BOARD OF EDUCATION  
And  
MONROE COUNTY EDUCATION ASSOCIATION  
AGREEMENT

The Board of Education of the Ida Public Schools of Ida, Michigan, hereafter referred to as the "Board", and the Monroe County Education Association, hereafter referred to as the "Association", in consideration of the mutual covenants entered into, agree as follows:

Whereas, the Board and the Association recognize and declare that providing a quality education for the children of the Ida Public Schools is their aim, and

Whereas, the members of the teaching profession are qualified to assist in formulating policies and programs designed to improve educational standards, and

Whereas, the parties of this Agreement agree that it is the duty of the Board of Education to make policies necessary to maintain adequate and uninterrupted services to the public and children of the Ida Public Schools, and

Whereas, the laws of the State of Michigan authorize collective bargaining for public employees, and

Whereas, it is the purpose of this Agreement to resolve by collective bargaining in good faith differences concerning wages, hours and working conditions.

**ARTICLE I**

**Recognition**

- A. The Board recognizes the Monroe County Education Association affiliated with the Michigan Education Association and National Education Association as the exclusive bargaining representative as defined in Section 11 of Act 379, Public Acts of 1965, as amended, for all regular full-time and regular part-time certified teaching personnel employed under regular tenure or probationary contracts, substitutes employed for 150 days or more in the same position, counselors and certified librarians, special education teachers and hearing impaired consultants, reading consultants, and pathologists/therapists employed by the Ida Public Schools Board of Education. Excluded from the bargaining unit are full or part-time supervisory, executive or administrative personnel, business manager, athletic directors, Title I director, curriculum coordinator; enrichment, adult education and community education program personnel; preschool personnel, school nurse, if not teacher certified, social worker, psychologist, elementary intervention/special needs counselors, special education coordinator, police liaison officer, reading director, all other substitute teachers, per diem appointments, aides and paraprofessionals, teachers in programs which are

not part of the regular school year (such as summer school, including the migrant program and driver education), noon period supervisors and/or recreation personnel, office and clerical employees, custodial employees and all other employees of the Board or any other employer.

- B. The term "teacher", when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining or negotiating unit as above defined.
- C. The Board agrees not to negotiate with any teacher organization other than the Monroe County Education Association for the duration of this Agreement. However, it is expressly agreed that the Board may recognize and deal with the local association which the MCEA has designated as its authorized representative for all contract administration purposes. The "local association" as the term is used in this contract is an affiliate of the MCEA and is comprised of bargaining unit members. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association if the adjustment is consistent with the terms of this agreement. An Association representative may attend any grievance meeting.

## **ARTICLE II**

### **Teacher/Management Rights Clause Teacher Rights**

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and any other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board, and the Association undertakes and agrees that they will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379, or other laws of Michigan, or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms and conditions of employment by reason of his or her membership or non-membership in the Association or collective professional negotiations with the Board, or his or her institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. The Board and the Association specifically recognizes the right of bargaining unit members to invoke the assistance of the Michigan Employment Relations Commission.
- C. The Board agrees to furnish to the Association, in response to written request, all public information concerning the financial resources of the District pursuant to the Freedom of Information Act.

- D. At the request of the Monroe County Education Association, Ida teachers shall have the right to use school buildings for Association meetings at reasonable times and hours when such buildings are open and janitorial operating staff is on duty, provided the meeting does not conflict with a previously scheduled use. Such use will be scheduled through the building principal. Such use beyond reasonable times and hours requiring an extra cost incurred by the Board shall be paid by the Association.
- E. Teachers shall be entitled to full rights of citizenship, and no religious or political activities of any teacher, or the lack thereof, outside of employment, shall be grounds for discrimination with respect to the professional employment of such teacher.
- F. The provisions of this Agreement as to wages, hours, terms and conditions of employment shall be applied without regard to any class protected by law.

### **Management Rights**

- A. Nothing in this Agreement is to be interpreted as constituting a waiver of the Ida Public Schools Board of Education's rights and responsibilities to create and maintain schools that reflect its public's wishes. The intent of the Agreement is to establish wages, working hours and conditions of employment with the Ida Education Association.
- B. Therefore, the Board on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by law and the Constitutions of the State of Michigan and the United States including, but without limiting the generality of the foregoing, the right:
  - 1. To the executive management and administrative control of the school system and its properties and facilities;
  - 2. To hire all employees and to determine their qualifications and conditions for their continued employment, or their dismissal;
  - 3. To establish grade levels and courses of instruction, including special programs, and to provide for athletic, recreational and social events for students, all as deemed necessary or advisable by the Board;
  - 4. To determine the services, supplies, and equipment necessary to continue its operations and to determine the methods and processes of carrying on the work.
  - 5. To adopt reasonable rules and regulations;
  - 6. To determine the location or relocation of its facilities, including the establishment or relocation of new schools, buildings, departments, divisions or subdivisions thereof, and the relocation or closing of offices, departments, divisions or sub-divisions, buildings or other facilities;

7. To determine the financial policies including all accounting procedures, and all matters pertaining to public relations;
  8. To determine the size of the management organization, its functions, authority, amount of supervision and table of organization.
- C. The exercise of the above rights and the use of the Board's judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement.

