AGREEMENT

This Agreement entered into on this 1st day of July, 2010, between the Board of Education of Hartland Consolidated Schools (hereinafter referred to as the "Employer") and Hartland Consolidated Schools Custodial-Maintenance Association MEA/NEA (hereinafter referred to as the "Union").

NOTE: The headings used in the Agreement and exhibits neither add to nor subtract from the meaning, but are for reference only.

This Agreement supersedes and cancels all policies, practices and procedures written or oral between the parties and constitutes the entire Agreement. Both parties have had an opportunity to present all matters of concern in negotiations. Neither party shall be required to enter into negotiations on any item for the length of this Agreement unless mutually agreed.

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the Employees and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community.

To these ends the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 1 - RECOGNITION

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining with respect to rate of pay, wages, hours, and other conditions of employment for the term of this Agreement of all full-time and part-time custodial/maintenance employees, excluding bus drivers, office clerical employees, administrative employees, supervisors as determined by the commission and all other school employees.

ARTICLE 2 - DEFINITION OF EMPLOYEES

- A. The term employee and employees as used in this Agreement shall mean a regular employee or regular employees within the bargaining unit represented by the Union, except for irregular temporary employees and students who are excluded from the bargaining unit.

- B. The term "irregular temporary employee" as used in this Agreement shall mean an employee whose employment is either full or part-time but limited to a maximum duration of not more than ninety (90) day periods and for:
1. A specific project.
 2. The purpose of relieving regular staff members who are absent due to illness, leave of absence, or vacations.
 3. Augmenting the regular staff to meet requirements of the system.
- C. Irregular temporary employees shall not be used to deprive employees of ad hoc overtime opportunities that may arise from time to time. The use of irregular temporary employees shall not be the cause of any layoff or reduction in hours of regular employees. The Employer may use government-funded workers in the same manner and under the same conditions as irregular temporary employees. The Union will not withhold its concurrence without just cause. Additionally, irregular temporary employees, nor government-funded workers shall be used in consecutive 90 day periods to do the work of a bargaining unit position that has been vacated by resignation, retirement, abandonment, discharge or quit, in order to avoid the posting and filling of that position according to the procedures of Article 20 of this Agreement.
- D. Use of Irregular Temporary Employees During a Layoff: If, after a layoff occurs, the District needs to augment the regular staff to meet requirements of the system, and there are bargaining unit members currently on layoff, the parties agree to allow the use of irregular temporary employees as follows:
1. Such work shall first be offered by seniority to employees on the layoff list of July 1, 2006. Acceptance of such work shall be voluntary. The recall rights of those currently laid off shall not be impacted in the event a laid off employee declines.
 2. Such work may be performed on a full-time basis by up to four (4) laid off employees during the time period of May 1 – September 30.
 3. Employees who perform such work shall be considered in a lay-off status for the duration of the irregular temporary work, subject to recall to regular positions which may open. Upon termination of the irregular temporary job, the employee shall continue to be in a lay-off status.
 4. In the event there are not 4 laid-off employees who agree to accept irregular temporary work under this agreement, the District may hire from outside the layoff list to fill the remaining open positions. Employees hired from outside the list may be hired for a total of ninety (90) work days only between May 1 and September 30.
 5. Irregular temporary work shall be compensated at a rate set by the district.
 6. The employment of irregular temporary employees to augment the regular staff shall not result in depriving current employees of normal overtime opportunities; nor shall it result in limiting the number of new positions or vacancies.
- E. The term "student employee" shall mean any student of Hartland Consolidated Schools employed as set forth above or on a work-study program.

