- B. The exercise of the foregoing powers, rights, duties and responsibilities by the Board and the adopting of policies, rules, regulations and practices in the furtherance thereof shall be the exclusive prerogative of the Board except as otherwise limited by express provision of the Agreement.

Article 4 **Association Rights**

- A. The Association shall have the right to use a school building room for meetings at reasonable hours provided the room has not been previously scheduled for other events. Such use shall be consistent with rules, policies and regulations adopted by the Board.
- B. Bulletin board space will be made available to the Association and its members. Anything posted on the board shall be signed by the person(s) from whom it originated or the Association President or his/her designee.
- C. The Association shall have the right to use school equipment including computers, printers, copy machines/duplicators and fax machines subject to the approval of the Board or its designated representative. The Association shall pay the reasonable cost of all materials, supplies or other expenses attributable to such use. - E. Up to forty (40) hours with pay and benefits per fiscal year (July 1–June 30) will be afforded to officers and officials of the Association. At least seven (7) calendar days notice will be given by the Association President to the Superintendent when such days are to be used except in case of emergency. Additional hours may be granted at the discretion of the Superintendent or his/her designee.

Article 5 **Employee Rights**

- A. An employee may, upon request, review the contents of his/her personnel file. A representative of the Association may accompany the employee in this review. The employee may submit a written statement in regard to materials in the file for inclusion in the file.

- B. An employee will be made aware of any complaint against him/her if management intends to act on the complaint and will be given an opportunity to respond to it. An exception to this notice will occur in instances in which the District is not at liberty to disclose the substance or origin of specific complaints regarding an employee by law.
- C. An employee who has been disciplined and is in disagreement with the disciplinary action may file a complaint through the grievance procedure within ten (10) workdays of receipt of the notice of disciplinary action, subject to the exclusions and limitations set forth in the Grievance Procedure (also see Section A above). For purposes of this Article, a workday during the school year is defined as a day in which school is in session. A workday during summer months is defined as Monday through Friday, excluding holidays.
- D. The employee shall receive copies of and sign all materials that are part of a disciplinary action being taken against said employee. Such signing does not indicate agreement. Refusal to sign may be the basis for discipline.
- E. In the event an employee is concerned regarding an alleged job hazard, the immediate supervisor and/or Superintendent shall be notified of same.
- F. Upon request, an employee may have an Association Representative present at any meeting which the employee is required to attend when the employee has reason to believe that a disciplinary action, which is to become part of the employee's permanent personnel file, is being taken or which may lead to disciplinary action at a later date.
- G. No employee will be disciplined without just cause.
- H. Each employee shall have one (1) designated supervisor. In the event of conflicting directives, the employee shall follow the directive of the designated supervisor. The designated supervisor shall also be responsible for the evaluation of the employee.

Article 6

Employee Evaluation

- A. Each non-probationary employee will be evaluated at least once each year. The evaluation will be done prior to May 1. Additional evaluations may be added to an employee's record at the discretion of the supervisor. Failure to evaluate shall presume satisfactory performance on the part of the employee.
- B. Prior to an employee being evaluated, the employee and his/her evaluator will discuss the criteria that are going to be used in the evaluation.
- C. Within ten (10) workdays after the completion of the evaluation, a personal conference will be held with the employee. For purposes of this Article, a workday is defined as a day in which school is in session. This conference will be to discuss the evaluation. At the conclusion of the conference, the employee will sign the evaluation only as an indication that the material has been seen. A signed copy of the evaluation will be given to the employee at the conclusion of the conference.
- D. Within fifteen (15) workdays following the employee's signing of the evaluation, he/she may attach written, signed comments pertinent to the evaluation document.

- E. In the event of an unsatisfactory evaluation, the employee will be provided with specific areas for improvement and may request re-evaluation within thirty (30) days.

