Such carry-over shall be anticipated in the Administrator's Plan for Professional Development and shall require the approval of the Superintendent.

X. Grievance Procedure

Any claim by an Administrator that there has been a violation, misinterpretation or misapplication of any provision of this Agreement, as written, may be processed as specified below.

A. General Principles

1. A "complaint" is an alleged violation, misinterpretation, or misapplication of the express provisions of this Agreement. A "grievance" is a complaint which has not been resolved and which has been reduced to writing.
2. The "Grievant" is the party asserting the claim.
3. The term "days" shall mean calendar days, unless otherwise specified.
4. The Association will furnish the Employer with the names of its representatives and alternates and such changes as may occur from time to time in such personnel, so that the Employer may at all times be advised as to the authority of the individual representatives of the Association with whom it may be dealing.
5. The failure of an aggrieved person to proceed to the next level within the time limits set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance.
6. The failure of the Superintendent, designee, or Board to communicate a decision within the specified time limit shall permit the grievant to proceed to the next level.
7. The number of days indicated at each level shall be considered, as a maximum and effort should be made to expedite the process.

B. Grievance Procedure

1. In the case of an Administrator who has a complaint based on the alleged violation of this agreement, he/she shall first discuss this complaint with the Superintendent or designee within the ten (10) calendar days of the alleged violation.

Level I

2. If the problem is not resolved through informal discussion, the Administrator may file a written grievance through the Association with the Superintendent or designee within fifteen (15) calendar days after the alleged violation.
3. Within seven (7) calendar days after the written grievance is filed, unless mutually agreed otherwise, the Superintendent or designee shall meet with the grievant and a representative of the Association to attempt to arrive at an agreeable solution. The Superintendent or designee shall render a written decision no later than seven (7) calendar days following the meeting.

Level II

4. If the Level I decision is unsatisfactory to the Grievant and the Association, it may be appealed within three (3) calendar days to the Board of Education.

5. The Board or a committee of the Board shall meet with representatives of the Association within twenty (20) calendar days of such written appeal to attempt to resolve the dispute and shall give its decision in writing to the Association within seven (7) calendar days of this meeting.

Level III

6. If the Association believes a grievance still exists, it may refer the grievance to arbitration, provided that notice to refer the matter is given to the Board within ten (10) days from the date of the written decision of Level II.

Within fifteen (15) days after the date of the written request for arbitration, a designated representative of the Board and the Association or its designated representatives shall make every reasonable effort to agree on a mutually acceptable arbitrator. If the parties are unable to agree on an arbitrator, within the time period set forth herein, the Association shall within thirty (30) days file a request with the American Arbitration Association to submit a list of qualified Arbitrators. The arbitrator shall then be selected according to the rules of the American Arbitration Association.

The arbitrator shall hear the grievance in dispute and shall render his decision in writing within thirty (30) calendar days from the close of the hearing. The arbitrator's decision shall be submitted in writing and shall set forth his findings and conclusions with respect to the issues submitted to arbitration. The arbitrator's decision shall be final and binding upon the employer, the Association, and the employee or employees involved.

The arbitrator shall have no authority except to pass upon the alleged violations of the express provisions of the Agreement and to determine disputes involving the application or interpretation of such express provisions. The arbitrator shall construe this Agreement in a manner, which does not interfere with the exercise of the Board's rights and responsibilities except where they have been expressly and clearly limited by the terms of this Agreement.

The arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms of this Agreement and shall not substitute his judgment for that of the employer where the employer is given discretion by the terms of this Agreement or by the nature of the area in which the employer was acting. No evidence shall be introduced in any arbitration hearing, which has not been previously presented to the other party. The arbitrator shall not render any decision, which would require or permit an action in violation of the Michigan School Laws.

The arbitrator shall have no power or authority to award compensatory or punitive damages (except compensatory damages may be awarded for an improper termination); issue a back pay award for a period to exceed ten (10) days prior to the date the grievance was filed; establish wage schedules; rule on an issue involving employee evaluation; or interpret law or issue a ruling on a subject where there is a procedure prescribed under law for seeking relief, such as tenure and employment discrimination matters. The arbitrator shall have no authority to reinstate in the event of a grievance regarding the termination of employment. The sole and exclusive remedy for an improper termination shall be monetary damages.

7. The expenses and compensation for attendance of any employee, witness, or participant in the arbitration shall be paid by the party calling such employee, witness or requesting such participant, if any.

8. The fees and expenses for an arbitrator shall be shared equally by the parties and no claim for reimbursement for wages shall exceed the amount the grievant or grievance would otherwise have earned during the period of time the grievance was in existence.

