ARTICLE 2: NEGOTIATIONS PROCEDURE AND CONTRACT ADMINISTRATION

- A. Both parties agree to enter into negotiations on a new Agreement on wages, hours, and other terms and conditions of employment at least sixty (60) calendar days before the expiration date of this Agreement.

- B. If any provision of the Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and affect.
- C. This Agreement shall constitute the full and complete commitments between both parties and may be altered only through the voluntary written mutual consent of both parties as a signed amendment to this Agreement.
- D. Representatives of the Board and the Association's bargaining committees will meet, upon the request of either party, for the purpose of reviewing the administration of the Agreement and to resolve problems that may arise. These meetings are not intended to bypass the grievance procedure or to constitute the reopening of this Agreement.
- E. There shall be two (2) signed copies of any final Agreement. One copy shall be retained by the Board and one by the Association.

ARTICLE 3: GRIEVANCE PROCEDURE

A. ***Intent***

The primary purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances which may from time to time arise. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure. This Agreement shall not be construed as limiting the right of any bargaining unit member with a grievance, or the immediate supervisor, to discuss the matter informally with an appropriate member of the Administration or Association.

B. ***Definition***

A "grievance" is defined as a claim that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement as claimed by an employee. It is expressly understood that a claim must specifically identify the Article(s) or Section(s) violated and there must be a relationship between the "statement of grievance" and the Agreement provision allegedly being violated in order to be a proper grievance.

C. ***General***

1. For the purpose of processing grievances, "work days" shall be defined as

days on which Central Office is open for business.

2. Time limits provided in this Article shall be strictly observed, but may be extended by mutual written agreement. Should the grievant or the Association fail to meet these time limits, the grievance shall be considered withdrawn. Should the Board fail to meet these time limits, the grievance may be processed on to the next level.
3. This Agreement shall not be construed to prevent any individual employee from presenting a grievance and having the grievance adjusted without intervention of the Association if the adjustment is not inconsistent with the terms of the Agreement. The Association shall be given the opportunity to be present as such adjustment and mutual agreement shall be established before any said adjustment being transmitted to the grievant.
4. There shall be no reprisals of any kind against any employee involved in the grievance procedure.
5. All reasonable requests for available information necessary to the determination and processing of any grievance shall be honored by both parties.
6. All documents, communications, and records relating to the grievance process shall be maintained separate and apart from the personnel file of the employee, except when the employee has requested in writing that the documents, communications, or records be also included in his/her personnel file. This requirement does not include documents supporting any Board action such as evaluations, complaints, initial application for employment.
7. Upon mutual consent, reasonable arrangements for released time may be made when the Association chairperson or designee is needed to participate in any grievance procedure and the employee shall not incur loss of salary when the time has been mutually scheduled by both parties.
8. An employee shall have the right to inspect and acquire copies of his/her personnel file. Confidential letters of reference secured from outside sources shall be excluded from inspection as identified under MCL 423.501(2)(c).
9. An employee may be represented at any step of the grievance procedure by the Association or its agents.
10. The grievance form is available from the Association President.

D. ***Procedure***

Level One

1. Any employee having a grievance shall discuss the grievance with his/her immediate supervisor within ten (10) work days of his/her knowledge of the event or occurrence which is the basis for the complaint.
2. The immediate supervisor shall render an oral decision to the grievant(s) within five (5) working days of the above discussion.

Level Two

1. If the Level One decision is not satisfactory, the oral grievance shall be reduced to writing on the Grievance Report Form and shall be presented to the immediate supervisor and the Association within seven (7) work days of the receipt of the Level One answer.
2. The immediate supervisor shall hold a meeting with the grievant and/or the grievant's Association Representative within seven (7) work days of the receipt of the grievance.
3. The immediate supervisor shall render a written decision to the grievant within five (5) work days of said meeting.

