# AGREEMENT

THIS AGREEMENT is made by and between the Galesburg-Augusta Community Schools, Kalamazoo County, Michigan (the "Employer", "District", or "Board"), and the Kalamazoo County Education Association, Galesburg-Augusta Education Association, MEA/NEA (the "Association").

The Board has a statutory obligation pursuant to the Michigan Public Employment Relations Act, MCL 423.201 et seq. as amended, to bargain with the Association as the representative of its teaching personnel as to wages, hours, and other terms and conditions of employment; and,

The parties have reached certain understandings which they desire to confirm in this Agreement, and agree as follows:

## ARTICLE 1 CONTRACT ADMINISTRATION

**Section A: Recognition.** The Employer recognizes the Association as the sole and exclusive collective bargaining representative for all teachers employed by the Board for the purpose of collective bargaining for wages, hours, and other terms and conditions of employment. The Board will not negotiate with any teachers' organization other than the Kalamazoo County Education Association, Galesburg-Augusta Education Association, MEA/NEA so long as the Association is the certified bargaining representative of the teachers.

**Section B: Definitions and Interpretations.** Except as otherwise expressly provided in this Agreement, the words and phrases set forth below shall have the following meaning:

1. **Day** shall mean a calendar day except as otherwise specifically defined in this Agreement.
2. **Teacher** shall mean all certified persons employed for grades Pre K-12 for the regular school year by the Board including those on leaves of absence. The term Non-teaching Professional Staff Employee shall mean those bargaining unit employees whose employment is not regulated by the Michigan Teachers' Tenure Act. Additional certified professional employees included in the bargaining unit are psychologists, speech pathologists, school counselors, and school social workers from the bargaining unit.
  - a. Superintendent, Assistant Superintendent, Assistants to the Superintendent, Principals, Assistant Principals, substitute teachers, interim teachers, and teachers' aides are expressly excluded.

- b. An “interim teacher” is a temporary employee, other than a daily substitute teacher, who is employed to substitute for a teacher who is on a Board-approved leave.
3. **Part-Time Teacher** means a teacher regularly employed under contract for less than a full work week or a full work day. The fringe and leave benefits of a part-time teacher shall be substantially proportionate to the number of hours employed per week.
4. The term “bargaining unit” shall mean the employee classification(s) certified by the Michigan Employment Relations Commission as an appropriate group for the purposes of collective bargaining. In Galesburg-Augusta, the bargaining unit is comprised of “all teachers” employed by the Board.
5. The term “highly qualified” means the teacher holds at least a Bachelor’s degree and is certified, endorsed, or authorized to teach the subject, and has at least one of the following credentials:
  - Major in the content/subject (or equivalent of 30 semester credit hours); or
  - Passed a rigorous state test in the content/subject (MTTC); or
  - Completed a state-approved High Objective Uniform State Standard of Evaluation (HOUSSE); or
  - Holds National Board Certification in content/subject.

**Section C: Management Rights.** The Association recognizes that except as specifically limited or abrogated by this Agreement and to the extent authorized by law, all rights to manage and direct the operations and activities of the District and to supervise the teachers are vested solely and exclusively in the Board.

**Section D: Scope, Alteration, and Waiver of Agreement.**

1. No alteration, variation, waiver, or modification of any of the terms or conditions or covenants contained herein shall be made by any teacher or group of teachers with the Board unless executed in writing by the parties.
2. The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of the Agreement.
3. If any Article or Section of this Agreement or any supplement should be held invalid by operation of law or tribunal of competent jurisdiction, or if compliance with or enforcement of any Article or Section should be restrained by such tribunal, the remainder of this Agreement and supplements shall not be affected, and the parties shall enter into immediate collective bargaining for the purpose of arriving at a mutually satisfactory replacement for such Article or Section, as permitted by law.

## ARTICLE 2 PROFESSIONAL SERVICES

**Section A: School Year.** The number of student and teacher days shall be set forth in the School Calendar. A teacher required to work in excess of the number of days set forth in the School Calendar shall be entitled to a proportionate increase in compensation.

**Section B: Professional Duties.** The parties recognize that the commitment of a teacher cannot be measured merely by time, that the proper discharge of professional duties may require an uneven expenditure of time during the school year and that the provisions of this Agreement are conditioned by the responsibility of each teacher to fully and completely discharge his/her professional responsibilities. The parties further recognize that many changes are occurring and will continue to occur in the field of education and that if a quality educational program is to be achieved, it is essential that the parties and the teachers maintain an attitude which will support innovation and change but which will also assure that neither the teachers, the students, nor the District will be unfairly treated. Policies, scheduling, instruction, professional duties and the workday shall conform to the following guidelines, namely:

The shared staff schedule shall include equivalent planning time for the building the teacher is assigned, of which a minimum of 30 (thirty) minutes shall be continuous exclusive of student passing time or lunch/breaks. Teachers shall be reimbursed \$30/hour for the number of hours a year that planning time is short based on the teacher's primary building assignment. Teachers will receive 20 (twenty) minutes of travel time. The parties recognize that this determination will be made on an annual basis and will address the following parameters: start and end times of the day, lunch, planning time, passing time, and travel time. The teacher's reimbursement calculation shall be finalized by the last day of September by the building principal, Association representative, and teacher. Final approval shall be made by the superintendent.

General Professional Duties. Each teacher shall be available up to four (4) hours per month for additional professional duties. These duties shall include faculty meetings, departmental meetings, in-service training programs, open house, IEP Team meetings, parent/teacher and student/teacher conferences and such other professional activities as may reasonably be required.

### **Section C: General Provisions.**

1. All MS/HS teachers shall report for duty five (5) minutes before the opening of the students' regular school day in the morning and shall remain no less than fifteen (15) minutes following the end of the student day or the day's end preparation period, whichever is later. All Primary School teachers shall report for duty fifteen (15) minutes before the opening of the students' regular school day in the morning and shall remain no less than five (5) minutes following the end of the student day or the day's end preparation period, whichever is later.
2. Teachers shall not be assigned unpaid lunch period supervision. "Lunch period" as defined by the Employer shall not be less than thirty (30) minutes.
3. The Employer shall save harmless from any liability all teachers who dispense

medication to students in accordance with Board policy.

4. Teachers may not be required to substitute for the Building Principal. Teachers may agree to do so on a strictly voluntary basis.

