## EDUCATION ASSOCIATION AGREEMENT

### **PREAMBLE**

This Agreement is entered into July 1, 2020, by and between the Board of Education of the Dansville Schools, (the "Board") and the Ingham Clinton Education Association (ICEA), and the Dansville Education Association (the "Association").

### **WITNESSETH**

**WHEREAS**, a partnership of the Board and the Association recognize and declare shared interests in providing students with quality instruction and a rich learning environment; in providing staff with a professionally rewarding level of income and a supportive work environment; and in fostering a financially secure District; and

**WHEREAS**, it is the purpose of this agreement to reduce in writing the total understanding of the parties regarding wages, hours and working conditions of employees of the Board covered by this Agreement, and that all such understanding written to be mutually binding; and

**WHEREAS**, the members of the teaching profession are particularly qualified to offer advice to the District concerning policies and programs designed to improve educational standards; and

**WHEREAS**, the Board has a statutory obligation, pursuant to the Public Employment Relations Act, MCL 423.201 et seq., to bargain with the Association as the representative to its teaching personnel with respect to hours, wages, terms, and conditions of employment; and

**WHEREAS**, the parties, following extended and deliberate professional negotiations, have reached certain understandings, which they desire to memorialize, in consideration of the following mutual covenants, agree as follows:

### **ARTICLE 1 RECOGNITION**

- A. The Board recognizes the Association as the exclusive bargaining representative, as defined in Section 11 of the Michigan Public Employment Relations Act, MCL 423.211, for all professional personnel on contract with the Dansville Schools, but excluding supervisory and executive personnel, office, and clerical personnel and upon notice to the Association, teachers instructing off-site Michigan Virtual University courses until June 30, 2021. Teachers who are employed in the same position as long term substitutes shall become members of the bargaining unit upon the sixty-first (61st) day of their employment. Instructional staff positions that may not necessarily be teaching positions, such as Speech and Language Pathologist, High School Counselor or other professionals, who pay membership dues, are members of the bargaining unit and therefore are afforded all the rights and regulations of the Agreement except in matters related to teacher tenure.
- B. The Board shall provide to the Association the following information for new bargaining unit employees by October 1 annually or within thirty (30) days of hire, whichever occurs first:
  - 1. Name
  - 2. Home address
  - 3. Personal contact phone number
  - 4. Work e-mail address
  - 5. Building assignment

The above information is provided to the Association for the sole purpose of enabling it to perform its duties as the exclusive representative of employees in this bargaining unit. The Association will use the information disclosed only for that purpose and will use reasonable diligence in safeguarding information as to the employee's home address and personal contact phone number from disclosure to any other persons or entities.

## **ARTICLE 2 BOARD RIGHTS**

- A. The Board, on its own behalf and on behalf of the electors of the District, retains and reserves on itself, without limitations, all powers, rights, authority, duties and responsibilities conferred upon it by the laws and the Constitution of the State of Michigan, and of the United States, including but without limiting the generality of the foregoing, the right:
1. To the executive management and administrative control of the school system and its properties and facilities and the activities of its employees during the working day.
  2. To hire all employees and subject to the provisions of the law, to determine their qualifications and conditions for their continued employment, of their dismissal or demotion; and promote and transfer all such employees.
  3. To establish grade levels and courses of instruction, including special programs, and to provide such student activities, including athletic, recreational, academic and social events, as deemed necessary or advisable by the Board.
  4. To decide upon the curriculum, and the duties, responsibilities and assignments of teachers and other employees with respect thereto, and with respect to administrative and non-teaching activities, and the terms and conditions of employment.
- B. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, and the adoption of policies, rules, regulations, and practice in the furtherance thereof, and the use of judgment and discretion in connection shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms are in conformance with the Constitution and the laws of the State of Michigan, and the Constitution and the laws of the United States.

## **ARTICLE 3 TEACHER RIGHTS**

- A. The Board agrees that it will not discriminate against any teacher as to wages, hours, and other terms and conditions of employment by reason of his or her membership or non-membership in the Association.
- B. The Association and its members shall have the right to use school buildings after school hours for meetings; provided, however, that such meetings of the Association shall not interfere with officially-approved school activities.
- C. Notwithstanding their employment, teachers shall be entitled to full rights of citizenship, and no religious or political activities outside the school day of any teacher or the lack thereof shall be grounds for any discipline or discrimination as to the professional employment of such teacher. The private and personal life of any teacher is not within the appropriate concern or attention of the Board unless it has a direct and immediate tendency to affect the teacher's classroom instruction adversely.
- D. Bargaining unit members not covered by the Teachers' Tenure Act shall not be disciplined, discharged, or reduced in compensation without reasonable and just cause, except as indicated in Article 12 Section F.2.(a). This provision does not apply to non-renewal of probationary teachers.

