**Section 1.1**

**THE AGREEMENT**

WHEREAS, the Tri County Education Association and the Tri County Area Schools' Board of Education have reached certain understandings which they desire to confirm in this agreement.

In consideration of the following mutual covenants, it is hereby agreed as follows:

**Section 1.2**

**RECOGNITION**

- A. The Board hereby recognizes the Tri County Education Association, MEA-NEA, as the exclusive bargaining representative, as defined in Section 11, of Act 379, Public Acts of 1965, for all certificated professional personnel i.e., teachers, psychologists, social workers, counselors, speech therapists, and media specialists, employed by the Board of Education but specifically excluding pre-school teachers, substitute teachers, the Superintendents, Business Managers, Directors, Administrative Assistants, High School Principals, High School Assistant Principals, Middle School Principals, Middle School Assistant Principals, Elementary Coordinators, Elementary Supervisors and Elementary Principals or Elementary Assistant Principals now designated or to be designated, and all other district employees. The term teacher when used hereinafter shall refer to all employees represented by the Tri County Education Association in the bargaining or negotiating unit as above defined. The term Board shall include its officers and agents. The term "the district" shall refer to the Tri County Area Schools district.
  
- B. The Board agrees not to negotiate with or recognize any teachers' organization other than the Association for the duration of this Agreement.
  
- C. Pursuant to Public Act 9 of 2011, which added section 15(7) to the Public Employment Relations Act, an emergency manager appointed under the Local Government and School District Fiscal Accountability Act, shall have the power to reject, modify or terminate the collective bargaining agreement. Provisions required by the subsection are prohibited subjects of bargaining under this act. It is also understood that if Public Act 0009 of 2011 is modified or repealed such that this provision is no longer required by statute or is found unconstitutional or otherwise unenforceable, this section of the contract is null and void.

**Section 1.3**

**CONTINUITY OF OPERATIONS**

- A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year, and the avoidance of disputes that threaten to interfere with such operations. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this agreement. The Association, accordingly agrees that it will not, during the period of this agreement, directly or indirectly engage in or assist in any strike against the employer, as defined by the Public Employment Relations Act. (MCLA 423.201 et. seq.; MSA 17.455(1) et. seq.).
  
- B. The Employer and the Association agree that they will not, during the period of this Agreement, directly or indirectly, engage in or assist in any unfair labor practice as defined by the Public Employment Relations Act. The Employer also agrees that it will not lockout any bargaining unit member during the term of this Agreement or during any period during which a successor Agreement is being negotiated by the parties.
  
- C. Any instructional hours lost because of bad weather, or other "Act of God" type occurrence, in excess of the number of hours specified in the rules promulgated by the State Board of Education and/or State law, may be added to the end of the school calendar, at the discretion of the Board. These hours may be added anywhere in the school calendar by written mutual agreement between the Board and the Association. When school is closed for such hours, teachers will not be required to report.

**Section 1.4**

**ASSOCIATION DUES, SERVICE FEES AND PAYROLL DEDUCTIONS**

- A. Within thirty-five (35) days of the beginning of his/her employment hereunder, each teacher will deliver to the Association his/her membership dues or will sign and deliver to the Association an assignment authorizing the deduction of his/her membership dues. The assignment form shall be provided by the Association. Such sum shall be deducted by the administration in ten installments and forwarded to the Association.
  
- B. The Board agrees to deduct, from the salaries of teachers, dues for Tri County Education Association, the Michigan Education Association and the National Education

Association, or a non-member's representation fee when voluntarily authorized in writing.

- C. Authorizations for deductions filed with the Superintendent on or before the 35th day after school opens, shall become effective with the first open payroll after the 35th day. Authorizations for deductions filed after the above time will not be honored.
- D. Dues authorizations, once filed with the Superintendent, shall continue in effect until a revocation form in writing and signed by the teacher is filed with the Superintendent and the Treasurer of the Association. It is expressly understood that the Superintendent and the Board need only honor one authorization form per year per teacher.
- E. The Association shall, on or before the first day of each school year, give written notification to the Superintendent of the amount of its dues and those of the MEA and NEA and the amount of the non-member's representation fee which are to be deducted in the coming school year under such authorizations. The amounts of deductions, as per said written notification, shall not be subject to change during the entire school year. It is expressly understood that the Board is not required to deduct any assessment under the terms of this section.
- F. For the purpose of this section, the term "school year" shall include the period beginning with the first teacher workday of school in the fall to the last teacher workday of school in the spring.
- G. Dues deductions shall be transmitted by the Superintendent to the Treasurer within 10 days after all deductions are made. The Tri County Education Association shall be responsible for disbursements of MEA and NEA dues paid to it, to the Treasurers of those organizations.
- H. All refunds claimed for deductions under such dues authorizations shall lie solely with the Associations. The Association agrees to reimburse any teacher for the amount of any deduction deducted by the Board and paid to the Association, which deduction is by error in excess of the proper deduction and agrees to hold the Board harmless from all claim of excessive deductions.

