If the mentor assignment is split as described in G.1, the honorarium will also be proportionally split between the mentors.
7. Where the mentor is a bargaining unit member within the bargaining unit, consideration will be given to the building assignment and schedule of both bargaining unit members.
8. The responsibilities of the mentor will be determined by the administration. In general, the responsibilities will include by way of illustration, assisting the bargaining unit member in fulfilling the objectives of the bargaining unit member's Individual Development Plan and guidance in such areas as classroom management and instructional delivery.

- B. **Duty Free Lunch.** All bargaining unit members shall be relieved of cafeteria and playground duty during the 30 minute lunch period unless specifically hired for that duty.
- C. **Elementary Prep Periods.** Elementary bargaining unit members shall use as conference and preparation time those periods when their students are receiving instruction from bargaining unit specialists (elementary physical education, music, and computers) and when their students are at recess. The Board shall maintain vocal music, computers and physical education elementary programs; provided, however, the Board may, after consultation with the Association, reduce or eliminate such programs for financial reasons only. The Board shall use its best efforts to hire substitutes for the bargaining unit specialists. Elementary bargaining unit members shall have 55 minutes per day as conference and preparation time as scheduled by the Board to replace such time lost by the elimination of the elementary music, computers and art specialist programs. Such time shall be scheduled in no less than fifteen (15) minute blocks of time per day.
- D. **Secondary Prep Periods.** All secondary bargaining unit members (7-12) shall be entitled to a daily preparation period equivalent to at least one (1) class period to be scheduled during the student day; provided, however, that such daily preparation periods shall not exceed fifty-five (55) minutes per day. If the secondary class period exceeds fifty-five (55) minutes per day, the teacher will be assigned an activity from a mutually agreeable list of activities for the time in excess of fifty-five (55) minutes. These activities will be developed by a committee consisting of an equal number of participants of administrators and secondary teachers.

The days or hours may be made up by taking classes offered by the Jackson County Intermediate School District or other classes approved by the Superintendent or designee. The District shall notify the teachers of any voluntary summer (June) professional development schedule on or before the previous December 31st.

ARTICLE 6: BARGAINING UNIT MEMBER CONDITIONS

- A. The parties recognize that the availability of optimum school facilities for both student and bargaining unit member is desirable to ensure the high quality of education that is the goal of both bargaining unit member and the Board. It is also acknowledged that the primary duty and responsibility of the bargaining unit member is to teach and that the organization of the school and the school day should be directed at ensuring that the energy of the bargaining unit member is primarily utilized to this end.

B. **Class Size.**

1. The parties recognize that class size is an important aspect of an effective educational program and agree that the following class sizes shall be capped:

Young 5's Capped at 22 students

Kindergarten Capped at 26 students (five sections) or 28 (four sections)

In the event that these additional students are added to a classroom excepting Music, Physical Education and other traditionally recognized larger classes, the teacher will be compensated \$10 per full day per student over 22 in Young 5's or over 26 in Kindergarten.

In order to be eligible to receive the above compensation, the additional student(s) must have been enrolled and been present in the teacher's class for at least fifteen (15) instructional days in the Trimester. It is understood that payment is for the class enrollment condition and is not dependent on the presence of the same additional students in the teachers' class during the Trimester. Payment will be made to eligible teachers for the scheduled number of instructional days in the Trimester. Payment under this provision will be made to the affected teachers on the payroll following the completion of the Trimester.

The parties further recognize that class size is an important aspect of an effective educational program and agree that the following class sizes are desirable:

1- 2	24
3 - 5	26
6 - 12	28

2. Accordingly, the Board agrees to use reasonable means to keep all classes, except band, vocal music, physical education, study halls and any other large group instruction, at 30 students or less. A class may exceed 30 students if the bargaining unit member and the Association approve of the additional students or if the Board cannot reduce the size of the class to 30 or less by reasonable means; provided, however, that any split grade classroom shall in no event exceed 30 students. Reasonable means shall not require the Board (1) to establish a split grade (2) to create, construct

or purchase additional classrooms (3) to place any class on a short-time or reduced schedule or (4) to establish an additional class in a subject of which there is only one in a grade.

