COLLECTIVE BARGAINING AGREEMENT

September 16, 2014 – June 30, 2016

THIS AGREEMENT made by and between CLIMAX-SCOTTS COMMUNITY SCHOOL DISTRICT No. 31, Kalamazoo and Calhoun Counties, Michigan, acting by and through its Board of Education (hereinafter called the "Employer") and the KALAMAZOO COUNTY EDUCATION ASSOCIATION (hereinafter called the "Association");

WITNESSETH:

ARTICLE 1 - PURPOSE

- 1.1 The general purpose of this Agreement is to promote orderly and peaceful relations between the Employer and the teachers for the mutual benefit of the public, the Employer, the Association, and the teachers.
- 1.2 **Recognition.** The Employer recognizes the Association as the sole and exclusive collective bargaining representative for all teachers employed for the regular school year provided, however, that such recognition shall not bar the Employer from negotiating during the contract period with such representatives as may hereafter be selected by the teachers to represent them during the next contract period in accordance with rules promulgated by the Michigan Employment Relations Commission.
- 1.21 **Teacher** Teacher shall mean all young five through 12 certified classroom teachers, librarians, media specialists, student support specialists, and counselors, excluding teachers' aides, the Superintendent, Assistant Superintendent, principals, assistant principals, and all other administrative and clerical positions.
- (a). **"Highly Qualified"**. A "highly qualified" is a teacher who, as required under the Elementary and Secondary Education Act, ESEA, (commonly referred to as the No Child Left Behind Act) meets the requirements for the status of "highly qualified" as determined by the ESEA and the Michigan Department of Education.
- (b). In this agreement, "qualified" shall mean to have a major or minor in the subject area as well as appropriate teacher certification endorsements, have successful teaching experience in the subject area and meet NCA requirements.
- 1.22 **Part-Time Teacher.** Part-time teacher means a teacher regularly employed under contract for less than a full work week and/or a full work day. The fringe and leave benefits of a part-time teacher shall be substantially proportionate to the number of hours employed per week.

ARTICLE 2—PROFESSIONAL DUTIES

2.1 Workday.

2.11 Teachers The teacher workday at the Elementary and Junior/Senior High School shall be up to seven consecutive hours and fifteen minutes. The District may adjust the starting and ending times of the workday but may not increase the total time of the workday beyond the foregoing.

2.12 High School Counselor The regular workday schedule for the school year shall be mutually agreed to between the Counselor and the High School Principal during the first week of the school year. When a deviation from the regular workday is necessary, a minimum notice of five (5) workdays shall be provided. This requirement may be waived in the case of an emergency. Deviations in the Counselor's workday schedule shall not exceed a thirty-five hours and forty-five minutes workweek.

2.3 Reporting Time. Teachers shall be in their classrooms at least 5 minutes before school begins, ready to receive students and be available 10 minutes after normal student dismissal time.

2.4 Professional Services. A teacher shall perform such professional duties as assigned by the Employer, subject to the provisions of this Agreement and the following conditions and limitations:

2.41 Classroom Teachers. A teacher regularly assigned as a classroom teacher shall be entitled to receive:

- A. A duty-free lunch period of thirty (30) consecutive minutes each day.
- B. At the Elementary and Intermediate school, an average of two hundred seventy-five (275) minutes of planning-conference time, or the equivalent, in not less than twenty-five (25) minute blocks, for each full week of instruction.

Each full-time Junior High School and High School teacher will have one complete instructional period, five (5) times per week, designated for planning-conference time. Part-time teachers will have prorated planning-conference time.

Teachers who volunteer to give up their planning-conference time in order to take a teaching or supervisory assignment for which a substitute was not hired shall be paid at the rate of Twenty-Five Dollars (\$25.00) per hour. This provision shall not apply if:

- 1. Two (2) or more teachers exchange classes.
- 2. A teacher, having a free period because his/her students are gone, substitute for another teacher.

3. A teacher, having an extra period free because his students are gone, substitutes for someone else during his free period and takes his free period at a different time.

Teachers who volunteer to give up their planning-conference time in order to teach an additional class for the school year shall be paid an additional one-sixth ($1/6^{\text{th}}$) of their base contract salary for a seven (7) period day schedule.

2.42 Dual Supervision. Any teacher assigned professional duties under more than one principal shall be supervised by and be responsible to each such principal with respect to the performance of duties assigned to such teacher provided that:

- A. One (1) principal shall be designated to coordinate all of the activities and assignments of such teacher in order to avoid conflicts in scheduling, and the teacher shall be notified at the beginning of each school year of such designation; and,

2.43 General Professional Duties. Each teacher shall, to the extent required for the proper discharge of his professional obligations, participate in faculty, departmental and curriculum meetings (including NCA, No Child Left Behind and Education Yes! meetings) in-service training programs, homeroom assignments; student-teacher, parent-teacher, and administrator-teacher conferences; and such other professional activities as heretofore performed by the teachers or as may reasonably be required. Bus duty shall not be considered to be a duty to be performed by teachers.

- A. **Faculty Meeting Notice.** When possible, an administrator shall give all affected staff a minimum of three (3) school days notice of all faculty and departmental meetings. Such notice should include a proposed agenda and approximate duration. Principals are encouraged to keep meetings as brief as possible.

