WITNESSETH:

WHEREAS the Board and the Association recognize and declare a quality education for the children of the Johannesburg-Lewiston Area Schools is their mutual aim and that the character of such education depends predominately upon the quality and morale of the teaching service, and

WHEREAS the members of the teaching profession are particularly qualified to assist in formulating policies and programs designed to improve educational standards, and WHEREAS the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment, and

C. Nothing contained herein shall be construed to deny or restrict to any teacher rights he may have under the Michigan General School Laws or applicable civil service laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

D. This Agreement shall supersede any rules, regulations, or practices and policies of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement.

As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

A request must be made in writing to the administration for each personal day three (3) days prior to the date desired except in case of emergency. Personal days are to be used to accomplish activities that cannot be conveniently done at another time. It is further understood that personal business days are not to be used immediately before and/or after scheduled school breaks of more than a day's duration. In the case of extenuating circumstances, one day before or after a scheduled school break of longer than a day's duration, may be granted by the Superintendent. This is seen as being the most positive for the education of our students. Further, any unused personal days may be cashed in at \$75.00 per day, or added to the individual teacher's sick day accumulation. Any accumulated personal days up to June 30, 1996, may be retained by the individual teacher.

F. Upon a 30 day written request to the Board, a maternity leave or childcare leave shall be granted without pay for a period of up to one year and additional time may be granted upon written request to the Board of Education. A teacher may request in writing to the Board to be reinstated prior to the end of the leave, subject to the approval of the Board. When returning from leave the teacher will be assured his/her original position if it still exists. If the original position does not exist, the teacher will be placed in a position for which the teacher is qualified

and certified. The teacher shall notify the Board and Administration in writing, as soon as possible, but not later than 60 days prior to the intended date of return.

G. The teacher may use all or any portion of his/her leave to recover from his/her own illness or disability, which shall include, in part, all disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom shall be treated on the same terms and conditions as are applied to other temporary disabilities, including, but not limited to, these terms and conditions involving commencement and duration of leave, accrual of seniority, reinstatement, continuance within insurance programs, etc.

H. A military leave of absence shall be granted to any teacher who shall be inducted for military duty in any branch of the armed forces of the United States. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule as he would have been had he taught in the District during such period. Leave and benefits accrued shall not extend beyond one inducted period. Upon return from such leave, a teacher shall be assigned to the same position or substantially equivalent position, even if such return necessitates a reduction of staff. Such service time shall not count toward tenure.

I. Deductions from salary made under this policy shall coincide with the number of scheduled school days for that school year, at the rate of 1/179.5 days.

J. Upon application, teachers who have been employed for seven (7) consecutive years in the Johannesburg-Lewiston School District may be granted a Sabbatical Leave without pay for professional improvement of up to one (1) year (limit of two (2) persons per year). It is agreed that professional improvement for purposes of this Article includes, but is not limited to, attendance at a post-secondary educational institution, independent research and study, and travel.

B. At the beginning of the school year, teachers will be furnished with copies of the formal observation and evaluation tool and of the building principal's expectations.

C. It is understood that the Formal Observation Tool and Evaluation Form adopted by the Board will be used as prescribed in its policy and district guidelines.

D. Teacher's Rights:

1. Each teacher shall have the right to review the contents of his own personnel file upon request to the superintendent up to two (2) times a year. Unfavorable material may not be placed therein without allowing the teacher an opportunity to file a response thereto, and said response shall become a part of said file.
2. A teacher shall be entitled to have present a representative of the Association when he is being investigated, reprimanded, warned, or disciplined for any infraction of discipline or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the teacher until such representation of the Association is present. The meeting with the teacher may be delayed no more than twenty-four (24) hours for a representative from the Association to be present.

ARTICLE XI
Protection of Teachers

A. Since the teacher's authority and effectiveness in his classroom is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. The Board further recognizes that the teacher may not fairly be expected to assume the role of warden or custodian for emotionally disturbed students nor to be charged with responsibility for psychotherapy. Whenever it appears to a teacher and his/her principal that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board will take reasonable steps to relieve the teacher of responsibilities with respect to such pupil, upon recommendation of school diagnostician.

