Excluded from the bargaining unit are: supervisors, substitutes and all others.

ARTICLE 2--RIGHTS OF THE BOARD

- A. The Board retains all rights, powers and authority vested in it by the laws and constitution of Michigan and the United States. All policies of the Board of Education as stated in Board of Education Policies, Board of Education minutes, the administrative rules/guidelines, or powers which heretofore have been properly exercised by it, shall remain unaffected unless changed by this Agreement and shall remain in full force and effect, unless and until changed by the Board. Any additions, subtractions or revisions, as made by the Board from time to time, shall become and remain unaffected by this Agreement, and in full force and effect unless changed by the Board.

Rights reserved exclusively herein by the Board which shall be exercised exclusively by the Board without prior negotiations with the Association, either as to the taking of action under such rights or with respect to the consequence of such action during the term of this Agreement, shall include by way of illustration, and not by way of limitation, the right to:

1. Manage and control the school's business, the equipment, the operations and to direct the work force and affairs of the Employer.
2. Continue its rights and past practice of assignment and direction of work of all of its personnel, determine the number of shifts, hours of work, length of work year, starting and ending times, and scheduling of all the foregoing, and the right to establish, modify or change any work or business hours or days.
3. The right to direct the work force, including the right to hire, evaluate, promote, suspend and discharge employees, transfer employees, assign work or extra duties to employees, determine the size of the work force and to lay off employees.

4. Determine the services, supplies and equipment necessary to continue its operations; to determine the methods, schedules and standards of operation; the means, methods, and processes of carrying on the work; including the automation thereof or changes therein; the instruction of new and/or improved methods, or changes therein.
 5. Adopt reasonable rules and regulations.
 6. Determine the qualifications of employees.
 7. Determine the location or relocation of its facilities, including the establishment or relocations of new schools, buildings, departments, divisions or subdivisions thereof, and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities.
 8. Determine the placement of operations, production, services, maintenance or distribution of work, and the source of materials and supplies.
 9. Determine the financial policies, including all accounting procedures, and all matters pertaining to public relations.
 10. Determine the size of the management organization, its functions, authority, amount of supervision and table of organization.
 11. Determine the policy affecting the selection, the testing or training of employees providing such selection shall be based upon lawful criteria.
- B. The Board reserves unto itself all rights, powers and privileges inherent in it or conferred upon it from any source whatsoever, provided, however, that all of the foregoing being manifestly recognized and intended to convey complete power in the Board shall be limited by the expressed provisions of this Agreement.

ARTICLE 3--ASSOCIATION AND EMPLOYEE RIGHTS

- A. The Association shall have the right to use Haslett school buildings and facilities provided such usage does not interfere with District operations. Requests will be submitted through the procedures established by the District and are subject to the provisions of Board Policy. Any costs above and beyond the building usage policy incurred through such usage shall be assumed by the Association.

- B. The Association shall have the right to use District equipment (including copy machines, audio visual equipment, etc.) with the approval of the Superintendent or his/her designee. Any costs of materials incurred in such usage shall be assumed by the Association.
- C. Where possible, bulletin boards and mailboxes shall be made available to the Association and bargaining unit members in each building that bargaining unit members are assigned to.
- D. Duly authorized representatives of the Association shall be permitted to transact official business on school property, provided that such business shall not interfere with normal operations. Representatives of the Association not employed by the District shall notify the supervisor of the affected employees of their presence.
- E. The Association may request the Board place items of interest to it on the Board agenda. These items must be filed with the Superintendent one (1) week before each regular Board meeting, unless agreed otherwise by the Superintendent or his/her designee.
- F. Upon request, the Superintendent and/or his/her designee shall meet with Association representatives, at agreed upon times, to discuss problems and concerns. At the request of the Association, at least one meeting shall be held each year.
- G. The Board shall make available lunchroom space available when possible, and lavatory facilities in each building where bargaining unit employees are assigned.
- H. Telephone facilities shall be made available for staff use. Phone usage shall be for school-oriented business and/or personal business that cannot be conducted at another time. Unless the call is made collect or on the employee's telephone credit card, no long distance calls are permitted without supervisory approval.
- I. Existing parking facilities shall be made available to bargaining unit members for their use.
- J. The Association shall be notified in advance of any pending policy adoption affecting bargaining unit employees and shall have the opportunity to inform the Board of its opinion on the proposed policy. The Association shall have the opportunity to recommend areas in which policies might be adopted or changed.

- K. Upon request, a bargaining unit member shall have the right to review the contents of his/her personnel file, excluding confidential pre-employment references. At the unit member's option, a representative of the Association may accompany the bargaining unit member in such review. Should the bargaining unit member disagree with the content of any item in the personnel file, he/she may have a written statement attached to the item.

ARTICLE 4--STATE AND FEDERAL LAWS
--

- A. The Board agrees that every bargaining unit member shall have the right to organize, join and support the Association for the purpose of engaging in collective bargaining and to participate in other protected activities for their mutual aid and protection. The Board agrees that it will not directly or indirectly discourage, coerce or deprive any bargaining unit member of any rights conferred under the Public Employment Relations Act.
- B. The provisions of this Agreement shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status or handicap. The prohibitions against discriminatory conduct provided in Section B refer to the scope of protections afforded to protected classes of employees, as defined by state or federal law.
- C. The Association and bargaining unit members agree that they will not authorize, instigate, participate in, encourage, or support any cessation or interruption of services (i.e., the concerted failure to report for duty, stoppage of work, or abstinence, in whole or in part, from the full, faithful, and proper performance of the duties of employment) by any employee or group of employees during the period of this Agreement.

The Association and the bargaining unit members recognize that the provisions of the Public Employment Relations Act convey to the Board the right to implement discipline for a violation of the law prohibiting strikes.

- D. The Board, Association and bargaining unit members agree that there will be no reprisals, directly or indirectly, against any person by virtue of having filed a grievance, a complaint with an administrative agency or by virtue of instituting a legal action in the courts.
- E. In that the Board and Association are subject to the Americans with Disabilities Act (ADA), and other similar state and federal legislation, any adjustments necessary in the contract to reasonably accommodate a bonafide handicap will be submitted to writing and executed by the parties without undue delay. Action will not be initiated by the Board under this

provision without notifying the Association President and permitting the Association to be present during any discussions on accommodation with the employee that impact on the terms of this Agreement.

