A G R E E M E N T

THIS AGREEMENT is entered into by and between the BOARD OF EDUCATION of the Greenville School District, hereinafter called the "Board," and the GREENVILLE EDUCATION ASSOCIATION, hereinafter called the "Association."

ARTICLE I RECOGNITION

- A. The Board hereby recognizes the Association as the exclusive and sole bargaining representative for all certificated personnel including the Great Start Readiness Program teacher(s) and all full-time and regular part-time social workers, speech and language therapists and school counselors employed by the Board excluding: superintendent, assistant superintendents, principals, assistant principals, administrative assistants, other supervisory and executive employees, office, clerical and non-professional personnel, nurses, substitute teachers, diagnosticians, psychologists, part-time vocationally certificated persons, part-time extracurricular staff, and adult and community education personnel. The district may look to hire part-time vocationally certified staff on a year to year contract only after all attempts to hire certified teaching staff have been exhausted. In such cases, the Association will be immediately notified. The term "teacher," when used hereinafter in this Agreement, shall refer to the professional employees represented by the Association in the bargaining or negotiating unit as above-defined. Use of masculine pronouns shall, where appropriate, include reference to female professional employees, and vice versa. The Board shall not employ a series of part-time vocationally certificated persons to reduce the workload of bargaining unit teachers.

- B. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement.

ARTICLE II

ASSOCIATION AND TEACHER RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiation and other lawful concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage, deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan, of the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, nor his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. The Association represents all employees in the bargaining unit.
- C. All employees in the bargaining unit are bargaining unit members. Association members are those that pay membership dues.
- D. Each bargaining unit member can freely choose to become a member of the Association, or to not become a member of the Association. Paying association dues is not a condition of employment; an employee cannot and will not be terminated because the employee chooses or chooses not to pay association dues. If an employee chooses not to become an Association member he/she will remain a bargaining unit member, remain entitled to representation by the Association, remain covered by this collective bargaining agreement, and remain entitled to any benefits set forth in this collective bargaining agreement. The Board will not tolerate harassment or discrimination against any employee who chooses to become an association member or chooses not to become an association member. Any employee who believes he/she has been harassed or discriminated against in violation of this subsection should complain as set forth in the board's harassment policy. Any employee deemed to have harassed and/or discriminated against another employee because that employee chose or chose not to be an association member, or chose or chose not to pay association dues, shall be subject to appropriate discipline. The Association will indemnify and hold the Board harmless from any and all damages, judgments and costs which it may incur in following these provisions.
- E. The Association and its members shall have the right to use school buildings at reasonable hours for meetings and to use school equipment for reasonable services, paying for any extra custodial services and supplies which such uses require. Twenty-four (24) hours' advance arrangements for such use shall be made with the building principal.
- F. The Association will have the right to place notices, circulars and other material on designated school bulletin boards and in teachers' mailboxes. Authorized representatives of the Association will assume

responsibility for posting or distributing materials of the Association. An information copy of all material to be posted on any bulletin board and of all other material for general distribution in a building or buildings shall be shown or given to the principal at the time of posting or distribution.

- G. The district shall provide the Association with names and directory information (full name, telephone number, address, position and building) of all new hires in the bargaining unit within one pay period after their date of hire.
- H. The Board agrees that the following current information will be furnished on request to the Association: number of students in the District; current State Equalized Valuation of the District; number of teachers employed, together with their degree status, experience and position on the salary schedule; extra duty assignments and compensation; names of newly hired teachers and their salaries; Annual State Report (DS-4511) and Financial Information Database (FID Report), Annual Auditor's Report; tentative and adopted budgets; individual sick leave accumulation; by title, each administrator's total individual salary and a statement of administrative fringe benefits; the number of teachers in each insurance category (i.e., single, two person, full family, etc.); projected student enrollments, if available; and information for the processing of grievances.
- I. The provisions of this Agreement shall be applied without regard to race, creed, religion, color, national origin, age, sex, sexual orientation, gender identity, marital status or membership in/or association with the activities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to every student without regard to race, creed, religion, sex, sexual orientation, gender identity, color or national origin and to seek equality of educational opportunity to all pupils.
- J. The teachers shall be entitled to full rights of citizenship and no lawful religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher, provided that no such activities shall interfere with the proper performance of the teacher's duties.
- K. No teacher shall be prevented from wearing insignia, pins or other identification of membership in the Association on school premises so long as they are in good taste and would not tend to distract from the proper performance of his/her duties.
- L. Consistent with the Code of Ethics of the Education Profession, membership in the Association shall be open to all teachers regardless of race, creed, sex, color, marital status or national origin.
- M. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given the opportunity to be present at such adjustment.
- N. A teacher who becomes aware of a possible safety hazard within the school building or on school premises shall inform the building principal or superintendent in writing.

- O. School social workers, school counselors and speech and language therapists who do not have a teaching certificate shall serve the same probationary period as certificated teachers. Upon completion of a satisfactory probationary period, such employee may not be discharged without just cause. It is the Board's intent to hire certified teachers for these positions; however, the most qualified professional staff will be selected.

ARTICLE III
BOARD AND ADMINISTRATION RIGHTS

It is recognized that Michigan law makes the Board legally responsible for the operation of the Greenville School System in all respects. In meeting such responsibilities, the Board acts through its administrative staff. Such responsibilities include the establishment of educational policy, the construction or acquisition and the maintenance of school buildings and equipment, the hiring, transfer, assignment, supervision, promotion and termination of staff members, and after consultation with the Association, the establishment and revision of rules pertaining to the conduct of staff members.

The Board shall have the right to establish the length of the duty day to allow the district to meet State mandated time of instruction.

ARTICLE IV

PROFESSIONAL BEHAVIOR

- A. Teachers are responsible for maintaining a continuous high level of professional service to the welfare and benefit of the student body. Teachers, therefore, are responsible to discharge their teaching assignments with professional proficiency and, to this end, to plan adequately and make conscientious efforts to meet as required with children, parents and/or consultants.
- B. The Association recognizes the existence of all Board policies regarding a teacher's duties. The weekly time schedule which states the time to be devoted to the various parts of the curriculum shall be followed as closely as possible by all teachers.
- C. The Board agrees to provide, upon application, the necessary funds for teachers attending select professional conferences when such attendance is approved by the administration. Travel, meals, lodging and registration fees shall be deemed appropriate expenses of the Board, as well as the cost of the substitute teacher needed to relieve the participant.
- D. The Board of Education believes that appropriate dress on the job is important. Proper attire is a visual communication to the students and the public that instructional employees view themselves as professionals and that they take their job of educating students seriously.

The Board of Education expects that the teaching staff will dress in a manner which depicts them as the professionals they are and as adult role models to students. Normally this would not include the wearing of blue jeans or sweat suits. It is recognized that certain activities or job responsibilities may justify a different, but appropriate, style of dress.

Insomuch that it is difficult to write contract language to cover all situations, the building principals will be charged with the responsibility to develop, monitor, and enforce a dress code which conforms to the above stated standards.

- E. A teacher who shall have allegedly committed a breach of discipline in his/her professional behavior shall at all times be entitled to have present, on request, his/her building representative or such other Association representative who is readily available when he/she is being reprimanded, warned or disciplined for such infraction.

ARTICLE V
NO INTERRUPTION OF EDUCATION

Consistent with the declared purpose of providing a quality education for children of Greenville, the Association and each teacher agree that during the life of this Agreement they will not encourage, participate in or cause any interruption in the normal educational program of the children, except that the Association shall retain its full rights as spelled out in the Agreement.

ARTICLE VI
NOTIFICATION OF ASSIGNMENT

- A. All teachers on tenure will be notified of their grade or subject assignment by June 1. After June 1, if staff has to be reduced or reassigned because of financial or other reasons, notice of grade or subject assignment will be made as soon as possible after such financial or other situation has been finally determined.

