

**MASTER AGREEMENT
BETWEEN
KALEVA NORMAN DICKSON EDUCATION ASSOCIATION
AND
KALEVA NORMAN DICKSON BOARD OF EDUCATION**

2011 - 2014

AGREEMENT

This Master Contract is entered into this 18th day of January, 2013 by and between the Board of Education of the Kaleva Norman Dickson School District, hereinafter called the "Board," and the Kaleva Norman Dickson Education Association, hereinafter called the "Association."

WITNESSETH

WHEREAS, the Kaleva Norman Dickson School District Board of Education is required by law to negotiate with the Kaleva Norman Dickson Education Association on wages, hours, and the terms and conditions of employment of teachers; and the parties, through negotiations in good faith, have reached agreement on all such matters and desire to execute this contract covering such agreement.

**ARTICLE I
RECOGNITION**

- A. Pursuant to Act 379, Public Act of 1965, as amended, the Kaleva Norman Dickson Board of Education hereby recognizes the Kaleva Norman Dickson Education Association as the sole and exclusive bargaining representative for all teaching personnel, including counselor, librarian/media specialist, and teachers, but shall exclude office workers, cafeteria help, bus drivers, teachers' aides, and athletic director (when fulfilling his duties as athletic director).
- B. The term "teachers," when used hereinafter in this agreement, shall refer to all employees represented by the name of the employee organization in the bargaining or negotiating unit, as above defined. References to male teachers shall mean all teachers.
- C. The terms "Board" shall include its officers and agents.
- D. The Board agrees not to negotiate with any organization other than that designated as the representative pursuant to Act 379, P.A. of 1965, for the duration of this agreement.

**ARTICLE II
TEACHER AND ASSOCIATION RIGHTS**

SECTION I

- A. Pursuant to Act 379, P.A. of 1965, the Board hereby agrees that certified teaching personnel under contract of the Board shall have the right to organize and join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted and lawful activities for mutual aid and protection.

As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it, or its employed administrative or executive personnel, will not directly or indirectly discourage, deprive, or coerce any employee in the enjoyment of any rights conferred by Act 379, by other laws of the State of Michigan, or by the Constitution of the State of Michigan and the United States; that it will not discriminate against any employee with respect to hours, salary, terms or conditions of employment by reason of his membership in the Association, of his institution of any grievance, complaint or proceeding with respect to any terms or condition of employment under, or aside from, the specific terms of this Agreement.

- B. The Association and its members, upon permission of the administration, shall be permitted to use school-building facilities.
- C. No teacher shall be enjoined from exhibiting identification of membership in the Association either on or off the school premises.
- D. The Board agrees to furnish to the Association in response to all reasonable requests all information concerning the financial resources of the District, tentative budgetary requirements and allocations, and other such information, which may be necessary to its preparations in collective bargaining and negotiations. Such requests will be handled in as timely a manner as possible.
- E. Notwithstanding their employment, teachers shall be entitled to full rights of citizenship, and no religious or political activities of any teacher or lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher.
- F. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status, or membership in any Association with the activities of an employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to every student without regard to its race, creed, religion, sex, color, or national origin, and to seek to achieve full equality of educational opportunity to all pupils.
- G. That upon written authorization from any teacher, the Board will deduct annuities and other payroll deductions. Deductions to a new annuity, investment, or savings company will require a minimum participation of three (3) teachers before deductions to such new company will be allowed. Association dues, upon request, shall be deducted in equal amounts over a maximum of the first sixteen (16) pays, starting in September of each school year.
- H. At the beginning of each school year, the Association shall be credited with eight (8) days to be used by teachers who are officers or agents of the Association. No more than three (3) teachers may be absent per day. The Association agrees to notify the Board no less than forty-eight (48) hours in advance of taking such leave. The Association will provide the cost of hiring substitute teachers.

I. Academic Freedom

1. Realizing that a teacher cannot provide adequate stimulation to students or permit the free exchange and development without occasional, unexpected results that are easily misconstrued when removed from context, it is agreed that an atmosphere of academic freedom will be maintained. Teachers shall be free to present the several sides of controversial issues and topics to the best of their ability and knowledge and within the level of the maturity of the students involved. This academic freedom shall not include discussions relating to Association business or to the employer/employee or employee/employee relationships within the school.
2. Individual teachers shall teach State core curriculum, determine topics discussed, assignments given, and grades earned. This does not limit the administrators' right to review and comment on the above.
3. The Board and Association recognize that the responsibility of evaluating students lies with the teachers. In the event a student is retained/promoted at the request of his parent, guardian, or an administrator, contrary to the teacher's recommendation, such action shall be noted in the student's personal file.

