Hello-

Willie and I finalized the TA through phone calls and the email below, so there is no paper form of a signed TA. Please let me know if this suffices, or I can type something up and have Willie sign it.

You are absolutely correct... sorry, I missed that! Thanks for the update and I will notify them to move forward with their Board meeting tomorrow. Thanks!

If we could add the \$100 merit pay, I would agree.
The KCEA ratified at 6:00pm last night and the Kent City EA ratified today at 11:00am.

Wage and Step freeze on 2010 salary schedule
15% contribution toward insurance
Move to 200/400 deductible with RX saver

If district moves forward with a certified classroom aide pilot, the parties agree to meet to discuss the impact on staff.

I think this captures it... Let me know if I missed anything. I left you a phone message as well, but the district is scheduled to hold a special board meeting tomorrow at 6:00 pending the association ratification passing. Please let me know if this timeline meshes with yours. Thanks.
