- A. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every teacher shall have the right to freely organize, join and support the Association for the purpose of engaging in collective bargaining and other concerted activities for the Association's mutual aid and protection. The Board agrees that it will not directly or indirectly discourage, deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of the teacher's membership in the Association, participation in any activities of the Association or collective bargaining with the Board, or the institution of any

grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

- B. Nothing contained herein shall be construed to deny or restrict to any teacher, rights the teacher has under the Michigan School Code or other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.
- C. The Association and its representatives shall have the right to use school buildings at all reasonable hours for meetings, provided that when special custodial service is required, the Board may make a reasonable charge therefore. - F. The Association shall have the right to post notice of its activities and matters of Association concern on teacher bulletin boards, at least one of which shall be provided in each school building. No notices shall be posted on student bulletin boards.

The Association may use the district mail service and teacher mailboxes for communications to teachers.

No teacher shall be prevented from wearing insignia, pins or their identification of membership in the Association, either on the premises or when representing the District off school premises, provided the wearing of such items does not create a disruption.

- G. - J. The Association will be granted a total of ten (10) days per school year for the purpose of attending Association conferences. The Association will reimburse the district for the cost of substitute teachers. Requests for such time will be submitted, in writing not less than fourteen (14) calendar days in advance, to the Superintendent.
- K.
 - 1. A copy of written materials, other than confidential recommendations that are placed in the teacher's personnel file, shall be given to the teacher at the time they were written. With the exception of written materials covered by the prohibited topics of bargaining in Section 15(3) of the Public Employment Relations Act (i.e. evaluations, observation reports, individual development plans, disciplinary letters, or items related to assignments including layoff or recall, etc.), if the teacher disagrees with any material placed in the file, the teacher may submit a complaint through the grievance procedure. By means of the grievance procedure the teacher may receive adjustment if cause is shown and have the material corrected or removed.
 - 2. Each teacher shall have the right, upon request, to review the contents of his/her own personnel file with the exception of confidential documents originating from an outside source (e.g., confidential letters of recommendation). A representative of the Association may, at the teacher's request, accompany the teacher in this review.
 - 3. Any information within a teacher's file may be removed by the principal or the Superintendent.
 - 4. Any complaint made against a teacher about a student's conduct while that student was under the direct supervision of the teacher, by parents, students, or others, shall be promptly called to the attention of the teacher.

ARTICLE 4

ARTICLE 5
Teaching Hours and Class Load

- A. Teachers shall normally work a seven (7) hour and fifteen (15) minute work day. Within the work day all teachers shall be entitled to thirty (30) minutes duty-free lunch period. Teachers may leave the building at lunch to take care of legitimate, personal business. Teachers are required not to return late.

Teachers will make arrangements with parents who request to meet outside of the normal work day.

- B. 1. Each secondary teacher shall have one conference/preparation period per day. The conference period shall be equal in time to one teaching period.
2. Without notice to and consent of the Association and the individual teacher, no elementary teacher may be assigned to more than an average of 1680 minutes per week of student instructional time. Each elementary teacher shall receive on the average at least two hundred (200) minutes of conference/preparation time during a normal work week. In the event an elementary teacher is not assigned to teach a period (*i.e.*, art, music, library, recess, cafeteria duty, etc.) the unassigned teacher will utilize that time as additional conference/preparation time.
- C. 1. The responsibilities of all teachers during a conference/preparation period include areas such as preparation of lessons, meeting with parents, students, administrator(s), teacher(s) and other job-related duties.
2. Teachers are required to remain in their respective buildings during their conference/preparation period unless excused by their building administrator.
- D. In an emergency a teacher may be assigned to substitute for another teacher during their conference/planning period. A teacher assigned under these circumstances, shall be paid for the period at the rate of \$25.00 per clock hour.
1. It is agreed that the assignment of an extra class will be made after the Administration has exhausted all other alternatives.
2. It is agreed that the assignment of an extra class would be eliminated as soon as possible.
- E. If a teacher shall teach more than the normal teaching load, as set forth in this Article, the teacher shall receive additional compensation at the teacher's prorated pay.
- F. If it should be essential, with the consent of the administration, that a teacher be engaged during the school day in negotiating on behalf of the Association with any representative of the Board or participating in any grievance, mediation, or arbitration, the teacher shall be released from regular duties without loss of salary.