SECTION II

- A. AGENCY SHOP - The Board agrees it shall be a condition of employment that all teachers shall either:
1. sign and deliver to the Board an assignment authorizing deduction of membership dues to the Association, and such authorization shall continue in effect from year to year unless revoked in writing; or
 2. cause to be paid the Association a representation fee to be established in accordance with Association procedures. Such representation fee shall be activated within thirty (30) days following the Association's notification to nonmembers and the Board of the fee for that given school year and shall be appropriately prorated.
 3. In the event that the bargaining unit member shall not pay such service fee directly to the Association, or authorize payment through payroll deduction, the Board shall, at the request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association no later than twenty (20) days following the deduction.
- B. In the event of any legal action against the employer, or any of its agents, brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action at its own expense and through its own counsel, provided:
1. the employer gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
 2. the employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.

- C. The Association agrees that in any action so defended, it will indemnify and hold harmless the Board, the school District, school board members, and agents and representatives of the Board of Education of the school District from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the employer's compliance with this Article, but this does not include any liability for unemployment compensation paid under the Michigan Employment Security Act.

ARTICLE III BOARD RIGHTS

- A. The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the right:
1. to the executive management and administrative control of the school system and its properties and facilities and school-related activities.
 2. to hire all employees and, subject to the provisions of the law and this Agreement, to determine their qualifications, and the conditions for their continued employment or their dismissal or demotions, and to promote and transfer all such employees.
 3. to establish grades and courses for instruction, including special programs, and to provide for athletic, recreational, and social events for students, all as deemed necessary or advisable by the Board, with input allowed by the Education Association.
 4. to decide upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of the teaching aids of every kind and nature, respecting the recommendation of the appropriate curriculum committee.
 5. to determine class schedule, the hours of instruction, and the duties, responsibilities and assignments of teachers.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution of the State of Michigan and the Constitution and laws of the United States.
- C. The Association agrees to inform the Board, in writing, of all officers of the KNDEA after each election and whenever changes are made throughout the year.
- D. Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities, and authority under the Michigan General School Laws, or any other national, state, county, District, or local laws or regulations as they pertain to education.

ARTICLE IV
PROFESSIONAL COMPENSATION

- A. The salaries of teachers covered by this Agreement are set forth in Schedule A, which is attached to and incorporated in this Agreement. Said salary schedule shall remain in effect for the duration of this Agreement. Salaries are prorated for part time teachers based upon the percent of time employed.
- B. A representative of the Association and one other member of the negotiating team will concur with the Board in the placement of teachers on the salary schedule on or before the fourth Friday of September each school year. Lack of agreement on the proper step and schedule placement of any teacher shall be subject to the provision of the professional grievance procedure as set forth herein.
- C. Teachers shall be reimbursed for traveling expenses incurred while attending authorized local, District, regional or state meets, contests, clinics, and conferences if arrangements are made and approved by the administration at least forty-eight (48) hours in advance of the scheduled event.
- D. Longevity shall be paid as a percentage of the base pay on the current year's salary (Schedule A). Teachers who, during the 2005-2006 school year, and each year thereafter, shall attain eleven (11) through thirteen (13) years of service in the District shall receive a 2%-of-base longevity bonus; fourteen (14) through sixteen (16) years of service in the District shall receive a 2.5%-of-base bonus; seventeen (17) through nineteen (19) years, a 4%-of-base bonus; twenty (20) through twenty-two (22) years, a 4.5%-of-base bonus; twenty-three (23) through twenty-five (25) years, a 5%-of-base bonus, and twenty-six (26) or more years, a 6%-of-base bonus. Time of service will be determined on June 1st of each school year. Years of service shall be rounded to the major fraction thereof; i.e., fifteen (15) years, five (5) months equals sixteen (16) years. Longevity shall be paid out on a per-pay basis throughout the school year. Longevity is prorated for part time teachers based upon the percent of time employed.
- E. Teachers who are required as part of their regular duties on a regular basis to use their own vehicles for transportation between schools will be reimbursed for mileage at the current IRS rate. Any teacher who uses his own vehicle for transportation to and from any administrative-approved activity shall be compensated at the same rate. Procedure for implementing method of payment shall be in agreement with the individual teacher and the Superintendent.
- F. New teachers to the District will report to work two (2) days prior to the beginning of classes, and tenured teachers will report to work at least one (1) day prior to the beginning of classes.
- G. The mutually negotiated calendar(s) for the school year(s) covered by this attached as Appendix B.
- H. The following holidays shall be observed and all schools closed: New Year's Day, Memorial Day, Labor Day, Thanksgiving Day, and Christmas Day.
- I. A teacher shall be released for regular duties without loss of salary one (1) day each semester for the purpose of participating in area or regional meetings of educational organizations, if prearranged with the administration and if a certified substitute can be secured. This is meant to specifically exclude meetings run by the Michigan Education Association for the purpose of negotiations or contract implementation.