In the event any provision of this Agreement or application of the Agreement conflicts with the ADA of similar state or federal legislation, the legislative requirements shall prevail. In the event of a claim by the Association alleging that this provision has been misinterpreted or misapplied, this provision shall be interpreted in a manner consistent with the purposes underlying the ADA and other similar federal and state legislation.

- F. Neither party shall have any control over the selection of bargaining team members of the other party. The designated teams will be empowered to reach tentative agreement on behalf of their respective constituencies. Final agreement will be subject to each party's ratification procedures.

ARTICLE 5--PROTECTION OF BARGAINING UNIT MEMBERS

- A. An assault upon a bargaining unit member which has its inception in a school-centered problem shall be reported immediately to the employee's supervisor.

Except where restricted by law, the Board agrees to provide informational assistance to legal authorities and the employee in the investigation and prosecution of complaints under this provision.

If T.B. tests are required by the State of Michigan for certain positions within the bargaining unit, the District will pay the cost associated with the tests through the Ingham County Public Health Department, if not covered by the employee's personal hospitalization plan. If an employee prefers to go to his/her own health care provider, the reimbursement will be limited to the cost charged by the Ingham County Health Department.

Child care teachers who work during winter and spring break will receive an equivalent number of days off on an unpaid basis. The maximum number of days off will be five (5) and the scheduling of such days is subject to mutual agreement between the supervisor and employee.

- B. If an employee is complained against or sued by virtue of disciplinary action taken by the employee against a student, the Board, after review of the case and its determination that the employee acted within the scope of Board policy and law, shall provide informational assistance to the employee in his/her defense.

- C. Bargaining unit employees have a primary responsibility for assisting with student discipline and control. The Board will provide reasonable assistance and support to employees in the implementation of the District's policies and procedures governing student conduct and discipline.
- D. A bargaining unit member who believes an unsafe or hazardous condition exists within the work place, shall notify his/her supervisor. Complaints received under this section will be investigated without undue delay.
- E. After the employee's second anniversary date, the District will reimburse up to \$35 for office visits necessary to obtain a physician's fitness statement required by the State of Michigan.

ARTICLE 6--DISCIPLINE AND RELATED ISSUES

- A. Bargaining unit members are expected to comply with reasonable rules, regulations, and directions which are not inconsistent with the terms of this Agreement.
- B. The Association and employees recognize that abuses of sick leave or other leaves, chronic tardiness or absences, deficiencies in performance, and other matters, adversely reflect upon the District and create undesirable conditions in the school building. When such problems exist, the Board will indicate to the bargaining unit member the expected correction(s) through the approved evaluation process. The bargaining unit member will be allowed a 90-day period of time for improving issues of concern.
- C. Probationary employees shall be subject to discipline and/or discharge without recourse to the grievance procedure. No non-probationary employee will be disciplined without reasonable and just cause.
- D. Upon request, an employee shall be entitled to have a representative of the Association present when being disciplined. Such a request will not unduly delay the implementation of any disciplinary action.
- E. Normally, progressive discipline will be applied and in general may include oral warning(s), written reprimand(s), suspension(s) and discharge. While a progressive process will be followed under normal circumstances, the Board reserves the right to bypass the normal progression when the nature or severity of the offense warrants it or where the employment history of the employee involved warrants a deviation from the normal progression.

- F. Employees with a criminal history, or employees who have upon verification and review falsified their employment application, may be discharged at the discretion of the Board.
- G. Written discipline will be signed or received in summary form by the employee and will be placed in the personnel files.

After a period of two (2) years from the date a written disciplinary action is issued, a bargaining unit member may request that the Personnel Office remove a disciplinary letter from the personnel files. The decision to remove the letter from the files will be by mutual agreement between the employee and the Personnel Office, and in the absence of agreement, is not subject to the grievance procedure.

ARTICLE 7--WORK SCHEDULES AND RELATED ISSUES

- A. The Board will continue to publish annual work calendars as it has done in the past. The Board reserves the right to make changes as necessary in the calendars throughout the year. It is understood that affected employees will be notified of any changes made by the Board after the initial calendars are distributed in the fall.
- B. When schools or programs are cancelled for the day due to inclement weather or other conditions beyond the control of the Board, employees will be notified by radio, T.V. or by phone.

Employees will be paid for Act of God days provided the District receives state aid for the day.

Employees absent on days covered under Section B will not be eligible to utilize paid leave time nor will paid leave time be reduced where the request was submitted by the employee in advance.

In the event schools or programs are dismissed early, employees may be dismissed without pay for the remainder of the day.

In the event schools or programs are affected by a late start, employees may be directed to report late and will only receive pay for the hours actually worked for the day.

Subject to supervisory approval, employees who are not required to work on days when schools or programs are cancelled or whose work schedules are influenced when schools or programs are impacted by delayed starts

or early dismissals, may work all or portions of their normal daily schedule.

- C. The Board reserves the right to continue to direct employees not to report for the day, or to send employees home for the day without pay when insufficient numbers of students or program participants are in attendance on any given day.
- D. The building principal or supervisor shall determine the daily work schedule and assignment of employees. Any bargaining unit member who is assigned to work additional hours beyond the employee's regular daily schedule will be paid at his/her regular hourly rate of pay unless the employee is eligible under law for overtime payment.
- E. Employees will be paid at the rate of time and one-half for all assigned hours worked over forty (40) hours within a work week. All overtime hours must have the prior approval of supervision. Paid time off, regardless of origin, will not be counted for purposes of computing overtime pay eligibility. Bargaining unit members who are assigned work schedules that require them to work for at least four (4) consecutive hours shall be granted a duty free unpaid fifteen (15) break.
- F. Employees interested in attending a conference, whether or not during work time, will direct the request to their supervisor. The supervisor will make the final determination regarding the level of fees and expenses to be reimbursed on a case-by-case basis. Employees may be released from work with or without pay to attend approved conferences or may be permitted to utilize a personal business day. Employees will not receive pay for attendance at conferences outside of the employee's regular work hours, unless initiated by the Board.
- G. The Board will publish tentative work assignments before June 30 for the subsequent school year. The Board reserves the right to make any changes deemed necessary in assignments prior to and throughout the school year.
- H. The Board will provide at least six (6) hours of in-service training each year. The bargaining unit members shall receive the appropriate pay for attending the training sessions.
- I. When filling positions for Kids Connection programs, first priority will be given to current Kids Connection employees when scheduling staff for "no school days" and summer employment. Second priority will be given to

other child care program employees. Third priority will be given to other district paraprofessionals.

