ARTICLE 9

GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is defined as an alleged violation, misapplication or misinterpretation of the expressed terms and conditions of this contract.
2. An "aggrieved person" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
4. A "working day" is a day when the Superintendent's Office is open for business and school is in session.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible supervisory level, equitable solutions to grievances which may from time to time arise. Both parties agree that these procedures will be kept informal and confidential as may be appropriate at any level of the procedure.
2. Nothing contained herein will be construed as limiting the right of any employee having a grievance to discuss the matter informally with his/her immediate supervisor and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and the Association Representative is provided the opportunity to be present at the time of adjustment.

C. Procedure

Since it is important the grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum and every effort should be made to expedite the process. If appropriate action is not taken within the time limit specified, the grievance will be deemed settled on the basis of the disposition at the preceding level. The time limits specified may, however, be extended by mutual agreement.

1. Level One

- a. An employee with a grievance will within ten (10) working days after its alleged occurrence or the discovery thereof discuss it verbally with his/her supervisor or, in the absence of his/her supervisor, at the next supervisory level either directly or through the Association Representative, with the objective of resolving the matter informally.
- b. If the employee is not satisfied with the oral discussions, he/she may file the grievance in writing with his/her Association Representative within five (5) working days after the oral discussion. The Association Representative will then file the grievance with the principal on the Grievance Report Form within ten (10) working days, at which point the grievance becomes formal.

2. Level Two

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, the Association Representative will refer the grievance to the Superintendent of Schools within ten (10) working days after the presentation of the formal grievance.
- b. Within five (5) work days after receipt of the written grievance by the Superintendent, the Superintendent or his/her designee may meet with the aggrieved person and his/her Association

Representative in an effort to resolve it.

- c. If an employee does not file a grievance in writing with the Association Representative and the written grievance is not forwarded to the Superintendent within thirty (30) work days after the employee knew of the act or condition on which the grievance is based, then the grievance is considered as waived.

3. Level Three

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within five (5) work days after the grievance was received by the Superintendent, or if no meeting has been held, he/she may file the grievance in writing with the Association Representative within five (5) work days or fifteen (15) work days after he/she has first met with the Superintendent, whichever is sooner. Within five (5) work days after receiving the grievance the Association Representative will refer it to the Board or its designee. Within ten (10) work days after receiving the written grievance, a committee of the Board and their representative will meet with the Association Grievance Committee person and the Unit Chairman for the purpose of resolving the grievance. The ultimate decision on the grievance at Level Three will, however, be rendered by the full Board. The aggrieved person may choose whether or not he/she desires to be present at the Board hearing level.

4. Level Four

An aggrieved person shall not have the right to process a grievance at Level Four. In the event the Association wishes to carry the grievance further it shall within thirty (30) working days from the date of the employer's last answer of Step 3 meet with the Employer for the purpose of attempting to select an arbitrator. In the event they cannot agree on an arbitrator within five (5) work days from the meeting called for that purpose, then an arbitrator shall be selected from a list of five (5) submitted by the American Arbitration Association. Both the employer and the Association shall have the

right to strike two (2) names from the panel. The party requesting arbitration shall strike the first name, and the other party shall then strike one name, and the process will be repeated. The remaining person shall be the arbitrator.

The arbitrator so selected will confer with the parties and hold hearings promptly and will issue his decision not later than thirty (30) working days from the date of the close of the hearing.

The arbitrator's decision shall be in writing and will set forth his findings of fact reasoning and conclusions on the issues submitted.

The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this agreement.

His authority shall be limited to deciding whether a specific article and section of this agreement has been violated.

The decision of the arbitrator, if within the scope of his authority as above set forth, shall be final and binding.

The arbitrator's fee and other expenses of arbitration shall be divided equally between the parties. Each party shall bear his/her own expense in connection therewith.

D. Rights of Employees to Representation

1. No reprisals of any kind will be taken by either party as a result of having participated in the grievance procedure.
2. Any party in interest may be represented at all stages of the grievance procedure by a person of his/her own choice.

E. Miscellaneous

1. In the event that any Association Representative or officer is a party in interest to any grievance, said representative shall disqualify himself or herself and a substitute will be named by the Association.

2. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents will be filed on approved forms and given appropriate distribution to the Association Representative.

ARTICLE 10

PERSONNEL FILES AND EMPLOYEE COMPETENCE

- A. An Association member shall have the right to review the contents of all records as required by law and to have an Association representative present at such review.
- B. No material originating after the initial employment shall be placed in an Association member's personnel record unless the employee has had an opportunity to review said material. The Association member may submit a written notation regarding the material and the same shall be attached to the material in question. If the bargaining unit member believes the material placed, or to be placed, in the employee's file is inappropriate or in error, the employee may receive an adjustment, provided cause is shown. If an Association member is requested to sign the material to be placed in the employee's file, such signature shall not be interpreted to mean agreement with the material's content.
- C. An Association member shall be notified, in advance, in writing, of the purpose of a meeting where an unsatisfactory rating and/or disciplinary action is contemplated and shall be entitled to have any Association Representative(s) present.