Level Three

2. The Superintendent or designee shall hold a meeting with the grievant and/or the grievant's Association Representative at a time mutually agreeable to them, but within (7) work days of receipt of the grievance.
3. The Superintendent or designee shall render a written decision to the grievant within ten (10) work days of the meeting.
4. The Association Grievance Chairperson may initiate a grievance directly at Level Three when either of the following conditions applies:
 - a. A grievance involves a group of employees in more than one building or an issue applies to the unit as a whole, or

- b. The action precipitating the grievance was initiated by management at a level higher than the immediate supervisor.

When such grievances are initiated at Level Three, the grievance procedure identified in Article 3 A.–C. 1.–10 shall be used.

Level Four

1. Only the Association has the right to appeal a grievance to Level Four. If the Association is not satisfied with the disposition of the grievance at Level 3, the grievance may, at the option of the Association, be submitted to arbitration by written demand for arbitration submitted to the Board within twenty (20) work days of the Superintendent's disposition at Level 3. An individual employee shall not have the right to process a grievance to arbitration.
2. If the parties cannot agree as to the Arbitrator, he/she shall be selected by the American Arbitration Association in accordance with its rules, which shall likewise govern the hearing.
3. The Arbitrator's decision shall be final and binding on both parties to this Agreement.
4. The Board and the Association shall not be permitted to assert in such arbitration proceeding any grounds or to rely on any evidence not previously disclosed to the other party prior to ten (10) work days before the arbitration hearing.
5. The fees and expenses of the Arbitrator shall be shared equally by the Association and Board.
6. The Arbitrator shall render a decision in writing not later than thirty (30) calendar days from the date of the conclusion of the arbitration hearing unless otherwise mutually agreed upon between the parties.
7. The Arbitrator shall not have jurisdiction to subtract from or modify any of the terms of this Agreement or its written amendments, or to specify the terms of a new Agreement, or to substitute the Arbitrator's discretion for that of the parties.
8. The Arbitrator, the Association, or the Board may call any relevant person as a witness in any arbitration hearing.
9. The Association shall reimburse the Board for the cost of a substitute for its witnesses, should any be hired, so that regularly-employed unit members

may be released from normal responsibilities for the scheduled arbitration hearing.

10. The termination of employment of a probationary employee shall not be arbitrable.
11. The arbitrator shall have no power to:
 - a. decide claims for which there is another remedial procedure or forum established by law or by regulation having the force of law;
 - b. require back pay for more than ten (10) days before the date a written grievance is filed;
 - c. award damages beyond the amount of the wages that the employee would otherwise have earned. Any back pay award shall be reduced by any compensation received by an employee from any sources, including unemployment compensation.

ARTICLE 4: BOARD RIGHTS

- A. There is exclusively reserved to the Board all responsibilities, powers, rights, and authority vested in it by the laws and constitutions of the State of Michigan and the United States excepting where expressly limited by the provisions of the Agreement.

The Board retains the right, by way of illustration and not by way of limitation, to continue its rights, policies, and practices of assignment and direction of its personnel; to determine the number and scheduling of all the foregoing; to establish, modify, or change school hours or days; to adopt reasonable rules and regulations; to determine the qualification of employees; to hire, promote, discipline, or transfer employees; assign work or duties to employees; determine the size of the work force and to lay off employees. It is further recognized that the Board, in meeting such responsibilities and in exercising its rights, acts through its administrative staff.

- B. The listing of specific management rights in this Agreement is not intended to be, nor shall it be, restrictive of or a waiver of any rights of management not listed and specifically surrendered herein, whether or not such rights have been exercised by the Board in the past.

ARTICLE 5: ASSOCIATION RIGHTS

- A. The Association shall have the use of school building facilities for meetings at reasonable times when such facilities are not otherwise in use after regular school hours, and during lunch and/or breaks, and shall have the use of equipment

normally available for employee use at all reasonable times and without cost to the Association for Association business. The Association shall pay for the reasonable cost of all materials and supplies incident to the use of said equipment. Use of facilities and equipment shall not interfere with the instructional program. The Association agrees to reimburse the Board for any damages to school equipment entrusted to its use or care for Association business upon competent proof that the Association or one of its members through gross negligence caused any damage to said equipment.

