- F. At the beginning of each school year, the Association shall be credited with nine (9) days with pay to be used by elected officers and/or representatives of the Association. The President of the Association agrees to notify the Superintendent not later than forty-eight (48) hours in advance of any Association officer and/or representative taking such leave. No more than two (2) teachers shall use this leave on the same day. No more than three (3) days in succession may be used by one (1) teacher.  - e. Seniority rights shall be lost by the teacher if he/she does not return or respond to a recall notice within ten (10) working days of recall from layoff. If, however, the teacher is under contract with another school district at the time of recall, the Board will extend the recall limit to the end of the school year for the following year.
 - f. In no case can more than one (1) year of seniority be obtained in a school year.
- D. In the event of recall from layoff, the Board will institute a recall procedure in writing by certified mail which will be in reverse order of layoff based upon certification, qualification and seniority at the time of recall. The teacher must provide the Board with an updated address where he/she can be reached.
- E. Acceptance or rejection of a position less than the one from which the teacher was laid off will not affect seniority or recall rights.
- F. While nothing in this section or Article is to be construed as in any way diminishing the rights of the laid off members, the Association and Board have also agreed that all laid off bargaining unit members shall have the right to be placed on a substitute list.

ARTICLE 15 - GRIEVANCE PROCEDURE

- A. Any teacher, group of teachers, or the Association believing that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement relating to wages, hours, terms, or conditions of employment may, within sixteen (16) days of the alleged violation or knowledge thereof, file a written grievance with the Board or its designated representative.

The Board hereby designates, as its representative for such purposes, the principal and Superintendent. The Association shall have the right to initiate a grievance on behalf of an individual or group of individuals without his/her or their specific approval indicated in writing on the written grievance. The individual can object to the grievance in writing.

Written grievances, as required herein, shall contain the following.

1. Signature of grievant(s).
2. Shall be specific.
3. Shall contain a synopsis of the facts giving rise to the alleged violation.
4. Shall cite the section or subsections of this contract or the written Board policy alleged to have been violated.
5. Shall contain the date of the alleged violation.
6. Shall specify the relief requested.

Any written grievance not substantially in accordance with the above requirements may be rejected as improper. Such a rejection shall not extend the limitations hereinafter set forth.

- B. Within ten (10) days of the date of the alleged violation, the grievant(s) shall orally discuss the matter with the building principal(s) in an effort to resolve the problem informally. The grievant(s) may be accompanied by an Association representative upon his/her request. Responsibility for arranging representation lies solely with the grievant(s) and shall not serve to extend the time limitations herein established. Within three (3) days of the informal meeting, the building principal shall inform the grievant(s) of his/her decision. If, after the principal's response, a grievance still exists, grievant(s), with the aid of the Association or its representative, shall, within three (3) days, reduce the grievance to writing as specified in A(1-6) and present it to the Superintendent as specified.
- C. Within ten (10) days of receipt of the written grievance, the Superintendent shall indicate his/her approval or disapproval. If the Superintendent disapproves the grievance, he/she shall indicate on the grievance form his/her reasons for disapproval and forward one (1) copy to the grievant(s), one (1) copy to the Association, and one (1) copy to the principal of the building in which the grievance arose, and shall place one (1) copy in a permanent file in his/her office.
- D. If the decision of the Superintendent is not satisfactory to the Association, it may, within fifteen (15) days of receipt of the Superintendent's written decision, submit the grievance to arbitration through the American Arbitration Association (AAA), with the arbitrator being selected and proceedings governed by way of the rules and regulations of the American

Arbitration Association (AAA).

1. The decision of the arbitrator shall be binding on both parties.
 2. The costs of the arbitrator shall be born equally by the parties, except that each party shall pay the cost of calling its own witnesses and preparing exhibits and testimony.
 3. The powers of the arbitrator shall be limited only by the following provisions.
 - a. He/she shall have no power to add to, subtract from, amend, or modify any provisions of this Agreement.
 - b. He/she shall have no power to alter or impose any salary schedule.
- E. Time limitations established hereinafter shall be strictly observed and may be extended only by mutual agreement in writing. Failure of a teacher to process a grievance within the time limits herein established shall preclude further proceedings on that grievance. Failure of the Administration to process a grievance within the time limits shall automatically advance the grievance to the next level of this procedure.
- F. Matters falling within the jurisdiction of a state or federal agency for which an administrative procedure exists to seek a remedy (i.e. Tenure Commission, Michigan Employment Relations Commission, Equal Employment Opportunity Commission, etc.) for which the teacher and/or Association has filed a complaint, may not be processed further as a grievance. In the event a complaint is filed and a grievance is pending at any level, further proceedings on the grievance are prohibited.

ARTICLE 16 - PART-TIME EMPLOYEES

A. Temporary Vacancies:

A temporary vacancy is one in which a teacher is not available to work due to an accident, extended illness or injury, or approved leave. Such a position will be filled by a certified substitute until such time as the teacher returns.

B. Part-Time Teachers:

Teachers who teach less than a normal teaching load will be defined as part-time teachers. The following will be guidelines to establish salary and fringe benefits.

1. Candidates with experience in teaching may be allowed as much as ten (10) years experience outside the school system provided that evaluations of that experience by the Board shows it to have been satisfactory.
2. Part-time teachers shall have their place on the salary schedule determined by the Administration in accordance with Section I. of Schedule A. Their yearly salary shall be the percent of the day they work times their appropriate step as found above.
3. Schedule F (3) for fringe benefits.

