PREFACE
**MASTER AGREEMENT BETWEEN THE MONROE PUBLIC SCHOOLS AND THE MONROE
FEDERATION OF SCHOOL ADMINISTRATORS LOCAL 59 AFL-CIO**

This agreement is made between the Board of Education (hereinafter called "Board") and the Monroe Federation of School Administrators (hereinafter referred to as the "MFSA"). Any individual contract between the Board and an administrator covered by this Agreement shall be subject to and consistent with the terms of this Agreement. If an individual contract contains any language inconsistent with the Agreement, this Agreement shall be controlling.

A. Conformity to Law Clause

This Agreement is subject in all respects to the laws of the State of Michigan with respect to the powers, rights, duties and obligations of the Board, MFSA and members of the bargaining unit. In the event that any provision of this Agreement shall at any time be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for doing so, such provision shall be void and inoperative. However, at the option of either party to the contract, the specific provision, thus voided, and that provision only, shall be immediately subject to negotiations. All other provisions of this Agreement shall continue in effect.

ARTICLE I - RECOGNITION

- A. The Board recognizes MFSA as the exclusive collective bargaining representative of all administrative personnel (persons whose positions are minimally 40% supervisory in nature with all personnel of the district - certified or classified) for the purpose of bargaining with the Board with respect to rates of pay, wages, hours of employment, and other conditions of work, except for the Superintendent, Assistant Superintendents, Executive Directors, and Chief Director of Technology.
- B. With respect to this bargaining unit, the Board agrees not to negotiate with any administrator or administrators' organization other than MFSA.

ARTICLE II
ADMINISTRATORS' RIGHTS AND RESPONSIBILITIES

- A. Fair Practices: The Board agrees to continue its policy of not discriminating against any administrator on the basis of race, religion, creed, color, national origin, age, marital status, sex, disability, or labor organization membership.
- B. Handling of Complaints Against Administrators: When complaints or charges are made against an administrator, the administrator shall be promptly notified and if the complaint is in writing, the administrator shall be given a copy of the complaint. The Administrator shall be given reasonable time to respond verbally or in writing. At any time that a complaint may lead to discipline the union member may invoke their Weingarten rights immediately.
- C. Right to Representation: In the event a Complaint and Summons is lodged against an administrator who is named defendant for actions taken by the administrator in the administrator's representative capacity in keeping with official responsibilities, job description, and with the policies of the Board as an administrator for the Board, the Board shall, upon request, provide legal assistance and/or representation if necessary, through its legal office or other designated counsel; provided that a copy of the Complaint and Summons is transmitted to the Superintendent's office immediately upon the service of the defendant administrator. A letter from the MFSA President requesting a legal assistance will be necessary if assistance is derived by a recommendation of Board Counsel. Nothing herein prevents the Board from providing legal counsel without a request from the administrative unit President in the event it deems it appropriate.
- D. Administrator's Personnel File:
1. An Administrator will have the right to review the contents of his/her personnel file originating after original employment and to have a representative of the MFSA accompany him/her in such review.
 2. No material originating after original employment will be placed in the administrator's personnel file unless the administrator has had an opportunity to review the material, sign and date same. The administrator may submit a written notation regarding any material and the same shall be attached to the file copy of the material in question. If an administrator believes that material to be placed in the personnel file is in error, the administrator may receive adjustment provided cause is shown through the grievance procedure whereupon the material will be corrected or expunged. An administrator will receive written notification when any material has been expunged from his/her file. If the administrator is asked to sign material placed in the personnel file, such signature shall be understood to indicate awareness of the material but in no instance shall said signature be interpreted to mean agreement with the content of the material.
- E. School Mail Service and Facilities:
1. Duly authorized representatives of the MFSA and their respective affiliates shall be permitted to transact official MFSA business on school property, provided that this shall not interfere with or interrupt normal school operations and provided further supervisor approval has been obtained.
 2. The MFSA shall have the right to use that building equipment designated for general staff use when such equipment is not otherwise in use. The MFSA shall pay for the reasonable cost of all materials and supplies incident to such use. All equipment must remain on the premises.
 3. The MFSA shall have the right to post official notices of its activities and matters of MFSA concern on office bulletin boards. The MFSA may use the direct mail service for communications to its members when such communications relate to official business of the MFSA and do not require inter-building transfer of funds. The MFSA may also use Electronic Mail, as long as such usage does not violate Board and administrative policies for use of these media.