3. If it is necessary to assign a bargaining unit member to a class which exceeds 30 students, the Board shall so advise the bargaining unit member and the Association in writing of such fact and the reasons therefore. The determination of class size for the purpose hereof will be made as of October 1, or the first school day thereafter, of each school year.
4. Upon request, an elementary bargaining unit member with 32 or more students shall be provided with 2-1/2 hours of instructional aide assistance per week. The aide time shall be provided in increments of not less than 15 minutes.
5. Co-teaching situations will be considered for special education students' inclusion into regular education classes. If a mutually agreeable co-teaching situation cannot be agreed upon, the following provisions will be implemented.

The number of elementary special education students within a grade level within a building will be equalized, subject to any exceptions which may be imposed by the student's Individual Education Plan.

The number of secondary special education students enrolled in the same section and class hour will be equalized, subject to any exceptions which may be imposed by the student's Individual Education Plan.

- C. **Tools and Materials.** The Board recognizes that appropriate texts, library reference facilities, maps, and globes, laboratory equipment, audiovisual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. The parties will confer from time to time for the purpose of improving the selection, use, and quantity of such educational tools.
- D. **Break Facilities.** The Board shall insofar as possible make available in each school adequate lunchrooms, restroom and lavatory facilities exclusively for bargaining unit member use and at least one room, appropriately furnished, which shall be reserved for use as a faculty lounge.
- E. **Telephone Facilities** shall be made available to bargaining unit members for their reasonable use.
- F. Adequate parking facilities shall be made available to bargaining unit members.
- G. **Non-Discrimination.** To the extent required by law the provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, political beliefs, religion, color, national origin, age, sex, marital status, sexual orientation, height, weight, handicap, or membership in or association with the activities of any employee organization. The Board and the Association pledge themselves to seek to achieve full equality of educational opportunity to all pupils.
- H. **School Closure.** When weather conditions, mechanical malfunctions and/or other emergencies act to close schools, bargaining unit members shall not be required to report to work. Days of instruction lost due to such "act of God days" may be rescheduled if necessary to prevent the loss of state aid under the State Aid Act. When such days are rescheduled, bargaining unit members shall be required to report for duty. Neither the closure of such schools due to "act of God days" nor rescheduling of such days, shall act to

increase or decrease the amount of compensation due a bargaining unit member in accordance with their step and level of the salary schedule.

I. **Medically Fragile/Least Restrictive.**

1. In the event the Michigan Center School District and the Jackson Intermediate School District determine that the Michigan Center Schools will provide services to medically fragile special education students not currently enrolled in a regular education classroom setting (who require additional assistance in order to be included in a classroom setting as determined by the Individual Educational Placement Committee meeting), the Board agrees to discuss the issues dealing with these students in a least restrictive environment to find a mutually acceptable disposition for the issue.
2. A general education classroom bargaining unit member shall not be expected to perform routine, scheduled maintenance of a medical appliance or apparatus used by the student to sustain his/her bodily functions or render routine, scheduled care or maintenance of exceptional bodily functions related to the student's impaired condition. Otherwise, it shall be the responsibility of the bargaining unit member to implement the student's individualized educational plan while attending to the educational needs of the student while in the bargaining unit member's class.

J. **School Improvement Committees.**

1. Each bargaining unit member will be assigned to a School Improvement Committee. The District will continue to attempt to honor the requests of bargaining unit members for a specific committee.
2. except as may be afforded by law; decisions made by school improvement committees shall be consistent with the terms and conditions of this Agreement.
3. Any committee participation beyond the normal work day and one hour per month shall be voluntary.
4. Any staff member that misses a contractually mandatory monthly staff meeting shall be responsible for making arrangements to meet with the individual(s) responsible for leading the meeting to fulfill the meeting requirements within two weeks of the meeting date.

K. **Substitutes.** The Board agrees at all times to use its best efforts to maintain an adequate list of substitute teachers. Elementary bargaining unit members shall inform the District substitute service by 6:30 a.m. and secondary bargaining unit members by 6:00 a.m., of their unavailability for work unless good cause can be shown as to why the call could not be made prior to these times. The bargaining unit member shall utilize the preferred substitute list within the substitute system so that the absence can be filled quickly. If filling the vacancy through the list is unsuccessful, the administration will arrange for a substitute teacher.

