#### **9.3.1 Definition**

A claim by an employee, or the UNION that there has been a violation, misinterpretation or misapplication of any provision of this Agreement and/or written employee personnel policies directly applicable to wages, hours or conditions of employment adopted by the BOARD may be processed as a grievance hereafter provided.

Any Special Education Paraprofessional must be represented at all meetings, all hearings, and all steps of the grievance and/or arbitration process by the UNION.

### 9.3.2 Grievance Procedure

**Step 1:** Within five (5) working days of the time a grievance arises, an employee shall take the matter up with a Supervisor or Building Administrator in an effort to resolve the matter informally. In the event the matter is not resolved informally, may proceed to Step 2.

**Step 2:** If the grievance is not resolved in Step 1, it shall, within five (5) working days of the meeting at Step 1, be reduced to writing on a grievance form and presented to the Assistant Superintendent. The written grievance shall be filed within ten (10) working days of the alleged violation. The written grievance shall name the employee(s) involved, shall state the facts giving rise to the grievance, shall identify all provisions of this Agreement alleged to be violated by appropriate reference, shall state the contention of the employee and of the UNION with respect to these provisions, shall indicate the relief requested. The BOARD shall give the employee an answer in writing, no later than five (5) working days after receipt of the written grievance, with a copy to the UNION representative.

**Step 3:** If the grievance is not resolved in Step 2, the UNION, within five (5) working days after receipt of the answer in Step 2, may appeal the grievance to the Superintendent or a designee for a written answer. The appeal should be in writing and shall contain the reasons for the appeal and a copy of the Assistant Superintendent's decision in Step 2. Within seven (7) working days the Superintendent or a designee shall meet with the UNION on the grievance and shall indicate disposition of the grievance in writing within five (5) working days after such meeting with a copy to the UNION.

**Step 4:** Within fifteen (15) working days after delivery of the decision of the Superintendent or his designee on any grievance as defined herein, either party may at its option submit the grievance, if not settled, to arbitration by written notice delivered to the other party. In this event, if the parties are not able to agree upon a mutually acceptable arbitrator within ten (10) working days after the receipt of such notice, either party may within five (5) working days after the written notice, request that the American Arbitration ASSOCIATION select an arbitrator under its rules which likewise govern the arbitration proceeding.

The BOARD and the UNION shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement, or BOARD rule, order, policy or regulation. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

If either party disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall first determine the question of arbitrability unless the party disputing arbitrability agrees otherwise. In the event that a case is appealed to an arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

The arbitrator's fees and the expenses of arbitration shall be shared equally by the BOARD and the UNION. The expense and compensation of any person called as a witness or otherwise participating in the arbitration shall be paid by the party calling such witness or requesting such participation.

### **9.3.3 Time Limits**

Any appeals not properly processed within the applicable time periods shall be considered settled on the basis of the last answer given by the respective school authority.

Time limits may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the parties shall use their best efforts to process such grievances prior to the end of the school term or as soon thereafter as possible.

### **9.3.4 Claim for Back Wages**

No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at the regular rate. Sick leave would be deducted at a proportional rate until such time as all of the employee's accumulated sick leave has been exhausted, at which time, if eligible, application can be made to the sick leave bank. Remuneration will be made from the sick bank in the same manner as outlined above. The accumulated sick days and the sick bank shall be charged only for that portion in excess of the compensation payment. If the employee uses up all their sick days, they will then be responsible for their own MIP contributions.
  - 3. If the employee chooses not to use accumulated sick days while on Worker's Compensation, they must notify the district of their intent. If the employee does not use sick days, they will then be responsible for their own MIP contribution.
- B. Income protection under the Michigan Worker's Compensation Act will not commence until the employee is off duty for seven (7) consecutive calendar days. Up until that time, sick leave days will be deducted. If an employee is off for fourteen (14) consecutive days as the result of the alleged injury or sickness, all deducted sick leave days would be deducted at a proportional rate until such time as all of the employee's accumulated sick leave has been exhausted. The accumulated sick days shall be charged only for that portion in excess of the compensation payment.
- C. Employees will lose no time or pay and will not be charged any sick leave for any required visits or return visits to the employer's medical clinic or employee's treating physician.

All requests for such leave will be made to the Director of Personnel. When the need is foreseeable, notice will be given thirty (30) days before the start of the FMLA leave. If it is not possible for the employee to give thirty (30) days notice, the employee will give as much notice as is practicable. Proper certification of the reason for the leave must be provided.
- B. An employee shall use all available leave time (i.e., sick leave, personal leave, and/or vacation leave) for all or part of the duration of the FMLA leave, with any balance of time being without pay. At the end of the FMLA leave, the employee will be returned to his/her position held prior to the leave. Failure to return to work following the FMLA leave for a reason other than: (1) the continuation, recurrence, or onset of a serious health condition which would entitle an employee to FMLA leave or (2) other circumstances beyond the employee's control, may require the employee to reimburse the district for its share of health insurance premiums paid on behalf of the employee during the FMLA leave without prior permission in writing from the district to extend the leave will be considered abandonment of the employee's job, resulting in the termination of employment.