- E. A grievant is a bargaining unit member or association representative who alleges a violation of the Agreement.
- F. Procedure
 - 1. Level One

A grievant alleging a violation of this contract shall, within ten (10) workdays of its alleged occurrence, orally discuss the grievance with his/her immediate supervisor in an attempt to resolve the grievance. If no resolution is obtained within five (5) workdays of the discussion, the grievant may reduce the grievance to writing and proceed to Level Two.
 - 2. Level Two

4. Level Four

An individual employee shall not have the right to process a grievance at Level Four.

- a. If the Association is not satisfied with the disposition of the grievance at Level Three, it may, within ten (10) workdays following receipt of the decision at Level Three, file with the Superintendent a written demand for arbitration. The parties shall attempt to mutually agree to an arbitrator. If the parties are unable to mutually agree to an arbitrator within twenty (20) workdays, the Association may refer the matter to the American Arbitration Association for selection of the arbitrator. In either case, the rules of the American Arbitration Association shall govern the proceedings.
 - b. Neither party may raise a new defense or ground not previously raised or disclosed.
 - c. The decision of the arbitrator shall be final and binding upon the employees, Board and Association. Subject to the right of the Board or the Association to judicial review, any lawful decision of the arbitrator shall be forthwith placed into effect.

- L. The President and Grievance Chair will also be released with pay to attend a grievance or arbitration hearing during the workday.
- M. Notwithstanding the expiration of the Agreement, any claim or grievance arising during the term of this Agreement that is initiated either prior to the expiration of the Agreement or after the expiration of the Agreement but within the time limits for filing a grievance may be processed through the grievance procedure until resolution. It is understood that no grievance shall be filed or based upon any prior or previous Agreement or upon an alleged grievance occurring prior to the effective date of this Agreement.
- N. A workday shall be defined as a day that the Central Office is open for business. For purposes of this Article, a workday during the school year is defined as a day in which school is in session. A workday during summer months is defined as Monday through Friday, excluding holidays.
- O. Any of the above timelines may be extended through written mutual agreement by the parties.

Article 8
Vacancies, Promotions and Transfers

- A. A "vacancy" for purposes of this Agreement is defined as an unfilled or newly created position in the bargaining unit that the Board intends to fill. When a vacancy occurs that the Board does not intend to fill, the Association will be notified in writing.
- B. An increase or decrease in hours will not result in re-posting a position.
- C. A vacancy will be posted for ten (10) workdays, in areas where employees normally eat lunch or take their rest breaks before the Board fills the vacancy. A vacant position may be filled on a temporary basis before the position is permanently filled.
- D. An employee desiring notification of vacancies during summer vacation may leave his/her name and address with the Personnel Office.
- E. Postings will contain general information that shall include:

1. General job duties
2. Work location
3. Rate of pay
4. Hours to be worked
5. Statement of qualifications required for the position
6. Date the vacancy is posted

It is understood that the information listed on the job postings is not intended to provide employees with guarantees or assurances and that deviations from the posted information may be necessary.

- F. No vacant position may be filled on a temporary basis for more than thirty (30) workdays other than by application of the provisions found in L. below. In the event the Administration wishes to temporarily fill a vacant position for more than thirty (30) workdays, it will so inform the Association President in writing. A meeting shall be scheduled within ten (10) workdays of the date of the letter to discuss the reasons why the Administration desires to extend the thirty (30) workday timeframe.
- G. The Association President shall be provided a copy of any posted position.
- H. Any employee may apply for any posted position.
- I.
 1. If all applicants, both internal and external for a position are equally qualified and equally capable of performing the duties of the position being filled, the position will be offered to
 - a. an applicant from within the classification of the open position with the most seniority.
 - b. an applicant from within another bargaining unit classification with the most seniority.
 - c. an applicant from outside the bargaining unit.
 2. It is expressly understood that the above ranking only applies in those instances where all applicants, both internal and external for a position are equally qualified and equally capable of performing the duties of the position being filled. The District reserves the right to depart from the ranking set forth above in those instances where all applicants are not equally qualified and equally capable of performing the duties of the position being filled.
 3. An internal candidate shall be notified as to whether he/she has been granted the position or not. If not granted the position, and upon request, the candidate will be informed by the Superintendent, or his/her designee, as to why the position was not granted to him/her.
- J. If an employee is involuntarily transferred from one (1) building to another or from one (1) classification to another, he/she will be informed of the reasons. If the employee objects to the transfer, he/she may request a meeting with the immediate supervisor and Superintendent to review the transfer. The Association President shall be notified of an involuntary transfer at the same time as the employee. This section does not apply if the transfer is attributable to Article 10.