L. **High School Graduation:** High school teachers are expected to attend the high school graduation and sit in a designated area, unless excused by the Superintendent for good reasons; provided graduation is not held during the Memorial Day weekend. If teachers are required to wear a cap and gown, the Board shall provide the first set. Other teachers are encouraged to attend the High School graduation

ARTICLE 7: CALENDAR

- A. Calendars shall be developed by a committee composed of three (3) Association members and three (3) Administrators.

ARTICLE 8: VACANCIES, PROMOTIONS AND TRANSFERS

- A. **Notice.** Whenever any vacancy occurs or a new position is established which is covered by this Agreement, the Board may elect to give five (5) working days written notice of such vacancy or new position to the Association to allow bargaining unit members to file applications. These vacancies may be posted on the appropriate bulletin boards and may be e-mailed to all members.
- B. **Procedure.**
1. Any bargaining unit member may apply for such vacancy.
 2. Whenever a vacancy occurs or a new position is created during the normal summer vacation months the Board may elect to send notice thereof by e-mail to all bargaining unit members and any bargaining unit member who wishes to apply shall do so within fourteen (14) calendar days of notification before August 1 and within ten (10) calendar days of notification on or after August 1.
 3. The final decision in the filling of vacancies and/or promotions rests with the Board
- C. **Involuntary Transfer.** Since the frequent transfers of bargaining unit members from one school to another is disruptive of the educational process and interferes with optimum bargaining unit member performance, unrequested transfers of bargaining unit members should be minimized and avoided whenever practicable. The Superintendent should notify the affected bargaining unit member and the Association of the reasons for such transfer at least fifteen (15) days prior to said transfer.
- D. In the event that transfers of bargaining unit members appear to be necessary, lists of available positions in other schools shall be handled in the same manner as provided in Section A of this Article.
- E. **Out of Unit Transfer.** Any bargaining unit member who is transferred to a supervisory, executive, or other position with the district outside the bargaining unit, including a teaching principal position, shall retain seniority as a bargaining unit member while in such position.
- F. **Job Share.** Absent mutual agreement between the Superintendent and the Association President as to the conditions that will apply, there will be no job sharing assignments. The denial of a request for job sharing is not subject to review through the grievance procedure.
- G. **Extra Compensation Assignments.** The extra compensation assignments listed in Appendix A., Section D, shall be included in the bargaining unit subject to the following:
- :
1. **Assignment.** Assignment to such a position in one year shall not be construed as a right to the assignment in any succeeding year; provided that any bargaining unit member assigned to such a position during the previous school year shall not be removed from the position arbitrarily. Should an extra compensation assignment covered by this Agreement be dropped from the school program, representatives of the Board and the Association agree to meet and confer, to determine the status of such positions as they relate to the terms of this Agreement.

2.
 - a. **Posting.** All vacancies in such positions shall be posted as provided in Article 8 subject to paragraph 3. In filling such vacancies, the Board shall give due weight to length of service, professional background and attainments of all applicants, and other relevant factors, but length of service with the District shall only be considered as one factor in filling such vacancies and shall not necessarily be the deciding factor. All applications for such positions shall be in writing. Any unsuccessful applicant shall be entitled to a written statement of the reason from the Superintendent for not being selected.
 - b. **Head Varsity.** The following procedures will be followed for interviewing applicants for head varsity coaching positions.

If a posting results in both internal and external applicants, a committee consisting of the Athletic Director, High School Principal and a person of the Associations choice will recommend the most qualified candidate from all applicants internal and external. Qualifications shall include, but not be limited to, past evaluations of job performance and other mutually agreed upon criteria determined by the committee. The applicant determined by the committee to be the most qualified shall be recommended to the Board for appointment. If the Board does not accept the committee's recommendation, the position shall be filled from the qualified internal applicants as provided above in paragraph 2.a.
 - c. **Assistant Varsity, JV & Jr. High Coaches.** In the event that two staff members apply for the same posting, a committee consisting of the Head Coach, Athletic Director and Building Principal with a MCEA designee (non-voting member) will be convened. The committee will give due weight to the following:
 1. Professional Background (especially related to the position in the posting.
 2. Attainments of the applicants.
 3. Length of Service (to be considered as a factor; not necessarily the deciding factor)

