**ARTICLE IV
PROFESSIONAL DUES OR FEES AND PAYROLL DEDUCTIONS**

A. DUES, DEDUCTIONS, AUTHORIZATIONS:

1. Each employee covered by the negotiated agreement between the Board and the Local Association shall, as a condition of employment, on or before thirty-one (31) days from the date of commencement of professional duties, join the Local Association or pay a service fee to the Association equivalent to the amount of dues uniformly required of the members of the GLEA/KCEA/MEA/NEA, less any amounts not permitted by law; provided, however, that the bargaining unit member may authorize payroll deduction for such fee. In the event that a bargaining unit member shall not pay such service fee directly to the Association or authorize payment through payroll deduction, the District shall, at the request of the Association, deduct the service fee from the bargaining unit member's salary and remit same to the Association under the procedure provided below.
2. The procedure in all cases of nonpayment of the service fee shall be as follows:
 - a. The Association shall notify the teacher of noncompliance by certified mail, return receipt requested. Said notice shall detail the noncompliance, and shall further advise the recipient that a request for wage deduction may be filed with the Board in the event compliance is not effected.
 - b. If the teacher fails to remit the service fee or authorize deduction for the same, the Association may request the Board to make such deduction pursuant to the opening paragraph above.
 - c. The Board, upon receipt of request for involuntary deduction, shall provide the teacher with the opportunity for a due process hearing limited to the question of whether or not the teacher has remitted the service fee to the Association or authorized payroll deduction for same.
3. Pursuant to Chicago Teachers' Union v Hudson, 106 S Ct 1066 (1986), the Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to Non-Association bargaining unit members. The remedies set forth in that Policy shall be exclusive and, unless and until such procedures (including any administrative or judicial review thereof) shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the

application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.

4. Due to certain requirements established in recent court decisions, the Association represents that the amount of the fee charged to non-members, along with other required information, may not be available and transmitted to nonmembers until mid school year (December, January, or February). Consequently, the parties agree that the procedures in this Article relating to the payment or nonpayment of the representation fee by nonmembers shall be activated within thirty (30) days following the Association's notification to nonmembers of the fee for that given year.
5. The Association shall indemnify and save the Board harmless against and from any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of action taken by the Board for the purpose of complying with the Association security/agency shop provision of this Article. The Association shall, when the Board is sued individually or jointly, make available competent legal counsel for such defense at the expense of the Association and the Michigan and National Education Association. The Association shall have the right to negotiate a settlement with any teacher whose wages have been subject to involuntary deduction under this Article.

B. GENERAL PROVISIONS:

1. Section A of this Article shall be effective for each school year of this Agreement and all sums payable hereunder shall be determined from the beginning of each school year. Persons becoming members of the collective bargaining unit during the course of any school year shall have their service fee prorated over the school year.
2. Authorization for dues deductions shall continue in effect unless revoked in writing between August 1 and August 31 of any school year. Pursuant to such authorization, the District shall deduct one-twentieth (1/20) of such dues from each regular salary check of the teacher for twenty consecutive pays, beginning in October. Deductions for teachers employed after the commencement of the school year and/or who begin dues or fee payments after October shall be prorated to complete payments no later than June of that school year.
3. The Association will certify at least annually to the District fifteen (15) days prior to the date of the first payroll deduction for professional fees or service fees, the amount of said professional fees or the amount of service fee to be deducted by the District, and that said service fee includes only those amounts permitted by the Agreement and by law. For notification of service or representation fee, see Article IV-A-4.

C. PAYROLL DEDUCTIONS:

Membership dues shall be made in twenty (20) deductions, the first two- (2) periods of each month beginning in October. Any interim dues increases will begin with the next payroll submitted to the bank and will be deducted in equal installments. The Board agrees to

promptly remit to the Local Association all monies so deducted, accompanied by a list of teachers from whom the deductions have been made.

D. REMITTANCE:

With respect to all sums deducted by the Board pursuant to authorization of the teacher, whether for membership dues or equivalent fee, the Board agrees promptly to remit to the Local Association that portion allocated to the Local Association and to remit balance for both the NEA and the MEA, to the Michigan Education Association, 1216 Kendale Blvd., Box 2573, East Lansing, MI 48823, accompanied by an alphabetical list of the teachers for whom such deductions have been made, categorizing them as to membership or non-membership in the Association and indicating any changes in personnel from the list previously furnished. The Local Association agrees to promptly advise the Board of all members of the Association in good standing and, from time to time, to furnish any other information needed by the Board to fulfill the provisions of this Article and not otherwise available to the Board.