ARTICLE 3 - MANAGEMENT RIGHTS AND RESPONSIBILITIES

- A. The Board, on its own behalf and on behalf of the electors of the school district, hereby retains and reserves unto itself, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the school code and the laws of the state, the constitution of the State of Michigan and/or the United States. Such rights, duties shall include by way of illustration and not by way of limitation, the right to:
1. Hire qualified employees as may be required.
 2. The general care and custody of the schools and property of the district, and to make and enforce suitable rules and regulations for the general management of the schools and the preservation of the property of the district.
 3. Establish and carry on such grades, schools and departments as it shall deem necessary or desirable for the maintenance and improvement of the schools.
 4. To make reasonable rules and regulations relative to anything whatever necessary for the proper establishment, maintenance, management and carrying on of the public schools of the Hartland Consolidated Schools.
 5. Determine the services, supplies and equipment necessary to continue its operation and to determine all methods and means of distributing the above and establishing standards of operation, the means, methods and processes of carrying on the work.
- B. In meeting such responsibilities, the Board acts through its administrative staff. Such responsibilities include, without being limited to, the establishment of educational policies, the construction, acquisition and maintenance of school buildings and equipment, the evaluation, discipline, promotion and termination of employees; and the establishment and revision of rules and regulations governing and pertaining to work and conduct of its employees. The Board and administrative staff shall be free to exercise all of its managerial rights and authority.
- C. The Union recognizes that the Board has responsibility and authority to manage and direct, in behalf of the public, all the operations and activities of the school district to the full extent authorized by law, provided that such rights and responsibilities shall be exercised by the Board in conformity with the provision of the Agreement.
- D. The Employer agrees to comply with all reasonable requests for information which the Union requests to process any grievance or complaint.
- E. The parties agree to comply with Omnibus Transportation Act.

ARTICLE 4 - UNION RIGHTS AND RESPONSIBILITIES

- A. Union employees agree to uphold this Agreement, policies, rules, regulations and practices of the Board. Each employee accepts responsibility to strive for excellence in his work, and to take advantage of opportunities for continually improving his skills and relationship with his fellow workers and superiors.
- B. The President shall be allowed time off his/her job without loss of time or pay in accordance with the terms of this section to investigate grievances, attend disciplinary hearings, appeal hearings, special conferences and to discuss grievances with supervisors and/or stewards prior to reducing the grievance to writing, upon having received permission from the supervisor to do so.

At times which do not interfere with the normal operation of the school district, the supervisor will normally grant permission and provide sufficient time to the President to leave his/her work for these purposes. The privilege of the President leaving his/her work during working hours without loss of time or pay is subject to the understanding that the time will be devoted to the proper handling of the above mentioned, and will not be abused. The President will perform his/her regularly assigned work at all times, except when necessary to leave work to handle grievances as provided herein. Any alleged abuse by either party will be a proper subject for a Special Conference.

- C. The Union shall have the right to use school facilities within established Board policy for building use.
- D. The Union agrees to supply all information which the Board requests to process any grievance or complaint.
- E. Nothing in this Agreement shall be construed to deny or restrict an employee's rights under the Michigan General School Law or applicable civil laws.

ARTICLE 5 - HEALTH - PHYSICAL EXAMINATIONS

In order to provide continuing health protection for students and employees, it shall be the policy of the Board that:

- A. Upon initial employment, each employee at Board expense will be required to have a physical examination certifying that the individual is capable of carrying out his/her particular assignment.
- B. All employees must have once every three (3) years, a tuberculin skin test or chest x-ray. A certificate of freedom from tuberculosis must be filed with the Business Office prior to the opening of the school year or not later than fifteen (15) days after the first day of school. It is the employee's responsibility to obtain the above mentioned certificate. Failure to file said certificate by October 1 will result in withholding pay until such filing has been completed. The T.B. examination must have been taken within nine (9) months preceding the opening of school.
- C. A health certificate to be secured at Board expense, from a mutually agreed upon physician, attesting to the continuing employability of the employee, must be presented to the Board once every five (5) years after initial employment.

- D. The Union and the Board jointly recognize that substance abuse and/or emotional distress may be a serious problem adversely affecting an employee's job performance. The parties further agree that the goal of the Board and the Union to provide an environment conducive to a high quality education program for students requires that employees report for work fit for duty and not in an impaired state.