F. Discipline:

1. Administrators have a high standard of duty, responsibility, and performance. Also, they have an obligation to the full and proper performance and conduct of their duties and functions. In the event an administrator fails to maintain the necessary standard of such performance or conduct, the administration may be subject to disciplinary action. No administrator shall be disciplined or deprived of any professional advantage without just cause. Administrators may have union representation present during all such meetings and interviews. Any such discipline, reprimand or reduction in rank, compensation or advantage shall be subject to the professional grievance procedure hereinafter set forth. When an administrator is found to be in violation of this contract, discipline, when necessary, will be applied according to a progressive scale of severity. Discipline may be initiated at any place on the scale depending on the severity of the offense and the employee's previous record.
2. Step 1 - Verbal Warning: To protect the Board, the administrator, and the MFSA, signatures attesting to the fact that a verbal warning has been given will be exchanged on an appropriate form.
3. Step 2 - Written Reprimand
4. Step 3 - Temporary Suspension with Pay
5. Step 4 - Temporary Suspension with pay and a formal hearing by the Board at which time further actions will be decided upon. The administrator may have witnesses and counsel of the administrators choosing at this hearing.

G. Substituting - an administrator shall be required to perform the tasks of a subordinate (must be a different unit's member whose absence is routinely covered by the hiring or a substitute person to perform the duties of the position) only after attempts to obtain a substitute have failed. The days when an administrator is required to substitute shall not exceed a maximum of five (5) per school year. These may or may not be full school days, in that each day that any substitution was performed for two or more hours shall count as one day.

H. A professional appearance is expected for all administrators according to the following guidelines:

1. Care should be taken to dress in a manner which reflects well on the district, school and administrative position.
2. Administrators shall dress in a neat and clean manner befitting the supervisory and management role of the administrator.
3. On non-instructional work days the acceptable dress for administrators shall be business casual.

**ARTICLE II-B
ASSOCIATION RIGHTS - AGENCY SHOP**

Association Rights – Agency Shop

The employer and the union agree that the union's duties to persons employed in the bargaining unit require that each unit member share the costs associated with the negotiation of and the administration of this collective bargaining agreement. Therefore, each person employed in the bargaining unit shall either become a member of the union and pay dues required of members, or agree to pay a service fee in an amount determined by the union. Persons who fail or refuse to do either will be discharged. This section describes the process used to accomplish these goals.

1. It is recognized that the proper negotiations and administration of professional negotiations agreements entail expense which is appropriately shared by all administrators who are beneficiaries of such agreements. To this end, in the event an administrator shall not join MFSA, such administrator shall, as a condition of continued employment by the Board, execute an authorization for the deduction of a sum equivalent to the costs of bargaining, administering the contract, and adjusting grievances, which sum shall be forwarded to the MFSA. Non-members who do not sign an authorization for deduction shall sign an intent to pay the service fee and shall follow the procedures set forth in Section A-2 above. In the event that such an authorization or intent to pay is not signed for a period of sixty (60) calendar days by the administrator following the payment deadline, the Board agrees that in order to effectuate the purpose of the Public Relations Act and this Agreement, the services of such administrator may be discontinued as of the end of the current school year. The MFSA will furnish the Board with a list of those who are neither members of the MFSA nor have signed a deduction authorization or an intent to pay dues or service fees. Such administrator or administrators shall be notified immediately, upon the expiration of the one hundred twenty (120) calendar day period heretofore mentioned of such pending termination of their services.
2. Promptly after approval of their hiring, the union will be notified of the name(s) of each person newly employed by the employer who will be assigned to a position in this bargaining unit. The union will present the notice attached as exhibit one to such person. The employee will have 14 calendar days to decide whether to become a union member or pay a service fee.
3. The employer will deduct dues or service fees from the paychecks of persons who have agreed to such deductions. The form for deductions is attached as exhibit two. Dues or service fees will be withheld on the schedule set by the employer.
4. A union member or service fee payer may pay either dues or service fees directly to the union in such a manner, or on such a schedule as the union may approve.
5. A person who fails or refuses to either become a union member, approve deduction or a service fee, or pay a service fee (the non-payer) will be discharged in accordance with the aforementioned process.
6. Authorized deduction of membership dues or service fees shall be made from each paycheck each month for twenty (20) pays beginning with the second paycheck in September and ending in June of each year. MFSA will present the Administration with the signed authorization forms each year on or before the Friday preceding the second day in September. The amount of the deductions will be the same for all members who authorize deductions and for all non-members who authorize deductions. The Board will not be responsible for incorrect deductions.
7. The Board shall also make all payroll deductions, upon written authorization, from administrators for credit union, United Way, annuities, or any other plans or programs approved by the Board.
8. The MFSA agrees to pay all attorney fees, court costs of judgments awarded that may arise when action is taken by said Board to implement paragraph 1 above, and do hereby covenant and agree to hold Monroe Public Schools and members of the Board of Monroe Public Schools harmless from any and all claims which may arise against Monroe Public Schools and said Board arising out of the implementation of this Agreement.