- G. Substitutes may be provided for teachers attending I.E.P.s held during the school day to accommodate parents. Any teacher involved in the “mainstreamed” program will participate in an I.E.P.C. relative to their student’s program. Such release shall not infringe upon regular prep time unless no other alternative is available. Teachers shall be compensated at \$25.00 per clock hour for participation in I.E.P.C.s, response to intervention meetings and 504 meetings held outside of the regular school day.
- H. In the event that any provision(s) of this Agreement restricts the Board from meeting State requirements for professional development days, holiday break periods and/or instructional hours/instructional days, the Superintendent and the Association President will meet to attempt to mutually agree to necessary changes to assure compliance with State requirements and avoid State aid penalties. Any agreement will not result in added salary cost to the Board. If no mutual agreement can be reached, the Board will institute a temporary compliance plan while discussions continue.

ARTICLE 6

Teaching Conditions

- A. The parties recognize that optimum school facilities for both student and teacher are desirable to insure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward insuring that the energy of the teacher is primarily utilized to this end.
- B. It is recognized by the Board that teacher-pupil ratio is an important aspect of an effective educational program. The Board agrees to continue its efforts to keep class sizes at an acceptable number, taking into consideration students learning abilities, mastery of skills, the availability of qualified teachers, and the best interests of the district, as deemed administratively feasible.
- C. The administration will try to keep within the maximum ratios, namely:

	<u>Maximum</u>
Kindergarten pupil ratio	1:30
Elementary teacher-pupil ratio (excludes Band)	1:35
Multiage room teacher-pupil ratio	1:27
Secondary (Excludes vocational, science, music and band)	1:35

Computers/art	1:35

- D. A multiage room shall consist of no more than two grade levels at elementary level or two subject areas at the high school.
- E. Prior to, or within the first week of school and no later than the fourth Friday, if the number of students in a given classroom exceeds the maximum (numbers determined by student count and E1 weighting factors) stated in Article 6, Section C, a conference will take place between the affected teacher and principal to work out a solution to the problem. Solutions will include, but are not limited to the following:
 - 1. Rescheduling to equalize classroom loads. To the extent possible, classes shall be equalized in numbers. Weighting will be utilized when equalizing classroom loads. The following weighting schedule will be utilized:

<u>Student Category</u>	<u>Weighting Factor</u>
Learning Disabled	1.5
Physically Impaired	1.5
E.I.	2.5
E.M.I.	2.5

- * The weighting provision may be modified in specific cases if the affected teacher(s), administration, and the Association agree. Any such waiver will be valid for up to one school year.
 - 2. Additional equipment and materials to aid teacher in meeting the needs of students.
 - 3. Other mutually agreeable solutions.
- F. Throughout the year as new students are added, class size loads will be equalized to the extent possible, consistent with Article 6, Section E.
- G. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires and similar materials are the tools of the teaching profession. The Board will attempt, within its financial resources, to provide for all teachers, all teaching and clerical materials which the Board now provides, and to keep the schools reasonably equipped, maintained and staffed.
- H. Teachers shall not be required to work under unsafe or hazardous conditions, or to perform tasks which endanger their health, safety or well-being. Teachers shall immediately notify their building principal of any unsafe classroom and/or building condition. The administration shall make every effort to correct the situation as soon as possible.

