- C. The time limits specified herein for movement of grievances through the process shall be strictly adhered to and may be extended by mutual consent of the parties in writing. In the event that the Union or Employee fails to appeal a grievance within the time limits stated in this procedure, the grievance shall be deemed abandoned or settled on the basis of the Board of Education's last written answer. In the event the Board of Education representative does not reply within the time limit specified, the grievance may proceed to the next step of the grievance procedure.
- D. On the "Statement of Grievance" form furnished by the Union, the Employee will indicate whether or not the Employee wants Union representation at the grievance hearings. The Employer agrees to supply all information which the Union requests to process any grievance or complaint.
- E. Grievances regarding disciplinary action shall begin at Step 2 of the grievance procedure.

STEP ONE

Within five (5) working days of an incident that forms the basis for a grievance or knowledge thereof, the Union and the Employee will present the grievance to the Employee's immediate administrator

with the objective of resolving the matter informally. Within five (5) working days after presentation of the grievance, the immediate administrator may give an answer verbally to the Employee.

The Employee may have the chief steward and/or chapter chairperson present. The Union must clearly indicate to the administrator whenever a concern is being expressed as a grievance. The statement of grievance on the grievance form shall name the Employee(s) involved, a statement of the facts giving rise to the grievance, identify all the provisions of the agreement alleged to be violated and indicate the relief requested with a copy given to the Union and the grievant at the time of the meeting.

STEP TWO

If the grievance is not resolved in Step One, the Union and/or the Employee must within five (5) working days after receipt of the administrator's answer of the Step One meeting, submit to the Assistant Superintendent of Human Resources a signed, written grievance which includes a "statement of grievance" signed by the individual Employee involved or an officer of the Union. The grievance shall name the Employee(s) involved, a statement of the facts giving rise to the grievance, identify all the provisions of the agreement alleged to be violated, and indicate the relief requested.

A meeting on the alleged grievance shall take place between the grievant, chief steward, chapter chairperson and/or a Council 25 or international representative and the Assistant Superintendent of Human Resources within ten (10) working days after receipt of the written grievance. The Assistant Superintendent of Human Resources shall render a written decision within ten (10) working days of the meeting.

STEP THREE

If the grievance is not resolved at Step Three, it may be submitted to mediation by mutual agreement of the parties within five (5) working days of the decision at Step Two.

STEP FOUR

If the District and the Union are unable to resolve any grievance, the grievance may be submitted to arbitration within thirty (30) working days after the decision of the superintendent. The grievance shall be considered submitted to arbitration when written notice is submitted to the superintendent by the Union informing the District of the Union's intent to arbitrate the grievance.

AFSCME Council 25 Arbitration Department shall send a list of ad-hoc arbitrators to the superintendent within sixty (60) working days following submission of the notice to arbitrate to see if the parties can mutually accept an arbitrator.

If the parties are unable to agree to an arbitrator within ten (10) working days of the superintendent's receipt of the list of ad-hoc arbitrators, the case will be filed with the American Arbitration Association. In either case, the parties will be bound by the rules and procedures of the American Arbitration Association.

Authority of the Arbitrator

The arbitrator shall have no power or authority to alter, add to or subtract from the terms of this agreement. Neither the Board nor the Union shall be permitted to rely on any evidence not

previously disclosed to the other party. Both parties agree to be bound by the award of the arbitrator.

Each party will bear the full cost of its side of the arbitration and will pay one-half (1/2) of the cost for the arbitrator. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

All arbitration hearings shall be governed by the rules of the American Arbitration Association.

- F. Any written agreement reached between the Employer and the Union is binding on all Employees affected and cannot be changed by an individual.
- G. The grievant must be present at any and all grievance hearings, unless it is agreed by both parties to postpone the grievance hearing.
- H. If the chief steward is unable to attend the grievance hearing as indicated in the grievance steps because of extenuating circumstances, then the chapter chairperson may attend in place of the chief steward.
- I. It is understood that grievance problems will be handled at times other than when the Employee is at work, whenever possible. If, in the handling of a grievance, it becomes necessary for the steward and/or chapter chairperson to leave work, permission shall first be obtained from the supervisor or principal. The privilege of chief steward or chapter chairperson leaving work during working hours without loss of time or pay is subject to the understanding that such time shall be devoted to the proper handling of the grievance. This will be done as expediently as possible with as little interruption of work as possible. They must not leave their workstations unattended unless permission has been granted. This privilege will not be abused.
- J. All arbitration hearings shall be held in the school district whenever possible.

ARTICLE 10 - DISCIPLINE

- A. When the Employer deems it necessary to discipline an Employee, the Employer shall inform the Employee and the Union of the allegation in writing in advance of a due process meeting. The Employee may request Union representation. Employees who opt not to have Union representation shall sign a waiver of representation prior to any due process meeting. In the event an Employee opts not to have Union representation and refuses to sign the waiver, Union representation will be provided. The disciplined Employee will be allowed to discuss the disciplinary action with the chief steward and chapter chairperson in a private conference room on the Employer's property.
- B. If the Employee or Union representative believes the disciplinary action to be improper, the Employee or Union must file a written grievance, which will automatically begin at Step 2 of the grievance procedure and will be subject to the provisions of the grievance procedure in Article 9.