**Section D: Elementary Planning Time.** The normal workweek for a full-time regularly assigned elementary classroom teacher shall include:

1. A minimum of two hundred twenty (220) minutes of conference planning time per week. Blocks of planning time of at least forty (40) minutes a day will be established.

**Section E: Middle School Classroom Teachers.** A teacher regularly assigned as a middle school classroom teacher will have on the average during each full school week:

1. Thirty (30) student/teacher contact periods (six (6) classes, which may include seminar, as determined by the administration).
2. Five (5) unassigned periods for conference/planning time.

**Section F: High School Classroom Teachers.** A high school classroom teacher will have on the average during each full school week:

1. Thirty (30) student/teacher class periods (six (6) classes, which may include seminar, as determined by the administration).
2. Five (5) unassigned periods for conference/planning time.
3. **Zero Hour.** The High School "zero hour" shall be a period of instruction conducted beginning approximately one hour before the regularly-scheduled school day.
  - (a) Teacher participation in the zero hour schedule is strictly voluntary.
  - (b) The length of the teacher work day shall not be increased for teachers who volunteer to work on the zero hour schedule. Accordingly, their work day shall end proportionately one hour before the end of the regular school day.

**Section G: Part-Time or Additional Instructional Assignments.** The normal work week for part-time teachers shall be adjusted by the Board on an individual basis in accordance with the number of hours employed.

Middle School and High School part-time teachers will be compensated based on 1/6 of their respective salary for each period of student contact time for which they are employed.

Middle School and High School teachers agreeing to teach an additional class beyond the full instructional load of six (6) periods (six (6) classes, which may include seminar, as determined by the administration) will be compensated an additional 1/6 of their respective salary.

**Section H: Interns.** The acceptance of intern supervisory assignments shall be voluntary. A first-

year teacher shall not accept an intern.

**Section I: General Professional Duties.** Each teacher shall be available up to four (4) hours per month for additional professional duties. These duties shall include faculty meetings, departmental meetings, in-service training programs, open house, IEP team meetings, parent/teacher and student/teacher conferences and such other professional activities as may reasonably be required.

The Employer shall give a minimum of five (5) working days' notice when scheduling such meetings. The second Tuesday of each month is reserved for Galesburg-Augusta Education Association Executive Board Meetings.

Regarding attendance at the above professional duties, the parties agree that:

1. The present duty time required in Article 2, Section I will be structured so it may qualify as Professional Development under Section 1527 of the Revised School Code. This duty time will also include time for voluntary participation in School Improvement Teams.
2. The Building Principal is empowered to employ and enforce these guidelines.
3. Teachers who have conflicts with professional duties (especially for student/teacher interaction activities within the District) meet the contractual agreement by attending professional activities as long as possible. If the District has reasonable cause to question a teacher's absence, the District may require the teacher to explain the absence.
4. The request for any deviation from full attendance be approved by the Principal prior to the meeting and that the Department Head be professionally notified before the meeting time.
5. The teacher is expected to obtain any information from any portion missed within two (2) working days and fulfill obligations as expected. It is the Principal's duty to enforce the above. It is the Department Head's duty to report infractions to the Building Principal.
6. A teacher will be excused from such a duty if he/she provides prior notice to his/her Principal that the duty conflicts with an academic event involving a member of his/her immediate family.

### **Section J: Professional Development**

The thirty (30) hour Professional Development Requirement will be fulfilled as follows:

1. Professional Development days will be built into the attached school calendar.
2. Independent Professional Development activities as outlined in Appendix A and reflected in a teacher's log of Professional Development activities. These activities require approval by the Building Principal.

**Section K: Work Load.** It is the goal of the parties that teachers in the same pay classification or professional assignment shall have substantially equal workloads and productivity. However, it is recognized that the professional workload and effort of each teacher cannot be precisely measured. The parties recognize, however, that at least the following factors should be considered:

1. **Class Size Criteria.** The student/teacher ratio guidelines for the average classroom computed on a District-wide basis are as follows:

| <b>Grade Classifications</b> | <b>Student/Teacher Ratio</b> |
|------------------------------|------------------------------|
| K-2                          | 25 to 1                      |
| 3-4                          | 26 to 1                      |
| Middle School                | 30 to 1                      |
| High School                  | 30 to 1                      |

2. **Computation Method.**

Determine the number of students in all classes within the grade classification (i.e., K-2) and divide by the number of full-time regular education classroom teachers in that grade classification. Excluded from this computation are students and teachers of special programs which specify lower student/teacher ratios (i.e., self-contained Special Education classrooms). Also excluded from this computation method are special teachers of students who are also assigned to regular education classrooms (i.e., Resource Room, Music, Physical Education, Art, Technology). The parties will agree whether to exclude a new program from this computation.

3. **Other Guidelines.** The following factors should also be considered:

- (a) Subject matter
- (b) Teaching strategy
- (c) Distribution, maturation level, or special needs of the students
- (d) Training and experience of the teacher
- (e) Quantity, quality, and type of physical facilities and teaching aids available.

4. **Work Load Adjustment.** The Board will endeavor to coordinate class scheduling and assignment so that no high school or middle school teacher will have more than four (4) preparations per day and will use its best efforts to try to achieve average physical education class sizes at no more than fifty (50) students.

5. If the professional work load of a teacher is materially greater than the work load of other teachers in the same assignment, and the work load is not adjusted through normal administrative procedures (e.g., adding a class or section), the Professional Relations Committee shall review the professional work load of such teacher for the purpose of recommending to the Superintendent an adjustment to the teacher's work load or the

addition of a Paraprofessional to the classroom or other remedy deemed reasonable by the Professional Relations Committee.

**Section L: Professional Assignments.** Each non-teaching professional staff employee shall be placed to the extent practicable in a position which will most effectively use the non-teaching professional staff employee's skills, experience, and qualifications while providing for the present and future staff needs of the District.

**Section M: Assignment Criteria.** The professional assignments of a non-teaching professional staff employee shall be made by the Board based on the following criteria:

1. The qualifications of the non-teaching professional staff employee compared to those of other candidates, both for the position to be vacated and the position to be filled.
  - (a) All non-teaching professional staff employees hired shall meet the individual school's selected accreditation agency's standards.
  - (b) Additional qualifications which may be considered include the following:
    - (1) Evidence of study in the area of the available assignment.
    - (2) Annual performance evaluations.
    - (3) Previous successful performance at the grade level or in the subject area in which the assignment occurs.
    - (4) Other special certifications/endorsements which are needed in the position or building.
2. The length of service in the District.
3. The preference of the non-teaching professional staff employee for the assignment.
4. The opportunity for the professional growth of the non-teaching professional staff employee as determined by the non-teaching professional staff employee.
5. Building class schedules and/or assignments and workloads of other employee non-teaching professional staff employee in the building.