The individual's sick leave may be used for up to three (3) additional days upon request.

An administrator requesting a personal business day must request the day three (3) days in advance. Unused business days accrue to sick leave accumulation.

ARTICLE VI - GRIEVANCE PROCEDURE

A. Definition

A grievance is a complaint by either a member of the bargaining unit or by the MFSA on its own behalf, alleging violation, misapplication, or misinterpretation of any provision of this Agreement or any cause of inequitable treatment in the application or enforcement of this Agreement. Every administrator has the right to fair and equitable treatment with due process and accordingly will not be acted against except for just cause.

Step One:

Any administrator with a grievance shall meet with the immediate supervisor within ten (10) school days of the occurrence or event which caused the grievance in an attempt to resolve the matter. If the matter is not resolved, the administrator, provided MFSA approval is granted, may appeal the grievance by reducing it to writing and filing it with the Superintendent within ten (10) school days of the above meeting. The MFSA acting on its own behalf may file a grievance directly with the Superintendent within ten (10) school days of the occurrence of the grievance.

Step Two:

Within ten (10) school days of receipt of the written grievance, the Superintendent shall investigate the grievance, meet with the administrator or the MFSA, but shall communicate his decision, in writing, to the MFSA.

Step Three:

If the MFSA is not satisfied with the decision of the Superintendent, or if the Superintendent fails to abide by its decision, the MFSA may submit the grievance to arbitration before an impartial arbitrator selected by the parties. The MFSA shall notify the Board, in writing, within ten (10) school days following receipt of the Step 2 decision, of its intent to submit the grievance to arbitration. If the parties cannot agree as to the arbitrator within ten (10) school days of the MFSA notification, the arbitrator shall be selected by the American Arbitration Association in accordance with its rules. The hearing before the arbitrator shall be governed by the rules of the American Arbitration Association. The arbitrator's decision shall be submitted in writing within thirty (30) days from the close of the hearing. Both parties agree to be bound by the award of arbitrator and agree that the judgment thereon may be entered in any court of competent jurisdiction. The arbitrator's fee and expenses shall be shared equally by the Board and MFSA. It is clearly understood that the arbitrator's authority and power stem solely from this Agreement and the arbitrator shall be without jurisdiction to add to or subtract from the specific provisions set forth herein, nor shall the arbitrator be able to insert personal judgment or wisdom for that of the employer or employee. In the event of a hearing, each party shall be responsible for the pay, fees, and expenses of all witnesses or participants they either call or request to attend such hearing, providing they are not employees of the Board.

B. Powers of the Arbitrator.

1. The arbitrator shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
2. The arbitrator shall have no power to establish salary scales or change salary except in the case of wage miscalculation.
3. In the event that a case is appealed to an Arbitrator on which the arbitrator has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
4. The Arbitrator shall have no power to establish or change any insurance policy.
5. The arbitrator shall have no power to interpret state or federal law or rules or regulations having the force of the law.