ARTICLE 11

DISCHARGE AND DISCIPLINE

The Board may adopt written rules and regulations not in conflict with the terms of this Agreement concerning the discipline of employees; but no employee shall be disciplined, including reprimand, suspension with or without pay, demotion or discharge, without just cause.

Notice of discharge or discipline. The employer agrees promptly upon the discharge of discipline of an employee to notify in writing the Association Representative in the district of the discharge or discipline.

The discharged or disciplined employee will be allowed to discuss his/her discharge or discipline with the Association Representative of the district and the employer will make available an area where he/she may do so before he/she is required to leave the property of the Employer. Upon request, the employer or his designated representative, will discuss the discharge or discipline with the employee and the Association Representative.

Appeal of Discharge or Discipline. Should the discharged or disciplined employee or the Association Representative consider the discharge to be improper, a complaint shall be presented in writing through the Association Representative to the employer within five (5) regularly scheduled work days of the discharge or discipline. The Superintendent will review the discharge or discipline and give its answer within five (5) regularly scheduled work days after receiving the complaint. If the decision is not satisfactory to the Association, the matter shall be referred to the Level Three grievance procedure.

ARTICLE 12

SENIORITY

The Employer and the Association hereby accept the concept of seniority or length of service. It is agreed that length of service means the period of employment with the Employer beginning with the latest date of hiring.

A. Seniority Lists

1. The seniority list on the effective date of this Agreement will show the names, job titles and hiring date of all employees of the bargaining unit entitled to seniority and shall also include a listing of the probationary employees, even though they do not have seniority.
2. Seniority shall not be affected by race, sex, age, marital status, or dependents of the employee.
3. Seniority will commence for a regular employee from date of original employment on a probationary status.

B. Loss of Seniority

An employee shall lose his/her seniority and status as an employee if:

1. He/she resigns.
2. He/she retires.
3. If discharged and the discharge is not reversed through the grievance procedure.
4. He/she is absent for two (2) consecutive working days without notifying the employer except when the failure to notify is due to circumstances beyond the control of the employee.
5. He/she does not return to work within five (5) work days when

recalled from layoff except when failure to return is due to circumstances beyond the control of the employee.

6. He/she fails to return from sick leave or a leave of absence within five (5) working days after termination of his/her leave, excepting when failure to return is due to circumstances beyond the control of the employee.

C. Accumulation of Seniority.

Association members who are employed during the school year shall receive seniority credit on a pro-rata basis according to that fractional part of the school year they work.

D. Probationary Employees

An employee is a probationary employee for his/her first one hundred twenty (120) calendar days of work. The one hundred twenty (120) calendar day probationary period should be accumulated within not more than one (1) year. Upon satisfactory completion of the probationary period, the employee should be credited with one hundred twenty (120) days length of service and it should be so entered on the seniority list.

The Association will represent probationary employees for the purpose of this Agreement, excepting that there shall be no seniority among probationary employees and their retention as employees will be strictly within the discretion of the employer.

E. Seniority

Employees with the same seniority date shall determine seniority position by a lottery or chance system.

- F. Seniority for Association members employed in the 2003-04 is based upon the seniority list dated December 9, 2003. Seniority credit for employees hired after this date shall be based on an accumulation of time worked. Employees shall receive seniority credit on a pro-ratio basis according to that fractional part of the school year they work. For seniority purposes only, full time employment is based upon a twenty (20) hour work week.

ARTICLE 13

LAYOFF PROCEDURE

When employees are laid off, the following procedure applies:

- A. Employees with the least seniority shall be removed first, provided that those remaining are reasonably qualified to do the work which is available.
- B. Employees to be laid off for an indefinite period of time will have at least fourteen (14) calendar days notification of layoff. The employer will notify the Association of such layoff on the same date that he/she notified the employee.
- C. When the employer fills a vacancy, employees who are reasonably qualified to do the work and who have been released from their employment within two (2) years shall be rehired in accordance with their seniority rights.
- D. When an employee's job is eliminated (layoff), the employee if qualified, shall be able to bump into any position held by an employee with less seniority. Once an employee has received written notification of a job elimination (layoff), they shall notify the administration of the bump within five (5) work days.

ARTICLE 14

RECALL PROCEDURE

When employees are recalled from layoff, the employees with the greatest seniority shall be recalled in order of length of service (seniority) provided they are reasonably qualified to do the work that is available. Notice of recall shall be limited to two (2) years and should be sent to the employee at his/her last known address by registered mail. An employee will be given ten (10) working days' notice of recall and failure to return to work shall be considered a voluntary resignation. Failure to return to work within ten (10) days of notice of recall shall be waived if the employee can demonstrate that an emergency situation prevented his/her return such as for reasons of health, hospitalization or child care.

