1. All persons holding Schedule B positions shall be contacted, by the Athletic Director or Principal, no later than June 30, for fall and winter activities, and October 30, for spring activities, and shall, at that time, indicate their intent to continue in said position.
2. All vacancies shall be posted as soon as reasonably possible.
3. Attempts will be made to fill all positions no later than two (2) weeks before the start of the activity.

C. Experience Credit for Extra Duty. Supplemental pay for Schedule B activities shall be based upon the appropriate salary step of Schedule B. For the purpose of step placement on Schedule B, the following will apply:

1. Teachers will be given credit for each year's experience in a particular activity which they are to perform on the extra duty schedule which is comparable to the previous position (i.e. same sport or activity) they performed at their prior place of employment. However, step placement will be no higher than Step 4 and there shall be no retroactive payment for past years services.
2. When changing positions within a particular activity which is comparable to the previous position (i.e. same sport or activity), step placement will be maintained within and between classes, except that if the change would result in movement to a higher paying class, step placement will be no higher than Step 4.
3. A teacher who is currently holding a position covered by Schedule B will be placed on said pay schedule in accordance with the above provision effective with this Agreement.
4. If a new program is developed during the term of this Agreement, compensation will be made on the basis of the nearest like program in Schedule B.

- D. **Evaluation of Coaches.** Coaches shall be evaluated in writing by the Athletic Director, Superintendent, or other administrator at the conclusion of the coaching season or school year, whichever is earlier. The coach may submit in writing any response desired which shall be attached to the evaluation.

ARTICLE 9 - Calendar

- A. **School Calendar.** The school calendar will be released as soon as available, when the county calendar has been agreed upon by the county and Jackson ISD. For the duration of the contract, bargaining unit employees shall work 184 days. School calendars shall have at least the minimal number of student days and hours to receive full state school aid.
- a. The district will provide release time through predetermined late arrivals or half days to compensate for time teachers use during parent teacher conferences which are to be designated by the building administrator with required attendance. For teachers who work in buildings that do not have parent teacher conferences, the compensation of time will be required to be made up by attendance at graduation and awards night. Missing these events (back to school night, conferences, awards night, and graduation) can only be done with the approval of both the building administrator and the superintendent.
- B. **Establishing School Calendar.** Before the adoption of the school calendar by the Board for the ensuing school year(s), the Superintendent and GLEA Association shall meet to develop a mutually acceptable calendar. Such meeting shall occur before May 1st.
- C. **Completing Full School Year.** If the school year does not begin as designated according to the calendar, or if students and/or teachers are not in attendance on regularly scheduled school days during the designated school year, all such student attendance school days and teacher work days, except for attendance days lost resulting from an Act of God, shall be made up through an extension or alteration of the school calendar as mutually agreed upon between the Association and the Superintendent. If the parties are unable to mutually agree on how the day(s) will be made up, said days shall be added to the end of the school year.

- D. **Act of God Days.** Nothing in this Agreement shall require the Board to keep schools open in the event of severe weather conditions or when otherwise prevented by an Act of God.
1. When school is officially called off for students due to inclement weather or other Acts of God or when schools are dismissed due to same, schools will be closed and teachers shall not be required to be on duty.
 2. When Act of God days are made up, pursuant to the State School Aid Act, bargaining unit employees shall be required to report to work. Neither the closure of schools due to Act of God days, nor the rescheduling of such days, shall act to increase or decrease the amount of compensation due to a bargaining unit member. The make-up of Act of God days shall be only as is required by state law.
 3. Should it be necessary to make up days, such days will be added to the end of the negotiated calendar. The first make-up day, of any required, will take place on the last scheduled teacher workday. Teachers will be expected to complete normal year-end work duties. The parties may mutually agree to make up days at times other than the last scheduled teacher workday.
 4. A bargaining unit employee who takes a sick or personal business day that falls on an "Act of God" day, will not be charged for that day(s) of leave. Any employee on an extended leave of five (5) or more continuous days will not be eligible for this benefit.

