ARTICLE 5 – PROFESSIONAL SERVICES

- A. **School Year.** The number of student days and teacher days shall be established by the Board. **The school calendar for the 2014-2015 and the 2015-2016 school years shall be as set out in Appendix C.**

- B. **Professional Duties.** The parties recognize that the commitment of a teacher cannot be measured merely by time and that all of the provisions hereinafter set forth are conditioned by the responsibility of each teacher to fully and completely discharge his/her professional responsibilities. The parties further recognize that many changes are occurring and will continue to occur in the field of education and that if a quality educational program is to be achieved, it is essential that the parties and the teachers maintain an attitude which will support innovation and change but will also assure that neither the teachers, the students, nor the School District will be unfairly treated. The compensation set forth in Schedule "A" for regular professional duties is based on the assumption that on the average a teacher will on the school premises or at an approved duty connected facility for thirty-eight (38) hours during each regular school week. The

scheduling of the thirty-eight (38) hours for each school will vary due to the differences in arrival and departure time of students. The amount of student contact time required to receive full state aid shall be established by the Board.

1. **Planning Time and Lunch Periods.** All regularly assigned, full-time, classroom teachers, shall receive during each full week of instruction:

- a. Two and one-half hours of duty-free lunch time (30 consecutive minutes.)
- b. Five preparation, conference periods of not less than 40 minutes each, one per day.

Special subject teachers (art, music and physical education) will receive a minimum of two hundred minutes preparation time per week.

Kindergarten teachers will receive a minimum of two hundred minutes preparation time per week. The District shall make every reasonable effort to schedule one (1) forty (40) minute planning time per day.

2. **Substitution for Other Teachers on Planning Time.** Whenever an administrator requests that a teacher substitute for another on planning time, such teacher shall be paid \$30 for each block/class period taught. This provision shall not apply when teachers agree to substitute for each other on their planning time.

3. **General Duties.** In addition to the regular professional duties performed during the regular school week, a teacher may be required to attend up to an average of eight (8) hours of school meetings each month not to exceed ten (10) hours during any single month. Those meetings shall include IEP's, Behavior Academic Success Team (BAST), Grade Group, Department meetings, school improvement meetings, open house, orientations, parent-teacher conferences and staff meetings. When possible, teachers shall be given one (1) week notice of any required meetings and shall be supplied with a proposed agenda specifying starting and ending times for the meeting. Teachers will be required to attend legally mandated meetings even if those meetings would cause them to exceed the eight (8) hour average or the ten (10) hour limit for any particular month.

4. **Part-Time Teachers.** The normal workweek for part-time teachers shall be adjusted by the Board on an individual basis proportionately in accordance with the provisions of this Agreement. On professional days, part-time teachers shall attend the percent of their part-time assignment with the choice to attend over and above. Neither the district nor the union shall put any pressure on such teachers relative to their participation in other activities, which are over and above their contractual commitment.

5. **Student Teachers.** The acceptance of a student teacher supervisory assignment shall be voluntary. Any funds received by the District for placing of student teachers shall be used for in-service activities.

Mentor teachers shall be available to provide professional support, guidelines, and instructional leadership.

A mentor teacher should not be called as a witness in grievances involving the mentee teacher's classroom teaching abilities.

7. **Work Load.** It is the goal of the parties that teachers in the same classification shall have substantially equal workloads and productivity. However, it is recognized that the professional workload and effort of each teacher cannot be precisely measured. The parties recognize, however, that at least the following factors should be considered, namely:

a. **Class Size Criteria.** The establishment of student-teacher ratios is recognized as a useful reference point when used in conjunction with at least the other guidelines hereinafter set forth. The student-teacher ratio for the average classroom computed on a building basis is as follows:

<u>Grade levels</u>	<u>Student-Teacher-Ratio</u>
Kindergarten	24 to 1
1-2	25 to 1
3-6	26 to 1
7-8	27 to 1
High School	27 to 1

Secondary class sizes shall continue to be limited by the number of workstations.

b. **Other Guidelines.** In addition to the student-teacher ratio, it is recognized that any accurate measure of the professional effort required, the quality of the instruction given, or of the results obtained should also consider the following factors, namely:

- 1) The subject matter.
- 2) The teaching strategy.
- 3) The distribution, maturation, and ability level of the students.
- 4) The training and experience of the teacher.
- 5) The quantity, quality, and type of physical facilities and teaching aides available.

c. In the event a classroom exceeds the student/teacher ratio as defined in Section A above, at the request of the affected teacher(s), the Association representative, the affected teacher(s), and the appropriate Administrator(s) shall meet in an effort to remedy the overload.

d. An adjustment in teacher's workloads will include hiring a paraprofessional with the teacher's approval, and if funding is available, when kindergarten sections reach an enrollment of 25 or more; first and second grade enrollments reach 26 or more; and third through sixth grades reach 27 or more.

8. **In-Service and Curriculum Meetings.** In-service and curriculum meetings generally will not be scheduled on Friday afternoons. One week's notice will be given if it is anticipated that they will extend more than one hour beyond the working day.

9. Once the District creates a split-grade classroom, the District will not add additional students to such classroom unless other classrooms at the affected level are becoming

overcrowded. The District will consult with the affected teachers prior to any additions to a split grade. In addition, the District will attempt to ensure that teachers assigned to split grades are not assigned to additional responsibilities such as curriculum development.

10. The amount of time between level 3 and level 4 in the Teacher Assistance Team Process shall not exceed two (2) calendar weeks.

C. **School Closings.** If adverse weather or other conditions beyond the control of the Board make it advisable to close school, the following guidelines shall apply, namely:

1. Except as hereinafter provided, teachers shall report for duty as usual with reasonable allowance for tardiness if conditions warrant. Each teacher shall make every reasonable effort to comply with the reporting provision; however, in the event a teacher is unable to report and notifies his/her building administrator of such prior to the scheduled reporting time, the absence shall be charged against the teacher's available personal business leave or sick leave, the preference of which to be determined by the teacher. If a teacher anticipates a late arrival, the teacher shall notify the building administrator.
2. Dismissal for teachers will be at the normal time unless weather conditions worsen.
3. In the event of mechanical failure or other circumstances requiring the closing of a building facility, teachers may be assigned to assist in other buildings. Teachers should only be assigned to assist in other buildings at levels wherein they are certified to teach.
4. In conditions of unusual severity, teachers will be advised by telephone not to report.
5. The Board will endeavor to have included in radio and television announcements to the fact that teachers are required to report.
6. The parties recognize that the Employer has the right to determine the duties to be performed by the members of the teaching staff but mutually agree that every reasonable effort will be made to ensure that each member of the teaching staff will have the opportunity to perform useful services or participate in meaningful activities which will contribute to the quality of the educational program. Except as each building shall otherwise determine, the first snow day shall not be used for in-service training.
7. When a school day is canceled or dismissed and state law requires that such day be made up at a later date, teachers need not report for duty nor remain on school premises.

E. **Vacancies.** A vacancy shall occur upon the creation of a new position, a resignation, a termination, or retirement within the bargaining unit and upon a determination by the School District that the duties and responsibilities of the vacated position will be continued.

Under any of the foregoing circumstances the position must be posted.

3. **Posting.**

- a. All vacancies, including Schedule B, shall be posted in each building for a minimum of five (5) working days during the regular school year.

- b. An extension of the internal posting length may be determined by the Administration due to unique circumstances (i.e., summer, winter breaks, spring vacations, etc.).
 - c. In unique circumstances, Schedule B positions can be administratively appointed for the remainder of the school year and internally posted for the following school year.
4. **Application.** A teacher, who wishes to apply for a posted vacancy, shall apply in writing within the posting period. Internal applicants shall apply for the posted position by submitting a letter of interest to the appropriate person. Internal applicants are not prevented from applying during the external posting period.
 5. **Modification of the Position.** Modifications in the description of a position and/or requirements for the position will require re-posting.

ARTICLE 6—PHYSICAL FACILITIES AND EDUCATIONAL OPPORTUNITIES

- A. **School Bus Prohibition.** A teacher shall not be required to drive a school bus as part of his/her regular assignment.
- B. **Physical Facilities.** Adequate parking, lounge, and rest room facilities together with adequate telephones for the conduct of professional duties shall be available to teachers for their reasonable use at each school facility. Telephone facilities shall be made available to teachers for their reasonable use by the Board, provided, however, that in the event a teacher chooses to make a long-distance telephone call resulting in a toll charge, the teacher shall pay the Board for the cost of the same. At such time as local telephone charges are imposed, teachers shall exercise reasonable restraint in the use of the telephone and the Board may adopt a uniform policy for all employees of the District.
- C. **Educational Opportunities.** The parties recognize the desirability of providing within the resources and staffing needs of the School District opportunities for:
 1. Visits to other classrooms, schools and school districts.
 2. Conferences involving other personnel from the District, county, state, region, or nation.
 3. Training in classes and workshops.
 4. Membership on professional committees.
 5. Opportunity for participation by teachers on an individual basis may be granted by the Superintendent.

ARTICLE 7—COMPENSATION AND BENEFITS

- A. **Wages.** Each teacher shall be entitled to receive wages as herein set forth:
 1. **Regular Compensation.** The basic compensation of each teacher shall be as set forth in Schedule “A”. The Board may pay a teacher wages in excess of the amount set forth on Schedule “A” for the performance of additional duties not included in the classification

or position. The Board will pay the contribution to the state retirement fund for any teacher employed under the provisions of this Contract.

2. **Professional Experience.** The Board may place new professional employees on such steps as professionally indicated by reason of education, experience (including military service and vocational experience) and past professional performance. If an employee is to be placed a higher step than step 2 of the salary schedule, the association president will be informed in advance of the posting of the vacant position.
 3. **Academic or Certification Advancement.** Academic or certification advancement shall be made at the beginning of the first semester following advancement, provided that the teacher shall submit proof of such advancement not later than thirty (30) days after the beginning of the semester.
 4. **Salary Steps.** A teacher shall advance to the next salary step at the beginning of the school year if the teacher is in good standing with state certification requirements.
 5. **Salary Placement.** A teacher shall advance to the BA+15,+30, MA+15 and MA+30 based on successful completion of a college or university class(es) and/or Continuing Education Units (CEU's) earned subsequent to being awarded a Bachelors or Masters Degree.

 7. **Teacher Work Year.** Teacher work year shall be comprised of 182 workdays. A teacher required to work in excess of the number of days set forth in the School Calendar shall be entitled to proportionate increase in compensation. This provision does not apply to additional days required by the State "snow day" law.
 8. **Deductions.** The Board shall have the right to deduct from the pay of each teacher such amounts as may be required by law which may be due the Board from the teacher, or which are expressly authorized by the teacher in writing for one (1) annuity, the credit union, savings, bonds, MEA sponsored auto insurance or other Board approved auto insurance, and mutually agreed upon charitable donations. Payment of annuities shall be made twice a month. Teachers shall have the responsibility to inform payroll when there are any changes in deductions. Authorization for the above deductions shall be made no later than October 21 of each school year unless circumstances warrant a change. New employees shall ordinarily authorize deductions within thirty (30) days of their beginning employment date.

Proof of credit must be submitted to the business office no later than 45 days following the end of the semester from which you are taking the course or class. Unofficial transcripts shall be accepted by the business office as proof of credit. To qualify for the tuition reimbursement, a teacher must have fulfilled the 18 hours of credit required for certification purposes prior to qualifying for tuition reimbursement.

- C. **Insurance.** Fringe benefits shall be provided on the terms and conditions set forth in Schedule "C."

ARTICLE 8—LEAVES

- A. **Sick Leave.** Each teacher shall be credited at the beginning of the school year with ten (10) days sick leave with pay. Sick leave shall be administered in accordance with the following guidelines, namely:

1. Sick leave may be used for:
 - a. Personal injury, illness, medical appointments which cannot be scheduled outside the workday, or the quarantine of a teacher, excluding injuries to the extent compensable by Workers' Compensation and injury, illness, or quarantine resulting from other employment.
 - b. Up to the first three (3) days of the illness of the spouse, child or permanent resident of the teacher's household. The first day of the illness of the teacher's parents or the teacher's grandchildren. Such leave shall only be taken in the case when the presence of the teacher is required.
 - c. When a spouse, child, parent, sibling, or permanent resident of the teacher's household is seriously or critically ill, the teacher may utilize additional accumulated sick leave to the extent that the presence of the teacher is reasonably required.
2. The Board may for reasonable cause, or after five (5) consecutive days' absence, require the verification of a medical condition by one or more physicians satisfactory to the Board.
3. Leaves shall be allocated in one-half (½) day increments, provided that if an authorized absence is for less than two (2) hours and no substitute is employed, sick leave shall not be deducted.
4. Sick leave shall not be earned by teachers on a leave of absence, laid off, or otherwise not regularly providing services to the District. No payment for unused leave shall be made.
5. Unused sick leave shall accumulate up to 135 days for with the understanding that if long-term disability insurance is purchased by the Board, the accumulation will be reduced to the insurance waiting period selected. The Board shall not unilaterally adopt such insurance. Any accumulated sick leave shall be certified for each teacher on or before October 15 of each year.