- I. Any dispute between the Tri County Education Association and the Board which may arise as to whether or not any employee properly executed or properly revoked an authorization card pursuant to this Section shall be reviewed with the employee by a representative of the Board. Until the matter is disposed of, no further deductions shall be made. The Board assumes no liability for the authenticity, execution or revocation of the authorization form.
  
- J. Upon annual appropriate written authorization from the bargaining unit member, the Employer shall deduct from the salary of any such bargaining unit member and make appropriate remittance for MEA Financial Services' MEA-Sponsored Programs (Tax-Deferred Annuities, Auto Insurance, Homeowner's Insurance, etc.), MESSA Programs not fully employer-paid, any financial institution of the bargaining unit member's choice, credit union, savings bonds, charitable donations, MEA-PAC/NEA-PAC contributions or any other plans or programs jointly approved by the Association and employer. Also, deductions and appropriate remittance shall be made to any annuity program the bargaining unit member chooses.

**Section 1.5**

**FINANCIAL RESPONSIBILITY**

- A. Any teacher who is not a member of the Association in good standing or who does not make application for membership within thirty-five (35) days from the date of commencement of teaching duties, shall, as a condition of continued employment, pay as a Representation Benefit Fee to the Association an amount equal to the professional dues of the Association, such payment to be made within (35) thirty-five days of commencement of teaching duties. Provided, however, that the teacher may authorize payroll deduction.
  
- B. In the event that neither of the provisions of Section 1.4 Paragraph A or Section 1.5 Paragraph A are met, the Board, upon receiving a written and signed complaint from the Association indicating the teacher has failed to comply with either condition, shall process said complaint in accordance with the Teacher's Tenure Act, the charging party being the Association, if said teacher is a tenure teacher; in the event the teacher is a probationary teacher, the Board shall immediately notify said teacher his/her services shall be discontinued at the end of the then current semester unless prior to employing or recalling a replacement teacher, the Board of Education shall receive written

notification from the Association and the Teacher that the dues or non-member's representation fee have been paid in full and that said complaint has been withdrawn. It is expressly understood that in the event the Board of Education shall hire a new teacher or recall a teacher to replace a probationary teacher whose services have been discontinued under the terms of this section, then in that event, neither the Association nor the teacher shall have a right to withdraw said complaint, it being recognized by the Association and any teacher employed under the terms of this contract that the Board has a reasonable right to proceed to replace a teacher against whom charges have been filed under the terms of this section. The refusal of a teacher to contribute fairly to the cost of negotiation and administration of this and subsequent agreements is recognized by the Association and the Board of Education as just and reasonable cause for the termination of employment.

C. The Association will save the Board harmless from any and all costs including witnesses and attorney fees or other incidental cost of prosecution or defense or any liability resulting from the prosecution or defense of any action claimed or otherwise to which the Board of Education may be liable by virtue of enforcing the provisions of this section. The Association further agrees to indemnify the Board for any costs or damages which may be assessed against the Board as the result of said suit or action, subject however, to the following conditions:

1. The Association, after consultation with the Board, has the right to decide whether to defend any said action or whether or not to appeal the decision of any court or other tribunal regarding the validity of the action or the defense which may be assessed against the Board by any court or tribunal. The Association will make this decision within 15 days after notification of action.
2. The Association has the right to choose the legal counsel to defend any suit or action contingent on the above provisions.
3. The Association shall have the right to compromise or settle any claims made against the Board under this section.