ARTICLE 10 - VACANCIES, PROMOTIONS AND TRANSFERS

- A. **Teacher Request for Reassignment.** The Board recognizes that it is desirable in making assignments to consider the interests and aspirations of its teachers. Requests by a teacher to change his/her teaching assignment shall be made in writing, one (1) copy of which shall be filed with the Superintendent and one (1) copy shall be filed with the Association. The application shall be made annually before April 1. If a teacher is denied a transfer for which he/she has applied, the teacher shall be entitled to a conference with the Superintendent, who shall give the reasons for the denial.
- B. **Definition, Temporary Vacancies, and Posting**

1. **Definitions.** A position is defined as a designated assignment of grade level and/or subject areas to be taught. A vacancy is defined as a position which is unoccupied.
 2. **Temporary Vacancies.** When a vacancy in any professional position occurs during the school year, and the Board determines that the position is to be continued for the ensuing school year, the position may be filled on a temporary basis until the end of the current school year and, if filled temporarily, then the position may be considered a vacancy for the ensuing year.
- C. **Transfers and Assignments.** The parties recognize that changes in grade assignments in the elementary schools, changes in teaching assignments in the secondary schools, and/or transfers between schools will be necessary from time to time. The parties agree, subject to the previous sentence, to consult and cooperate with each other where transfers and/or assignments for the improvement of the instructional program are necessary.

ARTICLE 11 - LEAVES OF ABSENCE

Immediate family for the purpose of this provision shall be defined as spouse, partner, child, parent, parent-in-law, brother-in-law, sister-in-law, brother, sister, grandchild, grandparent, step family, partner or a member of the teacher's household. In addition, one (1) day each year charged against the teacher's accumulated sick leave may be used to attend the funeral of a close friend or relative not in the immediate family.
 - (d) **Medical/Dental Appointments.** Full or half days may be used for medical or dental appointments not of a routine nature which cannot be scheduled outside of school hours.
3. **Sick Leave Eligibility Requirements.** To be eligible to use accumulated sick leave credits, the following conditions shall apply:
- (a) Sick leave with pay for each school year will be granted after the teacher has worked one (1) day of the new school year. Teachers

hired for a specific period of time which is other than a full school year shall be credited with a prorated amount of sick leave at the rate of 1.1 days for each month in which the teacher is paid at least one-half (1/2) of the scheduled work days.

- (b) Teachers shall inform the District through the current substitute request system or call their supervisor directly for a morning absence no later than 6:00 am.
- (c) Notification of leave for funeral or death of a person is expected as soon as practicable to the Superintendent or Building Principal.
- (d) After five (5) consecutive absences, a physician's statement may be required, upon request of the Superintendent, to certify that it was necessary for the teacher to be absent and/or that the teacher may return to work without limitation or restriction.
- (e) Any time the administration has good and sufficient reason to suspect a teacher is abusing sick leave, said teacher will be so notified in writing and informed that any time thereafter said teacher may be required to substantiate any further sick leave absence with a certificate from a medical doctor if further abuse is suspected. If there is no cause to suspect abuse of sick leave within ninety (90) days of the above notification, no doctor statement will be necessary until such time as further abuse is suspected and notice is again given as provided above.
- (f) In an emergency situation with the approval of the building administrator, a teacher, who has been on duty for a period of two (2) hours or more in either morning or afternoon session of the school day and must leave during the session, shall not be charged for any sick leave for the half day that this occurred. This provision shall apply to all other leaves.
- (g) Upon the recommendation of the Superintendent, the Board may, at its own expense, require a teacher to submit to a physical or mental examination by an approved specialist to determine the employee's fitness for duty. Sick leave time shall not be charged to the employee for attending this examination.

(h) The Board shall furnish each teacher with a written statement by the second pay period of each school year setting forth the total sick leave credit accumulated.

4. **Sick Leave Pay-Off.** The Board will provide the following annual incentives for teachers that use little or no sick time beyond that for which they are obligated by (5) below.

0 days used = One (1) day's pay (teacher's salary
divided by teacher work days)

This incentive pay will not affect the accumulation of personal sick time of up to one hundred seventy (170) days.

Upon retirement or death, after ten (10) years of continuous service with the School District, the Board agrees to pay thirty-five dollars (\$35.00) per day for unused accumulated sick leave, up to one hundred seventy (170) days.