- B. **Family and Medical Leave.** The District will provide covered employees job protected leave for certain family and medical reasons. Full-time teachers and employees who have worked for the District for at least twelve (12) months and for 1,250 hours over the previous twelve (12) months of employment are eligible. In all respects, leaves of absence under this policy shall be administered and provided for in a manner consistent with the Family and Medical Leave Act of 1993 and its published regulations.

1. **Purpose of Leave**

Up to twelve (12) weeks of leave may be granted for any of the following reasons:

- a. To care for the employee's child after birth or placement for adoption or foster care; or,
- b. To care for the employee's spouse, son, daughter or parent who has a serious health condition.
- c. Up to eighteen (18) weeks of leave may be granted for a serious health condition that makes the employee unable to perform the employee's job.

(Leave in excess of the time periods indicated above may be granted for up to one (1) year within the sole discretion of the Superintendent and subject to conditions as established by the Superintendent.)

2. **Notice, Duration and Certification**

When the need for leave is foreseeable, employees are expected to provide thirty (30) days' advance notice. When not foreseeable, employees are required to provide notice of the need for leave as soon as practicable. When leave is needed for planned medical treatment, employees must attempt to schedule treatment so as not to unduly disrupt the District's operations. Failure to provide appropriate notice may result in the denial of leave.

Leave for a newborn or newly placed child may be taken only within twelve (12) months from the date of birth or placement and may only be taken continuously. In order to avoid disruption to students, the duration and timing of a leave shall be subject to the limitations of the Family and Medical Leave Act ("FMLA") pertaining to leaves near the end of an academic term.

When medically necessary, leave to care for a family member or for the employee's own serious health condition may be taken on an intermittent or a reduced work schedule basis. If a teacher or other instructional employee requests intermittent leave for foreseeable treatment, either for a family member or for the employee, and the employee would be on leave for more than 20% of the total number of working days during the period of planned treatment, the District may require the employee to either take leave for a period or periods of a particular duration or temporarily transfer the employee to an equivalent position which is better suited to periods of intermittent or reduced schedule leave. All time taken, whether by choice or requirement, will count toward the employee's annual entitlement for family and medical leave.

The District will require medical certification to support a request for a leave because of a serious health condition and may require second or third opinions (at the District's expense) and a fitness for duty report to return to work. The medical certification must include the first anticipated date of absence from service to the District and the expected date of return. For leaves in excess of twelve (12) weeks, the medical certification must be from an MD/DO. The medical certification to support a leave for family medical reasons must include a statement indicating that the employee's presence is necessary or

would be beneficial for the care of the family member and the period of time care is needed or the employee's presence would be beneficial.

When leave is required for a serious health condition, employees will normally be given fifteen (15) calendar days to obtain the necessary medical certifications to support the leave. Employees will be required, unless the District waives the requirement, to recertify the need for the leave at least every thirty (30) days and must report in on a periodic basis no less often than every two (2) weeks with respect to their progress, the progress of their parent, spouse or child, and their anticipated date for return to work.

3. **Wages and Benefits**

Leave will be unpaid except as covered by any paid leave. At the District's or the employee's option, accrued, but unused, paid personal days or sick leave may be substituted for unpaid leave. (Sick leave may be used for the employee's own serious health condition or the illness of his or her child).

For leaves of up to twelve (12) weeks under this policy, the District will maintain the employee's health coverage under any group health plan. Any employee contributions to the health plan must be maintained during the leave to maintain coverage. Employees who fail to return from a leave will be obligated to reimburse the District for the cost of such paid health coverage, except when the employee's failure to return is due to the continuation, recurrence or onset of a serious health condition which would entitle the employee to medical or family leave or other circumstances beyond the employee's control.