- E. Teachers may review and receive copies of their personnel record and attach a statement to materials contained therein according to the provisions of the Bullard-Plawewski Employee Right to Know Act, MCL 423.501 et seq. Teachers will be timely notified of the receipt by the District of a request for disclosure of information from their personnel records under the Michigan Freedom of Information Act, MCL 15.231 et seq., and a reasonable opportunity will be provided for a teacher so notified to review the contents of his/her personnel records so that the teacher may personally take such action as he or she deems appropriate in response to the request.

## **ARTICLE 4 PROFESSIONAL COMPENSATION AND CONTRACTS**

- F. The salaries of teachers are set forth in Appendix A which is attached to and incorporated in this Agreement. Such salary schedule shall remain in effect for the years covered by this Agreement. Teachers who are continually employed shall advance only one (1) step increment over the past year, if the increment is available.
  - 1. The salary schedule is based upon a normal yearly teaching load as described in Appendix D, "School Calendar," and Article 5, "Teaching Hours," and other sections of this Agreement. The school year will be governed by the calendar, Appendix D. For extra work, the teacher will be entitled to appropriate additional professional compensation in accordance with Appendix B of this Agreement.
  - 2. Teachers working longer than the established school year (e.g., guidance counselor) shall be compensated at their daily rate of pay.
- G. A teacher engaged during the school day on behalf of the Association with any representative of the Board or participating in any professional grievance negotiation, including arbitration, shall be released from regular duties without loss of salary or loss of leave days if no other time can be found. The Association shall pay for substitute and the employee's retirement.
- H. At the beginning of each school year, the Association shall be credited with ten (10) days to be used by officers or agents of the Association at the discretion of the Association. The purpose of these days is to permit teachers to attend meetings and workshops for the direct benefit of our staff. They agree to notify the Board at least forty-eight (48) hours in advance of the meeting they wish to attend. Substitute pay shall be paid to the Board by the Association at the regular substitute pay rate and the employee's retirement. These are not to be business days of those attending.
- I. Teachers who are called for unavoidable jury duty shall be compensated the difference between the regular daily teaching pay and the daily pay received for the performance of such civic obligations. Those days shall not be charged to sick leave or personal business leave. If the employee is released before the end of the work day, the employee shall contact the principal to see if he/she should return to work.
- J. All part-time teachers shall be eligible for pro-rated salary and benefits computed as described in this section. Salary and benefits shall be computed as a pro-rata fraction of the appropriate full-time salary and benefits, based on the number of minutes of daily duty time worked by the part-time teacher as compared to the number of minutes of daily duty time worked by a full-time teacher at the same level. "Duty Time" shall include both classroom instruction time and non-instructional working time during the duty day (such as 'prep periods,' passing time and time on site before and after the student day).
  - 1. For High School/Middle School teachers, the fraction used for computation of salary and benefits will be the number of teaching periods worked by the part-time teacher divided by the number of teaching periods worked by a full-time teacher (excluding 'prep periods' in both instances). Such teachers will then be assigned to a

reporting/dismissal/prep time schedule which will accumulate to the same pro-rata percentage of a full-time teacher's daily non-instructional duty time, to the extent practical (in terms of curricular schedules).

2. For elementary teachers working less than full-time, their pay and benefits will be prorated in accordance with the amount of student contact time of a full-time teacher.

## **ARTICLE 5 TEACHING HOURS**

A.

1. All teachers report: Ten (10) minutes prior to student contact time and remain for ten (10) minutes after student contact time. Students will not be released to go to their classes earlier than seven (7) minutes prior to the start of school. Student contact time shall include all on-duty preparation and conference time.
2. Exceptions for leaving early are to be restricted to emergency situations or those of an unusual nature. Teachers must receive permission from the administration.

B. All teachers shall be entitled to a duty-free lunch period, in no event less than thirty (30) minutes. However, this time period shall include five (5) minutes passing time for elementary teachers.

C. The normal weekly teaching load shall include at least five (5) unassigned preparation or conference periods. This period will vary in length and frequency from high school to elementary. It is understood that the conference period will be utilized for parent or child conferences, preparation of lessons, counseling, tutoring, and other official school business. The unassigned preparation or conference periods will occur during the regular student day.

