Good morning,

The contracts for the last school year were extended from the prior school year due to the pandemic. We are waiting for the new contracts for the most current contracts to be provided to us to update our website. Please let me know if I can be of further assistance.

Have a great day!

Sincerely,

Good morning Monika,

My name is Abbee Elwell, and I work on behalf of the Mackinac Center for Public Policy. We are updating our database of all the school district collective bargaining agreements in Michigan, and it appears the contracts for teachers and custodial and transportation personnel posted on your website expired over one year ago, in 2020.

Could you attach or point me to the collective bargaining agreement for those employees for *last* school year, 2020 - 2021? I understand that many districts are publishing recently negotiated contacts, but we would like the contracts from this last year--although, if you have the new contracts as well, we would most certainly be grateful to receive those as well.

Thank you for everything you do for your students. I hope you have a great day.

Best,