5. **Jury Duty/Court Appearance.** A teacher called for jury duty or subpoenaed to give testimony before any judicial body shall be compensated for the difference between the teaching pay and the pay received for the performance of such obligations. The Board will not be liable for this provision in any legal matter where the employee is testifying against the School Board, when the employee has been subpoenaed as a witness, or in situations where the teacher is found to be guilty of gross negligence or criminal act. Teachers released from judicial proceedings, during the school day, must report for duty immediately upon being released by the court in order to receive jury duty/court appearance pay, provided at least two (2) hours remain in the normal school day or a meeting has been scheduled which the teacher would normally attend.
6. **Attendance of Educational Conferences.** Teachers may be granted a leave of absence with pay with prior administration approval for visitation to other schools or attending meetings or conferences of an educational nature. Conference expenses including mileage will be paid according to Board Policy. Estimates of total cost of conference expenses shall be included in conference requests. Upon return from the conference an itemized expense list with expense receipts attached shall be presented for reimbursement. The teacher shall also submit a written report to the Superintendent and upon the request of the Board give a

brief oral report to the Board of what was learned at the conference and how it would benefit the District. The Board agrees to place such oral reports as the first item on the agenda after approval of the minutes.

7. **Worker's Compensation.** Leave allowances for employees injured while working for the District and thus becoming eligible for Worker's Compensation benefits shall be as follows:
 - (a) Accumulated sick leave days shall, on an optional basis to the employee, be made available to the injured employee during the period he/she is unable to work as a result of an accident.
 - (b) If the employee chooses the option of using sick leave days, his/her Worker's Compensation benefits shall be supplemented by school funds to give the employee the equivalent of his/her regular daily rate. The employee's sick leave would be charged with a proportionate amount of time lost, based on the ratio of the school funds used to make the employee's regular daily rate.

8. **Personal Business.** Teachers may use up to three (3) days per school year for personal business which cannot reasonably be conducted other than during normal school hours. Written notification for use of personal business days shall be given to the Superintendent at least seventy-two (72) hours in advance, except in emergencies wherein notification shall be submitted as soon as reasonably possible.
 - (a) These days shall not be used on the workday preceding or following a vacation or holiday, or the first and last day of school without the Superintendent's approval.

 - (c) The total number of sick days and personal days granted shall not exceed thirteen (13) days per school year.
 - (d) If a teacher is on a personal business day and school is cancelled, the day will not be deducted from the teacher's personal business days.

9. **Association Business Leave.** At the beginning of each school year, the Association shall be credited with ten (10) days to be used by

teachers who are officers or agents of the Association for the purpose of attending local, state, or national conventions and/or educational conferences of the JCEA, MEA, or NEA, or for any other Association business purpose except for picketing against any school district. The Association agrees:

- (f) If a teacher is on an approved business day and school is cancelled, the day will not be deducted from Association days.

10. **President of JCEA Leave.** If a teacher is elected President of the JCEA, said employee shall be granted regular released time for a full school year, provided (1) thirty (30) days advance notice is given before the start of said leave, (2) the JCEA reimburses the Board for that portion of said employee's salary and fringe benefits equal to the amount of released classroom time, and (3) the JCEA reimburses the District for any unemployment compensation that may have to be paid by the District as a result of hiring a substitute teacher for said purpose.

B. Unpaid Leaves.

1. **Conditions.** Unless otherwise indicated, all leaves are subject to the prior approval of the Board and the following conditions shall apply:
- (a) The unpaid leave provisions of this Agreement shall be construed consistently with the requirements of the federal Family and Medical Leave Act (FMLA). All unpaid leaves required by that Act shall be cumulative with, and not in addition to, any other

applicable leave, paid or unpaid, provided for in this Agreement. Paid sick days shall count toward leave under the FMLA as permitted under board policy, if the paid sick leave is greater than three (3) consecutive days for a single illness. The district shall count these days towards the twelve (12) week total in a twelve (12) month period. FMLA does not restrict an employee from being on a paid leave greater than twelve (12) weeks.

- (b) Requests for leaves shall be in writing. The initial request shall be submitted to the Building Principal. The request shall be signed by the Principal and submitted to the Superintendent. The Superintendent or a designee may request a meeting with the employee for further clarification of the unpaid leave request. A representative of the bargaining unit may accompany the employee.

- (f) Subject to the requirements of the federal Family and Medical Leave Act, all fringe benefits paid by the Board will cease at the commencement of the unpaid leave, but the teacher may, at his/her option, continue such benefits for two years at his/her own expense subject to all conditions required by the insurance carrier. A teacher who fails to return on his/her own volition shall reimburse the district insurance premiums paid while on FMLA.
- (g) A teacher wishing to return to the District after an extended leave of absence scheduled to end at the end of the school year, must request in writing to the Superintendent or designee, not later than March 20th prior to the termination of his/her leave. Failure to comply with the provision shall be considered as a resignation. The Superintendent or designee will attempt to contact all teachers on such leaves of absence, by certified mail, on or before March 1st and inform them of the above requirements.