E. OTHER DEDUCTIONS:

Upon appropriate written authorization from the teacher, the Board shall deduct from the salary of any teacher and make appropriate remittance for annuities, credit union, saving bonds, City Income Tax, United Fund, or any other plans or programs jointly approved by the Local Association and the Board. Before necessary office procedures are begun for any such deduction from a company other than those we presently have, a minimum of five (5) staff members must submit a request for this service.

F. DIRECT DEPOSIT:

Direct deposit of paychecks will be made available no later than the issue of the second paycheck in October 2001, with a limit of fifteen (15) banks, selected by the GLEA and GLSSA, being available for the direct deposit option, in addition to the Lake Michigan Credit Union.

Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be lowered whenever possible to meet the following optimum standards except in traditional large group instruction or experimental classes where the Association has agreed in writing to exceed these maxima:

	EXCESS MEMBERS ALLOWED	TOTAL
K - 2 (22 students)	3	25
3 - 5 (25 students)	3	28

B. CONTROVERSIAL ISSUES:

Training for effective citizenship in a democracy is accepted as one of the major purposes of the Godfrey-Lee Public Schools. The instructional program established to achieve this purpose demands free discussion of issues including discussion of those issues that may be considered controversial. Free discussion of controversial issues is the heart of the democratic process. Freedom of speech and the free access to information are among our most cherished American traditions.

For the Godfrey-Lee Public Schools controversial issues are defined in the terms of the rights of pupils rather than in the terms of the rights of teachers.

The study of controversial issues is objective and scholarly with a minimum emphasis on opinion. The teacher must approach controversial issues in the classroom in an impartial and unprejudiced manner and must refrain from using his/her classroom privileges and prestige to promote a partisan point of view. Good teaching of subjects containing controversial issues requires more skill than most other kinds of teaching and as far as possible, only teachers of broad experience and superior ability are to be assigned a subject in which a large body of the material involves controversy.

F. CONDUCTED OPENLY:

All monitoring or observation of the teacher's job performance shall be conducted openly.

G. PRE-OBSERVATION CONFERENCE:

Included in the report will be the teacher's areas of weakness with prescribed suggestions for change. A Principal should note improvement on a previously noted deficiency, provided the evaluator observes an improvement in that deficiency. A teacher who disagrees with an evaluation or recommendation may submit a written answer, which shall be attached to the evaluation.

I. FINAL EVALUATION:

A final written evaluation of the job performance of each teacher will be completed by the Administration. The evaluation will be reviewed by the Administration and the teacher. Upon completion of the review, both the Administrator and the teacher shall sign the evaluation. A copy will be given to the teacher and a copy will be placed in the Board's official personnel file of the teacher.

Any such disciplinary action, reprimand, or reduction in rank, compensation or advantage shall be subject to the professional grievance negotiation procedure herein set forth.

P. EVALUATION MODEL AND FORMS:

1. A committee shall be formed to review the current evaluation model, compare other models, and develop a new evaluation model that is based on a framework of standards for effective classroom teaching and which provides for individual development and professional growth.
2. The committee shall consist of three (3) administrators appointed by the Superintendent and three (3) teachers appointed by the Association. The committee shall be chaired by one of the administrators. The chairperson of the committee is charged with presenting the evaluation model(s) to the Board of Education by June 1, 2009.

**ARTICLE XIV
PROFESSIONAL BEHAVIOR**

A. RULES:

Teachers are expected to comply with reasonable rules, regulations, and directions from time to time adopted by the Board or its representatives which are not inconsistent with the provisions of this agreement, provided that a teacher may reasonably refuse to carry out an order which threatens physical safety or well-being or is professionally demeaning.

B. VIOLATIONS:

The Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher, reflect adversely upon the teaching profession and create undesirable conditions in the school building. The Board, in recognition of the concept of progressive correction, shall notify the teacher in writing of alleged delinquencies, indicate expected correction, and indicate a reasonable period for correction. Alleged breaches of discipline of the Code of Ethics of the education profession shall be promptly reported to the offending teacher and to the Local Association. The Local Association will use its best efforts to correct breaches of professional behavior by any teacher and, in appropriate cases, may institute proceedings against the offending teacher.