### ARTICLE III

#### **Professional Compensation**

- A. The salaries of the teachers covered by this Agreement are set forth in Schedule A which is attached to and incorporated in the Agreement. Such salary schedule shall remain in effect during the term of this Agreement. Bargaining unit members receiving a performance evaluation rating of ineffective shall be ineligible for step increases.
- B. For the term of this Agreement, the school calendar shall be set forth in Schedule B. There shall be a minimum of 179 and a maximum of 180 scheduled student days as determined by the calendar and 185 scheduled work days. Should the state order the makeup of days and/or hours lost in order to qualify the District for full State Aid (or in the event that fewer than 175 days of actual student instruction would occur unless days are made up), the Board and the Association shall meet for the purpose of rescheduling said days and/or hours through mutual agreement. The scheduling of required make up days and/or hours shall not increase the salary of the teacher above the contracted amount, nor will more days and/or hours be required than are specified in Schedule B.
- C. The Board shall provide three (3) release days per year to an Association designee to be used at the direction of the local Association. Such days shall not be used to negotiate elsewhere. A substitute will be provided by the Board for each day. The Superintendent shall be notified in writing at least two (2) days in advance. Time shall be taken in not less than one (1) day increments. The Association may use four (4) additional days for the purpose stated above, but the Association shall reimburse the Board for the cost of the substitute.
- D. Salaries will be paid on a basis of 21 or 26 pay periods according to authorization of each teacher made prior to the second day of the teachers' work year. Teachers will receive their first pay on or before the second Friday after students report. The Board will pay a lump sum check at the end of the school year in June to any teacher who so desires provided the teacher makes that request prior to May 1<sup>st</sup> of the current school year.
- E. All new teachers shall be required to attend an unpaid half-day session previous to the first calendar day. Time will be provided by the administration for the orientation of new teachers to Association matters.

- F. When a teacher substitutes for another teacher during his or her planning period, the substitute teacher will receive Thirty Dollars (\$30.00) per period. If the substitute position is less than 20 minutes duration then the teacher will be compensated fifteen (\$15) dollars.

If the substituting is done in the elementary grades during the planning time the teacher has because of music, computer time, science lab, or physical education, the substituting teacher will be paid on the basis of a 50-minute period.

Whenever a substitute teacher cannot be obtained, the administration shall, on a rotating basis, require a teacher to substitute during her/his planning time. No teacher can be involuntarily required to sub more than three (3) times during the school year.

- G. When teachers are engaged in pre-approved after school tutoring or after school detention, or duties such as lunchroom supervision or lunch detention during the teacher’s scheduled lunch, they will receive thirty dollars (\$30.00) per hour.

**ARTICLE IV**

**Teaching Hours**

- A. The parties recognize that in order to satisfactorily fulfill their professional responsibilities teachers frequently work more than the standard forty (40) hour work week. However, teachers shall not be officially scheduled to work more than forty (40) hours per week.
- B. The Board reserves the right to set the hours of the school day as long as these hours agree with Section A of this Article.
- C. The student clock hours for the high school, the middle school and the elementary school shall be as follows:

- D. Teachers shall be in their rooms or assigned areas no later than twenty (20) minutes before school convenes and leave no earlier than fifteen (15) minutes following dismissal of students, with the exception of teachers' meetings or appointments which may require a later time. The Board and Association understand that conditions do exist wherein teachers do have to be away from their rooms or assigned areas. Times when this is often necessary include, but are not limited to: consultation with parents, students, administrators and fellow teachers regarding education concerns; meetings regarding classroom placement of students, and duplicating classroom materials (secretarial assistance will be utilized whenever practical). However, it must be recognized that some assignments, i.e., hall supervision, cannot be vacated unless a replacement is available.

The Board encourages teachers to perform the above professional duties and realizes that it may be necessary to accomplish these outside of the classroom when not in direct supervision of students.

The Board also regards teachers as self-directed professionals that are able to make wise decisions and utilize their own discretion in carrying out those duties they deem to be in the best interests of education; concurrently, the Association will accept the first opportunity to correct identified abuses of this professionalism.

The intent of this section is not to be interpreted in any way as an infringement of Article II of this contract; rather, the intent is to recognize the professionalism of the teachers and to encourage self-direction to mitigate actions and behavior that are contrary to the above stated professional principles.

E. Required General Purpose Meetings

1. During the first two (2) weeks of the school year, each building principal shall distribute to his/her staff a list of required general staff meetings for the entire school year, not to exceed one (1) per month. The meeting will be adjourned no later than forty-five (45) minutes following the start of the meeting and the agenda will be distributed to the staff three (3) days prior to the meeting. If a morning meeting is called, it may not begin any earlier than 7:15 a.m. All teachers shall attend each meeting and remain until the meeting is adjourned by the principal. The administration will take whatever action is necessary to carry out the intent of this Agreement.
2. Additional meetings may be called at the discretion of the principal or staff and attendance will be expected unless excused by the principal in advance.

F. Student Dismissal Time

Should the District find it necessary to alter the dismissal time of students, the parties shall negotiate a new starting time for teachers.

## **ARTICLE V**

### **Teaching Load**

*The parties recognize that optimum school facilities for both student and teacher are desirable to insure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward insuring that the energy of the teacher is primarily utilized to this end.*

- A. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should, at the discretion of the Board, be lowered wherever possible to meet the following optimum standards:

Elementary K-5

Secondary 6-12

Developmental K	20
Kindergarten	25
First - Second	25
Third - Fifth	25

Special Subjects such as Ali, Music, P.E., Library

One (1) regular elementary class, plus up to seven (7) students from Hearing Impaired Class(es) and according to the availability of student stations. Note: Nothing herein shall prohibit teachers of Special Subject classes from voluntarily accepting greater numbers than the standards for the purpose of student enrichment. However, it is understood that such deviation from the standards must be at the initiation of the teacher.