1. The teacher has the obligation to report any abuse cases to the proper authority.

B. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his rights and obligations with respect to such assault and shall render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities, if not covered by the Association's insurance, provided the teacher has attempted to follow Board policy.

C. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher providing gross negligence cannot be proven against the teacher.

D. Any complaint made against a teacher or person for whom the teacher is administratively responsible by any parent, student, or other person will be promptly called to the attention of the teacher. Complaints shall not be incorporated into the teacher's evaluation unless the teacher has been informed of the complaint.

E. Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and property, but shall not be individually liable, unless gross negligence can be proven against the teacher.

ARTICLE XII
Negotiation Procedures

A. It is contemplated that matters not specifically covered by this Agreement but of common concern to the parties shall be subject to professional negotiation between them from time to time during the period of this Agreement upon request by either party to the other. The parties undertake to cooperate in arranging meetings, selection of representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters.

B. At least sixty days prior to the expiration of this Agreement, the parties will begin negotiations for a new Agreement covering wages, hours, terms, and conditions of employment of teachers employed by the Board.

C. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within the School District. It is recognized that no final agreement between the parties may be executed without ratification by the Board of Education and by the membership of the Association voting, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining subject only to such ultimate ratification.

D. If the parties fail to reach an agreement in any such negotiation, within sixty days prior to the beginning of the school year, the mediation machinery of the State Labor Mediation Board may be invoked by either party.

ARTICLE XIII
Professional Grievance Negotiation Procedure

A. Any teacher, group of teachers or the Association believing that there has been a violation, misinterpretation or misapplication of any provision of this Agreement or any existing rule, order or regulation of the Board, or any other provision of law (except a statute specifically establishing a procedure for redress) relating to wages, hours, terms or conditions of employment, may within 45 work days of occurrence file a written grievance with the Board or its representative. The Board hereby designates as its representative for such purpose the principal in each school building and the superintendent of schools when the particular grievance arises in more than one school building.

B. Within five (5) workdays of receipt of the grievance the designated representative of the Board shall meet with the Association in an effort to resolve the grievance. Affected teachers may or may not be present at such meeting. If the meeting is with the school principal and the parties cannot agree, the grievance shall be dated and transmitted within five (5) working days, by the Association, to the superintendent or his/her designee who shall have ten (10) workdays thereafter to approve or disapprove it. If the grievance shall be denied by the superintendent, either upon review of the action of the school principal, or in the first instance, the grievance shall be dated and transmitted within ten (10) workdays, by the Association, to the Secretary of the Board, with a statement of reasons why it is being disapproved.

C. Within 25 workdays from receipt of the grievance the Board shall pass upon the grievance. The Board may hold a hearing thereon, may designate one or more of its members to hold a hearing or otherwise investigate the grievance, or prescribe such procedure as it may deem appropriate for consideration of the grievance, provided, however, that in no event, except with express written consent of the Association, shall final determination of the grievance be made by the Board more than 30 days after its submission to the Board.

D. Within 20 workdays, if the decision of the Board is not satisfactory to the Association, the grievance may be submitted to arbitration before an impartial arbitrator selected by the parties. If the parties cannot agree as to the arbitrator, he shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration hearing. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

E. If any teacher for whom a grievance is sustained shall be found to have been unjustly discharged, he shall be reinstated with full reimbursement of all professional compensation lost.

F. The costs of any arbitration under this Article shall be shared equally by both parties involved, the Board and the Association.

G. For administrative convenience, the Board may cause complaints which may be the subject of grievances under this Article first to be presented to the principal for informal processing, in an effort to reduce the number of formal grievances handled under the professional grievance procedure herein established. The parties shall mutually work out procedures for such informal processing upon request, but exhaustion of such informal procedures shall not be required as a condition precedent to invoking the grievance procedure.