1. Teachers may only be required to attend a maximum of two (2) faculty and departmental meetings per month. Effective January, 2014, teachers may only be required to attend a maximum of three (3) faculty and departmental meetings per month.
2. Faculty/departmental meetings shall be limited to a maximum duration of one and one-half ($1\frac{1}{2}$) hours per meeting.
3. In the Intermediate School and Jr./Sr. High School, the workday will not extend beyond 5:00 p.m.
4. Faculty meetings at the Elementary School will take place in the morning before school and will begin no earlier than 7:20 a.m.

- B. Teacher participation in site based/school improvement type committees shall be voluntary.

2.44 Part-Time Teacher Planning. A regularly assigned part-time teacher, including shared assignment teachers, whose regular assignment is for at least one-half (1/2) of a full assignment shall be entitled to receive planning-conference time on a prorated basis.

2.5 Academic Freedom.

2.51 The parties seek to educate young people in the democratic tradition, to foster a recognition of individual freedom and social responsibility, to inspire meaningful awareness of and respect for the Constitution and the Bill of Rights, and to instill appreciation of the values of individual personality.

2.52 The parties recognize that teaching is a complex discipline that is enhanced by creativity and diversity of character and methodology among the teaching staff that provides a successful learning environment for all students.

2.53 Freedom of individualized expression of teachers is guaranteed and will be encouraged within the limits of adopted curriculum and courses of study and by official policies of the District.

2.6 Mentor Teacher

2.61 A Mentor Teacher shall be defined as a Master Teacher as identified in section 1526 of the Revised School Code and shall perform the duties of a Master Teacher as specified in the code and other state mandated guidelines.

2.62 Each bargaining unit member in his/her first three (3) years in the classroom shall be assigned a Mentor Teacher. A teacher with experience in another district will be assigned a Mentor Teacher for a minimum of one (1) year and a maximum of three (3) years. The Mentor Teacher shall be available to provide professional support, instruction and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources and information in a non-threatening collegial fashion.

2.63 A Mentor Teacher shall be assigned in accordance with the following:

- A. Mentor Teachers positions shall be assigned by the building principal with the agreement of the prospective mentor.
- B. Every effort will be made to match Mentor Teachers with Mentees who work in the same building and have the same area or certification.

C. It is intended that Mentors be selected for the purpose of establishing a three (3) year relationship with a Mentee. It is further understood that the relationship may be terminated at the request of either the Mentor or the Mentee with principal approval.

2.64 Because the purpose of the Mentor/Mentee match is to provide peer assistance toward the end of quality instruction, the Board and the Association agree that the Mentor/Mentee relationship shall be confidential. Neither the Mentor nor the Mentee shall be a part of, or be included in, any matter related to evaluation of the other.

2.65 Upon Administrative approval release time shall be provided, so the Mentor Teacher may work with the Mentee in his/her assignment during the regular work day. Where possible the Mentor Teacher and Mentee shall be assigned common preparation time.

2.66 Mentees shall be provided with a minimum of fifteen (15) days of professional development induction during their first three (3) years of classroom teaching. Professional development events relating directly to the new teachers Individual Development Plan (IDP), shall, whenever possible be scheduled within the parameters of the regular work day and work year.

Two Mentees	\$600	\$550	\$475

2.68 No Teacher may serve as a Mentor to more than two (2) Mentees at one time.

ARTICLE 3—VACANCIES AND TRANSFERS

3.1 **Notice of Vacancies.** The following guidelines shall be observed:

3.11 During the summer months when regular school is not in session, the Employer will post in the personnel office all vacancies and mail to those teachers who have indicated a desire for a change in assignment. A copy of the posting is to be sent to the Association president.

3.12 A vacancy shall occur upon the resignation, termination, retirement, or transfer, whether voluntary or involuntary, of a bargaining unit member and upon a determination by the School District that the duties and responsibilities of the vacated position will be continued. Newly created positions shall be defined as

assignments not currently contained within the curriculum or additional grade positions, including those new classes resulting from a “bubble” of students.

ARTICLE 4—COMPENSATION AND BENEFITS

4.1 Basic Compensation.

4.11 Compensation Schedule. The basic compensation of each teacher shall be as determined and set forth in Schedule A.

4.12 Professional Experience. The employer shall place a new professional employee on a salary step not to exceed ten (10) years based on his/her current years of teaching or related experience.

4.13 Academic Advancement. Salary step increases and eligibility for salary steps will require an effective or highly effective overall rating on the teacher’s most recent evaluation.

4.2 Additional Compensation. A teacher shall be entitled to receive additional compensation as follows:

4.21 Student Activities. Compensation for student activities shall be paid as set forth in Schedule B.

4.22 Extended Contract Period. A teacher required to work in excess of the contract period herein before set forth shall be entitled to a proportionate increase in compensation.

4.23 Professional Assignments. The Employer may provide additional compensation for professional assignments requiring additional professional responsibility, effort or skill. The amount of such compensation shall be determined by the Employer, and the additional compensation shall terminate upon the completion of the assignment. A written record of any compensation paid under this provision shall be maintained during the contract year and shall be available for the inspection by authorized representatives of the Association.