The splitting of a Head Teacher position will only be granted if approved by the Kids Connection Supervisor and if qualified personnel have applied for summer employment with the Kids Connection program.

- J. Special Education paraprofessionals shall be in attendance at IEP meetings and planning sessions when invited to do so by the Director of Special Education. If the Special Education paraprofessional is not invited to attend the meetings, the Director of Special Education, the Building Principal, or the Teacher involved will advise the paraprofessional of any changes in the education plan within one week of the IEP meeting.

Paraprofessionals who are approved to attend required in-service/staff meetings by their immediate supervisor shall receive appropriate pay for attending.

ARTICLE 8--VACANCIES

- A. The vacancy procedures set forth in this article shall not be construed to prohibit or restrict the Board in realigning work hours or implementing transfers prior to posting the position.

Employees interested in changes in assignments, additional hours, or changes in work schedules within their Classification (See Article 10-C), will notify the Personnel Office in writing.

- B. When the Board has determined a vacancy exists, a notice will be posted within each school building in the District and the Central Office for a minimum of five (5) business days.

Vacancies will not be posted when qualified and eligible employees are on layoff.

Employees interested in a vacancy shall submit a written application to the Personnel Office.

- C. In assessing internal and external applicants for a vacancy, the Board considers such issues as qualifications, work experience within and outside the District, attendance, interpersonal skills, communications skills, education, training and other relevant factors.

The final determination as to which applicant is assigned to a vacancy rests with the Board.

All internal candidates will continue to be notified formally as to the outcome of the selection process. Upon request, an applicant from within the bargaining unit who is denied a position will be given an explanation.

Employees assigned to a vacancy outside of their Class (See Article 10-C), will serve a trial period in the new position. The trial period will not exceed a period of twenty (20) work days. During the first five (5) days of the trial period, the employee may return to his/her former position. Employees may not exercise this right more than one time on posted vacancies within any twelve month period of time. If the employee is not meeting the expectations of the Board during the trial period, the employee may be reassigned to his/her former position.

With the exception of changes in Classification within Class 1 (See Article 10-C), the trial period provisions will also apply to changes in Classification.

- D. Employees will be allowed to maintain more than one position within the bargaining unit where work schedules are consistent with the District's needs and where the assignment would not result in the payment of overtime.
- E. Temporary vacancies need not be posted under the provisions set forth above. Temporary vacancies are defined as situations requiring temporary labor needs for less than forty-five (45) work days. In the instance of a temporary need involving a Special Education Paraprofessional, the period may be extended up to sixty (60) days. Further extension in either instance will require mutual agreement between the parties.

The above referenced forty-five (45) work day limit will not apply for the duration of the summer component of the Kids Connection program.

- F. Employees will not be prohibited from applying for positions within the District which are outside the bargaining unit.

In the event the employee is offered and accepts such a position, seniority and other rights accrued while assigned within the bargaining unit shall be frozen for a period of two (2) years from the effective date of the assignment at which time all such rights will be forfeited.

ARTICLE 9--SENIORITY, LAYOFF AND RECALL

- A. Newly hired bargaining unit members shall be considered as probationary employees for the first ninety (90) work days. Upon the completion of the probationary period, the employee shall be entered on the seniority list. The seniority list will reflect the first work day as the date of hire. There shall be no seniority among probationary employees.
- B. Seniority shall be defined as the number of continuous years of service within each class set forth in Section C below. Employees who transfer between classes will have seniority in his/her former class frozen. Employees simultaneously assigned to more than one (1) class will accrue seniority in both classes.

Ties on the seniority list shall be broken by the first three digits of the employee's social security number with the employee having the higher number being placed first.

Seniority shall not accumulate while on unpaid leaves of more than ninety (90) calendar days within a fiscal year with the exception of military leaves. Unpaid leaves of absence shall not be considered an interruption in continuous years of service.

Employees will lose seniority if the employee quits, is absent for three (3) or more consecutive days without approval, or fails to return from recall in a timely fashion.

- C. Class for purposes of this Article shall mean the following four (4) Classes:

Classifications

Class 1: Child Care
Building/Office
Student Supervision (defined as recess, lunch room, bus loop and bus)
General Education Classroom
Special Education Paraprofessionals

Class 2: In-school Suspension

Class 3: Instructional Aide (defined as Title I and At Risk)

Class 4: Child Care Teachers

D. Classification for purposes of this Article shall refer to the specific job titles detailed within each Class set forth above in Section C.

E. Layoff shall be defined as a reduction in the number of employees within the bargaining unit. In the event it becomes necessary to lay off employees, the following procedures will be implemented:

1. Temporary and probationary employees within the affected classes will be laid off first.
2. In the event it is necessary to lay off senior employees, the least senior employee within the affected classification will be laid off first provided the more senior employees within the classification are qualified for the positions scheduled to be retained.

A senior employee who is unable to retain a position within his/her current classification may displace the least senior employee within another classification within the Class, provided the employee is qualified.

F. Attempts will be made by the Employer to keep Employees likely to be affected by layoff informally updated. Employees scheduled to be laid off shall be given at least five (5) working days' notice prior to the effective date of the layoff. Upon request, the Employer will meet with the Association President to review the layoff list prior to its implementation.

