The fees and services of the arbitrator and the arbitration proceedings shall be shared equally by the Employer and the Association except that each party shall assume its own expenses.

Section 4.8

Arbitration Hearing

An employee involved in a grievance may attend the arbitration hearing. If the grievance concerns more than one (1) employee, the Association may select one (1) representative employee to attend the hearing. Any employee called as a witness shall be excused from the hearing after his/her testimony is completed. Section 4.11
Back Pay

Any award issued by an arbitrator in accordance with this Agreement, where back pay is ordered, shall be reduced in an amount equal to any interim earnings received by the employee. Interim earnings shall include any wages or compensation received in other employment which conflicts with the employee's work schedule with the district, unemployment or workers compensation payments, but it shall not include wages or earnings that the employee would have otherwise received had the employee continued to be employed by the Employer. In no event shall back pay exceed the amount the employee would have received had the employee's employment with the Employer continued.

The Supervisor will share his/her assignments with the Union designated person. The Union designated person will be able to check with any employee to insure that the chart is correct. Additional work time that is refused will be charged against the employee on the chart for the purpose of balancing additional work time beyond regularly scheduled hours. Twice a year the rotational system will be suspended to allow employees with fewer additional work hours to reach the maximum number of additional hours worked by any employee on the chart. The rotation system will be resumed when all employees are within five (5) hours of the employee credited with the maximum number of additional hours.

No more than one year of additional longevity credit shall be granted each year, i.e., a twelve (12) year employee in 2002-03 who received ten (10) years longevity (\$500) would get an eleven (11) year longevity payment of (\$550) in 2004-05. It would increase after that to the maximum of twenty-four (24) years (\$1,200). In the year of retirement the longevity payout will be prorated by the number of days worked (includes sick/personal days) relative to the total school year days assigned.

Section 6.5
Professional Development

A professional development increment of \$0.30 per hour will be paid to instructional aides who work in Title I or At Risk student instructional positions, for the time performing these specified duties. Additionally, as of July 1, 2012 these positions require training as specified below, and only aides who have successfully completed the prescribed training will be qualified to bump or otherwise step into positions which require such training, and whose assigned hours are for At Risk and Title I duties combined is greater than 2.75 hours per day.

The school district must offer this training to aides on an ongoing basis, and all training must be offered within a three year window. Only training inservices previously posted in the Weekly Bulletin are to be considered as prerequisite for filling a position. Otherwise, the training will not be considered prerequisite until such training is again offered, and properly posted in the Weekly Bulletin.

The school district will assume the cost of the inservices only, except that in the case of the inservices being offered during a scheduled school day, the aides may be allowed to arrange for a substitute and be paid her/his regular daily assigned wages. Any section in the contract allowing for other reimbursement is not applicable here.

Conference attendance during school days is subject to principal approval. Such approval will be based solely upon room at the inservice, and whether there are more than three (3) aides from that building already going. In the event that an employee is not allowed to attend a training per the above scenario, that specific training cannot be held against the employee in case of a bump or open position, until such time as that training is again made available and properly posted. Half-day sessions during the school day will be paid for on the basis of half of a day's wages, inasmuch as the aide is expected to work the remainder of the work day.

Section 6.6
District Unemployment Denial Expense Reimbursement

If an employee, after receiving reasonable assurance (in writing) that his/her job will be available in the following year, files for unemployment and is denied, the employee shall reimburse the district (after all appeals) in the amount of \$75 for each application, as reimbursement for preparing all necessary forms for the MESC office. The school district will prepare an invoice charging the individual this amount, with a copy going to the LESPA President. Failure to reimburse the school district within thirty (30) days (after all appeals) of the invoice shall constitute resignation from the Ludington Area Schools with loss of all seniority rights, employment rights, and fringe benefits.

Any employee not assigned on the first student day is not subject to the above language.

Section 6.7

Advancement on Step

Step increases will not be granted to employees who have not worked (i.e. due to being hired during the year, being laid off or on unpaid leave) at least fifty (50) percent of the work days the position they occupy would be scheduled for in a full fiscal year. LESPA employees who qualify for a step increase will be granted one step on their pay schedule.

Section 6.8

Mileage Allowance

LESPA employees required to drive their personal automobiles in their regular work assignment shall receive a mileage allowance of forty-one cents (\$.41) per mile.

ARTICLE 7
WORK LOAD AND ASSIGNMENT

Section 7.1

Classification Responsibilities

The Employer shall establish work responsibilities for each classification covered by this Agreement. Job descriptions or classification specifications if established by the Employer may be revised from time to time as working conditions and skills needed to perform the duties of the position require. Upon request from the Association, copies shall be furnished to the Association. The Association acknowledges that job descriptions and work specifications shall not be subject to negotiations. However, if a new classification or position is established in the bargaining unit by the Employer during the term of the Agreement, the Employer agrees to negotiate with the Association the wages of such new classification or position prior to posting the vacancy.

Section 7.2

Required Training

Fees and materials for training required by the school district will be paid by the school district. The employee will be paid his/her regular hourly wages for such training provided during regular assigned hours.

ARTICLE 8
SENIORITY

Section 8.1
Seniority Defined

All employees shall have seniority in classification and shall be protected in that classification. They shall not be released from that classification except where the employee has been proven to be negligent in the performance of duty or when the employee has demonstrated an inability to perform duties required by the job description or when the position within the classification or part of the position within the classification has been eliminated.

Seniority shall not be affected by race, creed, sex, marital status or dependents of employees.

Section 8.2
Probationary Period

New employees hired into the unit shall be considered as probationary employees for the first forty-five (45) working days of their employment. When an employee finishes the probationary period by accumulating forty-five (45) days of employment, he/she shall rank for seniority from the date hired for a properly posted position. Probationary employees may be terminated by the Employer without regard and without recourse to this Agreement.

Section 8.3
Seniority List

The seniority list on the date of this Agreement will show the names and job classification of all employees of the union entitled to seniority. The Employer will provide the local union with up-to-date copies of the seniority list on an annual basis.

- a. No employee shall gain hire date seniority unless employed in a position that has been properly posted with all employees.
- b. The parties have agreed upon a seniority list effective the date that this Agreement is signed.

Should employees have the same initial hire date with the Employer, the tie will be broken by a drawing held in the presence of the employees with the same date of hire.

Section 8.4
Loss of Seniority

An employee shall lose his/her seniority for the following reasons only:

- a. He/she quits.
- b. He/she is discharged and the discharge is not reversed through the procedure set forth in this Agreement.
- c. He/she is absent for three (3) consecutive working days without notifying the Employer. After such absence, the Employer shall send written notification to the employee at his/her last known address that he/she has lost his/her seniority, and his/her employment has been terminated. The Employer may waive this requirement in special cases.
- d. If he/she does not return from a leave of absence at the required time or fails to return to work upon recall as set forth in the recall procedure.
- e. If the employee is on continuous layoff for a period of two years or the length of his/her seniority, whichever is less.

ARTICLE 9
STAFF REDUCTIONS

Section 9.1
Layoff and Reduction

Layoff shall mean a reduction in the work force. Layoff shall be accomplished in the following manner:

- a. When it may for any reason be necessary to reduce the staff in any classification, the person having the lowest seniority in that classification shall be laid off first and in rehiring preference shall be given in order of seniority. All probationary employees in the classification affected shall be laid off first.
- b. This detail added August 2007 provides clarification in times of lay-off. Part-time positions have been added into full-time classifications. This language is applicable only during times of lay-off. Poor attendance may disqualify an employee from bumping rights.

The Association and the District agree to the following two basic principles. Seniority has always been and will continue to be protected within classification. When lay-offs occur at the bottom of a classification (part-time), the “if qualified,, language will be used when bumping other classifications, where applicable, followed by seniority.

