There was an agreement in place to extend the old contract through the 20-21 school year. They're currently wrapping up the new contract and it will be posted when it's completed.

Hello Amanda,

My name is Abbee Elwell, and I work on behalf of the Mackinac Center for Public Policy. We are updating our database of all the school district collective bargaining agreements in Michigan, and it appears the contracts for teachers and instructional assistants posted on your website expired over one year ago, in 2020.

Could you attach or point me to the collective bargaining agreement for those employees for *last* school year, **2020 - 2021**? I understand that many districts are publishing recently negotiated contracts, but we would like the contracts from last year--although, if you have the new contracts as well, we would most certainly be grateful to receive those as well.

Thank you for everything you do for your students. I hope you have a great day.