4. **Return to Work**

Upon return from a leave of twelve (12) weeks or less, employees will be restored to their original position with equivalent pay, benefits and other employment terms. The employee will not lose any employment benefit that accrued prior to the start of the leave. (Every effort will be made to return employees on leaves in excess of twelve (12) weeks to the same or a comparable position.)

5. **Eligibility Year**

For purposes of determining eligibility for a leave, the District hereby adopts a rolling twelve (12) month period whereby each time an employee takes family and medical leave, the remaining leave entitlement will be any balance of the twelve (12) weeks which has not been used during the immediately preceding twelve (12) months.

C. **Personal Leave.** A teacher shall be credited with two (2) days each school year with pay for personal leave which shall be granted in accordance with the following guidelines, namely:

1. Personal leave shall be used for legitimate business or family obligations, which cannot reasonably be scheduled outside of the regular workday. It shall not be used for other employment or the seeking of other employment, or for social recreation, vacation or other similar purposes.

2. A request for personal leave shall be made at the earliest practical time. Written notice shall be submitted no later than 48 hours prior to the utilization of personal leave, except in cases of emergency.
3. The procedure for the granting of personal leave shall:
 - a. Consider the staffing requirements of the School District and the professional responsibilities of the teacher.
 - b. Provide that the written request for personal leave shall constitute a certification by the teacher that the leave will be used for the purposes herein set forth. No specific description of the intended use of leave shall be required except for a leave requested for a day preceding or following a vacation or holiday.
 - c. Require written notice of the reasons for the denial of a leave request to be given to the teacher with copies thereof to be sent to the Superintendent and to the president of the Association.
4. Any unused portion of a teacher's personal leave shall accumulate to a maximum of five (5) days. Once a teacher has accumulated such five (5) personal leave days, additional personal leave days earned pursuant to Article 8, Section C shall be added to the teacher's personal sick leave accumulation.

D. **Court Leave.** A teacher shall be entitled to leave for jury service or for court appearances which cannot reasonably be scheduled outside of the school day when subpoenaed as a witness in connection with any criminal proceedings or any litigation. If a teacher is subpoenaed as a witness in connection with any civil proceedings not arising out of the performance of the teacher's professional duties for the School District, the teacher shall be entitled to use accumulated sick leave to the extent available. In all other cases described above the teacher shall be entitled to receive regular compensation, without deduction of leave days, less any fees paid. The teacher shall return to his/her duties upon completion of jury duty of less than one-half (1/2) day.

E. **Maternity Leave.** The Board shall grant a leave of absence without pay for reason of pregnancy or adoption. The teacher may elect to use his/her sick leave, personal leave, or any combination thereof, for all or part of his/her leave. Leave shall be granted in accordance with the following guidelines:

1. The time for the commencement of the maternity leave shall be mutually agreed upon by the Board and the teacher in accordance with the following factors, namely:
 - a. The staffing needs of the school system.
 - b. The desirability of coordinating staff changes with the school calendar.
 - c. The effect of the pregnancy on the proper performance of professional duties.
 - d. The personal health and family circumstances of the teacher.
 - e. A maternity leave shall ordinarily not be granted prior to the fifth month of pregnancy unless it shall appear that the denial of the leave would unreasonably impair the physical or mental health of the teacher.

- f. Adoption leave shall not commence more than two (2) weeks prior to taking custody of the child, unless the Board and the teacher shall otherwise agree. The Teacher shall coordinate the adoption to the extent practicable with the professional responsibilities of the teacher and the staffing requirements of the Board.
 - 2. Unless the Board and the teacher shall otherwise agree, maternity leave shall terminate as follows, namely:
 - a. Leaves commencing after the beginning of the school year and prior to the beginning of the second semester shall terminate at the beginning of the next school year.
 - b. Leaves commencing after the end of the first semester but prior to the beginning of the next school year shall terminate at the beginning of the second semester in the next school year or the beginning of the first semester in the following school year. The teacher shall elect in writing prior to the commencement of the leave the alternative termination date selected. If no election is made, the leave shall terminate at the beginning of the following school year.
- F. **Funeral Leave.** A teacher shall be granted funeral leave in accordance with the following guidelines, namely:
- 1.