G. Employees will be recalled to positions within the Class from which the employee was laid off in the inverse order of layoff, provided the employee is qualified. Notice of recall will be sent by certified mail to the employee's last known address on file with the Employer. A copy of recall notices will be sent to the Association President.

Employees will have five (5) calendar days to return to work, except under extenuating circumstances authorized by the Superintendent. The refusal to grant an extension shall not be subject to the grievance procedure.

Recall rights shall terminate twelve (12) months from the effective date of the employee's layoff.

H. The EI Classroom Special Education paraprofessional and Special Education paraprofessionals who are assigned to a specific student shall not be displaced by virtue of the procedure set forth in Section E above during the course of the instructional year.

ARTICLE 10--PAID LEAVE DAYS

- A. Employees will receive eight (8) sick and two (2) personal days per year. Once an employee has at least five (5) full years of service at the beginning of the contract year, the employee will receive ten (10) sick and two (2) personal days per year. Employees working the summer months will be awarded two (2) additional paid leave days at the beginning of each contract year.

For payroll purposes, a day for purposes of this Article shall refer to the number of hours the employee is regularly scheduled to work.

Leave days may be utilized for the following purposes:

1. Illness or disability of the employee.
2. Medical or dental appointments of the employee, provided the employee cannot schedule the appointment outside of work hours.
3. Two (2) days may be utilized as personal days, subject to the following restrictions:
 - a. Such days will not be approved on the workday immediately preceding or immediately following a holiday or vacation period or for the first or last day of work calendar. Bargaining unit members may not use more than three (3) personal days consecutively. Friday and Monday are considered consecutive days. The Superintendent, or his/her agent, may, at his/her discretion, make exceptions to the above should an emergency arise.
 - b. The employee must give at least seven (7) calendar days notice, unless the employee can demonstrate why timely notice could not be given.
 - c. The Superintendent or his/her agent may, at his/her discretion, extend additional paid personal days to be deducted from the employee's available paid leave time.
 - d. Personal leave days shall be accumulative to a maximum of five (5) days. A bargaining unit member who has accumulated five (5) days of leave and does not use any of the days in a given year, shall have two (2) of said personal days added to his accumulated sick leave at the end of the school year in which none of the five (5) personal leave days were used. Bargaining unit members who have accumulated

more than three personal leave days at the end of the school year shall have the number of days exceeding three (3) credited to their sick leave accumulation before receiving the additional personal day allotment for the next school year.

4. a. A bargaining unit member who is directed by the District to seek medical attention due to an illness or injury which is compensable under the Workers Compensation Act shall be considered to be on paid leave for that day or portion of that day and not have their leave bank charged for the absence where the duration of the absence has not qualified the bargaining unit member for payments under the Act. Any subsequent absences due to the illness or injury shall be charged to their leave bank where the duration of the absence has not qualified the bargaining unit member for payments under the Act.
 - b. If a bargaining unit member is entitled to worker's compensation and is penalized by reaching the cap imposed by worker's compensation guidelines, the District shall allow the employee to make up the salary difference using sick leave time so that his/her pay is $66 \frac{2}{3}$ percent of gross or 80 percent of his/her regular net pay for a period of up to one year or 12 months.
5. Bargaining unit members shall be required to call their supervisor or designee at least two (2) hours prior to the start of their day when reporting ill, unless due to the circumstances, two hours notice cannot be given.
- B. Bargaining unit members will receive up to five (5) days off with pay due to a death in the immediate family. Immediate family, for purposes of this provision, shall be defined as spouse, children and parents (including step-children and step-parents). The bargaining unit member may use up to three (3) days for the death of siblings, grandparents, grandchildren, corresponding in-laws and "steps".

The superintendent may, at his/her discretion, extend the period of leave. The extension will only be compensated if the employee is eligible for paid leave days, as set forth in section A above, and has paid leave days available.

- C. Leave with pay will be granted for an employee who is called for jury duty. The employee shall be compensated at his/her regular rate of pay, provided the employee remits any compensation (excluding mileage) received as a juror to the District.

- D. An employee who is called as a witness in any case connected with the bargaining unit member's employment, shall be granted leave without loss of salary and/or paid leave time.

Whenever an employee is subpoenaed to attend any other proceeding, the employee shall be granted one (1) day's pay if the employee is eligible for paid leave time under section A above, and has paid leave available.

Employees shall not be eligible for pay to attend hearings where the employee is testifying against the District.

ARTICLE 11--UNPAID LEAVES OF ABSENCE

- A. Any bargaining unit member absent due to compensable injury under the Workers Compensation Act or whose personal illness or disability extends beyond the period compensated by paid sick leave in Article 11, may be granted a leave of absence upon request, for a period of up to one (1) year. The one (1) year period shall be measured from the employee's first day of absence. Section B shall apply to the first twelve (12) weeks of such leave time in a year.
- B. Upon proper and timely application, an eligible employee will be granted a qualified leave of absence as required under the Family and Medical Leave Act of 1993 (29 USC 2601) and Board Policy 5660, for a total period of up to twelve (12) weeks per year.

A rolling twelve month period will be utilized in all cases by the Board in assessing the amount of time an eligible employee has available for qualified leaves under the Act.

The Board may require an employee to utilize available paid leave time (e.g., sick leave, etc.) and such time will be utilized in computing available time off under the Act.

In general, intermittent and reduced schedules will not be approved absent mutual agreement between the employee and the Board. Proper consideration, when medically necessary, will be given as required by law in such instances, and alternate assignment(s) may be instituted by the Board.

In the event an employee and his/her spouse are employed by the District, whether within or outside of the bargaining unit, an aggregate of twelve (12) weeks will be provided, unless the leave time is attributable to a serious health condition that makes the employee unable to perform the

functions of his/her position. In such instances, the total amount of time for each spouse will not exceed twelve (12) weeks for all leaves covered by the Act.

Insurance benefit payments will continue for an employee absent on a qualified leave under this section.

Employees returning from such leaves will be returned to the same or an equivalent position.

In the event this Article or other portions of this Agreement extend greater benefits to an eligible employee in relationship to qualified leaves, the provisions of the Agreement shall prevail.