XI. Continuity of Operations

- A. Since it is expected by both parties that all Administrators work together as an administrative team, the Association agrees that each member will make every effort to keep schools open and provide an educational program for all students should work stoppages be instituted by any other group of employees. As professionals, they agree that any disputes will be settled in conference or through the grievance procedure and that they will not engage in any form of work stoppage or slow-down.
- B. The Association acknowledges that among the rights reserved to the Board is the authority to curtail programs including the establishment of partial-day sessions, and to reduce the professional administrative staff in the school district and any of its schools, particularly when such action is necessitated by reason of an insufficiency of operational revenues available to the Board or by reduced enrollments.
- C. In the event that it becomes necessary to reduce the number of Administrators through layoff from employment by the District, then the Administrators with the most service within the district who are certified and qualified to staff the positions kept active shall be retained. The term qualified in this article shall be determined by experience and/or educational background for the position in question and the official job description for that position.
- D. The Superintendent may change or amend the assignment of individual Administrators, within their qualification, and certification when there is a valid financial or educational reason to do so. If any Administrator is assigned teaching responsibilities his remaining administrative responsibilities shall be reduced. Such proposed changes will be discussed with the Association and the individual Administrator involved at least thirty (30) days prior to the change taking effect.
- E. Whenever any reduced or discontinued administrative position is reinstated as a full time position, the Administrator who held the position would be reassigned the full time position if he is currently employed by the District. If he is not currently employed by the District at that time, the Association will be notified of the reinstated position and any laid off Administrator will be given ten (10) days to apply for the position. The applicant will be expected to be available within two (2) weeks after receiving notice of his rehire. A two (2) year limitation on employment rights under this section shall apply.

In case of newly created Administrative positions, the Association will be notified and all Administrators currently employed or on layoff will be given ten (10) days to apply for the position(s).

XII. Reopening of Contract and Future Negotiations

- A. Either party to the contract may request a meeting with the other for purpose of clarifying or amending or discussing the application of the contract at any time during the term of the contract. Through a mutually agreeable letter of understanding or amendment developed in such a meeting the contract may be clarified or amended.
- B. If either party desires to amend and/or terminate this agreement, it shall, at least 120 days prior to the stated termination date, give written notification of same and negotiations shall commence within thirty (30) days of notification. If neither party shall give such notice, this agreement shall continue in effect from year to year thereafter subject to notification by either party at least 120 days prior to the then current year's termination date.
- C. Recognizing the need to expedite a fair, ethical and professional agreement, every effort will be made by both parties to select knowledgeable and qualified bargaining representative. However, neither party shall have any control over the selection of the bargaining representatives delegated by the other. Both parties agree that such representatives shall be granted the power and authority to make proposals, consider proposals, and make concessions, which will lead to the finalization of a contract document. This document is to be presented to the constituent bodies for ratification and shall be presented with the full support of the negotiating team.

XIII. Complaints

- A. In the event that a citizen should raise a complaint concerning an Administrator, an employee who he/she supervises, or a program, the citizen should be encouraged to discuss the matter with the affected Administrator.
- B. Should the complaint remain unresolved after "A" above, the citizen should be encouraged to discuss the matter with the Superintendent.
- C. The Superintendent or his/her designee shall investigate the complaint. No disciplinary action will be taken until the affected Administrator has been given the opportunity to provide the necessary background information either orally or by confidential memorandum. The Administrator shall have an opportunity to respond in writing to such complaints and said response shall become part of the personnel file.

XIV. Professional Behavior and Improvement

- A. Administrators are expected to comply with policies and administrative operating procedures adopted by the Board or its representative, which are not inconsistent with the provisions of this Agreement, or the scope of general administrative responsibilities.
- B. No Administrator shall be disciplined arbitrarily or capriciously.
- C. An Administrator may not be disciplined without just cause. Discipline is defined as a reprimand, suspension, demotion, or discharge. The Board, the Superintendent, or their designee shall notify the Administrator in writing when disciplinary actions are to be taken. Said notice shall contain a statement of the reason for actions taken.

- D. An Administrator shall be entitled to Association representation at his/her request when being disciplined. When a request for Association representation is made, no action will be taken with respect to the Administrator until association representation is present. When necessary, the Administrative representative will be granted release time for the above purpose.

XV. Miscellaneous Provisions

- A. This agreement shall represent the full understanding arrived at by the two parties and shall supersede any rules, regulations or policies of the Board which are contrary to or inconsistent with its provisions.
- B. Should any of the provisions of this Document be found to be contrary to law they shall not be deemed to be valid and shall be ignored in so far as is necessary in order to comply with the law. This shall in no way invalidate any of the other contractual provisions.
- C. Board will provide each Administrator with up to two hundred dollars (\$200.00) once every two years for a physical examination if it is not covered by the Administrator's or spouse's insurance.
- D. The Board agrees to pay each Administrator at a rate equal to current IRS standard rates per mile, for travel involved in the official discharge of his/her required duties, which requires the use of the Administrator's personal automobile. Each Administrator shall submit his/her mileage claims on forms and according to procedures determined by central office. Each Administrator will be entitled a transportation allowance stipend of \$600.00 per year.

XVI. Salaries and Insurance

- A. For salary and related information see Appendix A.