**Section N: Assignment Procedure.**

1. **Assignment Preference.** Subject to the assignment criteria, the most senior eligible non-teaching professional staff employees, within a department, subject area, or grade level, shall be given preference for an assignment.

**Section O: Transfer and Vacancy.**

1. The following definitions apply to this Section.

Transfer means either a voluntary or involuntary change in a bargaining unit employee's position or assignment.

Vacancy means an unfilled position, as approved by the Board, resulting from the creation of a new position, a resignation, a retirement, a termination, or a transfer.

2. **Filling of Vacancy**

- (a) For a non-teaching professional staff employee, a vacancy shall first be attempted to be filled from within the bargaining unit, provided that the applicant is appropriately credentialed for the position. A part-time probationary non-teaching professional staff employee may be excluded from this provision and will be considered on an individual basis.
- (b) If there are two (2) or more non-teaching professional staff employee applicants who are appropriately credentialed for the position, the position shall be awarded to the applicant with the greatest seniority.
- (c) A non-teaching professional staff employee shall be limited to only one (1) transfer of position per school year.
- (d) No new non-teaching professional staff employee or substitute/temporary non-teaching professional staff employee will be hired to fill a vacancy when a non-teaching professional staff employee on layoff is appropriately credentialed to fill the vacancy
- (e) If the position formerly held by the laid off non-teaching professional staff employee becomes available, the laid off non-teaching professional staff employee shall be offered that position if that non-teaching professional staff employee is appropriately credentialed for the position. No posting is required in such circumstances.
- (f) If the vacancy is not the position formerly held by the laid off non-teaching professional staff employee, the position is subject to posting. After following the process for posting and filling a vacancy from internal candidates, the laid off non-teaching professional staff employee shall be recalled to the ultimate vacancy if appropriately credentialed.

**Section P: Notice of Assignment.** When possible, teachers shall be given written notice of their tentative subject(s) and/or grade assignment, including Schedule B assignments, for the next school year before July 1. A posted assignment which is in the process of being filled is excluded from this timeline.

**Section Q: Involuntary Assignments.**

1. The parties recognize that under certain circumstances it may be necessary for the Board to involuntarily assign a teacher to a position.
2. When it becomes necessary to make an involuntary assignment, the affected teacher(s) and the Association shall be given reasonable notice, to the extent possible, specifying the reason for the action, the duration of the assignment, and the specific position to which the teacher will be transferred.
3. A non-teaching professional staff employee who has been involuntarily transferred from his/her position, shall have the first right to return to his/her position should the appropriate vacancy occur, provided that he/she is appropriately credentialed. This "right to home" becomes void if the non-teaching professional staff employee rejects this opportunity to return to his/her position.

**Section R: Layoff and Recall.** The Board is authorized to lay off and recall non-teaching professional staff employees, provided that the layoff and recall is in accordance with the provisions set forth below:

1. Layoff of a non-teaching professional staff employee will be by seniority beginning with the least senior non-teaching professional staff employee, so long as the remaining non-teaching professional staff employees are appropriately credentialed to fulfill the selected educational program.
2. Non-teaching professional staff employees will be recalled in the order of those most senior who are appropriately credentialed to fill vacancies in the educational program.
3. If a recalled non-teaching professional staff employee is appropriately credentialed for more than one open position, the District shall determine placement based on Section M, Assignment Criteria, and in consultation with the Association.
4. If it becomes necessary to reduce the number of non-teaching professional staff through a layoff, the Association will be consulted and will be provided with all necessary data to monitor the procedure.
5. No non-teaching professional staff employee shall be laid off during the summer break unless said non-teaching professional staff employee is notified of the layoff by August 1. The District will provide the notice of layoff at an earlier date when possible.
6. No non-teaching professional staff employee shall be laid off during the school year unless said non-teaching professional staff employee is notified of the layoff at least thirty (30) calendar days before the effective date of said lay off.

**Section S: Seniority**

1. The following definitions apply to this Section:
  - (a) **Date of Hire** means the date of the Board meeting at which the decision to hire the teacher is made as reflected in the Board minutes, or, the first scheduled date

of work, whichever is first.

- (b) **Highly Qualified** means the description of that term in Article 1, Section B (5) and Section M of the Assignment Criteria.
  - (c) Seniority means the length of service with the District and shall be computed from the teacher's most recent date of hire.
2. Seniority shall be measured from the date and time the new employee signs their Letter of Intent along with the signature of the District Superintendent. A teacher shall also receive seniority credit for any previous teaching experience with the District before the most recent date of hire.
- (a) Beginning July 1, 1990, seniority shall be recorded by years of service.
  - (b) Seniority for days during which a teacher receives no compensation shall be deducted on a pro rata basis.
  - (c) Under no circumstances shall more than one (1) year of seniority accrue during a school year, nor shall extra work (e.g., Schedule B items, kindergarten round-up, extended contract), be used in lieu of or in addition to the contract year to determine seniority.
  - (d) Seniority accrual for a teacher whose contract is less than full time shall be reduced proportionately.
  - (e) Seniority shall not accrue during a period of layoff. Upon recall, seniority accrued before the layoff shall resume.
3. Before September 15<sup>th</sup> of each school year, the Board shall furnish the Association President with a seniority list reflecting the seniority status of each bargaining unit member as of the immediately preceding June 30<sup>th</sup>. Any challenges to the seniority list must be submitted to the Board by the Association on or before October 15<sup>th</sup> of each school year.

#### **Section T: Teaching Conditions.**

1. The Board agrees to provide a computer for each teacher to use within his/her work area to complete daily District expectations and assignments.
2. Consistent with the financial resources of the District and existing building structures, the Board will attempt to make available in each classroom building: lunchrooms, restroom and lavatory facilities for teacher use and at least one room, appropriately furnished, which shall be reserved for use as a faculty lounge, and provision for such facilities in all future buildings.