- B. Any assignments in addition to the normal teaching assignment shall not be obligatory but shall be with the consent of the teacher. It is, however, agreed that such positions ought to be filled by regular members of the teaching staff rather than part-time outside persons, and to this end the Association and the Board will use their best efforts to encourage teachers to accept such positions when offered in writing. The teacher shall be deemed to have consented to such assignment unless he/she gives the Board notice of refusal in writing within ten (10) school days after being offered the position for the next school year.

- C. The teacher mentor program is designed to give each new teacher to Greenville one person to guide them and answer any questions they may have and help them grow professionally. It is a voluntary program so that only those teachers who want to take the extra time to help a new teacher should sign up. Refer to Appendix F., Teacher Mentor Program.

ARTICLE VII
VACANCIES AND PROMOTIONS

- A. A list of vacancies for the next school year will be posted in each building by the administration during the months of March, April, May and June prior to filling such positions. Consistent with the parties' basic purpose of providing a quality education for the children of the District, vacancies shall be filled by the Board with the best qualified person available as determined by the Board. Qualifications shall include education, training, experience and personality. The Board declares its intention to give full and equal consideration to present staff members in all vacancies in which they have expressed an interest.
- B. Any teacher who shall be transferred to a supervisory or executive position and shall later return to a teacher status shall be entitled to retain such rights as he/she may have had under this Agreement prior to such transfer to supervisory or executive status.
- C. The promotion or failure to promote any teacher to a supervisory position which shall become vacant during the course of this Agreement shall not be subject to the Grievance Procedure, it being expressly understood that the Board's right to select its own supervisors is solely within its discretion.

ARTICLE VIII

NECESSARY REDUCTION OF PERSONNEL

- A. For full-time employees, a lay-off will be defined as any reduction of hours to less than a normal teaching day as defined in the Master Agreement. For part-time employees, a lay-off will be defined as any reduction in present teaching hours-
- B. The curriculum and program to be offered and the number and nature of positions to be filled in connection, therewith, will be determined by the Board.
- C. The Board shall maintain an up-to-date seniority list and shall furnish updated copies of the list to the Association president upon request. The names of all teachers in the bargaining unit at the time of the preparation of the seniority list shall be listed in order of their service dates, starting with the teacher with the greatest amount of seniority at the top of the list. The order of seniority as of June 30, 1984, shall not be altered. Those with the same service date in the years 1984 to June 30, 1999 shall be established by lottery. Those hired after July 1, 1999, staff who were awarded steps from previous experience be given priority in their date of hire group based upon the number of steps given over brand new teachers. After this initial step, a lottery shall be done to determine seniority.
 - 1. "Service date" is the date when the teacher first provided professional services (excluding extracurricular assignments) for the Board since any break in service.
 - 2. A "break in service" shall occur if an employee:
 - a. Resigns or quits
 - b. Is discharged
 - c. Retires or is retired.
 - 3. The provisions herein set forth shall be subject and subordinate to all applicable laws and regulations, including the Teacher Tenure Act.
 - 4. Regular part-time teachers teaching half-time (half-pay) or less will receive credit for one-half (1/2) year of teaching. All other teachers will receive full credit for the year.
 - 5. Teachers shall accrue seniority during an approved leave of absence of less than one school year.
- D. Any person who has received tenure in Greenville and then assumes an administrative position shall retain their tenure status and years of service on the GEA Seniority list but shall not be granted additional years of teacher seniority for their time in a non-tenured administrative position.
- E. If any laid off tenured teacher desires to be re-employed when future vacancies occur, he/she shall keep the Board advised of his/her current address and telephone. A laid off tenured teacher shall remain on layoff status for a period of three (3) full teacher school years. Tenure teachers desiring to remain on the

recall list for additional school years must notify the Board in writing by June 30th of each of the following years.

- F. A laid off probationary teacher must notify the superintendent's office of his/her desire to return to teaching employment by June 30 of the school year to continue on layoff status. A probationary teacher will be kept on layoff status for a period not to exceed two (2) years. After the two (2) year period, he/she will be deleted from the seniority list.
- G. Any person recalled to work from layoff shall be entitled to at least two (2) weeks written notice sent by certified mail to his/her last address supplied to the district.
 - 1. If such person is given more than two (2) weeks notice, he/she shall be required to reply in writing within two (2) weeks agreeing to report to work at the date requested.
 - 2. If a recalled person refuses or fails to reply or report to work within the two (2) week time requirement, he/she shall be considered as a voluntary quit and shall thereby terminate any employment relationship with the Board.
- H. A teacher who was laid off under the above provisions and who is paid unemployment compensation benefits (associated with his/her regular teaching assignment) during the summer immediately following the layoff and who is subsequently recalled to a teaching position at the beginning of the next school year will be paid according to an annual salary rate, such that his/her unemployment compensation plus that annual salary rate will be equal to the rate of salary he/she would have earned for the school year had he/she not been laid off, subject to the following condition:

The total of unemployment compensation plus salary earned by employment in the District shall not be below that which the employee would have received had he/she been employed the entire school year.

ARTICLE IX TEACHING HOURS

- A. The full-time teacher's day consists of seven hours and 50 minutes (7.83), including a lunch period. In addition, secondary building administration may schedule teachers to remain one-half (1/2) hour later for a faculty meeting one (1) time each week. Each secondary teacher shall remain available at his or her normal teacher station for at least fifteen (15) minutes and elementary teachers five (5) minutes after the dismissal of school each day to provide consultation, extra help for students, or supervision. Each secondary teacher shall be entitled to leave the building on the last work day of the week ten (10) minutes after the dismissal of school in his or her respective building.

The full-time teacher's day shall begin at 7:15 a.m. for high school and middle school teachers and 8:00 a.m. for elementary teachers provided, however, that in emergency situations or circumstances, such as space shortages or financial conditions, these hours may be changed. The Association will be notified of any plan to modify the work day should the above emergency situations exist.

The Board recognizes that staff provide multiple tiers of support to all students. In order to maximize service, high school counselors will work an additional 5 calendar days, paid at the per diem rate. These days are to be decided upon collaboratively between the counselors and building principal prior to the conclusion of the school year, and in anticipation of the following school year.

- B. Variations in scheduled work hours may be established by mutual agreement among administration, Association and classroom teacher affected by the alternative schedule. In all cases, the classroom teacher working an alternative schedule must adhere to the minimum number of work hours established above.
- C. Teachers may request a variation from the agreed upon starting and ending work schedule (*Flex-Time*) using the following parameters:
1. Staff with Flex-Time schedules must be available for all required meetings, IEPC's, and parent meetings i.e. open houses even if scheduled outside of the *Flex-Time* schedule.
 2. Flex-Time reporting times are limited to:

Elementary

Teacher's day begins 8:00 a.m.

Flex-Time options

Start at 8:20 a.m. End at 4:10 p.m.

Secondary (Zero Hour 6:15 a.m.)

Teacher's day begins 7:15 a.m.

Flex-Time options

Start at 7:00 a.m. End at 2:50 p.m.

Zero hour 6:00 a.m. End 1:50 p.m.

3. Staff will report at scheduled times on professional development days.

4. Flex-Time requests will be submitted to the building principal by the end of the first week of each semester or trimester.

D. All elementary teachers shall have from the start of the teacher day for planning time and will receive additional released time when students are receiving instruction in special areas such as music, physical education, art, etc., except where special circumstances require their presence. Elementary staff meetings are recommended to be held weekly before the instructional day begins.

Additional time will be provided when fiscally possible.

It is the administration's intent to provide half-day planning time for elementary teachers. These half-days will be scheduled the same as the secondary teachers at the end of the semester. Also, there will be four optional half days per year that can be arranged with their principal. Substitutes will be hired.

1. Teachers shall meet their students at the start of the instructional day and remain with them until the end of the instructional day, less afternoon recess and lunch. Elementary teachers will not be required to supervise outside recess periods, provided that a schedule will be developed in each elementary building for a teacher or teachers to work with the paraeducators in supervising those students who remain in the building during inclement weather. Voluntary recess supervision by teaching staff shall be compensated as outlined in Appendix D. If no teachers volunteer in this capacity, the principal shall develop a schedule utilizing all available certified teachers. Reimbursement for this time shall be at the top instructional rate (Appendix D).