REORGANIZATION OF THE DISTRICT**

A. CONSOLIDATION:

This agreement shall be binding upon the Board and its successor personnel and upon any school district into which or with which this district shall be merged or combined, subject to the extent permitted by law. In the event that this district shall be combined with one or more

districts, the Board will use its best efforts to assure the continued recognition of the Association and the continued employment of its members in such consolidated district.

In the event of Annexation or Consolidation:

1. All teachers on tenure at the time of annexation shall be granted tenure by the absorbing Board.
2. All rights accrued by Godfrey-Lee teachers shall be assumed by the absorbing Board within the terms of the new Board's contract.
3. The Godfrey-Lee teachers will be absorbed and granted the appropriate salary step, degree level and other economic conditions (accumulated leave days) as they would have had in the Godfrey-Lee system based upon the contract of the new district.
4. Reassignment will meet the conditions of this contract. (Article VII, Section B)
5. All Godfrey-Lee teachers shall be employed by the absorbing district on the basis of seniority accrued.

B. LAYOFF - RECALL:

1. K-12 Layoff-Recall

In the event it becomes legitimately necessary to reduce the number of teachers through layoff of employment, the Board will follow the layoff procedure outlined below:

- a. The Board will consider the application of any teacher who voluntarily requests to be placed on layoff status.
- b. If reduction is still necessary, the probationary teacher with the least seniority (see Section C below) with the Board, will be laid off first, provided there is a fully qualified and certified (see Section D following) teacher to replace and perform all the needed duties of the laid off and/or existing positions.
- c. If reduction is still necessary, the procedure outlined in paragraph b above will be repeated until sufficient reduction is reached.
- d. If reduction is still necessary, the procedure outlined in paragraphs b & c above will be repeated with tenure teachers until sufficient reduction is reached.

2. Layoff-Recall for Alternative Education, Adult Education, Bilingual / ELS Education Programs.

Nothing in this Agreement shall prevent the Employer from reducing its teaching staff when conditions of workload, enrollment, program change, physical condition of facilities and premises or economics of the district shall so dictate. The Employer shall have the right to lay off when any of the above conditions exist and determine how long such conditions shall continue. In implementing reduction of staff, the following conditions shall prevail:

- a. As used in this paragraph, the term "Lay-Off" shall mean a reduction in the teaching staff of the district due to any of the causes mentioned above, or any other comparable cause which would dictate, in the course of sound management, a reduction in the teaching staff. Reduction in assignment hours shall not be considered as lay-off, however:
 1. Prior to the beginning of each semester reduction in assignment hours shall be applied to the least senior teachers certified in that classification.
 2. If scheduled classes are canceled after the tentative assignment date no bumping may occur. However, when a class opening or new position occurs for which a teacher, reduced in hours, is certified, he/she shall be offered the position. If more than one teacher is eligible to fill that position, the teacher with the most seniority will be given the position.
- b. Probationary teachers with the least seniority shall be laid off first. In the event teachers with tenure are to be laid-off, teachers shall be laid off starting with the least senior provided there is a fully qualified and certified teacher to replace and perform all the needed duties of the laid-off and/or existing positions.
- c. Positions in Alternative Education and Bilingual/ELS shall be considered whole positions.
- d. Teachers with tenure, who are laid off, shall be placed on a recall list and shall be recalled to open positions in their classification, for which they are certified and qualified. Teachers will be recalled in the order of their seniority.
- e. The Employer shall have no obligation to recall probationary teachers who have been laid off.
- f. Teachers on lay-off shall be responsible for keeping the Employer advised, in writing, of any change of address.
- g. Notice of recall shall be sent to the teacher at his/her last known address by registered or certified mail. If a teacher fails to respond to recall notice within five (5) working days from the date of mailing, he/she shall be considered as having voluntarily terminated his/her employment. When the

registered or certified mail is not received by the teacher being recalled, the Employer may skip over that teacher and recall the next most senior eligible teacher.

- h. In no case shall a new teacher be employed while there are reduced or laid-off teachers who are qualified for vacancies.
- i. Laid-off teachers shall, at their request, be placed on the Employer's substitute list.
- j. Teachers recalled to an assignment of equal or more hours for which they are qualified are obligated to take said work. A teacher recalled to a position with fewer hours than his/her previous position may reject that position without loss of recall rights. If a teacher accepts a position with fewer hours than his/her previous position, he/she will remain eligible for recall for those hours.

C. SENIORITY:

- 1. Seniority is defined as the total employment service with the Board; it shall be determined by the date of 1) Letter of Intent; 2) Individual Contract of Employment; or 3) Board Action, whichever of these three comes first.
- 2. Ties in seniority shall be broken by a drawing.
- 3. Employees who work under special programs, such as C.E.T.A. or Title I and who subsequently are hired as regular employees shall accumulate seniority from the original date of hire unless otherwise provided for by law.

- 5. Seniority will be accrued in the following separate classifications:
 - a. K-12 (Elementary, Middle School, High School) and Preschool
 - b. Alternative Education, Adult Education, Bilingual / ELS Education
- 6. Seniority for the former Southkent teachers in (b.) above will be September 9, 1996. Ties will be broken using their former Southkent Seniority with the higher senior (Southkent) teacher given the greater seniority.

1. For purposes of this article, the term “certified” shall refer to: all persons providing instruction at the elementary and secondary levels holding a certificate, permit or vocational authorization valid in the State of Michigan for the teaching assignment.
2. The above credentials must be approved by the State of Michigan agencies for which State Aid financial reimbursement is allowed or authorized by the Board's General Fund Budget, Special Programs or other financial resources.
3. Any teacher who has regularly performed services, in the position or discipline to be filled or continued, for the Board within the last three (3) years preceding the layoff, or:
 - a. Who has successfully completed six (6) semester hours of college credit or acquired a minor in that discipline during the year preceding the lay off or the summer prior to the new semester and, if still lacking minor,

F. ADDRESS:

Any teacher who is on layoff shall keep the Board informed of his/her current home address and telephone number.

G. RECALL:

H. REPORTING DATE:

Any teacher who is recalled and does not make himself or herself available for employment within ten (10) working days of written receipt of notice, or on a later date mutually agreed upon by the Board and the teacher, shall be considered and treated as a voluntary termination of employment from the Board by the teacher.

I. CONTINUOUS LAYOFF:

A teacher on continuous layoff for two (2) years or more shall be eligible for recall rights under this Agreement as provided under the provisions of the Michigan Teacher Tenure Act. The teacher has the responsibility of informing the Board of Education of their current address each year.

J. NOTICE:

1. K-12

The teacher who is to be laid off shall be given written notification of such action and an opportunity for a meeting with the Superintendent at least forty-five (45) days before the layoff will occur.

If a bargaining unit member is laid off before the last teacher work day of the school year, said unit member's health benefits shall continue to remain in effect without cost to the member to the extent available through the contracted insurance agent for the duration of the school year.

2. Reductions in the Alternative Education, Adult Education, Bilingual / ELS Education Staff may occur due to changes in enrollments, programs and economics.

C. In the event either the Association or any teacher(s), or both, violate the intent of this Article, the Association shall be held liable for any and all damages and/or expenses incurred or suffered by the Board. **ARTICLE XXI
STUDENT DISCIPLINE AND TEACHER PROTECTION**

A. RESPONSIBILITY:

The Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board may take reasonable steps to relieve the teacher of responsibilities with respect to such pupil.

B. INTEREST:

It is recognized that discipline problems are less likely to occur in classes where a high level of student interest is maintained. It is likewise recognized that when discipline problems occur, they may most constructively be dealt with by encouragement, praise and emphasis upon the child's desirable characteristics. A teacher may use such force as is necessary to protect himself/herself from attack or to prevent injury to another student.

C. EXCLUSION:

A teacher may exclude a pupil from one class when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his/her teaching obligations will allow, full particulars of the incident in writing. Students sent to the office are to be accompanied to the office.

D. ASSAULT:

Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall promptly render all reasonable assistance to the teacher in connection with the handling of the incident by law enforcement and judicial authorities.

E. LEGAL COUNSEL:

If any teacher is complained against or sued as a result of any action taken by the teacher while in pursuit of his/her employment, the Board will provide legal counsel and render all necessary assistance to the teacher in his/her defense.

F. TIME LOST:

The Board reserves the right to pay the teacher for time lost on a case-to-case basis in connection with any incident in this article.

G. LOSS OF PERSONAL PROPERTY:

In the event of an altercation between a student and a teacher on duty in the school or on the school premises in which the teacher has acted according to stated Board policies covering the situation, the Board will reimburse the teacher for any loss or damage of the teacher's personal property. If the teacher is injured in such an altercation, approved medical and hospital expenses incurred during the following twelve (12) months which are not covered by Worker's Compensation or hospitalization insurance will be reimbursed by the Board.