- C. Leaves of absence for other purposes, including requests for unpaid days off, shall be made in writing to the superintendent, with a copy of the request being sent by the employee to the employee's supervisor. The granting of such leaves is discretionary. Staffing needs, the employee's attendance record and other relevant factors will be taken into consideration by the superintendent, or designee, in making a decision on the leave request.
- D. The following general provisions will apply to all leaves of absence under this Article:
 - 1. Except as set forth in Section B above, the leaves of absence under this Article shall be without pay and benefits.
 - 2. Except as set forth in Article 10, Section B, seniority shall not accrue while on leave under this Article.
 - 3. The position of an employee absent on an unpaid leave of absence may be filled with a substitute.
 - 4. Employees may be required to provide periodic status reports while on leave under this Article and will be required to provide medical verification or other certification in support of an initial request for leave.
 - 5. Failure to return to work at the end of an approved leave of absence will be considered a voluntary resignation and the Board may require the employee to repay insurance premiums paid if the leave was authorized under Section B.

6. All requests for unpaid leave, including requests for extensions of approved leaves, are to be directed to the superintendent in writing, with a copy to be supplied by the employee to the employee's supervisor. Where leaves of absence are foreseeable, employees are required to provide at least thirty (30) calendar days' notice. Where not foreseeable, employees are required to provide notice as soon as practicable.
7. Employees are expected to provide thirty (30) calendar days' notice of intent to return from an approved leave of absence under this article, unless the duration of the leave is less than thirty (30) days.

ARTICLE 12--HOLIDAYS

Employees regularly scheduled to work at least twenty (20) hours per week will receive holiday pay subject to the following provisions:

1. The paid holidays shall be Labor Day, Thanksgiving Day, Day After Thanksgiving, Christmas Eve, Christmas Day, New Year's Eve Day, New Year's Day, President's Day and Memorial Day.

Employees whose regular assignment includes the summer months, will also receive pay for July 4, if assigned to work.

2. Holiday pay shall be based upon the employee's regularly scheduled work day, or average hours per day for the week if he/she doesn't work five days per week or the same hours every day.

ARTICLE 13--INSURANCE

Eligibility

- A. Employees who were hired prior to July 1, 2007 and are regularly scheduled to work at least thirty (30) or more hours per week, or employees who were hired after July 1, 2007 and are regularly scheduled to work at least thirty-five (35) or more hours per week, as assessed during the open enrollment period for insurance benefits, or who are new hires during the year and are regularly scheduled to work the required number of hours referenced above, shall receive the following benefits:

For the period commencing August 31, 2013 through December 31, 2013, the coverage shall be as follows:

1. MESSA – Choices II (Single Coverage Only)
\$10/\$20 Rx
\$200/\$400 Deductible
\$20 Office Visits

For the period commencing January 1, 2014, the coverage shall be as follows:

MESSA – ABC Plan 1(OV copay; UC copay, ER copay – N/A)
ABC RX

\$1250/\$2500 in-network deductible (\$2500/\$5000 out-of network deductible) or the deductible minimum for a health benefits plan to comply with HSA eligibility, as determined by the Internal Revenue Service (IRS). In the event that the IRS increases the minimum deductible amount, the above states deductible shall be adjusted to that amount. However, no increase in the minimum deductible shall result in the District exceeding the spending limitations contained in Publicly Funded Health Insurance Contribution Act (2011 Public Act 152) or any successor enactment.

On January 1, 2014 the District shall deposit an amount equal to \$200 less than the annual in-network deductible amount for single subscribers into a Health Savings Account (HSA) for each bargaining unit member who enrolls in MESSA ABC Plan 1. Provided however, if a bargaining unit member has enrolled in MESSA ABC Plan 1 and is ineligible to receive the HSA contribution specified above due to limitations established by the Internal Revenue Service, the above amount that he/she would otherwise be eligible to receive shall be paid directly to the bargaining unit member as an off-schedule payment. The District's deductible HSA contribution for new bargaining unit members shall be prorated based on the beginning date of employment. Employee's who enroll in Plan A due to a qualifying event, as defined in the district's plan document, shall also be prorated on the effective date of coverage.

Employees who are eligible for benefits as defined above and elect not to participate in the district's health insurance plan, shall be entitled to a monthly cash payment of \$80 per month.

The employee will pay 20% of the premium cost for medical insurance coverage provided for by the employer. All employee contributions are part of the employer's cafeteria benefit plan and are not subject to tax. All employee contributions will be deducted as a condition of the Master Agreement.

If an employee's regular schedule of hours is increased on an ongoing basis during the year in such a fashion that the adjusted schedule places the employee in a benefit level status the employee will not be eligible for benefits until the next open enrollment period.

Employees may not enroll in the district's health insurance plan if they are currently eligible to enroll in another plan. Once the bargaining unit member has designated insurance coverage, it shall not be altered except as may be required due to a change in family status, marital status and/or economic status, until the next open enrollment period.

Bargaining unit members who are employed less than thirty (30) hours per week shall not be eligible for benefits under this article. Bargaining unit members who are hired after July 1, 2007 and work between thirty (30) and thirty-five (35) hours per week, shall receive the appropriate pro-rated share of board-paid benefits.

- B. Any employee paid contribution, as set forth above, will be payroll deducted as a condition of the master contract, pursuant to the authority set forth in M.C.L.A. 408.477.
- C. The Board's obligation under this Article is to make the contributions toward hospitalization for eligible employees as defined herein. Any disputes relative to claims or other matters rests between the employee and the insurance administrators and underwriters in accordance with their rules and regulations.
- D. The Board's premium contributions for eligible employees on leave of absence will terminate at the end of the month following the last day the employee was on payroll, unless a greater period is required under the provisions of the Family Medical and Leave Act.

Eligible employees who complete the work year and are laid off will be eligible to continue to receive the contributions until the beginning of the next open enrollment period.

- E. Employees not eligible for a hospitalization premium contribution from the Board, may, subject to the rules and regulations of the insurance administrators and underwriter, participate in hospitalization plans available through the Employer. The premiums for employees wishing to enroll will be paid by the employee through payroll deductions as a condition of this contract pursuant to the authority set for in M.C.L.A. 408.477.