ARTICLE 7

Duties and Responsibilities of Teachers

- A. Teachers should take a responsible attitude toward children in the halls, especially between classes, before school, during lunch period and after school.
- B. Teachers will be expected to maintain positive professional attitudes toward community-school organizations.
- C. 1. Staff Meetings: There shall be one (1) mandatory building-wide staff meeting for teachers each month conducted for the specific needs and general welfare of this school system and are not to be used for committee work. These meetings will be called by the principals and/or Superintendent at such times as deemed necessary, and will be limited in number and duration so as to be considered reasonable with respect to the normal and proper items of business which must be discussed in order to function properly as a school system. Principals and teachers shall meet prior to Fourth Friday to determine the time of day at which these meetings are to be held.
- 2. Additional Staff Meetings: In addition to normal staff meetings, the principals and/or Superintendent may schedule a maximum of five (5) hours for all staff meetings per school year beyond their normal staff meetings. In the event additional meetings are needed beyond those set forth in Section C. 2, the staff will be reimbursed at the rate of \$25.00 per clock hour. The administration will give reasonable prior notification to the staff of any scheduled meetings staff is expected to attend.
- D. It shall be the responsibility of teachers to request a substitute when absent on sick leave, and one and one-half (1½) hours before school starts so that they have adequate time to secure a substitute.
- E. It shall be the responsibility of the individual teacher to secure the academic training and present the credentials that would enable the administration to verify proper continuing certification of the teacher.
- F. The Board may require a teacher to submit to a medical or psychological examination. Examination requested by Board will be paid for by the Board if not covered by the health care plan. Notices for examination will be given as far in advance as possible. The Board, subject to the terms of the Tenure Act, may place a teacher on involuntary leave.
- G. Elementary teachers will not be assigned playground duties unless on a voluntary, paid basis.

ARTICLE 8

Illness, Disability and Personal Leave

- A. 1. At the beginning of each school year, each teacher shall be credited with a twelve (12) day sick leave allowance, two of which may be used as personal days. Sick days may

be used for an absence caused by illness or physical disability of the teacher or immediate family (husband, wife, children, or parents).

2. A first year teacher who leaves the employment of the district prior to completing one semester and who has utilized more than five (5) sick leave days will be docked the days in excess of five.
3. The unused portion of such allowance shall accumulate from year to year. With cash repayment, the money will go toward the district. The days that the money represents will go back to the Sick Bank.
4. Upon severance or retirement, a teacher will receive forty (\$40) per day for all accumulated sick days, provided the teacher has at least ten (10) years of continuous service to the Dryden Community Schools. Continuous service shall be defined as unbroken services as a teacher. Leaves and lay-offs do not constitute a break in service. However, time spent on lay-off or unpaid leave does not count as service time.

Except as set forth herein, eligible teachers must complete the school year and submit a resignation by February 1 in order to qualify. In the event the state institutes an improved retirement package or the Board offers a local retirement incentive after February 1, the teacher will qualify for payment.

All funds paid out under Section 4 will be paid exclusively into an IRS qualified 403(B) plan. The parties designate MEA Financial Services/Paradigm Equities Plan as the sole plan administrator. There will be no costs charged by the MEA financial services to the district in implementing and maintaining this plan.

B. Sick Leave Bank: A sick leave bank is established and will continue to function under the following provisions:

1. The purpose of the sick leave bank is to provide income protection for a teacher during a period of involuntary absence due to personal illness or disability not covered by workman's compensation or some other form of disability insurance.
2. The sick leave bank will be administered by a committee established by the Association.
 - a. The Sick Leave Bank Committee may review an applicant's attendance record and other information it deems relevant.
 - b. By a majority vote of the Sick Leave Bank Committee, paid leave bank days may be denied.
 - c. Should any request for sick leave days be denied by the Sick Leave Bank Committee, the decision may be appealed to the Association Executive Board. The decision of the Executive Board shall be final and in no way subject to the grievance procedure.

3. A teacher must use all their accumulated sick leave before requesting a loan of days from the bank.

Before any days are paid from the bank, the teacher will be required to sign an individual contract acknowledging by way of illustration 1) the obligation to repay the loan, 2) an acknowledgement that the debit is binding upon his/her estate and 3) the district's right to attach a lien to the property of the teacher in the event of a default on payment.

In the event the teacher does not return to work and separates employment, the loan will remain due and payable at the rate of \$100 per day. This same repayment requirement will apply to a teacher who does return and then later separates employment before the loan is repaid.