- K. 1. If an employee is expected to be absent for more than ninety (90) calendar days, the position shall be posted for internal candidates only. The most senior applicant from within the same classification who is qualified shall be awarded the position. The position of the employee awarded the position will be filled by a substitute from outside of the bargaining unit. The return of the employee on leave shall be governed by the provisions of Article 14, Sections F. and G.
- 2. If the absence of more than ninety (90) days is due to a military call-up, the Administration may fill the position on a temporary basis up to one (1) year and one (1) day.
- 3. The Administration may elect not to fill a position open due to either 1. or 2. above. In this event, the work may be assigned to other employees provided it does not increase their work load in making the adjustments necessary.
- L. Except as provided in Article 14, F., 1. if a vacancy exists and an employee is scheduled to or is capable of returning from a leave of absence from the classification or is eligible for recall to the classification, the vacancy will be posted for candidates from within the same classification only. Employee(s) who are eligible for recall or scheduled or capable of returning from leave within that classification will be considered as applicants. The most senior applicant from within the same classification shall be awarded the position except if that would prevent the aforementioned returning employee from returning to a position that is comparable to the position he/she left.
- M. For purposes of this Article, a workday during the school year is defined as a day in which school is in session. A workday during summer months is defined as Monday through Friday, excluding holidays.

Article 9
Seniority and Probationary Period

- A. Seniority for purposes of this Agreement shall accrue and be applied within the following classifications:
 - Maintenance
 - Groundskeeper
 - Secretarial
 - Cooks
 - PC Technician
 - Bus Monitor
 - Office Paraprofessional
 - Occ. Paraprofessional
 - Enhanced Paraprofessional
- B. Seniority shall be defined as the length of continuous employment in the District within a particular classification from the employee's first day employed in the classification. Seniority shall accrue during layoff, Worker's Compensation, paid leaves and unpaid leaves.
- C. There shall be no seniority among probationary employees. When an employee's probationary period is over, seniority shall be calculated in accordance with B. above.
- D. By October 15 of each year, the Board shall post a seniority list. It shall contain, for each employee, name, classification and first date of employment into that classification. If applicable, it shall also indicate any additional classification seniority. If any individual or the Association believes the list to be in error, he/she shall notify the Superintendent in writing within thirty (30) calendar days. If no

request for revision is received within this time frame, the list shall be considered final and accurate until the following school year.

- E. In the event of a tie in seniority, the last four digits of the employee's social security number will be used with the highest number being placed first.
- F. Seniority for employees shall be terminated effective with the date of retirement or resignation designated in a letter of resignation/retirement submitted to the District. In the event the letter indicates an immediate resignation/retirement, the date of termination of seniority shall be the day after the submission of the letter.
- G. Each employee shall serve a probationary period that will last for the first ninety (90) days worked. Days missed will serve to extend the probationary period.

