**FOREWARD**

The Van Dyke Association of Educational Office Personnel is a reflection of maturity and acceptance of professional responsibility. This Association stimulates full professional awareness, morale, and self-respect; it brings the office personnel together to study and discuss their problems, and it develops a more efficient and professionally-minded staff. The Association elevates the standards of the educational office personnel by the exchange and pooling of information, ideas and ideals, and it tends to improve the quality of their service to the school and community.

This contract between the Board of Education and the Van Dyke Association of Educational Office Personnel has one primary purpose--to furnish a common understanding of the philosophy, policies, and planning of the Van Dyke Public Schools in regard to office personnel. Such understanding, it is hoped, will produce a uniformity of practice and a conformity of effort. The aim of this contract is to transcribe policy into practice and to secure a consensus of understanding and a uniformity of practice in specific regulations.

It is intended that the administration, as well as all office personnel, become familiar with these policies and that they will keep a copy of this guide in a convenient place for ready reference.

## AGREEMENT

This Agreement entered into this 1st day of July, **2015**, by and between the Board of Education of the Van Dyke Public Schools, City of Warren, Michigan: its successors and assignees, hereinafter called the "Board" and the Van Dyke Association of Educational Office Personnel, hereinafter called the "Association."

This Agreement shall be effective as of the 1st day of July, **2015**, and shall remain in full force and effect until the 30th day of June, **2017**. At the end of the school year, this Agreement will be re-opened to determine the next year calendar. Either party shall notify the other, in writing, sixty days prior to the expiration date that it desires to modify this Agreement. In the event such notice is given, negotiations shall begin not later than thirty days prior to the expiration date.

In the event that any provisions of this Agreement shall, at any time, be held contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for doing so, such provision shall be void and inoperative and shall be renegotiated, however, all other provisions of this Agreement shall continue.

**ARTICLE I****RECOGNITION**

The Board of Education, Van Dyke Public Schools, hereby recognizes the Association as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, for all office personnel employed as secretaries to those positions listed in the classifications of the salary schedule, Article XVIII, excepting therefrom substitute secretaries, all aides of every type, student help, trainees, paraprofessionals, and supervisors. The term "secretary" when used hereinafter in this Agreement shall refer to all employees represented by the Association in the bargaining unit as defined above.

## ARTICLE II

### RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the authority of the law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any secretary in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the constitution of Michigan and the United States; that it will not discriminate against any secretary with respect to hours, wages, or any terms or conditions of employment by reason of membership in the Association, participation in any activities of the Association or collective professional negotiations with the Board or institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. The Board agrees to furnish to the Association in response to reasonable requests from time to time all available information concerning the financial resources of the district, tentative budgetary requirements and allocations, and such other information as will assist the Association in developing intelligent, accurate, informed, and constructive programs on behalf of the office personnel, together with information which may be necessary for the Association to process any grievance or complaint.

Whenever any vacancy in any office personnel position in the District shall occur, the position shall be discussed with the Association prior to the Board publicizing same by giving a written notice to be posted in every building. Upon the occasion when staff members are dismissed for weather emergencies, members of the organization will be dismissed as soon as such action is reasonably feasible.
- D. If any article or provision of this Agreement is found to be invalid by court of competent jurisdiction, the parties agree to meet and modify the article to comply with the law.

**ARTICLE XVIII**

A. PRORATION FORMULA (TEN-MONTH EMPLOYEES):

The total days (days worked plus paid holidays) of the secretary working less than twelve (12) months shall be divided by the total days (days worked plus paid holidays) of the twelve-month secretary to determine the percentage used to prorate vacation pay for secretaries working less than twelve (12) months. Any person hired on or after July 1, 1996, will not receive vacation time or pay in a ten-month position.

B. WAGE SCHEDULE:

**2015-2016** salary schedule: (see page 26)

C. When scheduled days of student instruction are not held because of conditions not within the control of school authorities, such as severe weather, fires, epidemics, mechanical breakdowns or health conditions, as defined by city, county or state authorities, ten (10) month secretaries will not work. Canceled days will be rescheduled and made up at the end of the school year, and ten-month secretaries will have their work-year extended by the same number of days that were canceled. Ten-month secretaries will receive their regular pay for days which are canceled but shall work on any extended days with no additional compensation.

Twelve-month employees, who do not report to work for any of the aforementioned reasons, will be charged a vacation or Personal/Health Day for each occurrence that results in an extended work year for ten-month employees and will be required to specify on an absence authorization form whether they wish to be charged for a vacation or Personal/Health day. A twelve-month employee will not be charged a vacation or Personal/Health day if the twelve-month employee chooses to work on cancelled day(s) or if the employee and immediate supervisor, with the approval of the Superintendent, agree on a time the employee can make up the missed day(s), prior to the next school year.