2. Students will not enter the building before the start of the instructional day. However, when inclement weather requires K-5 students to enter the building early, students will be permitted into the classroom and a schedule will be developed by the principal providing supervision by paraeducators with the cooperation of the teachers.

3. Each building principal will develop a schedule using teachers and paraeducators that will provide a ten (10) minute A.M. relief break with one professional staff person in each building on duty.

E. All full-time secondary teachers shall have a 45 minute period of released time for conferences and preparation during the regular teacher day.

F. All teachers working more than half-time shall receive a 30 minute duty free lunch period.

G. Teachers shall make themselves available for additional time for teachers' meetings, parent conferences, student conferences, department meetings, grading of papers, planning instruction, and teacher-directed functions necessary to assure a total performance of the teacher's duties.

At the discretion of the building principal, teachers can be required to attend up to three (3) events (not to exceed three hours and thirty (30) minutes (3.5) hours per event) per school year. Teachers shall be notified in writing of a required event and its purpose at least three (3) weeks in advance of the event. This is in addition to parent/teacher conferences and an open house or a curriculum night as scheduled on the

district calendar.

If a teacher does not attend a required event, he/she will be charged leave time unless there is no leave time available, in which case the teacher will be docked their hourly rate of pay.

Athletic and extra/co-curricular events shall not take precedence over required events unless a competition/performance has been scheduled outside of the control of the District.

In addition to required events, there may be other opportunities to participate in school or community events as an invited participant. These are not required.

It is important that administration and teachers recognize the importance of balance in professional growth and responsibility to personal lives and family time. To that end, as we consider changes, we will analyze areas to abandon and involve staff in the decision making process, so as not to be unreasonable in our expectations. Each principal is requested to utilize a process to include staff in the decision making process as it applies to adding responsibilities.

Student release time for staff Professional Development may be granted upon the recommendation of the chief academic officer and the approval of the Board of Education. The District School Improvement Team and/or the District Curriculum Committee will assist the chief academic officer and the District Calendar Committee in recommending release dates for Board approval.

H. Teachers are expected to maintain the minimum hours herein established. The Association is expected to see that all staff keep the time as set and should their efforts fail, it will mean loss of pay at the teacher's rate in accordance to the salary paid.

I. The Board will attempt to limit a secondary teacher's preparations to three (3). However, in some circumstances, it may be necessary to exceed that number.

J. Part-time teachers will have a minimum released time for preparation and conferences as follows:

1 teaching period	15 minutes
2 teaching periods	25 minutes
3 teaching periods	35 minutes
4 teaching periods	45 minutes

K. Teachers are to report for work on all days being considered for pay except holidays. Policy for school cancelation days shall be as follows:

1. Scheduled days of student instruction which are not held because of conditions not within the control of school authorities such as inclement weather, fire, epidemics, mechanical breakdowns, power failure, issues of student or staff safety, or health conditions as defined by the city, county or state health authorities, will be rescheduled at the end of the school year or on day(s) mutually agreed upon by the Association and the Board of Education to ensure that a minimum of the State

mandated instructional times of actual student instruction is met. Employees will receive their regular pay for days which are canceled, but shall work on any rescheduled days with no additional compensation. For the 2018-2019 school year only, the calendar committee will plan for 182 days on the calendar. Days 181 and 182 will only be utilized if there are five or more school cancellation days.

When school is canceled, employees shall not be required to report or suffer loss of salary/benefits. If an individual building is closed, teachers may not be required to report at the discretion of the superintendent.

In the event of school cancellation during scheduled Parent/Teacher conferences, the superintendent in consultation with the association president will decide if conferences will be held or rescheduled.

2. When the start of school is delayed, the beginning of the teacher's day will be delayed an equivalent amount of time. Teacher dismissal will be at the normal ending time unless otherwise notified by the administration.
 3. Teachers will not be charged a paid leave day (sick leave, bereavement, personal business, etc.), if school is closed because of inclement weather or other school cancellation reasons.
- L. When it is necessary for instructional coaches to work beyond the established contract days/hours in order to complete their identified job duties as staff trainers, their days/hours may be varied accordingly. Variations in work time shall be mutually agreed to by the instructional coach and the chief academic officer and will be documented using district timesheets.

Classroom teachers who are assigned instructional coaching duties as secondary job responsibilities beyond the school day will be paid according to Schedule D.

M. Job Share Arrangements

1. Job shares are defined as two bargaining unit members desiring to share a teaching position may make application according to Board of Education Policy 714 by April 1st for the following year. The bargaining unit members shall be notified of the District's decision by May 1st.
2. Job sharing assignments shall be filled by teachers who have jointly agreed to work.
3. Teachers in a shared assignment have the opportunity to sub for each other and shall be paid at the daily substitute teacher rate of pay. The absent teacher shall notify the building principal.
4. All salary, leave time, fringe benefits and other compensation shall be accrued on a pro-rated basis based on the teacher's full time equivalent (FTE).
5. Attendance at staff meetings, staff development and other days of required attendance for full-time staff will be required of shared-time teachers will be required with no additional compensation. The principal may at his/her discretion allow exceptions to the staff meeting requirement, however, any exception shall not establish a practice or precedent.

6. Attendance at parent/teacher conferences will be required by both shared-time teachers with no additional compensation.
 7. If one or both of the employees desire to return to a full-time status, they shall have the right to return to full-time status for the next school year provided there is a vacancy for which they are highly qualified. Application for termination or continuation of the job share shall be made by April 1.
 8. In a job sharing situation, the job sharing teachers' combined salary shall not exceed the salary of one full-time teacher. It is further understood that such job share must meet all requirements set forth in board policy and administrative rules regarding such arrangement. Furthermore, the acceptance or denial of a job share arrangement is at the sole discretion of the employer and shall be non-grievable.
- N. The district and the GEA agree that there may be times when it is advantageous and/or necessary to share ancillary staff between districts. If the district chooses to enter into an arrangement to share ancillary staff, it will do so under the following conditions only:
1. The split assignment position must be at least 50% at Greenville Public Schools.
 2. The split assignment position will only be offered to create a full time position.
 3. The staff member in the split assignment will be considered a full time employee of Greenville Public Schools for the purpose of seniority, wage and all other benefits.
 4. The staff member, prior to initial hire, understands that the position is a split assignment between two districts.
 5. When the staff member, during the regular work day, is required to travel between districts or buildings, he/she shall be paid mileage at the IRS rate for government travel. There will be no mileage paid to and from the work sites where the service originates and continues throughout the day.
 6. In the event of a layoff, the least-senior ancillary staff member in the classification shall be assigned to the split assignment position unless a voluntary transfer is arranged.
 7. The district will provide mentoring, supervision and evaluation of the staff member in the split assignment.
 8. There is a preference for the person serving in a split assignment position to be fully certified, though this is not explicitly required.

**ARTICLE X
CLASS LOAD**

A. Inasmuch as the pupil-teacher ratio is an important aspect of an effective educational program and is directly related to the volume of a teacher's work, it is agreed the following maximum class sizes and pupil-teacher ratios will be adhered to. In the event of any disagreement between the representatives of the Board and the Association as to the needs and desirability of deviation from these class sizes, it may be processed through the Grievance Procedure set forth in Article XX. The Board recognizes that the pupil-teacher ratio established here is not an optimum pupil-teacher ratio and will give improvements in this area prime consideration as the building and finances of the District may allow for improvements.

1. Elementary - The following class sizes shall be adhered to for the 2018/ 2019 school year:

<u>Grades K-1</u>	<u>Grades 2-4</u>	<u>Grade 5</u>
27	28	29

The following table shall be referenced after the 2018/ 2019 school year:

Elementary Class Sizes for 2019/2020 School Year		
Grades K- 2	Grades 3-4	Grade 5
26	28	29
Elementary Class Sizes for 2019/2020 School Year		
Grades K- 2	Grades 3-4	Grade 5
25	28	29

If any elementary class has four (4) or more pupils above the appointed class load size, there shall be a meeting between employee and/or association and building administration.