**Section 1.6**

- B. School days are considered to be Monday through Friday unless a holiday, designated on the school calendar, should happen to fall during that period. In that case, that holiday is not considered a school day.
- C. If during the term of this contract it should become law that the school year be lengthened, thereby increasing the number of teacher workdays any additional work days shall be compensated at a rate of 1/teacher attendance day's of current gross salary on a per diem basis.

**Section 1.7**

**GRIEVANCE PROCEDURE**

- A. - E. The failure of an Administrator to communicate the decision to the teacher within the specified time limits shall permit the teacher and/or teachers to proceed to the next step in the Grievance Procedure.
- F. In the handling and processing of a grievance the following procedure shall apply:

### **STEP ONE**

Within twenty (20) days of the date a grievance occurs, the teacher shall discuss the grievance with his/her immediate supervisor individually, together with the Association Building Representative and/or through another official Association Representative with the object of resolving the matter informally. Within five (5) days after discussion of the grievance, the administrator or a designee shall give the disposition orally to the teacher, together with the Association Building Representative.

#### **STEP FOUR**

If the grievance remains unresolved at the conclusion of Step Three, it may be submitted for binding arbitration at the request of the Association, provided written notice of the request for submission to arbitration is delivered to the Board and the American Arbitration Association within twenty (20) days after the date of decision under Step Three. Following the written notice of request for submission to binding arbitration, the arbitrator will be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration hearing.

The fees and expenses of the Arbitrator shall be borne by the party ruled against by the Arbitrator. In the event of a "split" award the arbitrator shall determine the percentage of his/her fees and expenses to be paid by each party in approximately the same proportion of the "split" award. In the event the arbitration process is canceled, the party requesting the cancellation shall pay the cancellation fee, if any is required. 12. More than one grievance may not be considered by the arbitrator at the same time except upon expressed written mutual consent.

**NEGOTIATIONS**

- A. The parties acknowledge that during the negotiations that resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association, for the life of this agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement. An item may be opened for negotiation by mutual consent of the Board and Association.
  
- B. Negotiations for a new agreement will be opened by mutual consent but in no event later than 90 days prior to the expiration of this agreement, provided, the Association has been recognized by the Board as still representing a majority of the teachers covered in this Agreement.
  
- C. Copies of the Agreement shall be reproduced at the expense of the Board and presented to all bargaining unit members now employed or hereafter employed under the terms of this agreement, within thirty (30) days of ratification by both parties.
  
- D. The parties agree to reopen this agreement to negotiate subsequent legislation which affects the District's ability to qualify for maximum state funding.

**Section 1.9**

**SCHOOL CALENDAR**

- A. The parties agree that the school calendar is negotiable including length of the work year, workday, make-up days, holidays, vacations, professional development, curriculum development and in-services and further agree that the school calendar shall be set forth in Appendix C. The Board may replace full-days with partial-days in this calendar by written mutual agreement with the Association. Any deviation shall be by mutual written consent.

**Section 1.10**

**SEPARABILITY**

- A. This agreement supersedes any rules, regulations, or practices of the Board that shall be contrary to its terms. It shall likewise supersede any contrary terms in individual contracts that shall be issued under its terms. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement. The provisions of this Agreement shall be incorporated into and be considered a part of Board Policy.
  
- B. If any provision of this Agreement or application of this Agreement to any bargaining unit member or employee or group of bargaining unit members or employees is held to be contrary to law then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law; but all other provisions or applications shall continue in full force and effect.

**Section 1.11**

**SUB-CONTRACTING**

- A. The Employer agrees that supervisors or non-unit personnel shall not be used at any time to displace bargaining unit members regularly employed in the bargaining unit, except in emergencies when bargaining unit members are not available or have refused to do the work as assigned except in cases where unsafe conditions are being charged by a bargaining unit member. For purposes of this provision, an emergency shall be defined as an unforeseen circumstance or a combination of circumstances that call for immediate action in a situation that is not expected to recur.

**Section 2.1**

**BOARD RIGHTS**

- A. The Board, on its own behalf and on behalf of the electors of the district hereby retains and reserves unto itself, without limitation all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right:
  - 1. To the extent management and administrative control of the school system and its

properties and facilities, and the activities of its employees in the performance of their duties;

- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, and adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to such extent as such specific and express terms hereof are in conformance with the Constitution and law of the State of Michigan and the United States.

