1. Bus Driver

The term "bus driver" when used hereinafter in this Agreement shall refer to both part-time and full-time bus drivers represented by the Association in the bargaining or negotiating unit as above defined.

2. Board

The term "Board" shall include its officers and agents.

B. Exclusive Right

The Board agrees not to negotiate with any organization other than the one designated as the representative pursuant to Act 379, Public Acts of 1965, as amended, for the duration of this Agreement.

1. Negotiations

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or any matter not removed by law from the areas of collective bargaining and that the understandings and agreements arrived at by both parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association for the life of this Agreement voluntarily and unqualifiedly waive the right and each agrees that the other shall not be obliged to bargain collectively with respect to any subject or matter referred to or covered by this Agreement and with respect to any subject or matter which was negotiated but no agreement was reached. Matters of common concern may be subject to negotiation during the period of this Agreement upon request and a mutual agreement of both parties.

ARTICE II
EMPLOYEE RIGHTS

A. Law Pertaining to Negotiation

The Board and the Association agree to abide by Act 379 of the Public Acts of 1965, as amended, and to all the applicable laws and statutes pertaining to employee rights and responsibilities.

B. Access to Board Information

The Board agrees to make available to the Association information requested (as current as possible) concerning transportation budgets, allocations, and future plans concerning budgets and any such public information as will assist the Association to process any grievance, complaint, or for negotiations.

C. Use of School Facilities

The Association shall have the right to use school buildings at all reasonable hours for meetings, providing a facility use form has been completed and approved. Last-minute requests will be handled on an individual basis by the Superintendent or his/her designee. Such facilities shall not be used for political campaign purposes or other local ballot issues. Designated bulletin boards, telephones, and employee mailboxes shall be available for the Association's use for posting or placement of materials of the Association by the Association.

D. Agency Shop

a. Annual Dues and Deductions

On or before the 30th of September of each year, the Association shall notify the Payroll Office of the amount of annual dues payable by its members and the service fee amount payable by non-members pursuant to Section 10(1) (c) and (2) of the Public Employment Relations Act. The Board shall thereupon deduct such amounts in twenty (20) equal installments, as nearly as may be, from the paychecks of all employees who have of that date, authorized such deductions. The Board shall promptly remit such amounts to the local Association treasurer, with a listing of the employee deductions.

b. Enforcement of Payment

Any employee who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days from the first day of active employment shall, as a condition of employment, pay a service fee to the Association; provided, however, that the employee may authorize payroll deduction for such fee in the same manner as provided above. - c. Notice of Non-Compliance to Employees
The Association in all cases of violation of this article shall notify the employee of noncompliance. Said notice shall detail the noncompliance and shall provide ten (10) days for compliance and shall further advise the recipient that a request for deduction of a service fee may be filed with the Board in the event compliance is not effected.

 - (4) The Association, after consultation with the Board, has the right to decide whether or not to appeal the decision of any court or other tribunal regarding the validity of the section or the defense, which may be assessed against the Board by any court or tribunal.

ARTICLE III BOARD RIGHTS

A. Rights of the Board of Education

The Board of Education, on its own behalf and on behalf of the electors of the School district, hereby retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the constitution of the State of Michigan, and of the United States, including, but without limiting, the generality of the foregoing, the right:

1. To the executive management and administrative control of the school system and its employees, properties, and facilities.
2. To hire all employees and, subject to the provisions of the law, to determine his/her qualifications, classification for position and salary, conditions of his/her dismissal or demotion, and to promote and transfer all such employees.
3. To exercise the foregoing powers, rights, authorities, duties, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the laws of the State of Michigan, the Constitution and laws of the United States.
4. The Board of Education hereby recognizes the Lowell Area Employees

Association as the exclusive bargaining representative as defined in applicable Michigan statutes for bus driving personnel, but excluding all supervisory and office personnel.

5. The Board of Education agrees not to negotiate with any employee organization other than the employees represented by the Lowell Area Employees Association.

ARTICLE IV **SENIORITY**

A. Seniority List

There shall be a seniority list maintained for bus drivers establishing the effective date of the employee's most recent date of employment on a regular basis (driving at least ten (10) hours per week). "Employment" means the first day of work on a regular route qualifying for seniority. Seniority lists shall be maintained by the personnel office for drivers and updated annually by September 30 of each year.

B. New Employees

All new drivers shall be considered probationary employees for thirty (30) work days. Drivers benefits will start to accumulate after successful completion of the probationary period. During the probationary period, the employee shall be assigned at the discretion of the Transportation Supervisor.