- B. Up to five (5) work days of released time, with pay, will be granted to the Association President or the President's designee to carry out Association business. The Association will reimburse the Board for normal substitute costs. The Association shall obtain the approval of the Superintendent or designee before using these days and the use of these days shall not be inconsistent with the interests of the District.
- C. The Board agrees to furnish to the Association, in response to reasonable requests, information which the Association requires to administer this Agreement and to formulate contract proposals.
- D. Duly-authorized representatives of the Association shall be permitted to transact Association business on school property provided that this activity shall not interfere with normal school operation and/or conflict with normal employee work assignments.
- E. The Association shall be represented on any budget committee where other District bargaining units are represented. The Association shall confer with the Superintendent or designee regarding representation on any other District committees. At the building level, paraprofessionals will be represented by an Association member at staff meetings where topics that would directly affect their working conditions are on the agenda. The Association representative will be paid for attending the staff meeting. Paraprofessionals will also be paid for attendance at any building meeting where their immediate supervisor requires their attendance. Paraprofessionals may also attend other building meetings (non-required) on a voluntary basis after checking with their immediate supervisor.

ARTICLE 6: PAYROLL DEDUCTIONS

- A. The Board agrees to deduct twice each month tax-deferred 403(b) employee contributions and to remit such contributions to a single Board-approved 403(b) vendor or third-party administrator within one (1) week following the deduction subject to the following conditions:
 - 1. The Board-approved 403(b) vendor shall be selected from a list of vendors established by the Michigan Retirement Investment Consortium and the Board.

2. The third-party administrator shall be determined by the Michigan Retirement Investment Consortium and currently is TSA Consulting Group.
3. Any failure by the 403(b) vendor to promptly credit employee contributions transmitted pursuant to this Article shall be addressed by the employee directly with the 403(b) vendor and/or the third-party administrator.

ARTICLE 7: PROBATIONARY EMPLOYEES

- A. All new employees hired by the Board shall be considered to be on probation for a period of ninety (90) work days. Probationary employees who are absent during the ninety (90) work days of employment shall work additional days equal to the number of days absent, and such employees shall not have completed the probationary period until these additional days have been worked. During such period, the employee is not covered by this Agreement and may be terminated for any reason whatever and shall have no recourse to the grievance procedure. At the end of the probationary period, the employee shall be considered a regular school employee unless otherwise notified. The immediate supervisor shall file at least one (1) evaluation of a new employee during the probationary period.
- B. Upon satisfactory completion of the probationary period, the employee's seniority date shall be retroactive to the first day of work. However, the amount of credit for seniority purposes that an employee will receive is subject to Article 8.A.1.
- C. All probationary employees shall be paid during the school year on a twenty-one (21) pay basis, unless a signed written election form is submitted to the Payroll department electing twenty-six (26) pays.
- D. Time worked as a substitute shall not count toward completion of the probationary period, for seniority purposes, or for any benefits under this Agreement.

ARTICLE 8: SENIORITY, LAYOFF AND RECALL

- A. "Seniority" shall be defined as the length of service within the district as a member of the bargaining unit. Seniority shall begin on the employee's first working day and shall accrue within categories. Categories for purposes of this contract shall be as defined in Article 1.B.
 1. Seniority shall accrue on the basis of one (1) full year for full-time employees [30 hours or more per week] and three-quarters seniority for employees working from 22.5 hours to 29.99 hours per week; and, one-half seniority for employees working from 10 to 22.49 hours per week; and, one-quarter seniority for employees working less than 10 hours per week. For example, someone employed for 25 hours/week and working 112 calendar days would

have a seniority multiplier of $.5 \times .75$, which equals $.375$ years of seniority.