Credit for previous teaching experience may be granted for complete semesters taught, up to a maximum of ten (10) years.
2. All new teachers with no prior teaching experience will be hired at Step 1. **Section H: Deductions.** The Board shall have the right to deduct from the pay of each teacher such amounts as may be required by law, which may be due the Board from the teacher, or which are expressly authorized by the teacher in writing. The Board shall also have the right to limit the number of deductions and/or to make a reasonable charge for changes in deductions.

**Section I: 403(b) Program.** Upon written authorization from an employee, the District shall deduct from the employee's salary and make appropriate remittances to qualified plans under Section 403(b) and 457 (b) of the Internal Revenue Code (the "Plan"). Prompt remittance (as defined by the Internal Revenue Code) of employee contributions shall be made to the third-party administrator.

1. To implement this 403(b) and 457 (b) program, the District shall participate in a consortium of public education employers known as the Michigan Retirement

- Investment Consortium (“MRIC”), which has selected TSA Consulting Group (“TSA”) as its third-party administrator. The District and the Association recognize that changes may be made in the selection of Plan administrative firms, including MRIC and TSA. Such changes shall only be made after timely consultation with the Association.
2. Investment providers presently offered to employees as wild card vendors for the 403(b) and 457 (b) program include Ameriprise Financial and Horace Mann. These providers will be included in the initial list of investments offered to teachers. The initial core providers for MRIC will include VALIC, MEA Financial Services, Plan Member Services, Williams & Company, LLC/The Legend Group, Waddell & Reed, and Midwest Capital Advisors.
    - a. The District and the Association recognize that changes may be made in the selection of investment firms. Such changes shall only be made after timely consultation with the Association.
    - b. None of the wild card or core providers will be discontinued by the District without prior consultation with the Association.
    - c. If, at any time, MEA Financial Services is removed from the list of investment providers, the District will withdraw from the consortium as soon as possible.
  3. Although TSA may require investment providers to pay reasonable administrative costs, the fees required to administer the Plan will be kept as low as possible.
  4. The Plan document shall permit an employee to:
    - a. Make changes to his/her investment portfolio;
    - b. Withdraw funds based on hardship status;
    - c. Take loans on his/her investment as permitted by the Plan document.
  5. The District and the Association shall conduct an ongoing review and assessment of the performance of MRIC, TSA, and participating investment firms.

**Section K: Attendance Incentive Stipend.** Bargaining unit employees who maintain perfect attendance for the teacher work year shall receive a stipend: \$500 = 0 absences, \$250 = 1-2 days absent, \$100 = 3-4 days absent. Absence due to Article 4 Section C. (legal leave), Section D (funeral leave), Section G (association leave) or Section I (professional leave) does not affect the employee’s eligibility for this incentive.

**ARTICLE 4**  
**LEAVES OF ABSENCE**

**Section A: Sick Leave.**

1. **Number of Days.** Each teacher shall be credited at the beginning of the school year with ten (10) days sick leave with pay. Sick leave shall be administered in accordance with the following guidelines:
2. **Use.** Sick leave may be used for:
  - (a) Any physical or mental condition which disables a teacher from rendering professional services excluding any condition compensable by worker's compensation. Sick leave may be used for disability resulting from pregnancy to the extent expressly required by law.
  - (b) Any communicable disease which would be hazardous to the health of students, employees, or other persons using the facilities of the School District.
  - (c) Physical examinations, medical, dental, or other health treatment which cannot be scheduled outside of the teacher's regular work day.
  - (d) Serious illness or traumatic injury to a member of a teacher's immediate family. Such an absence shall be for a period of one (1) day per illness or injury unless illness or injury is so serious as to require the presence of the teacher (i.e., case where competent medical authority has advised teacher that presence is necessary.)
  - (e) If the District has reasonable cause to question a teacher's absence and upon request by the Superintendent, a teacher who uses five (5) consecutive sick days shall be required to submit a physician's verification for the absence.
3. **Unused Days.** Unused sick leave shall accumulate to the extent set forth in Article 4, Section B-4. If employment is terminated, any accumulated sick leave shall be cancelled and the teacher shall not be compensated either in terminal pay or otherwise.
4. A teacher who is unable to teach due to extended personal illness or disability and who has exhausted all sick leave available shall be granted up to twenty (20) days and be paid the difference between his/her contractual salary and the amount paid the contract service provider. For the first ten (10) days, the rate will be the daily entry-level substitute rate and for days eleven (11) through twenty (20), the rate will be the actual per-diem substitute rate. The District may require medical certification before such differential is paid. This arrangement shall continue for not more than twenty (20) days. After this time, a leave of absence may be granted, without pay, for up to one (1) year or for the duration of the illness or disability. The leave may be renewed

by the employer each year upon the written request by the teacher provided the teacher supplies the Superintendent a letter from a medical doctor certifying such illness or disability.

5. At the beginning of each school year, each teacher shall be notified of the total number of sick leave days to which the teacher is entitled.

**Section B: Personal Leave.** Personal leave shall be provided for teachers at a rate of three (3) days per year with pay and shall be subject to the following provisions and limitations.

1. Three (3) days per year shall be granted upon request and no reason for such request need be stated. Such leave shall be accumulative to four (4) days. Excess beyond the four (4) days shall become unusable personal days added to the pool in Section B (4). Use of these days shall be subject only to the following limitations:
  - (a) Leave shall not be granted the day preceding or following a holiday or vacation, the day or evening of Parent/Teacher Conferences or a day of scheduled in-service training. For extraordinary circumstances, the Superintendent, in consultation with the Building Principal, may grant an exception to this standard.
  - (b) Such leave shall not be granted on a day when a teacher has planned unusual and special student activities which cannot be conducted by a substitute and would materially affect the quality of education of the teacher's students.
  - (c) Personal leave shall not be granted if more than four (4) teachers per building have already been granted personal leave on the same day. If this limitation is exceeded, priority shall be determined by the four (4) earliest requests by date. For extraordinary circumstances, the Superintendent, in consultation with the Building Principal, may grant an exception to this standard.
  - (d) Personal leave shall not be used for more than two (2) consecutive days, including a Friday followed by a Monday, unless prior permission is obtained from the Superintendent for special circumstances. For example (and assuming that other personal leave criteria have been satisfied), Friday and Monday are permitted, while Thursday, Friday, and Monday or Friday, Monday, and Tuesday are not permitted.
2. Teachers shall be granted necessary leave time during the work day to attend the Parent/Teacher Conferences for their own children. The leave time shall be scheduled by the Employer after consultation with the teacher at a time when it will least affect the educational needs of the District.
3. To ensure the maximum level of education in the absence of the teacher, a reasonable effort shall be made by each teacher using personal leave to submit a personal leave form to the Employer at least forty-eight (48) hours in advance of said leave. If circumstances do not permit forty-eight (48) hours' notice, no less than twenty-four (24) hours shall be given except in an emergency. When emergency leave is necessary,

a leave application shall be submitted at the earliest possible time. For an emergency leave, specific reasons shall be stated, but shall be kept confidential by the Administration at the request of the teacher.