- J. In cases of absence of regular classroom teachers (those having direct responsibilities for students for the majority of the school day), when the absence is during the course of the normal, student day, the administration will secure a certified substitute, except in emergency situations, i.e., inability to obtain a substitute, fire calls, EMT runs, etc.

If a certified substitute cannot be obtained, the administration may request a teacher to assume the assignment. Administrators will not assume assignments except in emergencies. Compensation for said assignments or advisorships will be paid at the rate of \$21 per class hour or \$7 per lunch duty.
- K. Teachers shall be reimbursed \$100 for the tuition cost of each semester hour successfully completed, up to a maximum reimbursement of fifteen (15) hours per employee. Teachers must have obtained six (6) semester hours before reimbursement is requested.
- L. The District will prepare and, upon request, provide the KNDEA a current list of substitute teachers and their certification prior to the fourth (4th) Friday of each school year.
- M. The salaries of teachers covered by this Agreement are set forth in Schedule A, which is attached to and incorporated in this Agreement. Said salary schedule shall remain in effect for the duration of the Agreement. It is understood between the Kaleva Norman Dickson School District Board of Education and the Kaleva Norman Dickson Education Association that the Board has the right to place any newly-hired teacher on any step of Salary Schedule A without being subject to grievance by the newly-hired employee as he gains experience and tenure in the Kaleva Norman Dickson School District. However, in no event shall a newly hired teacher be placed on a salary schedule step higher than their actual years of teaching experience.
- N. Counselors - Due to the need for school counselors to work beyond the regular school year, it is understood between the Kaleva Norman Dickson Education Association and the Kaleva Norman Dickson Board of Education that counselors will be paid on a per-diem basis. Each day's pay will be based upon the number of working days agreed upon for the current calendar and the annual salary, based on the counselor's current salary step and the current contract year during which the work is performed.
- O. Compensation for attendance at all Board-required-training sessions, conferences, and workshops outside of normal working hours, as defined above, shall be at the rate of \$20 per hour to a maximum of \$120 per day. This does not include regular teachers' meetings conducted by administrators or attendance at other events normally associated with a teacher's assignment.
- P. Teachers who assume administrative duties in the absence of the building principal shall be paid \$25 per hour.

**ARTICLE V
WORKING HOURS AND RESPONSIBILITIES**

- A. The salary schedule is based upon a normal, weekly teaching load, generally defined as September 1 to the first week in June, during normal working hours provided that within said time, the annual, mandated number of student hours of instruction is met, as allowed to be adjusted by the Michigan Department of Education with professional development hours, if necessary. Secondary school (MS/HS) teachers' normal working hours shall be from 8:10 a.m. (beginning of teacher workday), with an 8:20 student-day start, to 3:30 p.m. end of student day, and a 3:35 p.m. end of the teacher workday. Elementary (K-5) teachers' normal working hours shall be from 8:10 a.m.

(beginning of teacher workday), with an 8:20 student-day start, to 3:30 p.m. end of student day, and a 3:35 p.m. end of the teacher workday, except for scheduled workdays when students are not in attendance. On these days, elementary teachers shall work the same hours as secondary teachers. The Board shall have the right to adjust the normal working hours in the event it is necessary to do so in order to satisfy state requirements pertaining to student instruction time or to receive full state aid. The following responsibilities of the respective teachers shall include:

ALL TEACHERS - Student records, classroom inventories, supervision of all class activities, teachers' meetings, curriculum-study groups, parent-teacher conferences, public-relations activities, professional organizations, inservice workshops and supervisory assignments by the principal.

MUSIC TEACHERS - Supervision and direction of concerts, special productions, and participation in local, District, and state-sanctioned contests, as approved by the administration.

VOCATIONAL EDUCATION TEACHERS - Participation in local and state associations in respective areas, as authorized by the State Vocational Education Division of the Department of Education.

COACHES - Supervision and direction of students in all sanctioned games, contests or meets in the respective, assigned sports.

COUNSELORS - Due to the need for school counselors to work beyond the regular school year, it is understood between the Kaleva Norman Dickson Education Association and the Kaleva Norman Dickson Board of Education that the salaries will be paid, as follows:

Counselors will be paid on a per-diem basis, based upon the number of teacher work days in the negotiated calendar, the counselor's current salary step and the current contract year during which the work is performed.