6. It shall be the general practice of all parties to process grievances during times which do not interfere with or cause interruption of the employee's working day. Release time shall be granted only upon mutual consent of the aggrieved person, the Union and Management.
 7. A grievance may be withdrawn at any step without prejudice.
 8. In the course of investigation of any grievance, representatives of the Union will report to the supervisor of the building being visited and state the purpose of the visit immediately upon arrival.
 9. The filing of a grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities, subject to the final decision of the grievance.
 10. The aggrieved person shall not be permitted to assert in any arbitration proceeding any grounds or to rely on any evidence previously known by that party but not disclosed.
 11. It is understood that the Arbitrator may not make an award which in effect grants the Union that which it was unable to secure during past collective bargaining negotiations.
 12. The termination of probationary administrators shall not be subject to arbitration.
- C. Records: Records of grievance shall be kept separate from personnel files of the administrators.
- D. Counsel: During all phases of the Grievance procedure, the administrator or MFSA is entitled to legal counsel without expense to the Board.
- E. Reprisals: No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure by reason of such participation.
- F. Time Limits: Time limits specified in all steps of the grievance procedure shall be strictly adhered to and may be extended by written agreement only. If the Board representative fails to communicate a decision within the time limits, the MFSA may take the matter to the next step.

ARTICLE VII - NEGOTIATION PROCEDURES

- A. It is contemplated that terms and conditions of employment provided in this agreement shall remain in effect until altered by mutual agreement in writing between the parties. Nevertheless, because of the special nature of the public educational process, it is likewise recognized that matters may from time to time arise of vital mutual concern to the parties which have not been fully or adequately negotiated between them. It is in the public interest that the opportunity for mutual discussion of such matters be provided. The parties accordingly undertake to cooperate in arranging meetings, selecting representatives for discussion, furnishing information and otherwise constructively considering and resolving any such matters. Agreements reached shall be reduced to writing and shall be countersigned by the MFSA President and Superintendent.
- B. At least sixty (60) days prior to the termination of this Agreement, upon written request of either party, negotiations will be undertaken.
- C. Neither party in any negotiations shall have control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. While no final agreement shall be executed without ratification by the MFSA, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations.
- D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Labor Mediation Board or take any other lawful measures it may deem appropriate.
- E. A reasonable time prior to expiration of the Agreement either party may give written notice to the other of its desire to negotiate a new agreement and meetings for that purpose will begin at a time mutually agreeable to the parties. Provided, however, that nothing in this paragraph or elsewhere in this Agreement shall be construed to require the Board to commit to unfair labor practice or otherwise violate the law by any improper recognition of or support or assistance to the MFSA.
- F. The Board shall make available to the MFSA upon its request such statistics and financial information, related to the Monroe Public Schools and in the possession of the Board, but not readily available to the MFSA from other sources, as are necessary for negotiation of collective bargaining agreements. It is understood that this shall not be construed to require the Board to compile information and statistics not already available, but the MFSA shall have the right to examine such records and files as may be necessary to provide the necessary information provided that it shall be done on other than duty hours. However, whenever examination of records and files is required to compile information and statistics as requested by MFSA, such examination shall be accomplished by a work force consisting of an equal number of Board and MFSA representatives. Such examination shall be accomplished at a reasonable time upon reasonable notice and at a reasonable cost.