H. If the grievance is not filed within the time line, the grievance is considered waived. If determination is not made within the allotted time periods listed above, the solution sought is granted. Workdays are defined as weekdays excluding Saturdays, Sundays, and holidays.

ARTICLE XIV
Discipline Policy

A. Under Michigan Law the teacher is considered to stand in loco parentis, and may use physical force as outlined in the Michigan Corporal Punishment Act, unless otherwise specified in a written directive from the superintendent to a teacher or teachers. Teachers are still allowed to use an appropriate amount of physical force to protect themselves to be consistent with MCL 380.1312.

B. The administration and teachers are responsible for the maintenance of proper discipline in the school.

C. The administration should, therefore, inform the teachers that corporal punishment may be used, within the legal limits outlined above, in those emergency cases which, in the judgment of the teacher, require such immediate action for the preservation of proper order in the class or school, or for the protection of the pupils, teachers or school in general.

D. Teachers will receive full support of the principal and the central administration in any action taken by them pertaining to discipline provided they act within the above defined limits. This support shall include defense of the teacher's action by the principal against complaints of parents as well as by the central administration in the event that a criminal complaint is made or civil court action is instituted for damages.

E. It is essential that a clear understanding should exist between the administration and the teachers concerning the above policy. The administration should, therefore, discuss this important matter with the teachers frequently enough to insure that all are well informed on this phase of the disciplinary problem. The administration should be informed promptly by a teacher when incidents occur which require the use of corporal punishment and as soon after the incident as possible will submit a written report to the principal. This will permit the administration to be of greatest assistance in working with parents and the teacher for a full understanding and solution of the problem.

F. If a teacher must send a student from the room, the student will be sent to the principal, and the office will be notified immediately.

G. The Administration will give all reasonable support and assistance to teachers with respect to maintenance of control and discipline in the classroom and throughout the school, in accordance with the discipline code as established by the Board and the teachers. Furthermore, all reasonable support shall also include protection from liability from students and/or parents in cases of student misuse of the District's electronic resources, whenever teacher negligence is not a factor.

ARTICLE XV
Professional Dues or Fees and Payroll Deductions

A. Within thirty days of the beginning of their employment hereunder, teachers may sign and deliver to the Board an assignment authorizing deduction of membership dues of the Association (including the National Education and the Michigan Education Association, if requested). Such sum shall be deducted as authorized by the Association and approved by the administration.

B. With respect to all sums deducted by the Board pursuant to authorization of the employee, for membership dues, the Board agrees to remit the monies to the Association Treasurer. The Association agrees to advise the Board of all members of the Association in good standing and to furnish any other information needed by the Board to fulfill the provisions of this Article.

C. Upon appropriate written authorization from the teacher, the Board shall deduct from the salary of any teacher and make appropriate remittance for annuities, credit union, savings bonds, and all MESSA/MESFA offerings.

D. Membership in the Association is not compulsory. Teachers have the right to join, not join, maintain, or terminate their membership in the Association as they see fit. Neither party shall exert or put pressure on or discriminate against a teacher as regards to such matters. All full-time teachers in the bargaining unit shall, on or before the thirtieth (30) day following: The beginning of the school year, beginning of their employment, or the execution of the Collective Bargaining Agreement whichever is later, as a condition of employment or of continued employment either:

1. Become members of the Association; or
2. Pay to the Association an amount of money which the Association certifies in writing as a cost (hereinafter referred to as "fees") equal to the negotiation and administration of this Agreement. Such cost amount shall be verified and submitted in writing to the Board on or before September 15 of each year, and notice of this fee shall be presented in writing by the Association to all teachers.
3. Full-time teachers hired during the school year shall be required as a condition of employment, to render (through direct payment or deduction authorization) only a pro rata amount of the fees. Such pro raturum shall be based on a maximum of ten (10) months (school year) and/or the number of months remaining in the school year. (Within a month, it is the majority of days left that shall govern.)

