- B. Time and one-half (1 1/2) will be paid for all hours worked on the employee's sixth (6th) day of their work week.
- C. Double time will be paid for all hours worked on the employee's seventh (7th) day of their work week.
- D. Employees on any of the following scheduled leaves shall not be considered for overtime:
 - a) Deduct day
 - b) Medical or Worker's compensation
 - c) Vacation of one week or more
- E. In the event an employee is requested to change their regular work week other than for school recess periods (days when school is not in session), the employee shall be given a two (2) day notice of the change or one (1) day notice in cases of emergency. Failure to give proper notification shall result in the employee being paid time and one-half (1-1/2) for hours which vary from their regularly established work week. Nothing contained herein in this subsection shall be used to circumvent the proper payment of overtime.

III. Compensatory Time

An employee may accrue compensatory time (comp time) in lieu of monetary overtime compensation, at a rate of not less than one and one-half (1-1/2) of comp time off for each hour of overtime worked. Comp time must be taken during the same work week in which it is earned.

The employee shall be expected to remain on the job and work as assigned, unless otherwise approved by the Race Street Administrator. Call back must be made by the Race Street Administrator/Central office Administrator.

V. Distribution of Overtime

- A. Overtime shall be divided and rotated as equally as possible within the building or the department (whichever is applicable) according to seniority and among those employees who regularly perform such work.
- B. When the Department Supervisor has more overtime within a building than he has employees, he will refer to the seniority list within that department, starting at the top of the list and working down on a rotation basis. The employee or employees called for the overtime, including both those who take overtime and those who for any reason fail to take the overtime, will go to the bottom of the list, and will not be called until their name comes up again. If the list of employees in his department is depleted, then the Supervisor will call the Race St. Administrator and indicate how many employees will be needed. The Race St.

Administrator will then go to the master seniority list and call, by rotation, the number of employees the Department Supervisor has requested.

- C. It is recognized that certain overtime assignments require certain specialized skills; when such circumstance arises the Race St. Administrator or designee will have the right to select the employee(s) who has such a skill for that specialized assignment. When this occurs, it will be the Department Supervisor's responsibility to balance the overtime opportunity with the employee who would have been in line for the overtime, if the employee had the specialized skill.
- D. The names of all employees expressing a desire to work the assignment of an activity will be placed on a seniority list and rotated in the manner described in Section IV (B) above. An employee assigned to work will be notified prior to the activity. Once the assignment has been made, the employee is deemed unavailable for any other overtime assignment which conflicts with the present assignment. In the event a scheduled activity is cancelled the employee assigned shall remain at the top of the list and automatically assigned the next scheduled activity.

VI. Maintenance of Buildings

Notwithstanding the preceding provisions of Section IV, it is agreed that on a new installation, or a job that requires a work order and is overtime work, the Maintenance Department personnel have first choice based on seniority and ability. If the overtime is refused by the Maintenance Department personnel, the overtime would then go to the qualified employees within that building according to seniority and ability.

VII. Shift Differential

ARTICLE XXII VACATIONS

- I. Employees hired prior to November 1, 2003 shall receive vacation time with pay based upon the total years of service, according to the following schedule:

D. Ten years of service	20 working days

Employees hired after November 1, 2003 shall receive vacation time with pay based upon the total years of service, according to the following schedule:

A. One year of service	5 working days
B. Two to Nine years of service	10 working days
C. Ten years of service	12 working days
D. Fifteen years of service	15 working days

- II. The vacation time shall be calculated and credited for each employee each July 1 as specified in this paragraph (subject to the provisions of the following paragraphs III – IX).

- A. New employee: prorate vacation time based upon months worked up to July 1 of the first year.

Example 1: hire date April 1, 2000. Calculation on July 1, 2000: three months from the date of hire to July 1, 2000. $3/12 \text{ times } 5 \text{ days} = 15/12 = 1.25 \text{ days of vacation credited}$. The employee shall not receive any further vacation until the next July 1.

- B. Employees who reach an anniversary date upon which additional vacation is earned according to the schedule above shall be credited at the anniversary date vacation time equal to the prorated additional amount above the last vacation step schedule. The proration would be based upon the portion of the year left to go until the next July 1 calculation as a percentage of the total year, calculated on the basis of calendar days, using a 365 day year.

Example 2: hire date 10-1-98, second year anniversary date 10-1-2000, qualifies for a second 5 days of vacation. The employee received 5 days vacation on July 1, 2000, and upon the October 1, 2000 anniversary date is entitled to the additional 5 days, prorated to reflect the partial year. There would be 272 days left of the 365 day year, so $272/365 \times 5 \text{ days}$, or 3.73 extra vacation days credited. On the following July 1, the full 10 days of vacation would be

credited.

Example 3: hire date 10-1-90, tenth year anniversary date 10-1-2000, qualifies for a fourth set of 5 days of vacation. On July 1, 2000, the employee receives 15 days of vacation time, and upon the October 1, 2000 anniversary date is entitled to the additional 5 days, prorated to reflect the partial year. There would be 272 days left of the 365 day year, so $272/365 \times 5$ days, or 3.73 extra vacation days credited. On the following July 1, the full 20 days of vacation would be credited.

- III. Vacation days are earned on a monthly basis, based on attendance. For the purpose of determining monthly eligibility, the following are excluded:
- A. Paid sick leave days
 - B. Funeral Leave
 - C. Personal Days
 - D. Paid Holidays
 - E. Worker's Compensation days which are paid by the Board
 - F. Qualified Family Medical Leave Act (FMLA) absence.
- IV. If an employee is injured while gainfully employed by other than the Board, no sick leave will be paid by the Board, and all such days of absence will be counted as regularly scheduled work days missed for the purpose of determining vacation eligibility.
- V. The following formula shall apply to each month of the fiscal year:
- A. Two (2) days absenteeism, not covered by the above, would result in no penalty of the employee's vacation entitlement for that month.
 - B. Three (3) days absenteeism, not covered by the above, would result in the loss of one-half (1/2) of the employee's vacation entitlement for that month up to one (1) full day, by applying the formula stated below.
 - C. Four (4) days absenteeism, not covered by the above, would result in the loss of one-half (1/2) of the employee's vacation entitlement for that month up to one (1) full day, by applying the formula stated below.
 - D. Five (5) days absenteeism, not covered by the above, would result in no vacation earned for that month.
- VI. To compute the vacation days lost by the employee when the employee suffers a one-half (1/2) lost vacation for the given month, it would be done in the following manner:
- A. Determine the number of days per month that the employee is entitled to receive, based on his years of service.
 - B. Multiply the figures in number 1 by fifty percent (50%) or (.5).
 - C. Round off the resulting number to whole and half days by the following formula:
 - 1. .0 - .2 = no days
 - 2. .3 - .7 = one-half day
 - 3. .8 - 1.0 = whole day
- VII. Employees terminating employment or on a leave of absence shall receive their prorated vacation allowance based upon one-twelfth (1/12) of the vacation pay for each month or major fraction thereof between July 1st and their termination date.

- VIII. All vacations must be approved by the Race St. Administrator or his designee. Request for vacations must be submitted at least five (5) work days in advance, except in case of an emergency. Only two (2) days notice for one (1) day vacation will be required. No advance notice will be required for vacation of less than one (1) day, however, supervisor approval is still needed.
- A. In order to maintain a consistent work force throughout the school year, administration shall try to accommodate all requests for vacation as completely as possible.
 - B. In situations where extenuating circumstances exist, and the vacation has been denied by the Race St. Administrator, the employee may request these circumstances be re-evaluated by the Superintendent/designate.
 - C. The administration recommends when an employee is considering a vacation request, he/she contacts the Race St. Administrator as soon as possible so the administrator can prepare work schedules accordingly.
 - D. Vacation will be granted on a first come-first serve basis. If multiple requests are received simultaneously, the approval will be determined on seniority basis.
 - E. One (1) week of vacation will be allowed during student days, with the rest to be taken during non-student days.
- IX. Any employee may use vacation days to apply to situations covered by the Sick Leave provisions in Article XIX, upon exhaustion of all allowable Sick Leave entitlements.

- III. In the event that the employee is on vacation on any of the above named holidays, the employee shall be entitled to an additional day off with pay for the holiday, or the employee shall receive their normal day's pay for the holiday. In the event that the employee is on Sick Leave on any of the above named holidays, the employee shall not have that day charged against their allowable earned Sick Leave.
- IV. An employee off sick on the work day before or work day following a holiday may be required to submit medical proof of illness in order to receive holiday pay.