For the purpose of layoff and recall procedures "reasonably qualified to do the work" means that the employee can perform the work in question in the classification.

ARTICLE 15

HOURS OF WORK

- A. The normal hours of work for bargaining unit members shall be as follows:
1. Clerks: The normal work week for school clerks shall be forty (40) hours per week, eight (8) hours per day, Monday through Friday, including two (2) fifteen (15) minute relief periods, also including a duty free, half-hour lunch period.
 2. Paraprofessionals: The normal work week for paraprofessionals shall be as scheduled by the Administration. Paraprofessionals working a minimum of thirty (30) hours per week shall be entitled to two (2) relief periods not to exceed in total the sum of thirty (30) minutes and shall also receive a (30) minute lunch break. Administration reserves the right to establish lunch hours and relief periods convenient to its operation.
 3. Assistant Librarian: The normal work week during the school year shall be forty (40) hours per week, eight (8) hours per day. The normal work week during the summer time shall be thirty-five (35) hours per week, seven (7) hours per day. The Assistant Librarian shall be entitled to two (2) fifteen minute relief periods and also a duty free, half-hour lunch period.
 4. Overtime: Time and one-half will be paid for all hours over eight (8) in any one day, or forty (40) in any one week. Overtime hours shall not be pyramided.
 5. Call-Out: An employee reporting for emergency duty or called out at the employer's request for work for which he/she had not been notified in advance and which is outside of and not in continuance with his/her regular work period shall be assured at least two (2) hours of pay.

6. All employees covered by this Agreement will work regular hours on the first two (2) snow days in order to be paid his/her regular wage. Those employees unable to report will not be paid for the two (2) snow days. Employees will not report to work on the remaining snow days unless work time is approved by the employee's supervisor. On early dismissal and late start days, employees covered by this Agreement will be paid for hours actually worked. On such days, work hours after the dismissal of students must be approved by the employee's supervisor. There are times when storm conditions are such that an early dismissal will be granted with pay and is at the discretion of the Superintendent of Schools. Employees will be notified of this on that day, if required, and each employee will be paid at their regular scheduled hours.
-
- B. When a work schedule is established for a paraprofessional need, an effort will be made to notify the employees two (2) weeks prior to the start of school, unless an unforeseeable situation occurs.

ARTICLE 16

TRANSFERS

If an employee is transferred to a position under the employer not included in the unit and is thereafter transferred again to a position within the unit, he/she shall have accumulated seniority while working in the position to which he/she was transferred. Employees transferred under the above circumstances shall retain all rights accrued for the purpose of any benefits provided for in this Agreement. If an employee voluntarily applies for and is placed in a position under the employer not included in the unit, he/she shall not accumulate Association seniority while working in said position to which he/she voluntarily transfers.

Association members who are required to work in a higher classification shall be paid at the rate of the higher classification, except on an emergency basis where time involved is less than four (4) hours.

In the event of a transfer, the Board agrees to confer with the employee being transferred and to discuss any alternatives available.

ARTICLE 17

VACANCIES

Job assignments within the classifications of the bargaining unit should be made on the basis of seniority providing the employee with the most seniority is reasonably qualified to do the work.

For the purpose of assignments "reasonably qualified" means that the employee can perform the work in question.

Job vacancies will be posted for a period of seven (7) calendar days during the summer and seven (7) school days during the school year. The senior employee applying for the vacancy and who is reasonably qualified shall be given an opportunity for a two (2) week trial period, during which appropriate training will be provided to determine: 1) his/her desire to remain on the job, and 2) his/her ability to perform the job during the trial period. If during the two (2) week trial period the employee is unsatisfactory in the new classification, he/she shall revert to his/her former classification, and notice and reason shall be submitted to the Association in writing by the employer with a copy to the employee.

During the trial period, Employees shall receive the rate of the classification to which they have been assigned.

ARTICLE 18

LEAVES OF ABSENCE

Leaves of absence up to three (3) calendar months without pay may be granted in cases of need without loss of acquired seniority. Leaves may be granted for such reasons as settlement of an estate, personal injury or disability, serious illness of a member of the immediate family, temporary termination of the employees' work or an extended trip, but not for the purpose of obtaining employment elsewhere or for self employment. Leaves of absence for such cases as listed above may be extended for additional periods, but the total leave time should not exceed one (1) year.