4. Temporary (except as qualified under paragraph 5 of this section), part-time, or specially-certified teachers shall not be required to join the Association or pay a service fee thereto.
5. Definition of a Substitute Teacher. A substitute teacher shall be defined as a temporary per diem employee who is substituting for a regular bargaining unit member during the member's short term absence.

E. In the event a teacher shall not pay the required amount as scheduled, the Board and the Association shall proceed as follows:

1. The Association shall notify the teacher of noncompliance therewith by certified mail, return receipt requested. Said notice shall detail the noncompliance and shall provide ten (10) days for compliance and shall further advise such teacher that a request for discharge may be filed with the Board in the event that compliance is not effected.
2. If the teacher fails to comply, the Association may file charges, in writing, with the Board and may request termination of the teacher's employment. A copy of the notice of noncompliance and proof of service shall be attached to said charges.
3. The Board, upon receipt of said charge and request for termination, shall conduct a hearing thereon. To the extent said teacher is protected by the provisions of the Michigan Teacher Tenure Act, all proceedings shall be in accordance with said Act. In the event of compliance at any time prior to discharge, charges may be withdrawn. The Association, in the processing of charges, agrees not to discriminate between or among various persons who may have refused to pay the fees.
4. The employment of any teacher whose employment may be terminated due to his nonconformity to this Section shall be continued in normal function until the end of the year following the time when there is a final decision by an agency or court of competent jurisdiction (which has not been appealed by the teacher) upholding such termination of employment.

If any court of competent jurisdiction or administrative agency holds that an "agency shop" clause is invalid, illegal, or unconstitutional, or that it violates any Federal or State Law, or that it is in conflict with any Federal or State Law and/or regulation, or if the Legislature enacts a law forbidding the "agency shop" clause, or any part thereof (which this Article does not conform to or with), this Article shall be null and void, and the Association shall reimburse all teachers who have been required to pay either dues, fees or service charge; provided such teacher must

request the Association for reimbursement within thirty (30) days of such court, agency, or legislative decision or action.

In the event the Board or administration, acting on the request of the Association, discharges or attempts to discharge an employee for failure to comply with these provisions, the Association shall assume all costs, indemnify and save harmless the Board, each individual Board member, and all administrators against any and all claims, demands, suits, expenses or other forms of liability, including back pay or unemployment benefits, of whatsoever kind and nature that shall arise out of action taken by the Board or administration for the purpose of complying with the provisions of this Agreement.

ARTICLE XVI
Professional Behavior

A. The Association recognizes that abuses of sick-leave or other leaves, chronic tardiness absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflects adversely upon the teaching profession and creates undesirable conditions in the school building. Alleged breaches of discipline or the Code of Ethics of the Education Profession shall be promptly reported to the offending teacher and to the Association. The Association will use its best effort to correct breaches of professional behavior by any teacher and, in appropriate cases, may institute proceedings against the offending teacher.

B. The Association shall deal with ethical problems arising under the Code Of Ethics Of The Education Profession (available in the superintendent's office) in accordance with the terms thereof and the Board recognizes the Code Of Ethics Of The Education Profession is considered by the Association and its membership to define acceptable criteria of professional behavior.

ARTICLE XVII
Reduction and Recall Procedure

I. Layoff and recall will be conducted in accordance with District Board Policy 3131 and District Guidelines 3131A.

II. Seniority

A. New employees hired into the unit shall be considered as probationary employees as prescribed by the Tenure Act unless the Board grants immediate tenure to a teacher who had tenure previously in another Michigan school district.

B. Seniority within the school system shall be determined by using the following criteria applied in the exact order listed below until a seniority ranking has been established among teachers.

1. Professional qualifications and certification as required by the Department of Education of the State of Michigan.
2. Years of employment during the last continuous service in the Johannesburg-Lewiston Area Schools.
3. Years of employment during the last continuous service in the Johannesburg-Lewiston Area Schools in grades K-6, 6-8, and in subject matter taught in grades 9-12.
4. Total experience in subject or grade levels in K-12 in the last ten (10) years.