4. A maximum of one hundred five (105) unused sick leave days and a maximum of thirty (30) unused personal leave days shall be permitted to accumulate to a total of one hundred thirty-five (135) days.

Upon voluntary termination of employment, the teacher shall be paid ninety dollars (\$90) per day for each of combined accumulated sick leave and personal leave in excess of ninety (90) days up to a total of 30 days.

**Section C: Legal Leave.** A teacher shall be entitled to leave for jury service or when presented with a subpoena for a matter(s) related to a District student. The teacher shall be entitled to receive regular compensation, without deduction of leave days, less any fees paid. The teacher shall return to his/her duties whenever his/her attendance in court is not actually required.

**Section D: Funeral Leave.** Teachers shall be granted funeral leave in accordance with the following guidelines, namely:

1. Released time shall be granted for deaths in the immediate family not to exceed three (3) days per occurrence. The immediate family is defined as mother, father, sister, brother, husband, wife, children, grandparents, grandchildren, niece, nephew, aunt, uncle, father-in-law, mother-in-law, sister-in-law, brother-in-law, grandparents or grandchildren of spouse and stepchildren. An employee's domestic partner and his/her relatives will be considered on the same basis as a spouse or spouse's relatives for purposes of this section.

In the event of the death of the employee's child, spouse or domestic partner, up to five (5) days bereavement may be granted.

**Section E: Sabbatical Leave.**

1. A teacher who has been employed by the District for seven (7) consecutive years may be granted a sabbatical leave with the approval of the Employer. During said sabbatical leave, the teacher shall be considered to be an employee of the District.
2. A non-teaching professional staff employee, upon returning from a sabbatical leave, shall be restored to his/her former position or to a position of like nature and status, and shall be placed at the same position on the salary schedule as he/she would have been had he/she taught in the District during such period.
3. No more than one (1) person shall be granted sabbatical leave per school year.
4. A teacher wishing sabbatical leave must prepare a request and submit an outline of plans to the Employer by the end of the first semester of the school year preceding the year of intended leave.
5. The Employer shall rule on the applications within thirty (30) days following the deadline for application.

6. Salary during sabbatical leave shall be not more than seventy-five (75%) percent of salary provided that such sum shall not be in excess of any amount permitted by law.
7. A teacher who takes a sabbatical leave agrees to teach in the District for at least three (3) years following such leave.
8. If a teacher who has taken sabbatical leave does not comply with the above provision, he/she shall be obligated to repay his/her sabbatical leave salary prorated according to time not repaid as stated in Article 4, Section E-6.

**Section F: Meritorious Leave.** The Board may grant a leave to any teacher on such terms as the Board and the teacher shall agree for meritorious reasons not otherwise provided herein. In determining whether to grant any such leave, the Board shall consider:

1. The past performance of the teacher.
2. The staffing needs and other requirements of the District.
3. The length of service of the teacher and the probability that the teacher will return to the service of the District.
4. The purpose or purposes of the leave.

**Section G: Association Leave.** The Employer grants the Association eight (8) teaching days to be used for Association business at the discretion of the Association President. Except for good cause, three (3) days' notice of such absence shall be given the Superintendent by the Association President. More days may be allowed by the Superintendent upon the request of the Association. The Association agrees to pay the cost of the substitutes and shall reimburse the District on a current basis those sums paid to the Office of Retirement Services for Association release time.

**Section H: Military Reserve Leave.** A teacher required to attend two (2) weeks of annual training duty with any military reserve component of the state or federal government and who is unable to perform such military training outside of the regular school year shall be paid the difference between his/her military pay and his/her regular teacher salary.

**Section I: Professional Leave.** Each department and grade level shall be allotted a minimum of one (1) day professional leave for the purpose of attending conferences, workshops, or for clinics.

**Section J: Unpaid Child Care/Maternity Leave.** The initial leave period shall be for the duration of the semester in which the leave was granted and may be extended for one (1) additional semester upon the mutual agreement of the teacher and the Board.

**Section K: Family and Medical Leave.** The District will provide covered employees job protected leave for certain family and medical reasons. Full-time teachers who have worked for the District for at least twelve (12) months and for 1,250 hours over the previous twelve (12) months of employment are eligible. In all respects, leaves of absence under this policy shall be administered and provided for in a manner consistent with the Family and Medical Leave Act of

1993 ("FMLA") and its published regulations. The District will observe any contractual provisions which provide greater family or medical leave rights than those provided by the FMLA.

1. **Purpose of Leave.** Up to twelve (12) weeks of leave may be granted for any of the following reasons:
  - a. To care for the employee's child after birth or placement for adoption or foster care; or,
  - b. To care for the employee's spouse, son, daughter, or parent who has a serious health condition.
  - c. Up to eighteen (18) weeks of leave may be granted for a serious health condition that makes the employee unable to perform the employee's job.
  
2. **Notice, Duration, and Certification.** When the need for leave is foreseeable, employees are expected to provide four (4) weeks advance notice. When not foreseeable, an employee is required to provide notice of the need for leave as soon as practicable. When leave is needed for planned medical treatment, an employee must attempt to schedule treatment so as not to unduly disrupt the District's operations. Failure to provide appropriate notice may result in the denial of leave. Leave for a newborn or newly-placed child may be taken only within twelve (12) months from the date of birth or placement and may only be taken continuously. In order to avoid disruption to students, the duration and timing of a leave shall be subject to the limitations of the FMLA pertaining to leaves near the end of an academic term.

When medically necessary, leave to care for a family member or for the employee's own serious health condition may be taken on an intermittent or a reduced work schedule basis. If a teacher or other instructional employee requests intermittent leave for foreseeable treatment, either for a family member or for the employee, and the employee would be on leave for more than 20% of the total number of working days during the period of planned treatment, the District may require the employee to either take leave for a period or periods of a particular duration or temporarily transfer the employee to an equivalent position which is better suited to periods of intermittent or reduced schedule leave. All time taken, whether by choice or requirement, will count toward the employee's annual entitlement for family and medical leave.

The District will require medical certification to support a request for a leave because of a serious health condition and may require second or third opinions (at the District's expense) and a fitness for duty report to return to work. The medical certification must include the first anticipated date of absence from service to the District and the expected date of return. For leaves in excess of twelve (12) weeks, the medical certification must be from an MD/DO. The medical certification to support a leave for family medical reasons must include a statement indicating that the employee's presence is necessary or would be beneficial for the care of the family member and the period of time care is needed or the employee's presence would be beneficial.

When leave is required for a serious health condition, an employee will be given fifteen (15) calendar days to obtain the necessary medical certifications to support the leave.

3. **Wages and Benefits.** Leave will be unpaid, unless the employee elects to use any paid leave which may be available. For leaves of up to twelve (12) weeks under this Section, the District will maintain the employee's group health plan benefits such as health, dental, and vision coverage. Any employee contributions to the health plan must be maintained during the leave to maintain coverage. An employee who fails to return from a leave will be obligated to reimburse the District for the cost of such paid group health plan benefits, except when the employee's failure to return is due to the continuation, recurrence or onset of a serious health condition which would entitle the employee to medical or family leave or other circumstances beyond the employee's control.
4. **Return to Work.** As required by the FMLA, upon return from leave an employee will be restored to his/her original position with equivalent pay, benefits and other employment terms. The employee will not lose any employment benefit or rights that accrued prior to the start of the leave.
5. **Eligibility Year.** For purposes of determining eligibility for a leave, the District adopts a rolling twelve (12) month period whereby each time an employee takes family and medical leave, the remaining leave entitlement will be any balance of the twelve (12) weeks which has not been used during the immediately preceding twelve (12) months.

## ARTICLE 5 ASSOCIATION RIGHTS AND RESPONSIBILITIES

**Section A: Association Rights.** The Association shall have, in addition to other rights expressly set forth in this Agreement or provided by law, the following rights:

1. Before implementing a policy, decision, or action that would have a significant impact on the terms or conditions of employment of the bargaining unit, the District shall notify the Association of the opportunity to meet and confer with the appropriate District representative(s) regarding such matter unless the matter is a prohibited subject of bargaining.
2. **Facilities and Equipment.** The Association has the right to the use of school buildings at reasonable hours for meetings of the local Association. The Association also has the right to the use of school equipment, including computers and electronic mail, provided that the Association shall pay for the reasonable cost of any required labor, materials, or supplies, and for any damage. Such use shall not interfere with the primary educational use of such facilities or equipment. District facilities and equipment shall not be used or made available for political campaigns.
3. **Communications.** The Association may post signed notices of its activities on the school bulletin boards in the teachers' lounges. Signed communications of the foregoing nature may be sent by the Association through the District's direct mail service, through electronic mail, or placed in teacher mail boxes.

4. **Board Communications.** Copies of the agenda for official meetings (regular or special) of the Board of Education, as well as the proposed meeting minutes and the draft treasurer's report will be sent by electronic mail to the Association President prior to the stated meeting. A copy of the proposed budget and budget comparison will also be provided to the Association President when those documents are made available to the Board.

**Section B: Non-Discrimination.** The Association agrees that it will not discriminate against any teacher in the bargaining unit by reason of sex, race, religion, marital status, age, or national origin and that any teacher who has paid an agency service fee shall be entitled to participate in all of the activities of the Association relating to the negotiation and administration of this Agreement to the same extent as a member of the Association.

**Section C: Association Responsibilities.** The Association, having been recognized as the exclusive bargaining agent for the teachers, agrees that:

1. During the term of the Agreement, it will cooperate with the Board in enforcing the work standards, schedules, rules, and regulations of the Board and will not, directly or indirectly, encourage or cause any concerted work stoppage, slowdown, strike, or other interference with the day-to-day operations of the school or the educational opportunities afforded its students.
2. No Association activities, except those specifically authorized by this Agreement, shall be allowed to interfere with or interrupt the day-to-day educational processes of the Board.

## **ARTICLE 6 TEACHER RIGHTS AND RESPONSIBILITIES**

**Section A: Teacher Rights.** Each teacher shall have, in addition to all other rights expressly set forth in this Agreement provided by law, the following rights.

**Section B: Evaluation.** It is the right and the responsibility of the administrative staff to evaluate the performance of teachers and non-teaching professional staff employee(s) and to visit classrooms and worksites for purposes of evaluating and promoting the educational program. The Board shall adopt a performance evaluation system for the evaluation of its teachers and non-teaching professional staff employee(s). The evaluation system for non-teaching professional staff employee(s) shall conform with the following guidelines:

1. Formal evaluations shall be conducted openly and with the full knowledge of the non-teaching professional staff employee.
2. Prior to its becoming a part of the permanent record, a copy of each completed evaluation shall be furnished each non-teaching professional staff employee and the non-teaching professional staff employee shall attach a written statement to it setting forth any exceptions or other comments concerning it.

3. Probationary non-teaching professional staff employees shall be formally evaluated at least twice during each school year.
4. The Board may provide for such additional evaluations for non-teaching professional staff employees as it shall determine to be necessary for the proper conduct of the educational program
5. The Board and the Association recognize that the ability of students to progress and mature academically is a combined result of school, home, economic, and social environment and that teachers alone cannot be held accountable for all aspects of the academic achievement of the student in the classroom. All elements of the school community, including students, teachers, parents, administrators, and the Board of Education must accept responsibility for the segments of education over which they exert an influence.
6. Test results of academic progress of students shall not be the sole criteria in evaluation of the quality of a non-teaching professional staff employee's service or fitness for retention

**Section C: Personnel File.** The Board shall cause an official personnel file to be established and maintained for each teacher in accordance with the following guidelines:

1. A teacher shall have the right, upon reasonable prior request, to review the contents of his/her personnel file. A representative of the Association may accompany the teacher at the request of the teacher. The file shall be reviewed in the presence of an administrator responsible for the safekeeping of the file.
2. A teacher shall be given written notice of the intention to insert any materials in the personnel file which adversely reflect on the character of the teacher's professional services. The teacher will be sent a copy of said materials.
3. Within five (5) days following notice of the intention to insert adverse material, a teacher may request a meeting with the administrator or administrators responsible for such material. Prior to the meeting, the teacher shall be furnished a copy of the material for review. If the objectionable material is not withdrawn or modified in a manner satisfactory to the teacher and the Board, the teacher shall have the right within ten (10) days following the conclusion of the conference to have inserted in the personnel file a statement concerning such material.