Calendar Days of Employment	Seniority Credit Multiplier
120 or more	1.0
60-119	0.5
60 or less	0.00

2. The Board shall prepare, maintain, and post the seniority list. The seniority list shall be updated, revised, and posted in all buildings of the District by the end of January and the end of August of each year. A copy of all seniority list revisions shall be sent to the Association President for written verification before posting or use in layoff. Seniority will accumulate June 30th of each year.
3. Hours worked outside the bargaining unit shall not be used for seniority purposes or for establishing a date of hire.
4. Seniority shall be lost by an employee upon termination, resignation, or retirement from a position within the bargaining unit. Seniority will continue to accumulate while the employee is on layoff.
5. Only members of the bargaining unit shall accrue seniority within the unit.
6. Taking a position outside the bargaining unit within the District shall not constitute an interruption in service with the District. An employee who takes a position outside the bargaining unit shall retain bargaining unit seniority for a period of one (1) year after taking the position outside the bargaining unit. Additional seniority shall not accrue while the employee works outside the bargaining unit during the one (1) year period.
7. If two or more employees have the same seniority and the same date when they first began working, their tie will be broken by using the last four digits of their social security numbers. The employee with the highest number in the last four digits shall have the highest seniority. If two or more employees have the same seniority and different dates when they first began working, the employee with the earlier first working date will be considered as having more seniority. If two or more employees have the same date when they first began working but different seniority as a result of working different contracted hours, the employee with the most seniority shall be more senior. Any changes in seniority ranking shall be sent to the Association President for written verification before posting or use in layoff.
8. Employees shall accumulate seniority at the same rates as if they had not been on leave, for all paid leaves of absence, periods of layoff and for one

full year on an unpaid leave of absence.

9. Hours worked in an overload paraprofessional position shall accrue seniority. This seniority is solely for the purpose of filling vacancies. Seniority shall not be calculated on a regular basis. The seniority earned as a result of employment in an overload position shall be reflected on the seniority list in a separate column.
 10. The seniority list in effect upon ratification of this Agreement shall be controlling in all future situations involving seniority.
- B. In the event it becomes necessary to reduce the number of bargaining unit members, the process governing such reduction shall be as follows:
1. No employee shall be laid off pursuant to a necessary reduction in the work force unless he/she is notified of said layoff at least thirty (30) calendar days before the effective date of layoff.
 2. The employee affected by the position elimination or a significant hour reduction, as defined by Paragraph B. 4 of this Article, shall be the least senior in his/her Category, except when senior employees do not qualify for the position. In no case shall a new employee be hired while there are laid off employees who are qualified for a vacant or newly-created position. The employer shall ask all employees affected if anyone would accept a voluntary layoff. The person accepting a voluntary layoff shall maintain all his/her contractual rights to seniority and/or recall subject to the provisions of this agreement.
 3. Employees whose positions have been eliminated due to a reduction in the work force or who have been affected by a layoff, or otherwise displaced shall have the right to displace less senior employees as follows:
 - a. Members will select jobs in the seniority order, pursuant to the provisions of Article 8.B.3.b.-c. In no event will a member be permitted to select a position that is more than 2.5 hours than the position the employee held before being displaced.
 - b. Category 4 (or highest Category involved) persons will begin. For example, the highest-senior person will have their choice of any Category 4 position with comparable hours. (*Comparable hours* are number of hours needed to maintain current level of benefits), for which they are qualified and for which they have higher seniority than the incumbent OR they may choose to move down to a Category 3, 2, or 1 position. In this case however, they must wait until any higher senior displaced Category 3, 2 or 1 member has chosen a position.

The same process will be used when a Category 3, 2, or 1 member has been displaced.

- c. All positions in Category 4 and Category 3 must be filled by existing Category 4 and Category 3 persons as long as the hours are comparable, the employee has higher seniority and meets the qualifications of the position.
4. In the event of a reduction of the work hours, of more than five (5) hours per week, an employee may claim seniority over another employee for the purpose of maintaining his/her normal work schedule, provided he/she has greater seniority than the employee he/she seeks to replace and meets the qualifications of the position. In no case shall a reduction in any employee's hours take effect until the Board provides ten (10) workdays written notice to the affected employee(s). The employee's failure to respond in writing, within three (3) workdays of the receipt of a notice of hour reduction to the Superintendent of his/her desire to exercise displacement rights, forfeits his/her right to displace and the hours will be reduced.
- C. Employees shall be recalled in reverse order of their seniority to any position for which they are qualified that has *comparable hours* to the position they held before their layoff/displacement.

