ARTICLE I

PURPOSE

It is the purpose of this Agreement to promote and insure harmonious relations, cooperation and understanding between the Employer and the employees covered hereby, to ensure true collective bargaining, and to establish rates of pay, wages, hours of employment, working conditions, or other conditions of employment.

ARTICLE II

UNION RECOGNITION, AGENCY SHOP CLAUSE, CHECK-OFF

Section 1. Union Recognition

(a) The Employer hereby recognizes the Union as the exclusive representative and sole bargaining agent of the employees as identified immediately herein with respect to wages, hours, and other conditions of employment.

(b) The term "employee" as used herein shall include all Maintenance employees, and Bus Mechanics, Custodial Foreman, all Head Custodians and Custodians employees of the Employer, but excluding all Supervisors and all other employees.

Section 2. Agency Shop Clause

All employees employed in the bargaining unit, or who become employees in the bargaining unit, who are not already members of the Union shall, on or before the ninety-first (91st) calendar day of the effective date of this Agreement, or on or before the ninety-first (91st) calendar day of the date of hire by the Employer, whichever is later, become members, or in the alternative shall, as a condition of employment, pay to the Union each month a service fee in an amount equal to the regular monthly Union membership dues uniformly required of employees of the Employer who are members.

An employee who shall tender or authorize the deduction of membership dues or (service fees) uniformly required as a condition of acquiring or obtaining membership in the Union shall be deemed to meet the conditions of this Article so long as the employee is not more than sixty (60) calendar days in arrears of payment of such dues (or fees).

The Union shall be responsible for maintaining a due process procedure for non-members to determine how their fee is utilized, and to provide the non-member an

expeditious and impartial hearing regarding any objections. The Union shall provide a copy of said procedure to the Employer upon request.

The parties expressly recognize that the failure of any employee to comply with the provisions of this Article is just and reasonable cause for discharge from employment, since the establishment of said service fees is herewith deemed to be the sum required to ensure that non-members pay their proportionate share of the costs of obtaining and administering the benefits to be received hereunder.

The procedure in all cases of discharge for violation of this Article shall be as follows:

(1) The Union shall notify the employee of non-compliance by certified mail, returned receipt requested. Said notice shall detail the non-compliance, and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for discharge may be filed with the Board in the event compliance is not effected.

(2) If the employee fails to comply, the Union may file charges in writing with the Board, and shall request termination of employment. A copy of the notice of non-compliance and proof of service shall be attached to said charges.

(3) The Board, only upon receipt of said charges and request for termination, shall conduct a hearing on said charges. In the event of compliance at any time prior to discharge, charges may be withdrawn. The Union, in processing the charges, agrees not to discriminate between various persons who have refused to pay the dues and/or service fees.

The Union agrees that it will make membership in the Union available to all employees covered by this Agreement on the same terms and conditions as are generally applicable to other members of the Union.

The Employer agrees that, upon hiring any new employees who are covered by this Agreement, the Employer shall send a letter advising the Union of the name, date of hiring, and Social Security number of the new employee.

In the event that the Union refuses to accept any person so hired as a member, said person may continue in employment by paying the regular monthly service fees.

Section 3. Check-Off

The Employer shall deduct from the pay of each employee, from whom it

receives an authorization to do so, the required amount for the payment of initiation fee and Union dues or service fees. Such dues or fees, accompanied by a list of employees (including Social Security numbers) from whom they have been deducted, and the amount deducted from each, and by a list of employees who had authorized such deductions and from whom no deduction was made and the reason therefore, shall be forwarded to the Union office no later than the fifteenth (15th) of the month following the month in which such deductions were made.

Such fees will be authorized, levied and certified in accordance with the Constitution and By-Laws of the International and the Local 324, I.U.O.E. Each employee and the Union hereby authorize the Employer to rely upon and to honor certifications of the Financial Secretary of the Local Union regarding the amounts to be deducted, and the legality of the adopting action specifying such amounts of Union dues or service fees, together with a copy of such authorization from Local 324 of the International Union of Operating Engineers, AFL-CIO. All correspondence in regard to this section shall be sent to the Assistant Superintendent of the Williamston Community Schools.