- B. All teachers shall be entitled to a duty-free lunch period of no less than twenty-five (25) consecutive minutes.
- C. All teachers will be entitled to a working day free of classes at the end of each semester for completing semester reports. Semester exams will be given according to the schedule assigned by the principal.
- D. The parties understand that some scheduled days of student instruction that are canceled because of conditions not within the control of school authorities such as inclement weather, fires, epidemics, mechanical failures, or health conditions as defined by the city, county, or state health authorities may be counted as days of pupil instruction for computing amounts received in State Aid. However, to the extent that such days may not be counted as days of pupil instruction for computing amounts received in State Aid, then such days shall be rescheduled as pupil-instruction days for teachers, and no additional salary shall be paid to teachers on those days. Said days will be made up in the manner prescribed in the appropriate calendar appendix.

In the event of canceled school, those teachers who have requested the same day(s) as canceled will not be charged the leave day(s) from their accumulated leave days.

**ARTICLE VI
TEACHING LOAD AND ASSIGNMENT**

- A. The normal, daily, teaching load in Grades 6-12 will be **six (6)** assigned periods and one (1) unassigned, duty-free, preparation period of duration equal to the assigned periods. There shall be a minimum of two-hundred sixty (260) minutes per week of non-teaching prep time
- B. The normal, daily, teaching load at the Elementary Grades K-5 will be equal in length to Grades 6-12.
- C.
 - 1. A Mentor Teacher shall be defined as a Master Teacher, as identified in Section 1526 of the School Code, and shall perform the duties of a Master Teacher as specified in the Code. The Mentor Teacher shall be a member of the bargaining unit.
 - 2. Each bargaining unit member in his/her first three (3) years in the classroom shall be assigned a Mentor Teacher by the Association, with the approval of the Administration. The Mentor Teacher shall be available to provide professional support, instruction, and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources, and information in a non-threatening, collegial fashion. A teacher hired during the school year will be assigned a Mentor Teacher no later than thirty (30) days following his/her hiring.
 - 3. A Mentor Teacher shall be assigned in accordance with the following:
 - A. A Mentor Teacher shall be a tenured member of the bargaining unit, having taught in the Kaleva Norman Dickson School District a minimum of five (5) years with a satisfactory evaluation record.
 - B. Participation as a Mentor Teacher shall be voluntary.
 - C. The District shall immediately notify the Association of those members requiring a mentor assignment.
 - D. The Association shall notify the Administration when a Mentor Teacher is matched with a probationary employee (Mentee).
 - E. Every effort will be made to match Mentor Teachers and Mentees who work in the same building and have the same area of certification.
 - F. Each Mentee shall be assigned only to one (1) Mentor Teacher at a time.
 - G. The Mentor Teacher assignment shall be for one (1) year, subject to review by the Administration and Association after eight (8) months.
 - 4. Because the purpose of the Mentor/Mentee match is to acclimate the bargaining unit member and to provide necessary assistance toward the end of quality instruction, the Board and the Association agree the relationship shall be confidential.

Further, the Mentor Teacher shall not be called as a witness in any grievance or administrative hearing involving the Mentee, nor shall the Mentee be called as a witness in any grievance or administrative hearing involving the Mentor Teacher.

5. Upon request, the Administration shall make available a minimum of two (2), one-half (2) day release times per semester so the Mentor Teacher may work with the Mentee in his/her assignment during the regular work day. Where possible, the Mentor Teacher and Mentee shall be assigned common preparation time.
6. Mentees shall be provided with a minimum of fifteen (15) days of professional development during their first three (3) years of classroom teaching. Every effort will be made to allow for five (5) days each year. Professional development shall be scheduled within the parameters of the regular work day and work year whenever possible. Professional development scheduled beyond these parameters will be compensated as extra duty and agreed upon between the Association and Administration.
7. Mentor Teachers shall receive ongoing, specialized preparation in collaboration with institutions of higher education, the State Department of Education, Intermediate School Districts, and teacher bargaining groups. The District will reimburse the Mentor Teacher for such training, to include fees and mileage. The Association will reimburse for meals and lodging.
8. A Mentor Teacher will be reimbursed \$250 each year the Mentor/Mentee relationship exists, to be paid the first (1st) payroll of June.
9. On or before the 4th Friday of each school year the KNDEA must submit to the Superintendent's office a complete list of Mentor Teachers and their Mentee assignments for approval. The KNDEA, likewise, will advise the Superintendent's office within thirty (30) days of any Mentor/Mentee relationships that commence during the school year.

ARTICLE VII TEACHING TRANSFERS, ASSIGNMENTS, AND VACANCIES

The Superintendent shall be responsible for the assignment and transfer of all faculty personnel.

Section 1: Vacancies

- A. **VACANCY** - A vacancy is an opening in a bargaining unit position that the Board intends to fill.
- B. When a vacancy occurs in any position, the position shall be posted in all buildings for at least ten (10) working days. (The posting period may be shortened or eliminated at the request of the KNDEA President in emergency situations or when no bargaining unit employee is qualified for the position.) All vacancy postings shall include the minimum qualifications(s) and minimum certification(s) required for the position.
- C. In the event a vacancy occurs during the summer-months' recess, the posting shall be sent by first-class mail to all unit members.
- D. Teachers interested in transferring shall make application to the Personnel Office during the posting period.