**ARTICLE VIII
ASSIGNMENTS APPOINTMENT AND REDUCTION IN FORCE**

- A. Pupil Assignments: Each building principal shall have the responsibility to make a determination regarding each pupil's assignment within the school building in conformance with the School Board Policy regarding placement and subject to the Superintendent's review. Any dispute arising over this section shall not be subject to the grievance procedure.
- B. Staff Assignment: The MFSA stipulates that all positions shall be staffed by the most competent and qualified persons that can be procured for them.
1. Each administrator shall be informed concerning all personnel being considered for assignment to the school building or department.
 2. Each administrator shall be given the opportunity to make recommendations concerning such assignments.
 3. It shall be considered sufficient opportunity if prior notice is sent to the administrator's office or, during the summer, to a summer address informing the administrator as to when the person's assignment may be discussed.
 4. Each administrator shall have the right to make a recommendation regarding each staff member's assignment within the staff member's unit. In respect to their unit or other department employees, guidelines established by the appropriate division will be observed.
- C. Appointment to Administrative Positions
1. Each spring, not later than April 1, the Superintendent, through a communication from the Superintendent's office, will solicit any indication of preference for assignment that current administrators may care to submit for the year ahead. Such preference for assignment may express interest in lateral movement, promotion or demotion. It may indicate a general or particular interest. It may reflect a desire for a change of location, a change of work for either personal or professional reasons, or a career aspiration pattern. It is understood that any administrator by the administrator's initiative may indicate, in writing, such a preference for a change of assignment at any time.
 2. When an administrative position becomes newly created or a once filled position becomes available, the Superintendent may exercise the following options regarding the filling of the vacancy: Voluntary or Involuntary transfers - Voluntary or Involuntary demotions - Voluntary promotions. When a transfer of an administrator is at the request of the Superintendent, such administrator shall meet with the Superintendent to discuss the reasons for the transfer which shall include each criteria as program changes, performance, qualifications, experience and length of service. Involuntary demotions (the lowering of the rate of pay at any time) shall follow the procedures set forth in the evaluation process for Unsatisfactory Job Performance. The process only in this section is grievable.
 3. A notice of vacancy will be publicized in the district by posting such notice in each school unit of the district and each central administrative office.
 4. Any MFSA bargaining unit member may apply in writing for vacancies for which the administrator is qualified and certified. A minimum of five (5) school (work) days shall be allowed for applications to be received from any MFSA application. During the summer months when school is not in session, notice of vacancy will be mailed by the Personnel Department to the office of the President of the MFSA or to the address provided by the President.

5. An Interview Committee partially composed of MFSA representatives will review all such applicants and make recommendations to the Superintendent regarding appointment.
6. Temporary appointments may be made by the Superintendent on emergency or interim basis. The temporary appointee shall be considered for continuing appointment in the same manner and on the same basis as other applicants for continuing appointment. The President of MFSA shall be informed prior to the announcement of any temporary assignments.
7. Only one administrative probationary period of two years shall be served by an administrator for positions in the same division (either instructional, or financial). Any other assignment may require an additional year of probation.

D. Assignments

1. In recognition of the commitment by MFSA to the principle of total involvement in seeking solutions to educational problems, it is acknowledged that the Board retains the right to assign administrators covered by this Agreement from one position to another, when in the judgment of the Board, such change of assignment will better enable the Board to fulfill its aforementioned mission of seeking solution to district problems.
2. Provided further, MFSA and the affected administrator shall be notified promptly of the Superintendent's contemplated intention to effectuate a change of assignment under this paragraph and shall be given an opportunity promptly to respond thereto. In the event the employee disagrees with the Superintendent's contemplated decision, a committee composed of agents of the Board and MFSA representatives shall review the matter.
3. An administrator who elects to return to a non-administrative position may be granted approval and all benefits. In compliance with the teacher tenure law, where applicable, and all units' master contracts, the administrator shall be treated in determining said benefits, as if the administrator had been continuously employed in that position in the school district, including the time credited at the initial date of employment.
4. It is specifically recognized by the parties that an employee may be assigned or transferred either within or outside the bargaining unit provided their classification rate is maintained on the Administrative Salary Schedule including all MFSA contractual agreements. Administrators assigned pursuant to this provision shall not have waived their other contractual rights or status with the MFSA bargaining unit.

E. Seniority

1. Administrative seniority shall be defined as the number of years as an administrator in the district. The commencement date of work is the initial date for computation. Exempt administrators shall accumulate administrative seniority as if they were working in the bargaining unit.
2. In the event that two or more administrators have a tie in seniority as determined above, then district seniority, calculated in a similar manner to above, shall prevail. A tie in district seniority shall be resolved by totaling the employee's last four (4) digits of their social security to determine the highest sum. The employee with the highest sum shall have the higher seniority ranking. In the event of a tie with the above procedure, one additional digit to the left of the last 4 digits of the social security number will be added until the tie is broken.
3. The seniority list shall be updated September 1st. Administrators must update their certification and current experience by September 1st.
4. Individuals shall not acquire seniority while on lay off.
5. A person who refuses recall loses seniority

6. If an administrator has been appointed to a temporary position and is subsequently hired and continuously retained in that same or similar administrative position, then the seniority date of hire shall be the first date of appointment to the temporary position.

F. Classifications:

There will be two general classifications – certified and non-certified.

Certified Personnel includes:

- persons who hold a teaching certification or
- persons who do not hold a teaching certificate if no certificate is required for the position they hold and their job includes supervision of instructional personnel or administration of curriculum.

The following hierarchy shall be used to specify equal or lower-rated classifications:

1. 12 Month Directors & +45 Principals
2. +20 Principals
3. +20 Assistant Principals & +40 Administrators

Non-Certified Personnel includes persons who are assigned to a position for which no teaching certification is available.

G. Layoff

1. It is specifically recognized that it is within the sole discretion of the Board to reduce its educational program, curriculum, staff and number of positions. Before layoffs are commenced, the administrative union shall have input as to who shall be laid off. Such input shall not delay the sending of layoff notices. After such a decision has been rendered by the Board, displaced administrators will be assigned to positions whereby they have the necessary certification to teach at the given level (elementary, secondary, special area), administrative or supervisory experience at the given level or area to fill and the necessary qualifications. Necessary teaching certificate shall be defined hereinafter as having the necessary certification to teach at the given level (elementary, secondary, special area). Administrators, for whom no administrative positions are available, will be laid off from the administrative bargaining unit. The parties recognize in certain situations employees may not possess the necessary requirements as listed herein. In these situations, it is appropriate for the Superintendent to make a reasonable judgment regarding alternative qualifications.
 - a. An administrator may be assigned to replace another administrator in an equal or lower-rated classification provided he/she has the ability to teach at a given level (elementary, secondary, special area), administrative or supervisory experience at a given level, and necessary qualifications.
 - b. An assistant principal may not be assigned to replace a principal. He/she may be assigned to replace another assistant principal or supervisor provided he/she has the ability to teach at a given level (elementary, secondary, special area), administrative or supervisory experience at a given level, and necessary qualifications.
 - c. A supervisor may be assigned to replace another supervisor in an equal or lower rated classification provided he/she has ability to teach at a given level (elementary, secondary, special area), administrative or supervisory experience at a given level, and necessary qualifications.

2. Exempt administrators shall be able to bump into the bargaining unit at the highest appropriate level of classification for which the exempt administrator possesses the necessary administrative seniority, provided the individual exempt administrator has the necessary certification to teach at the given level (elementary, secondary, special area), administrative or supervisory experience at the given level or area to fill, and the necessary qualifications. If an exempt administrator is assigned to the bargaining unit and it's necessary to reduce administrators, the lay-off and recall language contained in this agreement will apply to the exempt administrator as a member of the bargaining unit.
3. In applying the above provisions, if there are two or more positions the exempt administrator may bump into, the Board will select the positions to which the exempt administrator is to be assigned.
4. The Superintendent shall notify the affected bargaining unit administrator of the need for change of assignment and shall furnish a list of positions available for which the administrator is qualified and certified, if certification is necessary.
5. If a change of assignment is necessitated due to a reduction in staff or classification, the administrator with the least seniority in the affected classification shall be reclassified.
6. Administrators assigned to a position which is paid at a lesser rate than their most previous position will be frozen at the most previous salary level until the position to which assigned catches up. A per diem rate for that frozen salary will be computed and the new salary will be based on that per diem rate times the number of days worked. The number of days worked will not be less than those worked by a teacher in the district. If the administrator chooses to maintain the same work day and work year, the salary will be frozen at the level it was prior to the reassignment.
7. Individuals shall not acquire seniority while on lay off.
8. No administrator may bump into a higher rated classification or exercise their seniority to return to a higher rated classification.
9. An arbitrator may not rule that an administrator is qualified to displace another administrator unless the parties have so agreed.

H. Recall

1. Persons shall be recalled in inverse order of layoff with the most senior person being recalled first.
2. A person is obligated to accept a recall to a position. To be eligible to be recalled or assigned, the administrator must be capable of assuming the administrative duties within thirty (30) calendar days. If the administrator is on an approved medical leave, the administrator must be able to assume the position within ninety (90) calendar days.
3. A person shall remain on the recall list for five years or the duration of their seniority whichever is greater. During this time period, administrative seniority shall not be broken while the administrator is on medical leave if the administrator is unable to be recalled.
4. A person who refuses recall loses seniority.