In the event that the 2013-2014 blended FTE pupil membership, as determined by the 2013-2014 audited and MDE approved blended pupil membership (for appropriations under the State School Aid Act) exceeds 2724,

the District shall remit off-schedule compensation to bargaining unit members as follows:

- For each blended FTE pupil that exceeds 2724, 7% of the per pupil foundation allowance attributable to each such additional pupil shall form the aggregate amount for distribution.
- From that aggregate amount will be subtracted all District MPERS and FICA costs attributable to the aggregate amount.
- From that aggregate amount will be subtracted any additional health insurance cost resulting from a premium rate increase in excess of 5% or above over the 2012-2013 premium rate for both MESSA Choices II and MESSA ABC Plan 1. Costing will use census data in effect as of July 1, 2013.
- The resulting net amount will be distributed in equal shares to all full-time bargaining unit members (less deductions required by law) on the second payroll in April 2014. Part-time bargaining unit members shall receive a pro-rated share based upon the relationship of their assignment to that of a full-time bargaining unit position. For purposes of this paragraph, full-time shall be defined as members who work 100% or more.
- The above amount, if realized, is a one time off-schedule payment for the 2013-2014 school year and is limited exclusively to that school year. The above formula is likewise restricted to the 2013-2014 school year and shall not have application to any prior or succeeding school year.

In the event that the District's per pupil foundation allowance, per pupil best practice incentive and any other State per pupil allowance for the fiscal year beginning July 1, 2013 exceeds \$7,000.00, the District shall remit off-schedule compensation to bargaining unit members as follows:

- For each audited and MDE approved blended pupil (as established on the Fall 2013 membership count day for appropriations under the State Aid Act) 7% of the amount over \$7,000.00 shall form the aggregate amount.
- From that aggregate amount will be subtracted 10% of the amount of any reduction in pupil foundation allowance, per pupil best practice incentive or other State per pupil allowance incurred by the District for the fiscal year commencing on July 1, 2013. These reductions would include

(without limitation) executive orders and pro-rations. The resulting amount will be the adjusted aggregate amount.

- From the adjusted aggregate amount will be subtracted all District MPERS and FICA costs attributable to the adjusted aggregate amount.
- The resulting net amount will be distributed in equal shares to all full-time bargaining unit members (less deductions required by law) on the first regular payroll in June 2014. Part-time bargaining unit members shall receive a pro-rated share based upon the relationship of their assignment to that of a full-time bargaining unit position. For purposes of this paragraph, full-time shall be defined as members who work 100% or more.
- The above amount, if realized, is a one time off-schedule payment for the 2013-2014 school year and is limited exclusively to that school year. The above formula is likewise restricted to the 2013-2014 school year and shall not have application to any prior or succeeding school year.

On or before September 1, 2013, a committee will convene to discuss a one-year pilot for the 2013-14 school year, which would allow bargaining unit members who work thirty (30) hours or more per week to have the option of receiving their pay over 21 or 26 pay periods per year.

For the 2013-14 school year only, the District shall pay a one-time off-schedule payment of \$250.00 to all full-time bargaining unit members, except probationary employees. Full time will be considered thirty (30) hours or more per week. Less than full-time employees will receive \$150.00.

The off-schedule payment provided herein shall be made on the January 17, 2014 pay.

Any bargaining unit member who submits an unconditional and irrevocable written resignation to the District on or before 4:00 p.m. on the Friday of the second full week in April (Friday after returning from spring break) shall be entitled to receive a one-time payment of one thousand two hundred dollars (\$1,200) (less employee FICA, tax withholding and other legally required deductions).

Any bargaining unit member who submits an unconditional and irrevocable written resignation to the District on or before 4:00 p.m. on the last day of the first semester of the school year shall be entitled to receive a one-time payment of one thousand seven hundred dollars (\$1,700) (less employee FICA, tax withholding and other legally required deductions).

- A. Employees will be placed on the step of the schedule commensurate with the years of service to the District within the Pay Level, since the employee's last date of hire. Placement adjustments will be made annually, on the first scheduled work day of the year for the school year employees. Placement adjustments for full year employees will be made upon return from the program's summer break in August.

Employees must physically work for at least ninety (90) work days in a year to be advanced on step at the beginning of the next year.

- B. Child care teachers will be aligned into Pay Level 3 if the position requires a State of Michigan Consumer and Industry Services Childcare Program Director Credential.

Child care teachers will be aligned into Pay Level 4 if they possess a valid Michigan Teaching Certificate or an approved Bachelors Degree.

- C. Employees who do not receive a satisfactory performance evaluation, will not receive a step increase and may be frozen at the current year's hourly pay rate.

A satisfactory evaluation in the succeeding year will result in the employee being placed at the step closest to, but not less than, his/her prior year's pay rate.

Upon successful completion of a ninety (90) day improvement plan, the employee shall be placed at the appropriate hourly pay rate according to the wage schedule contained in this Article.

- D. Bargaining unit members shall be paid every other Friday.

All pay checks will be distributed in a fashion to ensure the confidentiality of the information on the check. Income tax forms and personal communications will be placed in an envelope, where appropriate.

- E. Bargaining unit members shall receive an additional \$30.00 per accumulated sick leave day/hours up to a maximum of sixty (60) days at the point of retirement as determined by the eligibility standards under the Michigan Public School Employee Retirement System (MPERS).

Upon retirement as determined by the eligibility standards under the Michigan Public School Employee Retirement System (MPERS), bargaining unit members who have been in the Bargaining Unit position

for ten (10) or more years shall receive \$30.00 for each year of service to Haslett Public Schools.

- F.
1. After one year of service, bargaining unit members who are scheduled to work at least 20 hours per week both during the school year and during the summer will be credited with five (5) days of paid vacation at the start of the next contract year and thereafter.
 2. (a) After ten (10) years of service, bargaining unit members who are scheduled to work at least 25 hours per week, both during the school year and during the summer, will be credited with twelve (12) days of paid vacation at the start of the next contract year and thereafter.