- E. The teacher involved in the transfer will be granted a consultation with the Superintendent prior to the reassignment. Reasons for involuntary assignments will be given in writing to the re-assigned staff member prior to the assignment.

ARTICLE VIII TEACHING CONDITIONS

- A. The parties recognize that optimum school facilities for both students and teachers are desirable to insure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach, and that the organization of the school and the school day shall be directed at insuring that the energy of the teacher is primarily utilized to this end.
- B. The Board and the Association recognize that thirty (30) pupils is a reasonable class load; therefore, on the fourth (4th) Monday after Labor Day, the Superintendent, Principals, and the negotiation committee from the Association will meet to study the existing class loads and attempt to make necessary adjustments in order to meet the reasonable pupil-teacher ratio, as stated above, to adjust pupils to equipment available, such as in laboratory classes. If for any reason the above maximums are exceeded in any classroom situation, the Board may provide a part-time, adult teacher aide at the request of the individual teacher to perform such non-instructional duties as are delegated to him by said teacher.
- C. The parties will meet at mutually agreed upon times for the purpose of discussing possible improvement of the selection and use of educational and instructional tools.
- D. Telephone facilities shall be made available to teachers for their reasonable use, but toll calls are the responsibility of the teacher; i.e., charged to home credit card.
- E. Teachers in each building shall be assured of access to student records, a copy machine, and a telephone until the end of the teacher workday.
- F. Classroom visits by parents or legal guardians shall be preceded by a minimum of two (2) working days' advance notice to the teacher, along with a written statement by the parent or legal guardian describing the purpose of the visit and the course or subject to be observed. The length of the requested visit shall not exceed one (1) classroom period, or eighty (80) minutes. No parent or legal guardian shall be allowed more than two visits per semester to an individual classroom without demonstrating reasonable cause acceptable to both the teacher and building principal.

If video taping or any form of electronic recording of the observation is to be made by the parent or legal guardian, such fact and its purpose must be provided to the teacher at the time advance notice is given to the teacher.

**ARTICLE IX
LEAVES OF ABSENCE**

- A. Upon initial employment all teachers will be granted twelve (12) days' leave for each of the first two (2) years of employment. Thereafter, all teachers will accumulate leave days at the rate of ten (10) days per year up to a limit of one hundred twenty-five (125) days. For record-keeping simplicity, any association member who is at or above the one hundred twenty-five (125) accumulated leave days at the start of each year will begin that year with one hundred twenty-five (125) days plus that year's credit of ten (10) days, for a total of one hundred thirty-five (135) days, so he may have those additional days for his use.

At the beginning of the subsequent year the teacher will reset at one hundred twenty-five (125) days, provided he has used less than his ten (10), annually-credited days. Should he use more than ten (10) days in a given year, he will again be credited with ten (10) days, plus the number he has remaining, to find his new total. By way of illustration:

Year 1

125 accumulated days + 10 = 135 days
135 days - 5 days used = 130 days

Year 2

125 accumulated days + 10 = 135 days
135 days - 11 days used = 124 days

Year 3

124 accumulated days + 10 = 134 days
Etc.

Leave days (i.e., sick leave) accumulated during previous KND contracts shall be credited to staff members at the beginning of each school year. On or before the fourth (4th) Friday of each school year, teachers shall be notified as to the number of leave days they have accumulated.

A leave day shall not be granted for vacation or recreational activities nor immediately before or after a holiday or vacation, except that a leave day may be granted before or after a holiday or vacation period in emergency and/or unusual circumstances on a case-by-case basis at the discretion of the employer.

- B. For leave other than sickness, disability, or emergency, the administration shall be notified forty-eight (48) hours in advance.
- C. Unused or accumulated leave days, upon termination of a minimum of ten (10) years' employment in the KND system, shall be paid for at the rate of \$75 per day, up to a maximum of one hundred (100) days.
- D. Leave of absence without pay shall be granted to tenured teachers upon application and approval of the administration for the following reasons: (NOTE: There will be no credit for increments.)
1. study relative to teacher's licensed field.
 2. military service.

3. maternity and child care.
4. teachers who are officers of the Michigan or National Education Association (MEA or NEA) or who are appointed to their staffs.
5. medical reasons.

A teacher may request a part-time leave of that is equal to or less than 49% of his teaching responsibility.