In the event of the death of a teacher before the loan is repaid, the requirement to repay the balance of the loan is waived.

4. All new teachers must donate two (2) sick days at employment.

Days approved from the sick leave bank are considered to be a loan. Until the loan is repaid, no further days will be granted from the bank. Upon return and each year until the loan is repaid, the teacher will only receive four (4) sick leave days under Article 8(A).

5. An individual may withdraw the number of days from the sick bank to such time as the individual qualifies for long-term disability benefits.

6. Application for Sick Leave Bank - To participate in the Sick Leave Bank, a teacher must:

- a. Secure application forms from a Sick Bank Committee member or designee.

- c. Return the forms to the Sick Bank Committee member or designee.
- d. Complete the above as quickly as possible, as the committee must be convened to act on the application and the Payroll Office needs time to process the application to make payment.
- e. A new personal application and Physician's Statement may be required after thirty (30) calendar days.

- C. A teacher who is receiving Workers' Compensation while using paid sick leave shall pay to the district an amount equal to benefits received under Workers' Compensation and shall have their use of sick days reinstated on a proportional basis (*i.e.*, Workers' Compensation equals twenty-five percent (25%) of a days pay - 1/4 of a sick day is unused).

- D. Teacher will not have personal business and/or sick days (accumulated personal or Sick Bank days) deducted when school is closed on an "Act of God Day".
- E. Each teacher shall be entitled to bereavement leave, without loss of pay, in accordance with the following schedule:
1. Five (5) days for the death of a spouse, child, parent, or guardian. It is recognized that certain relationships of family not set forth above, may, due to individual and personal consideration, justify granting of such days. The principal will decide on the validity of this request).
 2. Three (3) days for the death of a mother-in-law, father-in-law, brother, sister, grandparent, brother-in-law, sister-in-law, grandchildren, or step-relatives of like nature.
 3. If necessary, up to seven (7) additional days may be used for bereavement leave and shall be deducted from sick leave.
 4. One day maximum during each school year for the death of a friend or relative
- F. A teacher who is unable to teach because of personal illness or disability and who has exhausted all sick leave available shall be granted a leave of absence without pay for the duration of such illness or disability up to one year and the leave shall be renewed each year upon written request by the teacher and approval of the Board. Insurance benefits will continue upon commencement of the unpaid medical leave through August of the current school year, or six (6) months, whichever is longer. Such payments will not be required where the premium payments are assumed under the long-term disability plan.
- G. All full-time, regular teachers covered by this Agreement shall be entitled to not more than two (2) days personal business leave during each school year without loss of pay.

Personal business days may be used at the discretion of the teacher. A teacher planning to use a personal business day shall notify the administration at least five (5) days in advance of the anticipated absence. Personal business leave must be applied for in writing. In cases of emergency, the five (5) day advance notice may be waived upon the Superintendent's approval. If more than two teachers apply for personal business days on the same stated date, the administration reserves the right to review the request and approve or deny such request based on the availability of substitutes. The teacher that submitted their request first will be granted the day unless the parties mutually agree otherwise.

Teachers will state the reason for a personal day that is to be used on the day preceding or following a holiday or vacation period. Such days may be granted at the discretion of the Superintendent.

- H. Civic Duty: A teacher called for jury duty, to give testimony before any judicial or administrative tribunal, or to participate in a civic duty, shall be compensated for the difference between the teaching pay and the pay received for performance of such obligation (excluding

mileage). The teacher will receive their regular pay for the day(s) and will endorse their pay for performance of such obligation to the district.

- K. The Board may grant a leave of absence for reasons other than those indicated. Application for a leave of absence must be presented, in writing, to the Board not later than July 1st, preceding the academic year in question, except in cases of emergency or leaves covered by the FMLA.
- L. Teachers on an unpaid leave of absence shall retain previously accumulated sick days, tenure status and position on the salary schedule.

M. Return from Leave

- 1. Except as set forth in Section F above, the maximum duration of any approved unpaid leave under this Agreement will be one (1) year.