Class size shall be adjusted to meet class loads by the last day of the third week of school. The administration agrees to attempt to keep grade levels equalized within the buildings. However, the parties recognize that reassignment of students is detrimental to the educational process and is to be avoided whenever possible.

For K-5 general classrooms, when the number of students exceeds the class size numbers listed above after the third week of the school year, the teacher shall have the following options:

- a. One-half hour of paraprofessional time may be provided for each student over the limit OR

- b. A stipend of \$5.00 per day per student over the limit which will be paid on the pay period following the end of each trimester. Documentation will be required for this pay OR
- c. These two forms of relief may be combined at the discretion of the teacher in the event of multiple students over the class size limit provided in increments of \$5.00 and half hour units only.

If the teacher would like to change options after the initial selection, this can be done only via mutual agreement between the teacher and administrator and at the end of the trimester.

ARTICLE XIV

STUDENT DISCIPLINE AND TEACHER PROTECTION

- A. Good order and discipline are necessary for effective teaching. While each teacher is responsible for maintaining such an atmosphere in each of his/her classes, the Board recognizes that, through its administration, it must support its teachers in taking all reasonable actions to maintain proper classroom order, and it agrees to do so. The Board further recognizes that the teacher may not fairly be expected to neither assume the role of custodian for emotionally disturbed students nor be charged with responsibility for psychotherapy. It will take reasonable steps to relieve the teacher of responsibilities with respect to such student according to the current Board or administration policy.
- B. It is recognized that well taught classes and constructively applied methods of preventive discipline on the school premises minimize discipline problems. A teacher may use such lawful force as is necessary to protect himself from attack or to prevent injury to another student.
- C. A teacher may exclude a pupil from his/her class for the remainder of the day when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable.
- D. Suspension of students from school may be imposed only by a principal or his/her designated representative. School authorities will endeavor to achieve correction of student misbehavior through counseling and interviews with the child and his/her parents when warranted. Transfer of the student to another teacher or other measures, short of suspension, will first be exhausted.
- E. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall promptly render reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.
- F. Time lost as a result of an assault upon a teacher by a student shall not be charged to the teacher. Time lost as a result of being complained against if sued by reason of disciplinary action taken by the teacher shall not be charged against the teacher if his/her action is upheld. If a teacher is injured while in the line of duty, medical, surgical or hospital care will be furnished in accordance with the Workers' Compensation Laws.
- G. If in the performance of his/her regular or assigned teaching duties, a teacher, without negligence on his/her part, shall suffer damage to his/her clothing or other personal property, which has been approved by and registered with the building principal, reimbursement of at least Ten Dollars (\$10) but not more than Five Hundred Dollars (\$500) shall be made subject to the following:
 - 1. Teachers will take the responsibility to see that all personal property is secured and will provide proof of value and evidence that the loss occurred on school property.
 - 2. Teachers will first seek recovery from any personal insurance they may otherwise have.

3. If the teacher is unable to secure recovery from an alternate source, or if recovery from a teacher's personal insurance carrier will cause the teacher to suffer a demonstrable change in coverage and a resultant financial loss or damage, the Board will reimburse the teacher for damaged property to the extent of its depreciated value at the time of the damage, but only up to the Five Hundred Dollars (\$500) limit as set forth above.

The Board may require subrogation, assignment and full cooperation by such teacher in seeking recovery from any party responsible for such loss.

 - 1. A teacher who qualifies for a higher degree or salary by the beginning of the school year will be re-issued a salary statement upon presentation of the necessary information. The teacher is responsible to specifically notify the superintendent in writing of the degree change and resulting salary requested (e.g. BA+20, etc.) prior to the beginning of the semester they wish to be paid the change and to provide an official university document as soon as available or in the case of longevity (e.g. Step 15, etc.) supporting documentation to verify the request.
 - 2. Teachers teaching part-time or scheduled extra hours shall be paid based on the appropriate salary step with benefits and length of day calculated on a prorated basis. In the case of grades Pre-K—8, teachers shall be paid based on percentage of normal teaching hours worked. In the case of grades 9—12 teachers, the pro-ration will be based on number of periods taught times one-fifth (1/5). Paid prorated planning time is already included in this calculation.

The Board recognizes that teaching an additional period during the school day adds extra responsibilities in preparation and grading. Refusal to teach an extra period will not affect the teacher's evaluation. If a probationary teacher is requested to teach an additional period, the Association will be notified in advance.
 - 3. All teachers including mid-year hires shall be entitled to advancement on the salary schedule at the beginning of the following school year.
 - 4. If a teacher completes a degree or credit hours which qualify him/her for additional compensation

during the first (1st) semester of the school year, he/she shall receive one-half (1/2) the difference between the old and new salary schedule, provided that not more than four (4) semester hours are required. Such contract will be adjusted accordingly in the second (2nd) semester.

5. A Masters degree in Social Work or Speech and Language Pathology that requires fifty (50) or more credit hours, qualifies for MA+20 on the salary schedule.
- F. Longevity shall be paid at the beginning of a teacher's fifteenth (15th), twentieth (20th), twenty-fifth (25th), thirtieth (30th), and thirty-fifth (35th) years in Greenville, according to the following percentages and based on the teacher's base salary for the appropriate degree schedule:

Fifteen	15	3.0%
Twenty	20	4.5%
Twenty-five	25	6.0%
Thirty	30	7.75%
Thirty-five	35	9.25%

1. If a teacher leaves Greenville and is rehired, the teacher shall retain their prior Greenville teaching experience for longevity purposes after a five (5) year rehire period.
2. Once a Greenville teacher reaches their fifteenth year of service in the district and qualifies for the first longevity step, said teacher will be credited with any full years of MPSERS-eligible outside service as a certified teacher of record in a Michigan public school provided they meet the total longevity credit requirements for each granted longevity step.
3. In order to qualify for the initial longevity step, a teacher must have earned five (5) semester hours of graduate credit or SCECH (State Continuing Education Clock Hour) equivalents.
4. In order to qualify for subsequent longevity steps, a teacher must earn an additional five (5) semester hours of graduate credits in between each longevity step increase. All credits must be graduate credits or SCECH (State Continuing Education Clock Hour) equivalents.
5. If a teacher completes the required number of semester hours of credit to qualify for a longevity step prior to the beginning of the second (2nd) semester, he/she shall be paid one-half (1/2) of the percentage for the approximate longevity schedule, and the contract will be adjusted accordingly in the second (2nd) semester.
6. State Board approved Professional Development Programs or activities that will award credits as State Board Continuing Education Units (SB-CEU's) and/or their equivalent in State Continuing Education Clock Hours (SCECH) or a combination thereof may be used to fulfill partial longevity credit requirements under the following conditions:

- a. Written approval from the superintendent is required prior to participating in the workshop or class. (Two weeks notice is customary.)
- b. For longevity advancement, fifteen (15) SB-CEU's will be equivalent to five (5) semester hours of college credit. One (1) CEU = ten (10) contact hours and three (3) CEU's = one (1) semester credit hour. Courses offered for university credit may be granted graduate credit with pre-approval of the administration and verified completion of requirements requested by the administration. Requirements for applying SB-CEU's to initial and subsequent longevity steps will be under the same timelines as specified in F. 1-4 above.
- c. The verification of SB-CEU's and/or SCECH's taken or the successful completion of approved workshops and/or classes is the responsibility of the teacher, and shall be documented in the Secure Central Registry (SCR) managed by the Michigan Department of Education.

G. Degree Advancement

- a. Graduate credits earned for degree advancement must have coursework that pertains to their major or minor subject area or in an education or allied field (such as psychology, counseling and guidance) or in a subject area in which the teacher is currently teaching.
- b. For advancement to the Education Specialist/Doctoral/2nd Master's Lane, the degree must be earned in the field of education. For degrees not in the field of education, recognition may be given for a terminal or second Master's degree that is pre-approved by the superintendent. Current teachers who are on the MA+60 lane as of 6-30-2015 shall be grandfathered to the new Education Specialist/Doctoral/2nd Master's Lane.

H. Tuition reimbursement

1. Tuition Reimbursement shall be as follows:

- a. Graduate tuition and fees shall be reimbursed at 50% when taken within a university-approved planned program.
- b. Graduate tuition and fees shall be reimbursed at 10% when the credits earned are not part of a university-approved planned program.
- c. The maximum amount of reimbursement shall not exceed six (6) credits per person per year.
- d. The maximum amount of reimbursement for any class shall not exceed the rate of reimbursement for graduate tuition and fees at Michigan State University.

2. Graduate course work must be in the teacher's major or minor subject area or in education or in an allied field (such as psychology, counseling, and guidance) or in a subject area in which the teacher is currently teaching.
 3. Teachers shall be reimbursed after evidence of successful completion of course work has been submitted and approved by the superintendent.
 4. Reimbursement must be requested within twelve (12) months of completion of the course. Reimbursement requests must include the transcript, an itemized receipt and a university-approved planned program where applicable.
- I. In appreciation for services to the school district, a payment of One Hundred Dollars (\$100) for each year of service in the District will be paid upon MPSERS- eligible retirement provided the teacher shall have been employed in the School District for at least twenty (20) years. Consecutive years of service are not required. Furthermore, the above-mentioned payment shall not be paid in combination with a voluntary severance plan / early retirement incentive- but may be combined with the early notification stipend listed below.
 - J. An early notification of retirement stipend shall be paid to a teacher who announces their MPSERS-eligible retirement of \$1000 if such notification is received by January 31st; or \$750 if received by February 28th; or \$500 if received by March 31st. This stipend will be paid on the terminal pay. To be eligible for this stipend the notification must be received in writing at Central Services by the dates above.
 - K. Insurances will be provided as set forth in Appendix E attached hereto and incorporated into this Agreement or subsequent letters of agreement.
 - L. Teachers who are requested to drive their personal automobiles in the performance of their duties shall be paid the Internal Revenue Service non-taxable mileage rate. Teachers driving to out-of-town school-related activities such as conferences, workshops, etc., will be expected to use a school district vehicle unless prior approval has been granted by their building principal.
 - M. Teachers on prep time may be requested to substitute teach in another classroom. The decision to serve as a substitute teacher is voluntary and may be rejected by the teacher. Compensation for such substitute teaching shall be paid at the rate of \$35.00 per hour.

ARTICLE XVIII
PAYROLL SCHEDULE AND DEDUCTIONS

- A. All new employees will be required to sign up for direct deposit.
- B. Teachers' annual salaries shall be paid in 26 equal payments with payroll checks issued every other Friday if deferred compensation is elected. Individual teachers can request in writing (between April 1 and May 15) the balance of their earned annual salary (less the amount required to make all authorized withholding), be paid in the next regular pay period after the end of the school year.
1. Teachers approved under the option indicated above will receive their first (1st) paycheck for the succeeding school year on the second (2nd) Friday after they would otherwise have received their final check for the preceding school year.
 2. Payroll deductions (except for appropriate insurance deductions) will not be withheld during the summer if the balance of earned annual salary is taken in a lump sum. However, should the annuity company or credit union allow lump payment; the deduction shall be made at the time the balance of earned annual salary is paid.
 3. Teachers' annual salaries may be paid in 21 equal payments with payroll checks issued every other Friday during the school year. The teachers' contribution for an insurance plan shall be deducted from the last pay in June. Other appropriate payroll deductions may be handled as mentioned in a lump sum payment above.
- C. Unless the payroll department is notified in writing, all authorized employee deductions shall be continued year to year.
- D. Direct deposits shall be deducted in equal amounts from each paycheck and insurance contributions shall be deducted as follows:
1. Twenty-six (26) pay staff: First (1st) pay in October through the first (1st) pay in August. Twenty-three (23) total deductions.
 2. Twenty-one (21) pay staff: First (1st) pay in October through their last pay in June. Nineteen (19) total deductions.

Deductions for other purposes may be agreed upon by the Board and the Association.

- D. The district shall administer cash in lieu of insurance payments on a 23 pay schedule. The district will pay the agreed upon yearly cash in lieu amount in the final 23 pays of each contract year for those staff electing cash in lieu of health insurance. There will be no cash in lieu payments on the first three paychecks on the contract year.

August 31, 2018 will be the first pay of the 2018-2019 school year. The 2018-2019 school year will return to a 26 pay schedule instead of the 27 pay schedule agreed to for the 2017-2018 school year.

ARTICLE XIX

SCHOOL CALENDAR

- A. Greenville Public Schools will, in the spring of each year, convene a School Calendar Committee, which shall include GEA representation. The purpose of this committee is to recommend a legally compliant annual calendar to the Board.
- B. The district and association recognize that state law gives authority to the local intermediate school district to set the following dates:
 - 1. Winter Holiday Break
 - 2. Spring Break
- C. Due to school closing and as required by State law, student instruction days will be made up only when necessary to meet State mandated time of instruction. The Board will determine that all required student instruction days will be rescheduled at the end of the school year. The school calendar(s) is set in Appendix A, which is attached hereto and incorporated in this Agreement.
- D. Regardless of the length of this Agreement, the basic school calendar for the period covered by this Agreement, and for the year immediately following, shall be set forth in Appendix A.
- E. A parent-teacher conference schedule will be established on the school calendar at the discretion of the administration in accordance with the annual school calendar. (Reference Appendix A.)

ARTICLE XX

PROFESSIONAL GRIEVANCE PROCEDURE

A grievance is defined as an alleged violation of a specific article or section of this Agreement or an existing rule, order or regulation of the Board relating to wages, hours, working conditions or terms of employment. If any such grievance arises, there shall be no stoppage or suspension of work because of such grievance; but such grievance shall be submitted to the following grievance and arbitration procedures.

An individual employee may present a grievance to the Board or its designated representative without the intervention of the Association or its representatives, as long as any adjustment is not inconsistent with the terms of this Agreement.

Time Limitation

No grievance shall be processed unless initiated and carried to the next step within the time provided herein or as extended by mutual agreement.

A. STEP ONE

Within ten (10) school days of the occurrence of the event, any teacher or group of teachers (or the Association at the request of a teacher or group of teachers) having a grievance shall discuss the matter with the principal of the building involved. If the principal is absent from work and such absence prevents the discussion, the discussion must then take place within two (2) school days following the principal's return. The Association representative may be present at this discussion. The matter must be resolved to the satisfaction of the aggrieved employee within five (5) school days after this meeting.

B. STEP TWO

If the matter is not resolved to the satisfaction of the aggrieved employee, the employee shall put the grievance in writing and file it with their building principal within five (5) school days following the principal's verbal response in Step One. The principal will respond to the aggrieved employee in writing within five (5) school days of receipt of the written grievance. A copy of the written disposition will be forwarded to the central office administrator.

C. STEP THREE

If the written answer does not resolve the grievance to the aggrieved employee's satisfaction, the grievant has five (5) school days after receipt of the written response to file the grievance with the central office administrator together with a written statement of why the resolution was not acceptable. Within five (5) school days after receipt of the written grievance by the central office administrator, a meeting shall be held between the grievant and the central office administrator or his/her designated representative in an effort to resolve the grievance. The central office administrator will respond to the aggrieved employee in writing within five (5) school days of the meeting.

D. STEP FOUR

If the matter is not resolved to the satisfaction of the aggrieved employee, the employee shall file the grievance along with a written statement of why the resolution was not acceptable with the secretary of the Board within five (5) school days of receipt of the central office administrator's written response.

E. STEP FIVE

Within 20 school days after receiving such written request (or a date mutually agreed to by the Grievance Committees involved), the central office administrator will arrange for a meeting between the Grievance Committee representing the Association and the Grievance Committee representing the Board to attempt to reach a satisfactory solution. The Board will render its decision in writing within 20 school days after the final meeting of the two (2) committees. Either the Association or the Board may have additional representation at this level of discussion.

Each Grievance Committee shall have three (3) members. Each committee shall have the authority to make a binding decision for the party it represents. However, any decision to submit the grievance to Step Six for arbitration must be approved by the Association Board of Directors prior to its submission.

F. STEP SIX

If the grievance is not resolved at Step Five and the issue involves the interpretation or application of an express term of this Agreement, the Association may refer the matter to arbitration by notifying the Board, in writing, of its desire to arbitrate within 15 school days from the termination of Step Five of the Grievance Procedure. (The termination of Step Five is receipt of the Board's written decision.) If a request for arbitration is not made within the time specified, the grievance shall be considered settled.

G. SELECTION OF AN ARBITRATOR AND ARBITRATION PROCEDURE

An impartial arbitrator shall be promptly selected by the parties to decide the matter. If they cannot agree as to the arbitrator, he/she shall be selected by the parties from a panel of five (5) qualified persons prepared by the Michigan Employment Relations Commission. The power of the arbitrator shall be limited to the interpretation or application of the express terms of this Agreement as written, and he/she shall have no power to alter, add to or subtract from the terms of this Agreement as written. The granting of tenure, termination of services or failure to re-employ a teacher, the termination of services or failure to re-employ any teacher to a position on the extracurricular schedules, or any grievance involving a prohibited subject of bargaining shall not be arbitrable. The arbitrator's decision shall be final and binding on the Association, its members, the teacher or teachers involved, and the Board.

H. ARBITRATION COSTS

The fees and expenses of the arbitrator shall be shared equally by the Board and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

I. EMERGENCY MEETINGS

Both parties recognize that in some instances settlement of a grievance involving more than one (1) school should be considered immediately. When a situation of this kind arises, the grievance may be processed in the first (1st) instance at Step Three, by agreement between the chief administrative officer (or his/her assistant in his/her absence) and the president of the Association (or the vice-president in the president's absence). This procedure is to be used in exceptional situations only where immediate action is clearly indicated and agreed to by both parties.

J. SUMMER TIME LIMITS

In the event a grievance is processed late in the school year and the set time limits extend the processing of said grievance beyond the normal school year, the counting of days as herein described beyond the normal school year, shall consist of weekdays (Monday-Friday) until the matter is resolved.

ARTICLE XXI

NEGOTIATION PROCEDURES

- A. During the negotiations leading up to this Agreement, each party had the right to make proposals and bargain on all bargainable matters. This Agreement contains the entire agreement of the parties. During its life, each party therefore agrees that the other will not be required to engage in further bargaining on any matter, whether covered herein or not, except for matters which are subject to the Professional Grievance Procedure. Matters of concern may be discussed through the ongoing collaborative bargaining process and any agreement which results may become a part of this Agreement by mutual agreement of the parties.
- B. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representative of the other party, and each may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by the Board and the Association, but the parties mutually pledge that the representatives selected by each shall be clothed with all necessary power and authority to make and consider proposals and to make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- C. There shall be three (3) signed copies for purposes of record, one (1) to be retained by the Board, one (1) by the Association, and one (1) by the Superintendent. A copy of this Agreement shall be provided (print or electronic) to all teachers.
- D. If the parties fail to reach agreement in any such negotiations, either party may invoke the mediation machinery of the Michigan Employment Relations Commission.
- E. A teacher engaged during the school day in negotiating on behalf of the Association with any representative of the Board or participating in any professional negotiation, including arbitration, shall be released from regular duties without loss of salary or benefits when such negotiation or arbitration is held during the school day at the request of the Board.
- F. If during the duration of this contract, district per pupil revenues increase or decrease by three percent (3%) or more, based on the prior year, financial terms shall be re-opened for negotiation.

ARTICLE XXII
MISCELLANEOUS PROVISIONS

- A. This Agreement shall supersede any rules, regulations or practices of the Board or terms of any teacher's individual contract heretofore in effect to the extent they are contrary to or inconsistent with its terms unless Board of Education policy involves Prohibited Subjects of Bargaining. A copy of this Agreement shall be furnished at Board expense to all teachers now or hereafter employed.

- B. If any provision of this Agreement or its application to any teacher or group of teachers shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

- C. Any teacher who is not re-appointed to an extra-duty position will, upon request, be given an opportunity to appear at a Board meeting to discuss and review such matter. Such meeting shall be public or private at the discretion of the teacher.

**ARTICLE XXIII
DURATION OF AGREEMENT**

This Agreement shall become effective August 14, 2018, upon ratification by a majority of the Board and of the membership of the Association and will continue in effect through June 30, 2021 at which time it will terminate. Upon written notice given before February 15, 2018, this Agreement may be re-negotiated for future year(s). Said negotiations shall not begin later than March 1, 2021.

APPENDIX F

TEACHER MENTOR PROGRAM

A. Purpose

4. Mentors with more than one new teacher will be compensated based on Appendix D at 1.5%

APPENDIX G FAMILY AND MEDICAL LEAVE POLICY

A. Purpose

The District's Family and Medical Leave Policy allows eligible employees to take up to twelve (12) weeks of unpaid leave per year for their own serious health condition, childbirth, or to provide care for the employee's newborn child, newly-adopted child, newly-placed foster child, or a child, parent or spouse with a serious health condition.

The following provisions provide information about the policy. Please read the policy carefully and keep it for future reference. Additional information and forms relating to Family and Medical Leaves are available from the Central Offices.

B. Definitions

1. ***What does a "twelve-month" period mean?*** The District has adopted the rolling twelve-month method of calculating FMLA leave entitlement. Pursuant to this method, FMLA leave entitlement is based upon how much FMLA leave an employee has taken the preceding twelve months, measured backwards from the date the leave is to commence.
2. ***Who qualifies as a "spouse"?*** "Spouse" under this policy means a husband or wife, and does not include unmarried domestic partners. If both spouses work for the school district, their total leave in any twelve-month period may be limited to an aggregate of twelve weeks if the leave is taken for either the birth or placement for adoption or foster care of a child or to care for a sick parent.
3. ***Who qualifies as a "parent"?*** "Parent" under this policy means a biological parent or an individual who stood in place of a biological parent (*in loco parentis*) to the employee when the employee was a child. Parents-in-law do not meet this definition.
4. ***Who qualifies as a "child"?*** "Child" under this policy means a child (son or daughter) either under eighteen years of age, or eighteen years of age or older who is incapable of self-care because of mental or physical disability. An employee's "child" is one for whom the employee has actual day-to-day responsibility for care and includes a biological, adopted, foster or stepchild or legal ward.
5. ***What type of ailment qualifies as a "serious health condition" under this policy?*** A "serious health condition" is an illness, injury, impairment, or physical or mental condition that involves (1) inpatient care (an overnight stay), (2) a period of incapacity requiring continuing treatment by a healthcare provider, (3) a period of incapacity due to pregnancy or for prenatal care, (4) a period of incapacity or treatment for chronic or permanent/long-term conditions (*e.g.*, asthma, diabetes, epilepsy, cancer), or (5) a period of absence to receive multiple treatments by a healthcare provider for a non-chronic condition that, if left untreated, could result in a period of incapacity of more than three consecutive calendar days (*e.g.*, dialysis for kidney disease or

chemotherapy for cancer).

By way of example, “continuing treatment by a healthcare provider” includes a period of incapacity of more than three (3) consecutive calendar days (including subsequent treatments or periods of incapacity relating to the same condition) that requires treatment on two (2) or more times by a healthcare provider or treatment once by a healthcare provider that results in a regime of continuing treatment under the supervision of a healthcare provider (*e.g.*, a course of prescription drugs, physical therapy).

Unless complications arise, the common cold, flu, upset stomachs, headaches, routine dental problems and cosmetic treatments do not meet the definition of “serious health condition”.

Please contact the Central Office for a more complete definition of “serious health condition”.

6. ***Who qualifies as an “instructional employee”?*** Under this policy, “Instructional Employee” means a person whose principle function is to teach and instruct students in a class, a small group or an individual setting. This term includes teachers and may encompass paraprofessionals or auxiliary personnel principally engaged in direct delivery of instruction (*e.g.*, signers for hearing impaired). This definition ***excludes*** auxiliary personnel such as counselors, aides, psychologists, social workers and non-instructional support personnel.
7. ***Who is the “District” under this policy?*** “District” means the Greenville Public Schools. This policy shall be implemented by the superintendent or his/her designee.

C. General

1. ***Who is eligible?*** If you have worked at least 1250 hours during the twelve-month period prior to commencement of the leave, you are eligible for FMLA leave after you have completed at least one year of service.
2. ***When can I take FMLA leave?*** Eligible employees may use FMLA leave for one or more of the following reasons:
 - a. The birth of a child and care for a newborn;
 - b. The care for a newly-adopted child or child recently placed in an employee’s home for foster care;
 - c. To care for a spouse, child or a parent (but not parent-in-law) who has a serious health condition; or
 - d. An employee’s own serious health condition that makes the employee unable to perform one or more of the essential functions of his or her job.

- e. Due to a qualifying exigency arising out of your child, spouse or parent being on covered active duty or call to active duty by a branch of the United States Armed Forces.
- f. Family leave to care for a newborn child or for adoption or foster care placement of a child must be completed within twelve months of the birth, adoption or placement of the child.

3. ***How much leave is available under the FMLA policy?*** Eligible employees may take up to twelve weeks of unpaid leave during any twelve-month rolling period (up to 26 weeks for a qualified military exigency) for a purpose which qualifies for a leave under the FMLA policy. The twelve-month rolling period is calculated backwards from the date the requested leave commences.

An eligible part-time employee is entitled to leave on a pro-rata basis, **so long as all other FMLA eligibility requirements are met.**

If spouses are both employed by the District and both are eligible for FMLA leave, spouses may take up to a combined total of twelve weeks of leave for the birth and care of a newborn child, the placement of a child in the spouse's home for adoption or foster care, or the care of a seriously ill parent. This limitation does not apply to the care of a spouse or child with a serious health condition or to the employee's own serious health condition. For example, if spouses each take four weeks to care for a newborn child, each spouse will have eight weeks remaining within the twelve-month period to use for other kinds of FMLA leaves, if necessary.

D. Notice

- 1. ***When should I give notice of the need for FMLA leave?*** If the need for FMLA leave is foreseeable, you must give at least thirty (30)-days notice of your intent to use the leave (*i.e.*, for birth of a child, adoption, foster placement, or planned medical treatment for yourself or a family member). If the employee fails to give thirty (30)-days notice, the District reserves the right to delay the employee's FMLA leave until at least thirty (30) days after the employee makes the leave request. When the need for FMLA is unexpected, you must provide notice as soon as possible after the need for the leave is known.

At the time of requesting any time off work, employees are required to complete district-approved forms for leave utilization. When any time off work is requested, the District will inquire about the circumstances to determine if the requested time off appears to qualify as FMLA leave. Any time off work request determined by the District to qualify as FMLA leave will be credited against the employee's FMLA leave for the twelve-month rolling period described in Section 2(A) of this policy. Employees will be told whether the time off work requested is determined to be FMLA leave before the start of the requested leave, or as soon thereafter as practical.

E. Substitution of paid leave time

Leaves are **unpaid** leaves, but there are several ways in which the District's policies on salary continuation, sick days and vacation pay work in conjunction with certain kinds of FMLA leaves to provide you with some form of income during such a leave.

1. ***Employees must exhaust earned and/or accrued paid time off.*** When time off work which qualifies as FMLA leave is to be taken, employees may first be required to exhaust earned and/or accrued paid time off which will be credited against their FMLA leave. For example, if an employee has earned and/or accrued paid vacation or personal leave, the District may require that the employee first apply that leave time to his/her FMLA leave until the earned and/or accrued paid leave time is exhausted. The District may also require that any earned and/or accrued paid vacation or personal/sick leave be exhausted before the employee takes any unpaid FMLA leave to care for the employee's own serious health condition or that of a spouse, child or parent (where permitted for the latter purpose under the contract or policy governing the employee). Any remaining FMLA leave to which the employee is entitled will then be taken on an unpaid basis. An Employee also is entitled to substitute accumulated paid leave off for FMLA leave.

2. ***District notification of FMLA leave.*** Once the District receives notice (or sufficient information) that leave is being taken for an FMLA required reason, the District shall (within five (5) business days, absent extenuating circumstances) notify the employee, in writing, that accrued paid leave (as described above) has been designated as FMLA leave.

F. Medical certification

If an employee requests FMLA leave due to a serious health condition or to care for a parent, child or spouse with a serious health condition, the employee will be required to provide medical certification from a healthcare provider of the serious health condition involved and, if applicable, verification that the employee is needed to care for the ill family member and for how long. Forms for this purpose will be provided by the Central Office when the employee notifies the District of the need for the leave. Employees must provide the requested medical certification within fifteen (15) days of being supplied with the necessary certification form from the Central Office or a request for FMLA leave may be delayed or denied.

After an employee submits the required medical certification, the District may require, at its option and its expense, that a medical certification be obtained from a healthcare provider of the District's own choosing to verify the need for the requested FMLA leave. If the first (1st) and second (2nd) certifications differ, the District may require, at its option and at its own expense, that a third (3rd) certification be obtained from a third (3rd) healthcare provider who is jointly selected by the prior two (2) healthcare providers. The third (3rd) medical certification will be final and binding on both parties. If the employee refuses to be examined by the third (3rd) healthcare provider or refuses to cooperate in the examination, the employee will be bound by the second (2nd) certification.

The District may also require periodic medical recertifications at its own expense. The District also retains the right to require the employee who is absent on FMLA due to his/her own serious health condition to present a medical certification on return to work. Failure to provide this information will

delay restoration of employment and may result in separation from employment status.

G. Intermittent/reduced leave schedule

If an employee needs intermittent leave, or leave on a reduced leave schedule (or if the intermittent/reduced leave is allowed for the birth of a child or for placement of a child for adoption or foster care), the employee must advise the District why the intermittent/reduced leave schedule is necessary. An employee must meet with the District and attempt to work out a leave schedule which meets the employee's needs for leave without unduly disrupting the District's operations. The employee should meet with the District before treatment is scheduled. If the meeting takes place after treatment has been scheduled, the District may, in certain instances, require an employee to attempt to reschedule treatment.

The District may assign an employee to an alternative position with equivalent pay and benefits, but not necessary equivalent job duties that better accommodate the employee's intermittent or reduced leave schedule. The District may also transfer the employee to a part-time job with the same rate of pay and benefits, but the employee will not be required to take more leave than is medically necessary. Where benefits (e.g., vacation) are based on the number of hours worked, the employee will receive appropriate benefits, based upon hours worked. When a transfer to a part-time position has been made to accommodate an intermittent or reduced leave schedule, the District will continue group health benefits on the same basis as provided for full-time employees until the twelve weeks of FMLA leave are used.

Intermittent and reduced leave schedules are available to all employees for pre-natal care, to attend to a serious health condition requiring periodic treatment by a healthcare provider, because the employee (or family member) is incapacitated to a chronic serious health condition, or because of childbirth, adoption or foster care placement.

If an eligible instructional employee requests intermittent leave or leave on a reduced leave schedule to care for a family member having a serious health condition, or for the employee's own serious health condition, which is foreseeable based on planned medical treatment, and the instructional employee would be on leave for more than 20% of the total number of working days over the period the leave would extend, the District may require the instructional employee to choose either to: (1) take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or (2) transfer temporarily to an available alternative position for which the instructional employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the instructional employee's regular assignment.

H. Benefits

1. ***What happens to my benefits while on leave?*** During the period of an approved FMLA leave, your health insurance will continue uninterrupted, but if you make a contribution toward your coverage, you must make arrangements to continue your contributions during the term of your leave in order to continue your basic health insurance coverage at existing levels. Failure of an employee to pay his or her share of health insurance premium during FMLA leave may result in loss of coverage, if the employee's contribution is more

than thirty (30) days late. If the employee's premiums are in arrears, the District shall provide the employee at least fifteen (15) days written notice prior to canceling insurance plan coverage.

Except as required under COBRA, the District's obligations to maintain health benefit premium contributions for an employee on FMLA ceases when: (1) the employment relationship would have terminated, irrespective of the FMLA leave (e.g., reduction in force); or (2) when the employee advises the District of intent not to return from leave; or (3) when FMLA expires and the employee has not returned from leave.

Employee contributions will be required either through payroll deduction or by direct payment to the Business Office. The employee will be advised in writing at the beginning of the leave as to the amount and method of payment. Employee contribution amounts are subject to any change in premium rates that occur while the employee is on leave.

If the District remits any employee premium contributions in arrears from the employee while on FMLA leave, the employee will be required to reimburse the District for delinquent payments (through authorized payroll deduction or otherwise) upon return from leave. If the employee fails to return from unpaid family/medical for reasons other than: (1) the continuation, recurrence or onset of a serious health condition of the employee or a covered family member, or; (2) circumstances beyond the employee's control (certification required within thirty (30) days of failure to return for either reason), the District may seek reimbursement from the employee for the portion of the premiums paid by the District on behalf of that employee (also known as the "employer contribution") during the period of leave, excluding period where the District or the employee has substituted paid leave for FMLA leave.

An employee is not entitled to seniority or benefits accrual (e.g., holidays, vacations) during period of unpaid leave, unless otherwise specified by the terms of a collective bargaining agreement or individual contract of employment. An employee who takes FMLA leave will not lose any seniority or employment benefits that accrued before the date leave began.

2. ***What if I'm off work on a Workers' Comp leave?*** If you have a work-related illness or injury that qualifies as a "serious health condition" under this policy, time away from the job for which you receive Workers' Compensation payments will be considered an FMLA leave and will reduce your entitlement to up to twelve weeks of FMLA leave in any twelve month period.

I. Return to work

1. ***What position will I be placed in after my leave?*** Upon conclusion of FMLA leave, an employee will be returned to the same position the employee held when leave commenced or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. The definition of an "equivalent" position may be accomplished through a collective bargaining agreement between the District and labor organization having exclusive representation rights in a defined bargaining unit of District employees.

2. ***Even if I'm an instructional employee?*** If an instructional employee begins leave under the Family and Medical Leave Act more than five (5) weeks before the end of a semester, the District may require that leave be taken until the conclusion of the semester if the leave is to last

at least three (3) weeks and the instructional employee would return to work during the three (3) week period immediately before the conclusion of the semester.

If an instructional employee begins leave under FMLA (other than for the instructional employee's own serious health condition) during the five (5) week period before the end of a semester, the District may require that leave be taken until the end of the semester if the instructional employee would return to work during the two (2) week period immediately before the end of the semester and if the leave period is to last more than two (2) weeks.

If an instructional employee begins leave under FMLA (other than for the instructional employee's own serious health condition) during the three (3)-week period before the end of a semester and the leave will last more than five (5) working days, the District may require the instructional employee to take leave until the end of the semester.

J. Key employees

1. ***Who qualifies a "key" employee?*** A "key" employee is an eligible salaried FMLA-eligible employee who is among the highest paid 10% of District employees. The district has defined one key employee, the Superintendent of Schools.
2. ***Are "key" employees entitled to job restoration?*** While the District will not deny FMLA leave to an eligible key employee, the District may deny job restoration to a key employee where the restoration of the key employee to employment will cause the District substantial and grievous economic injury or substantial, long-term economic injury.
3. ***How do I know if I qualify as a "key" employee?*** Each employee who is designated as a "key" employee will be notified of that fact when he/she requests FMLA leave, or at the commencement of such leave, whichever occurs first, or if the notice cannot be given then because of the need to determine whether the employee is a "key" employee, as soon thereafter as practical.

In any situation where the District determines that it will deny restoration or employment to a key employee, the District will issue a hand-delivered or certified letter to the key employee explaining the basis of the finding that the required injury to the District exists. Additionally, the District will inform the "key" employee of the potential consequences with respect to reinstatement of health benefits should employment restoration be denied. Where practical, the District will communicate this determination prior to the commencement of the FMLA leave; the key employee may then take FMLA leave or forego it. If the FMLA leave has already commenced, the key employee will be provided a reasonable time in which to return to work after being notified of the District's decision to deny reinstatement.

4. ***When will the District determine whether or not to reinstate a "key" employee on FMLA leave?*** If a key employee does not return to work in response to the District's notification of its decision to deny restoration of employment, the District will continue to provide the key employee with health benefits (to the extent of the FMLA leave period) and the District will not

seek to recover its cost of health benefit premiums. A key employee's FMLA rights will continue until the employee gives notice he/she no longer wishes to return to work or until the District denies reinstatement at the end of the leave period. The key employee has the right, at the end of the FMLA leave period, to request reinstatement and the District will reevaluate the extent of its injury due to the requested reinstatement based on the facts at that time.

If the District again determines that the reinstatement will still cause the injury, the key employee will be notified in writing by hand-delivered or certified letter of the denial of his/her reinstatement to employment. If the District finds that reinstatement will not result in the required injury, the key employee will be granted reinstatement.

K. Failure to return from leave

The failure of an employee to return to work upon expiration of FMLA will subject the employee to termination unless an extension is granted. An employee, who requests an extension of FMLA leave due to the continuation, recurrence or onset of her or his own serious health condition, or of the serious health condition of the employee's spouse, child or parent, must submit a request for an extension, in writing, to the employee's immediate supervisor. This written request should be made as soon as the employee realizes that she or he will not be able to return at the expiration of the leave period. Medical certification or recertification will be required in connection with requests for leave extension.

L. Effect of collective bargaining agreements

All provisions of this policy shall prevail except as modified by, or as may be inconsistent with, any applicable collective bargaining agreement between the District and any labor organization having exclusive representation rights in a defined bargaining unit of District employees. To the extent that this policy conflicts with the terms of such collective bargaining agreement(s), those agreement(s) shall prevail to the extent of such conflict or inconsistency where the contract provides greater rights to the employee than are otherwise secured through FMLA.

APPENDIX H
HEALTH INSURANCE BENEFITS

It is agreed between the Greenville Education Association and the Greenville Board of Education that the 2015-2016 health insurance coverages will be offered under the following conditions:

The Board will provide teachers the opportunity to enroll in West Michigan Health Insurance Pool's Blue Cross Blue Shield PPO 100 (\$500/\$1,000 deductible) or PPO 90 (\$250/\$500 deductible) or PPO H.S.A. (\$1,300/\$2,600 deductible) plans.

1. The district will pay the cost of the premium up to a total cost of \$2,262,500.
2. The employee shall be responsible for the full amount of the deductible. The employee can elect to pre-fund up to their deductible using pre-tax dollars through payroll deduction. If an employee elects to fund their deductible, the district shall deposit the agreed upon amount into an HSA account on January 1, 2016 and the employee shall reimburse the district over the course of the next twelve months. If an employee terminates employment for any reason before they have repaid the pre-funded amount, the employee shall be responsible for the full repayment.
3. Teachers not electing health insurance shall receive the amount of \$350.00 per month in a wage amount increase in lieu of coverage.
4. International teachers requiring a J visa shall be paid an amount of cash in lieu equal to the cash in lieu listed above less the amount for J visa health insurance paid on the teacher's behalf. It is the intent of this agreement to compensate international teachers at a rate comparable to other teachers covered by this agreement.