Should a situation arise in which a classroom teacher has reason to believe the placement of a student diagnosed as needing special education services in that teacher's classroom is inappropriate, the teacher may consult with the appropriate special education personnel and/or the building principal. If so requested by any of the parties above enumerated, the parties shall meet to attempt to resolve the problem. Any resulting decision must comply with State and Federal disability laws.

- B. The Individual Education Planning Team dictates placement of a special education student within the classroom of a teacher. If a teacher is assigned such a child, the teacher would be offered:
1. An opportunity for prior observation of a current student and an opportunity for prior observation of a child who will be enrolling, if feasible as determined by the Superintendent.
  2. An opportunity to be part of the IEPT.
  3. Assistance in developing necessary resources as currently provided by the ISD.
  4. An initially reduced class size in the inclusion room, compared to similar classes, will be scheduled because of the importance of classroom management. An attempt to maintain a reduced size will be made, with the exception of moving any of the

original students if another class drops below the reduced size. This paragraph shall apply only to the elementary school.

5. An inclusion instructional assistant as stated by the IEPT.
  6. Training, if requested, with approval of the building principal.
- C. The normal weekly teaching load in grades 7-12 will be 25 teaching periods and 5 supervised study periods, or 30 teaching periods. Teachers in grades 7-12 will not be assigned more than three (3) preparations except with consent of the teacher and except for teachers with their major assignments in art, music, physical education, foreign language, home economics, industrial arts, and special education. There shall be five (5) unassigned preparation periods for all teachers in grades 7-12. Before any teacher is assigned more than three (3) preparations, the teacher shall be consulted. If said teacher objects to more than three (3) preparations, the District agrees to make every reasonable effort to adhere to the teacher's desires.

## **ARTICLE VI**

### **Teaching Conditions**

- A. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. The parties will confer from time to time for the purpose of improving the selection and use of such educational tools and the Board undertakes promptly to implement all joint decisions thereon made by its representatives and the Association. The Board agrees to make every reasonable effort to keep the schools equipped and maintained, and the textbooks up to date.
- B. All teachers shall be entitled to a 30-minute duty-free lunch period. All teachers, grades K-4 shall be entitled to a duty free planning period equivalent to 15 minutes in the morning or 15 minutes in the afternoon. Additionally, all elementary teachers shall be entitled to duty-free planning time of not less than 250 minutes per week (unless the Board determines financial conditions necessitate reduction of specials used to create this planning time, in which event the minimum would be 175 minutes per week and teachers would be paid \$37.50 for the 75 minutes reduction in planning time or as pro-rated), in segments of not less than 20 minutes each, as scheduled by the principal. In grades 5 and 6, planning time will be determined by the principal and must be equivalent to the planning time of grades 7 and 8.
- C. The Board shall make available in each school adequate restroom and lavatory facilities for teacher use and at least one room shall be reserved for use as a faculty preparation room.
- D. Announcements concerning the nonperformance of duties by teachers will not be made over the classroom public address system.
- E. A key to the building and gate will be made available at the discretion of the building principal to teachers who desire to prepare rooms and plan.

- F. Ida Curriculum Council. In recognition of the need to foster communication and coordination between students, teachers, administrators, community members, and other staff, a curriculum council shall be established. The council shall investigate and submit recommendations concerning curriculum development, accreditation, and other relevant needs and concerns related to these matters to both the Board and the IEA. Such reports shall be considered by the Board, and any formal decision shall be submitted to the council with the Board's rationale.

The curriculum council shall be composed of the School Improvement Chairperson from each building, the District School Improvement Chairperson, and one teacher representing the special education department, three members of the administrative staff, and one Board of Education member. The curriculum coordinator, or in his/her absence the Superintendent or his/her designee, shall be the chairperson of the council. Additional staff members and others may be included in particular meetings as determined necessary by the council and approved by the chairperson.

The curriculum coordinator shall initiate steps to hold an organizational meeting each year by October 1. The council shall establish a schedule in order to fulfill its functions.

- G. Parking facilities shall be made available to teachers for their normal use.
- H. Each teacher is expected to have a week's lesson plans made available on a Monday through Friday basis. In addition, teachers are to submit outlines for substitute teachers to the principal's office on each **Monday a.m.**, for the week. The outline shall consist of a seating chart plus a general overview of the planned activities, including chapter in the textbook, scheduled activities, assignments and other information necessary to maintain the learning process. Teachers are encouraged to alter the outline when special instructions are needed for a substitute teacher. The administration will take whatever action is necessary to carry out the intent of this Agreement.
- I. If a teacher reports for work and must leave for reasons of illness, or other possible reason for sick leave, before three (3) clock hours have elapsed, a full day's sick leave will be subtracted from sick days earned. If a teacher must leave any time after three (3) clock hours, a half day only will be subtracted.
- J. Attendance at in-service sessions is required unless excused in advance by the building principal. Any violation will be handled as any other unexcused absence.
- K. The Association and the Board recognize the pupils' progress is a combined result of school, home, ability, and economic and social environment, and neither the teacher nor the Board shall be held solely accountable for it.
- L. Acts of God. The school administration will notify all teachers of school days which are canceled. When school is canceled, teachers may report to school but will not be required to do so.
- M. A copy of Board Policy will be placed in each building's teachers' lounge, library and principal's office. It is the responsibility of the teacher to be aware of Board policies. Copies

of changes and/or additions in Board policy must be provided to the designated Association representative. An online and searchable version of the Board Policy may be used in place of printed copies.