Section 4. Save Harmless Clause

The Union agrees that in the event of litigation against the Board, its agents or employees arising out of this provision, the Union will co-defend and indemnify and hold harmless the Board, its agent or employees for any monetary award arising out of such litigation.

Section 5. Invalidation

If any court of competent jurisdiction or administrative agency holds that this Article and/or its concept is/(are) invalid, illegal or unconstitutional, or that it violates any Federal or State law, or that it is in conflict with any Federal or State law; or if the State Legislature enacts a law forbidding such Article and/or its concept, or any part thereof (which this Article does not conform to or with), this Article shall be null and void, and the parties shall meet within thirty (30) calendar days to negotiate new language.

ARTICLE III

NON-DISCRIMINATION

The Employer and the Union both recognize their responsibilities under Federal, State, and local laws pertaining to fair employment practices, as well as the moral principles involved in the area of Civil Rights. According, both parties reaffirm by this Agreement the commitment not to discriminate against any person or persons because

of race, creed, color, religion, age, sex, handicap or national origin.

ARTICLE IV

MANAGEMENT RIGHTS

The Employer, on its own behalf and on behalf of its electors, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States. Further, all rights which ordinarily vest in and are exercised by employers, except such as are specifically relinquished herein, are reserved to and remain vested in the Employer, including but without limiting the generality of the foregoing, the rights:

available work.

The Employer agrees that the rights of the Union are specifically listed in this Agreement, and all subjects not specifically listed in this Agreement are retained by the Employer, and the Union agrees that this Article entitled "Management Rights" shall not be the subject of any grievance whatsoever.

The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the terms of this Agreement, and then only to the extent such terms hereof are in conformance with the laws of the State of Michigan, and the laws of the United States. The matters contained in this Agreement and/or the exercise of any such rights of the Board are not subject to further negotiations between the parties during the term of this Agreement.

ARTICLE V

ARTICLE VI

STEWARDS

(a) Employees may be represented by a Chief Steward and a designated Assistant Steward, whose identity shall be made known to the Employer.

ARTICLE VII

SAFETY PRACTICES

ARTICLE VIII

STRIKE PROHIBITION

The Union recognizes that strikes, as defined by Section 1 of Public Act 336 of 1947 of Michigan, as amended, are contrary to law and public policy. The Board and the Union subscribe to the principle that differences shall be resolved by appropriate and peaceful means, in keeping with the high standards of education, without interruption of the school program. Accordingly, the Union agrees that during the term of this Agreement, it will not direct, instigate, participate in, encourage or support any strike against the Board by any member or group of members which is contrary to law.

ARTICLE IX

RETIREMENT

ARTICLE XI

SENIORITY

(a) A newly hired employee, or an employee upon entry into the bargaining unit, shall be on a probationary status for ninety (90) calendar days taken from and including the first day of employment. If at any time prior to the completion of the ninety (90) calendar day probationary period the employee's work performance is unsatisfactory, he may be dismissed by the Employer during this period without appeal by the Union. Probationary employees who are absent during the first ninety (90) calendar days of employment shall work additional days equal to the number of days absent, and such employee shall not have completed his probationary period until these additional days have been worked.

(b) Upon satisfactory completion of the probationary period, the employee's seniority shall be retroactive to the date of hiring or upon entering into the bargaining unit.

(c) Seniority in classification shall be as of date of entry into the classification, except for a probationary employee, in which case it shall be the date of completion of probation as provided in (a) above.

(d) Employees shall be laid off, recalled, or demoted according to their seniority in their classification. An employee on scheduled lay-off shall have the right to displace a lesser seniority employee who is in a lower classification; provided, the senior employee is qualified to hold the position held by the least seniority employee.

(e) An employee will lose his seniority for the following reasons:

1. He resigned from a classification covered by this Agreement.
2. He is discharged for just cause and not reinstated through the Grievance Procedure.
3. Upon normal retirement.