The decision of the committee will be deemed as final.
If the posting goes unfilled by current staff members and it is opened to the outside, if more than two people are interested, the above process will be used to determine the best candidate.
 - d. All coaching positions, other than Head Varsity coaching positions, held by non-bargaining unit members will be posted every year.
3. **Non-Unit Applicants.** The Board shall give due consideration to all applicants for such positions from within the school district, but except for Head Varsity coaching positions, if no bargaining unit members from the district apply for a position or if, in the sole discretion of the Board, none of the applicants from within the district are qualified, the Board may fill the position from outside the district. Head Varsity coaching positions shall be filled as provided above in paragraph 2.b. Persons hired from outside the district to fill only such position shall receive the compensation for the position set forth in Appendix A but shall not have any other benefits or rights of this Agreement. The Board, Association and the person hired from outside the district may agree to deviate from the compensation set forth in Appendix A.

ARTICLE 9: LEAVES OF ABSENCE

A. **General Provisions.**

Unpaid Leaves.

1. **Eligibility for Leave.** Except for leaves of absence for ill health, child care and military, and leaves under the Family and Medical Leave Act (FMLA), for which all bargaining unit members are eligible, leaves of absence without pay and fringe benefits may be granted only to bargaining unit members who have been granted tenure in the district and have completed four (4) or more years of service in the district.
2. **Application for Leave.** Application for a leave of absence shall be submitted, in writing, to the Superintendent, who shall process said application in accordance with the direction of the Board and provisions set forth in this Agreement. Applications shall state expected date of return from leave and shall be filed at least one (1) month before the requested beginning date of said leave. Failure to provide such notification may result in the denial of the request. An extension of a leave shall be requested at least one (1) month before the termination of the original leave. The above requirements of advance notice may be waived in cases of emergency.
3. **Length of Leave.** The length of the original leave of absence may be for a semester, the remainder of a school year, or for a complete school year, unless otherwise stated in this Agreement. A leave of absence shall not end during a semester except by special permission of the Board.
4. **Status During Leave of Absence.**
 - a. All unpaid leaves of absences shall be without pay and fringe benefits, except where otherwise stated, and except unpaid FMLA leaves that require continuation of certain benefits.
 - b. Sick leave days shall remain as of the balance at the beginning of the leave.
5. **Return to Duty.** The employee shall return on the same level of the salary schedule as of the beginning of the leave of absence, unless stated otherwise in this Agreement, or unless otherwise required by the Uniform Services Employment and Re-employment Rights Act (USERRA) or any other applicable law or regulation. Return to duty at a time other than the time specified in the approved application for leave shall be at the sole discretion of the Board. Failure to return from leave on the expected date of return as set forth in the application or as extended may be deemed to constitute a resignation and in such case the Board shall not be required to re-employ the bargaining unit member.

B. **Leaves of Absence Without Pay and Fringe Benefits** shall be granted for the following purposes:

1. **Ill Health.** Requests for leaves of absence which extend beyond time compensated in Article 10 must be accompanied by a statement from the attending physician recommending that the employee be granted such leave. For example, an employee with one hundred (100) accumulated sick days at the beginning of the year who is then credited with twelve (12) additional days and uses only two (2) days during the year shall receive four hundred (\$400.00) dollars for ten (10) days at the end of that year. (Employees with more than one hundred (100) accumulated sick days as of June 30, 2008 shall retain such days and shall, at the end of each year thereafter, receive forty (\$40.00) dollars for each day in excess of the number of days accumulated as of that date. For example, an employee with two hundred (200) accumulated sick days as of June 30, 2008, who is then credited with twelve (12) additional days and uses forty-two (42) days during the 2008-2009 school year shall not receive any payment at the end of such year, but such employees' cap on accumulated sick days for purposes of this provision, shall be one hundred and seventy (170) days ($200 + 12 - 42 = 170$) for the 2009 – 2010 school year.)

- f. In case of death, any unused accumulated sick leave days shall be paid to the bargaining unit member's estate at the going rate of a day-to-day substitute bargaining unit member's pay.