- E. A teacher on leave under Paragraph D above shall inform the Superintendent of his intention to return in writing at least sixty (60) days prior to the end of the school year preceding the school year he wishes to return.
- F. Any leave of absence in excess of a teacher's accumulated leave days shall be deducted at the rate of an increment of one workday, per the current school year's calendar, of the annual salary for each day of absence.
- G. Leaves with pay not chargeable against the teacher's leave-pay allowance shall be granted for the following reasons upon notification of the administration and with the duration of said leave to be determined with the administration at the time of notification, except as set forth in G-1 below:
 1. Absence when a teacher is called for jury duty in which event the Board shall pay the difference of his regular salary and the compensation he receives for jury duty.
 2. Court of record appearance as a witness in any case connected with a teacher's employment or the school or whenever a teacher is subpoenaed to attend any proceedings.
 3. Approved visitation at other schools or for attending educational conferences or conventions.
- H. Any teacher who is absent because of injury or disease which arose out of or during the course of his employment for which he receives compensation under the Workers' Compensation law may, at his election, receive from the Board the difference between the allowance under the Workers' Compensation law and his regular salary for the number of days he has accumulative leave. This is provided, however, that in the event he received compensation under the Workers' Compensation law and his salary, then there shall be no deduction from any of his accumulative leave benefits provided for in this Agreement.
- I. Bereavement leave of absence will be granted to all bargaining-unit employees. When a death occurs in the employee's immediate family, (i.e., spouse, significant other, parent, step-parent, parent or step-parent of a spouse, child or step-child, brother, sister, stepbrother, stepsister, maternal or paternal grandparent) the employee will be granted up to three (3) days of leave immediately following the death.

ARTICLE X TEACHER EVALUATION

- A. Each teacher, upon his employment or at the beginning of the school year, whichever is later, shall be advised of the specific criteria upon which he will be evaluated.

- B. Evaluations will be conducted by the administration. It is the primary objective of the evaluations to assist in improving the teaching methods of teachers as expressed in the evaluation summaries and recommendations provided by the administrator who is conducting by the evaluation.
- C. All monitoring or observation of the work of a teacher shall be conducted openly and with the knowledge of the teacher.
- D. A teacher who disagrees with the observation or recommendation may submit a written answer, which shall be attached to the file copy of the observation in question. Any teacher who is disciplined or discharged as a result of his evaluation may submit his complaint through the grievance procedure, provided that in the case of probationary teachers, arbitration shall be strictly advisory (see Article XIII).
- E. Each teacher shall have the right, upon request to the administration, to review the contents of his personnel file placed there after initial date of employment. A representative of the Association may, at the teacher's request, accompany the teacher for this review.

ARTICLE XI TEACHER PROTECTION

- A. The Board recognizes its responsibility to continue to give administrative backing and support to its teachers, although each teacher bears the primary responsibility for maintaining and proper control and discipline in the classroom. The teachers recognize that all disciplinary action and methods involving them shall be reasonable. It shall be the responsibility of the teacher to report to his principal who, in the opinion of the teacher, needs particular assistance from skilled personnel. The teacher shall be advised by the principal of the disposition of the teacher's report that a particular student needs such assistance.
- B. Any case of assault upon a teacher, which arose out of or in the course of his employment, shall be promptly reported in writing to the Board or its designated representative. The Board will provide, without cost to the teacher, approved legal counsel to advise the teacher of his rights and obligations with respect to such assault and shall render all reasonable assistance to the teacher in connection with the handling of the incident by law enforcement and judicial authorities.
- C. Time lost by a teacher in connection with any incident mentioned in this article, except for gross negligence or gross neglect, shall not be charged against the teacher.
- D. Any complaints worthy of serious note made to the administration by a parent or a student, directed toward a teacher, shall be promptly called to the teacher's attention. No materials of any adverse nature shall be included in a teacher's personnel file without that teacher's having first seen them and signed them. Such signature shall be required and is not in any way to be considered to denote acceptance of those materials by the teacher but shall only acknowledge that the teacher is aware of their presence in his file. The teacher shall have the right to attach an explanation of rebuttal to any material contained in the file which he feels is of an adverse nature.

- E. Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and property but shall not be individually liable, except in the case of gross negligence or gross neglect of duty, for any damage or loss to person or property.

- F. Freedom of Information Act Requests

Bargaining unit members will have the right to review the contents of their personnel file. Should a FOIA (Freedom of Information Act) request be made for personnel file information, the employer will notify the bargaining unit member with two (2) days of the request and prior to the release of the information. If the employee challenges the information in his/her personnel file, the Board of Education will take the maximum time to respond to the FOIA request, and under the law will genuinely and seriously consider a member's request for exemptions and will not release information which is irrelevant or defaming.

**ARTICLE XII
NEGOTIATIONS PROCEDURE**

- A. Beginning not later than June 1, 2014 the Association and the Board agree to commence negotiations over a successor Agreement.

**ARTICLE XIII
PROFESSIONAL GRIEVANCE PROCEDURE**

- A. The Association alleging a violation of the express provisions of this contract shall, within five (5) working days of its alleged occurrence, orally discuss the grievance with the building principal in an attempt to resolve same. If no resolution is obtained within three (3) working days of the discussion, the teacher or Association shall reduce the grievance to writing and proceed, within ten (10) working days of said discussion, to the next step of the grievance procedure.
- B. Within five (5) of the receipt of the grievance, the building principal shall meet with the Association (affected teachers may or may not be present at such meeting) in an effort to resolve the grievance.
- C. If the grievance is not resolved by the principal and Association, the Association then may, within five (5) working days after said meeting, file the grievance with the superintendent. He shall have ten (10) working days from receipt to approve or disapprove it and report, in writing, to the Association reasons why the grievance is approved or disapproved. A meeting of the superintendent and the Association may be held, if desired, by either party.
- D. If the grievance is not resolved at the superintendent's level (Paragraph C above), the Association shall have five (5) working days to submit said grievance to the secretary of the Board indicating, in writing, why they (the Association) think further action is necessary.
- E. Within fifteen (15) working days from receipt of the grievance the Board shall pass on the grievance and report, in writing, to the Association. The Board may hold a hearing thereon, may designate one or more of its members to hold a hearing or otherwise investigate the grievance, or prescribe such procedure as it may deem appropriate for consideration of the grievance.
- F. Failure to appear within the above time limits shall be deemed acceptance of the decision. However, if the decision of the Board is not satisfactory to the Association, the grievance may be appealed to arbitration. The Association may have ten (10) working days to appeal to arbitration.

Such appeal shall be in writing and shall be delivered to the Board within the said ten (10) working day period, and if not delivered, the grievance shall be abandoned.

Within ten (10) working days of receipt of the grievance the Board and the Association will meet to select an arbitrator agreeable to both parties. If, after five (5) working days, the parties are not able to agree upon an arbitrator, he shall be selected through the American Arbitration Association, whose rules and regulations shall likewise govern the arbitration proceedings. The arbitrator so selected will confer with the parties and hold hearings promptly and will issue his decision no later than twenty (20) days from the date of the close of the hearing. The arbitrator's decision shall be in writing and will set forth his findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this Agreement.

His authority shall be limited to deciding whether a specific article and section of this Agreement has been violated and shall be subject to, in all cases, the rights, responsibilities, and authority of the parties under the Michigan General School Laws, or any other national, state, county, District, or local laws. The arbitrator shall not usurp the function of the Board of the proper exercise of its judgment and discretion under the law and this Agreement.

The decision of the arbitrator shall be final and binding except in the case of a grievance by a probationary teacher of an evaluation, in which case the decision of the arbitrator will be advisory only.

The arbitrator's fee shall be divided equally between the parties; each party shall bear any additional expenses incurred by them in connection therewith.

- G. If he shall have been found to have been improperly deprived of any professional compensation or advantage, the same, or its equivalent in money, shall be paid to him.
- H. For administrative convenience, the Board may cause complaints which may be the subject of grievance under this article first to be presented to a department head, assistance principal or other school employee, for formal processing in an effort to reduce the number of formal grievances handled under the Professional Grievance Procedure herein established. The parties shall mutually work out procedures for such informal processing upon request, but exhaustion of such informal procedures shall not be required as a condition precedent to invoking the grievance procedure, nor shall the participation of department heads, assistant principals, or other employees in such informal procedures be deemed to be supervisory of executive function.
- I. It shall be the general practice of all parties in interest to process grievance procedure during times which do not interfere with assigned duties, provided however, in the event it is agreed by the Board to hold the proceedings during regular hours, a teacher participating in any level of the grievance procedure with any representative of the Board shall be released from assigned duties without loss of salary.

**ARTICLE XIV
BUILDING LEADERSHIP TEAM
(SITE-BASED, DECISION-MAKING COMMITTEE)**

- A. There may be established a Building Leadership Team shall be established, which will be composed of (but not limited to) Board and Association members appointed by their representative Board or Association to study subjects mutually agreed upon relating to the school system. This joint planning and problem-solving committee seeks to improve the quality of school and delivery of quality education.
- B. The parties agree that the Building Leadership Team and its subcommittees serve in an advisory capacity only and that the failure of the Board to place any of its recommendations in effect shall not constitute the basis for a grievance.
- C. Building Leadership Team representatives on such committees may be excused upon request from the performance of other work up to six (6) hours per week for the purpose of serving on such committees.
- D. Building Leadership Team representatives on leadership teams: 1 Teacher for Elementary, 1 Teacher for Middle School, 1 Teacher for High School) may meet up to ten (10) hours per year and will be paid a stipend of \$200 each. By the 4th Friday of the school year, the KNDEA will advise the Superintendent's office of the names of such Building Leadership Team representatives.

