10) copies of the Agreement.

#### G. Term of Agreement

This Agreement shall become effective upon ratification by a majority vote of the bargaining unit and the Board of Education and shall continue in effect through the 30th day of **June 2006**, at which time it shall terminate unless extended by written agreement of the parties. No terms shall be applied retroactively unless expressly stated otherwise in the particular provision of this Agreement.

Retroactive pay will be at 3%. Wages effective upon ratification by both Board and Association.

#### H. Successor Negotiations

At any time within ninety (90) days prior to the termination date of this Agreement either party may serve written notice to the other of its desire to begin negotiations upon a successor collective bargaining agreement and negotiations shall begin within thirty (30) days from the receipt of the notice.