C. Continuous service in the School District shall begin with the last date of hire and continue until termination of employment. Transfers, promotions, demotions, leaves of absence, and/or staff reductions (unless a teacher fails to comply with the Board's recall procedure) shall not constitute an interruption in continuous service. Leaves of absence will not count as years of employment. Credit given for outside teaching experience in school districts shall not be considered for the purpose of accumulating seniority, but shall serve to reduce the probationary period in accordance with the provisions of the Tenure Act.

D. All teachers shall have seniority from the last date of hire. Whenever more than one teacher is hired on the same day, placement on the seniority list shall be determined by the Board at the time of hiring by determining the order with which each candidate will be placed on the seniority list.

III. Layoff

A. The Association shall be notified and shall have a right to review the seniority list prior to notification of the individuals to be laid off. The seniority list shall contain the date of hire, certification (elementary, middle school, secondary), qualifications (majors, minors, grade levels), endorsements (subject areas) and highly qualified status for each teacher in the district. In the event of a dispute concerning the seniority list, the Association shall have the right to file a written grievance thereon within not more than three (3) week days after the termination of the meeting requesting review of the list.

B. Teachers who are laid off during a contract year shall be considered as having completed the contract year for purposes of placement on the salary schedule if employed for more than one-half of the school year; otherwise such teachers shall remain on the same salary step.

IV. Miscellaneous

A. Any full time, tenured teacher laid off pursuant to this Article shall have the right to purchase their own insurance as per to law (Cobra, etc.). This will take effect for any teacher hired on or after July 1, 1996. Full time tenured teachers hired prior to July 1, 1996, will continue to receive insurance protection for one calendar year from the date of the layoff or until similar benefits are available to the teacher from another employer. Any part time tenured teacher laid off will be given the same benefits as above only pro-rated to the amount of time worked (i.e. one-half time teacher would receive up to 6 months of benefits).

ARTICLE XVIII
Miscellaneous Provisions

A. Copies of this Agreement shall be printed within twenty (20) days after ratification at the expense of the Board and the Association and presented to all teachers now employed or hereafter employed by the Board.

B. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

C. The President of the Association shall be furnished with a copy of the approved minutes of each regular or special meeting of the Board of Education.

D. A copy of the agenda of each regular or special meeting of the Board of Education shall be sent to the President of the Association prior to said meeting.

E. In the event that this district shall be annexed, consolidated, or otherwise reorganized with one or more district in whole or in part, the Board will use every reasonable effort possible to assure the continued employment of the members of the Association.

F. The Board agrees that before Two-Way Interactive Television (T.W.I.T) or Remote Instructional Delivery (R.I.D.) or other modes of telecommunications instruction, are implemented in the school district, they will negotiate language covering the wages, hours, terms and conditions of employment of bargaining unit members concerning the district's (T.W.I.T.), (R.I.D.), or other telecommunications instruction.

G. The Board shall provide electronic access to its policy and district guidelines, and shall provide the Association President with notification of all updates to these documents within fifteen (15) work days of the formal adoption of any change by the Board. The Board will provide every current teacher and each new teacher a copy of the Board policies and district guidelines for Articles VII (Assignment and Transfer), X (Evaluations and Observations), XVII (Reduction and Recall), and XIX (Discipline and Discharge) replacing the language that has been removed from the contract due to PA 103 of 2011.

ARTICLE XIX
Due Process

A. Discipline and discharge will be conducted in accordance with District Board Policy 3139 and District Guidelines 3139A.

ARTICLE XX
Site-Based Decision Making and School Improvement Planning

The provisions contained in this section shall apply to all school improvement plans (SIP), including those provided in Public Act 197 of 1989, Section 15.1919 (919b) MSA, amended 3/9/90, and in Public Act 25 of 1990 (MCL 380.1277).

In the event that any provision(s) of SIP or application thereof violates or contradicts the collective bargaining agreement in the areas of wages, hours, and terms and conditions of employment of teachers, said changes must be mutually agreed to by the Board and Association, in writing, prior to being adopted and/or implemented.