## **Section 2.2**

### **BARGAINING UNIT MEMBER RIGHTS AND PROTECTION**

- A. Pursuant to the Michigan Public Employment Relations Act, as amended, MCLA 423.201 et. seq.; MSA 17.455(1) et. seq. (PERA), the Employer hereby agrees that every bargaining unit member shall have the right to organize freely, join, and support the Association and to engage in lawful concerted activities for the purposes of collective bargaining or negotiations and other concerted activities for mutual aid and protection. As a duly-elected body, exercising governmental power under color of law of the State of Michigan, the Employer undertakes and agrees that it will not directly, or indirectly, discourage or deprive or coerce any bargaining unit member in the enjoyment of any rights conferred by PERA or other laws of Michigan, or the United States of America, or the Constitutions of Michigan and the United States of America; that it will not discriminate

against any bargaining unit member with respect to hours, wages, or any terms or conditions of employment by reason for his/her membership in the Association/ his/her participation in any activities of the Association or collective negotiations with the Employer, his/her institution of any grievance, complaint, or proceeding under this Agreement, or otherwise with respect to any terms or conditions of employment. No bargaining unit member shall be prevented from wearing insignia, pins, or other identification of membership in the Association at any time by the Employer.

- B. Nothing contained within this Agreement shall be construed to deny or restrict to any bargaining unit member rights he/she may have under the Michigan General School Laws or other applicable State or Federal laws or regulations.
- C. The bargaining unit members shall be entitled to full rights of citizenship, and no religious or political activities of any bargaining unit member or lack thereof shall be grounds for any discipline or discrimination with respect to the employment of such bargaining unit member.
- D. The Employer agrees that it will in no way discriminate against or between bargaining unit members covered by this Agreement because of their race, creed, religion, color, national origin or ancestry, age, sex, marital status, physical characteristics or handicap, or place of residence.
- E. No bargaining unit member shall be disciplined without just cause. The term "discipline" as used in this Agreement includes written reprimand, suspension, or discharge. The specific grounds or disciplinary action will be presented in writing to the bargaining unit member and the Association no later than at the time discipline is imposed.
- F. Before any meeting is called from which disciplinary action may result, the teacher shall be notified and shall be entitled to have present an Association Representative. If an Association Representative is requested to be present, no longer than five (5) teacher attendance days may lapse before such meeting is held.
- G. A bargaining unit member has the right to review his/her personnel file. Confidential credentials and related personal references obtained at the time of initial employment are specifically exempted from such review. An Association Representative of the teacher's choosing may accompany the teacher in such review, which shall be made in the

presence of a person designated by the Superintendent. Each personnel file shall have a record (non-retroactive) of who reviewed the file, the reason for the review and the date on which the file was reviewed. The Superintendent only is exempt from the above recording requirements.

- H. No adversely critical material originating after original employment of the bargaining unit member will be placed in his/her personnel file, unless the bargaining unit member may submit written comments regarding any material, and the same shall be attached to the file copy of the material in question. If the bargaining unit member believes that material to be placed in his/her file is false, irrelevant to employment, or in error, he/she may utilize the Grievance Procedure contained elsewhere in this Agreement to modify or remove such adversely critical material.
- I. Any case of assault upon a bargaining unit member shall be promptly reported to the Employer. The Employer shall promptly render all reasonable assistance to the bargaining unit member, when possible to prevent injury.
- J. The Board will provide, for bargaining unit member review, at least one copy of the State and Federal laws relating to Special Education Programs and Services provided such material is received by the Board.

### **Section 2.3**

### **VACANCIES, PROMOTIONS AND TRANSFERS**

- A. Whenever any vacancy in any professional position in the district shall occur, the Board shall publicize the same by giving written notice of such vacancy to the Association and to any teacher who has filed a request for transfer with the Superintendent and is certified and qualified for the position. The Board shall also provide for appropriate posting in every school building. No vacancy shall be filled, except on a temporary basis, until such vacancy has been posted at least ten (10) calendar days.
- B. Any teacher may apply for such vacancy provided he/she possesses certification and is highly qualified per the NCLB Act for the position. The Board agrees to give due weight to the professional background and attainments of all applicants, their professional experience, the length of time each has been in the school system, and other relevant factors the Board may specify. The Board declares its support of the policy of promotion

of the best qualified and most senior individuals, both full-time and part-time teachers, and of the policy of giving preference to members of its own teaching staff, all other qualifications being equal.