ARTICLE 11 –PROBATIONARY EMPLOYEES

- A. Probationary Employees shall be on probation for a period not less than sixty (60) not more than one-hundred-twenty (120) working days as established for their positions. Upon completion of the probationary period, seniority shall be reverted to the hire date within the bargaining unit. The probation may be extended for any absences during said probationary period by the amount of said absences. The following provisions shall apply to all probationary Employees:
1. During this period of probationary employment, probationary Employees may be laid off or discharged as exclusively determined by the Board and shall not be subject to the grievance procedure.
 2. There shall be no seniority among probationary, outside temporary/substitute Employees.
 3. Probationary Employees shall not be eligible for Union membership for the first sixty (60) working days of employment. If the probationary period is extended, the Employee will not be represented by the Union for discipline or discharge.
 4. The Union shall represent probationary Employees only for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in this agreement and if the Employee is discharged or disciplined for Union activity.
 5. Probationary Employees shall not be eligible for leave days, except that accumulated leave days shall be granted an Employee upon the completion of their probationary period.
 6. Probationary Employees will only be eligible for fringe benefits effective on the first day of the month following the successful completion of the Employee's probationary period.
 7. The probationary period may be extended upon mutual agreement between Union and management.
 8. A probationary Employee shall not apply for any vacancy until the Employee has satisfactorily completed the probation period.

ARTICLE 12 - SENIORITY

- A. An Employee shall lose seniority and terminate employment if the Employee:
1. Voluntarily leaves employment.
 2. If absent for three (3) working days in any one (1) year without notifying the Employer. Such absence shall result in automatic discharge except for proven emergencies, and the Employee shall be so notified by mail at the Employee's last known address.
 3. If the Employee does not return to work when recalled from layoff as set forth in the agreement.

4. Employee is discharged and discharge is not reversed through the grievance procedure.

 7. Involuntary lay off for seven (7) years.
 8. If the Employee gives false reasons for a leave of absence or engages in any other employment during such leave without the permission of the Employer.
 9. Any Employee who falsifies information on the Employee's application for employment even if the falsity may come to light sometime after the Employee's date of hire or date of acquiring seniority.
- B. Seniority shall be the Employee's effective date of hire into the bargaining unit in a permanent position.
 - C. Seniority from outside the bargaining unit into the bargaining unit will not be allowed.
 - D. Seniority shall be reduced by the amount of calendar days an Employee is absent from work on an unpaid leave of absence or upon exhaustion of sick/personal business accruals.
 - E. The seniority list will show the names, job titles and seniority dates of all Employees of the unit entitled to seniority. If requested, the Employer will provide the chapter chairperson with a copy of the current seniority list every ninety (90) calendar days.

ARTICLE 13 - HOURS OF WORK

- A. The parties agree that the unique nature of the school district requires that not all Employees will report for work for the same period of time each year. The parties desire to establish equity between Employees who work different schedules during the year. To this end, the parties recognize the following categories of Employees:
 1. Permanent 12-Month Employees: Those whose normal work day is eight (8) hours and whose normal work week is forty hours, and who report for work year round except as provided elsewhere in this agreement.
 2. Employees working four (4) hours or more, but less than six (6) are entitled to \$12,000. The provisions of the group policy and the rules and regulations of the carrier shall govern as to commencement and duration of benefits and all other aspects of coverage. This policy shall become effective thirty (30) days after ratification and Board approval, whichever is later, and continue during all vacation and regular summer recess periods as long as the individual remains an Employee of the Board of Education.

G. Long Term Disability (LTD)

The Employer shall provide a LTD plan which will cover Employees working six (6) hours or more per day or thirty (30) hours or more per week for 60% of the Employee's salary after a waiting period of 90 days. Said compensation, as described above, is subject to the terms of the contract with the respective insurance carrier.

K. ~~Differences between Employees or beneficiaries of Employees and any insurance company shall not be subject to the grievance procedure.~~

L. Subject to the terms of the contract with the respective insurance carriers, it is the intent of the parties that insurance benefits provided for in this Article shall commence on the earliest date possible according to the terms of the insurance carrier's contract, after the probationary period.

The information in this document is based on BCBSM's current interpretation of the Patient Protection and Affordable Care Act (PPACA). Interpretations of PPACA vary and the federal government continues to issue guidance on how PPACA should be interpreted and applied. Efforts will be made to update this document as more information about PPACA becomes available. This BAAG is only an educational tool and should not be relied upon as legal or compliance advice. Additionally, some PPACA requirements may differ for particular members enrolled in certain programs, and those members should consult with their plan administrators for specific details.

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay.
