ARTICLE I - RECOGNITION

- A. Pursuant to Act 379, Public Acts of 1965, amended, the District hereby recognizes the Association as the exclusive representative for the purposes of collective bargaining with respect to rates of pay, hours and other terms and conditions of employment for the entire term of the agreement for all certificated teaching personnel, including classroom teachers on tenure or probation, but excluding: administrators, substitute teachers, supervisors, maintenance and custodial personnel, office workers, cooks, bus drivers, teacher's aides and summer personnel.
- B. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association if the adjustment is not consistent with the terms of this Agreement, provided that the Association has been given the opportunity to be present at such adjustment.

ARTICLE II - TEACHER RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every member of the bargaining unit defined in Article I, Section A, shall have the right freely to organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. The Board will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of this membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. The Association and its members shall petition for the use of the school building facilities at reasonable hours for meetings. No teacher shall be prevented from wearing insignia pins or other identification of membership in the Association either on or off school premises. An Association bulletin board will be available in the faculty workroom and building mailboxes will be available to teachers and the Association.
- C. The Board agrees to furnish to the Association in response to reasonable requests from time to time all available information concerning the financial resources of the District, tentative budgetary requirements and allocations and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students together with information which may be necessary for the Association to process any grievance or complaint.
- D. With respect to the provisions of this Agreement, the Board agrees that neither it nor any of its administrative agents shall discriminate against any teacher by reason of race, creed, color, national origin, sex, age, religion, handicap or marital status.

ARTICLE III - MANAGEMENT RIGHTS

Management Rights Clause

The Board on its own behalf and on behalf of the electors of the District hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by law and the Constitution of the State of Michigan, and of the United States including, but without limiting the generality of the foregoing, the right:

1. to the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees as related to teaching duties and assignments;
2. to hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continual employment, or their dismissal or demotion; and to promote and transfer all such employees in accordance with the Master Agreement;
3. to establish grades and courses of instruction, including special programs and to provide for athletic, recreational and social events for students, all as deemed necessary or advisable by the Board;
4. to decide upon the means and methods of instruction, the selection of textbooks and other teaching materials and the use of teaching aids of every kind and nature, but recognizing the professional capabilities of teachers the Board will confer with said teachers when making the above decisions;
5. to determine class schedules, the hours of instruction, and the duties, responsibilities and classroom assignments of teachers, and the terms and conditions of employment. –

The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan, and the Constitution and laws of the United States.

ARTICLE IV - PROFESSIONAL COMPENSATION

- A. The salaries of teachers are set forth in Schedule A. Such salary schedule shall remain in effect for the term of this Agreement, provided, however, that upon written notice to the other party, either may request the reopening of negotiation of such salary schedule or if the State Legislature changes the required number of student days. Teachers shall receive pay by direct deposit (which must be set up within the district business office). There will be 26 or 27 bi-weekly installments beginning with the first scheduled payday in September.
- B. The salary schedule is based upon a weekly teacher load, as defined in the current school calendar as found in Appendix C, during teaching hours. For extra work the teacher shall be entitled to appropriate additional professional compensation.

- C. It shall be the general practice of all parties in interest to process grievance and negotiations procedures during times which do not interfere with assigned duties provided, however, in the event it is agreed by the Board to hold proceedings during regular working hours, a teacher participating in any level of the grievance procedure with any representative of the Board, shall be released from assigned duties without loss of salary.
- D. A total of five (5) teacher days a year may be used with the teaching staff for the purpose of participation in area or regional Association meetings. These days would be granted without a loss of salary, providing the Association pays for substitutes.
- E. All teachers newly employed shall be allowed up to a maximum of seven (7) years' experience on the salary schedule set forth in Schedule A for teaching experience in any school district in the State of Michigan, and other teaching experience for which credit is allowed.
- F. Teachers covering a class will be compensated \$20.00 per class period if the coverage is longer than 15 minutes. Teachers will fill out a time card each time they cover a class.
- G. Teachers involved in extra duty assignments set forth in Appendix B shall be compensated per annexed appendixes without deviation upon completion of the activity.
- H. A teacher's daily rate is to be determined by dividing his basic salary for the year by the number of days a teacher is required to be on duty as set forth in the current School Calendar.

Personal and sick time shall be calculated on a seven (7) hour day, one hour being 1/7th of a day, 1/2 hour being 1/14th of a day, or 1/4 hour being 1/28th of a day. All time less than 15 minutes will be calculated to a full 15 minutes absence, or 1/28th of a day.

In the event health insurance premiums are under the hard cap, then the school will contribute the difference to the employee's HSA.