Participation or non-participation on school improvement and district wide planning teams shall be voluntary and shall not be used as a criterion for evaluation or discipline.

Site-Based Decision (SBD) making is the process by which the teachers at the work site jointly make decisions affecting their working conditions. Decisions made by SBD committees shall not violate the Agreement.

ARTICLE XXI
Mentor Teachers

The Board and Association recognize the need for assignment of mentor teachers to probationary teachers in their first three (3) years of classroom teaching, as required by Section 1526 of the School Code.

A. Mentor teachers shall be assigned in accordance with the following:

1. Every effort will be made to match the mentor teachers and mentees who have the same building level certification.
2. The mentor teacher assignment shall be for one (1) year.
3. A bargaining unit member shall not be assigned involuntarily to serve as a mentor.

B. The relationship shall be confidential and shall not, in any fashion, be a matter included in the evaluation of the mentor or mentee teacher.

C. The mentor will be involved in the development of the mentee's IDP (Individualized Development Plan).

D. The mentor may have, upon request, and as approved by the principal, release time for the purpose of observation or direct work with the mentee during the regular school day and school calendar year.

E. The Board and the Association recognize the importance of the mentoring process and realize that it cannot be completed within the school day. The mentor teacher may accrue up to seven (7) hours of comp time, per year, for the time spent mentoring beyond the confines of the regular school day and school calendar. Such time will be documented and signed by the mentee, mentor, and building principal.

ARTICLE XXII
Least Restrictive Environment

A. The parties acknowledge that the policy of least restrictive environment is legally mandated. It is also recognized that to the extent to which any individual student should participate in regular education programs and services involves considerations of that student's unique needs as determined by an Individual Education Planning Committee (IEPC). Although it is agreed that the student's participation and right to participate in regular education programs and services cannot be affected by this Agreement, the District does agree to consider how the student's placement will affect teachers when determining the student's placement.

B. The District shall determine the need for a teacher who will be providing instructional or other services to a student to participate in the IEPC which may initially place (or continue the placement of) the student in a regular education classroom. The District shall provide release time in the event the District directs or authorizes a teacher to attend an IEPC which is scheduled during a time the teacher is assigned to teach a class.

C. If any teacher has a reasonable basis to believe that a student's current Individual Education Plan (IEP) is not meeting the student's unique needs as required by law, the teacher will advise his/her principal in writing.

D. On a case-by-case basis, the District, after consultation with the teacher, will determine what training and other support should be provided to a teacher(s) who will be providing instructional or other services to a student with an IEP.

ARTICLE XXIII Teacher Responsibility

A. Automated Substitute Management System (ASMS)

For planned absences, the teacher may submit written notification or may use the Automated Substitute Management System (ASMS). The teacher will use the ASMS for notification of absences after school hours, or prior to 7:30 a.m. on the day the teacher will be unavailable. In the event that the teacher cannot access the ASMS system, the teacher will notify the building principal or designee. Members will not be held liable for any ASMS system failure. Administration will supply each teacher with a laminated wallet-size ASMS card containing the information necessary for the teacher to access the ASMS system or to contact the building principal. On the first working day following his absence, each teacher will be required to give his principal a written, signed statement indicating the reason for his absence. Failure to comply with a written statement can result in the withholding of pay for such leave dates.

B. Lesson Plans

It is understood that lesson plans are tools used by teachers for instructional preparation. Lesson plans will be designed by the teacher, and will vary, as they are intended to meet the needs of the individual teacher. Lesson plans may be reviewed once per quarter or as deemed necessary in an IDP (Individualized Development Plan) developed between the principal and the individual teacher. At the time lesson plans or requested copies of lesson plans are reviewed, administration will provide feedback. A first year teacher's lesson plans may be reviewed more frequently as determined in their IDP. Teachers will be required to turn in lesson plan books at the end of the school year. Lesson plan books will be returned to teachers for the following school year upon teacher request.