“If qualified,, is a *minimum* 70% score on a test. These positions have district tests in place and will be used in the lay-off, bumping process: secretarial; maintenance; computer technician; library aide; computer aide; and other aide positions requiring specific testing.

Full-time employees may bump less senior full-time employees, within classification. Seniority is protected within classification. The only exception shall be that the least senior full-time person who is losing full-time status in a classification can bump into another classification full-time position if total full-time seniority in LESPA overall is greater, and if the employee is immediately qualified to perform all the duties of the position.

The least senior full-time employee may bump a part-time employee in the same classification. If the full-time employee being reduced to a part-time position has previous seniority in a part-time position, this time of service shall be added together for purposes of bumping into other part-time positions.

Part-time employees may only bump other part-time employees, first within classification, then outside classification if qualified.

At all times, persons bumping into the bus mechanic positions must be properly State Certified at the time of bumping. Time to become trained or certified will not be granted and will not be paid by the district.

In times of lay-off, “highly qualified,, status is the only requisite to bumping in the “aides,, classification. The only exception is that in the three areas requiring tests, those individuals of greater seniority than the current employee must pass the test (70 percent).

- c. A laid off employee shall, upon advance application to the Employer, be granted priority status on the substitute list according to his/her seniority. Laid off employees may continue any and all of their insurance benefits by paying the regular monthly subscriber group rate premium for such benefits to the Employer. This provision is subject to the approval of the insurance carriers involved.
- d. In the event that a layoff involves several employees, upon request of the Association, a special conference may be held.

- e. Employees shall be provided ten (10) working day's notice of layoff, except that as of ten (10) working days after the first day of school each year, the Employer shall provide aides with ten (10) working days notice of layoff. Aides that are not assigned within the first ten (10) working days of a new school year shall be considered to be on layoff.

Section 9.2
Recall From Layoff

When the Employer is seeking employees due to: vacancies due to retirement, vacancies due to termination, vacancies due to long-term illness, or a need to increase the work force, employees who have retained their seniority shall be recalled in the following manner:

- a. No recall shall be made until those presently working within the affected classification have had the opportunity to bid on the open position.
- b. Provided the employee(s) has/have the ability and qualifications to perform the required work, the first employee to be recalled shall be the/those employee(s) laid off within the affected classification. The employee with the greatest seniority, within the affected classification, shall receive the first notice of recall. No vacancy shall exist until all laid off employees, within the affected classification, have had the opportunity to respond to a recall notice.
- c. Notice of recall shall be given to the employee personally or mailed to the employee at his/her last known address by certified mail, return receipt requested. If the employee fails to report for work within fifteen (15) working days from the date of receipt of the notice, or if the certified letter is undeliverable for fifteen (15) working days, he/she shall be considered as a voluntary quit.

Section 9.3
Reduction in Hours

All employees shall be eligible for bumping rights prescribed in 10.1 if their scheduled hours are reduced by 15 minutes or more.

ARTICLE 10
VACANCIES, TRANSFERS AND PROMOTIONS

Section 10.1

Transfers to Non-Bargaining Unit Positions

An employee transferred to a non-bargaining unit position shall not accumulate seniority while in the non-bargaining unit position, but his/her seniority earned shall be retained and frozen. If the employee is transferred back into the bargaining unit, he/she shall pick up his/her frozen seniority. The Union acknowledges that the Employer retains the right to determine the wages, hours, terms and conditions of employment for all non-bargaining unit employees, including the right to determine whether or not an employee is transferred back into the bargaining unit.

Section 10.2

Job Posting and Bidding Procedures

- a. All employees shall be notified in writing or by posting at their place of work of all vacancies which are to be filled and/or newly-created positions or classifications within ten (10) working days after the vacancy occurs, unless extended by mutual consent. Employees interested in applying for the position shall make application to the Superintendent of Schools or the designated supervisor. The time limit for application shall be five (5) days after the posting unless extended by mutual agreement.