2. **Plan B - Any Cause Plan**

- a. All full time bargaining unit members absent from duty for any cause while in the employ of the Board shall be allowed full pay for a total of five days for any given year. Bargaining Unit members must submit a request within thirty (30) days prior to the use of any of the five (5) Any Cause Days. Members shall be allowed, to use any previously accumulated sick leave days that were held in their sick bank at the end of the prior school year. These sick leave days may be used either before or after the election/use of their five any cause days. The five days are not cumulative.
 - b. Permanent part-time bargaining unit members shall receive pro rata pay.
 - c. At the end of any given year the bargaining unit member shall receive the day to day substitute's pay for all unused days. If extended time is necessary in case of illness the bargaining unit member will receive the difference between contractual salary and day to day substitute's pay, until a term substitute or full time replacement is hired. These days are not cumulative.
 - d. In appreciation for services to the school district, a terminal leave payment of \$10.00 per year of service in the District will be paid upon resignation and/or retirement provided the bargaining unit member shall have been employed in the school district for 10 years. The Board may also at any time require a bargaining unit member to submit to a medical examination by a physician selected by the Board, provided that the cost of any such examination shall be paid by the Board.
- G. **Sick Bank.** In the event a teacher or member(s) of the teacher's immediate family suffer a catastrophic accident or illness and the teacher has exhausted his or her paid sick leave, the District may, at its sole discretion, permit members of the Association to contribute up to two (2) days of their accumulated sick leave towards a bank for the member in need.
- 1. The contribution of these days shall be voluntary on the part of the bargaining unit member(s).
 - 2. The maximum number of days in this bank will be twenty (20) days.
 - 3. In the event the days are not used by the member, the days voluntarily contributed will be returned to the contributing employee(s) accumulated sick leave.
 - 4. The sick bank will be administered by the Superintendent of Schools and the Business Manager of the School District.

ARTICLE 11: PROFESSIONAL COMPENSATION

A. **Compensation.**

1. The salaries of bargaining unit members covered by this Agreement, including compensation for extra assignments, are set forth in Appendix A which is attached to and incorporated in this Agreement. Such salary schedule shall remain in effect during the term of this Agreement.
2. At the discretion of the Board, any bargaining unit member who is requested and agrees to work beyond the normal number of contract days may be paid their per diem rate or given release time as compensation with five (5) days notice, if it does not cause undue hardships for students and/or staff.

B. **Salary Schedule.**

1. The salary schedule is based upon a normal weekly teaching load, as hereinafter defined, nine and one-half months. See salary schedule attached as Appendix A.
2. **Extra Hour Pay:** Any junior or senior high school bargaining unit member who voluntarily accepts an additional period a day in lieu of an assigned preparation period, will be paid an appropriate prorated increase in salary based upon the teacher's lane and step.

Example: There are four first grade classes. One of the four classes does not have a substitute for the day. Each of the other three first grade classroom teachers agree to take one-third (1/3) of the roster of the class with no substitute. Each classroom teacher shall receive one-third of the daily substitute pay in return for taking on the extra students.

- C. The Board agrees to meet with the Association to negotiate the compensation for any new extra compensation position created during the term of this Agreement.
- D. **Use of Personal Vehicle.** Any bargaining unit member who is required to use his personal automobile to travel between two (2) or more schools on a regular basis or for other approved school business shall be reimbursed at the so-called "standard mileage rate" established from time-to-time by the Internal Revenue Service, upon submission of documentation as required by the Board.