- (h) Teachers who have been granted Alternative Career Leaves shall notify the Board, no later than March 31, in the year they wish to return, of their intent to return for the following school year. Failure to return shall be deemed conclusive evidence of resignation. The teacher may apply to return to a vacant position.
 - (i) A teacher may return from a leave of absence at the beginning of any semester (for Medical Leave see Article 10, B-3). The teacher shall return to his/her previously held position. When it is not possible to return the teacher to the previously held position, he/she will be returned to a substantially equivalent position or if no vacancies, a position held by a less senior teacher within certification and qualification. In such case, the layoff notices shall be waived.
2. **Child Care.** A leave of absence shall be granted to any teacher who is the parent or legal guardian of a child for the purpose of child care. Said leave shall commence upon request of the teacher after giving thirty (30) days advance written notice to the Superintendent. It is further provided that:

It is understood and agreed the application for said leave must be made at least five (5) days before it is to become effective and that the length of time is specified. If further time is necessary, it may be granted by the Board, provided the conditions of the

original application have been met. The probationary period of non-tenured teachers may be extended by a number of days not to exceed the number of days of said leave.

- (b) Unpaid medical leaves of absence of up to sixty (60) teacher workdays shall not serve to interrupt continuous service. Unpaid medical leaves of absence longer than sixty (60) teacher work days will be deducted from continuous service beginning with the sixty-first (61st) work day.
 - (c) Leave for maternity related disability shall be treated the same as any other medical disability.

2. If the grievance is filed on or after June 1, the time limits may be reduced by mutual consent, if practical, in order to affect a solution before the end of the school year.

Level One - Immediate Supervisor

A teacher or the Association with a grievance shall submit it, in writing, to his/her immediate supervisor or Principal; individually, together with the Association Representative, or through the Association Representative within fifteen (15) days of the occurrence of the event upon which the grievance is based, or within fifteen (15) days after the grievant has knowledge or should have had knowledge of the event upon which the grievance is based. A decision shall be rendered, in writing, within ten (10) days after presentation of the grievance. If the grievance involves more than one (1) building, the grievance may be filed with the Superintendent (Level Two).

Level Two - Superintendent

1. If the aggrieved party is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within ten (10) days after presentation of the grievance, he/she may file a request to appeal with the Association Grievance Committee within two (2) days.
2. Within four (4) days of receipt of the request to appeal, the Grievance Committee shall decide whether or not there is a basis for appeal. If the Committee decides there is a legitimate grievance, it shall immediately process the claim by filing the appeal with the Superintendent, within two (2) days of its decision

3. The decision of the Superintendent shall be made within ten (10) days from receipt of the appeal.

Level Three – State Mediator

The Board and the Association may mutually agree in writing to submit the grievance to a State Mediator within ten (10) days of the completion of Level Two. If the grievance is not resolved within twenty (20) days, the grievance may revert to Level Four.

Level Four - Arbitration

1. If the Association is not satisfied with the disposition of the grievance at Level Two or Level Three, or if no decision has been rendered within ten (10) days from receipt of the appeal by the Superintendent, the Association may refer the grievance to arbitration by filing a demand for arbitration with the American Arbitration Association, whose rules and procedures shall govern the arbitration selection process. The Board and the Association shall not assert in such hearing any ground or rely on any documentary evidence not previously disclosed to the other party. The arbitrator shall render a decision based upon the interpretation of this Agreement and shall have no authority or power to alter, modify, add to subtract from or ignore any of the terms of this Agreement. The arbitrator shall construe this Agreement in a manner which does not interfere with the exercise of the Boards rights and responsibilities except where they have been expressly and clearly limited by the terms of this Agreement and shall not substitute his/her judgment for that of the Board where the Board has discretion to exercise. Specifically, the arbitrator shall have no authority or power to render a decision in cases which involve:
 - (a) the termination of any probationary teacher;
 - (b) the termination of any teacher from extra duty assignments;
 - (c) the content of any teacher evaluation;
 - (d) the discharge or demotion of a teacher or any other matter within the jurisdiction of the Tenure Commission or any other administrative agency created by federal or state law to render an enforceable decision.