Letter of Agreement

This Letter of Agreement is entered into between the International Union of Operating Engineers, Local #324, Maintenance & Custodial Employees, (the "Union") and the School District of the City of Adrian, Michigan (the "District").

Recognizing the importance of making quality health care products and services available and doing so in a cost effective manner, the District and the Union agree as follows:

1. The Union acknowledges that the District has elected to become a member of a Health Plan Purchasing Consortium (the "Consortium") as authorized under Section 5(3) of the Public Employee Health Benefit Act, and as further authorized under the provisions of the Revised School Code.
2. The parties further recognize and acknowledge that insurance benefits, policy specifications, coverages and the allocation of premium responsibility for employee benefit plans are subject to a bargaining duty under the Public Employment Relations Act.
3. The District and the Union acknowledge that employee benefit *plans* or products will be made available to eligible Union bargaining unit members through the District's participation in the Health Plan Purchasing Consortium. The District and the Union have agreed that Union bargaining unit members will be allowed to enroll in those plans effective July 1, 2013 and that such plans or products made available through the Consortium shall replace those otherwise in effect for Union bargaining unit members on that date.

Further, the District and the Union acknowledge and recognize that alternative plans with modified specifications may subsequently be made available through the same vendor selected to provide benefit plans or products through the Consortium. Alternative plans will be reviewed and identified by a committee of no less than six (6) persons and not more than ten (10) to be equally appointed by the ISD Superintendent and the participating bargaining unit. The committee may meet at the request of either party. The District and the Union agree that Union bargaining unit members who are otherwise eligible to enroll in benefit plans or products through the Consortium shall have access to these alternatives, which are recognized by the parties to be instrumental in both stabilizing insurance costs and in structuring insurance products to meet the needs of those enrolled.

4. The durational commitments for participation in the employee benefit plans accessed through the Consortium shall supersede any conflicting or contrary terms of an existing or successor collective bargaining agreement between the District and the Union, to the extent of any such conflict or inconsistency.
5. The parties further voluntarily waive and relinquish their respective rights under the Public Employment Relations Act (PERA) for the period beginning July 1, 2013 and concluding on December 31, 2015 to negotiate any contrary durational commitment with regard to the procurement and maintenance of the specified insurance products and employee benefit plans through the Consortium. Further, the District and the Union agree that their designation of specified insurance products and employee benefit plans through the Consortium satisfies their mutual obligation

to bargain over the benefits, policy specifications and coverage's of those insurance products and employee benefit plans, and that neither party shall be obligated to bargain with respect to those matters for the duration of the commitment to maintain those insurance products and employee benefit plans, as indicated in this Letter of Agreement. However, these limitations shall not apply to the offering of alternative plan structures through the initially selected vendor, as is specified in paragraph 3 of this Letter of Agreement.

6. Nothing in this Letter of Agreement shall waive, qualify, or diminish in any way, the respective rights and obligations of the District and the Union to negotiate over allocation of premium responsibility between the District and enrolled Union bargaining unit members for the insurance products and employee benefits plans in which those individuals and their eligible dependents (if applicable) are enrolled. Further, nothing in this Letter of Agreement constitutes a limitation on the obligation of the District to comply with those provisions of state or federal law that may require a specified level of employee premium contribution for enrollment in any employee benefit plans.
7. Nothing in the terms of this Letter of Agreement is intended to confer eligibility upon any employee (or their eligible dependants, if applicable) to enroll in an employee benefit plan or program, it being recognized that those eligibility determinations are set forth in the collective bargaining agreement between the District and the Union and are not intended to be altered or modified by the terms of this Letter of Agreement.
8. Any disputes over the interpretation, application or implementation of the terms of this Letter of Agreement shall be resolved under the grievance procedure in the collective bargaining agreement then in effect between the District and the Union.
9. By entering into this Letter of Agreement, neither the District nor the Union amend, modify, waive, or qualify any other provisions, conditions, rights or duties specified in their current or any successor collective bargaining agreement between them, except as are otherwise specifically waived, modified or relinquished herein.
10. This Letter of Agreement shall become effective July 1, 2013 and shall expire on December 31, 2015, subject to the post-expiration obligations specified in paragraph 4 of this document.