(b) After fifteen (15) years of service, bargaining unit members who are scheduled to work at least 25 hours per week, both during the school year and during the summer, will be credited with twelve (12) days of paid vacation at the start of the next year and thereafter.
 3. Vacation days will be paid at the number of hours the employee is normally scheduled to work. If paid vacation days are used the week before school starts (when kids connection is closed), vacation days will be considered summer vacation days.
 4. Such employees must make themselves available to work on “no school days” and “teacher in-service days” or they must use paid vacation if they have vacation days left.
 5. Bargaining unit members who work at least 20 hours per week both during the school year and during the summer will be granted vacations at such times during the year as are suitable considering the efficient operation of the program.
 6. Should more than one bargaining unit member request the same vacation dates, the unit member requesting the dates first shall be granted his/her preferred dates.
 7. A year of service for purposes of vacation credit, shall be defined as the years of continuous service from the employee’s last date of hire. Substitute service and prior service will not count for vacation purposes.
 8. Vacation time shall not accumulate from year to year, but shall be taken during the year in which it is earned.

- G. General paraprofessionals assigned on an individual basis to a special needs student who is not in attendance (maximum of three (3) consecutive work days), will be assigned to alternative work by the building Administrator for the day(s). The assignment of work days beyond the three (3) consecutive work days will be at the discretion of the building Administrator.

- H. The enrollment of employee's children in the child care and latchkey programs shall be consistent with the rules and regulations established by the District. Fees and other charges will not be waived for the children of employees.

- I. In the event a regular bargaining unit member is absent, the Board reserves the right to utilize a person outside of the bargaining unit to substitute.

In the event the Board elects to utilize a regular bargaining unit member in a substitute capacity within his/her regular pay level (see Article 15), the employee will receive his/her regular rate of pay. Substitute work outside of the employee's regular pay level in any other compensated pay level, will be paid at the employees regular rate of pay.

2014-2015

Bargaining unit members will not advance steps and shall not receive longevity pay until a full salary and insurance agreement is ratified for the 2014-15 school year. The parties agree that they will meet prior to May 1, 2014 to begin negotiations for salary and insurance provisions for the 2014-2015 school year. If the agreement is not ratified before September 1, 2014, the District will not pay more than 80% of the health insurance premium cost it paid for each member during the 2013-14 fiscal year. Any additional health insurance cost incurred by the district between July 1, 2014 and August 31, 2014 will be subtracted from the HASA share of any incentive dollars agreed upon in the 2014-15 wage and insurance agreement.

2015-2016

Bargaining unit members will not advance steps and shall not receive longevity pay until a full salary and insurance agreement is ratified for the 2015-15 school year. If the agreement is not ratified before September 1, 2015, the District will not pay more than 80% of the health insurance premium cost it paid for each member during the 2014-15 fiscal year. Any

additional health insurance cost incurred by the district between July 1, 2015 and August 31, 2015 will be subtracted from the HASA share of any incentive dollars agreed upon in the 2015-16 wage and insurance agreement.

An Association grievance shall include the names of the bargaining unit member(s) involved. Such grievances shall be initiated orally at Level 2 and shall be submitted in writing to Level 3.
- F. The time lines detailed in this Article shall only be extended by mutual agreement.

A grievance filed prior to the expiration of this Agreement may be processed through the grievance procedure including arbitration where appropriate.

A grievance arising after the expiration of this agreement shall not be subject to the arbitration provisions, absent mutual agreement between the parties or an agreement between the parties to extend the contract.

- G. All preparation, filing, presentation or consideration of grievances shall be held at times other than when a bargaining unit member and/or a participating Association Representative are to be at their assigned duty stations unless otherwise mutually agreed by the parties.

- J. **Level One**--An employee alleging a grievance as defined herein, shall within ten (10) days of its occurrence or knowledge of its occurrence, discuss the grievance with his/her immediate supervisor and an attempt to reach resolution.
If no resolution is obtained within three (3) days of the discussion and the matter is going to be pursued further, the grievance shall be reduced to writing and submitted to Level 2 within five (5) days of the discussion.

Level Two--A copy of the written grievance shall be filed with the employee's immediate supervisor. Level Four--No individual employee shall have the right to process a grievance to Level 4. Within ten (10) days of the receipt of the letter of intent to arbitrate, the parties shall select an arbitrator. Absent mutual agreement on an arbitrator within the aforementioned time period, the Association shall within the succeeding five (5) days, submit a demand to arbitrate to the American Arbitration Association.

5. The Board shall release from regular duties, without loss of pay, the grievant(s) and the Association's Representatives who are a party to the grievance and required to provide testimony. In such instances, the Association shall reimburse the Board for the cost of a substitute if one is utilized.

**LETTER OF AGREEMENT
BETWEEN THE
HASLETT PUBLIC SCHOOLS
AND THE
INGHAM-CLINTON EDUCATION ASSOCIATION/
HASLETT AIDE/PARAPROFESSIONAL ASSOCIATION, MEA/NEA**

Re: Agency Fee Agreement

The Board of Education of the Haslett Public Schools ("Employer") and the Ingham-Clinton Education Association/Haslett Aide/Paraprofessional Association, MEA/NEA ("Association") enter into this Agreement pursuant to and in accordance with the terms of 2012 Public Act 349. The Employer and the Association acknowledge that 2012 Public Act 349 was not given immediate effect, thereby enabling the Employer and the Association to decide whether to enter into an agreement exempt from the prohibitions of 2012 Public Act 349 prior to the effective date of that enactment. The Employer and the Association have chosen to do so.

In exchange for and in consideration of the benefits received by both parties pursuant to the terms of this Letter of Agreement, the Employer and Association agree as follows:

1. Each Association bargaining unit member shall, as a condition of employment, on or before thirty-one (31) days from the date of commencement of his/her professional duties either join the Association and remit membership dues or pay a service fee to the Association equivalent to the amount of membership dues uniformly required of members of the Association, less any amounts not permitted by law.