H. COMPLAINTS FROM PARENTS:

No action shall be taken upon any complaint by the parent of a student directed towards the teacher, unless that complaint is in writing, and signed by the parent. Nor shall notice thereof be included in said teacher's personnel file, unless a copy of the information is provided to the teacher concerned. The teacher shall also be provided the opportunity to meet with the parent concerned.

I. EXPULSION:

Corporal punishment, expulsion and suspension procedures will follow the adopted Board Policies and the legal interpretation of the courts for the State of Michigan and the U.S. Supreme Court.

Teachers will receive copies of the Board policies and the legal interpretation of the courts of the State of Michigan and the U.S. Supreme Court.

**ARTICLE XXII
INSTRUCTIONAL POLICIES COUNCIL**

A. COUNCIL:

There is hereby established a joint Instructional Policies council consisting of three (3) teachers appointed by the Local Association and three (3) administrators. The teachers shall include one (1) from the high school, one (1) from the middle school, and one (1) from the elementary schools.

The council shall meet after school hours as necessary during the regular school year and advise the School Improvement Team on such matters as teaching techniques, courses of study, textbooks, pupil testing and evaluation, criteria for student promotion, philosophy and educational goals of the district, research and experimentation, educational specifications for buildings and related matters.

The Board shall provide secretarial assistance to the Council not to extend beyond 5:00 P.M. on a given day.

B. HOURS:

For the purpose of this Article, the times (work hours) stated in Article V are not in effect.

**ARTICLE XXIII
PROFESSIONAL GRIEVANCE PROCEDURE**

A. AGENT:

Any teacher, group of teachers, or the Association believing that there has been a violation, misinterpretation or misapplication of any provisions of this Agreement relating to wages, hours, terms of conditions of employment, may file a written grievance with the Board or its designated representative. The KCEA designates the Local Association President or his/her designee as the agent responsible for processing grievances.

B. THE PROCEDURE GOVERNING GRIEVANCES:

Will be as follows:

1. Definitions:

- a. A grievance is a claim by a teacher(s) that there has been an alleged violation of the Agreement. All such grievances shall be processed as hereinafter provided.
- b. An “aggrieved teacher” is the person or persons who are affected by the claim, hereinafter called the aggrieved.
- c. The term “teacher” includes any individual or group who is employed in a position, (see Article I, Section B) represented by the Association.
- d. A “party of interest” is the person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.
- e. The term “days” shall mean school days.

2. Purpose:

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed as limiting the right of any teacher with a grievance to discuss the matter informally with any appropriate member of the administration.

3. Structure:

The Local Association shall establish a Professional Problems Committee which shall be broadly representative and which shall serve as the Local Association grievance committee. In the event that any Local Association representative or any member of the Professional Problems Committee is a party in interest to any

grievance, he/she shall disqualify himself/herself and a substitute shall be named by the Local Association.

4. Procedure:

The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. All grievances, support of grievances, answers, and decisions shall be in writing beginning with Level II, and must be submitted on the Grievance Form. The Grievance Report Form shall be available in the following places: Superintendent's office, High School Principal's office, Elementary Principal's office, Community Ed office, Local Association President's office and Middle School Office.

All grievances must follow the steps described in this agreement starting with level one (I) and ending with level (V), with the exception of class or group grievances which have their own procedures (see Section C on Class or Group Grievances). In the event that there is a failure to appeal a decision at any level within the specified time lines, said failure shall be deemed an acceptance of the decision at that level and further proceeding of the case shall be prohibited.

The teacher has at his/her disposal three (3) procedures for handling his/her grievance: 1) he/she may proceed to process the grievance by himself/herself, 2) with the Association agent, 3) he/she may elect to have the Association agent confer for him/her.

a. Level One - Oral - Immediate Supervisor:

The aggrieved believing that there has been a violation shall within ten (10) school days of the alleged occurrence of the grievance, orally discuss the grievance with the Building Principal and the representative of the Local Association in an attempt to resolve the matter. If no resolution is obtained following the discussion, the grievance will continue in accordance with Level Two, on the Grievance form as shown in the Appendix. An oral grievance must contain the following:

1. A synopsis of the facts giving rise to the alleged violation.
2. Specific sections or subsections of the contract alleged to have been violated.
3. Specific relief requested.

b. Level Two - Written - Immediate Supervisor:

Any written grievance filed by the aggrieved must be received within twenty (20) school days from the alleged violation and no later than ten (10) days after the Level I meeting. The Board hereby designates for its representatives for such purposes, the Principal in each school building and the program administrator for programs not having a principal. Within five (5) school days of the receipt of the grievance, the grievant

and/or local association representative shall meet with the building principal or program administrator in an effort to resolve the grievance.