(f) Upon annual request of the Union, a current seniority list shall be made available to each employee covered by this Agreement. Such list shall contain date of hire, classification, seniority date and the employee's rate of pay.

ARTICLE XII

NEW JOBS, TRANSFERS, AND JOB POSTING PROCEDURES

(a) Notice of all vacancies and newly created positions shall be posted on employee bulletin boards, and the employees shall be given five (5) working days time in which to make application to fill the vacancy or new position. Transfers and promotions shall be made on the following basis: qualifications, past work record, demonstrated ability to perform the work involved. When all factors are deemed equal, the employee with the most seniority making application shall be transferred to fill the open position. Newly created positions or vacancies are to be posted in the following manner: the type of work, the starting date, the rate of pay, the hours to be worked, and the classification.

(b) The accepted employee shall be transferred immediately when a replacement for his job is secured in the above manner and has been adequately trained to perform the duties involved.

(c) Any employee temporarily transferred from his classification to another classification within the bargaining unit shall be paid either the rate of the position from which he is transferred, or the rate of the position to which he is transferred, whichever is higher.

(d) Temporary transfers shall be for a period of no longer than thirty (30) calendar days, except in the event that both parties mutually agree to an extension of the thirty (30) calendar days time period. In the event that it is not mutually agreeable to extend the temporary transfer beyond the thirty (30) calendar day time period, the position shall be considered an open position and posted for bidding.

(e) The Board shall have the right to appoint the Head Custodian based on qualifications such as leadership abilities, work record, and seniority. The Head Custodian will be paid an additional one dollar (\$1.00) per hour than Step Five (5) of the Maintenance 1 scale. No Head Custodian will be allowed to bid on another Head Custodian position in a different building for the life of this Agreement. (Gary Aungst pay to be based on his current rate of pay before salary increase calculated).

ARTICLE XIII

NEW JOBS

(a) The Employer shall have the right to establish, evaluate, change and eliminate jobs, providing such action on the part of the Employer shall not be directed toward reducing the rate of the job in which no substantial change in the job itself has occurred. When a new or revised job involves duties which are not adequately or specifically described or properly evaluated in an existing job description, specification and classification, the Employer has the right to develop and establish such new or revised job descriptions, specifications, classifications, and rates of pay, and to place them into effect.

The Employer shall notify the Union in writing of any such temporary job which has been into effect upon the institution of such job.

(b) The new classification and rate of pay shall be considered as temporary for a period of thirty (30) calendar days following the date of written notification to the Union. During this thirty (30) calendar day period, but not thereafter during the life of this Agreement, the Union may request in writing the Employer to negotiate the classification and pay rate. The negotiated rate, if higher than the temporary rate, shall be applied to the rate at which the employee first began working in the temporary classification, except as otherwise mutually agreed. In a case where the parties are unable to agree on the classification and/or rate of pay, the issue may be submitted to the Grievance Procedure. When a new classification has been assigned a permanent rate of pay, either as a result of the Union not requesting negotiations for the temporary classification during the specified period of time, or as a result of final negotiations, or upon resolving the matter through the Grievance Procedure, the new classification shall be added to and become a part of Schedule A of the Agreement.

(c) The Employer, in cooperation with the Union, may provide in-service training for bargaining unit members to improve and advance the job related skills, or acquire new skills which will be of value to the Employer and the employee. Management has the right to determine the program topics, the frequency of in-service programs, as well as the number of bargaining unit members who will attend each in-

service program.

ARTICLE XIV

LEAVES OF ABSENCE

(a) An employee who, because of illness or accident which is non-compensable under the Workmen's Compensation Law, is physically unable to report for work and has exhausted any means of compensation from the Employer, shall be granted a leave of absence for the duration of such disability, provided he promptly notifies the Employer of the necessity therefore, and provided he promptly notifies the Employer with a certificate from a medical or osteopathic doctor of the necessity for such absence, and for the continuation of such absence when the same is requested by the Employer.

(b) Leaves of absence shall be granted for a specified period of time for training related to an employee's regular duties in an approved educational institution.