The Board agrees that any bargaining unit member with a substance abuse problem, or who is suffering severe emotional distress, and who requests diagnosis or treatment will not jeopardize his/her job rights or job security because of such request and that such problems will be handled in a confidential manner. An employee may utilize paid leave days and/or vacation as necessary for such treatment.

When an administrator/supervisor observes a bargaining unit member experiencing difficulties in maintaining his/her performance and those difficulties, in the opinion of the administrator/supervisor, are due to substance abuse/emotional distress, he/she may discuss the apparent difficulties with the bargaining unit member at a specially scheduled conference. The bargaining unit member shall be afforded the right to have appropriate Union representatives(s) present at such interview, unless the employee waives his/her right to such representation.

The parties concern is limited to problems that cause poor attendance and/or unsatisfactory performance on the job and the Board shall expressly retain the right to direct and/or enforce appropriate employee conduct as determined by the Board.

ARTICLE 6 - UNION SECURITY - UNION MEMBERSHIP

Employees covered by this Agreement at the time it becomes effective and who are members of the Union at that time shall be required as a condition of continued employment, to continue membership in the Union or pay a service fee to the Union as established by the Union for the duration of the Agreement.
- B. Employees covered by this Agreement who are not members of the Union at the time it becomes effective shall be required as a condition of continued employment to become members of the Union or pay a service fee established by the Union commencing thirty (30) days after the effective date of this Agreement and such conditions shall be required for the duration of the Agreement.
- C. Employees hired, rehired, reinstated or transferred into the bargaining unit after the effective date of the Agreement and covered by the Agreement shall be required as a condition of continued employment to become members of the Union or pay a service fee to the Union as established by the Union for the duration of the Agreement commencing the 30th day following the beginning of their employment in the unit.

- A. Payment by Check-off:

The Local Union will be notified by the Employer of the names of such employees following the end of each month in which the termination took place.

E. Disputes concerning membership:

Any dispute arising as to an employee's membership in the Union shall be reviewed by the designated representative of the employer and a representative of the Association, and if not resolved may be decided at the final step of the grievance procedure. No employee will be terminated during any internal Union appeal relative to the level of service fees.

F. Upon appropriate written authorization from the bargaining unit member, the Board shall deduct from the salary of any such bargaining unit member no later than the next payroll date after all required documents are submitted and verified, and make appropriate remittance for MEA-FS, MEA-sponsored programs (tax-deferred annuities, auto insurance, homeowner insurance, etc.), MESSA programs not fully Employer-paid, credit union, savings bonds, charitable donations, MEA/PAC/NEA-PAC contributions or any plans or programs jointly approved by the Association and Employer, to a maximum of five (5) deductions per pay beyond the standard deductions, provided that once such deduction is authorized, it shall be subject to change only at the beginning of each subsequent semester except those deductions required because of a loan through the credit union shall be accommodated. Only one such deduction shall be used by an employee for a tax-sheltered annuity.

ARTICLE 8 - STEWARDS AND ALTERNATE STEWARDS

A. The building Stewards, during their working hours, without loss of time or pay, may in their own building for which they are responsible, in accordance with the terms of this section, investigate and present grievances to the Employer, upon having received permission from his/her supervisor to do so. At times which do not interfere with the normal operation of the school district, the supervisor will normally grant permission and

provide sufficient time to the Steward to leave his/her work for these purposes. The privilege of building Stewards leaving their work during working hours without loss of time or pay is subject to the understanding that the time will be devoted to the proper handling of grievances and will not be abused; the building Stewards will perform their regularly assigned work at all times, except when necessary to leave their work to handle grievances as provided herein. Any alleged abuse by either party will be a proper subject for a Special Conference.

- B. The Union shall keep the Employer advised in writing of the names of all officers, stewards or alternate stewards.

