## ARTICLE X EVALUATION

For the purposes of this document, the term Administrator will be used to identify the members of the Mason Administrators' Association.

A. Evaluator

Evaluations shall be conducted by the Superintendent or an individual designated by the Superintendent.

B. Frequency

Evaluation of new administrators will occur annually during the first two years that they are in position. Thereafter, work performance of Administrators will be evaluated at least every three years.

C. Evaluation Instrument

Administrative evaluations will be based upon the Administrator's job description as defined by the Board of Education. In addition, goals/job accountabilities will be jointly established between the Administrator and evaluator. The Administrative Performance Evaluation Form will be the formal evaluation instrument. (See evaluation instrument in Attachment A)

D. Evaluation Time Frame

At the beginning of the evaluation process, an initial meeting between the Administrator and evaluator will be conducted. The purpose of this meeting is for the parties to discuss the evaluation procedure and the administrator's goals/job accountabilities. Any concerns the evaluator may have concerning the past performance of the Administrator will be noted, in writing, along with specific suggestions for improvement.

Within thirty (30) days of the initial meeting, the Administrator and the evaluator may meet to review the goals/job accountabilities and establish any timelines for completion.

An in-progress review meeting will be held to discuss the Administrator's progress towards the established goals. At this time, goals/job accountabilities and timelines may be mutually changed. If in the opinion of the evaluator, the Administrator is not meeting the established expectation, the concerns and specific suggestions for improvement will be placed in writing. When concerns are placed in writing, progress review meetings will be scheduled as necessary, in the opinion of the evaluator, in order to ensure close communication and secure the evaluator's assistance in improving the Administrator's performance.

By June 1, the final performance review will be completed. Administrators will be given their written evaluation instrument forty-eight hours prior to the performance review.