**Section D: Damage Reimbursement.** The Board will reimburse a teacher to the extent provided by law for any uninsured loss, damage or destruction of the personal property of the teacher which arose out of the performance of the teacher's professional duties, expressly excepting any loss, damage, or destruction which may have resulted from the misconduct or negligence of such teacher.

**Section E: Compensable Injury.** If a teacher receives worker's compensation, the Employer will provide such fringe benefits as are regularly due the employee for a period of up to ninety (90)

days following the injury.

## **Section F: Professional Standards.**

1. **Standards.** The parties recognize that the certification of a teacher and his/her contractual agreement constitute a continuing representation by the teacher that he/she is highly qualified to be entrusted with the responsibility for the education of students. Although the parties acknowledge the difficulty of completely and precisely defining the minimum acceptable professional standards for each teacher, it is recognized that they include at least the following:
  - a. **General Competence.** A teacher shall maintain such level of professional competence as may be required to adequately discharge his/her professional responsibilities which are within the scope of his/her certification.
  - b. **Preparation for Professional Assignments.** A teacher shall adequately prepare for the discharge of a professional assignment. Adequate preparation shall include the preparation of such materials as may be required by a substitute teacher.
  - c. **Performance of Professional Assignments.** The success of a teacher is measured by the progress of each student toward the realization of his/her potential as a worthy and effective citizen. It is therefore the responsibility of a teacher to work to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals. In fulfilling this obligation to the student, a teacher:
    - (1) Shall not without just cause restrain the student from independent action in his/her pursuit of learning, deny the student access to varying points of view nor deliberately suppress or distort subject matter for which the teacher bears responsibility, nor seek to impose upon the student his/her own opinions.
    - (2) Shall direct the instructional material to the assigned subject matter and not digress to matters which are not reasonably related.
    - (3) Shall maintain with the cooperation of the Administration such order and discipline during the conduct of instruction as shall be necessary to provide a suitable learning environment.
2. **Conferences.** A teacher shall be reasonably available for consultation with students, parents, members of the professional staff, and others.
3. **Student Evaluation.** Each student shall be fairly and impartially graded by the teacher in accordance with guidelines established from time to time by the Board for the grading of students.
4. **Rules and Regulations.** The responsibility of a teacher for the enforcement of the rules and regulations of the District is not limited to the teacher's classroom. A teacher shall

assist in the enforcement of such rules and regulations of the District as may be from time to time promulgated and shall comply with all applicable laws, regulations, policies and directives which are not contrary to law or to the terms of this Agreement.

**Section G: Professional Conduct.** A teacher shall:

1. Refrain from the use of his/her professional relationship with students for private advantage.
2. Maintain a professional demeanor in his/her relationship with students, parents, members of the professional staff, and the Board.
3. Accept no gratuities, gifts or favors that might impair, or appear to impair, his/her professional judgment nor offer any favor, service or thing of value to obtain special advantage.
4. Not knowingly withhold or misrepresent information concerning his/her professional qualifications and shall promptly notify the Administration of any physical or mental condition which may temporarily or permanently impair his/her ability to effectively discharge his/her professional responsibilities.

**Section H: Safety of Students.** A teacher or administrator shall make every reasonable effort to protect students from conditions harmful to learning, health, or safety. For such purpose, a teacher shall promptly notify the Administration of any defective condition in the physical facilities of the District which may reasonably cause injury or illness to persons or property.

**Section I: Just Cause Discipline for Non-teaching Professional Staff Employees.** No non-teaching professional staff employee shall be disciplined without just cause. The Board agrees to implement and follow progressive discipline for non-teaching professional staff employees only, which considers various factors, including but not limited to the nature and severity of the offense. In addition to verbal warning(s), progressive discipline will be followed non-teaching professional staff employees only except when the administrator determines that the incident warrants a more severe disciplinary consequence. Progressive discipline will be defined as: (a) reprimand(s), (b) suspension(s), and (c) discharge.

1. All disciplinary action for non-teaching professional staff employees shall be confirmed in writing under the signature of the administrator issuing the discipline. This section does not apply to a verbal warning, which is not considered to be disciplinary.
2. Upon the request of the affected non-teaching professional staff employee, the administrator issuing the discipline shall:
  - a. provide a copy of the written disciplinary action to the Association President;
  - b. meet with an Association Representative to discuss the disciplinary action.

## ARTICLE 7 PROTECTION OF TEACHERS

**Section A:** The Employer recognizes its responsibility to give support and assistance to teachers as to the maintenance of control and discipline in the classroom. The classroom teacher shall have the right to remove from class any student for disciplinary reasons pending disposition by the Building Principal or designee or Superintendent.

**Section B:** Discipline of student (s) may take place after an explanation is obtained from the teacher(s) and student(s) involved. After this discussion, the administrator's decision in the matter will be explained individually and privately to the parties involved, after which the opportunity will be made available for the parties involved to meet to further resolve the matter in an appropriate manner.

**Section C:** Whenever it appears to both the teacher and the Building Principal that a particular student requires the attention of special counselors, social workers, law enforcement personnel, physicians, or other professional persons, the Employer will take such action as may be necessary to relieve the teacher of responsibilities with respect to such student.

**Section D:** Any case of assault upon a teacher will be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall render assistance to the teacher in connection with the handling of the incident by law enforcement.

**Section E:** A teacher shall have the right to use only such physical force as may be necessary to take possession from any student of any dangerous weapon carried by him/her or as may be necessary to maintain proper discipline over the student.

**Section F:** If any teacher is complained against or sued by reason of disciplinary action taken by the teacher against a student while in the scope of his/her employment with the District, the Board will provide legal counsel and render necessary assistance to the teacher in his/her defense when requested in writing by the teacher. If a final decision issued by a court or administrative agency indicates teacher liability, all costs of assistance rendered pursuant to this paragraph and not covered by the insurance carrier shall be paid by the teacher.

**Section G:** Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher if it is determined that a teacher is not liable.

**Section H:** When there is a parent or student complaint against a teacher, the teacher will be notified as soon as practical as determined by the building administrator.

**ARTICLE 8**  
**PROFESSIONAL RELATIONS COMMITTEE**

**Section A: Purpose.** It is the objective of the parties:

1. To improve the communications between the Board and the teachers, and
2. To provide for appropriate participation by teachers in the development of recommendations for the consideration of the Board in all areas in which the teachers have a professional responsibility. There is therefore established an advisory committee to be known as the "Professional Relations Committee."

**Section B: Committee Composition.** The Association shall select an elementary teacher, a middle school teacher, and a high school teacher to serve as members of the Committee. The Board shall also appoint three (3) regular members, at least one (1) of whom shall be a member of the Board. Resource persons may participate on behalf of either party. The Superintendent and the Association President shall meet and work with the committee as ad hoc, non-voting members.

**Section C: Rules and Procedures.** The Committee shall establish its own rules and procedures provided that the Committee shall:

1. Meet periodically as requested during the school year and as needed during the summer months.
2. Designate a secretary, who need not be a member of the Committee. The secretary shall prepare minutes for each meeting and shall furnish a copy of such minutes to each member.
3. Designate a chairperson who shall be a teacher.
4. Make recommendations to the Board in writing if necessary. If the recommendations of the Committee are not unanimous, any member of the Committee dissenting from the views of the Committee shall have the right to attach to the recommendation of the Committee the recommendations of such member or members. Except as the Committee shall provide a longer time, the Board of Education shall make a determination in writing within eight (8) weeks from the receipt of the written recommendations.
5. The Committee may, from time to time, establish such subcommittees as it may deem appropriate provided that at least one member of the Advisory Committee shall be a member.

purpose of the formal conference shall be to seek a positive and constructive disposition of the claim and to avoid the necessity for further proceedings. Any mutual agreement as to the disposition of the claim shall be in writing. If the parties are unable to reach agreement, the Superintendent shall file a reply within ten (10) days after the completion of the formal conference.

The hearing shall be conducted in accordance with the following rules, namely:

Any claim which is not answered within the time specified shall be deemed to have been denied and the claim shall

automatically advance to the next claim level unless withdrawn.

**Section H: Place of Proceedings.** All proceedings, short of arbitration, shall be held on the Employer's premises. An arbitration hearing shall be held at a location selected by the arbitrator within Kalamazoo County and the cost of any facilities, if any, shall be shared equally by the parties.

## **ARTICLE 10 MISCELLANEOUS CONTRACT PROVISIONS**

1. Upon request of either party, representatives of the Board and the Association's bargaining committee will meet for the purpose of reviewing the administration of the Agreement, and to resolve problems that may arise. These meetings are not intended to bypass the grievance procedure, nor to re-negotiate the Agreement.

**Section A: Steps.** Teachers shall be paid in accordance with the above salary schedules for 2020-2021.

The *full monetary value of a step* as reflected in Schedule A of the parties' current collective bargaining agreement is granted retroactively to the beginning of the 2020-2021 school year for those eligible employees who moved steps at that time.

The differential on the retroactive application on steps and lanes will be paid on a lump-sum basis no later than the January 28, 2021 payroll.

This off-schedule payment will be made no later than thirty (30) days after District receipt of these funds.

**Section B: Reimbursement for Graduate School Course Credit Tuition.** After earning the requisite number of hours of college credit necessary for a Michigan professional teaching certificate, the District will reimburse a District teacher the then-current graduate credit hour course tuition cost charged by Western Michigan University, if all of the following criteria are met:

1. The graduate school course credit was earned while the teacher was under contract to the District.
2. The credit is for a graduate school course reasonably deemed by the Superintendent to enhance the teacher's professional qualifications.
3. The graduate school course credit has direct relevance to the teacher's assignment in the District or to another area within the endorsement(s) on the teacher's Michigan teaching certificate (or authorization/approval, as appropriate) and has received the Superintendent's prior written approval.
4. The teacher is able to demonstrate that the graduate school course credit is or will be integrated into the instruction delivered by the teacher in a meaningful way.

Evidence of obtaining the approved graduate school course credit or higher degree attainment must be received by the Superintendent's office on or before October 1 or January 15 of the year in which the credit was earned for remuneration or increased salary to be paid. Thereafter, the District shall immediately reimburse the teacher.

The reimbursement rate will be sixty percent (60%) for District teachers hired before February 1, 2014 and twenty-five percent (25%) for District teachers hired on or after February 1, 2014. The District's financial obligation for this reimbursement is limited to fifteen thousand dollars (\$15,000) per fiscal year (July 1 - June 30) and shall be paid in order of submission date.

Eligible employees who timely submitted proof of graduate coursework will move lanes as appropriate and retroactively to the beginning of the 2020-2021 school year or second semester, consistent with Schedule A of the parties' current collective bargaining agreement.

**Section C: MA+15.** Teachers who have successfully completed fifteen (15) college credits beyond a Master's degree (graduate level courses, equivalent SCECH, or college credits that meet the needs of the District) with the classes that began after July 1, 2008, will be compensated from the MA+15 salary lane providing evidence of approved credit attainment is received by the District on or before October 1 or January 15 for salary change second semester.

A District Review Committee will be established. The Committee will be comprised of two (2) Administrators, two (2) Board members, and three (3) Association Representatives, to be determined by the Association (no representative can be the employee whose classes are being reviewed). The Superintendent and the Association President may be ex-officio (non-voting) members. The task of the Committee will be to establish class eligibility criteria for MA+15 salary lane advancement and to review and make recommendations to the Superintendent for approval. All classes must be pre-approved by the Superintendent for reimbursement.

**Section D: Substitute Compensation.** Teachers substituting for another teacher shall be compensated at \$20 per hour.

## SCHEDULE "B" – EXTRA DUTY COMPENSATION

**Section A:** In addition to Schedule "A," other duties shall be compensated as described below.

Appearance of certain jobs on Schedule "B" does not make their existence mandatory. New positions shall be compensated at rates agreed upon by the Board and the Association.

No Schedule "B" shall be paid when the staff member completing such duties has an assigned class hour with similar responsibilities in the building's Master Schedule. Staff who are currently in such a position will be grandfathered in.