- N. Should the Michigan Department of Education develop and implement regulations prohibiting the counting of one-half (1/2) days as full days for purposes of State Aid, the parties agree to renegotiate the calendar to take into account such changed regulations.
- O. All teachers of students in grades 7 through 12 will administer a written exam on the date assigned for the exam and will utilize the time period provided. No exceptions will be made unless prior arrangements have been completed with the principal due to extenuating circumstances. Teachers will submit their written exams to their principals at least two days prior to the beginning date of the semester exams.
- P. For any committees appointed by the Board which involve teacher members, unless specified otherwise in this contract, one teacher member shall be appointed by the Association. Participation of teachers on committees will be voluntary provided legal requirements are met.
- Q. A joint committee of administration and teachers will be developed to make recommendations to the Board about state laws which require a least restrictive environment.
- R. No member shall be required to perform suctioning, catheterization, diapering, or other like procedures.

## **ARTICLE VII**

### **Leave of Absence**

- A. All teachers, with the exception of first-year teachers, will be given six (6) days of sick leave per semester with accumulation to 180 days. A first-year teacher will instead be given twelve (12) days of sick leave upon reporting at the beginning of a school year or a prorated number of twelve (12) days if reporting after the beginning of the school year. Teachers who fail to report to school the day preceding or following a vacation may be required to provide proof of illness. Teachers abusing the use of yearly sick days or accumulated days may be required to be examined by a doctor selected by the Board. Further, the teacher may be required to provide the written statement(s) of his/her own physician.
- B. Any teacher whose personal illness extends beyond the period compensated under "A" of this Article shall be granted a leave of absence without pay for a period of one (1) year beyond compensation under section A of this Article.
  - 1. The teacher must notify the administration of his/her intention to return sixty (60) days before the end of the school year previous to his/her return.

This leave may be extended on a yearly basis at the discretion of the Superintendent.

C. Leaves of absence with pay chargeable against the teacher's sick leave allowance shall be granted for the following reasons:

1. Personal illness.
2. Serious illness of a member in the immediate family which requires the presence of the teacher. The number of sick days which may be used for this purpose shall not exceed a total of ten (10) days per year and shall not exceed ten (10) days per year for the teacher's spouse, children, and/or parent (defined as foster, natural, or adoptive); shall not exceed five (5) days per year for mother-in-law, father-in-law, or others residing in the household and grandparents; and shall not exceed three (3) days per year for siblings. The Board may require a doctor's statement to verify that the family member's condition is serious and that the presence of the teacher is required.
3. A maximum of three days with pay not chargeable against the teacher's sick leave allowance shall be granted for death in the immediate family (defined as spouse, children, parents, parents-in-law, and grandchildren) for funeral attendance, preparations for the funeral, and assistance on the day after the funeral. Two additional days chargeable against the teacher's sick leave allowance may be approved by the Superintendent if conditions warrant. A maximum of three days chargeable against the teacher's sick leave allowance shall be granted for death of a grandparent, grandparent-in-law, sibling, sibling-in-law, and others residing in the household for funeral attendance, preparations for the funeral, and assistance on the day after the funeral.

A day without pay may be granted for the death of an individual not covered above, at the discretion of the Superintendent, if conditions warrant.

D. All other leaves of absence may be granted without pay at the discretion of the administration.

1. The teacher must notify the administration of his/her intentions sixty (60) days before the end of the school year previous to his/her return.
2. The Board may grant a miscellaneous leave of either one semester or one year. The maximum number of teachers that may be granted such a leave in any one semester shall not exceed four (4) teachers

E. A maternity leave for female teachers commencing no later than the date of delivery shall be granted without pay at the request of the teacher. Paternity leaves for teachers shall be granted without pay at the request of the teacher, provided the request is made 45 days before the adoption of a child or the anticipated date of delivery by the employee's partner.

1. The granting of such leave will in no way interrupt seniority or any rights related to seniority.
2. The request for leave shall be made 45 days before the birth or adoption of the child or beginning of leave so that the administration has time to get a replacement.

3. In lieu of the above provisions for unpaid maternity leave, a pregnant teacher shall have the right, if she so desires, to receive sick leave benefits beginning at such time as she is no longer able to continue work and is physically incapacitated. It is expressly understood this shall not include normal child care. The teacher shall not be entitled to avail herself of the foregoing unpaid maternity leave provisions if she chooses to receive sick leave benefits pursuant to the provisions of this paragraph. The following provisions shall apply:
  - a. The teacher may be required to submit to physical examinations by a physician selected by the Board at school expense.
  - b. To receive sick leave payments, the teacher must perform all duties until physically disabled and return to service as soon as physically able to perform all duties as certified by her physician.
  - c. For all sick leave days claimed, the teacher must have a physician's certificate verifying the physical disability which prevents her from fulfilling her teaching responsibilities.
  - d. The teacher shall provide in writing all lesson plans and other materials required by the principal for the first week of absence in order to maintain curricula continuity through the substitution.
- F. Military leaves of absence shall be granted to any teacher who shall be inducted for military duty to any branch of the armed forces of the United States. Teachers on military leaves shall be given the benefit of any increments and sick leave allowances which would have been credited to them had they remained in active service to the school system.
- G. A leave of absence for a period of two (2) years may be granted to any teacher who enlists in the Peace Corps. On return from leave, teachers shall be given the benefit of any fringe benefits which shall have accumulated prior to the leave of absence.
- H. Foreign and Domestic Teacher Exchange. The parties encourage exchange of teachers through professional, state and school organizations. The parties encourage such exchange with the understanding that they are beneficial for purposes of new ideas in curriculum, educational programs, innovative educational practices, etc. With the Board's approval, subject to conditions hereinafter stated, such exchanges may be made provided that:
  1. The outgoing teacher is on tenure.
  2. The incoming exchange teacher is qualified for an available position.
  3. The exchange is for one full school semester or year.
  4. Teachers leaving on an approved exchange shall receive the same salary and other benefits during the exchange as they would have received had they remained in the Ida Public Schools system. The salary and other benefits of the exchange teacher will be paid by the school system under which said teacher has contracted to work.

5. Any teacher returning from leave who has, with previous permission from the Superintendent, increased his teaching experience by holding a teaching position while on leave shall be placed on the same step of the salary schedule as though he/she had been teaching in the Ida Public Schools system.
- I. Any teacher called for jury duty during school hours shall be reimbursed for the difference of pay. These days are not deducted from sick leave.  
  
A teacher who is subpoenaed to testify in any judicial or administrative proceeding shall be reimbursed for the difference of pay. However, when the teacher is testifying on behalf of himself or the Association against the Board, the cost of the substitute shall be borne by the Association. These days are not deducted from sick leave.
  - J. Teachers shall be allowed two (2) days each year out of the annual paid leave days allowed in Section A for personal business which cannot be transacted outside the school day. Such days may not be used for vacation, recreational pursuits, shopping or business connected with other employment. Such days may not be used for any activity related to the collective bargaining process or a labor management dispute. Without exception, such days require 72 hours' notice to the Superintendent (unless the Superintendent waives the notice requirement due to an emergency). Permission must be secured from the Superintendent prior to the usage of said day. Such days shall be granted on a first come, first serve basis. The school District reserves the right to limit the number of teachers that may be absent on any given day because of a personal business day. (*See attached form.*)
  - K. Sick leave and personal business days shall be pro-rated based on the portion of the day worked.
  - L. The teacher must notify the administration of his/her intentions sixty (60) days before the end of the year previous to his/her return.
  - M. FMLA leave will be concurrent and consistent with Board Policy No. 4430.01. Once sick leave or FMLA leave has been exhausted, whichever is greater, an employee shall be entitled to three months of health insurance premium payments at the district's regular contribution for that individual for a FMLA leave qualifying event. An employee may save up to a maximum of six sick days if he/she so designates on their FMLA leave request.

I am requesting a Personal Leave day on \_\_\_\_\_, \_\_\_\_\_, 20 \_\_\_\_\_.  
(Day of Week) (Month)

Usage will comply with Article VII, Section J contract language, "Teachers shall be allowed two (2) days each year out of the annual paid leave days allowed in Section A for personal business which cannot be transacted outside the school day. Such days may not be used for vacation, recreational pursuits, shopping or business connected with other employment. Such days may not be used for any activity related to the collective bargaining process or a labor management dispute. Without exception, such days require 72 hours' notice to the Superintendent (unless the Superintendent waives the notice requirement due to an emergency). Permission must be secured from the Superintendent prior to the usage of said day. Such days shall be granted on a first come, first serve basis. The school District reserves the right to limit the number of teachers that may be absent on any given day because of a personal business day."

I am aware of the contract stipulations pertaining to the usage of Personal Leave days, and realize any one individual is entitled to a maximum of two (2) days in one fiscal year. I agree to abide by these above-referenced stipulations.

## **ARTICLE VIII**

### **Protection of Teachers**

- A. The school recognizes its responsibility to give assistance to teachers with respect to the maintenance of control and discipline in the classroom within the confines of school policies.
- B. The teacher bears the primary responsibility for maintaining proper control and discipline in the classroom and understands that all disciplinary actions and methods invoked by them shall be reasonable and just and in accordance with established Board policy. It shall be the responsibility of the teacher to report to the principal the name of any student who, in the opinion of the teacher, needs particular assistance from skilled personnel. It shall be the responsibility of the principal to report back to the teacher actions taken in this matter as the result of the foregoing.
- C. The teacher will promptly report any loss or damage of personal property due to theft or vandalism to the Board. If the Board believes reimbursement is justified, it will pay financial loss up to 80% on uninsured items due to the above when in connection with performing any function concerning their roles as teachers, including extracurricular activities.
- D. In the event of a physical assault upon a teacher, the Board agrees to support (non-financial) the prosecution of that student by the teacher provided investigation shows such prosecution is justified.
- E. Prior to review of a teacher's personnel file by a member of the public, an attempt will be made to inform the teacher of such a request within one business day of receipt of the request. If the teacher cannot be contacted, an attempt to inform the teacher of the request shall be made on each business day thereafter until the file must be released as required by law.
- F. When material reflecting negatively on a teacher is added to his or her personnel file, the teacher shall be informed and allowed to submit additional comments.

## **ARTICLE IX**

### **Negotiation Procedures**

- A. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representative from within or outside the School District. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the teachers in the bargaining unit, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations or bargaining, subject only to such ratification.