## **9.9 VACANCIES, REDUCTIONS, RECALLS & ASSIGNMENTS**

### **9.9.1 VACANCIES**

#### **9.9.1.1 Posting Procedure**

- A. Whenever a new position is created, whether temporary or permanent, or any vacancy in any Special Education Paraprofessional position in the district shall occur, the BOARD shall give written notice of such vacancy to the UNION, notifying those on lay off, and providing for appropriate posting in every school building during the school year. No vacancy shall be filled, except in case of emergency on a temporary basis, until such vacancy shall

have been posted for at least seven (7) calendar days, three (3) working days for members.

The posting will indicate the rate of pay and job duties.

Upon the closing date of the posting, a copy of the bid sign-up sheet will be sent to the Union President the following day. The Board will attempt to fill the position within seven (7) calendar days of the close of the posting.

When no bargaining unit member has applied for an open position, the district shall form a hiring committee in order to evaluate candidates for each open position. The UNION and the BOARD shall mutually agree to the appointment of one current employed Special Education Paraprofessional to this committee.

- B. In the period between school closing in June and reopening in August, the BOARD shall publicize vacancies by email and posting on the Human Resources Blackboard site. All postings will also be mailed to any employee on the layoff list. No vacancy shall be filled during this time except in case of emergency on a temporary basis, until such vacancy shall have been posted for at least fifteen (15) calendar days.
- C. Future vacancies of more than 45 days but less than 1 year will be considered temporary vacancies, and will be filled according to the following guidelines:
  - Each such vacancy will be posted to the membership
  - When a member on active status moves voluntarily into a temporary position, s/he will retain his/her exiting benefits eligibility providing the temporary position posted is a benefits-eligible position.
  - If a member on active status who moves voluntarily into a temporary position occupied a position eligible for benefits before the transfer, his/her former position will become ineligible for benefits thereafter, unless and until the bumping employee returns to that position.
  - Temporary vacancies not filled by a member on “active” status will be offered to a member on laid-off status (if a layoff list exists). If a laid-off member accepts the position, s/he will be returned to active status, with the following proviso:
    - When a member from the layoff list fills a temporary position, the employer need provide benefits to only one member per benefit-eligible temporary position. If the benefits associated with the position are retained by a member on leave, no benefits will be offered to the formerly laid-off member who fills the temporary position.

If a temporary vacancy is not filled by an active or laid-off status bargaining unit member, the Employer reserves the right to sub the position for the duration of the temporary vacancy.

The temporary vacancy will be re-posted as a permanent vacancy at the end of one (1) year.

### **9.9.1.2 Application for Vacancy**

- A. Any employee may apply for such vacancy. In filling such vacancy, the BOARD agrees to hire on the basis of seniority (length of service in the district) and qualifications.

An employee (not on lay-off) may change positions no more than once in a school year, unless the position change entails an increase in pay or benefits.

- B. In the event an employee applies for a vacancy and is not given the assignment, the BOARD agrees to provide the employee, upon request, the reason or reasons for such refusal in writing. In the event the senior applicant disagrees with the reasons for denial, it shall be a proper subject for the grievance procedure.
- C. In the event that a member of the Union applies for a posted temporary position, he/she will return to his/her former assignment at the end of the temporary position.

## **9.9.2 REDUCTIONS IN WORK FORCE**

### **9.9.2.1 Positions**

- A. **Reductions - Layoff**  
Whenever it becomes necessary to eliminate or reduce one or more positions within the Special Education Paraprofessional unit, then there shall be a meeting of the Special Education Paraprofessionals to slot them into an assignment to a professional. Starting from the top of the list, each Special Education Paraprofessional will be slotted into his/her assignment if it still exists. The Special Education Paraprofessional whose assignment is eliminated shall then select from any assignment not already slotted. Any employee who is bumped into a different position shall later have the right of reverting to his/her former position if it becomes available. This right to revert does not apply once the opportunity to revert is not accepted.
- B. **Disagreement**  
Any disagreement regarding reduction of work hours for a position, whether permanent or temporary, will be subject to grievance.
- C. **Slotting Procedure**  
When positions are being reduced resulting in employee layoffs, a slotting meeting will be held involving any employees who have the potential to be affected by such reductions. However, if positions are being changed and/or switched, the representatives from the BOARD will sit down with the Union Executive Board and determine a procedure for accomplishing this.

If this cannot be worked out among the representatives, then a slotting meeting will be scheduled.

### **9.9.2.2 Voluntary Layoff**

An employee may volunteer for layoff provided that the following are understood as condition of the layoff:

- A. The duration of the layoff could be any period of time from a week to a year.
- B. The employee on voluntary layoff may exercise qualifications and seniority to bid on any posted position.
- C. The employee on voluntary layoff may choose not to accept a recall as long as there are other laid off employees qualified for recall. If there are none, or none accept, then the employee on voluntary layoff must accept the recall or resign.

However, if the position available is not comparable in hours and benefits, the employee may continue the layoff for up to one (1) calendar year (regardless of time in the bargaining unit prior to layoff).