1. In addition to the thirty (30) minute duty-free lunch each elementary teacher will receive a minimum of two hundred fifty (250) minutes per week of unassigned preparation and conference time, including at least 20 minutes per day. Otherwise, classroom teachers may use the time at which their classrooms are provided special subject instruction from another certificated teacher as preparation time.
2. At the middle school and high school, the maximum student/teacher contact time per day shall be no more than a weekly average (utilizing a regular five (5) day week) of three hundred (300) minutes. Included as part of the student/teacher contact time shall be any time a teacher is responsible for the supervision of students excluding passing time. The middle and high school may deviate from the above, with the approval of the Board of Education, if a majority of middle or high school faculty and the building principal agree to a revised schedule that does not exceed the minutes of instructional time per day, on an average weekly or monthly schedule. In accordance with paragraph F and H of this Article, the above is subject to change in order to receive full state aid from the State of Michigan.

D. Elementary teachers may be relieved from scoring and recording standardized tests. They shall do the recording on students' records.

1. A schedule shall be set up for regular teachers' meetings to be held once monthly for elementary teachers, in addition to one scheduled grade level meeting per month, which all teachers are required to attend. A schedule shall be set up for regular teachers' meetings to be held twice monthly for middle and high school teachers, which all teachers shall be required to attend. Principals or the Superintendent may call meetings for smaller groups of teachers, beyond the school day, when necessary. The principals shall provide the teachers with an agenda at least twenty-four (24) hours in advance of the meeting.

2. The paragraph above does not include professional development meetings.
- E. The Administration and Association will meet prior to the end of each school year to discuss the effectiveness of professional development activities of the prior year and to discuss the calendar and time needed for the District to receive full state aid.
  - F. Both parties recognize that teachers work beyond the scheduled minimal workday. The calendar does not include the traditional workdays of past calendars. It shall be the responsibility of the professional teacher to use the time necessary to meet timelines of grading and preparation. The traditional workday should be utilized for these and similar activities. The activities may take place at school or elsewhere at the teacher's discretion.
  - G. The Administration and Association representatives shall meet and confer with the intent to mutually agree on a calendar that agrees with the Ingham Intermediate School District's common calendar. The calendars for each school year shall include student time and teacher time. It is recognized that the minimum number of days and minimum amount of time must be met to collect full state aid. It is further recognized that a change in hours, length of teaching periods, number of school days and other similar configurations may occur to meet the minimums established by the State of Michigan for full state aid. Also, it is recognized that the makeup of scheduled student instruction days lost due to school closings may be required to obtain the minimum number of days and minimum amount of time to collect full state aid, which shall not require additional compensation to teachers.
  - H. The Administration will make a sincere attempt to advise all teachers of their assignments by August 15th of each year. Assignment changes after that date will be as limited as circumstances reasonably permit.
  - I. Teachers are expected to remain with their children at all times during the regular teaching hours. Emergency situations should be the only exception, and must be cleared with the Administration as soon as possible. Leaving students unsupervised to run errands that could be taken care of at other times cannot be considered an emergency. Teachers are required to be in their classroom when the second or last bell rings indicating the end of the lunch period and not when the first bell rings as a warning that the lunch period will end.
  - J.
    1. Because the student teacher ratio can be an important aspect of an effective educational program, the parties agree that class size should be lowered whenever possible and to the extent feasible (taking into account the availability of qualified staff, facilities, funds, and state requirements). It is agreed that the following limits on class size represent desired objectives:
 

a. BK	18 students
K	20 students
1-5	25 students
6-12	28 students
    - b. At the beginning of each semester, in no case shall core academic class size exceed thirty-two (32) at the 6-12 level, 29 at the 2-5 level or 27 at the K-1 level unless the teacher grants an exception at their discretion. Class sizes of twenty-eight (28) shall serve as a guide in secondary schools with the exception of activity classes such as physical education, band, chorus, advisory, etc. Physical education classes will not exceed forty (40) students.