With the exception of a teacher whose leave extension is granted under Section F, any teacher who does not return, the teacher will be terminated.

2. A leave of absence may be terminated prior to its expiration, upon request of the teacher and approval of the Board.

ARTICLE 9

Academic Rights and Responsibility

- A. - D. Academic freedom, however, is not to be construed as a license to promote ideas and activities which are contrary to the moral religious and political mores of the community. Subjects and activities which are known to be of critical nature must be discussed with the Superintendent or Principal prior to their introduction to the students.
- E. Teaching methods, subject areas and class activities that create unrest in the community will be reviewed by the Administration and a committee of teachers.

- B. The Association will use its best efforts to encourage professional behavior by all teachers.
- C. - E. It is contemplated that terms and conditions of employment provided in this Agreement shall remain in effect until altered by mutual agreement, in writing, between the parties during the term of this contract. Nevertheless, because of the special nature of the public educational process, it is likewise recognized that matters may, from time to time, arise of vital, mutual concern of the parties that have not been fully or adequately negotiated between them. It is in the public interest that the opportunity for mutual discussion of such matters be provided. The parties accordingly undertake to cooperate on arranging meetings, selecting representatives for discussion, furnishing necessary information and otherwise constructively considering and resolving any such matters.

- F. Use of buildings for regular extra-curricular activities before and after school, in the evenings, or on Saturday will be allowed, consistent with the district's building use policy and this will be facilitated by a reasonable, recorded system of issuing keys and priorities. Level I: A grievant may invoke the formal grievance procedure on the form set forth in Appendix D, signed by the grievant and/or a representative of the Association, which form shall be available for the Association Representative in each building. If a grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by the Superintendent. All grievances must be filed within ten (10) school days of the alleged grievance, or reasonable discovery thereof. Days shall be defined as weekdays during the summer (excluding holidays). Within five (5) school days of receipt of the grievance, the principal shall meet with the Association in an effort to resolve the grievance. The principal shall indicate the disposition of the grievance, in writing, within five (5) days of such meeting, and shall furnish a copy thereof to the Association.
- C. Level II: If the grievant or Association is not satisfied with the disposition of the grievance at Level I, or if no disposition has been made within five (5) school days of such meeting (or, ten (10) school days from the date of filing, whichever shall be later), the grievance shall be transmitted to the Superintendent within ten (10) days. Within five (5) school days the Superintendent or his designee shall meet with the Association on the grievance and render a decision, in writing, within five (5) school days of such meeting and shall furnish a copy thereof to the Association.
- D. Level III: If the Association is not satisfied with the disposition of the grievance at Level II or if no disposition is made within five (5) school days, the grievance may be submitted to arbitration before an impartial arbitrator. The Demand to Arbitrate with the American Arbitration Association must be submitted within thirty (30) school days of receipt of the Superintendent's disposition. If the parties cannot agree as to the arbitrator, the arbitrator shall be selected by the American Arbitration Association in accord with its rules, which shall likewise govern the arbitration proceeding.

The Board and the Association shall not be permitted to assert in such arbitration proceedings any ground, or to rely on any evidence not previously disclosed to the other party.

The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement. The arbitrator shall have no power to establish salary scales or interpret statutes or issue a ruling on any matter for which a statute provides an administrative procedure for seeking remedy (i.e. Tenure Act).

The parties may mutually agree to submit a grievance to mediation through the Michigan Employment Relations Commission. If agreed, the parties will address the timeline for the potential submission of a demand to arbitrate with the American Arbitration Association if mediation does not resolve the grievance.

- E. The fees and expenses of the arbitrator shall be shared equally by the parties.
- F. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term, or as soon thereafter as possible.
- H. If an individual teacher has a personal complaint the teacher desires to discuss with a supervisor, the teacher is free to do so without recourse to the grievance procedure. However, no grievance shall be adjusted without prior notification to the Association and opportunity for an Association Representative to be present, nor shall any adjustment of a grievance be inconsistent with the terms of this Agreement. In the administration of the grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.

ARTICLE 14