- C. The employee's premium contribution will be payroll deducted, in equal monthly amounts from the employee's paycheck through a qualified Section 125 Plan and, as such, will not be subject to withholding. The employer's "qualified Section 125 Plan" will include any and all of the provisions necessary for pre-tax contributions to employee's HSA accounts administered through HEQ.
- D. Employees may contribute, through payroll deduction and electronic transfer, additional money towards their HEQ HSA up to the maximum amounts allowed by Federal law.
- E. The parties understand that in the event the minimum deductible necessary for a medical plan to comply with HSA eligibility is increased beyond the current deductible level in the insurance plan, the deductible will automatically adjust to meet the federal minimum requirement.
- F. All other non-medical insurance benefits described will be fully employer paid and provided to all employees in the bargaining unit.
- G. The employer will pay annual amounts towards the total cost of the insurance plans available to members inclusive of medical premium and "Health Equity" (HEQ) Health Savings Account (HSA) funding described below for each plan year.

- Q. The Board agrees to pay full family Vision and Dental Insurance for teachers who select cash in lieu of insurance.
- R. It is the intention of the Board to become the policy holder of record, as permitted by PERA (Public Employee Relations Act), and as moved on unilaterally by the Board of Education, and as a requirement tie-barred to additional school funding. Any company offering the condition of 'board as policy holder' will be considered a qualified bidder on the District's insurance products.
- S. HIPAA (Health Insurance Portability and Accountability Act) covers the "...protection of information on private individuals from intentional and unintentional disclosure or misuse...." Although it has no intention of collecting medical records on employees, Caseville Public School District is bound by this act, which supersedes FOIA, and its employees will apply rigorous standards of confidentiality in the management of employees' medical information.

- J. A request for personal day form must be completed at least two (2) days in advance of the proposed date of said leave. A maximum of two (2) teachers may take personal days on the same day. These numbers may be exceeded in case of emergency, upon approval of the administration. Requests for such leave shall be granted on a first come-first served basis. Applications for leave days will be processed effective August 1 of each school year.

ARTICLE XI - TEACHER EVALUATION

Current procedures in place shall be followed for the 2014-15 school years. In 2015-16 changes required by the State of Michigan shall be implemented.

- A. Teachers will be advised on the procedures of the evaluation tool yearly. Every teacher will either have access to or a copy of the evaluation tool at the beginning of each school year. The Board or its designees will adhere to the Revised School Code as existed in 2012.
- B. The evaluation must be discussed with the teacher and signed by the teacher, although the teacher's signature does not indicate agreement with evaluation.
- C. All monitoring or observation of the work performance of a teacher shall be conducted without the use of hidden cameras or other audio video recording devices.

ARTICLE XII - PROTECTION OF TEACHERS

- A. Since the teacher's authority and effectiveness in his classroom is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. The Board shall render all reasonable assistance to the teacher in connection with the handling of the incident by law enforcement and judicial authorities.

ARTICLE XIII - REDUCTIONS IN PERSONNEL

Reductions in personnel protocol. If, because of unforeseen circumstances such as reduction in student population, changes in curriculum, or deficit financial conditions, it becomes necessary to reduce staff, the Board of Education, in affecting a layoff, shall first establish its curriculum needs. Then the number and nature of the positions required to deliver that curriculum will be established. After this Board Action, the following reductions in personnel protocol established by the Revised School Code 380.1248 Personnel decisions resulting in elimination of position; policies; collective bargaining agreement; expiration; action brought by teacher; remedy, section 1248 shall prevail and be put into effect in the order specified below:

3. Based on the length of service within the district. Date of hire is determined to be the initial day an employee reports to work for his/her first day of work. In the event that one or more teachers have the same experience and date of hire, the affected teachers shall participate in drawing to determine their position based on length of service within the district.

ARTICLE XIV - NEGOTIATION PROCEDURES

- A. This Agreement incorporates the entire understanding of the parties on all issues which were or could have been the subject of negotiation. During the term of this Agreement, neither party will be required to negotiate with respect to any such matter, whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. This Agreement supersedes and cancels all previous agreements, verbal or written, or based on alleged practices between the parties.

-
- B. Beginning no later than the March Board meeting of the calendar year in which this Agreement expires, the Caseville Education Association and the Board agree to negotiate over a successor agreement in accordance with the procedures set forth herein a good-faith effort to reach agreement concerning teachers' salaries and all other conditions of their employment. Any agreement so negotiated shall apply to all teachers and shall be reduced to writing and signed by the Board and the Caseville Education Association.
 - C. In any negotiations described in this Article, neither party shall have control over the selection of the negotiating or bargaining representatives of the other party. Each party may select its representatives from within or outside the school district.