**ARTICLE XV
REDUCTION OF STAFF AND RECALL**

Section 1:

It is within the sole discretion of the Board to reduce the number of teachers at such time as the Board may deem appropriate. In the event it becomes necessary to reduce the number of teachers, the following procedure will be followed:

- A. The Board, through its agents, will determine the curriculum and the positions that should be eliminated, reduced, or continued.
- B. Reduction of a position by the Board from full-time to part-time shall be considered a partial layoff. Remaining in the reduced position shall not affect the teacher's right of a recall to a full-time position.
- C. Refusal or acceptance of a position that is not equivalent in time to the position previously held shall not affect a teacher's recall rights for up to the two years from original layoff.
- D. The Board shall take formal action in order to effectuate the layoff of a teacher. Teachers to be laid off shall be notified in writing of such layoff thirty (30) calendar days in advance of the effective date of the layoff.

Section 2:

“Seniority” shall be defined as the length of continuous service with the school District since the last date of hire. Periods of time spent on approved leaves of absence (see Article X, Paragraph D) shall not constitute a break in continuous service, and seniority shall accrue during such approved periods.

The following criteria will be used for placement on the seniority list:

- A. Date of hire by Board of Education
- B. Date of signing of employment contract by employee

After applying the above criteria, in the event of ties in seniority, all teachers so affected will participate in a formal drawing to determine placement on the seniority list. The Association and bargaining unit members so affected will be notified in writing of the date, time and place of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected bargaining unit members and Association representative to be in attendance.

Section 3:

The Board shall prepare and present to the Association President a current seniority list prior to November 1st and March 1st of each year. The seniority list shall also contain information regarding the employees’ certification. The Association shall have thirty (30) days from receipt of the list to object. Any objection must be in writing, and a reply must be made within ten (10) working days. Failure to object shall be construed as an agreement that the list is accurate.

Section 4:

A teacher’s length of service with this District or the teacher’s attainment of tenure under the Teacher’ Tenure Act shall not be the primary or determining factors in layoff and recall decisions, except if the decision involves two or more teachers and all have the same effectiveness ratings score. The Teacher’s Effectiveness Rating Score shall be the primary factor used for lay-off or recall.

The district shall prepare and present to the Association a current Highly Effective list prior to June 1 of each year.

Section 5:

The certification and qualification of a teacher to be laid off shall be the certification and qualifications on file with the Board at the time the notice of layoff is sent. The certification and qualification of a teacher to be recalled from the layoff shall be the certification and qualifications on file with the Board at the time the notification of recall from layoff is sent. It is the teacher’s responsibility to make sure the Board’s records are correct and to notify the Board in writing of any inaccuracies or changes.

Section 6:

Notice of recall shall be sent by certified mail to the teacher’s last known address for up to thirty-six (36) months after initial layoff. It shall be the responsibility of the teacher to keep the Board informed of his/her current address. The Board obligations regarding recall of a teacher shall be fully satisfied if the notice of recall is sent to the teacher’s last known address. The teacher will have ten (10) days to indicate

his/her desire to accept or reject an offer of recall, and the ten (10) days shall commence running on the date the notice of recall is received. In the event a teacher does not respond within the ten (10) day period, the teacher shall forfeit his/her rights to the position and his/her name shall be placed at the bottom of the seniority (recall) list. A laid-off teacher employed under contract by another school District may refuse recall; however, if the teacher is offered a position for the next school year, the teacher's refusal of the offer shall constitute the teacher's resignation, and employment shall automatically terminate.

- A. Reduction of a position by the Board from full time to part time shall be considered a partial layoff. Remaining in the reduced position shall not affect the teacher's right of a recall to a full-time position.
- B. Refusal or acceptance of a position that is not equivalent in time to the position previously held shall not affect a teacher's recall rights.

ARTICLE XVI MISCELLANEOUS AGREEMENTS

- A. This Agreement shall supersede any rules, regulations, or practices of the Board, which shall be contrary to or inconsistent with its term. All individual teacher contracts shall be made expressly subject to the terms of this Agreement. In addition, the Association shall be given thirty (30) extra copies of the Master Agreement.

Failure to timely submit the request and/or documentation will result in a delay in the movement across the salary schedule until the following September 1st or February 1st, as applicable.
- E. In addition to the basic teacher's salary as provided in Schedule A, there will be paid a further sum as listed in the attached Extra Duties Beyond Classroom Teaching and Outside of School Hours (Schedule B).
- F. Age shall not be used as criteria for dismissal or retirement.