- c. The Board of Education will provide some assistance to any teacher, upon request, grades K-2 whose enrollment exceeds the figures in 1a above as follows:
    - Beginndergarten teachers will receive a full-time aide if there are at least thirteen (13) students in the section.
    - K-2 teachers in need of an aide will receive an aide for a minimum of 3.45 hours each day if there are two sections in the grade level and 2.23 hours each day if there are three sections in a grade level, with the intention of one grade level sharing an aide.
    - In the unlikely event that kindergarten numbers reach 25-27 per classroom, each classroom will have its own aide.
    - The teacher is to work out with the Administration and other teachers who may be sharing the same aide a fair and reasonable schedule of most critical times.
    - The Board of Education will consider assistance when any 1st – 5th grade teacher deems there is need for additional support. Factors taken into consideration will include, but are not limited to: assignment of a special education aide in the classroom and their ability to assist, direct assistance during instructional periods, the time of the year, and the number of students with special needs. If the principal rejects the request for assistance by the teacher, the principal will provide a written explanation of the situation.
  - d. Notwithstanding the numbers above, the District will pay for a temporary substitute aide to assist in each kindergarten classroom that exceeds the figure in 1a. above twenty (20) in a classroom. The hours and duration of this position will be negotiated between the Association and the Board. Considerations include: assignment of a special education aide in the classroom and their ability to assist, direct assistance during instructional periods, the time of the year, and the number of students with special needs.
  - e. At the end of September and then monthly thereafter for Kindergarten, the Association and administration will confer and consider either a permanent half-time or full-time aide if it is deemed necessary by both parties.
2. The class sizes suggested above in 1a. are offered as desirable levels and are subject to modification for educational purposes, such as avoidance of split grade classes or half day classes, specialized or experimental instruction, improvement of instructional methods, changes in enrollment or any other valid reason. If the above numbers are exceeded, the principal will explain the situation to the teacher(s) involved.
  3. It is agreed that the provisions regarding class size shall be considered. Expectation of higher student performance is the rationale for consideration of class size guidelines. Smaller class sizes will lead to higher student performance.
  4. Teachers and building principals shall cooperatively distribute the children by grades and/or classrooms. Students with special needs along with other factors shall be considered in making class assignments.
- K. All high school professional personnel will be expected to attend graduation ceremonies, except as approved by the Administration.

In addition, staff who receive administrative approval to miss graduation will be charged ¼ of a personal day.

- L. Scheduled days of student instruction which are not held because of conditions not within the control of school authorities such as inclement weather, fires, epidemics, mechanical breakdown, or health conditions as defined by the city, county, or state authorities, may be rescheduled in the discretion of the Board of Education to ensure that there are a minimum number of days of actual student instruction as established by the State of Michigan is met. Teachers shall receive their regular pay for days which are canceled but shall work on any rescheduled days with no additional compensation.

Only scheduled student instruction days necessary to fulfill the required days of student instruction for full state aid may be rescheduled by the Board. Rescheduling shall be consistent with the School Calendar as mutually agreed between the Board and Association. Any days made up thereafter shall be added to the end of the school calendar in an unbroken, continuous fashion, excluding Saturdays, Sundays, and legal holidays, if any.

Total annual salary is based upon the number of days and hours found in this Article and Appendix D regardless of whether the days actually worked are the same as originally scheduled or are different from those originally scheduled due to rescheduling by the Board. Teachers will be paid an additional per diem rate only for any days which they are required to work as part of the regular school year.

## **ARTICLE 6 TEACHING CONDITIONS**

- A. The Board shall make available restroom and lavatory facilities for teachers use only and a room appropriately furnished and ventilated which shall be used as a faculty lounge and study room.
- B. When a general education classroom teacher is assigned a student from a special education program for severely impaired students (e.g., OHI, SXI, SMI, TBI), the teacher shall not be expected to perform routine, scheduled maintenance of a medical appliance or apparatus used by the student to sustain his/her bodily functions nor render routine, scheduled care or maintenance of exceptional bodily functions related to the student's impaired condition. The teacher shall be informed and instructed as to emergency measures which may be necessary on occasion due to the student's impaired condition. Otherwise, it shall be the responsibility of the teacher to implement the student's Individualized Education Program ("IEP") for attending to the educational needs of the student while in the teacher's class.
- C. Elementary teacher and secondary teachers who are assigned "combination rooms" shall be compensated for such work as provided in Schedule B<sup>1</sup>. At the elementary level, a combination room shall be defined as two grades in one classroom. At the secondary level, a combination room shall be defined as the following combinations of separate courses both taught during a single instructional period:

Spanish III and Spanish IV

If the Board assigns additional multiple course assignments at the secondary level in the future, the Board and the Association agree to re-open negotiations for the limited purpose of determining whether to add such assignment to the above list of secondary "combination" rooms.

---

<sup>1</sup> For secondary combination rooms, the compensation rate shall be pro-rated per teaching period in which a combination setting exists.

- D. Teachers, Administrators, and Board Members will treat each other respectfully. Workplace bullying is unacceptable and will not be tolerated under any circumstances. Workplace bullying is any behavior that harms, intimidates, offends, degrades, or humiliates an employee. Any reports of workplace bullying will be treated seriously and investigated promptly, confidentially, and impartially by the Administration. Disciplinary action will be taken against anyone who engages in workplace bullying. Discipline may or may not involve a warning, transfer, counseling, demotion or dismissal, depending on the circumstance.
- E. The Administration permits the employment of qualified relatives of employees, or the employee's household, or immediate family, as long as such employment does not, in the opinion of the Administration, create actual conflicts of interest. For purposes of this policy, "qualified relative" is defined as a spouse, child, parent, sibling, grandparent, grandchild, aunt, uncle, first, cousin, corresponding in-law, "step" relation, or any member of the employee's household. The Administration will use sound judgment concerning related employees in accordance with the following guidelines:
  - 1. Individuals who are related by blood, marriage, or reside in the same household are permitted to work in the same building, provided no directed reporting or supervisor to subordinate relationship exists. That is, no employee is permitted to work within "the chain of command" when one relative's work responsibilities, salary, hours, career progress, benefits, or other terms and conditions of employment could be influenced by the other relative.
  - 2. Related employees may have no influence over wages, hours, benefits, career progress, tenure, and other terms and conditions of the other related staff member.
  - 3. Employees who marry while employed, or become part of the same household are treated in accordance with these guidelines. That is, if in the opinion of the Administration, a conflict arises as a result of the relationship, one of the employees may be transferred at the earliest practicable time.

## **ARTICLE 7 VACANCIES**

- A. A vacancy shall be defined as when a new teaching position is created or when a teaching position is vacated by an employee who has resigned or otherwise been terminated. Positions eliminated by Board action shall not be considered vacancies.
- B. Any teacher may apply for any vacancy in either a bargaining unit position or an administrative position.
- C. In filling bargaining unit vacancies, the Board agrees to give due weight to the professional background of all applicants.
- D. It will be the responsibility of the Association to keep the Superintendent informed as to the current mailing address of its President.
- E. The Board and the Association recognize that involuntary transfers of bargaining unit employees not covered by the Teachers' Tenure Act may be necessary to implement the provisions of layoff and recall.

## **ARTICLE 8 LEAVE POLICY**

A. Family and Medical Leave Act

Pursuant to the Family and Medical Leave Act of 1993, an employee who has been employed at least twelve (12) months and worked at least 1,250 hours during the prior twelve (12) month period is entitled to twelve (12) work weeks of leave during any twelve (12) month period without pay but with group health insurance coverage maintained for one or more of the following reasons:

1. due to the birth of the employee's child in order to care for the child;
2. due to the placement of a child with the employee for adoption or foster care;
3. to care for the employee's spouse, child, or parent who has a serious health condition; or
4. to a serious health condition that renders the employee incapable of performing the function of his or her job.

A "serious health condition" is defined by the law as an illness, injury, impairment, or physical or mental condition that involves (1) inpatient care in a hospital, hospice, or residential medical care facility; or (2) continuing treatment by a health care provider. Other conditions of the Family and Medical Leave Act shall apply to leaves in this section.

A "rolling year" shall be used for leave accrued.

If an employee fails to return to work on his/her volition, the employee shall reimburse the Board the cost of the insurance premiums made by the Board.

Employees shall be required, where appropriate under the contract, to use paid leave for the purposes of the Family and Medical Leave Act.

- B. Maternity Leave: A teacher may use his/her sick days to extend a maternity leave for a maximum of 10 school days beyond a doctor's release date. The teacher may have the option to use the extended days on an intermittent or reduced schedule if agreed upon by both parties in writing.

Should the extended period as described above occur during summer recess, the teacher will be granted the same 10 day use of sick day extension at the beginning of the new school year.

- C. Sick Leave: Sick leave with pay shall be allowed to each full-time employee amounting to seven (7) days per year, accumulative to one hundred (100) days. Each employee shall receive seven (7) days per year regardless of the number he/she has accumulated; however, these days only may accumulate to the maximum of one hundred (100).

In addition, teachers will have access to a bank of sick leave days established in the 1975-76 school year. When workers' compensation or a disability policy held by the District begins, sick leave days will not be paid or deducted from the bargaining unit members accumulated sick days.

1. Sick leave shall be granted for and include personal illness or physical disability of the employee. The purpose of sick leave is to cover the period of illness or physical disability.
2. Sick leave days may also be utilized for illness in the immediate family. Immediate family is defined as relatives living in the same household as the employee and the employee's parents and parents-in-law, children and grandchildren.
3. Any teacher who willfully abuses, misrepresents, or otherwise violates use of sick leave may be subject to disciplinary action such as loss of accumulated sick leave, docking of pay, or in cases of repeated violations, dismissal.

4. A teacher unable to report for duty because of illness or emergency shall, when possible, call the AESOP System in accordance with the established rules and procedures.
  5. It is the custom and practice of the District to grant sick leave and business days to teachers at the beginning of the school year. Leave days are earned by being in attendance for the full work year. Days given in advance will be deducted if the employee does not perform the attendance requirement. A fraction of a day will not be deducted for any employee, if the full attendance requirement is not met.
  6. To accommodate DEA members who are on maternity or medical leave during scheduled district professional development days, the administration and DEA agree that DEA members on medical or maternity leave will not be charged for sick or personal days for their absences on district scheduled professional development days if:
    - a. the DEA member contacts his/her building administrator prior to the scheduled professional development day to communicate about the absence (or potential absence).
    - b. the DEA member is responsible for seeking out additional administrator
    - c. approved professional development to make up for the hours missed.
  7. As it relates to the handling of snow days, it is agreed that any personnel who are on maternity or medical leave will receive the same consideration, pay and other benefits as the other DEA members.
- D. Retirement Sick Day Payout: Provided written notice of retirement is submitted by the teacher to the Superintendent on or before March 1 of the school year of retirement, the teacher will be eligible for one-half (1/2) day's pay for each unused sick day up to a maximum of seventy-three (73) days. Otherwise, at retirement, the teacher will be eligible for one half (1/2) a day's pay for each unused sick day up to a maximum of fifty-five (55). (Retirement is as defined by the Michigan Public School Employees' Retirement System.) The March 1 deadline may be extended if agreed upon by both parties.
- E. Sick Leave Bank: The sick leave bank is a cooperative project between the Board and the professional staff of the Dansville Schools.

The purpose of the bank is to provide emergency extended sick leave days to teachers through a shared donation of sick leave days. The plan in no way alters the sick leave provisions of the Agreement. The sick bank is not intended to extend maternity leave. The utilization of sick bank days cannot occur until all contractual sick days are used up.

1. Eligibility – Each newly-hired teacher will donate one full day to the sick bank. All teachers, as defined by the Agreement, will participate in the sick leave bank. A teacher must teach at least ½ of the school day to be eligible to draw on the sick bank.
2. Donation of Days – When the number of days in the sick bank drops below ten (10) days, more days may be requested by a majority vote of the DEA membership. The number of days donated will be limited to a maximum of one (1) day per year per teacher.
3. Administration – The DEA Executive Board will make determinations regarding requests for up to ten (10) extended sick leave days. An additional ten (10) days may be granted by the Executive Board in rare exceptional circumstances.

4. Chairperson - The DEA Secretary will be responsible for dispensing request forms for sick bank leave. The DEA Secretary will forward completed request forms to the appropriate body. The DEA Secretary will be responsible for the record keeping of the sick bank.
5. Limits – All teachers will be eligible to receive up to ten (10) days of extended sick leave upon approval of the DEA Executive Board. A special meeting of the DEA Executive Board can be called at the President's request.

Requests for more than ten (10) days shall be submitted to the DEA membership at a regular monthly meeting. A two-thirds (2/3) majority vote is required for approval. A teacher's request for leave may not exceed thirty (30) days in any school year. In case of pregnancy, the request for days will be submitted after the birth.

6. Procedure
  - a. The teacher shall obtain a request form from the DEA Secretary.
  - b. The teacher shall complete the form and have it signed by a physician.
  - c. The teacher shall return the form to the DEA Secretary and will forward it to the DEA President.
  - d. The DEA President will report the decision to the teacher.
  - e. Before receiving extended leave days, the teacher will sign a repayment agreement with the DEA.
  - f. The DEA president will submit written notification to the Superintendent's office for administration action.
7. Teachers who borrow from the bank will sign an agreement with the DEA for repayment. Repayment will start at the beginning of the following school year.

Repayment shall be at the rate of at least five (5) days per year until all days are paid.

In the event that a teacher leaves the District before repayment is complete, the teacher will reimburse the District an amount equal to the number of non-reimbursed days, times his/her daily rate of pay at the time the days were borrowed. Upon receipt of repayment from the teacher, the Board shall return the sick leave days borrowed by the teacher to the bank.

8. The Association agrees that the sick bank is vested in control of the Association as established herein and, therefore, not subject to the grievance procedure. The Association holds the Board harmless for actions of the sick bank committee.
- F. Business Leave: The parties agree there may be personal conditions or circumstances, which may require teacher absenteeism for other reasons than mentioned in this Agreement. The Board agrees that such leave shall not exceed five (5) days per school year. The Board further agrees that these days shall accumulate into the teacher's sick leave accumulation if unused. These days which will not be deducted from sick leave, and are not to be accumulated, may be used under the following conditions:
1. This leave shall be used only to conduct personal business.
  2. Teachers desiring to use such leave shall use the RedRover system to note use of the leave.
  3. It is understood such leave shall not be used for extending recesses (Winter/Spring) or granted for the first or last day of the school year nor on the first working day preceding or the day following a recess period or holiday, except as approved by the Administration.

4. With the exception of the first day of school, members may use one of their personal days for the purpose of extending winter or spring recess. The use of personal days in this manner will be limited to two (2) teachers at the high school, one (1) teachers at the middle school and three (3) teachers at the elementary school.
  - a. The first submission request for personal day use to extend winter or spring recess must be submitted by September 30th of each year by the interested teachers.

1. Purpose of Program: This Program shall be in place to assist beginning teachers who are new to the profession. The purpose of the Mentor/Mentee relationship include: assisting the Mentee to gain an understanding of best practices for quality instruction; providing a one-to-one relationship with an experienced and mature educator as the Mentee becomes acclimated to his/her role as a teacher; and ensuring that the District's educational philosophy is being imparted to the Mentee.
2. Mentor Qualifications: Mentor Teachers will be appointed on a voluntary basis. Current teachers willing to serve in this capacity will submit their names to the principal or supervisor in accordance with any procedures adopted by the District. In order for a current staff member to serve as a Mentor Teacher, he/she must be tenured and have completed at least five (5) years of successful teaching, with three of those in the Dansville Schools, and the staff member must also have consistently demonstrated excellence in teaching.

It is understood that in order to implement Section 1526 and deal with special situations which may arise, Mentor Teachers may be selected from among professional personnel outside the District (such as college professors or retired professional employees) as well as from the instructional staff or administrative staff within the District.

3. Appointment of Mentors: The selection and appointment of all Mentor Teachers will be the responsibility of the District in its sole discretion. When feasible, the Administration may seek input and recommendations from the building school improvement team or other staff advisor(s).

In selecting Mentors, the District will make reasonable efforts to match Mentor/Mentee in regard to compatibility, expertise, and common release time. Mentors shall have demonstrated exemplary classroom management skills and shall have kept abreast of the latest methods in professional teaching technique.

4. Mentor Training: Selected Mentor Teachers will be required to participate in staff development programs on mentoring provided by the District or its designee and to perform other duties outlined by the District and required by the Tenure Law. The Mentor/Mentee will confer before or after student hours, or at common release times such as lunch or conference periods, for the purpose of setting goals or to assess goal attainment, for no less than 30 minutes per

week. Notes shall be maintained by Mentors but are not part of the Administrators formal evaluation process. Mentors will regularly confer with the Mentee's building principal for the purpose of ensuring that the Mentor's suggestions and recommendations are consistent with the principal's policies and expectations in that building.

Mentors shall make personal observations in the Mentee classroom on mutually agreed upon days. The building principal may attend pre- and post- conferences held in conjunction with such observations. Mentors who are also current staff members shall be granted paid release time on the schedule below for the purpose of conducting in-class observation of their Mentee(s). The dates of such release time shall be mutually established between the Mentor and the building principal and the building principal will arrange with a substitute teacher to cover the Mentor's regular teaching assignment on such release days.

These will be days when students are not present. Professional Development is subject to change with agreement between the Board of Education and the DEA. It is for the entire staff to plan, brainstorm, coordinate and be trained on improvements that will directly enhance the educational experiences of students in Dansville Schools. The District School Improvement Team (DSIT), will recommend, plan, and implement the Professional Development programs. The DSIT will establish the delivery of programs focused on the District strategic plan which is based on the state School Improvement Framework.
  2. Staff development time will not be used for grading papers, visiting or personal errands.

## **ARTICLE 15 LAYOFF AND RECALL**

- A. In the event of a reduction in bargaining unit members not covered by the Teachers' Tenure Act, the order of the reduction shall be:
  - 1. Probationary bargaining unit members not covered by the Teachers' Tenure Act shall be laid off first. A probationary bargaining unit member not covered by the Teachers' Tenure Act shall not be laid off unless there is a bargaining unit member not covered by the Teachers' Tenure Act who is certified, qualified, and available to perform the duties of the position the probationary bargaining unit member not covered by the Teachers' Tenure Act is vacating, or unless the position that the probationary bargaining unit member not covered by the Teachers' Tenure Act is vacating is being eliminated altogether.
  - 2. If the reduction of bargaining unit members not covered by the Teachers' Tenure Act is still necessary, then bargaining unit member not covered by the Teachers' Tenure Act in the specific positions being reduced or eliminated shall be laid off on the basis of seniority, except as hereinafter provided. Layoffs made pursuant to this Section shall be made in the inverse order of seniority, i.e. those with the least seniority are to be laid off first. For the purpose of this Article, "seniority" is defined to mean the amount of time an individual is continuously employed within the District. Such seniority shall be measured from the first day of employment scheduled on the job.