C. Substitute Employees

A list of substitute drivers shall be maintained by the transportation department. Substitute employees are not eligible for seniority, nor covered under this master agreement.

D. Maintaining Seniority

1. A driver shall be considered a regular driver and maintain his/her seniority as long as he/she is available for his/her regular scheduled driving assignment. Frequent absences (as defined by the Excessive Absence Guidelines) may result in disciplinary action and a loss of full time status. A driver shall not accrue seniority during substitute driving status, but shall retain previously accrued seniority upon return to regular driving status.
2. Employees shall maintain seniority when injured on the job. For extended injuries and/or prolonged absence, the employer may request the employee visit a doctor of the employer's choice to determine readiness to return to work or for an alternative assignment during the injury related disability. For extended job related injuries, the employee shall maintain seniority for one year from the date of injury.

3. The employee shall accrue seniority during approved sick leave of six months or less. Thereafter, the employee shall not accumulate seniority but shall retain previously accrued seniority. If the employee is unable to work after one full year of approved medical leave, they will be dropped from the seniority list. If the employee returns in subsequent years after a medical leave, the return to work date will be his/her seniority date.
4. Termination of employment, either through resignation or firing, shall result in termination of seniority. A driver who requests to have their hours reduced to less than 10 hours per week, or to relinquish all hours to be on sub status shall forfeit all seniority.

E. Vacancy

1. Seniority prevails when a position is vacated during the year. Open routes are available to all drivers on a seniority basis.
2. Regular routes, once bid, will remain that driver's route for one school year. If a route is terminated during the school year, the driver will have the right to bid back in at his/her seniority level.
3. For the first three weeks of the school year, drivers will drive his/her previous year's route. Prior to the bid date, the driver shall prepare specific directions and instructions for that route. Route times will be established, using drivers' time cards. When routes are bid, and there is a change in driver, the driver vacating the route shall be required to introduce the new driver to the students, unless distance between schools prevents it. The transportation office will prepare a letter introducing the parents to the new driver. Drivers must maintain a professional attitude during this transition.

After this initial bidding, the only time a route will be bid again is if a driver leaves the route.

4. Any new or additional runs (KCTC, KTC, or mid-day run) will be filled by seniority, through the bidding process and approved by the Transportation Supervisor. A new list of times will be sent to the payroll office.
5. All new non-driving positions lasting more than a month generated in the transportation department will be posted to the Association membership for 3 working days or membership will be notified in the summer by telephone by administration, to the best of their ability. Selection to these positions shall be at the discretion of the Transportation Supervisor who shall give consideration to the applicants' qualifications and seniority.

6. Mid-day runs, if any, shall be bid at the beginning of the year, and at the beginning of each trimester during the year if a mid-day run is dropped or added in the prior trimester (excludes time adjustments to an existing mid-day run). Drivers must have their attendance in good standing (as defined by the Excessive Absence Guidelines) in order to bid on mid-day runs.
7. Short-term work, specific to the transportation department (excluding office and certified mechanical duties), shall be offered to Association members, based on seniority and qualifications, when sufficient time of notification exists. This additional short-term work will be created at the discretion of the Transportation Supervisor and shall not be offered to members if it will interfere or disrupt the member's regularly scheduled duties.

F. Lay Off and Recall

1. Voluntary Reduction in Forces
Layoff shall be defined as necessary reduction in the work force. Prior to engaging in a layoff, the Board shall attempt to reduce the work force by attrition, voluntary layoff, early retirement and/or unpaid leaves of absence and voluntary reduction in hours.
2. Layoff will be decided based upon seniority, beginning with probationary drivers and proceeding from the least senior to the most senior.
3. Driver recall will be based upon seniority, with the most senior employee being recalled first.
4. Notices of recall shall be sent by certified or registered mail to the last known address as shown on the Board's records. The recall notice shall state the time and date on which the employee is to report to work. It shall be the employee's responsibility to keep the Board notified as to his/her current mailing address. A recalled employee shall notify the employer within five (5) days of receiving the notice of his/her acceptance or rejection and must report to work within ten (10) working days. The Board may fill the position on a temporary basis until the recalled employee can report for work. An employee offered a comparable position to the one previously held who declines recall to work is considered to have voluntarily resigned.
5. Laid off drivers shall have first opportunity to sub-drive a route, and/or a mid-day run when no regular driver is available.