The written grievance must include:

1. The signature of the Association President or Grievance Chair.
2. A synopsis of the facts giving rise to the alleged violation.
3. Specific sections or subsections of the contract alleged to have been violated.
4. Specific relief requested.

The aggrieved shall be present at each level of the grievance procedure unless it is mutually agreed between the Local Association President and the Board representative that the aggrieved shall not be present.

Within five (5) days of the meeting at Level II, the employer will respond in writing to the Association. If the response is not agreeable, the grievance moves to Level III.

c. Level Three - Superintendent:

Any grievance at Level III must be received by the Superintendent within five (5) days of the Level II response on the grievance form. The Superintendent shall respond to the grievant within five (5) days of receipt at Level III on the grievance form. If the Level III response is still not satisfactory to the association, they must request the grievance move to Level IV.

d. Level Four - Board:

The Superintendent must receive the request to move to Level IV within five (5) days of the date of the Level III response. The Association's request to move to Level IV must be received at least five (5) days prior to the next Regular Board meeting in order to be considered at that meeting. When the Board considers the grievance it may:

1. Hold a hearing, or
2. Designate one or more members to hold a hearing, or
3. Otherwise investigate the grievance or prescribe such procedure as it may deem appropriate for consideration of the grievance.

Final Board level response must be within ten (10) days of the Board meeting at which the grievance was heard unless an extension is mutually agreed upon.

e. Level Five - Arbitration:

If the decision of the Board is not satisfactory to the Association, the grievance may be submitted to arbitration. If submitted, it must be done within twenty (20) school days of the date of the Board level response. The arbitrator shall be selected by the American Arbitration Association in accord with its rules, which shall likewise govern the Arbitration hearing. The Board and Association shall not be permitted to assert in such Arbitration proceedings, any grounds or to rely on any evidence not previously disclosed to the Board and to the Association. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. Both parties agree that judgment thereon may be entered in any court of competent jurisdiction where such award does not conflict with or deny the powers and duties of the Board granted by Legislative Act.

C. CLASS OR GROUP GRIEVANCES:

1. Definition:

Class or Group Grievances arising from the same issue involving multiple supervisors or multiple buildings may begin at Level III with the Superintendent. A grievance involving an individual may also be filed at this level when the Executive Board of the Association agrees that the perceived violation occurred as a result of a written or oral communication from the Superintendent. In any event, actions resulting in written or oral communications from the Principal or direct supervisor can not be initiated at the Superintendent Level.

2. Structure:

The President or Grievance Chair of the Association may initiate a class or group grievance by notifying the Superintendent of the need to meet to discuss the perceived violation.

3. Procedure:

Class or group grievances will follow the steps and time lines specific to them, beginning at the Superintendent level. In the event that there is a failure to appeal a decision at any level within the specified time lines, said failure shall be deemed an acceptance of the decision at that level and further proceeding of the case shall be prohibited.

a. Level One - Oral - Superintendent

The Association President or Grievance Chair must meet with the Superintendent or designee within five (5) days of the perceived contract violation in an effort to resolve the problem.

The oral discussion must include:

1. A synopsis of the facts giving rise to the alleged violation.

2. Specific sections or subsections of the contract alleged to have been violated.
3. Specific relief requested.

If no resolution is obtained following the discussion, the grievance will continue in accordance with Level II on the grievance form shown in the appendix.

b. Level Two - Written - Superintendent

Any written grievance filed by the Association must be received by the Superintendent within ten (10) school days from the alleged violation. The written grievance must include:

1. The signature of the Association President or Grievance Chair.
2. A synopsis of the facts giving rise to the alleged violation.
3. Specific sections or subsections of the contract alleged to have been violated.
4. Specific relief requested.

The Superintendent shall respond to the Association within ten (10) days of the receipt of the written grievance form. If the response at this level is not satisfactory, the Association may request the grievance move to the next level.

c. Level Three - Board

The Superintendent must receive the request to move to Level III within five (5) days of the date of the Level II response. The Association request to move to Level III must be received at least five (5) days prior to the next regular Board meeting in order to be considered at that meeting. When the Board considers the grievance it may:

1. Hold a hearing, or
2. Designate one or more members to hold a hearing, or
3. Otherwise investigate the grievance or prescribe such procedure as it may deem appropriate for consideration of the grievance.