An Association bargaining unit member electing to pay the service fee may object to the calculation or use of the service fee. The procedure for making such objection(s) is that officially adopted by the Association. A copy of the Association's Policy Regarding Objections to Political-Ideological Expenditures will be provided by the Association upon the request of a bargaining unit member.

The Association will certify, at least annually to the Employer, at least fifteen (15) days prior to the first date of the first payroll deduction for Association membership dues or service fees, the amount of said dues and the amount of the service fee to be deducted by the Employer, and that said service fee includes only those amounts permitted by law.

2. An Association bargaining unit member may execute a voluntary authorization for payroll deduction of Association membership dues or service fees. This authorization may be revoked by the bargaining unit member, in writing, upon fifteen (15) days written notice to the Employer and to the Association.

The Employer shall deduct 1/20 of membership dues or service fees from the regular salary checks of bargaining unit members who have authorized payroll deduction for such amounts, beginning with the second pay period in September and continuing for nineteen (19) pay periods thereafter.

Additionally, the parties specifically acknowledge and recognize that the provisions of 2012 Public Act 53, if currently operative, would preclude the Employer's ability to make voluntary deductions of union membership dues or service fees. The parties also specifically acknowledge that at the time they executed this Letter of Agreement, 2012 Public Act 53 was not operative or enforceable pursuant to a Temporary Restraining Order issued by the United States District Court for the Eastern District of Michigan in *Bailey v Callaghan*, 873 F Supp 2d 879. Should the provisions of 2012 Public Act 53 be restored to operation either by judicial order or through an enactment of a successor statute prohibiting payroll deduction of union dues and/or service fees, the Employer shall immediately discontinue all deduction of dues and service fees otherwise required by this provision.

3. In the event a bargaining unit member does not pay membership dues or service fees directly to the Association, or authorize payment of such amounts through payroll deduction, the Employer shall, according to the procedures specified below, deduct the amount of the service fee from the bargaining unit member's wages and remit the same to the Association, according to the following procedures:

- A. The Association shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for wage deduction may be filed with the Employer in the event that compliance is not effected.
- B. If the bargaining unit member fails to remit the service fee or authorize payroll deduction of the service fee, the Association may request the Board to make such deduction pursuant to the provisions of this section.
- C. The Employer, upon receipt of request for involuntary deduction, shall provide the bargaining unit member with an opportunity for a due process hearing. This hearing shall address the question of whether or not the bargaining unit member has remitted the service fee to the Association or has authorized payroll deduction of that amount.

It is specifically acknowledged and agreed that the Employer shall have no role, other than as specified above, in the enforcement of the agency shop obligation created by this Letter of Agreement.

4. With respect to all membership dues and agency fees deducted by the Employer pursuant to this Agreement, the Employer agrees to promptly disburse said sums directly to the Association. The Association will provide the Employer with the name and address of the Association official designated by the Association to receive such funds.

5. Consistent with the Guidelines on Discrimination Because of Religion issued by the Equal Employment Opportunity Commission, when an employee's religious practices do not permit compliance with the agency shop provisions of this Letter of Agreement, the Association will accommodate that employee by not requiring him/her to become a member of the Association and by instead permitting him/her to donate a sum equivalent to membership dues to a charitable organization.

6. Nothing in this Agreement shall be interpreted or applied to require payroll deduction of employee contributions to political action or other similar funds of the Association or its affiliates.

7. The Association agrees to promptly notify the Employer in the event of a court order, an order of an administrative agency, or an arbitration award which is rendered and which restricts the Association from implementing its agency fee objection policy or from charging or allocating any of the Association's expenditures to bargaining unit members who choose not to maintain membership in the Association. In the event of the entry of such an order or arbitration award, the Employer shall have the right to immediately suspend payroll deduction of Association service fees.

8. The Association agrees to defend the Employer (including its Board of Education, trustees, administrative employees, and agents) in any claim or suit brought against each or any of them regarding the Employer's enforcement and implementation of the terms of this Letter of Agreement. Further, the Association agrees to indemnify the Employer (including its Board of Education, trustees, administrative employees, and agents) for any costs, damages, fines, penalties, or attorney fees which may be assessed against each or any of them arising out of the implementation of this Letter of Agreement.

Provided, however, that the Association has the right to select legal counsel for purposes of defending any such suit or action, after consultation with the Employer. This does not prevent the Employer (including its Board of Education, trustees, administrative employees, and agents) from additionally retaining their own counsel to assist in the defense of any such claim or suit at their own expense.

The Association, in defense of any such claim or suit, has the right to compromise or settle any monetary claim made against the Employer (including its Board of Education, trustees, administrative employees, and agents) brought as a result of the implementation of this Letter of Agreement, after consultation with the Employer (including its Board of Education, trustees, administrative employees, and agents as applicable). Provided, however, that the Association shall not, without the express written consent of the Employer (including its Board of Education, trustees, administrative employees, and agents as applicable) obligate any of the persons or entities so defended to expend or commit financial resources in the settlement of such claim, or to take or refrain from any other actions.

9. In exchange for the continuation of the agency shop union security arrangement, as described in the preceding paragraphs of this Letter of Agreement, the Association has contemporaneously ratified amendments to the provisions of its collective bargaining agreement between the Employer and the Association, which modifications promote the financial stability and integrity of the Haslett Public Schools.

10. The amendments to the collective bargaining agreement referenced in ¶ 9 of this Letter of Agreement, which have been ratified by the parties concurrently with their ratification of this Letter of Agreement, shall become effective immediately upon expiration of the 2011 - 2013 Master Agreement between the parties and shall be regarded at that time as the existing terms and conditions of employment with respect to their subject matter. The Association may elect, at its sole discretion, to reimburse the Employer for any denial or loss of appropriations or penalty or other adverse financial consequence and continue in full force and effect the provisions of this Letter of Agreement.

The modifications to the collective bargaining agreement referenced in ¶ 9 of this Letter of Agreement shall be incorporated within the provisions of the successor collective bargaining agreement to the 2011 - 2013 Master Agreement between the Employer and the Association.

11.