The District shall notify employees of recall by certified mail. Employees shall have seven (7) calendar days to respond to said recall notice per the provisions of Article 8.C.2. Failure of the employee to respond within seven (7) calendar days shall constitute a break in his/her seniority, and shall result in voluntary termination.

1. An employee being recalled may meet with the Superintendent or designee to review the qualifications required in the available position. If the Superintendent or designee determines that the recalled employee is not qualified for the vacant position, the employee shall remain on the layoff list with no penalty. If the employee disagrees with the determination, he/she shall be able to exercise his/her rights under Article 3 of this Master Agreement.
2. The employee shall have four (4) options to choose from during the notice of recall process. Those options are as follows:
 - a. Accept the notice of recall with comparable hours to the position the employee held before layoff/displacement.
 - b. Reject the notice of recall while retaining future rights of recall. Such rejection shall not waive the employee's right to be recalled in the future, pursuant to the seniority and recall provisions of the

agreement. However, any employee who is either receiving or is eligible to receive unemployment compensation benefits and selects this option waives all rights to unemployment benefits during the remainder of his/her period of layoff, as all parties recognize that the District has offered the employee suitable employment in the same category with comparable hours but in a different position (for example, the Paraprofessional held an ESL (English as a Second Language) position versus a Special Education position before the layoff/displacement.

- c. Ask for and may be granted a leave of absence for the remainder of the school year.
 - d. Reject the notice of recall and be terminated from employment. The employee voluntarily waives all rights of recall in the future.
 - e. Acceptance of an overload assignment shall not constitute a waiver of an employee's right to be recalled to an assignment pursuant to the terms of this Article, as by nature, overload positions are temporary and terminate at the end of each school year. Furthermore, the employee is under no obligation to accept an overload assignment if such an assignment becomes available. However, the employee shall not be considered on layoff for the number of hours the employee works in an overload position, should the employee agree to accept such a position.
- 3. Employees on layoff shall retain seniority for the purpose of recall for a period of two (2) years. Any employee on layoff for more than two (2) years shall lose his/her seniority and shall be considered terminated.
 - 4. Those members who, due to the layoff and displacement process, are employed in a category or position different from the one they were displaced from shall have the first right to return to their pre-layoff position if that position becomes vacant or is fully restored during their two (2) year period of retaining seniority for recall purposes.
 - 5. Accumulated seniority and sick leave will be retained for those re-employed within two (2) years following layoff.

ARTICLE 9: VACANCIES/TRANSFERS

- A. For purposes of this Agreement, a "vacancy" shall be defined as a Board-authorized position which is unfilled and to which no bargaining unit member has a right to return to (i.e., from leave of absence or recall), or when the authorized hours for a position increase five (5) or more hours per week.

- B. When the Board determines to fill a vacancy or create a new position, notice of such vacancy or newly-created position shall be publicized by giving written notice to the Association President, and the Superintendent or designee will provide an appropriate posting in every school building.
1. No vacancy shall be filled on a permanent basis until ten (10) work days after such notice has been given.
 2. When school is not in session, all vacancies shall be posted in the Central Administration Office as described above for at least ten (10) work days before being filled.
 3. If a vacancy is to be filled through recall of an employee on layoff in the same category, Section B of this Article does not apply.
 4. The ten (10) work day period in Section 1 above, will be reduced to five (5) work days for Special Education paraprofessional postings during the period of August 1 to November 1.
 5. The ten (10) day period will begin from the date a posting is placed on the District's website.

The paper copy of the job posting will indicate the date the posting was placed on the District's website and the date the posting is closed.