ARTICLE 12: PROFESSIONAL GRIEVANCE PROCEDURES

- A. **Definition.** A claim by a bargaining unit member, group of bargaining unit members or the Association that there is or has been a violation, misinterpretation or misapplication of any provision of this Agreement may be processed as a grievance hereinafter provided.
- B. **Purpose.** The primary purpose or intent of this procedure is aimed at resolving minor grievances before they become major problems. It is designed primarily to settle the claim of the aggrieved party or parties at the lowest level possible.
- C. **Procedure.**
1. **Informal.** In the event that an aggrieved party believes there is a basis for a grievance, he/she shall first discuss the alleged grievance with his building principal, either personally, or accompanied by his Association Representative (1) within seven (7) days after the bargaining unit member discovers or should have discovered the occurrence, whichever occurs first or (2) within seven (7) days after the occurrence. A determination shall be rendered by the principal to the aggrieved or Association Representative within three (3) days after the grievance has been presented to the principal. If the grievance is not satisfactorily resolved at this stage, the aggrieved may proceed to the formal steps of the grievance procedure.
 2. **Formal.**
 - a. **Step 1.**
 - (1) File a written grievance with the building principal (or Superintendent or his representative if more than one building is involved) on the form attached hereto as Appendix C specifying the provision of the Agreement which has been violated (1) within fourteen (14) days after the grievant discovers or should have discovered the occurrence, whichever occurs first or (2) within fourteen (14) days after the occurrence.
 - (2) Within five (5) days after receipt of the written grievance, the principal (or Superintendent or his representative) shall meet with the grievant and Association Representative in an effort to resolve the grievance. Secretary of the Board by the Association within five (5) days after the disposition by the Superintendent or his representative.

- (2) The right to a Board level hearing is restricted to those issues which are subject to closed session review under the Michigan Open Meetings Act and then, only where the grievant requests a closed session.
- (3) The Board, no later than at its next regular meeting or ten (10) days, whichever shall be later, may hold a meeting on the grievance. Disposition of the grievance in writing by the Board shall be made no later than seven (7) days thereafter.

d. **Step 4.**

- (1) If a satisfactory decision has not been rendered, the Association may submit the grievance to binding arbitration within twenty (20) business days of the disposition at Step 2 or Step 3, whichever is appropriate.
- (2) If the parties cannot agree as to the arbitrator within ten (10) days of the decision to submit to arbitration, the arbitrator shall be selected by the American Arbitration Association in accordance with its voluntary labor arbitration rules.
- (3) The fees and expenses of the arbitrator shall be shared equally by the Board and Association.
- (4) The arbitrator shall not have the authority to interpret state or federal statute. The arbitrator shall not have the power to alter, add to, or to subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

D. **Miscellaneous.**

1. The failure of an aggrieved person to proceed to the next step within the time limits set forth shall be deemed as an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance. By mutual written agreement time limits within the procedure may be extended.
2. At any step the failure of any administrator to communicate his decision within the specified time limit and in specified manner, shall permit the aggrieved person to proceed to the next step.
3. A grievance may be withdrawn at any level by mutual consent without establishing precedent.
4. The term "days" shall refer to school business days unless specified otherwise.
5. Copies of all written decisions of grievances shall be sent to parties involved.
6. All documents, communications, or records dealing with a grievance shall be filed separately from the personnel files of the participants.
7. It shall be the general practice of all parties of interest to process grievance procedures during times which do not interfere with the assigned duties, provided, however, in event it is agreed by the Board to hold proceedings during regular working hours, bargaining unit members participating

at any level of the grievance procedure, with any representatives of the Board, shall be released from assigned duties without loss of salary.

8. The termination of services or failure to re-employ any bargaining unit member shall not be subject to the grievance procedure.
9. In the event a grievance is filed on or before June 1, the grievance may be resolved before the close of the school term or as soon as possible thereafter.
10. Demotion or discharge of a tenure bargaining unit member shall not be subject to the grievance procedure. Such bargaining unit members will have recourse through the Michigan Teacher Tenure Act.
11. In the event a grievance is based on a complaint which the principal has not created, then the grievance may proceed immediately to Step 2.

ARTICLE 13: SENIORITY, CERTIFICATION

- A. **Seniority.** Seniority shall be defined as the length of continuous service to the District within the bargaining unit from the bargaining unit member's last date of hire. Date of hire shall be defined as the first day worked.

Seniority will continue to accumulate while on paid and unpaid leaves and during periods of layoff.

Where there are ties in seniority, the tie will be broken by using the last three digits of the social security numbers with the highest number being placed first.

After September 1, 2008, part-time teaching positions shall accrue seniority at the following rate: (a) half-time and less receive one-half (1/2) year seniority; and (b) more than half time shall receive one (1) full year seniority per year worked.