- 4.3 Unemployment Compensation.** A teacher who is laid off and who is paid unemployment compensation benefits (associated with his/her regular teaching assignment) during the summer immediately following the layoff and who is subsequently recalled to a teacher position at the beginning of the next school year will be paid according to an annual salary rate, is responsible for refunding the District, within the current fiscal year, all unemployment compensation wages receive prior to recall. The employee may select one of the following options for refunding the District:
- A. The new contract can be reduced by the amount of the unemployment compensation earnings;
 - B. A one-time payment; or,
 - C. Installment payments through payroll deduction.
- 4.4 Transportation and Reimbursed Expenses.** A teacher regularly using his/her automobile on school business shall be reimbursed every two (2) months at the I.R.S. rate provided the teacher had prior approval for such use from the Administration. It is the obligation of the teacher to notify the Employer of the nature of reimbursed expenses and the number of miles driven on school business. The Employer shall have the right to provide transportation in lieu of reimbursement, or to require as a condition of reimbursement proof of insurance and a safety inspection.
- 4.5 Fringe Benefits.** The Employer shall provide fringe benefits as set forth in Schedule C.
- 4.6 Retirement Allowance.** Retirement allowance shall be paid as set forth in Schedule D, provided that this provision shall give no vested right to any teacher to such allowance, and provided further that a teacher's right to the allowance shall be governed by the retirement allowance provision, if any, set forth in the Collective Bargaining Agreement in the year of retirement.
- 4.7 Pay Periods.** The basic salary shall normally be paid in twenty-six (26) installments, plus additional compensation, if any, provided, however, that if a teacher shall prior to April 1 not return for the next school year, he shall be entitled to receive the unpaid portion of his compensation upon the satisfactory completion of his current professional assignment. (When a contract year calls for twenty-seven (27) installments, basic salary shall be divided into twenty-seven (27) pays). Basic salary will be paid in twenty-six (26) installments. A teacher may elect to be paid such basic salary in twenty-one (21) installments (or twenty-two (22) if in a twenty-seven (27) installment year) if such election is made in writing to the Employer on or before July 1. The employer shall circulate salary election forms in May of each year.
- 4.8 Deduction.** The Employer shall establish a procedure for the deduction of the School Employees Credit Union, and such other deductions as may be required by law or be

mutually agreed upon. Except as otherwise permitted by law, all deductions shall require the prior written approval of the teacher.

- 4.9 Professional Advancement.** Teachers returning to school for their Masters Degree or other approved accredited courses shall be reimbursed tuition costs only up to the current Western Michigan University graduate class on campus rate with a limit of two (2) graduate classes per contract year.

Reimbursement shall be made to the teacher after the course is concluded and the administration has been furnished verification of successful coursework completion. Successful coursework completion shall be established by the standard of the credit-granting institution. To be eligible for reimbursement, the coursework shall first be approved by the Superintendent and shall relate to the teacher's assignment or an area of study which will directly benefit the School District. Requests for approval of coursework shall be submitted to the Superintendent at least thirty (30) days before courses are to be started. The Superintendent should approve or deny a request for reimbursement at least fifteen (15) days before the first day of classes.

If a teacher taking approved, accredited courses leaves the district, the teacher is responsible to repay the district one-half (1/2) of all tuition paid by the district within the last two (2) years prior to the teacher leaving the district.

ARTICLE 5—AUTHORIZED ABSENCE

Since the absence of a teacher generally has an adverse effect on the quality of the educational program, imposes increased responsibilities on other members of the professional staff, and increases costs; it is the responsibility of each teacher to avoid unnecessary tardiness or absence. The provisions herein set forth are not intended to reduce the professional responsibility of a teacher or to provide a form of additional compensation. Rather, they are intended to meet the legitimate humanitarian and professional needs of a teacher in a manner consistent with requirements of the educational program and they shall be so applied and interpreted.

5.1 Sick Leave.

5.11 Use. Sick leave may be used:

- A. Any physical or mental condition which disables a teacher from rendering professional services, excluding any condition compensable by Workers' Compensation, or resulting from other employment. Sick leave may be used for disability resulting from pregnancy to the extent expressly required by law.
- B. Any communicable disease which would be hazardous to the health of students or other employees.

- C. Physical examinations, medical, dental, or other health treatment which cannot be scheduled outside of the teacher's regular work day.
- D. The illness of a member of the immediate family; provided that such leave shall be limited to the use of five (5) days per year from sick leave and shall be taken only to the extent that the presence of the teacher is reasonably required. For the purpose of this provision, the term "immediate family" shall mean spouse, child or stepchild, parent or stepparent, or grandchild.
- E. The care of a newly born or newly adopted child who is less than one (1) year of age, provided that such leave shall be limited to six (6) weeks following the birth or adoption of the child.

5.12 Number of Days. Each teacher shall be credited at the beginning of each school year with ten (10) days of sick leave with pay. A day shall be as defined in Article 2.1 and shall be allocated in hourly increments.

5.13 Used Days. Sick leave shall be charged against work days only and shall cease to accumulate and shall not be used by a teacher during such period as a teacher is on a leave of absence, laid off, or otherwise not regularly providing services to the Employer. Sick leave benefits shall not be paid in addition to long-term disability benefits or Workers Compensation.

5.14 Unused Days. Unused sick leave may accumulate up to a maximum of one hundred twenty (120) days. If employment is terminated, any accumulated sick leave shall be canceled and the teacher shall not be compensated either in terminal pay or otherwise. If a teacher shall not complete the contract period, the Employer shall be reimbursed for any days or fractions of days, used in excess of the proportionate leave days earned as of the termination date.

5.15 Verification. Verification by competent medical authority may be required.

5.2 Personal Leave. A teacher shall be allowed up to two (2) days each school year with pay for personal leave which shall be granted in accordance with the following guidelines, namely:

5.21 Use. Personal leave shall be used for legitimate business, religious, or family obligations which cannot reasonably be scheduled outside of the regular work day. It shall not be used for other employment or the seeking of other employment, or for social, recreational, vacation, or other similar purpose.