Final Board level response must be within ten (10) days of the Board meeting in which the grievance was heard unless an extension is mutually agreed upon.

d. Level Four - Arbitration

If the decision of the Board is not satisfactory to the Association, the grievance may be submitted to arbitration. If submitted, it must be done within twenty (20) school days of the date of the Board level response. The arbitrator shall be selected by the American Arbitration Association in

accord with its rules, which shall likewise govern the Arbitration hearing. The Board and Association shall not be permitted to assert in such Arbitration proceedings, any grounds or to rely on any evidence not previously disclosed to the Board and to the Association. The arbitrator shall have no power to alter, add to, or subtract from the terms of the Agreement. Both parties agree that judgment thereon may be entered in any court of competent jurisdiction where such award does not conflict with or deny the powers and duties of the Board granted by Legislative Act.

D. AUTHORITY:

If any aggrieved for whom a grievance is sustained shall be found to have been improperly reprimanded, improperly deprived of a position or unjustly discharged, the arbitrator will have authority to reinstate the teacher with full reimbursement for all lost compensation. The costs of any arbitration under this Article shall be shared equally by the Board and the Association.

E. OTHER REMEDIES:

It is expressly understood that the grievance procedure shall not apply to those matters for which statute authorizes specific remedy, such as Tenure Teacher dismissal.

F. TIME LIMITS:

It is understood that the time limits are maximum and can be extended with the written mutual consent of both parties. Both parties should be encouraged to process a grievance as rapidly as possible and within the limits and procedure as set forth herein.

G. MAY 1:

In the event a grievance is filed after May 1 of any year and strict adherence to the time limits may result in hardship of any party, the Superintendent shall use his/her best efforts to process such grievances prior to the end of the school term or as soon thereafter as possible. If the grievance is processed to arbitration, upon mutual agreement, the grievance may be submitted to expedited arbitration under the rules of the American Arbitration Association.

H. MISCELLANEOUS:

1. A grievance may be withdrawn at any level at any time.
2. No reprisals of any kind shall be taken by either party against anyone for participating in the grievance procedure by reason of such participation.
3. The arbitrator shall have no power to order the following:
 - a. Re-employment of any probationary teacher.

4. Non-tenure teachers shall be allowed a Board level hearing in cases of non re-employment.

ARTICLE XXIV NEGOTIATION PROCEDURE

A. DISCUSSIONS:

It is contemplated that matters not specifically covered by this Agreement but of common concern to the Parties shall be subject to professional discussions between them from time to time during the period of this Agreement upon request by either party to the other. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information, and otherwise constructively considering and resolving any such matters.

B. SALARY SCHEDULES:

The Salary Schedule set forth in Appendixes B, B1, and B2, as hereto attached shall be in effect for the duration of this contract. At least sixty (60) days prior to the expiration of this Agreement, the parties will likewise begin negotiations for the new Agreement covering wages, hours, terms and conditions of employment of teachers employed by the Board.

In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representative of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the teachers and by a majority of the Board, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining subject only to such ultimate ratification.

ARTICLE XXV PART-TIME CONTRACTS

A. TIME OF DAY ALLOWED TO LEAVE:

Part-time teachers may leave upon completion of their last class providing they do not have commitments such as parent-teacher conferences, student appointments or other necessary meetings. If faculty meetings conflict with their daily schedule, the part time teacher is responsible for meeting with the Administration so that the purpose and information concerning the faculty meeting can be imparted.

Part-time teachers are expected to comply with Article VI, Section K as it applies to their individual position.

B. CONDITIONS OF CONTRACT:

Any contract for a part-time teacher shall be subject to all conditions of this contract. Nothing in this Article is intended to limit any other rights granted in this contract.

C. LEAVE DAYS:

Each part-time teacher will be credited each year with fifteen (15) days (Prorated at their contracted work day) with pay. Days accumulated while a part-time teacher will be converted to full-time equivalence (F.T.E.) at the end of the year. For hourly staff, a day is considered the regular hours scheduled for that day.

D. OTHER:

Any contract for a teacher initially hired as a part-time teacher shall be subject to all conditions of this contract with all benefits to the extent permitted by the terms of the applicable insurance policies or other fringe benefits setting forth conditions of eligibility in those programs, leave days, etc., prorated according to the part of the day taught. If this part-time position is not renewed and/or not needed, the teacher will be offered a full-time position in an area for which the teacher is qualified or certified, such an offer to be made when an opening becomes available because of a teacher leaving the district for other reasons that lead to a vacancy which the Board chooses to fill. For employment purposes, seniority, certification, and qualifications are defined in Article XVII. This does not apply to Alternative Education, Adult Education, and Bilingual Education teachers.