ARTICLE IX - EVALUATION

- A. Instruments: It is understood that each administrator will be evaluated according to the document adopted by the Board, May, 1980. Processes for revision of evaluation instruments or procedures will include opportunity for input from a wide range of administrative perspectives and experiences and will be developed cooperatively with MFSA.
- B. Process: In the instance where an administrator is working with another administrator and both positions are MFSA administrative positions, the Superintendent may direct the senior administrator to evaluate his subordinate administrator following accepted practice. The Superintendent shall review the final evaluation of the subordinate administrator and make reference to the senior administrator's evaluation in his summative commentary. Both the subordinate administrator and the senior administrator shall sign the evaluation only after the Superintendent has completed his summative commentary. If the subordinate administrator is not in agreement with some portion of the evaluation, the administrator has a right to ask for a review of that portion(s) of the evaluation with a union representative of the administrator's choosing.
- C. Unsatisfactory Job Performance: When the administrator is determined to be performing at a less than satisfactory level at any time, the appropriate immediate supervisor shall provide supporting information as to the reasons for such an evaluation and shall offer a reasonable plan of assistance and counsel to the administrator to help correct his performance inadequacies. This assistance plan shall be written and include a statement of the inadequacy, the resources or assistance being provided to assist the administrator in correcting the inadequacy, and a reasonable timeline of when the inadequacy should be corrected. Disciplinary action as shown below shall occur only after the following steps have been taken. It is expressly understood that Article IIA, Section G of the contract is superseded by this section.
1. A minimum of two (2) conferences scheduled at least sixty (60) calendar days apart shall be held between the administrator and the superintendent or designee in dealing with the clearly identified inadequacies, directions for their improvement, and consequences of failing to do so. The Superintendent or designee shall prepare a written evaluation containing the above information and shall provide a copy for the affected administrator to be signed by both the administrator and evaluator.
 2. If there is a second notification of the same performance inadequacies needed, the administrator shall be provided an opportunity of no less than sixty (60) additional calendar days to rectify the stated inadequacies.
 3. If inadequacies still persist, a final review of the involved administrator's performance and the disciplinary action to be taken shall be written and presented to the administrator at a third conference to be held as soon as practicable following the second sixty (60) calendar day period above.
 4. Written notice of demotion must be presented to an administrator involved at least fourteen (14) calendar days before the Board meeting at which action is to be taken on the notice.
 5. At the administrator's option, the administrator shall be granted a meeting with the Superintendent to discuss fully the matter.
 6. The administrator may at this time ask for a hearing, either public or private, with the Board.
 7. At any of the above steps, and at the option of the administrator, a member of the MFSA may be present.
 8. Should the administrator involved feel the above procedure has not been followed correctly; the first two (2) steps of the grievance process of this contract are hereby waived.

- D. As a matter of clarification the parties agree that Administrators who are demoted due to documented deficiencies under Article IX - Evaluation, will be assigned to a teaching position as required under the tenure law shall be compensated based upon the teacher master agreement. Non-certified administrators who are demoted due to documented deficiencies under Article IX - Evaluation, will be assigned to a non certified position and paid an annual salary not less than 80% of the last administrative salary and frozen at that dollar amount until the new assignment salary level would catch up; as an alternative the parties may consider a negotiated severance package.

ARTICLE X - NO STRIKE CLAUSE

Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations as long as the laws of Michigan prohibit strikes and stoppages of public employees and since the parties are establishing a comprehensive procedure under which the unresolved disputes can be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this Agreement. MFSA accordingly agrees that it will not, during the period of this Agreement, directly or indirectly, cause, authorize or support nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence from his position or stoppage of work or abstinence, in whole or in part, from the full, faithful and proper performance of the administrator's duties of employment) for any purpose whatsoever. Further, MFSA will make every effort to carry out the above; but if it does not do so or if it has initiated, supported or condoned a breach of this provision, then the MFSA may be liable for breach of the agreement if in violation of the law.

ARTICLE XI: COMMITTEE RESPONSIBILITIES

- A. The Board may from time to time establish committees which are necessary for the study, review or initiation of outcomes and subsequent recommendations.
- B. When committees are formulated, it is hereby expressly understood that an administrator may, upon acceptance be a member requested by the Board. Furthermore, it is understood that the administrator shall not be individually held accountable for committee decisions.

- E. Administrators who participate, with the Superintendent's approval, in an in-service class, workshop, seminar or training session for which others receive remuneration, shall likewise receive compensation for their involvement, unless the individual administrator waives the right of such pay.