5.22 Notice. A request for personal leave shall be made in writing at least forty-eight (48) hours in advance, except in an emergency. A response to such request shall be made to the teacher within twenty-four (24) hours of the request.

5.23 Procedure. The procedure for the granting of personal leave shall:

- A. Provide that the written request for personal leave shall constitute a certification by the teacher that the leave will be used for the purposes herein set forth. No specific description of the intended use of a leave shall be required.
- B. Be scheduled with building administrator only if a conflict occurs.

5.24 Allocation. Personal leave days shall be allocated in hourly increments and shall not accumulate.

5.3 Court Leave. A teacher shall be entitled to leave with pay less any fees paid, for jury service or when subpoenaed as a witness in which the teacher is not a party to the litigation, provided, however, if the Employer determines that the absence of a teacher will materially interfere with the instructional program, the Employer shall have the right to request that the teacher be excused or have such service rescheduled to a time which does not conflict with the discharge of his professional responsibilities. The teacher shall return to his duties whenever his attendance in court is not actually required. If only one-half (1/2) day of jury service is required, the teacher will be expected to return to work or charge one-half (1/2) day of leave to personal business leave.

5.4 Funeral Leave.

A. **Immediate Family.**

- 1. A teacher shall be entitled to receive up to five (5) days' leave with pay due to the death of his/her spouse, mother, father, child, stepchild, step-mother, step-father and grandchild, and up to three (3) days' leave with pay due to the death of his/her brother, sister, grandparent, or his/her current mother-in-law, father-in-law, brother-in-law, sister-in-law, or grandparent-in-law, or anyone who permanently resides with the teacher to the extent reasonably required to attend the funeral of the deceased person.
- 2. Up to two (2) additional days, deducted from sick leave, shall be granted to attend the funeral of brother, sister, grandparent, current mother-in-law, father-in-law, sister-in-law, brother-in-law or grandparent-in-law, or person who permanently resides with the teacher or if the funeral is 200 or more miles from the School District.

B. **Others.** A teacher may receive up to one (1) day of leave with pay per occurrence, to be deducted from sick leave, in order to attend the funeral of other relatives or persons whose prior relationship to the teacher would be sufficient to warrant such attendance by the teacher.

5.5 Meritorious Leave. The Employer may grant a leave of absence upon the request of a teacher for family emergencies, further education, or other meritorious reasons not otherwise provided herein. In determining whether to grant any such leave, the Employer shall consider:

- A. The teacher has tenure in the district;
- B. The past performance of the teacher;
- C. The staffing needs and other requirements of the Employer;
- D. The length of service of the teacher and the probability that the teacher will return to the service of the Employer; and,
- E. The purpose or purposes of the leave.

Leave may be with or without pay and the terms of the leave, including credit on the salary schedule, if any, shall be mutually agreed upon by the teacher and the Employer prior to the commencement of such leave. A meritorious leave may not exceed one (1) year but may be renewed.

A meritorious leave shall not be terminated early without the prior permission of the Employer. No leave shall be denied by the Employer which might reasonably impair the physical or mental health of a teacher. When this reason is asserted, the Employer may require medical documentation by a physician acceptable to both parties.

5.6 Unpaid Personal Leave. Upon written request, a teacher may be granted up to five (5) unpaid personal leave days during the life of this Agreement. If a teacher desires an unpaid leave of two (2) or less days, such request must be submitted to the teacher's immediate supervisor at least five (5) days prior to the commencement of the requested leave. If a teacher desires an unpaid leave of three (3) or more days, such request must be submitted ten (10) days prior to the commencement of the requested leave. Such leave request shall be granted on a first-come, first-served basis and may be denied if more than two (2) teachers in the District have been granted such unpaid leaves for any of the requested days off.

Such unpaid leaves may be denied during parent/teacher conferences, during examination periods or for days immediately preceding or immediately following a scheduled vacation period. (The granting of such a leave during the aforementioned periods shall never constitute a past practice.) Prior to taking such leave, the teacher must provide approved lesson plans for the scheduled days of absence. Such unpaid leaves are not to be used in lieu of any other leave provisions provided by this Agreement.

5.7 Family and Medical Leave Act. Climax-Scotts Community Schools ("Climax-Scotts") will provide covered employees up to twelve (12) weeks of unpaid job-protected leave for certain family and medical reasons. Employees who have worked for Climax-Scotts for at least twelve (12) months and for 1,250 hours over the previous twelve (12) months

of employment are eligible. In all respects, leaves of absence under this policy shall be administered and provided for in a manner consistent with the Family and Medical Leave Act of 1993 and its published regulations. The provisions of this Article shall prevail in any case of conflict with any other provision of the collective bargaining agreement.

5.71 Purpose of Leave. FMLA leave is available to any eligible teacher for the purpose specified in that law and its regulations.

Leaves in excess of the time periods indicated above may be granted for up to one year with the recommendation of the Superintendent and the approval of the School Board.