Should there be a tie in employment dates of bargaining unit member not covered by the Teachers' Tenure Act scheduled for layoff, the bargaining unit member not covered by the Teachers' Tenure Act retained of those tied shall be the person with the greatest experience in the position(s) remaining, whether such position(s) are created by exercising a necessary bump or assuming a scheduled position. If a tie in employment continues to exist, then lay-offs will be determined by the last four digits of social security numbers, with the lowest number avoiding the lay-off.
  - 3. The Board will provide a current seniority list by October of each year. The Association and the Superintendent agree to meet and establish a seniority rank number, from greatest to least, for such a list. Within twenty (20) days of providing the list, objections shall be made. Thereafter, the list shall be final and conclusive.
  - 4. "Seniority" shall be credited to administrators only for years of classroom teaching within the Dansville Schools.
  - 5. Should reduction in hours take place, highest seniority bargaining unit members not covered by the Teachers' Tenure Act shall be retained in such a manner and to the extent possible in order to maintain a full contract day or year.
  - 6. Bargaining unit members not covered by the Teachers' Tenure Act involved in layoff will receive at least a sixty (60) day notice of impending layoff. Only in case of extreme financial hardship such as unanticipated loss of

revenue causing immediate reductions may such notice be less than sixty (60) days. In any case a thirty (30) day notice will be provided if possible.

7. Approved leaves of absence shall not cause an interruption of continuous seniority; although seniority shall not accrue during leaves. Seniority for laid off teachers shall accrue uninterrupted except that probationary teachers shall not accrue beyond two years while on layoff.
8. If a teacher receives unemployment compensation and is then recalled for his/her regularly scheduled work year, the teacher's salary shall be offset by the unemployment compensation received.

#### B. Recall Procedures

1. Bargaining unit members not covered by the Teachers' Tenure Act on layoff will have rights to recall for three (3) years after their layoff. After the three (3) year period they will be removed from the recall list.
2. Any bargaining unit member not covered by the Teachers' Tenure Act on layoff shall be recalled in inverse order of layoff provided he/she is certified and qualified for the vacancy. No new bargaining unit members not covered by the Teachers' Tenure Act shall be employed by the Board while there are bargaining unit members not covered by the Teachers' Tenure Act who are laid off unless there are no laid off Bargaining unit members not covered by the Teachers' Tenure Act with proper certification and qualification to fill any vacancy which may arise.
3. The Board shall give written notice of recall from layoff by sending a registered or certified letter to said bargaining unit member not covered by the Teachers' Tenure Act at his/her last known address. The address as it appears on the Board's records shall be conclusive with layoffs, recall, or other notice to the bargaining unit member not covered by the Teachers' Tenure Act. If a bargaining unit members not covered by the Teachers' Tenure Act fails to report within ten (10) workdays (excluding holiday) or does not indicate a desire to return to the position offered within the time, said bargaining unit member not covered by the Teachers' Tenure Act shall be considered a voluntary quit and shall terminate his/her individual employment contract. If a bargaining unit member not covered by the Teachers' Tenure Act indicates a desire to return within the time limit above and is under contract to another school district, he/she shall have until the end of the semester in which he/she was recalled to return. It is understood that the bargaining unit member not covered by the Teachers' Tenure Act will make every effort to return as soon as possible.
4. ## APPENDIX B SUPPLEMENTARY PAY SCHEDULE

Percentages will be applied only to the appropriate step of the BA salary schedule for those employees hired or reappointed after the date of 2004-2005 school year.

“Hired” shall be defined as those appointed to new activities within the supplementary pay positions. Thus, employees in a supplementary pay position as of 2004-2005 shall be “grandfathered” within their respective activities and be compensated on the appropriate step of the BA, BA+, MA, or MA+ salary schedule. “Activity” is defined as the same sport or title, i.e. basketball or sponsor. Thus, employees may move to any level or gender without having to change salary schedule lanes or experience.

If an activity is not offered due to lack of student participation, economic reasons, or other administration initiated circumstance and the activity is then reinstated at another time, the schedule B employee will be considered in continuous employment in the position (will not accrue additional years and will not lose longevity in the sport or activity) and will be compensated at the previous step and lane of the BA, BA+, MA, or MA+. A change from one activity to another will dictate that the employee would be starting on the BA lane for the new activity and held continuously thereafter.

Appendix B rates will be adjusted according to the following schedule for those employees newly-hired or reappointed beginning with the 2010-11 school year.