Copies of the posting(s) will be provided to the Association President and the secretaries in each building at the time of the posting.

- C. Any employee may apply for a vacancy or new position by submitting a letter of application to the Central Administration office. In the recruitment, selection, and appointment to vacant positions within the District, the Board shall recruit, select, and appoint from within the ranks of its employees whenever practicable.

In the selection and appointment process, the finalists among the internal and external candidates shall be chosen as follows:

The position will be awarded to the most qualified individual taking into account his/her knowledge, skills, ability, and experience.

If the candidates are equally qualified and one is internal, the internal candidate shall be offered the position. If more than one of the equally-qualified candidates is internal, the employee with the most seniority shall be offered the position.

The Board will not bypass current employees in the bargaining unit who apply

except to hire a more qualified applicant. The most qualified applicant will be offered the position.

- D. When an internal employee is selected for a new/vacant position, s/he will be granted a three (3) week (15 working days when students are in the building) trial period [which includes ten (10) working days when the employee's immediate supervisor is present and when students are in school, for those employees working in buildings with students] to determine: (1) the ability to perform on the job and (2) the desire to remain on the job. The trial period shall be extended for ten (10) additional working days upon mutual written agreement of the Board and the Association.

During the above trial period, the employee shall have the opportunity to revert to the employee's former position. If the employee's job performance in the new position is determined to be unsatisfactory by the Board, notice of such a finding and reasons shall be given to the employee in writing before the employee is returned to their former position, with the employee having the right to grieve the Board's decision, through Step Three of the Grievance Procedure only.

No action to remove said employee from the position will take place until such time that the grievance process has been completed through Step 3 or should the employee fail to file the grievance on time.

- E. Within ten (10) work days after the expiration of the posting period, the Board shall make known its decision as to which applicant has been selected to fill a posted position. Each applicant shall be so notified in writing with a copy provided to the Association President. Any reasonable request for extension of this time line shall be mutually agreed to by the Association President and the Superintendent or designee.
- F. The Board recognizes that the involuntary transfer of employees should be kept to a minimum and agrees that, if the employee requests, its representative will meet with the employee to explain the reasons for the transfer. The Association recognizes that overload teacher paraprofessionals who are assigned to classrooms may be transferred due to overload changes and that this provision shall not apply.
- G. When a vacancy is intended to be filled on a permanent basis, the District shall have the right to place a substitute in the position. However, the District will NOT continue the use of a substitute beyond sixty (60) work days.

ARTICLE 10: EMPLOYEE RIGHTS AND PROTECTION

- A. Any reasonable complaint directed toward an employee shall be promptly called to the employee's attention when such complaint is to be made part of the employee's

personnel file or a matter of other written record.

- B. Upon request, an employee shall be entitled to have an Association representative present when being reprimanded or disciplined for any infraction of rules or delinquency in performance.
- C. The Board recognizes the concept of progressive discipline and agrees that no employee who has completed his/her probationary period shall be disciplined, reprimanded, reduced in rank or compensation without just cause. Any such reprimand, discipline, or reduction in rank or compensation shall be done privately.
- D. Employees shall have the right upon request, twice a year, to review the contents of their own personnel file. A representative of the Association may, at the employee's request, accompany the employee in this review. A written statement, for inclusion in the personnel files, may then be made in the presence of the Superintendent or designee. "Personnel record" means a record kept by the District that identifies the employee, to the extent that the record is used or has been used, or may affect or be used relative to that employee's qualifications for employment, promotion, transfer, additional compensation, or disciplinary action. A personnel record shall include a record in the possession of a person, corporation, partnership, or other association who has a contractual agreement with the District to keep or supply a personnel record as provided in this subdivision.
- E. Employees believing that material contained in their personnel files is false or incorrect may, at their option, attach a statement to the material outlining their disagreement with the material. Any material which forms the basis of any disciplinary action against an employee, and which the employee believes to be false or incorrect, shall be subject to the grievance procedure. When, in the employee's opinion, misleading or inaccurate documentation is to be inserted into the employee's personnel file, he/she shall have the option to submit a written notation which specifically identifies the statements believed to be inaccurate or misleading and which provides the employee's version with regard to said statement. Such notation shall be submitted within seven (7) work days of receipt of said documentation and shall be attached to same.
- F. Any warning or reprimand involving a minor infraction in an employee's personnel file which does not relate to a recurring incident within a two (2) year period from the date of such warning or reprimand, or does not relate to unprofessional conduct, can be removed from the personnel file by the Superintendent or designee at the written request of the employee. Said warning or reprimand shall not thereafter be used in a future disciplinary action against the employee.
- G. Documents of a disciplinary and/or evaluative nature shall be signed and dated by the employee prior to being inserted into the personnel file. Such signing shall be interpreted to mean that the employee has reviewed the materials in question.