- B. **Certification.** A bargaining unit member is fully certified if he/she has earned a provisional, permanent or continuing teaching certificate in a given subject area or level, including special education.
- C. Any layoff pursuant to board policy shall automatically terminate the individual employment contracts of the laid off bargaining unit members; provided, however, the insurance coverage set forth in Appendix A will be continued for thirty (30) calendar days after layoff.

ARTICLE 14: PROTECTION OF BARGAINING UNIT MEMBERS

- A. **Administrative Support.** Since the bargaining unit member's authority and effectiveness in his classroom is undermined when students discover that there is insufficient administrative backing and support of the bargaining unit member, the Board recognizes its responsibility to give all reasonable support and assistance to bargaining unit members with respect to the maintenance of control and discipline in the classroom.
- B. **Student Discipline.** The bargaining unit member, however, bears the primary responsibility for maintaining proper control and discipline in the classroom. The Board further recognizes that the bargaining unit member may not fairly be expected to assume the role of custodian for emotionally impaired students.

Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the administration will take reasonable steps to relieve the bargaining unit member of responsibilities with respect to such pupil when the pupil is disrupting the classroom; provided such measures are not inconsistent with the IEPC recommendations for such student. However, a bargaining unit member may not refuse to teach an emotionally impaired (officially certified) student and may not refuse to teach any child or children because of religion, race, color, national origin, sex or handicap.

- C. **Assault.** Any case of assault upon a bargaining unit member by a student shall be promptly reported to the Board or its designated representative. The Board shall render all reasonable assistance to the bargaining unit member in connection with handling of the incident by law enforcement and judicial authorities.

To the extent permitted by law, a teacher assaulted by a student shall upon request be advised of any disciplinary action taken against the student.

- D. **Complaint Procedure.** If any bargaining unit member is complained against or sued by reason of disciplinary action taken by the bargaining unit member against a student, the Board will offer the services of its attorney to provide initial legal advice to the bargaining unit member. Such advice shall not include representation or defense in any civil or criminal proceeding brought by or against the bargaining unit member.
- E. Any complaints by a parent, student, or other person directed toward a bargaining unit member shall be promptly called to the bargaining unit member's attention.
- F. Time lost by a bargaining unit member in connection with any incident mentioned in this Article, sections C or D, not compensable under Worker's Compensation, shall not be charged against the bargaining unit member unless he/she is adjudged guilty by a court of competent jurisdiction.

ARTICLE 15: CONTINUITY OF OPERATIONS

- A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program and the avoidance of disputes which threaten to interfere with such operations. The Association accordingly agrees that it will not, during the period of this Agreement, directly or indirectly engage or assist in any strike, as said term is defined by the Public Employment Relations Act, and any right to strike during the term hereof which the bargaining unit members may hereafter acquire as provided by law is expressly waived.
- B. The Board also agrees that it will not, during the period of this Agreement, directly or indirectly engage in or assist in any unfair labor practice as defined by Section 10 of the Public Employment Relations Act.

ARTICLE 16: NEGOTIATION PROCEDURES

- A. This Agreement incorporates the entire understanding of the parties on all issues which were or could have been the subject of negotiation. Nevertheless, because of the special nature of the public education process, it is likewise recognized that matters previously unforeseen or not negotiated may be negotiated by mutual consent of the parties.

- B. At least ninety (90) calendar days prior to the expiration of this Agreement, the parties will begin negotiations of a new agreement covering wages, hours, and conditions of employment of bargaining unit members employed by the Board.
- C. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party, and each party may select its representatives from within or outside the school district. No final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of MERC or take any other lawful measures it may deem appropriate.