- B. Negotiating teams shall meet at the request of either party to discuss any contractual concerns. Such meetings shall not exceed two per contract year except by agreement of both parties.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the Michigan Employment Relations Commission or take any other lawful measures it may deem appropriate.

## **ARTICLE X**

### **Grievance Procedure**

- A. A grievance shall be an alleged violation, misapplication, and/or misinterpretation of the expressed terms of this Contract. The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:
  - 1. The termination of services of or failure to re-employ any probationary teacher provided a meeting with the Superintendent shall be given upon request of the teacher and an Association Representative will be present upon the request of the teacher.
  - 2. Any matter covered by the Michigan Teacher Tenure Act, including those areas where the Tenure Act proscribes a procedure or authorizes a remedy such as discharge and/or demotion.
  - 3. Any matter which is processed in another administrative forum so that only one forum is utilized, either the grievance procedure or the other administrative forum, but not both.
  - 4. Any matter involving the contents of evaluations or Individualized Development Plans. If the Association believes that an IDP is unreasonable or unrealistic, the Superintendent will review the IDP at the Association's request.
- B. The chairman of the Grievance Committee, or designee, shall handle a grievance when requested by the grievant. The Board hereby designates the principal of each building to act as its representative at Level One as hereinafter described and the Superintendent, or his designated representative, to act at Level Two as hereinafter described.
- C. The term "days" as used herein shall mean days in which school is in session.
- D. Written grievance as required herein shall be submitted on the standard form attached to the Contract as Appendix X-A.
  - 1. It shall be signed by the grievant or grievants.
  - 2. It shall contain a synopsis of the facts giving rise to the alleged violation.

3. It shall cite the section or subsection of this Contract alleged to have been violated.
4. It shall contain the date of the alleged violation.
5. It shall specify the relief requested.

Any grievance not substantially in accordance with the above requirements may be rejected as improper. Such a rejection shall not extend the limitations hereinafter set forth.

- E. Level One: A grievant, believing himself wronged by an alleged violation of the express provisions of this Contract shall (within ten (10) days of its alleged occurrence) or at the time the grievant first becomes affected by its occurrence, with an Association representative orally discuss the grievance with the building principal, or his designated representative, in an attempt to resolve same. If no resolution is obtained within three (3) days of the discussion, the grievant shall reduce the grievance to writing and proceed within five (5) days of said discussion to Level Two. If alleged occurrence happens after the beginning of the school year, but prior to October 15, the grievant shall have fifteen (15) school days to initiate action.

Level Two: A copy of the written grievance shall be filed with the Superintendent, or his designated agent as specified in Level One. Within five (5) days of receipt of the grievance, the Superintendent, or his designated agent, shall meet with the grievant and the designated Association representative at the option of the grievant to discuss the grievance. Within ten (10) school days of the discussion, the Superintendent, or his designated agent, shall render his decision in writing, transmitting a copy of the same to the grievant, and the chairman of the Grievance Committee, and place a copy of same in a permanent professional grievance file in his office.

Level Three: If the Association is not satisfied with the disposition of the grievance at Level Two, the Association may submit the grievance for mediation within ten (10) days after the date of receiving the Level Two decision. Both sides must mutually agree to mediation. If both sides do not mutually agree to mediation, the Association may advance the grievance to Level Four.

Level Four:

1. If the Association is not satisfied with the disposition of the grievance at Level Three, it may, within ten (10) days after the last mediation session or after the decision to not seek mediation of the grievance, request from the American Arbitration Association in writing the appointment of an arbitrator. He shall be selected by the American Arbitration Association in accordance with its rules.
2. Arbitration shall be conducted under the rules and regulations of the American Arbitration Association. Witnesses for either party shall be released without loss of pay for testimony at arbitration hearings. The Association shall contact the Superintendent three (3) days prior to scheduled hearings to provide the names of witnesses required for the hearing. The cost of substitutes for teachers testifying on behalf of themselves and/or the Association against the Board shall be borne by the Association.

3. In the event the grievance is not settled prior to the hearing, the grievance may be tried before the arbitrator whose decision shall be binding upon both parties who agree that judgment thereon may be entered in any court of competent jurisdiction provided the arbitrator has acted within the scope of his authority.
  4. Notwithstanding the foregoing, the arbitrator shall not have the power to add to, modify, alter or amend or subtract from the terms of this Agreement. He shall not hear any grievance previously barred from the scope of the grievance procedure.
  5. Grievances of similar nature may not be consolidated except upon written mutual consent.
  6. The costs of arbitration shall be borne equally by the parties except each party shall assume its own cost for representation.
  7. The arbitrator shall have no power to require back pay for more than ten (10) days prior to the date a written grievance is filed. The arbitrator shall have no authority to award damages that the teacher would not otherwise have earned. Any back pay award shall be reduced by any compensation received by a teacher from other employment or unemployment compensation.
- F. Should a teacher fail to institute a grievance or appeal a decision within the time limits specified, or leave the employ of the Board, all further proceedings on a previously instituted grievance (except a claim involving a remedy directly benefitting the grievant regardless of his employment) shall be barred.
- G. The Association shall have the right to withhold its signature at any level thereby stopping the processing of the grievance thereafter. It is expressly understood that the Association shall have the right to be present at the adjustment of a grievance at any level. The Board, or its designated representative, shall inform the Association Grievance Committee chairman, or his designated representative, prior to the time of any adjustment.
- H. All preparation, filing, presentation or consideration of a grievance through Level Two shall be held at times other than when a teacher or a participating Association representative are to be at their assigned duty stations except upon mutual agreement.
- I. In the event a grievance is filed after May 5 of any year of this Contract and strict adherence to the time limits may result in hardship to any party, the parties shall use their best efforts to process the grievance prior to the end of the school year or as soon thereafter as possible. After the end of the school year, "days" when school is in session as referred to in paragraph C of this Article, shall be construed as "calendar days."

Should a teacher report his/her unavailability for work after 6:30 a.m. due to extenuating circumstances, the teacher will provide the administration a written explanation of such extenuating circumstances upon his/her return to work. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of the Agreement, and all monies paid shall be stipulated in the contract. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.
- C. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- D. Copies of this Agreement shall be duplicated at the expense of the Board and presented to all teachers now employed or hereafter employed or considered for employment by the Board.
- E. The Monroe County Education Association and each employee in the bargaining unit agree that during the term of the Agreement, they will not directly instigate, participate in, encourage or support any strike against the Board or any withholding of services by any employee or group of employees.

## ARTICLE XII

### Fringe Benefits

- A. Subject to any legal requirements, increments become effective at the beginning of each school year, and the advancement under the salary schedule shall be automatic as of the beginning of each school year based upon years of teaching experience or completion of required academic or professional courses.
- B. For service in the Ida Public Schools, a teacher shall receive additional compensation beyond the established salary schedule as follows: After 12 years - \$425; after 15 years - \$525; after 18 years - \$625; after 21 years - \$725; after 24 years - \$825; after 27 years - \$925
- C. Any teacher leaving after a minimum of ten (10) full years' service to Ida Public Schools will be provided \$3.00 compensation for each unused sick day up to 120 day accumulation.

Any teacher retiring from the Ida Public Schools after a minimum of ten (10) full years' service in the system and who receives state retirement payments will be provided \$10.00 compensation for each unused sick day up to 180 days accumulation or 5% of his/her last year's pay, whichever is greater. Payment may be delayed for the period of one year at which time the Board will pay the teacher or his/her estate. Teachers who apply and receive unemployment when retiring will forfeit the retirement benefit.

- D. The Board shall contribute toward the premium cost of MESSA for a full twelve (12) month period for the employee and his/her entire family (where applicable) for insurance coverage for each teacher submitting an accepted insurance application toward the purchase of either Plan A or Plan C insurance programs as described below which will include the XVA2 rider. Pursuant to Public Act 152 of 2011, the Board shall contribute no more than the "hard cap" amounts for all costs associated with medical/health insurance coverage (not including LTD, negotiated life, vision or dental) which are currently (and will be adjusted annually consistent with Public Act 152):

All bargaining unit members taking medical/health insurance will be responsible for paying any amount over the hard cap amounts. The employee's premium contribution will be payroll deducted. Such deductions shall be through a qualified Section 125 Plan and, as such, will not be subject to withholding to the extent permitted by law. The Employer's "Qualified Section 125 Plan" shall include any and all of the provisions necessary for pre-tax contributions to employees' HSA accounts administered through HEQ. Employees may contribute, through payroll deduction and electronic transfer, additional money towards their HEQ (HSA) up to the maximum amounts allowed by Federal law.

For those employees electing a qualifying MESSA Medical Plan the total annual Employer cost shall first be applied toward the annual medical premium. The remainder, if any, of the total annual Employer cost shall then be applied toward funding the annual deductible of the employee's "Health Equity" (HEQ) Health Savings Accounts (HSA) for each plan year.

The Employer shall fund annually up to the balance of the hard cap amount, the Employer's obligation to the agreed upon HEQ (HSA) in two payments: the first one-half portion on or about January 1 of each year, and the second one-half portion on or about July 1 of each year.

The parties understand that in the event the minimum deductible necessary for a medical plan to comply with HSA eligibility is increased beyond the current deductible level in the qualifying plan, the deductible will automatically adjust to meet the federal minimum requirement.

**Plan B for employees not electing health insurance**

Long Term Disability	Same as Plan A
Negotiated Life	Same as Plan A
Vision	Same as Plan A
Dental	Same as Plan A
Cash payment	Three Hundred Dollars (\$300) per month for 12 months

If there are 18 to 22 employees taking Plan B, all employees taking Plan B will receive \$400 per month instead of \$300 per month. If there are 23 or more employees taking Plan B, all employees taking Plan B will receive \$450 per month. This payment is contingent upon the respective bargaining unit member first submitting documentation that he/she otherwise receives health insurance that complies with the affordability and coverage requirements of the Affordable Care Act.

Plan years for all Plans above run from January 1 through December 31 each year.

Any contribution amounts exceeding the employer's subsidy shall be payroll deducted. An open enrollment period shall be provided whenever contribution subsidy amounts change for the groups.

Teacher contributions toward insurance premiums for insurance coverage which the District contributes toward or toward an HEQ HSA plan which the District contributes toward shall be made in the following manner:

1. Teachers on 26 pays will have their contributions automatically deducted from pay on the first and second pay of every month for that month's insurance coverage. If the employee chooses a lump sum payment in June, then the premiums for July and August will be deducted from the lump sum payment.
2. Teachers on 21 pays will have their contributions automatically deducted from pay on the first and second pay of every month for that month's insurance coverage. Their 21st pay in June will also have deductions for July and August to cover the summer months not on payroll.