5.72 Notice, Duration, and Certification. When the need for leave is foreseeable, employees are expected to provide thirty (30) days advance notice. When not foreseeable, employees are required to provide notice of the need for leave as soon as practicable. When leave is needed for planned medical treatment, employees must attempt to schedule treatment so as not to unduly disrupt Climax-Scotts' operations. Failure to provide appropriate notice may result in the denial of leave. Leave for a newborn or newly placed child may be taken only within twelve (12) months from the date of birth or placement of a child and may only be taken continuously. When medically necessary, leave to care for a family member or for the employee's own serious health condition may be taken on an intermittent or a reduced work schedule basis. All time taken will count toward the employee's annual entitlement for family and medical leave. Climax-Scotts will require medical certification to support a request for a leave because of a serious health condition and may require second or third opinions (at Climax-Scotts' expense) and a fitness of duty report to return to work.

The medical certification must include the first anticipated date of absence from service to Climax-Scotts and the expected date of return. For an approved leave in excess of twelve (12) weeks, the medical certification must be from an MD/DO. The medical certification to support a leave for family medical reasons must include a statement indicating that the employee's presence is necessary or would be beneficial for the care of the family member and the period of time care is needed or the employee's presence would be beneficial. When leave is required for a serious health condition, employees will normally be given fifteen (15) calendar days to obtain the necessary medical certifications to support the leave. Employees will be required, unless Climax-Scotts waives the requirement, to recertify the need for the leave at least every thirty (30) days and must report in on a periodic basis no less often than every two weeks with respect to their progress, the progress of their parent, spouse or child, and their anticipated date for return to work.

5.73 Wages and Benefits. When leave is taken for the employee's serious health condition which is covered by the Workers Disability Compensation Act, the employee may elect to use accrued sick leave or personal leave in the amount

necessary to offset the difference in pay between the workers compensation payment and regular pay.

When leave is taken for a serious medical condition of the employee or the employee's child, spouse or parent, the Employee is required to use accrued sick leave and may use personal leave, at the employee's option. When leave is taken for purposes of child care unrelated to a serious health condition of the child or employee, sick leave may not be used.

Any time taken in excess of accumulated paid leave will be unpaid. All time off work which meets the definitions under FMLA will be charged against the yearly FMLA allowance. For leaves of up to twelve (12) weeks under this policy, Climax-Scotts will maintain the employee's health coverage under any group health plan. Any employee contributions to the health plan must be maintained during the leave to maintain coverage. Employees who fail to return from a leave will be obligated to reimburse Climax-Scotts for the cost of Climax-Scotts paid health coverage, except when the employee's failure to return is due to the continuation, recurrence or onset of a serious health condition which would entitle the employee to medical family leave or other circumstances beyond the employee's control.

5.74 Return to Work. Upon return from a leave of twelve (12) weeks or less, employees will be restored to their original or equivalent position with equivalent pay, benefits and other employment terms consistent with the seniority provisions of this Agreement and the school regulations of the FMLA. The employee will not lose any employment benefit that accrued prior to the start of the leave. Every effort will be made to return employees on leaves in excess of twelve (12) weeks to the same or a comparable position.

5.75 Eligibility Year. For purposes of determining eligibility for a leave, Climax-Scotts hereby adopts a rolling twelve (12) month period whereby each time an employee takes family and medical leave, the remaining leave entitlement will be any balance of the twelve (12) weeks which has not been used during the immediately preceding twelve (12) months.

ARTICLE 6—ASSOCIATION RIGHTS AND RESPONSIBILITIES

6.1 Association Rights. The Association shall have, in addition to other rights expressly set forth herein or provided by statute, the following rights:

6.11 Communications. Each teacher will have a mailbox. A designated bulletin board in each teachers' lounge will be used for the purpose of giving notice of meetings, elections, the results of elections and related matters.

- 6.12 School Facilities.** The use of school buildings at reasonable hours for meetings, and the use of school equipment (including typewriters, computers, copiers, adding machines, audio-visual equipment and e-mail) provided that it shall pay the reasonable cost of any materials, or supplies, and for any damage, and provided further, that such use shall not interfere with the primary educational use of such facilities or equipment.

The employee shall be subject to the provisions of the Collective Bargaining Agreement of the employing school district. Upon return from leave, the teacher will be placed in a bargaining unit position unless he/she is laid off.
- 6.2 Association Responsibilities.** The Association, having been recognized as the exclusive bargaining agent for teachers, agrees that:
- 6.21 Concerted Activities.** The Association agrees that it will not, during the period of this agreement, directly or indirectly, engage in or assist in any strike, as defined by the Public Employment Relations Act.
- The Board and the Association agrees that they will not, during the period of this agreement, directly or indirectly, engage in or assist in any unfair labor practice, as defined by the Public Employment Relations Act. The Employer also agrees that it will not lock out any bargaining unit member during the term of this agreement or during any period in which a successor agreement is being negotiated by the parties.
- 6.22 Cooperation.** The Association will use its best efforts to help correct breaches of professional performance or conduct including, but not limited to, failure to maintain satisfactory teaching standards, willful insubordination, abuse of leave privileges, and chronic tardiness or absenteeism.
- 6.3 Association Business Leave.** Upon written approval by the CSEA President, the Board shall provide without cost to the Association, seven (7) Association business leave days each school year. When such days are exhausted, the Board shall provide an additional six (6) days of Association business leave for which the Association shall reimburse the Board at the per diem substitute teacher rate of pay.
- 6.4 Curriculum Input.** Should the Board contemplate curriculum change during or for the ensuing school year, the staff of the building affected shall be notified as soon as possible. The opportunity shall be afforded for input to the appropriate administrator. The Board shall not make curriculum changes without the opportunity for input from the staff. This input should be made through the District School Improvement Committee (DSIC) after input from building level teams.

6.5 Building Level School Improvement Committee. Climax-Scotts Community Schools and the Climax-Scotts Education Association promote shared decision making at the local school building level. Site-based decision making can enhance the District's plan for overall school improvement. The District currently follows the MDE School Improvement Framework as the primary vehicle for school improvement. For maximum success, the entire teaching staff (and others) is encouraged to be directly involved in the School Improvement process.

6.6 District-Wide School Improvement Committee

6.61 The District-Wide School Improvement Committee (DWSIC) will continue to facilitate district-wide planning efforts and will serve in a coordinating role for site-based activities.

6.63 Meetings will be held at least every other month.

ARTICLE 7—TEACHER RIGHTS AND RESPONSIBILITIES

7.1 Professional Standards. The parties recognize that it is not desirable to interfere with the private and personal conduct of a teacher except when such conduct may adversely affect the performance of a teacher, or shall interfere with the proper conduct of the educational program and the student's education. The parties further recognize that the failure of any teacher to adequately discharge his professional responsibilities places an unfair burden on other members of the faculty and makes the achievement of the educational goals of the Employer more difficult. Although the parties acknowledge the difficulty of completely and precisely defining the professional responsibilities of each teacher, it is recognized that the responsibilities include at least the following:

7.11 Sexual Harassment.

A. Sexual harassment against (or by) bargaining unit members will not be tolerated in the Employer's employment practices (and/or educational programs or activities). Sexual harassment for the purposes of this Article is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to the conduct is made either an explicit or implicit condition of employment (or participation in an educational opportunity or activity);
2. Submission to or rejection of the condition is used as the basis for an employment (or an educational) decision affecting the harassed unit member (or individual), or

3. The harassment substantially interferes with a bargaining unit member's (or other individual's) work (or educational) environment or creates an intimidating, hostile, or offensive work (or educational) environment.

B. Definition: for the purposes of this article, sexual harassment does not refer to behavior or occasional compliments of a socially acceptable nature as determined by a reasonable person of the complainant's gender. It refers to behavior which is not welcome, that is personally offensive, that fails to respect the rights of others, that lowers morale, and that therefore interferes with the complainant's work (or academic) effectiveness. Sexual harassment includes, but is not limited to, the distribution or displaying of sexually suggestive or related photographs, drawings, and graffiti; sexually degrading words and innuendoes; sexual advances and propositions; and verbal or physical abuse of a sexual nature.

C. Member protection: any bargaining unit member accused of sexual harassment shall be entitled to all the protections of this Agreement.

D. Process: any bargaining unit member who is dissatisfied with the Employer's response to his/her complaint of harassment may file a grievance. However, when use of the grievance procedure would result in the accused harasser's hearing the grievance, the grievance may be transmitted to the next step at the option of the grievant. The Employer assures employees that all complaints will be handled with a reasonable attempt at confidentiality and shall be investigated without delay.

In no event will the Employer permit or engage in retaliation of any kind against any employee who initiates a complaint. However, this will not prevent discipline of a complainant for making a false claim of sexual harassment with malicious intent.

7.12 General Competence. A teacher shall maintain such level of professional competence as may be required to properly discharge his professional responsibilities.

7.13 Preparation for Professional Assignments.

A. Prior preparation for a professional assignment is essential. Such preparation includes the development of lesson plans, teaching aids or such other materials as may be necessary for the planning, preparation, presentation and review of the instruction to be presented by the teacher or as may be required by a substitute teacher.

B. Teachers shall work from prepared lesson plans, which will be available for review at all times. Each teacher may use the Curriculum or Grade

Level Content Expectations as a guide for developing lesson plans. Lesson plans shall include all information identified as necessary by the administration; notice of which shall be provided to teachers electronically. Administrators shall consult with building teachers, prior to sending out the notice at the first staff meeting of the year. On some occasions, and not as a matter of routine, a principal may ask an individual teacher to submit a copy of their lesson plans. (It is understood that a teacher on a Plan of Assistance may be required to submit lesson plans on a regular basis.)

C. A substitute folder will be readily available for use by a substitute teacher. The folder will contain adequate lesson plans for use in a variety of learning situations.

- 7.14 Student Discipline.** A teacher shall maintain such order and discipline during the conduct of instruction as shall be necessary to provide a suitable learning environment.
- 7.15 Conferences.** A teacher shall be reasonably available for consultation with students, parents, members of the professional staff and others.
- 7.16 Student Evaluation.** Each student shall be fairly and impartially evaluated in accordance with guidelines established by the Employer.
- 7.17 Rules and Regulations.** The responsibility of a teacher for the enforcement of the rules and regulations of the Employer is not limited to the teacher's classroom. A teacher shall assist in the enforcement of such rules and regulations of the Employer and shall comply with all applicable laws, regulations, policies and directives, which are not contrary to law or to the terms of this Agreement.
- 7.18 Safety of Students.** A teacher shall make every reasonable effort to protect students from conditions harmful to learning, health, and safety. For such purpose, a teacher shall promptly notify the Administration of any defective condition in the physical facilities of the Employer, which may reasonably cause injury to persons or property.
- 7.19 False Official Statements.** A teacher shall not knowingly withhold or misrepresent material information concerning the teacher's professional qualifications or the discharge of his professional duties.
- 7.2 Personnel Files.** The District shall maintain one (1) central personnel file for each teacher. The teacher shall be notified and given a copy of all information placed in such personnel file. Any information to be placed in such file shall be placed in the file within a reasonable period of time of the event or the occasion to which it refers. The teacher shall have the right, upon reasonable prior request, to review the contents of his/her personnel file. A representative of the Association may accompany the teacher at the

request of the teacher. The files shall be reviewed in the presence of an administrator responsible for the safekeeping of the file. The credentials and references of the teacher shall be subject to review.

- 7.3 Support for Classroom Control.** The Board recognizes its responsibility to give reasonable support and the proper assistance to teachers with respect to the maintenance of classroom control and discipline.
- 7.4 Citizen Complaints.** Complaints by a citizen not involved in a matter which could be referred to law enforcement authorities directed towards a teacher, which may result in discipline of the teacher, shall be promptly called to the teacher's attention.
- 7.5 Discipline.** Any verbal or written complaint by a person directed toward a teacher may be called to a teacher's attention.
- 7.6 Grade Change.** No grade given by a teacher shall be changed except by the following procedure:
- A. The administrator requesting a grade change shall state reasons for the requested change to the teacher. If the teacher concurs with the reasons given, the grade shall be changed.
 - B. If the teacher does not concur, or if the teacher is no longer employed by the district, the administrator requesting the grade change may submit the request to a review panel within ten (10) days. The review panel will be comprised of two (2) members of the Board of Education, one (1) person appointed by the Superintendent and three (3) teachers selected on an ad hoc basis by the CSEA President. If the majority of the review panel does not concur with the change, the grade shall not be changed. The decision of the panel is final.
- 7.7 Dress Code.** The Parties acknowledge the positive impact of professionally attired educators. The Association agrees to cooperate with the Board in promotion of professional and tasteful dress by teachers at all times.

ARTICLE 8—GRIEVANCE PROCEDURE

- 8.1 Objectives.** A grievance shall be defined as an alleged violation of the expressed terms and conditions of this contract or Letter of Agreement. The following matters shall not be the basis of any grievance filed under the procedures outlined in this Article:
- A. The termination of services or failure to re-employ any probationary teachers.
 - B. The termination of services or failure to re-employ any teacher to a position on the extra-curricular schedule.
 - C. Any matter involving a teacher's evaluation.

D. Termination, demotion or leaves of absence under the provisions of the Michigan Teachers Tenure Act.

8.2 First Step. If a teacher or association representative believes that there is a grievance, the matter shall be discussed with his/her principal within ten (10) school days after the occurrence of the event on which the grievance is based. It shall be the objective of both parties to resolve the matter in this informal manner. The teacher, at his/her request, may be accompanied by an association representative.

8.3 Second Step. If the first step does not provide an equitable solution, the grievance shall be submitted in writing by the grievant to the building principal within five (5) school days after presentation in the first step.

A. A grievance shall state the facts on which it is based and the section of the contract allegedly violated and shall be signed by the grievant.

B. The principal shall give his/her decision concerning the grievance, in writing, within five (5) school days after the presentation of the grievance.

8.4 Third Step. If the Association is not satisfied with the disposition of the grievance at the second step, the grievance shall be submitted, in writing, to the superintendent within four (4) school days after receipt of the principal's written reply.

A. The superintendent and/or his designee (excluding the administrators involved in the second step) shall meet with the grievant and a representative or representatives of the Association within five (5) school days after the grievance has been received in order to consider the grievance. The superintendent shall give a written answer to the Association within four (4) school days after the date of this meeting.

B. If the answer is satisfactory, the Association shall so indicate on the grievance form and sign it, with two (2) copies of the grievance thus settled shall be retained by the Association and one (1) by the superintendent.

8.5 Fourth Step. If the Association is not satisfied with the disposition of the grievance at the third step and intends to appeal, it shall so notify the superintendent in writing, within three (3) school days after the superintendent's written reply to the third step has been received.

Within fifteen (15) school days after the superintendent has received the notice of appeal, the grievance shall be reviewed at a meeting between the Board or its designated representatives (to consist of three (3) members of the Board) and three (3) Association representatives. Three (3) days notice of the meeting shall be given to the Association. A written answer shall be given by the Board within ten (10) school days after the date of the fourth step meeting.

8.6 Fifth Step. If the grievance has not been settled in the fourth step, the Association may submit the grievance to binding arbitration, provided such submission is made within ten (10) school days after the fourth step answer has been received.

- A. In the event that a grievance is submitted to arbitration, the demand for arbitration shall be submitted to the American Arbitration Association, with a copy to the superintendent, in accordance with its rules which shall likewise govern the arbitration proceedings.
- B. The Board and the Association shall not be permitted to assert any ground or to rely on any evidence not previously disclosed to the other party in such arbitration proceeding(s).
- C. The arbitrator shall have no power or authority to alter, amend, add to or subtract from the terms of this agreement nor hear any matter, which will add to or subtract from the terms of this agreement excepting in matters of law.
- D. The Association and the Board shall be responsible for their own personal costs as to witnesses, attorney fees, etc. The fees and expenses of such arbitrator shall be borne by the party that does not prevail in such arbitration.

8.7 Time Limits. The time limits provided in this Article shall be strictly observed, but may be extended by written agreement of the parties. In the event grievances filed under this Article shall not be satisfactorily settled during the school year, they shall continue after the end of the school year with the weekdays, Monday through Friday, being considered as if they were school days, in determining the time limits set forth above.

8.8 Grievance Withdrawal. Grievances which are not appealed within the time limits specified in the above grievance procedure shall be considered to be withdrawn by the grievant and/or the Association.

8.9 Grievance Hearings During School Hours. The presentation and discussion of grievances provided for in the first, second, and third steps of this Article may take place during regular school hours so long as all persons involved are able to meet without interfering with their assigned duties.

ARTICLE 9—PROFESSIONAL RELATIONS COMMITTEE

9.1 Purpose. It is the objective of the parties:

- A. To improve the communications between the Employer and the teachers.
- B. To provide for appropriate participation by teachers in the development of recommendations for the consideration of the Employer in all areas in which the teachers have a professional responsibility.

- C. To assist in resolving conflicts between the employer and the teacher.

There is, therefore, established an advisory committee to be known as the "Professional Relations Committee." The Committee shall not have the power or authority to negotiate or enter into an agreement involving any substantive change in the Collective Bargaining Agreement.

9.2 Committee Composition. The Association shall select an elementary teacher, an intermediate teacher and a junior or senior high school teacher as the Association's representatives. The Employer shall also appoint three regular members; at least one of who shall be a member of the Board of Education. The President of the Association and the Superintendent shall not be regular members but may participate on behalf of either party, together with such additional representatives as the parties may desire at such times and for such purposes as may facilitate the achievement of the objectives of the Committee. Members of the Committee shall participate in its proceedings as individuals and without regard or identification with the appointing party.

9.3 Rules and Procedures. The Committee shall establish its own rules and procedures, provided that the Committee shall:

- A. Meet not less frequently than once each marking period during the school term, unless both parties shall otherwise agree.
- B. Designate a secretary, who need not be a member of the Committee. The secretary shall prepare minutes for each meeting and furnish a copy of such minutes to each member of the Committee and to each party.
- C. Designate a chairperson, who need not be a member of the Committee. If the parties are unable to agree on a chairperson, each party shall designate a chairperson, which chairpersons shall preside at alternate meetings.

10.2 Negotiators. Neither party shall have any control over the selection of the negotiating representatives of the other party and each party may select its representatives from

within or outside the School District; however, the parties mutually agree that their representatives will be clothed with all necessary power and authority to make and consider proposals. No agreement between the parties shall be effective until it has been approved by the parties.

- 10.3 Renegotiation.** The negotiation of a new agreement shall begin upon written request of either party made no more than ninety (90) days prior to the expiration of this Agreement unless both parties mutually agree to open sooner.

ARTICLE 11—CONTRACT ADMINISTRATION

- 11.1 Interpretation.** Each of the provisions of this Agreement shall be subject and subordinate to the obligations of either party under applicable laws or regulations. If any provision shall be prohibited by or be deemed invalid under such applicable laws or regulations, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

For the purpose of this Agreement:

- 11.11 Captions.** Captions are included only for convenience of reference and shall not modify in any way any of the provisions herein.
- 11.12 Masculine Includes Feminine.** Whenever in this Agreement the masculine gender is used, it shall be deemed to include the feminine gender.

Any benefit set forth in this Agreement shall be subject and subordinate to any such subsequent change.

11.2 Policies and Other Agreement. The Employer shall consult the Association prior to the adoption of any policy made pursuant to this Agreement and shall furnish the teachers a copy of any such policy thereafter adopted by it, including any amendments thereto, provided, however, that nothing in this Agreement shall limit the right of the Employer to adopt policies, initiate programs and enter into agreements with teachers or others for the performance of administrative duties or the rendering of other services which are not contrary to the terms of this Agreement.

11.3 Management Rights. The Association recognizes that, except as specifically limited or abrogated by the terms and provisions of this Agreement and to the extent authorized by law, the right to manage and direct the operation and activities of the School District and to supervise the teachers is vested solely and exclusively in the Employer.

11.42 Association Activities. Except by the express agreement of the Employer, the performance of the duties of a teacher shall not be interrupted for the purpose of conducting any Association activities whatsoever, provided, however, that this provision shall not prevent an authorized representative of the Association from having such reasonable contact with members of the bargaining unit as shall be necessary to ascertain terms of this Agreement are being observed.

11.5 Non-Discrimination. Each party agrees that it will not discriminate against any teacher by reason of the participation or non-participation of a teacher in the Association, the institution of any complaint or because of the age, race, creed, sex, marital status, or religion of any such teacher.

- D. To determine the existence of any condition which may be detrimental to the health of the students or other persons.

If the Employer shall require a physical and/or mental examination pursuant to the subsections B, C, or D, it shall pay the cost thereof provided that the examining physician and/or medical facilities are satisfactory to it. SCHEDULE D

RETIREMENT ALLOWANCE

The retirement allowance will be for any teacher who qualifies for retirement under the MPSERS (Michigan Public School Employee Retirement System) and shall be based on a percent of the BA base at the time of retirement and the years of service in the Climax–Scotts Community Schools.

Years of Service	15	16	17	18	19	20	25	30+
Percentage	10%	11%	12%	13%	14%	15%	17%	18%

The Retirement Allowance is not calculated in your final average compensation for retirement purposes.

When an employee retires, the retirement allowance will be prorated for every year in the last 30 (or less years if applicable) that the employee worked less than full time.

Example: Employee retires with 17 years of service. 10 of those years were at .50 and 7 years at 1.0.

$$\begin{aligned} 10 \text{ years} \times .5 &= 5 \\ 7 \text{ years} \times 1 &= 7 \\ 7 + 5 &= 12 \\ 12 / 17 &= .71 \\ 12\% \times .71 &= 8.52\% \end{aligned}$$