(c) A seniority employee who becomes pregnant shall be granted a pregnancy leave of absence, provided the employee shall notify the Employer upon a doctor's verification of the pregnancy. The Employer then may request periodic verification of the health of the employee in relation to the performance of the employee's normal job duties. When the medical verification of the physician will not allow the employee to continue in her normal job function because of such pregnancy, the employee shall be granted a leave of absence not to exceed one (1) year. (Normally an employee shall be expected to return to work within six [6] weeks after delivery, unless a doctor's statement is furnished establishing the fact that she is not able to return to work at that time.)

(d) The reinstatement rights of any employee who enters the Military Service shall be determined in accordance with the provisions of Federal, State, or local law granting such rights.

(e) Leaves of absence will be granted to employees who are active in the National Guard, or a branch of the Armed Forces Reserves, for the purpose of fulfilling their annual field training obligations, provided such an employee makes written request for such leave of absence immediately upon receiving their orders to report for such duty.

(f) Any employee in the bargaining unit elected or appointed to a full-time or office in the Union, whose duties require his absence from work, shall be granted a leave of absence not to exceed three (3) years.

(g) All reasons for leaves of absence shall be in writing stating the reason for the request to be maintained by the Employer, a copy of the approval furnished to the employee.

(h) An employee who meets all of the requirements as hereinbefore specified may apply for a leave of absence without pay, shall accumulate seniority during his leave of absence, and he shall be entitled to resume his regular seniority status and all job and recall rights. Leaves of absence may be granted at the discretion of the Employer for reasons other than those listed above when they are deemed beneficial to the Employer and the employees.

(i) An employee, to effect their return to work from a leave of absence granted under section (f) and section (a), if practicable, must notify in writing the Williamston Community Schools within sixty (60) working days prior to the date the person intends to return to work. The Employer may request a verification of health of an employee in relation to the performance of the employee's normal job duties prior to return to work.

ARTICLE XV

(a) The Employer will follow a policy of progressive discipline, subject to "(b)" below, which includes verbal warning, written warning, reprimand, suspension, and discharge as a last resort.

(b) The point of initiation to any disciplinary action may be determined by the severity of the employee's behavior.

(c) Warnings and reprimands shall be discussed privately between the employee and the administrator, except when either party requests the presence of a Union and/or administration representative.

(d) When the Employer feels disciplinary action is warranted, such action must be initiated within fifteen (15) working days of the date it is reasonable to assume that the Employer became fully aware of the conditions giving rise to the discipline.

(e) **Notice of Discharge, Suspension, or Discipline**

The Employer agrees that upon the discharge, suspension, or discipline of an employee, to notify the employee in writing of the discharge, suspension, or discipline within three (3) working day of said action.

6. Conduct unbecoming of a public employee.

ARTICLE XVI

GRIEVANCE PROCEDURE

(a) A grievance shall be an alleged violation, misinterpretation, or misapplication of the express terms of this Agreement.

(b) The time elements in the steps can be shortened or extended upon written mutual agreement between the parties.

(c) Working days shall be defined as those days Monday through Friday.

(d) Matters of working conditions are subject to conferences, to be called by either party.

The appeal shall state the reason or reasons why the decision of the immediate supervisor was not satisfactory.

(b) The Superintendent or his designee shall meet with a Business Representative of the Union at a time mutually agreeable to them, but not later than fifteen (15) working days following receipt of the appeal.

Step Three

(a) Any appeal of a decision rendered by the Superintendent of Schools or his designee shall be presented in writing to the Board of Education within five (5) working days from the date of receipt of the decision rendered by the Superintendent of Schools or his designee. The President of the Board, within ten (10) days after receipt of the grievance, shall decide whether or not to schedule a hearing for the Board's next

regular scheduled meeting. The Board shall communicate the decision to the Union within five (5) days. If the hearing is held, the Board shall render its decision within one (1) month from the date of the hearing.

(b) The Board of Education shall give their decision in writing relative to the grievance before the third (3rd) Monday of the following month of their meeting with the Business Representative of the Union.