2. The fees and expenses of the arbitration shall be assessed to the parties as follows:
 - (a) If the grievance is sustained and the remedy sought by the Association is awarded in full the Board shall pay the fees and expenses of the arbitrator in full.
 - (b) If the grievance is denied in full the Association shall pay the fees and expenses of the arbitrator in full.
 - (c) If the grievance is neither sustained in full nor denied in full the fees and expenses of the arbitrator shall be shared on a percentage basis as determined by the arbitrator.
 - (d) Regardless of which party prevails, the Association and Board remain responsible for payment of their respective costs for witnesses, legal counsel, and related activities.

E. **Right of Representation.** Any party of interest may be represented at all meetings and hearings at any level of the grievance procedure by the Association.

F. **Miscellaneous.**

1. A grievance may be withdrawn at any level without record or prejudice of interpretation of the Agreement in the future.
2. No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure by reason of such participation.
3. All documents, communications, and records dealing with the grievance shall be filed separately from the personnel files of the participants.
4. Forms for filing and processing grievances shall be as presented on Schedule C. The office of the Superintendent shall prepare copies of the Grievance Report Form, submitting these to the Association President for his/her use.

5. Access shall be made available to all parties, places, and records for all information necessary to the determination and processing of the grievance.
6. Any grievance not appealed from a decision at any level of this procedure within the time lines specified shall be considered settled. No further appeal shall be made.
7. When a teacher is participating at any level of the grievance procedure with any representative of the Board, the teacher shall be released from assigned duties without loss of salary.

ARTICLE 14 - ACCOUNTABILITY

The Board and the Association recognize that the ability of students to progress and mature academically is a combined result of school, home, economic, and social environment, and that teachers alone cannot be held accountable for all aspects of the academic achievement of the students in the classroom. Teachers shall be held accountable for providing the opportunity for academic achievement of the students in the classroom.

ARTICLE 15 - SENIORITY

A. Seniority.

1. Seniority will be defined as continuous service as a teacher with the Grass Lake Community Schools, starting with the individual's date of hire.
2. In the circumstances of more than one individual beginning employment on the same date, all individuals so affected shall participate in a drawing to determine position on the seniority list. The Association and teacher(s) so affected shall be notified in writing of the date, place, and time of the drawing. The drawing shall be conducted openly at a time and place which shall reasonably allow affected teachers and Association representatives to be in attendance.
3. By October 1, the Board shall furnish the Association President with a listing of all teachers in order of seniority and specify each teacher's most recent certification. Upon request of the Association President, each subsequent

October 1, additions, deletions and corrections to the list will be provided by the board. If no objections to the list are provided by October 30th, the list shall be final and conclusive.

4. Employees on layoff do not acquire seniority while on layoff but seniority before layoff shall be reinstated when the employee is rehired.
5. Substitute teachers and other temporary teachers do not acquire seniority.

B. Lay-Off Status

1. Teachers on lay-off may, at their option, reimburse the District to continue their fringe benefits for one (1) year or as authorized by law. Timely payment of this reimbursement is the responsibility of the teacher.

ARTICLE 16 - STUDENT DISCIPLINE/TEACHER PROTECTION

A. **Student Discipline.** The Board and the teachers recognize their mutual obligation for maintaining proper control and discipline in the classroom and other school related activities. In taking disciplinary actions, teachers shall use reasonable and just methods in accordance with the District's established disciplinary process. The Board shall provide support and assistance to teachers for the maintenance of control and discipline in accordance with the District's policies.

1. Rules and regulations shall be distributed to teachers, parents, and students at the commencement of each year.
2. Whenever it appears to the classroom teacher that a student and/or students require the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, a recommendation will be submitted in writing to the Administration and such action as the Administration deems appropriate will be taken. The Principal will communicate with the teacher concerning disposition of such cases.
3. A teacher may exclude a student from class temporarily when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect on the rest of the class makes the continued presence of

the student in the classroom intolerable, in which event the teacher must escort the student to the Principal's office and turn the student over to the Principal or the Principal's designee. In the event the Principal or his designee is not readily available, the teacher may place the student under the control of another teacher for security purposes until the Principal or his designee arrives. It is understood that removing a student from class is a last resort measure and students on the secondary level will not be returned to that particular class the same day, thus allowing the teacher to fully communicate with the Principal and minimizing the disruption to the rest of the students. The Building Principal shall take action based on what has been communicated to him with respect to the student matter.

In the event the Principal or his designee or another teacher is not readily available to assume responsibility for the student, the teacher must be prepared to take the student back to the classroom until assistance arrives.

- B. **Teacher Protection.** Parental or student complaints to the administration and/or the Board directed towards a teacher shall be called to the teacher's attention within ten (10) school days or dropped.
1. **Assault.** If a teacher, acting within the scope of one's professional employment, is assaulted, the incident shall be immediately reported to the Building Principal or appropriate administrator. The Board shall assist the teacher in connection with the handling of the incident by law enforcement and judicial authorities. A teacher may only use reasonable physical force as permitted by Section 1312 of the Revised School Code, MCL 380.1312.
 2. **Civil Action.** If any teacher is the subject of a civil action brought by a student, or parent of a student, for action taken by the teacher acting within the scope of one's professional employment, the Board will provide legal counsel and render such assistance as is reasonable and necessary in the teacher's defense. Teachers shall have the right to retain outside legal counsel at their own expense. The time necessarily lost from work by a teacher in the defense of a civil action brought by a student or parent of a student which arose out of and within the scope of one's professional employment, shall not be charged against the teacher.

- C. **Personal Property Reimbursement.** The Board will reimburse the teacher, up to One Thousand Dollars (\$1000.00) for loss, damage, or destruction of personal property used or intended to be used as an instructional tool or device by the teacher, provided:
1. The Building Principal is informed in writing and approves that the personal property is to be used for educational purposes;
 2. The loss occurs on school premises or while the teacher is engaged in school business;
 3. The loss is not a result of negligence by the teacher.
 4. Request and approval must be completed annually.
 5. This is not intended to duplicate a teacher's other insurance coverage.

ARTICLE 17 - CONTINUITY OF OPERATIONS

- A. **Job Action.** The Association agrees that it, its officers, its agents or its membership shall not authorize, sanction, condone, engage or acquiesce in any strike or job action, defined herein as the abstinence in full or part from any of the employee's duties of employment for the purpose of effecting a change in the employee's or any other person's employment conditions or relationship during the term of this Agreement.
- B. **Unfair Labor Practice.** The Board and the Association agree that neither will, during the period of this Agreement, directly or indirectly engage in or assist in any unfair labor practice as defined by Section 10 of the Public Employment Relations Act.
- C. **Lock Out.** The Board agrees that it will not lock out any member of the bargaining unit covered by this Agreement, for any reason, during the term of this Agreement.
- D. **Annexation, Consolidation.** Before any annexation, consolidation, or other reorganization of the District, the Association will be notified so that the effects of same on its members may be negotiated.

ARTICLE 18 - NEGOTIATION PROCEDURE

- A. **Representatives and Conditions for Bargaining.** Neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party. Each party may select its representatives from inside or outside the District. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership of the bargaining unit, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make and consider proposals and to make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- B. **Official Copies of Agreement.** There shall be three (3) signed copies of any final agreement. One (1) copy shall be retained by the Board, one (1) by the Association, and one (1) by the Superintendent. Copies of the final Agreement shall be printed by the Association and the Board will pay the expense of the paper used in any copies it needs. A copy of the Agreement will be made available to all teachers employed by the Board.
- C. **Mediation.** If the parties fail to reach an Agreement in any such negotiations, either party may invoke the mediation process of the Michigan Employment Relations Commission.
- D. **Commencement of Successor Agreement Negotiations.** At least ninety (90) days before the expiration of this Agreement, the parties will begin negotiations for a new Agreement covering wages, hours, and other terms and conditions of employment of teachers employed by the Board.

ARTICLE 19 - PROFESSIONAL BEHAVIOR and IMPROVEMENT

- A. **Teacher Conduct.** The Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, unauthorized absence, willful deficiencies in professional performance, or other misconduct by a teacher reflect adversely upon the teaching profession and create undesirable conditions in the school building. All information forming the basis for disciplinary action will be made available to the teacher and the Association, as permitted by law.

Alleged breaches of misconduct shall be promptly reported to the offending teacher.

- B. **Personnel File Review.** A teacher shall have the right, upon request, to review the contents of his/her own personnel file, excluding confidential credentials, letters of recommendation, and to have a representative of the Association accompany him/her in such review. The review will be made in the presence of the administrator responsible for the safekeeping of such file.

- C. **Contents of Personnel File.** No material originating after initial employment will be placed in a teacher's file unless the teacher has had an opportunity to review the material. The teacher may submit a written notation regarding any material and the same shall be attached to the file copy of the material in question. If the teacher believes that material to be placed in his/her file is inappropriate or in error, he/she may receive adjustment, provided cause is shown, through the grievance procedure, whereupon the material will be corrected or expunged from the file. This provision does not apply to material which is disciplinary in nature. Letters of recommendation will be based on materials not more than three (3) years old.

Any material originated by the District and contained in the teacher's personnel file which is more than four (4) years old, and to which there is no more recent reference in the file, shall upon the request of said teacher and review by the Superintendent, be removed. If the request for removal is denied by the Superintendent, a committee of the Association President (or designee), the teacher and the Superintendent shall meet to review said materials. The parties acknowledge that Section 1230b(6) of the Revised School Code prohibits the expungement of personnel records which reflect unprofessional conduct. MCL 380.1230b(6).

- D. **Personnel File Content Acknowledged.** The teacher shall be notified of all material placed in his/her file and given an opportunity to review and sign such material. Such signature shall be understood to indicate his/her awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material unless otherwise expressly stated.

- E. **Special Education Services.** Teachers are encouraged to use the special education services available to the District.

- F. **Teacher Continuous Training.** The parties support the principle of continuing training of teachers, participation by teachers in professional organizations in the

areas of their specialization, leaves for work on advanced degrees or special studies, and participation in community education projects.

- G. **Professional Staff Training Funds.** The District Professional Development Committee shall monitor the professional training funds for conferences and inservice programs. These funds shall be used for staff training in the amount of \$2,000 per year. These funds shall not be used for the cost of substitute teachers or for tuition reimbursement for credit courses.

ARTICLE 20 - CONTRACT ADMINISTRATION

- A. **Special Conference.** Representatives of the Board and the Association bargaining committee will meet within five (5) days of request by either party to administer the Agreement and/or resolve problems that may arise. The meetings are not intended to by-pass the grievance procedure.
- B. **Association Representatives.** The Association shall designate a teacher in each school building as Association Representative. The Principal and Association Representative shall meet when either party deems it necessary to review the administration of the contract and to resolve problems which may arise. These meetings are not intended to by-pass the grievance procedure.

ARTICLE 21 - MISCELLANEOUS PROVISIONS

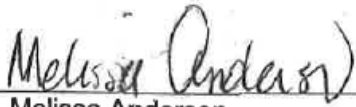

- A. **Individual Teacher Employment Contract.** Any individual contract between the Board and an individual teacher shall be subject to and consistent with the terms and conditions of this Agreement, and any such individual contract shall be expressly made subject to and consistent with the terms of this or subsequent Agreements to be executed by the parties. If an individual contract contains any language inconsistent with this Agreement, this Agreement for its duration, shall be controlling.
- B. **Superseding Clause.** This Agreement shall supersede any current rules, regulations or policies of the Board, which shall be contrary to or inconsistent with its terms.
- C. **Savings Clause.** If any provision of this Agreement or any application of the Agreement to any teacher or group of teachers shall be found contrary to law,

then such provision or application shall be deemed null and void except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

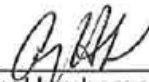

- D. **Constitutional/Statutory Rights.** Nothing contained in this Agreement shall be construed to deny or restrict any teacher or the Board rights under the Constitution of the United States, the Constitution of Michigan, or under the Michigan General School Laws. Other rights granted in this Agreement are in addition to those provided elsewhere.
- E. **School Law Compliance.** The Board, Association and teachers must comply with all school laws or regulations of the State of Michigan at all times.
- F. **Emergency Financial Manager.** If an emergency financial manager is appointed under PA 436 of 2012, the Local Financial Stability and Choice Act, the emergency manager may reject, modify, or terminate the collective bargaining agreement as provided in the Act.
- G. **Merit Pay.** In order to comply with Section 164h (1)(d) of PA 108 of 2017, the Board shall adopt policies to comply with this provision and communicate the details of those policies no later than October 1 of each year. Such policy shall not, in any way, alter the provisions contained in this Collective Bargaining Agreement.

ARTICLE 22 - DURATION OF AGREEMENT

This Agreement shall be effective as of the 1st day of January 2021 and continue in effect until the 31st day of December 2022. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated.