ARTICLE 17: PROFESSIONAL BEHAVIOR

- A. Bargaining unit members are expected to comply with reasonable rules, regulations, and directions from time to time adopted by the Board or its representatives which are not inconsistent with the provisions of this Agreement, provided that a bargaining unit member may reasonably refuse to carry out an order which threatens physical safety or well-being or is professionally demeaning.
- B. Professional Attire. It is expected that all staff will dress in a professional manner. This may include jeans of a professional nature. It is strongly encouraged by the MCEA and Administration that staff continue to financially contribute, per past practice, to the student scholarship fund.
- C. The Association recognizes that abuse of sick leave or other leaves, chronic tardiness or absence, inappropriate appearance and dress, willful deficiencies in professional performance, or other violations of discipline by a bargaining unit member reflect adversely upon the teaching profession and create undesirable conditions in the school building.
- D. **Right to Representation.** A bargaining unit member shall at all times be entitled to have presented a representative of the Association when he/she is being disciplined for any infraction of Board rules or deficiency in professional performance. When a request for such representation is made, no action shall be taken with respect to the bargaining unit member until such representative of the Association is present, provided that action may be taken if the Association representative does not become available within a reasonable period of time.
- E. No written discipline or letters of concern will be put into a teachers personnel file without a meeting with that teacher.

ARTICLE 18: ADMINISTRATION OF AGREEMENT

Representatives of the Board and Association will meet monthly for the purpose of reviewing the administration of this Agreement and to discuss problems that may arise. The time and place of meetings will be by mutual agreement and will be scheduled at times when bargaining unit members involved are free from assigned instructional responsibilities unless otherwise mutually agreed. If this is not possible release time will be granted to bargaining unit members to attend these meetings.

These meetings are not intended to bypass the grievance procedure.

ARTICLE 19: ACADEMIC FREEDOM

The parties seek to educate young people in the democratic tradition, to foster recognition of individual freedom and social responsibility, to inspire meaningful awareness of and respect for the Constitution and the Bill of Rights, and to instill appreciation of the values of individuality. It is recognized that these democratic values can best be transmitted in an atmosphere which is free from censorship and artificial restraints upon free inquiry and learning, and in which academic freedom for bargaining unit member and student is encouraged, except that:

1. The bargaining unit member must be acting within his certified area in accordance with accepted and/or adopted curriculum and courses of study;
2. The bargaining unit member must submit an outline and/or a request to his building principal or immediate supervisor prior to using materials or resource speaker in any "controversial" areas. The bargaining unit member must have approval from the building principal or immediate supervisor prior to the implementation of such instructional materials or speaker;
3. The bargaining unit member must exercise responsibility and prudence, and must realize that teaching in an elementary or secondary school places special responsibility upon the bargaining unit member to carefully consider the maturity level of the student and the special circumstances that surround the teacher/learning relationship.
4. If a controversial issue is presented it shall be the responsibility of the bargaining unit member to have both sides presented.

ARTICLE 20: Annexation, Consolidation, or Other Reorganization of the District

During the life of this Agreement, if annexation, consolidation, or reorganization with one or more districts in whole or in part is to take place, the Board agrees to notify the Association in advance so that the Association may negotiate the effect of such change upon its members prior to such annexation, consolidation, or reorganization taking place.

ARTICLE 21: MISCELLANEOUS PROVISIONS

- A. The Association shall be duly advised by the Board of fiscal, budgetary and tax programs affecting the district and the Association shall, whenever feasible, have the opportunity in advance to consult with the Board with respect thereto prior to general publication.
- B. This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual bargaining unit contracts heretofore in effect. All future individual bargaining unit member

contracts shall be made expressly subject to the terms of this Agreement and Board policy. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.

- C. Nothing in this Agreement may be construed as preventing representatives of this Association from attending Board of Education meetings or from presenting any study to the Board.
- D. Copies of this Agreement shall be printed at the expense of the Board and presented to all bargaining unit members now employed or hereafter employed by the Board as soon as practicable.
- E. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- F. The term "days" as used throughout this Agreement shall refer to school business days unless specified otherwise.
- G. An Emergency Financial Manager appointed under the Local Government and School District Fiscal Accountability Act may reject, modify, or terminate the collective bargaining agreement as provided in the Act. [Note: This section was included in the collective bargaining agreement because it is legally required by state law and not because the parties negotiated over and agreed to the language during collective bargaining. The Association reserves the right to challenge this aspect of the referenced law in the appropriate civil court forum, and to argue that this section is not binding on the parties. This reservation of right does not include challenging the employer relative to this issue.]

ARTICLE 22: DURATION OF AGREEMENT

The Agreement shall be effective August 17, 2018 and shall remain in effect until August 17, 2020. The Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated.