ARTICLE 9 - SPECIAL CONFERENCES

- A. Special Conferences for important matters will be arranged between the President and the Employer or its designated representative upon the request of either party. Such meetings may be between at least two (2) representatives of the Union and two (2) representatives of management. Arrangements for such Special Conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in a Special Conference shall be confined to those included in the agenda.

Conferences shall be held at mutually agreed times. The members of the Union shall not lose time or pay for time spent in such Special Conferences. This meeting may be attended by a representative of the Association. The members of the Union shall not lose time or pay for time spent in negotiating sessions as an official member of the Union negotiating team. There shall be no more than three (3) Union members negotiating on company time at any one time.

- B. The Union representative may meet at a place designated by the employer on the employer's property for at least one-half hour immediately preceding the conference with the representatives of the employer for which a written request has been made.

ARTICLE 10 - GRIEVANCE PROCEDURE

- A. A claim by an employee or the Union that there has been a violation, misinterpretation or misapplication of any provision of this Agreement, may be processed as a grievance as hereinafter provided.
- B. In the event that an employee believes there is a basis for a grievance, they shall, within five (5) work days of the date of the occurrence or event which gave rise to the grievance, first discuss the alleged grievance with their immediate supervisor either personally or accompanied by a Union Representative.
- C. If as a result of the informal discussion with the immediate supervisor a grievance still exists, the formal grievance procedure may be invoked on the form set forth in Appendix C signed by the grievant and a representative of the Union. The grievance form should include an identification number as established by the Union, based upon calendar year and grievance number (e.g., 91-1, 91-2, 92-1). A copy of the grievance form shall be delivered to the immediate supervisor within ten (10) working days of the date of the informal meeting. If the grievance involves more than one supervisor or building, it may be filed with the Assistant Superintendent for Business and Operations.

- D. Within three (3) work days of receipt of the grievance, the immediate supervisor shall meet with the Union in an effort to resolve the grievance. The supervisor shall indicate their disposition of the grievance in writing within five (5) work days of such meeting to the Union.
- E. If the Union is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) work days of such meeting, the grievance shall be transmitted within five (5) work days by the Union to the Assistant Superintendent for Business and Operations. Within five (5) work days the Asst. Supt. for Business and Operations or his designee shall meet with the Union Steward on the grievance and shall indicate his disposition of the grievance in writing within ten (10) work days of such meeting, to the Union.
- F. If the Union is not satisfied with the disposition of the grievance by the Assistant Superintendent for Business and Operations, or if no disposition has been made within ten (10) work days of such meeting, the grievance shall be transmitted to the Superintendent within ten (10) work days by filing a written copy thereof. Disposition of the grievance in writing by the Superintendent shall be made no later than ten (10) work days thereafter in writing to the Union.
- G. If the Union is not satisfied with the disposition of the grievance by the Superintendent or if no disposition has been made within the ten (10) work day period, the Union may submit the grievance to binding arbitration before an impartial arbitrator by filing a demand for arbitration with the American Arbitration Association within fifteen (15) work days of the Superintendent's disposition or the deadline for the disposition.
- H. The arbitrator shall be selected according to the rules of the American Arbitration Association that shall likewise govern the arbitration proceedings. The Board and the Union shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, ignore, modify, add to, or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator made within the scope of his authority under this Agreement. The fees and expenses of the arbitrator shall be shared equally by the parties.
- I. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties.
- J. If an individual employee has a grievance that he/she desires to discuss with a supervisor, he/she is free to do so without recourse to the grievance procedure. However, the disposition of a grievance shall not be inconsistent with the terms of this Agreement.

ARTICLE 11 - DISCHARGE AND DISCIPLINE

The right to discharge or discipline employees shall remain in the sole discretion of the Employer, but no discharge or discipline shall be made without just cause.

- A. Notice of discharge or discipline: The Employer agrees promptly upon the discharge or discipline of an employee to notify in writing the local unit's President or designee.

- B. The discharged or disciplined employee will be allowed to discuss his/her discharge or discipline with the President and the Employer will make available an area where he/she may do so before he/she is required to leave the property of the Employer. Upon request, the immediate supervisor will discuss the discharge or discipline with the employee and the President.
- C. **Appeal of Discharge or Discipline:** Should the discharged or disciplined employee or the President consider the discharge to be improper, a grievance shall be presented in writing through the President to the immediate supervisor within three (3) regularly scheduled working days after receiving the grievance. If the decision is not satisfactory to the Union, the matter shall be referred to the grievance procedure at Level Two.
- D. **Use of Past Record:** In imposing any discipline on a current charge, the Employer will not take into account any prior infractions which occurred more than two (2) years previously nor, for any employees initially hired prior to January 26, 2009, impose discipline on an employee for falsification of his initial Employment Application after a period of two (2) years from his initial date of hire.
- E. If any employee for whom a grievance is sustained shall be found to have been unjustly discharged, the employee shall be reinstated with full reimbursement of all compensation lost. If the employee shall have been found to have been improperly deprived of any compensation, the same or its equivalent in money shall be paid to them.

ARTICLE 12 - SENIORITY - PROBATIONARY EMPLOYEES

- A. New employees hired in the unit shall be considered as probationary employees for the first 60 calendar days of their employment. When an employee finishes the probationary period, he shall be entered on the seniority list of the unit and shall rank for seniority from the date of hire. There shall be no seniority among probationary employees. Probationary employees shall not be eligible for Holiday pay.
- B. The Union shall represent probationary employees for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in Article 1 of this Agreement, except discharged and disciplined employees for other than Union activity.
- C. Seniority shall be on a bargaining unit wide basis in accordance with the employee's last date of hire. The seniority of part-time employees shall be prorated in relation to seniority acquired by full-time employees. Should two or more employees have a common date of hire, ranking among them shall be determined by first distinguishing between those who have past experience in custodial-maintenance work with the employer prior to their date of hire and those who do not have such past experience. Those with such past experience shall be ranked above those who don't. Should two or more employees remain tied in rank within the two groups of those with past experience and those without, ranking among the tied employees within the respective groups shall be determined by ranking the employees according to the last four digits of their social security numbers. The highest four digits designate the highest rank position.

ARTICLE 13 - SENIORITY LISTS

- A. Seniority shall not be affected by the race, sex, marital status, or dependents of the employees.
- B. The seniority list on the date of this Agreement will show the names and job titles of all employees of the unit entitled to seniority.

The Employer will keep the seniority list up-to-date at all times and will provide the President with an up-to-date copy, annually or on request.

ARTICLE 14 - LOSS OF SENIORITY

An employee shall lose his seniority for the following reasons only:

- A. He quits.
- B. He is discharged and the discharge is not reversed through the procedure set forth in this Agreement.
- C. If he does not return to work when recalled from layoff as set forth in the recall procedure.
- D. Employees shall not accrue seniority during layoff but shall be frozen from the date of layoff.

ARTICLE 15 - SENIORITY OF OFFICERS AND STEWARDS

In the event of a layoff only, the unit's President and Vice-President shall continue to be employed as long as jobs remain in their classifications requiring their services. Stewards and the unit's secretary shall in the event of a layoff, be credited with one (1) year of additional seniority with regard to job retention, providing that they have the ability to do the work available. The steward shall add this additional year to his/her current seniority prior to utilizing his/her rights under Article 17 and the additional year shall be exclusively for the purpose of layoff and recall.

ARTICLE 16 - SUPPLEMENTAL AGREEMENTS

All proposed supplemental agreements shall be subject to Good Faith negotiations between the Employer and the Union. They shall be approved or rejected within a reasonable period of time following the conclusion of negotiations.

ARTICLE 17 - LAYOFF DEFINED

- A. The word "layoff" means a reduction in the working force due to a decrease of work, or lack of funds.