ARTICLE V
LEAVES

A. Sick Leave

1. All drivers shall earn seven (7) sick days per year which may accumulate without limit. Sick leave taken shall be calculated in one-third-day increments. Individual calculations for one-third-day sick leave will be calculated after the annual bid meeting. Employees belonging to the Lowell Area Employees Association may pool sick leave days and contribute them to any other Lowell Area Schools employee who has exhausted his/her accumulated sick leave days. However, an employee may not contribute more than one (1) day of sick leave to an individual employee within a given school year. He/she may contribute to more than one (1) individual within a given school year. The maximum number of days a driver may receive from the pool is limited to days the driver had accumulated prior to illness or injury.

Example

If a driver has ten (10) accumulated sick days, drivers can donate up to ten (10) more. Exceptions may be made to extend the limit if unusual circumstances exist. For purposes of this section only, all days shall be equal regardless of hours worked or rate of compensation. (See Appendix B for sick pool committee guidelines.)

2. The District has the right to request a physician's statement on the necessity of any operation to be performed during the school year. The employee shall make every effort to schedule surgery during a time when school is not in session.
3. A physician's statement may be required to determine whether an employee is physically able to return to his/her duties. The Board has the right to require an examination to a physician of its choosing, with the Board assuming the cost of the examination.
4. A driver shall not receive worker's compensation in addition to sick leave in excess of the amount he/she receives as a regular salary.
5. Upon completion of an approved sick leave of one school year or less the driver shall return to his/her regular route.
6. In the event of illness in the immediate family (spouse, child, parents or resident in the household), such use shall be limited to three (3) sick leave days. The Transportation Supervisor or designee may grant the continued use of sick days for family illness if he/she determines extenuating circumstances exist; i.e., cases where death is imminent or terminal

illness exists.

B. Death in the Immediate Family

1. Up to five (5) days, as needed, shall be granted for bereavement per family member death. Such days will be deducted from sick leave. For the death of non-family members, personal leave or unpaid days must be used.
2. If extenuating circumstances exist, exceptions to this policy may be granted.
3. For purposes of bereavement leave, "family" shall be defined as: fiancé, spouse, child, parent, brother, sister, grandparent, grandchild, or spouse's parent, brother, sister, or grandparent or a member of the employee's household.

C. Personal Leave

1. Four (4) days per year shall be provided each driver for personal business. Unused personal days shall accumulate as unused sick leave days, or may be used as floating holidays on non-school days during the regular school year. Not more than two (2) days can be used consecutively. If three (3) or more days are requested, the district has the right to request rationale for the leave and approve or deny the request based on circumstances presented.

2. Reasons

It is agreed that personal days are provided for the vast number of legitimate business, professional, and family obligations and driver encounters and which cannot be met outside the driver's regular working hours. Personal days can not be used for vacation purposes.

3. Applications

An absence request form, stating the reason for the request, must be submitted to the Transportation Supervisor at least two (2) days prior to the leave being taken. In the event of an emergency, a telephone call to the Transportation Supervisor will be acceptable, provided it is followed promptly by a completed request form.

D. Misuse of Sick or Personal Days

Misuse of sick or personal days may result in disciplinary action, up to and including discharge.

E. Unpaid Leave Requests

1. Each driver may be granted no more than one (1) week of unpaid leave per school year. Such unpaid leave time shall not be granted for more than one driver during the same time period, and may be only taken during the period of November 1st through April 1st. All requests must be

submitted, in writing, prior to September 1st. Requests submitted prior to September 1st will be granted on a seniority basis. Requests submitted after September 1st will be granted on a first come, first served basis. Drivers who are granted three (3) or more days shall reimburse the district for health insurance and cash in lieu payments, for all scheduled work days missed, via payroll deduct whenever possible.

2. Drivers receiving insurance benefits who are granted more than three (3) unpaid days shall reimburse the District, beginning on day 3, for the daily cost of health insurance and cash in lieu payments. Reimbursement shall be through payroll deductions whenever possible.

F. Family and Medical Leave Act

The leave provisions of this Agreement shall be construed consistently with the requirements of the Federal Family and Medical Leave Act. Employees may take unpaid leave, with health benefits, in accordance with the Act, for birth, adoption or foster-care placement, or for a serious medical condition affecting themselves or his/her immediate family as defined in the Act. All such leaves shall be cumulative with, and not in addition to, any other applicable leaves granted in this Agreement. A summary of the Act is contained in Appendix D. If an employee has need for such leave, he/she should contact the administrator in charge of personnel to determine eligibility and arrange the terms of the leave.

APPENDIX D

Fact Sheet No. 028

THE FAMILY AND MEDICAL LEAVE ACT OF 1993

The U.S. Department of Labor's Employment Standards Administration, Wage and Hour Division, administers and enforces the Family and Medical Leave Act (FMLA) for all private, state and local government employees, and some federal employees. Most Federal and certain congressional employees are also covered by the law and are subject to the jurisdiction of the U.S. Office of Personnel Management or the Congress.

FMLA became effective on August 5, 1993, for most employers. If a collective bargaining agreement (CBA) was in effect on that date, FMLA became effective on the expiration date of the CBA or February 5, 1994, whichever was earlier. FMLA entitles eligible employees to take up to 12 weeks of unpaid, job-protected leave in a 12-month period for specified family and medical reasons. The employer may elect to use the calendar year, a fixed 12-month leave or fiscal year, or a 12-month period prior to or after the commencement of leave as the 12-month period.

The law contains provisions on employer coverage; employee eligibility for the law's benefits; entitlement to leave, maintenance of health benefits during leave, and job restoration after leave; notice and certification of the need for FMLA leave; and, protection for employees who request or take FMLA leave. The law also requires employers to keep certain records.

EMPLOYER COVERAGE

FMLA applies to all:

- public agencies, including state, local and federal employers, local education agencies (schools), and
- private-sector employers who employed 50 or more employees in 20 or more workweeks in the current or preceding calendar year and who are engaged in commerce or in any industry or activity affecting commerce — including joint employers and successors of covered employers.

EMPLOYEE ELIGIBILITY

To be eligible for FMLA benefits, an employee must:

- (1) work for a covered employer;
- (2) have worked for the employer for a total of 12 months;
- (3) have worked at least 1,250 hours over the previous 12 months; and
- (4) work at a location in the United States or in any territory or possession of the United States where at least 50 employees are employed by the employer within 75 miles.

LEAVE ENTITLEMENT

A covered employer must grant an eligible employee up to a total of 12 workweeks of unpaid leave during any 12-month period for one or more of the following reasons:

- for the birth and care of the newborn child of the employee;
- for placement with the employee of a son or daughter for adoption or foster care;
- to care for an immediate family member (spouse, child, or parent) with a serious health condition; or
- to take medical leave when the employee is unable to work because of a serious health condition.

Spouses employed by the same employer are jointly entitled to a combined total of 12 work-weeks of family leave for the birth and care of the newborn child, for placement of a child for adoption or foster care, and to care for a parent who has a serious health condition.

Leave for birth and care, or placement for adoption or foster care must conclude within 12 months of the birth or placement.

Under some circumstances, employees may take FMLA leave intermittently — which means taking leave in blocks of time, or by reducing his/her normal weekly or daily work schedule.

- If FMLA leave is for birth and care or placement for adoption or foster care, use of intermittent leave is subject to the employer's approval.
- FMLA leave may be taken intermittently whenever medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work.

Also, subject to certain conditions, employees or employers may choose to use accrued paid leave (such as sick or vacation leave) to cover some or all of the FMLA leave. The employer is responsible for designating if an employee's use of paid leave counts as FMLA leave, based on information from the employee.

"Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves either:

- any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical-care facility, and any period of incapacity or subsequent treatment in connection with such inpatient care; or
 - Continuing treatment by a health care provider which includes any period of incapacity (i.e., inability to work, attend school or perform other regular daily activities) due to:
- (1) A health condition (including treatment therefor, or recovery therefrom) lasting more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition, that also includes:

- treatment two or more times by or under the supervision of a health care provider; or
 - one treatment by a health care provider with a continuing regimen of treatment; or
- (2) Pregnancy or prenatal care. A visit to the health care provider is not necessary for each absence; or
- (3) A chronic serious health condition which continues over an extended period of time, requires periodic visits to a health care provider, and may involve occasional episodes of incapacity (e.g., asthma, diabetes). A visit to a health care provider is not necessary for each absence; or
- (4) A permanent or long-term condition for which treatment may not be effective (e.g., Alzheimer's, a severe stroke, terminal cancer). Only supervision by a health care provider is required, rather than active treatment; or
- (5) Any absences to receive multiple treatments for restorative surgery or for a condition which would likely result in a period of incapacity of more than three days if not treated (e.g., chemotherapy or radiation treatments for cancer).

"Health care provider" means:

- doctors of medicine or osteopathy authorized to practice medicine or surgery by the state in which the doctors practice; or
- podiatrists, dentists, clinical psychologists, optometrists and chiropractors (limited to manual manipulation of the spine to correct a subluxation as demonstrated by X-ray to exist) authorized to practice, and performing within the scope of his/her practice, under state law; or
- nurse practitioners, nurse-midwives and clinical social workers authorized to practice, and performing within the scope of his/her practice, as defined under state law; or
- Christian Science practitioners listed with the First Church of Christ, Scientist in Boston, Massachusetts; or
- Any health care provider recognized by the employer or the employer's group health plan benefits manager.

MAINTENANCE OF HEALTH BENEFITS

A covered employer is required to maintain group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee had continued to work. If applicable, arrangements will need to be made for employees to pay his/her share of health insurance premiums while on leave.

In some instances, the employer may recover premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave.

JOB RESTORATION

Upon return from FMLA leave, an employee must be restored to the employee's original

job, or to an equivalent job with equivalent pay, benefits, and other terms and conditions of employment.

In addition, an employee's use of FMLA leave cannot result in the loss of any employment benefit that the employee earned or was entitled to before using FMLA leave, nor be counted against the employee under a "no fault" attendance policy.

Under specified and limited circumstances where restoration to employment will cause substantial and grievous economic injury to its operations, an employer may refuse to reinstate certain highly-paid "key" employees after using FMLA leave during which health coverage was maintained. In order to do so, the employer must:

- notify the employee of his/her status as a "key" employee in response to the employee's notice of intent to take FMLA leave;
- notify the employee as soon as the employer decides it will deny job restoration, and explain the reasons for this decision;
- offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and
- make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

A "**key**" employee is a salaried "eligible" employee who is among the highest paid ten percent of employees within 75 miles of the work site.

NOTICE AND CERTIFICATION

Employees seeking to use FMLA leave are required to provide 30-day advance notice of the need to take FMLA leave when the need is foreseeable and such notice is practicable.

Employers may also require employees to provide:

- medical certification supporting the need for leave due to a serious health condition affecting the employee or an immediate family member;
- second or third medical opinions (at the employer's expense) and periodic recertification; and
- periodic reports during FMLA leave regarding the employee's status and intent to return to work.

When intermittent leave is needed to care for an immediate family member or the employee's own illness, and is for planned medical treatment, the employee must try to schedule treatment so as not to unduly disrupt the employer's operation.

Covered employers must post a notice approved by the Secretary of Labor explaining rights and responsibilities under FMLA. An employer that willfully violates this posting requirement may be subject to a fine of up to \$100 for each separate offense.

Also, covered employers must inform employees of his/her rights and responsibilities under FMLA, including giving specific written information on what is required of the

employee and what might happen in certain circumstances, such as if the employee fails to return to work after FMLA leave.

UNLAWFUL ACTS

It is unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided by FMLA. It is also unlawful for an employer to discharge or discriminate against any individual for opposing any practice, or because of involvement in any proceeding, related to FMLA.

ENFORCEMENT

The Wage and Hour Division investigates complaints. If violations cannot be satisfactorily resolved, the U.S. Department of Labor may bring action in court to compel compliance. Individuals may also bring a private civil action against an employer for violations.

OTHER PROVISIONS

Special rules apply to employees of local education agencies. Generally, these rules provide for FMLA leave to be taken in blocks of time when intermittent leave is needed or the leave is required near the end of a school term.

Salaried executive, administrative, and professional employees of covered employers who meet the Fair Labor Standards Act (FLSA) criteria for exemption from minimum wage and overtime under Regulations, 29 CFR Part 541, do not lose his/her FLSA-exempt status by using any unpaid FMLA leave. This special exception to the "salary basis" requirements for FLSA's exemption extends only to "eligible" employees' use of leave required by FMLA.

The FMLA does not affect any other federal or state law which prohibits discrimination, nor supersede any state or local law which provides greater family or medical leave protection. Nor does it affect an employer's obligation to provide greater leave rights under a collective bargaining agreement or employment benefit plan. The FMLA also encourages employers to provide more generous leave rights.

FURTHER INFORMATION

The final rule implementing FMLA is contained in the January 6, 1995, Federal Register. For more information, please contact the nearest office of the Wage and Hour Division, listed in most telephone directories under U.S. Government, Department of Labor.