The following positions have district tests in place and require a 70% minimum passing score: Secretarial, Library, Computer Lab, Maintenance, and other aide positions requiring specific testing. Each of the District Tests are allowed to be taken only two (2) times per year and six (6) months between the 1st and 2nd times, with a maximum of four times per test for the duration of one's employment. The school district will offer these testing opportunities for all interested LESPAs once in November and once in May of each school year. However, in the case of the maintenance test, an employee cannot re-take the test more frequently than every two years after failing it twice. Mechanics must have the necessary certifications at time of hire.

Vacancy postings will list the classification, qualifications, building location, general description of their work, the regular schedule of hours and anticipated beginning date.

Vacancies will be filled in the following sequential order:

- (1) The Employer shall select within five (5) working days after the close of the time limit for application the best qualified candidate from those applying from the classification in which the vacancy exists by considering the following equally: overall work record (includes references and anecdotal information by past and present supervisors), and ability demonstrated within the classification of the vacancy. Good attendance or poor attendance will be an integral part of work record. Seniority will be used only when everything else is deemed to be equal. If there is no qualified candidate within classification, the job will be posted internally and externally.
 - (2) Vacancies within a classification without applications by the posted deadline from current employees within the classification of the vacancy, shall be posted with all employees and also for non-employees.
 - (a) No new employee shall be interviewed for a vacant position until the four (4) applicants from the unit with the greatest seniority have been interviewed and have been determined by the Superintendent or the immediate supervisor to be unacceptable for the posted position.
 - (b) Other members of the unit (with less seniority than the four that are guaranteed an interview) will be considered before the applications from non-current employees.
 - (c) In all cases, the Employer shall select the best qualified candidate from those applying by considering the following: ability demonstrated, work record, and seniority. Good attendance or poor attendance will be an integral part of work record.
- b. Bargaining unit members hired from outside and within the classification shall be granted a one (1) week trial period.

In the event the district returns the employee (or the employee elects to return) to his/her former position during the trial period, the vacancy will be re-posted and the applicants from the initial posting will be contacted to ascertain their continued interest in consideration for the position.

- c. Should a position increase in hours by two (2) or more hours per day in a fiscal year (July 1 to June 30) or if a part-time position becomes full-time, the position will be re-posted, subject to the following conditions:
 - (1) This provision will not apply where the adjustment in hours is not anticipated to exceed sixty (60) consecutive working days.
- d. For informational purposes, the Employer shall furnish the Association with a copy of each job posting at the time the notice is posted or mailed and a notice of the successful applicant.
- e. Vacancies created by leaves of absence or vacations shall not be posted except as required under Article 21.
- f. No employee shall be allowed to transfer under the provisions of this Section more than once in any twelve (12) month period, unless otherwise mutually agreed by the parties.
- g.
 - (1) Employees transferred to a new pay classification under the provisions of this Section shall receive the rate of pay of the classification awarded immediately higher than the applicant's prior classification rate at the time of the selection.
 - (2) During the trial period set forth above, employees shall remain at their current rate of pay in their former classification.
- h. Bus runs which are vacant and which are to be filled may be bid on by bus drivers. After considering all of the circumstances concerning the run, all of the applicant's work record, experience, ability, judgment, and seniority, the applicant determined best qualified for the run by the Transportation Supervisor shall be awarded the run.
- i. Relatives of staff members may be employed by the school district, provided the staff member being employed is not placed in a position in which he/she would be supervised directly by the relative staff member.

ARTICLE 11
LEAVES OF ABSENCE

Section 11.1

Unpaid Leaves of Absence

- a. Leaves of absence for periods not to exceed one (1) year shall be granted in writing, without loss of seniority, for:
 - (1) Illness (physical or mental) or injury to the employee (including pregnancy disabilities). The Employer reserves the right to require medical verification satisfactory to the Employer.
 - (2) Prolonged illness in immediate family which requires the employee's care with doctor verification required. Immediate family is defined to be spouse or dependent children only.
 - (3) Employees qualifying under the Family and Medical Leave Act shall qualify for all benefits required by such Act. (See Board Policy 4430.01 and Administrative Guidelines 4430.01B.)
- b. Leaves of absence not to exceed one (1) year may be granted in writing, without loss of seniority, for child care.
- c. Two (2) members of the Association selected to attend a function of the Association, such as conferences or conventions, shall be allowed time off to attend, limited to two (2) calendar weeks at any one time, provided that two (2) weeks' advance notice is given and personnel requirements can be satisfactorily met.
- d. An employee on an approved leave of absence shall accrue seniority but after thirty (30) days of such leave, the employee shall be responsible to assume the full cost for any insurance programs and all fringe benefits shall not accrue but shall be frozen at the level obtained at the time of such leave.
- e. An employee granted a leave of absence for three (3) months or less and who returns within the terms of the leave shall return to his/her same position worked at the time the leave was granted, unless the position no longer exists, at which time the employee shall return to an equivalent position.

- f. The Board may grant educational leave not to exceed one (1) employee in each classification at one time.
- g. The Employer may grant other leaves of absences up to one year for reasons other than stated above.
- h. Leaves of absence will not be granted for periods in excess of one (1) year absent a mutually acceptable letter of agreement being entered into between the Board and Association which outlines all conditions associated with the extension of the leave. It is understood that seniority will not accumulate under any letter of agreement entered into by the parties.

Section 11.2
Jury Duty

All employees who serve on jury duty will be paid the difference between their pay for jury duty and their regular pay.

Section 11.3
Workers Compensation

Each employee will be covered by the applicable Workers Compensation laws. The Employer further agrees that an employee being eligible for Workers Compensation will receive, in addition to his/her Workers Compensation, an amount to be deducted from his/her accumulated sick leave sufficient to make up the difference between Workers Compensation and his/her regular weekly income until the accumulated sick leave has been exhausted.

Section 11.4
Sick Leave Bank

A voluntary sick leave bank will be established for all eligible employees (those working 20 hours per week or more) who choose to participate, which will be operated as follows:

- a. Each employee enrolling in the bank will donate two (2) days of his/her sick leave to the bank each year until the bank is built up to a maximum of five hundred (500) days. No more days will be added to this maximum until the bank is depleted to three hundred (300) days. The bank will then be built up to five hundred (500) days again and the process repeated. Employees will be notified when deductions are being made to replenish the bank.

- b. Additions will be made to the bank at the beginning of each fiscal year according to the above limitations.
- c. If there are no days accumulated in the bank at the time a call is made upon it during the period of a day accumulation, a member of the bank will be returned his/her two (2) days, so as not to be penalized as a result of becoming a member of the bank.
- d. A person withdrawing from membership in the bank will not be able to withdraw the contributed days.
- e. The first thirty (30) work days of illness or disability will not be covered by the bank but must be covered by the person's own accumulated sick leave or absence without pay.
- f. A person will not be able to withdraw days from the bank until his/her own accumulated sick leave is depleted.
- g. (1) A maximum of ninety (90) work days for each illness or disability can be drawn by one individual from the bank subject to the following requalification requirements:
 - (a) If an employee has been absent for ninety (90) work days as set forth above, the employee must return to work for a period of thirty (30) work days in addition to fulfilling the requirements of sections e. and f. above in order to requalify for additional days from the sick bank.
 - (b) If the absence is less than ninety (90) work days, the requirements of sections e. and f. above must be fulfilled.
- (2) Employees eligible for Worker's Compensation benefits under Section 12.3 may not draw benefits from the sick bank.
- (3) Unpaid leave status for purposes of Section 12.1 shall begin effective with the exhaustion of individual sick leave under Section 12.5. Time compensated under the bank will serve to extend the period of unpaid leave by a corresponding number of unpaid days.

- (4) Other income from the Board will reduce the amount of daily benefits under the sick bank. Days in such instances will be deducted from the bank on a prorated basis. The proration will not extend the number of work days from the bank due to such proration.
- h. Persons withdrawing sick leave days from the bank will not have to replace those days except as a regular contributing member of the bank.
- i. New employees will have 30 days from the date they complete their probationary period to enroll in the sick bank.
- j. Except as set forth in section k. below, all withdrawals from sick bank membership will be considered permanent.
- k. Employees leaving the employ of the district who are re-hired at a later date may re-enroll in the sick bank upon their re-employment.

Section 11.5
Sick Leave

Sick leave will be granted for an employee's personal illness or disability. Up to three (3) days of sick leave will be allowed for each illness in the immediate family (spouse, children, parents, siblings, and/or grandparents or claimed dependents as defined by the IRS) that necessitates the presence of the employee. Additional sick leave for this purpose may be granted by the Superintendent or his/her designee if the seriousness of the illness necessitates the employee's presence. Upon the request of the employee, the Superintendent or his/her designee may authorize extra days without pay for extended family illness.

- a. All full-time (at least 35 hours weekly) employees covered by this Agreement shall be granted twelve (12) sick leave days per year as of July 1 of each year, except for new employees hired after July 1 of each year shall be prorated one (1) day per month for the remainder of the year (provided, however, no employee shall be eligible for sick leave during the probationary period as provided in Article 8, Section 8.2) with one hundred (100) days' accumulation. An employee while on paid sick leave will be deemed to be on continued employment for the purpose of computing all benefits referred to in this Agreement and will be construed as days worked specifically.

On June 30th of each year, any full-time employee who has an excess of 100 days of sick leave shall receive, if requested, in the first pay check in July \$20.00 for each day over 100, or, the employee may request that all days over 100 as of June 30 of any given school year be banked in his/her name for payoff per the contract upon leaving the employ of the school system.

- b. Part-time employees (20 hours or more) working on a regular basis, shall receive sick leave benefits on a prorata basis, using thirty-five (35) hours per week as the full-time base and twelve (12) days per year as the maximum annual sick leave allocation.

Employees working less than twenty (20) hours per week shall be granted four (4) sick days per year, such days prorata based upon the employee's daily schedule. (i.e., 3 hour person receives pay for 3 hours as 1 sick day)

Employees will be granted the hours they are presently working at the time the day is taken, regardless of the hours per day of other years' accumulation.

Those part-time employees with more than 100 days of sick leave as of June 30th of each year shall receive, if requested, on the first pay date in July \$20.00 or one-half of normal daily rate, whichever is the lesser amount, for each day over 100, or, the employee may request that all days over 100 as of June 30 of any given school year be banked in his/her name for payoff per the contract upon leaving the employ of the school system.

- c. An employee who has accumulated days of sick leave will be reimbursed at the following rates or one-half of their daily rate, whichever is the lessor amount, upon leaving the employ of the Ludington Area Schools:

0 to 50 days	\$20.00 each
51 to 80 days	\$25.00 each
81 to 99 days	\$30.00 each
100 to Unlimited	\$40.00 each

(By way of illustration, an employee with 125 days will be paid \$40.00 for each day.)

- d. If personal days are not available, sick days may be requested from the immediate supervisor for non-family funerals; supervisor's decision shall be final. (See Section 12.7 c.)
- e. Up to six weeks maternity/paternity leave will be granted an individual for such occurrences for spouse or unborn child(ren). These days will be paid or unpaid, dependent upon whether the individual has accrued leave days available to use. If the employee desires a leave of absence, he/she must file a written request with the personnel office no later than the beginning of the ninth month.

Section 11.6
Funeral Leave

- a. When a death occurs in an employee's immediate family, the employee will be allowed a maximum of four (4) working days' funeral leave. The employee will be compensated at his/her regular salary rate, although the employee must arrange with his/her administrator before such leave.
- b. The employee's immediate family shall include spouse, children and step-children, brother, sister, parents and step-parents, grandparents, grandchildren, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, and sister-in-law.
- c. Funeral leave beyond four (4) days granted above may be taken from sick leave. In the sole discretion of the Superintendent, funeral leave days, other than those specified above, may be granted.

Section 11.7
Personal Day

Each employee shall be granted personal days according to the following schedule.

Full-time Employees

Years of service to the district:

(0-7) - 2 days (to be used at the employee's discretion)

(8-15) - 3 days (one to be deducted from sick leave and must be approved by the immediate supervisor; supervisor's decision shall be final)

(16 and over) - 4 days (one day to be deducted from sick leave and must be approved by the immediate supervisor; supervisor's decision shall be final)

Part-time Employees

Years of service to the district:

(0-7) - 1 day (to be used at the employee's discretion)

(8-15) - 2 days (one to be deducted from sick leave and must be approved by the immediate supervisor; supervisor's decision shall be final)

(16 -20) - 3 days (one day to be deducted from sick leave and must be approved by the immediate supervisor; supervisor's decision shall be final)

(20 years and over) – 3 days (to be used at the employee's discretion per limitation listed below)

Employees who enter the service of the school district for part of the year will have the personal days prorated to the nearest full hour. An employee using these days will notify his/her immediate supervisor at least 24 hours prior to taking such a leave unless it is impossible due to an emergency. The personal days may be taken provided that the Employer can obtain a qualified substitute. In all cases, the rate of pay shall equal that which the employee would have received if he/she had worked his/her normal assignment.

- a. This leave shall not be taken the day before nor the day after a vacation or holiday, specifically Christmas and Spring Break. If, however, a personal day is requested for the day(s) before or after a vacation or holiday period, the request is to come to the Superintendent for approval. If the sole purpose of the request is to extend the holiday or vacation period (either for travel or extra days of vacation) the request will be denied. The Superintendent's decision is final and not grievable.
- b. If such days are not used, they will be credited to the employee's accumulated sick leave for the coming school year.
- c. Funeral requests within the allotted days, for non-family members, shall be automatically approved. These non-family funeral days shall be taken out of the personal day schedule listed above, following the procedure for sick leave deduction for the non-discretionary days, if appropriate. If personal days are not available, refer to Section 11.5 d. for non-family funeral days allowed under sick leave.

Section 11.8

Return to Work - Physician's Statement

When an employee has been cleared to return to work by his/her physician, the employee will provide a copy of the physician's statement to his/her supervisor and a copy to the business office. People returning from a non-work-related injury/illness are expected to resume performing all of their assigned duties.

The employer may require a physician's statement for absences in excess of three (3) consecutive sick days. The employer may require, at the employer's expense, a returning employee to be examined by the employer's physician in order to determine the employee's capability to return to work.

The number of vacation days granted shall be figured from an employee's date of hire as a regular full year employee (see Article 1.1) and all days must be used within the year that they are issued. On each anniversary date as a regular full year employee, the employee shall be notified of the days earned and the date by which they must be used.

(Example: John Smith, hire date 11/10/88. Current date 11/10/94. Vacation days earned fifteen [15]. All days must be used by 11/09/95.)

Section 14.2

No material originating after the initial employment shall be placed in a bargaining unit member's personnel record unless he/she has had an opportunity to review said material.

The bargaining unit member may submit a written notation regarding any material and the same shall be attached to the material in question. If the bargaining unit member examines the file and does not make any claim that the material is inappropriate or in error following such examination, the material contained in the file shall be considered appropriate and correct. If the bargaining unit member believes the material placed, or to be placed, in his/her file is inappropriate or in error, he/she may receive adjustment, provided cause is shown, through the grievance procedure, whereupon the material shall be corrected or expunged from the file.