- A. Military training leaves regarding full time employees who belong to the National Guard, Reserves or similar military organizations will be allowed up to fifteen (15) days leave of absence without pay when ordered to active duty for training. The employer agrees to make every effort to have this leave coincide with the employees' accumulated vacation time.
- B. A military leave of absence shall be granted to any employee who is inducted. Similar leave should be granted to an employee who enlists for military duty in any branch of the Armed Forces during a period of military conflict.
- C. An employee who loses time from work during his/her regularly scheduled hours because of having been subpoenaed to testify or to serve on a jury, will be paid the difference between the subpoena pay or pay for jury duty and his/her regular pay if his/her reimbursement from the court is less. An employee temporarily excused from attendance in court shall report to work during this period, if reasonably convenient.
- D. Members of the Association elected to local Association positions or selected by the Association to do work which takes them from their employment with the employer shall, at the written request of the Association, receive temporary leaves of absence without pay for periods not to exceed two (2) years or the term of office, whichever may be shorter.

- E. All applications for leaves of absence must be made in writing presented to the Superintendent of Schools.
- F. An employee who has requested and received an approved leave of absence of thirty (30) calendar days or less shall upon return from such leave be given his/her former job or a job of like status in pay if the original job has been eliminated. An employee returning to work with an approved leave of absence of more than thirty (30) calendar days, should be given his/her former job or a job of like status in pay, unless the employer's circumstances have so changed to make it unreasonable to do so. In such event, he or she should be placed at the top of the layoff list or moved into a position consistent with his or her rank in seniority and qualifications as is established in Article 13, subparagraph A.
- G. Employees shall not be required to report to work or work on those days and time periods when school is closed for health or safety reasons. Employees shall be required to work on days or parts thereof rescheduled as a result of the school district's compliance with state requirements.

ARTICLE 19

SICK LEAVE

- A. A sick leave allowance is hereby provided for absence from work caused by illness or physical disability of the employee. A sick leave of one (1) day will be allowed for each calendar month in which he/she renders service to the system, not to exceed twelve (12) per year during the period of July 1 through June 30. The employee shall be permitted to accumulate a maximum sick leave bank of one hundred eighty (180) days.
- B. An employee sustaining injury or occupational disease arising out of and in the course of any employment shall be continued on the payroll; provided, that where he/she received income under the Worker's Compensation Act, such income shall be supplemented by the Board of Education with an amount sufficient to maintain his/her regular salary or wage for a period not to exceed the number of days in his/her sick leave accumulation.
- C. In the event of absence of an employee for illness in excess of three (3) consecutive working days, the Board may, at its expense, require an examination by an independent physician. Upon request, each employee absent for five (5) consecutive working days agrees to present a certificate from his/her personal physician testifying to the satisfactory condition of his/her health at his/her own expense.
- D. Employees whose service to the system is interrupted for any period beyond an approved leave shall forfeit any accumulations under this article.
- E. The Board reserves the right to limit an employee to her current sick leave allowance if she sustains an injury outside of school hours.
- F. An employee who is unable to work because of personal illness or disability and who has exhausted all sick leave available shall be granted a leave of absence for the remainder of the year without pay, and such leave may be renewed in succeeding years by the Board of Education upon written request.

- G. The employee agrees to notify her immediate supervisor that he/she intends to be absent from work because of illness as early as possible, and not later than 7:00 a.m., if known.
- H. Any employee who, by willful misinterpretation violates or misuses these sick leave provisions or misrepresents any statement or condition under said provisions, shall be subject to disciplinary action.
- I. Current sick leave allowances will not be added to a person's accumulation during an approved leave. Further, all leave accumulations under this or any other article are forfeited by the departure of the employee from the system other than for an approved leave.
- J. An employee may use five (5) of the ten (10) days for illness of spouse, children or parents. The superintendent, upon request, may grant additional days. The above leave will be limited to ten (10) days per year, and will be chargeable to the employee's accumulated sick leave. The superintendent, upon request, may require a statement from the attending physician to indicate the serious nature of the illness or injury. This also includes dental appointments for children which are of an emergency nature.
- K. An employee suffering a loss of pay as a result of having less accumulated sick leave than the length of his/her illness will be reimbursed at the end of the school year for such loss as his/her sick leave allowance accumulates; subject to the limitation that the right to such reimbursement terminates at the close of each school year.
- L. In recognition of service to the school district, a retirement payment of ten (\$10) per day of unused accumulated sick leave to a total of ninety (90) days, fifteen (\$15) dollars per day of unused accumulated sick leave for ninety one (91) through one hundred and twenty (120) days, and twenty (\$20) dollars per day of unused accumulated sick leave for one hundred twenty one (121) days through one hundred sixty five (165) days shall be paid to an employee upon his/her retirement provided the employee shall have been employed in the school district at least ten (10) years.
- M. A sick leave bank may be established by the bargaining unit members from their accumulation of unused sick days. The sick leave pool shall not

exceed an accumulation of fifty (50) days. The pool shall be created by a voluntary contribution of sick days from a member's accumulated sick leave bank.