- H. The Board agrees, upon the discharge, suspension, or demotion of an employee, to promptly notify the Association President and the employee of the discharge, suspension, or demotion in writing.
- I. Grievances involving an appeal of discharge, suspension, or demotion shall be initiated directly to Level Three within seven (7) work days of receipt of the written notice provided above.
- J. The parties agree to abide by the Public Employment Relations Act and all other laws, statutes, and the constitutions of the United States and the State of Michigan.
- K. The Board agrees not to discriminate against or between employees because of Race, Religion, National Origin, Age, Gender, Marital Status, Political Activity, Sexual Orientation, or Disability.

ARTICLE 11: LEAVES

A. Paid Leaves

1. Sick Leave

Each employee covered by this Agreement shall accumulate one (1) sick leave day, for each month or major portion of each month worked for a total of ten (10) days per fiscal year, in an individual sick leave bank with a maximum accumulation of 120 days. Probationary employees accumulate sick leave but shall not be granted unearned sick leave days until they have completed their probationary periods. Should an employee leave the unit before accruing the credited days used, sick pay for those days shall be deducted from any final wage payment due to the employee at separation. Sick leave days shall be granted for the following reasons:

- a. **Unable to Perform Duties.** When the employee is unable to perform the essential functions of his/her job due to illness, pregnancy, or disability.

Any unused personal business leave shall be added to the employee's accumulated sick leave each year. There shall be no District-paid religious observance days, but employees may use their personal business days for religious observance.

APPENDIX B

YOUR RIGHTS UNDER THE FAMILY AND MEDICAL LEAVE ACT OF 1993

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to “eligible” employees for certain family and medical reasons. Employees are eligible if they have worked for a covered employer for at least one year, and for 1,250 hours over the previous 12 months, and if there are at least 50 employees within 75 miles.

REASONS FOR TAKING LEAVE: Unpaid leave must be granted for any of the following reasons:

- to care for the employee’s child after birth, or placement for adoption or foster care;
- to care for the employee’s spouse, son or daughter, or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee’s job.

At the employee’s or employer’s option, certain kinds of paid leave may be substituted for unpaid leave.

ADVANCE NOTICE AND MEDICAL CERTIFICATION: the employee may be required to provide advance leave notice and medical certification. Taking of leave may be denied if requirements are not met.

- The employee ordinarily must provide 30 days advance notice when the leave is “foreseeable.”
- An employer may require medical certification to support a request for leave because of a serious health condition, and may require second or third opinions (at the employer’s expense) and a fitness for duty report to return to work.

JOB BENEFITS AND PROTECTION:

- For the duration of FMLA leave, the employer must maintain the employee’s health coverage under any “group health plan.”
- Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.
- the use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee’s leave.

UNLAWFUL ACTS BY EMPLOYERS: FMLA MAKES IT UNLAWFUL FOR ANY EMPLOYER TO:

- interfere with, restrain, or deny the exercise of any right provided under FMLA;
- An eligible employee may bring a civil action against an employer for violations.

FMLA does not affect any federal or state law prohibiting discrimination, or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.