ARTICLE 17 - RETIREMENT POLICY

- A. The Board shall not adopt nor impose any policy regarding the retirement age of teachers which is in conflict with the provisions of this Agreement or applicable state and federal

laws.

- B. Whenever possible, a teacher who is planning to retire at the end of the school year will inform the Superintendent of his/her intent on/or before April 1 in order to facilitate planning

ARTICLE 18 - MISCELLANEOUS PROVISIONS

- A. For purposes of this Agreement, unless otherwise specified, the term "days" shall mean the days of the week (including the summer) Monday through Friday, excluding Saturday, Sunday, holidays, and scheduled breaks in the school calendar.
- B. Teachers will be provided a telephone number which they shall make every effort to call prior to 7:00 a.m. to report unavailability for work. The Administration bears the responsibility for arranging for substitute teachers.
- C. All librarians, counselors, speech and hearing therapists, and other certified specialists who are now or hereafter employed by the district do not accrue tenure in position but rather accrue tenure as any other member of the bargaining unit.
- D. This Agreement shall supersede any policy or regulation of the Board which may be inconsistent with its terms and shall supersede any inconsistent terms of an individual teacher contract.
- E. Copies of the Agreement shall be duplicated or printed at the expense of the Board thirty (30) days after the contract is ratified and presented to all teachers now employed or hereafter employed by the Board.
- F. If any provisions of this Agreement or any application of this Agreement to any employee or groups of employees shall be found contrary to law (i.e. insufficient number of instructional hours or days, etc.), such provisions or applications shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. The parties shall immediately renegotiate the provisions or applications in question to comply with the law.

ARTICLE 19 - SICK LEAVE BANK

- A. The sick leave bank from the previous contract is hereby extended. In the event that the total accumulation in the sick bank falls below one hundred (100) days, all teachers and the Board of Education shall make matching contributions to re-establish and maintain a balance of one hundred (100) days or more.
- B. All new bargaining unit members must contribute five (5) sick days to the sick bank according to the following schedule in order to be eligible to draw from the bank.

First year of employment - 2 days

Each subsequent year for three (3) years - 1 day in each of those years.

Any bargaining unit member having a legitimate need to use sick bank days (according to provisions of paragraph C) but having contributed less than five (5) days will be allowed full use of the bank as needed if his/her yearly contributions have been made up to the point of the need to draw from the bank.

C. Restrictions relative to the usage of the sick leave bank are as follows.

1. Access to the sick leave bank days may only be utilized by contributing teachers for their own personal illness or injury which is not compensable under the Worker's Compensation Act (see Article 10-C-6).
2. Personal sick leave accumulation and personal days for the year must be exhausted prior to receiving sick leave bank days.

A teacher with five (5) or more years of service within the bargaining unit who has used all the days referenced above, can only draw from the bank for absences of three (3) or more consecutive work days.

3. A physician's statement containing a diagnosis and prognosis may be requested by the district. The bargaining unit member will sign a release form if requested. The Board reserves the right to request additional opinions from a Board appointed and Board paid physician when making an initial determination and during the term of an absence.
4. Maximum of ninety (90) days draw or the number of days necessary to qualify for LTD, whichever is less.
5. Members who receive days from the sick bank will sign a redemption agreement which provides that:
 - a. If a teacher later collects worker's compensation or another form of disability payment for the period of absence under the bank's provisions, the bank will be repaid by the teacher.
 - b. If long-term disability is paid and for any twelve (12) month period results in the receipt of salary from the district and disability payments in excess of the teacher's annual salary, the bank will be repaid by the teacher.
6. Any disputes relative to eligibility or continued eligibility will be resolved by the Superintendent and Association President following a review of the medical and related documentation. As such, the denial or discontinuation of bank payments will be subject to the grievance procedure.

D. Any sick days which a teacher has accumulated who is leaving the school system for any reason other than leave, layoff, or retirement, will be automatically credited to the sick bank leave.

E. Any accumulated sick days of a person who retires beyond the number for which he/she is reimbursed under Appendix C will automatically be credited to the sick bank.

F. Clerical records of sick bank days will be kept in the Superintendent's office and copies will be given to the employee and to the Association. Copies of the cumulative sick bank days will be on file in the Association records as well as in the Superintendent's Office. A record of individual sick leave days will be given to each employee no later than five (5) days following the regular October Board meeting.

G. A sick leave bank will be maintained in successive school years and in the event of its being removed from the contract, sick days will be returned to the teachers and the Board on a pro rata basis.

ARTICLE 20 - DURATION OF AGREEMENT

This Agreement shall become effective September 1, 2008, and shall expire on August 31, 2010.

32 years of MPSERS service credit (excludes purchased service credit)	\$ 8,000
33 years of MPSERS service credit (excludes purchased service credit)	\$ 7,000
34 years of MPSERS service credit (excludes purchase service credit)	\$ 6,000
35 years of MPSERS service credit (excludes purchase service credit)	\$ 5,000
36 years of MPSERS service credit (excludes purchase service credit)	\$ 4,000

credit is eligible for \$12,000.

- b. Submit a voluntary release of claims and waiver form supplied by the District.
- c. Provide a complete statement in writing from MPSERS indicating total years of service credit.

The above timeline may be adjusted subject to approval of the Superintendent.

B. These named teachers, having met exit requirements, will be eligible for severance payments under this provision as follows:
