The Board shall make available standard bid slips which will be used by the employees when bidding for an open position.

B. The senior employee making application shall be transferred to fill the vacancy or new position, provided the employee has the necessary qualifications to perform the duties of the job involved. Newly created positions or vacancies are to be posted in the following manner, the type of work, the shift, the starting date, the rate of pay, the number of hours to be worked, the classification, and the building to which the employee is to be assigned.

When management uses its right to test candidate(s) in order to evaluate the person's qualifications to perform the work, the results of the testing will be on a "Pass/Fail" basis.

C. All vacancies shall be filled as soon as possible.

Section 2. Probationary Period – Vacancies

A. Transferred Employee

A transferred employee shall serve a probationary period of thirty (30) calendar days at the employee's rate of pay for the position being served. During the thirty (30) calendar days probationary period the employee may request to be returned to his/her former position and the Board shall honor such request, or in the event that the employee's work performance is unsatisfactory, the Board shall have the right to return the employee to his/her former position. In the event that the Board returns the employee to his/her former position, the Board shall give the affected employee the written reason or reasons as to why his/her work performance was not satisfactory. During the time period that the employee is serving the thirty (30) calendar days probationary period, the Board may fill the vacated position with a substitute employee. Upon satisfactory completion of the thirty (30) calendar days probationary period the vacated position shall then be posted for bidding and filled as specified under Paragraph (a) and (b) of Section One of this Article. For an employee transferred during the summer, the thirty (30) calendar days probationary period would begin with the start of school in September.

By mutual consent between the administration and the union, the thirty (30) calendar days may be extended to a maximum of an additional thirty (30) calendar days.

B. New Employee

A new employee shall serve a probationary period of 120 working days. In the event that the employee's work performance is unsatisfactory during this 120 working days probationary period, the Board shall have the right to dismiss the employee. In the event that the Board dismisses the employee, the Board shall give the affected employee the written reason or reasons as to why his/her work performance was not satisfactory.

Section 3. Temporary Vacancies

The Board shall have the right to hire a temporary employee during the time that an employee who is covered by this Agreement is not on the job for an extended period of time, after the present employees who are not working full time have first been given the opportunity to increase their hours, and such temporary employee shall not be covered under the terms of this Agreement. Temporary vacancies are deemed to be temporary as long as the regular employee is off the job, but is due or scheduled to report back to his/her regular work assignment. If it is determined that the regular employee will not be returning to the job, that position will then be considered to be

vacant and will be filled as specified in Paragraphs (a) and (b) of Section 1 of this Article.

Section 4. Temporary Transfers

- A. Any employee temporarily transferred from his/her classification to another classification within the bargaining unit, shall be paid either the rate of the position from which the employee is transferred, or the rate of the position to which the employee is transferred, whichever is higher effective after the fifth (5) day.
- B. Temporary transfers shall be for a period of no longer than thirty (30) calendar days except in the event that both parties mutually agree to extend the temporary transfer beyond the thirty (30) calendar day time period. In the event that it is not mutually agreeable between the Board and the employees involved to extend the temporary transfer beyond the thirty (30) calendar day time period, the position shall then be considered an open position and posted for bidding.

Section 5. Replacement of Leader

In the absence of any leader, the position shall be offered to the highest seniority person on that shift or within the building if there is only one (1) employee on the affected shift. There shall be no double shifts as a result of any transfer.

Section 6. Assignment

The Building Custodian may be temporarily shifted to and from different work stations within his/her building for training purposes. In the event that the Board desires to shift a Building Custodian to a different work station within the Building for the purpose of better cleaning and maintenance of the building, the Board will first contact the Union, and meet with the Union to discuss the shift and the justifiable reasons for the shift, prior to any reassignment of such employee(s). Such decisions shall be final.

Article 14

New Jobs

- A. The Board shall notify the Union President and Uniserv Director in writing when a new job or classification is required during the term of this Agreement. In the event that the new job or classification cannot be properly placed into an existing classification by mutual agreement between the parties, the Board shall place into

effect the new job or classification and a rate of pay for the job in question, and shall designate the classification and pay rate as temporary. The Board shall notify the Union in writing of any such temporary job which has been placed into effect upon the institution of such job.

- B. The new classification and rate of pay shall be considered as temporary for a period of thirty (30) calendar days, following the date of written notification to the Union President and Uniserv Director. During this thirty (30) calendar day period, but not thereafter, during the life of this Agreement, the Union may request in writing that the Board negotiate the rate of pay. The negotiated rate, if higher than the temporary rate, shall be applied to the date the employee first began working in the temporary classification except as otherwise mutually agreed. In a case where the majority vote of the Board and the Unit are unable to agree on the rate of pay, the issue may be submitted to the grievance procedure. When a new classification has been assigned a permanent rate of pay, either as a result of the Union not requesting negotiations for the temporary classification during the specified period of time, or as a result of final negotiations, or upon resolving the matter through the grievance procedure, the new classification shall be added to and become a part of Schedule A and Article 2 as defined in Article 15, Section 1 of this Agreement.

Article 15
Discipline – Discharge

- A. Dismissal, suspension and/or any other disciplinary action shall be only for just and stated causes, which shall be given to the employee in writing. The employee shall have the right to defend himself/herself against any and all charges. When the Board feels disciplinary action is warranted, such action must be initiated within five (5) working days of the date it is reasonable to assume that the Board first became fully aware of the conditions giving rise to the discipline: Causes which shall be deemed sufficient for dismissal, suspension and/or other disciplinary action include but are not limited to the following: drunkenness, dishonesty, insubordination, moral turpitude, or violation of Board rules.
- B. An employee may be dismissed, suspended, or disciplined pending investigation, and if the dismissal, suspension, or disciplinary action is found to be without justification, the employee shall be reinstated with full back pay, full seniority rights and all fringe benefits that the employee would have earned during the dismissal or suspension period. If the dismissal is sustained, or the suspended employee

is not reinstated through the grievance procedure, the employee shall be deemed dismissed as of the date such action was taken. Said actions shall be given in writing to the President and Uniserv Director.

- C. In the event that another employer would request information from the Board of the employee regarding his/her personnel file, the Board would forward such written information to that prospective employer pertaining to the personnel records of that employee, provided a signed request authorizing the release of specific information by the employee is received.

Article 16

- A. An employee who becomes ill, injured or involved in an accident which is noncompensable under the Worker's Compensation Law, and is physically unable to report to work, and has exhausted all means of allowable compensation from the Board, shall be granted a leave of absence for up to one (1) year, which may be extended upon approval of the Board of Education, provided the employee notifies the Board of the necessity thereof, and provided further that the employee supplies the Board with a statement from his/her medical or osteopathic doctor of the necessity and length of time for such absence and for the continuation of such absence when the same is requested by the Board.
- B. Leaves of absence may be granted for physical or mental illness, or prolonged serious illness in the employee's immediate family, which includes husband, wife, children, or parents of the employee.

 - c. In order to care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition.
 - d. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.
 - e. Other qualifying reasons, as specified under federal FMLA legislation.
2. For a serious health condition, an eligible employee may elect or the employer may require to substitute any of the accrued sick leave of the employee for leave. Paid leave time, where applicable, shall count toward FMLA.
 3. Leaves of absence, up to a maximum of twelve work weeks as provided by FMLA, without pay, will be granted by the Board upon application for a serious health condition of the employee, of a spouse, son or daughter, or parent.
 4. During this twelve work week absence, insurance-eligible employees will be entitled to Board paid insurance protection as if the employee was currently working. If the employee fails to return upon completion of the leave and the employee fails to return to work for a reason other than the continuation, reoccurrence, or onset of a serious health condition that entitles the employee to leave under subparagraphs (C) or (D) of Section 2612 (a)(1) of the FMLA – or other circumstances beyond the control of the employee, the employee shall reimburse the District health insurance premiums paid by the employer.
 5. “Parent” means the biological parent or an individual who stood in *loco parentis* to an employee. The term “son or daughter” is defined as biological, adopted, or foster child, a stepchild, legal ward, or a child of a person standing in *loco parentis*.

 8. Seniority shall accrue for up to 60 days during an FMLA leave of absence.
- E. The reinstatement rights of any employee who enters the military service of the United States by reason of an Act or law enacted by the Congress of the United States, or who may voluntarily enlist during the effective period of such law, shall be determined in accordance with the provisions of the law granting such rights.
 - F. Leaves of absence will be granted to employees who are active in the National Guard or a branch of the Armed Forces Reserves for the purpose of fulfilling their annual field training obligations, or in the event that the employees are ordered to active duty for the purpose of handling civil disorder, provided such employees make written request for such leave of absence immediately upon receiving their orders to report for such duty. An employee may use vacation days for such duty.
 - G. An employee in the bargaining unit who is either elected or appointed to a full time position or office in the Union, whose duties require his/her absence from work, shall be granted a leave of absence for one (1) term of office or position, which may be extended upon approval by the Board of Education.
 - H. A leave of absence shall be granted for an employee who is either elected or appointed to a Civic or Political position that would require the employee's absence from work.
 - I. All reasons for leaves of absence shall be in writing, stating the reason for the request and the approximate length of leave requested, with a copy of the request to be maintained by the Board, a copy furnished to the employee, and a copy sent to the Union.

The employee shall be entitled to resume his/her regular seniority status and all job and recall rights at the conclusion of the leave.

Article 17
Grievance Procedure

Definitions:

- A. A grievance shall be defined as an alleged violation, misinterpretation or misapplication of the express terms of this Agreement.
- B. For the purpose of processing grievances, working days shall be defined as Monday through Friday, excluding paid holidays. One (1) designated representative of the Grievance Review Board, as identified by the JESPA President, will be allowed to take time off with pay for the purpose of investigating possible grievances and attending grievance meetings with the administration upon arrangements being made with the Director of Support Services.
- C. The time elements in the steps may be shortened, extended or waived upon written mutual agreement between the parties.
- D. The failure of the Board's administrative representative at Step Two to comply with the requirements of this Agreement regarding holding a meeting to discuss the grievance issues and issuing a decision on the grievance within the time limits set forth in that Step Level of the Grievance Procedure, shall permit the Association to file an appeal of the grievance to the next higher Step of the Grievance Procedure (but the absence of a written decision on the grievance shall not be deemed to be an admission by the School District as to the substantive merits of said grievance). The time for filing such an appeal shall be measured from the date on which the administrator's response to the grievance was due.

The failure of the Superintendent (or his/her designee) at Step Three of the Grievance Procedure to comply with the requirements of this Agreement regarding holding a meeting and issuing a decision on the grievance within the time limits set forth in that Step Level of the Grievance Procedure shall permit the Association to pursue, at its discretion, any of the following options:

- 1. The Association may elect to drop the grievance at that point.

2. The Association may elect to file with the Superintendent a written "Second Demand for Response to Grievance" (a copy of which shall also be submitted to the Board Personnel Committee) not later than five (5) working days after the date on which the Superintendent's response to the original appeal of the grievance was due. In the event of filing of such a Demand, the Superintendent shall have five (5) working days from the date of receipt of the Second Demand for Response to issue a decision on the grievance. It is understood that the Board Personnel Committee has discretionary authority to decide whether to specifically direct the Superintendent to issue a decision in response to the Second Demand (but the Committee's decision in this regard shall not be subject to review by a contract grievance arbitrator).
3. The Association may elect to file an appeal of the grievance to the next higher Step (Step Four – Board of Education) but the absence of a written decision on the grievance by the Superintendent shall not be deemed to be an admission by the School District as to the substantive merits of said grievance.

The time for the Association to pursue either option (2) or (3) above shall be measured from the date on which the Superintendent's response to the original grievance was due.

- E. Any employee or Union grievance not presented for disposition through the grievance procedure within five (5) working days of the occurrence of the condition giving rise to the grievance, or within five (5) working days of the date it is reasonable to assume that the employee or the Union as the case may be, first became aware of the conditions giving rise to the grievance, unless the circumstances made it impossible for the employee or the Union as the case may be, to know prior to the date that there were grounds for such a claim, the grievance shall not hereafter be considered a grievance under this Agreement.

PROCEDURE

Step One

Any employee having a grievance shall discuss it with his/her immediate supervisor and then if the grievance is not settled orally, the employee may request a meeting

with the Grievance Chairperson to discuss the grievance. The employee may request written confirmation of the oral discussion.

Step Two

- A. The Grievance Chairperson then may submit the grievance in writing within the five (5) working day filing deadline set forth in "Definitions – Section E" above, to the Director of Support Services, stating the remedy or correction requested, plus the facts upon which the grievance is based and the alleged contract violation. The employee and the Grievance Chairperson shall sign the grievance. Upon receiving the grievance, the Director of Support Services shall sign and date a receipt of delivery of the grievance from the Grievance Chairperson. A meeting shall be set within five (5) working days of the filing of the written grievance to discuss the grievance. This meeting shall be at the call of the Administration. The Grievance Chairperson shall have the right to file Association Grievances.
- B. The Director of Support Services shall give his/her decision in writing on the grievance within five (5) working days of his/her meeting with the Grievance Chairperson.

Step Three

- A. In the event that the decision of the Director of Support Services is not satisfactory, the grievance may in the discretion of the Association be appealed to the Superintendent of Schools within five (5) working days from the date of receipt of the decision of the Director of Support Services. The Superintendent of Schools shall meet with representatives of the Association at a time mutually agreeable to them.
- B. The Superintendent of Schools shall give his/her decision in writing within ten (10) working days of the date of the meeting with the representatives of the Association.
- C. In the event that the Superintendent of Schools does not timely comply with the requirements of this Agreement regarding holding a meeting and issuing a decision on the grievance within the time limits set forth in this section, and in the further event that the Association elects to address this circumstance by timely (within the five {5} working day filing deadline set forth in "Definitions – Section D" above) filing a "Second Demand for Response to Grievance", the Superintendent

of Schools shall have five (5) working days to issue a written response to the grievance. In the event that the Superintendent still fails to issue a written response to the grievance after receipt of the "Second Demand", the Association may appeal in accordance with the procedures set forth in "Step Four" below.

Step Four

- A. Any appeal of a decision rendered by the Superintendent of Schools (or of the failure of the Superintendent to timely respond to a "Second Demand for Response to Grievance") must be presented in writing to the Board of Education within five (5) working days from the date of receipt of the decision rendered by the Superintendent of Schools (or, in the case of a "Second Demand for Response", the date on which the Superintendent's response to the "Second Demand" was due). The Board of Education shall hear any timely appealed grievances within the next thirty (30) calendar days or the first meeting after the thirty (30) days.
- B. The Board of Education shall give its decision in writing on the grievance within ten (10) working days of the date of the meeting at which it considered the grievance (or its next regular meeting if the Board elects to defer decision for any reason).

Step Five – Arbitration

- A. If the appealing party is not satisfied with the disposition of the grievance by the Board of Education, then within fifteen (15) calendar days from the date of receipt of the answer given by the Board of Education, the grievance may be submitted to arbitration by the Association.
- B. If the Association is not satisfied with the disposition of the grievance by the Board, only the Association, and not the individual member, may submit the grievance to arbitration before an impartial arbitrator. If the parties cannot agree as to the arbitrator within fifteen (15) calendar days from the notification date that arbitration will be pursued, he/shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding.
- C. Both parties agree to be bound by the award of the Arbitrator. The Arbitrator shall have no power to alter, add to, subtract from or modify any of the terms of this

Article 21
Vacations

- A. All employees covered by this Agreement shall receive an annual paid vacation according to the following schedule:

One (1) year of service	Two (2) weeks vacation with pay
Five (5) years of service	Three (3) weeks vacation with pay
Ten (10) years of service	Four (4) weeks vacation with pay

- B. A newly hired employee shall receive pro rata vacation allowance which shall be earned from his/her date of hire until the first (1st) day of July following his/her date of hire. Every year thereafter the employee shall earn his/her vacation from July 1st until June 30th of each year. Each employee's vacation eligibility shall be determined or earned as of July 1st of each year, which shall be earned based on the employee's year of hire, as opposed to the current year the employee is due to be granted vacation time.

It is understood that in calculating an employee's years of service for the purpose of determining his/her annual vacation time, each calendar year in which that employee has worked on a full time basis will count as a completed year of service as of June 30 of the following calendar year. For example, if an employee begins working full time at any time during the 1994 calendar year, he/she will be credited with one (1) year of service on June 30, 1995. It is further understood that this is not a change but rather an explanation of how a year of service is currently calculated in order to determine an employee's annual vacation time.

Employees will be compensated for up to five (5) unused vacation days at the end of the fiscal year at their per diem rate of pay.

- C. In general, vacation allowance may not be accumulated from one year to the next. The following exceptions shall apply:
1. The employee submits a written request and is approved by the Director of Support Services.
 2. If the above is cancelled by the Administration, the employee shall either be paid for the day(s) or the day(s) may be added to the following year.
- D. Employees terminating employment shall receive pro rata vacation allowance based upon one-twelfth $1/12$ of the vacation pay for each month or major fraction thereof worked between July 1st and their termination date.
- E. Vacations may be applied for no earlier than six (6) months from the dates being requested. Administration will have up to ten (10) working days to notify the bargaining unit member of their approval or disapproval. In the event of disapproval, the supervisor will clarify in writing the reason for refusal. Vacations will be granted on the basis of when requested, first come – first granted. When two (2) or more employees make their requests for vacations at the same time, seniority will govern. Based on this concept, once these vacation day(s) are approved, they cannot be denied for any reason. There shall be no bumping of vacations based on seniority.
- F. Jefferson Schools will initiate five (5) unpaid shutdown days each year. The shutdown days will be determined each fiscal year. Employees have the option to use eligible vacation days for any portion (or all) of the shutdown period in lieu

of non-payment. Employees must notify their supervisor two weeks in advance of the shutdown days if they elect to use their eligible vacation during the shutdown.

If the Administration determines there is a need for an employee to work during the shutdown period, employees may voluntarily, but are not required, to work (at regular wages) during the shutdown period. The Director of Support Services must adhere to the following protocol for the selection of employees to work during the shutdown period when required:

1. Seniority among regular employees assigned to the building where the work will be performed over the shutdown period.
2. Seniority among members of the needed classification outside the building where the work will be performed over the shutdown period.
3. If no employees have volunteered to work during the shutdown period after canvassing employees through steps 1 and 2 above, the employee(s) with the lowest seniority in the classification needed will be assigned to work by the Director of Support Services.

Outside the shutdown period, employees may elect to work when using eligible vacation time. In that case, employees will be charged for the vacation time used, and will receive substitute wages for the time worked.