- D. In the event that the voluntary layoff lasts all year, then the employee shall be reassigned to his/her former position. If that assignment no longer exists, then he/she shall exercise seniority to select an assignment. The employee will receive a letter at the time of layoff from the Personnel Office stating the date by which he/she must choose an assignment or resign.

### **9.9.2.3 Substitute When Laid-Off**

The BOARD shall assign and utilize laid-off employees as substitutes at Step 0.

### **9.9.3 RECALL**

- A. Whenever a position is created or vacated, the posting process will be satisfied. The resulting vacancy will be offered to those Special Education Paraprofessionals on layoff in seniority order. Such offer shall be by certified mail, return receipt requested, to the address of record.

No response within five (5) work days of receipt of the offer shall be considered a quit. However, where there is an offer of a position of less than full time or less hours than previously worked, the Special Education Paraprofessional may refuse recall without loss of future recall rights.

- B. Failure to respond within the above named period shall terminate the employee's seniority rights, except an employee on layoff who is sick or otherwise incapacitated shall notify the BOARD of his/her intent to return as soon as possible. And from the date of such notification, such employee shall be deemed to be on unpaid sick leave. A substitute position of this nature shall be offered by seniority to any remaining employees who are on layoff.
- C. However, an employee shall remain on the layoff list and subject to recall for as long as the period of time as such employee has been employed by the district prior to layoff or a maximum of two (2) years, whichever is less.

Seniority shall accrue for up to one (1) year and then be frozen.

#### **9.9.4 Job Sharing**

The BOARD and the UNION agree that the sharing of assignments will be done under the conditions listed below. These bargaining unit members agree to these conditions by their signatures.

- A. Two employees agreeing to share a position will submit a written request for job sharing to the Personnel Director. A job may be shared by semesters or by days, and is a full year commitment by the employees involved. A job share will begin at the start of the school year or at the beginning of a semester.
- B. The two employees, the supervisor involved, the Personnel Director and the UNION recognize the importance of compatibility in a successful partnership.
- C. Prior to approval, the supervisor and the employees will have worked out the arrangements for division of duties and other responsibilities.
- D. Hourly rate will be at the appropriate step for each employee as listed in the Agreement.
- E. The BOARD will pay no more than the cost of one (1) benefit plan for one assignment. The employees may divide the benefit package in a mutually agreeable fashion.
- F. The sharing employees understand that the Michigan Teacher Retirement Board grants partial-year credit for less than full-time work.
- G. Each of the sharing employees shall be granted full district seniority credit during this assignment.
- H. Job sharers may substitute at their regular rate of pay to cover each other's days of absence.

#### **9.9.5 Assignment**

By June 1, the BOARD will notify each employee of their work assignment for the next school year. Upon notification to the employees, no changes will be made in the assignment unless for reasons of economic necessity, insufficient enrollment or funding changes in a program which requires staffing adjustments.

After assignment to a position and satisfactory performance therein, an employee shall expect to remain in such assignment unless moved under the provisions of this contract.

If changes in assignment or involuntary transfer of an employee are to occur, they can only be made for just cause and the following procedure will be used.

1. Volunteers will be requested and considered by seniority.

2. The least senior employee with comparable hours and benefits will be considered.
3. Special Education paraprofessionals who apply for a change of position, and who are granted the position, will not apply for another position in the Unit for the remainder of the school year unless the change would result in additional compensation and/or additional hours.

#### **9.9.6 Voluntary Transfer**

Any two (2) Special Education Paraprofessionals, with the approval of the Special Services Director, have the right to voluntarily transfer to each other's position if they both agree.

#### **9.10 HOURS OF WORK**

##### **9.10.1 Hours Per Day**

The hours of a normal work day shall be established by the Superintendent and shall not exceed eight (8) hours per day for any assignment. A list of positions and corresponding hours for the next school year will be prepared by the second week in June. The list will be based upon information as of the end of the school year and may be subject to change before the new year begins.

##### **9.10.2 Lunch Hours**

Lunch time for Special Education Paraprofessionals shall be consistent with their assigned building's schedule and must allow for efficiency of operation for the respective program.

##### **9.10.3 Breaks**

Special Education Paraprofessionals working a full day are entitled to two (2) fifteen (15) minute breaks, timing to be arranged with the professional with whom they work. Special Education Paraprofessionals working more than two (2) hours will arrange with their professional for a fifteen (15) minute break or breaks and an unpaid lunch period as the timing and duties indicate. Special Education Paraprofessionals working two (2) hours or less will not have scheduled breaks or lunch periods.

#### **9.11 RESIGNATION**

##### **9.11.1 Resignation**

Any employee desiring to resign shall file a written resignation with the Superintendent at least ten (10) days prior to the effective day. Failure to provide this notice will result in forfeiture of Severance Pay as described in Article 9.8.14.

9.12 DURATION OF AGREEMENT

This agreement shall be in full force and effect from July 1, 2010 to and including June 30, 2014. The parties shall reopen the agreement for negotiations on wages and benefits for 2014-2015.