C. Electronic Grading System

Good communication between students, teachers, and parents on the educational status of each student is essential. Teachers will post grades to the electronic grading system administrator at mid-quarter and at the end of each quarter. As student data is entered into the electronic grading system, said data will also be posted to the web. Teachers are encouraged to do so regularly. Teachers will not be held liable for failure of any component of the electronic grading system or for the actions or inactions of the system administrator. In the event of data loss due to system failure, teachers may be required to re-enter student data. If a teacher is directed to re-enter said data, he will be compensated with comp time. In the event of data loss due to teacher error, the teacher will be required to re-enter student data without compensation. Teachers will maintain a back-up copy of student data in the form of a computer generated printout or a paper grade book.

Training in the use of the electronic grading system will be provided to all new teachers and to any teacher who requests assistance.

D. Internet Acceptable Use Agreement

1. To provide an intellectual atmosphere that includes access to the Internet, Johannesburg-Lewiston School believes that all teachers should have the opportunity to develop skills in using computer technology. Having access to the Internet will allow the teacher to access and use the Internet to transmit material, which is consistent with the educational goals of the school district, as well as allow the teacher to access and transmit appropriate material to be used in the educational environment.

Whereas the parties do recognize the educational value of Internet access at school using district equipment they hereby agree to the following:

3. The parties recognize that in order to support student learning and achievement the teacher must use the Internet access in a responsible manner.

 \$11,000 for Self and Spouse Subscribers
 \$15,000 for Self and Child and Family Subscribers

The Association and Board will mutually agree how such amounts will be distributed and credited (i.e. single, self and spouse, self and child, or family) after the bargaining unit's open enrollment. Upon mutual agreement with the Board of these distribution allocations, a payroll deduction schedule will be developed for the members' premium contributions. These annual employer paid amounts will be adjusted on July 1, 2013 to the maximum payment permitted under Section 3 of the Publicly Funded Health Insurance Contribution Act for each coverage category.

The member's premium contribution will be payroll deducted in equal bi-weekly amounts from the teacher's first twenty-one (21) or twenty-six (26) paychecks, and will not be subject to withholding provided compliance with applicable sections of the Internal Revenue Service Code.

The Business Office will perform a cap audit in May for each member:

2. The business office will inform the member of the anticipated premium payments for the following plan year, beginning with the first pay period following July 1. Member's premium payments will be reduced or increased accordingly.

CALENDAR LANGUAGE

The length of the school calendar will be 179 days. The calendar will reflect 179 days of instruction and ½ day of orientation prior to the beginning of each school year. Included in the total will be the following: (built in, not added on)

1. One (1) 1/2 day record day at the end of each semester.
2. One (1) 1/2 day off before the Thanksgiving break.

In addition to the above, Professional Development days (PDD) will be added as follows, unless legislation changes the number and/or date of compliance. The subject of these Professional Development days will be planned jointly by the Administration and the JLEA. Placement on the calendar will also be planned jointly.

- #1 PDD for the 1999-2000 school year
- #2 PDD for the 1999-2000 school year
- #3 PDD, possibly a full day, for the 2000-2001 school year
- #4 PDD for the 2001-2002 school year
- #5 PDD for the 2002-2003 school year

The first two (2) PDDs were negotiated in the 1996-1999 contract. PDDs three (3) through (5) were negotiated in the 1999-2003 contract.

No professional development days will be scheduled after April 15 of any school year, except in the case of an emergency or state mandate.

Each teacher is expected to accumulate the equivalent of five (5) days of professional development using the current state definition of what constitutes a day and professional development. Upon completion of said hours, the teacher has met their professional development requirements.

To fulfill the Professional Development Days (PDD) requirement, the following breakdown will be used:

- 2 days will be held prior to the start of school
- 1 day will be the day after Halloween when that day is a school day. In the years when it is a weekend day, another weekday near that time of year will be selected. Wednesdays will be the first choice depending on PD topic and speaker availability.
- The equivalent of up to one day will be accumulated from the appropriate staff meeting agendas during the school year.
- 1 day can be any number of opportunities as selected by teacher and following the Michigan Department of Education guidelines and approved by the building administrator.