Article 10

Layoff/Recall, Reductions in Positions or Hours

- A. In the event of a reduction in the number of positions, the following procedure will be utilized:
 - 1. Although a probationary employee(s) does not have seniority, their position(s) will be considered under the following procedure to be the position(s) occupied by the least senior employee(s).
 - 2. Where qualifications are equal, the least senior employee in the classification being reduced will be laid off.
 - 3. The following procedure will be used when a position is 1) totally eliminated or 2) when an employee is displaced by another employee in the process of the foregoing.
 - a. (1) Except as set forth in (2) below, the employee in the affected position will be transferred to the position within his/her present seniority classification that is occupied by the employee with the least seniority whose annual working hours are the same as the affected employee.
 - (2) If the least senior employee in the classification works more annual hours than the affected employee, he/she will be given the option of being transferred to that position.
 - b. In the event there is no assignment available under a. above, the employee in the affected position will be transferred to the position within his/her present classification that is occupied by the least senior employee working as close to, but not more than, the number of annual hours as the employee's former position.
 - c. In the event the affected employee can not be transferred under a. or b. above, the employee will be transferred to a position in another classification where the employee has seniority using the same procedures set forth in a., (1) and b. above.
 - d. The employee must demonstrate that he/she is qualified to replace that less senior employee. In the event there are no applicants within the open classification, the vacancy may then be filled with an employee from another classification within the same occupation, providing they demonstrate that they are qualified and meet all requirements of the vacancy.

- e. In all cases, the seniority of the employee whose position was eliminated or reduced as described above must be greater than that of the employee in the position being claimed.
4. In the event that support staff duties / hours become available either from position eliminations or combinations, those hours must be posted and offered to the highest senior person within that classification without putting them over 40 hours, providing it fits their current work schedule.
 5. The Board has sole authority to establish reasonable qualifications.
- B. An employee will not be entitled to any compensation or fringe benefits while on layoff. However, subject to approval and regulations of the carrier, an employee will be allowed to make premium payments toward available insurance programs.
 - C. An employee who leaves the bargaining unit for a supervisory position in the school district will not gain or lose seniority for a period of one (1) year during which time he/she will be entitled to return to the bargaining unit. After one (1) year the employee will lose all seniority rights.
 - D. No new employee will be hired by the Board for a position within a classification while there is an employee from that classification on layoff status who is eligible for recall. (See Article 8, Section M.)
 - E. The right of recall extends two (2) years beyond the employee's lay-off date. At all times during layoff it is the employee's responsibility to keep the administrative offices apprised of his/her current address. Failure to do so will result in the loss of seniority and any further rights under this Agreement.
 - F. Employees will be eligible for recall in accordance with the following provisions:
 1. An eligible employee will be recalled to his/her former classification(s) when a vacancy occurs within it. Recall will be in order of seniority within the seniority classification where the vacancy exists provided the recalled employee is capable of performing the duties of the vacant position and is qualified.
 2. Notice of recall shall be sent by certified mail return receipt requested to the last official address of the employee as reflected by the employer's records. It is the responsibility of the employee to inform the Board of any changes of address. If an employee fails to notify the Board, in writing, of intent to return on the date specified in the notice, within fifteen (15) calendar days of the mailing of said notice or fails to return to work on the date specified in the notice provided said date is at least fifteen (15) calendar days from the date of the mailing of said notice, the employee shall be considered a voluntary quit and shall forfeit any right to recall or employment in the District.

In the event an employee is not qualified for a position, he/she shall remain on the recall list in seniority order in the event a position for which he/she is qualified becomes vacant during the next two (2) years. If no position for which the employee is qualified becomes available prior to the end of this time frame, the right of recall shall terminate.
 4. a. The recall provisions will only apply to those employees who are eventually laid off following the application of the procedures or who have been transferred to another classification under Section A. above.

- b. The recall provisions will not apply to those employees whose hours are reduced but who remain on payroll or who have been transferred within a classification under Section A. above.
- G. Refusal or acceptance of recall to a position that is lower in pay, benefits and/or hours shall not adversely impact an employee's subsequent right to recall. The refusal of a position shall not, however, extend the two (2) year recall limit set forth in E. above.
- H. In the event of a reduction of one (1) or more work hours per day in a fiscal year, July 1 to June 30, of a position in a classification, an employee may utilize his/her classification seniority to displace the least senior employee in the same classification working the same number of hours as previously assigned provided he/she is qualified.