E. SALARY:

Salary will be determined on a pro-rated basis based upon the actual part of the workday taught.

F. BENEFITS:

In the event that a full-time teacher is requested to accept a part-time contract for the subsequent school year, full fringe benefits will be paid by the Board until such time as a full-time position becomes available for that teacher. These benefits will be full to the extent available through the contracted insurance agents.

**ARTICLE XXVI:

This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in written and signed amendment to this Agreement.

B. INDIVIDUAL CONTRACT:

Any individual contract between the Board and an individual teacher, heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement. Any individual contract hereafter executed shall be in the form provided by the Board of Education and shall be expressly made subject to and consistent with the terms of this or subsequent agreements to be executed by the parties. D. CONTRARY TO LAW:

If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effort.

E. BOARD MINUTES:

The Association shall be supplied with a copy of all Board Minutes.

F. PAY OPTIONS:

All individual contracts will be subject to a pay option plan. Contractual salaries will be divided by twenty-one (21) or twenty-six (26) pays as requested by the employee on forms provided by the Administration. Teachers must select twenty-one (21) or twenty-six (26) pays no later than June 30th of the preceding school year in order to avoid additional taxes per IRS Section 409A. This election must be irrevocable for that school year. This election will remain in place for subsequent years unless the employee elects a change. If no election is made or it is not made on time, the employee will be paid over twenty-one (21) pays.

Job Sharing

Job sharing shall refer to two (2) bargaining unit members sharing one (1) full-time position.

A. PURPOSE

Two bargaining unit members may, at their request, pair up for the purpose of sharing one teaching assignment. This voluntary pairing shall not occur if the pairing results in the involuntary layoff or involuntary transfer of a full-time teacher. It shall not occur if it prevents the recall of a laid off teacher. The application for Job Sharing shall be approved or disapproved in writing by the District within thirty (30) days of the application. In the event a request is denied, the reasons shall be set forth in writing, and the applicants shall be given the opportunity to revise and/or modify their application. The final decision rests with the District.

B. APPLICATION

The teachers shall notify the District and the Association by March 1 of each year explaining their working arrangement and indicating their desire to job share for the following school year. The plan shall include the specific work schedule for each job share, including classroom responsibilities. Once the teachers have submitted their plan, they may not deviate from it unless the teachers and the District agree.

C. PAIRING

The teachers who have jointly agreed to work together must be certified and qualified for the job they will share. The job sharing arrangement shall be for one (1) year. Job sharing teachers who wish to continue job sharing for additional years shall reapply each year as specified under Paragraphs A and B. There shall be a limit of two (2) job share partnerships per year within the District. Existing job share partnerships shall have first right of renewal prior to the establishment of new partnerships.

D. RESPONSIBILITIES

Both job sharers shall each be required to participate in parent teacher conferences, professional development days and open houses to the same extent as full-time teachers. Each job share teacher shall receive two (2) full compensation days for participation in said responsibilities.

E. COMPENSATION

Compensation shall be determined by each teacher's step and column of the salary schedule, prorated for the amount of time worked. Each teacher will gain one full year of seniority and will move up one full step on the salary schedule for each year worked at the job sharing position.

F. BENEFITS

Sick leave and personal leave shall be granted on a prorated basis. Fringe benefits shall be provided in accordance with the Master Agreement.

G. SUBSTITUTING

In the event one of the teachers is absent, the other teacher will have the first opportunity to substitute for the absent teacher. For daily substitute work, the other job sharer shall be paid at the per diem substitute rate (prorated for the portion of time substituting).

H. MID-YEAR VACANCY

Neither participant in a job sharing position may exercise seniority rights to displace the other participant from a portion of the assignment during the school year. In the event one of the job sharing teachers leaves the employment of the District during the course of the school year, the other teacher shall automatically assume full-time status in the position being shared for the remainder of the school year. This provision may be waived upon the written approval of the District.

I. DISCONTINUING JOB SHARING

At the conclusion of a job sharing assignment, if either the District or the job sharers elect to discontinue job sharing for the following school year, each teacher will have the right to return to full-time status in accordance with Article VII of the Master Agreement, provided either and/or both job-sharers have previously held a full-time assignment.