Teacher contributions for voluntary insurance coverage over and above those furnished by the Board shall be deducted as follows:

1. Those teachers on 21 pays will have insurance premiums deducted from the 2nd pay in September.

2. Those teachers on 21 pays will have deducted from the 2nd pay of every month premiums owed for insurance selections. The last pay in June will have deductions for July, August and September to cover summer months not on payroll.
3. Teachers on 26 pays will have deductions removed from pay for insurance selections on the 2nd pay of every month for 12 months unless they choose the lump sum payment in June. In such case, July, August and September premiums would be deducted.

No health insurance coverage will be paid to an employee on leave of absence except for sick leave. For those who have sick leave remaining, the insurance will continue to be paid until sick leave is used up. Sick days will be used for worked days when pro-rating benefits due.

Insurance coverage for teachers new to the Ida Public Schools and for those requesting health insurance for the first time will begin on October 1<sup>st</sup> of the school year or the first MESSA enrollment date following employment.

In the event the employee shall terminate his employment, benefits shall continue for the period in which they were earned.

*Example:* Nine months (school year)---- 12 months of benefits

Four and a half months worked, including sick days, would equal six months of benefits

It shall be the employee's responsibility to be properly enrolled for any insurance coverage. All benefits in this section shall apply to teachers working one-half (1/2) time or more. However, any new employee hired after July 1, 2005, who works less than one-half (1/2) time will not be eligible for District-paid insurance. A new employee working one-half (1/2) time or more will have the District's contribution prorated.

- E. Credit for experience outside this school system may be evaluated by the Board of Education and credit may be allowed whenever the prior service of the teacher is deemed satisfactory. Full credit may be given for prior years of experience. Teachers may be advanced a maximum of two (2) years on the salary schedule for active military service. This will not affect current employees.
- F. Any teacher teaching in the Ida Public Schools at least one-half time, but less than full-time or at least one-half year, but less than full year, will be given credit for one-half increment on the salary schedule. A full increment will be given for fractional time when the total fractional time equals one year. This rule does not become retroactive, but will begin September 1969 and will apply to any credit secured after September 1969.

"Salaries for a fractional part of a year will be figured on the base salary where the number of years' credit falls."

Salaries for part-time teachers in the high school and middle school will be based on percentage of base salary using the following information:

17% = 1 period teaching and 1/6 period of planning  
33% = 2 periods teaching and 2/6 period of planning  
50% = 3 periods teaching and 3/6 period of planning  
67% = 4 periods teaching and 4/6 period of planning  
83% = 5 periods teaching and 5/6 period of planning  
100% = 6 periods teaching and 6/6 period of planning  
117% = 7 periods teaching and 7/6 period of planning

Salaries for part-time elementary teachers will be based on a percentage of the total instructional minutes at each grade level, using the State Clock Hour Report for the year taught as a base and the teacher will be provided an equal percentage of preparation time for the grade level in question.

- G. The Board agrees to reimburse \$100 per graduate semester hour for classes in the field of education, or in the major or minor areas in which the teacher obtained his/her Bachelor's degree, or any classes in a degree program in the field of education which has been approved by the teacher's graduate advisor. All of the above hours must be beyond the hours required for permanent or continuing certification and must be completed at an accredited college or university. Term hours shall be reimbursed at \$66 per term/quarter hour. The request for reimbursement must be made by the teacher in writing within 30 days of receipt of the final grade.
- H. The Board agrees to provide, upon application to and approval of the Superintendent, the necessary funds for teachers who desire to attend selected professional conferences in their special areas. Travel, meals, lodging and registration fees shall be deemed appropriate expenses of the Board. Substitutes will be furnished at the Board's expense. A teacher attending such conferences and meeting shall be granted sufficient leave time to attend without loss of compensation.
- I. The Board shall make available to all employees a cafeteria benefit plan providing for medical reimbursement and dependent care through a qualified Internal Revenue Service Section 125 Plan and salary reduction agreement as established by the Board. All terms and conditions of the plan are controlling.
- J. If an employee provides the Superintendent with written notice of departure from the District by March 30 of any given year, the District shall pay a \$300 bonus payable on his/her last check of the school year.
- K. For those bargaining unit members providing notice of departure from the District by May 31 on MESSA Medical coverage, and electing to end coverage as of June 30 of the year of notice, the District shall pay a bonus payable on his/her last check of the school year equivalent to 50% of the District capped medical premium amounts for three months (as outlined in section D) based on the bargaining unit member's coverage.
- L. Members who carry insurance coverage for their dependent child/children shall be allowed to maintain coverage through the end of the calendar year (December 31) the dependent child/children turn 26.

**ARTICLE XIII**

**Seniority**

- A. Seniority will be based upon continuous service in the Ida Public Schools. No service outside the system will be considered; paid or unpaid leaves, and layoff periods shall be included in the accumulation of seniority. Seniority will commence when the teacher is hired, for all teachers hired prior to July 1, 1977. For all teachers hired after this date, seniority will commence on the first day taught in Ida Public Schools. An employee shall lose his/her seniority within the bargaining unit if:
  - 1. The employee quits.
  - 2. The employee is discharged and not reinstated.
- B. A seniority list will be provided to the Association yearly.
- C. In the event two or more teachers are certified and qualified for a position and seniority is the same, the following steps shall be followed to break the tie:
  - 1. The most graduate hours beyond the BA or BS degree, if still tied,
  - 2. Earliest date of permanent or continuing certification, or if still tied,
  - 3. Lottery.
- D. Teachers working half time or more shall receive full seniority credit; teachers working less than half time shall receive half seniority credit.