- 3. In the event that an employee is absent on the day before or the day after a holiday and uses paid leave time for the absence, the employee may elect to receive full holiday pay by substituting an equivalent amount of paid leave time for the portion of the holiday(s) that otherwise, pursuant to 2. above, would be unpaid.
- 4. If the leave time taken either before or after the holiday is due to a death in the immediate family, jury duty or approved vacation, the holiday pay shall be paid and no use of the employee's paid leave time shall be required to receive full holiday pay.
- 5. If the reason for an absence prior to or after the holiday is illness of the employee or a member of the employee's immediate family, the employee shall present medical verification of the illness.

- C. Vacation time for an employee will be calculated on the basis of his/her years of service as of July 1 of each year in a fifty-two (52) week assignment and credited for use by the employee on July 1. During an employee's first year of employment in a vacation-earning assignment, the employee shall earn a prorated number of vacation days. Said prorated vacation days shall be credited to the employee on that first July 1. If an employee transfers from a school year, non-vacation earning assignment to a fifty-two (52) week, vacation-earning assignment, he/she shall receive credit for service in the school year assignment prorated on the basis of two thousand eighty (2080) hours per year of service.

- E. Arrangements for vacations must be made with and approved by the employee's departmental supervisor. Vacations must be requested at least two (2) weeks prior to the desired beginning date.

any otherwise unpaid FMLA leave attributable to the employee's own "serious health condition." (See Article 14, H.)

- J. Upon resignation, termination of service or transfer to a position requiring fewer working hours or weeks of employment, an employee shall receive, at his/her request, any unused vacation allowance at the employee's current rate of pay.
- K. An employee returning from vacation leave and producing evidence of hospitalization during all or a portion of vacation leave shall have the time of hospitalization charged against accrued leave rather than vacation leave.

Article 13

Such leave shall be credited to the employee's accrued leave record on a monthly basis. Leave may be used subject to the following:
 - 1. Personal Illness: An employee may use available leave time as necessary to recover from a personal illness, injury or disability.
 - 2. Family Illness: Leave may be used to attend to an employee's spouse, child, parent or relative of the employee residing within employee's household who is seriously ill.

 - c. Death of other family members: Up to five (5) days per occurrence may be used in the event of death of family members not considered immediate family. These five (5) days will be deducted from the employee's accrued leave balance or, if no leave is accrued or available, the day(s) will be unpaid.
 - 4. Holiday Absence: If accrued leave is used the day before or after a holiday, as defined in Article 11, the employee may use accrued leave, if available, to substitute for the unpaid portion of the holiday pursuant to Article 11, Section B.
- B. Each employee may use two (2) personal days per year (The first day used will not be deducted from accrued leave, but the second day shall be deducted from accrued leave.) to conduct business of his/her choice. The use of such day is subject to the following conditions:
 - 1. The employee must notify his/her immediate supervisor at least three (3) workdays in advance of his/her intent to use the personal day, except in cases of emergency. In case of an emergency, the employee must notify his/her immediate supervisor as soon as possible.
 - 2. The personal day may not be used to lengthen a holiday or vacation period except by express permission of the Superintendent.

3. Except in the event of an emergency, no more than two (2) employees will be authorized to use a personal day on any one (1) workday unless approved by the administration.

- C. Use of leave time pursuant to this Article is subject to the following rules:
1. Personal illness requests should be made as far in advance as possible. In case of illness in the immediate family, a request must be made, except in emergency situations, twenty-four (24) hours or one (1) workday, whichever is greater, prior to commencement of the requested leave. In the event of death in the immediate family, a request should be made as soon as possible.
 2. Abuse of leave is cause for discipline up to and including discharge. Abuse of leave is defined to be absence for other than a legitimate purpose as defined by this Article.
- D. Any employee who is absent due to an injury compensable under Michigan Worker's Disability Compensation Act will receive from his/her sick leave the gross amount necessary so that the amount of the daily workers' compensation benefit plus the gross amount of sick leave payment equals the employee's regular gross daily rate immediately prior to commencement of workers' compensation benefits. The employee's leave days with salary will be charged proportionately for each leave day with salary or partial leave day with salary so allocated. The Board has no obligation to independently fund any salary differential if the employee's sick leave is unavailable or has been exhausted.
- E. By October 1 of each year, the Superintendent, or his/her designee, will inform each employee of the total amount of his/her accrued leave time.
- F. Leave with pay not chargeable against the employee's accrued leave shall be granted by the Board for the following reasons:

Article 14
Unpaid Leaves of Absence

- A. An employee may make application to the District for an unpaid leave of absence not to exceed one (1) year, renewable at the discretion of the Board, or to the Superintendent if the duration of the proposed leave is less than ninety (90) workdays. Applications for such leaves shall set forth the following minimal information:
1. Name, date and employee's signature;
 2. Nature of request;

3. Reason for the request and any additional data or documentation the employee feels will bear on the merits of the requested leave of absence; and
 4. Dates the employee desires to commence and terminate the leave of absence.
- B. Upon receipt of proper application, the District will review the request and the reasons advanced in support thereof. The granting or denial of an unpaid leave of absence shall be discretionary with the Board. Denial of such leave shall not be subject to Article 7. Where the request is reviewed by the Superintendent, a decision will be made within ten (10) workdays of the receipt of proper application. Where the Board is to review such requests, the Board will render a decision within five (5) workdays following the regularly scheduled Board meeting after which proper application has been submitted. Notification to the employee shall be made within three (3) workdays following the decision.
- C. An employee whose personal illness extends beyond his/her accrued leave may be granted an unpaid leave of absence of up to one (1) year from his/her last paid day. Such leave is subject to the same conditions as any other unpaid leave. Unpaid leave contractually granted to an employee who is FMLA-eligible shall run concurrently with the FMLA period. Said leave is renewable at the discretion of the Board.
- D. Unpaid leaves of absence, as provided for in A. above, shall be without pay, fringe benefits, experience credit and/or accrual of leave time. Upon return from an authorized unpaid leave of absence, the employee shall be restored to the same position on the salary schedule as when he/she left and be entitled to other accrued benefits earned prior to said leave.
- E. During the period of an unpaid leave of absence, an employee shall not be entitled to insurance benefits at District expense except as provided under a FMLA leave. Upon the approval of and subject to the limitations established by the respective insurance carriers, insurance benefits may be continued at the employee's expense by paying the appropriate premiums at the Board's payroll office.
- F. 1. An employee returning from a leave will be returned to his/her previously held position if it still exists.
2. If the position does not exist, the employee will return to a substantially equivalent position for which he/she is qualified and for which he/she possesses classification seniority. If there is no employee whom he/she is qualified to replace with less classification seniority, he/she shall be placed on layoff.
3. Substantially equivalent for the above shall be defined as the same classification, same hours per day, same number of weeks per year and same insurance benefit levels or, if no such position exists, to the position closest to but more than the foregoing.
- G. Any employee who fails to return from a leave of absence on the specified date or fails to request a renewal of a leave of absence prior to the specified date of return shall be considered a voluntary quit and shall lose all rights to employment in the District. A request for a renewal of a leave of absence shall be in accordance with A. above.
- H. Family and Medical Leave Act (FMLA)
1. An unpaid leave of absence of up to twelve (12) weeks during any twelve (12) month period shall be granted to any eligible employee in accordance with the Family and Medical Leave Act (FMLA) for any of the following purposes:

 - b. Because of a serious health condition of an employee's spouse, child or parent;
 - c. Because of the employee's own serious health condition.
2. To be eligible for a FMLA leave of absence, the employee must meet the eligibility requirements set forth in the FMLA and FMLA Regulations.
 3. Where permitted by the FMLA, an employee shall have the option to take FMLA leave on an intermittent or reduced schedule. Where permitted by the FMLA, the Employer may require an employee to substitute paid vacation leave, personal leave and/or accrued leave for FMLA unpaid leave.
 4. In accordance with the FMLA, the Board shall continue group health plan benefits during a FMLA leave. This shall not be construed as a waiver of the Board's right to recoup premium payments from an employee where permitted by the FMLA or as an agreement to provide benefits greater than what would have been provided if the employee was not on FMLA leave.
 5. A FMLA leave of absence shall be subject to and administered in accordance with the FMLA and FMLA Regulations. Limitations found under Section 108 of the FMLA—"special rules concerning employees of local educational agencies"—shall apply. The Board reserves all rights granted to school districts under the FMLA, such as, but not limited to, the right to substitute paid leave for unpaid FMLA leave, to require medical verification of illness, to require a certificate of fitness as a condition for the employee's return to work and to require the twelve (12) weeks of FMLA leave to be aggregated in accordance with the FMLA for an employee who is married.
 6. If the reason for the FMLA leave is foreseeable, the employee must provide at least thirty (30) calendar days' advance notice of the FMLA leave. All other notice must be provided as soon as it becomes practical.
 7. All other provisions of the FMLA shall apply. This section shall be interpreted consistent with the definitions contained in the FMLA. This section shall not provide an employee with any greater rights or benefits than required by the FMLA. To the extent required by FMLA (P.L. 103-3), an eligible employee shall be granted leave and other rights specified by the law. When leave is taken by an eligible employee under the FMLA, the District shall likewise enjoy and reserve all rights afforded it by the law, whether or not the same are specifically enumerated in this Agreement. The parties intend that the provisions of the FMLA, including District and eligible employee rights and responsibilities shall be supplementary to this Agreement and shall prevail over the terms of this Agreement to the extent of any conflict or inconsistency.
 8. The Board reserves all rights granted by the FMLA even if not specifically set forth above.

- E. The Board agrees to provide uniforms (uniforms may include shirts, pants, boots, rain gear and coats, costs not to exceed \$300 per person) for each maintenance and grounds employee each fiscal year. This payment will be paid by check subject to applicable taxation.

Section 13:

Guidelines for Employees on Absenteeism

Employees are expected to accept the responsibilities of being on the job regularly and on time for work. Absenteeism and tardiness, which is a form of absenteeism, places an undue burden and hardship on the school district's ability to manage and direct the programs and activities which affect students, parents and the community we serve.

Absenteeism also penalizes employees who are regular in attendance. Good attendance benefits employees in terms of job security, better earning, protection of sick leave benefits and equitable treatment.

The school district has a right to expect its employees to be at work regularly and on time and excessive absenteeism, even due to bonafide reasons, is a concern that needs to be addressed.

A. Employee Call In and Absence Reporting Procedures

In the event of personal illness or quarantine, serious illness or death in the immediate family, or other reasons, call (616) 794-4970. Prior to 5:00 a.m., contact the transportation supervisor at (616) 835-6432.

B. Personal Illness

1. You are expected to call in each day, unless you have specified in advance the number of days you expect to be absent.
2. You should expect a phone call, note or letter from your supervisor as a means of good communication to review your health status as the occasion warrants.
3. After three (3) consecutive days of illness or showing a pattern of absenteeism, the District reserves the right to ask for a physician's written release before you can return to work.
4. Your supervisor may require a physical examination by the Board of Education-designated physician.
5. Your supervisor may discuss your health with you as it relates to your attendance.

C. Irregular Attendance and Excessive Absenteeism

1. At the point where your absenteeism becomes a concern, you can expect to be urged, by your supervisor, to improve your attendance.
2. You can expect to be warned, in writing, by your supervisor, if improvement is not evident and your attendance is less than satisfactory.
3. You can expect disciplinary action to include a written reprimand, suspension and/or dismissal at the point your absenteeism places an undue burden on the Board and its ability to operate facilities and programs to serve students, parents and the community.