When a position is eliminated by the employer, the employee in the eliminated position is considered to be on a layoff. When a layoff occurs, the employee is in "layoff status". This is not to be interpreted to mean that the employee is automatically "on the street". The employee in "layoff status" has the option to use his/her seniority to bump a less senior employee in an equal or less classification in accordance with Article 17 B.

- B. If it becomes necessary for a layoff, the following procedure will be followed: "Irregular temporary employees", followed by probationary employees will be laid off first. Seniority employees will be laid off according to inverse seniority as defined in Article 12 C. and Article 15. In proper cases exceptions may be made. Employees laid off shall be allowed to use their seniority to bump less senior employees in equal or lower pay classifications provided they have the ability to perform the work of that classification (see AAA arbitration case #54 39000754 06, award dated 4-9-07). Disposition of these cases will be a proper matter for Special Conference and if not resolved, it shall then be subject to the final step of the grievance procedure.
- C. Employees to be laid off will have at least thirty (30) calendar days' notice of layoff. The President shall receive a list from the Employer of the employees being laid off on the same date the notices are issued to the employees.
- D. Employees may accept a layoff voluntarily on a high seniority basis. Once laid off, the employee shall not be able to return to work except through the normal recall process. A laid off employee's name will be removed from the seniority list after a period of ten (10) years. Employees who are employed with the district or on the lay-off list as of January 26, 2009 shall be excluded.

ARTICLE 18 - RECALL PROCEDURE

When the working force is increased or a vacancy occurs and there are employees on layoff, employees will be recalled according to seniority, as defined in Article 12 C and Article 15 according to the following procedure:

1. A new or vacant position shall first be posted internally for active employees, according to Article 20 A. Upon completion of the posting process, a qualified employee on layoff shall be recalled in order of seniority to the resulting vacancy.

In order to be deemed qualified the most senior employee on the recall list shall be offered the opportunity to take the qualifying tests, if not already qualified. Upon passing the tests, the employee shall be recalled to the position. Taking the tests is at the employee's option, and declining the opportunity shall not affect the employee's recall status.
2. Notice of recall shall be sent to the employee at his last known address by registered or certified mail. If an employee fails to report for work within ten (10) calendar days from date of mailing of notice of recall he shall be considered a quit.
3. No new employee shall be hired in a position until all laid off employees qualified to perform the position have been given an opportunity to return to active duty in that position.

ARTICLE 19 - TRANSFERS

If an employee is transferred to a position under the employer not included in the unit and is thereafter transferred again to a position within the unit, he/she shall not have accumulated seniority while working in the position to which he/she was transferred.

ARTICLE 20 - JOB VACANCIES, SHIFT PREFERENCE AND NEW POSITIONS

- A. Job vacancies within the bargaining unit shall be filled on the basis of seniority and qualifications. Job vacancies will be posted for a period of five (5) working days, setting forth the minimum requirement for the position in a conspicuous place in each building. Employees interested shall apply within the five (5) working days posting period. The senior employees applying and who meet the minimum requirements shall be granted a thirty (30) working day trial period to determine his ability to perform the job. The trial period for transfer within classification will be reduced to fifteen (15) working days.

The Employer shall reserve the right to utilize testing (practical/written) to determine qualifications, subject to the following conditions:

1. The Employer shall determine the passing score if a test is to be administered and include in the posting that a test is required, along with notice of what constitutes a passing score.
2. The Union President shall have the opportunity to review the test and offer recommendations.
3. The test shall be reasonably related to expected job duties.
4. The test shall be administered under uniform conditions.
5. Test results will be reviewed with the individual employee upon request.
6. The Employer agrees not to initiate written tests for custodian/head custodian positions.

In the event the senior applicant is denied the promotion, reasons for denial shall be given in writing to the employee with a copy to the President; in the event the senior applicant disagrees with the reasons for denial it shall be a proper subject for the grievance procedure, at the Second Level.