ARTICLE XV - PROFESSIONAL GRIEVANCE PROCEDURE

- A. Any teacher, group of teachers, or the Association believing that there has been a violation, misinterpretation or misapplication of any provision of this Agreement or any existing rule, order, or regulation, of the Board, or any other provision of law (except a statute specifically establishing a procedure for redress) relating to wages, hours, terms, or conditions of employment, may file a written grievance with the Board or its designated representative. If a teacher does not file in writing with the principal or other designated Board representative within five (5) school days after the occurrence, then the grievance shall be considered as waived.
- B. Within five (5) school days of receipt of the grievance, the designated representative of the Board shall meet with the Association or the individual in an effort to resolve the grievance. Affected teachers may or may not be present at such meeting. If the meeting is with the school principal and the parties cannot agree, the grievance shall be promptly transmitted, by the Association or teacher to the Superintendent who shall have five (5) school days thereafter to approve or disapprove it. If the grievance shall be denied by the Superintendent either upon review of the action of the school principal, or in the first instance, the grievance shall immediately be transmitted, by the Association or teacher, to the Secretary of the Board, with a statement of reasons why it is being disapproved. Failure to answer at any level within the time period for answer moves the grievance automatically to the next level.
- C. At the next regular meeting of the Board, after receipt of the grievance, the Board shall pass upon the grievance. The Board may hold a hearing thereon, may designate one or more of its members to hold a hearing or otherwise investigate the grievance, or prescribe such procedure as it may deem appropriate for consideration of the grievance.
- D. For administrative convenience, the Board may cause complaints which may be the subject of grievances under this Article first to be presented to a department head, assistant principal, or other school employee, for informal processing, in an effort to reduce the number of formal grievances handled under the professional grievance procedure herein established. The parties shall mutually work out procedures for such informal processing upon request, but exhaustion of such informal procedures shall not be required as a condition precedent to invoking the grievance procedure, nor shall the participation of department heads, assistant principals, or other employees in such informal procedures be deemed to be a supervisory or executive function.

-
- E. The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article.
1. The termination of services or failure to re-employ any probationary teacher.
 2. Any claim or complaint for which there is another remedial procedure or forum established by law or by regulation having the force of law, including any matter subject to the procedures specified in the Teachers Tenure Act (Act 4 of Public Acts, Extra Session, of 1937 of Michigan as amended).
 3. Teachers' evaluations (content).
 4. Layoff, recall, assignment or placement.
 5. Prohibited subject of bargaining.
- F. If any teacher for whom a grievance is sustained shall be found to have been unjustly discharged, he shall be reinstated with full reimbursement of all professional compensation lost. If he shall have been found to have been improperly deprived of any professional compensation or advantage, the same or equivalent in money shall be paid to him.

ARTICLE XVI - MISCELLANEOUS PROVISIONS

- A. Teachers shall be informed of a telephone number they may call before 7:00 a.m. to report unavailability for work. Once a teacher has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher.
- B. The Board of Education will not require the teacher to take a polygraph or lie detector test.
- C. The Association shall deal with ethical problems arising under the code of ethics of the Education Profession (adopted by the Representative Assembly, July, 1968, and amended July, 1972) in accordance with the terms thereof and the Board recognizes that the code of ethics of the Education Profession is considered by the Association and its membership to define acceptable criteria or professional behavior. Nothing in the section would deny the Board any right guaranteed by law or any article of this Agreement.
- D. This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.
- E. If any provisions of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

- F. No teacher shall use his position in the school system to his financial advantage by such activities as preparing lists for sales solicitation, by soliciting sales from his students and their parents, by promoting his employment as a tutor for his assigned students, and by soliciting employment as a private music teacher for his assigned students or by seeking any similar advantage. When teachers are approached by parents to do tutoring during the school year, it is recommended that the teacher inform the principal.
- G. Copies of this Agreement shall be printed at the expense of the Board and one copy presented to all teachers now employed or hereinafter employed by the Board.

The parties agree to meet by April 1st of each year for the purpose of determining the work day for the ensuing school year. Both parties agree that the calendar for each ensuing year will be completed by not later than five (5) working days prior to the regularly scheduled board meeting in May. The parties further agree that the State mandated number of instructional hours will be met as a result of this meeting.

Should a closing(s), because of conditions not within the control of school authorities, require the scheduling of an additional day(s) of student instruction to meet an annual instructional minimum required law, rule or regulation, instructional additional days will be rescheduled as follows:

- The parties agree to meet in an effort to mutually agree on when any make up days should occur. In the event they are unable to agree, the days will be added on to the end of the calendar set forth in Appendix C.
- Should an instructional day be rescheduled and insufficient students attend to count it as a day of instruction, teachers will not be obligated to attend a subsequent rescheduling of the instructional day.

 - c) use unpaid leave time.