- B. During the 30 working day trial period, the employee shall have the opportunity to revert back to his/her former classification. If the employee is unsatisfactory in the new position, notice and reasons shall be submitted to the employee in writing by the Employer with a copy to the President. The matter may then become a proper subject for the Second Level of the grievance procedure.
- C. An employee reverting back to his/her former classification shall not be eligible for another trial period for six (6) months following his/her return.
- D. During the trial period, employees will receive the rate of the job they are performing.
- E. The District may add part-time employees to the workforce, limited to a ratio of one part-time employee to four full-time employees as follows: For the current work force of thirteen (13), three (3) part-time employees may be added. When the full-time work force reaches sixteen (16), a fourth part-time employee may be added. Part-time positions shall be defined as not

less than four (4) hours and not more than six (6) hours per day. Employees in these positions are not eligible to receive health benefits. Part-time positions shall not replace any current bargaining unit positions. The District must maintain at least thirteen (13) full-time positions in order to add any part-time positions.

When possible, the District will give consideration for flexible hours in order to allow laid off employees to return to part-time positions.

F. The District may add 44-week employees to the workforce. 44-week positions shall be defined as 44 consecutive weeks with eight (8) weeks off, unpaid. The District will determine the start and end dates for 44-week employees based on operational needs. Employees in these positions will earn 10 sick days, 4 personal business days, and one (1) week of vacation. Employees in these positions are eligible to receive health benefits. 44-week positions shall not replace any current bargaining unit positions.

G. When it is known or expected that a head custodian will be off work for at least three (3) consecutive work days, the position and responsibilities will be filled as follows:

In subsequent evaluations, failure to again note a specific deficiency shall be interpreted to mean that adequate improvement has taken place.

Between the
Hartland Consolidated Schools
And the
Hartland Custodial Maintenance Association**

403(b) Plans

The Board and the Association recognize the importance of each employee pursuing an active retirement savings program and in providing sound investment alternatives to assist them in achieving their retirement savings goal. The Board and the Association will work together to implement an IRS approved 403(b) Plan Program. This program shall include an IRS compliant Plan Document which may be administered by a third party administrator (TPA). The third party administrator with which the Board has presently contracted to perform support services in administering the District's 403(b) plan has not proposed to assess a fee to the Board, the bargaining unit members or the 403(b) investment providers or sales agents for its services. Bargaining unit members will, however, be responsible for any costs or fees assessed by an investment provider and/or investment sales agent in connection with an investment selected by the bargaining unit member under the 403(b) plan. Should the current third party administrator or a future third party administrator propose to charge a fee for its services in administering the Plan, the Board will so notify the Association and provide the Association with an opportunity to bargain over the assessment of such fees to bargaining unit members and/or Plan investment providers/sales agents. The Plan Document, consistent with all legal requirements, has been provided for review and comment by the Association and will be adopted by the Board by December 31, 2008. All bargaining unit members are eligible to participate in the Plan. The parties agree that MEA Financial Services, along with any other mutually selected investment providers, shall be named as a vendor in the 403(b) Plan Document, subject to the same terms and conditions applicable, now or in the future, to other approved vendors and as appropriate under IRS regulations.

Additionally, the Plan Document shall allow for:

- a. Employer contributions, if mutually agreed upon.
- b. "Catch up" contributions as defined by the IRS.
- c. "Hardship" withdrawals as defined by the IRS.
- d. The ability of an employee to request and receive a loan as appropriate under 403(b) regulations.
- e. Acceptance of contributions to the Plan from monies generated by liquidation of another Plan (i.e., "rollover").
- f. An open enrollment period at least once each year that allows participating employees the ability to make changes in their deferral elections under the Plan.
- g. Any monies taken under a salary reduction agreement shall be remitted to the appropriate approved vendor under the Plan as soon as reasonably possible, but within fifteen (15) business days following the act of reduction of salary.

Any changes to the features of the Plan as described above will be mutually agreed upon by the Board and the Association. The Board will maintain the Plan in compliance with all applicable Internal Revenue Code Requirements and will give timely notice to the Association of any amendments to the Plan required for that purpose.