- C. Any teacher promoted or transferred to a supervisory or executive position shall be entitled to the same rights as other teachers, under existing agreements, should he/she later return to teacher status.
  
- D. The Board recognizes the fact that pupils are entitled to be taught by teachers who are working within their areas of competence and agrees that teachers shall not be assigned, outside of the scope of their teaching certificates and highly qualified status per the NCLB Act.
  
- E. A vacancy shall be defined as a position, which has been authorized to be filled by the Board, that is presently unfilled, currently filled but will be open in the near future or is newly established.

#### INVOLUNTARY TRANSFERS.

- F. Teachers who will be affected by a change in grade, building or subject assignment will be notified and consulted by their principals or the Superintendent as soon as practicable and if possible prior to the close of the school year. Such changes will be voluntary to the extent possible. Reasonable efforts will be made to avoid reassigning teachers to different grade levels, subjects, or buildings, unless the teacher requests or agrees, in writing, to such a change. The Board recognizes the desirability of having every teacher qualified teaching what and where he/she wants provided they are highly qualified per the NCLB Act. The Association recognizes the possibility, especially in small districts such as ours, that emergency, unforeseen circumstances in regard to assignment, sometimes arise during the summer recess. In the event of a change in grade the order of transfer will be from least senior certified teacher to most senior certified teacher, regardless of whether the teacher is a full-time or part-time teacher. The transferred teacher will be given priority for filling any openings within their building provided they are highly qualified per the NCLB Act. If there is no opening within the building the transferred teacher will be given priority for filling any openings within their certification area provided they are highly qualified per the NCLB Act, based on the district seniority list. The Board further agrees that should an involuntary assignment be

necessary that it will be of a temporary nature and will be changed as soon as practicable. The teacher will be given the opportunity to resign and find another job.

**Section 2.4**

**ASSOCIATION RIGHTS**

- A. The Tri County Education Association shall have the same rights as other groups to use the school facilities at reasonable hours and dates outside of the regular school day, provided such use does not interfere with other scheduled school activities and subject to the assignment of the building principal. No charge shall be made for the use of the school before the commencement of the regular school day nor until 6:00 p.m. After 6:00 p.m. the Board of Education shall charge for these facilities, \$10.00 per hour and the Association will be responsible for its own clean-up. It is further understood that these facilities are subject to Board of Education policy prohibiting the use of liquor and that all use of the building will cease by 11:00 p.m., local time, unless special permission has been granted by the school administrator to exceed that hour.

The parties shall agree upon an evaluation tool compliant with section 1249 of the School Code to be effective September 1, 2011.
- B. All monitoring or observation of the work performance of a teacher will be conducted openly and with full view of the teacher.   2. In the circumstances of more than one individual beginning employment on the same date, all individuals so affected will participate in a drawing to determine position on the seniority list. The Association and teacher(s) affected will be notified in writing of the date, place, and time of the drawing. The drawing shall be conducted openly and at a time and place which will reasonably allow affected teachers and Association Representatives to be in attendance.
  3. A seniority list shall be prepared and distributed by the Board to each member of the bargaining unit no later than September 30th of each school year.
  4. Commencing with the 1982-83 school year, any new employee or rehire who works part-time or any current full-time employee who chooses to accept a part-time assignment shall earn seniority credit on a pro rata basis. (e.g., a part-time teacher working half-days will receive only a half-year seniority credit for a full year's work.)
  5. An employee earning part-time seniority and whose seniority has become equal to that of a full-time employee or a cluster of employees, where their order of seniority has already been determined by the drawing, shall become the least senior employee in the group. In the event that more than one part-time employee is affected, then a drawing must be held to determine the order of their seniority. Under no circumstances shall the part-time employee have greater seniority than a person at his/her seniority level who is working full-time.
- B. Seniority shall accrue for teachers on various forms of leave as determined by this Agreement.
- C. In the event of a need to lay off personnel, the order of such reduction will be as follows:
- a. Seniority

In the event it becomes necessary to reduce the number of teachers through layoff of employment or to reduce the number of teachers in a given subject area, field, or program, or eliminate or consolidate position(s), the Board shall determine the order of layoff provided, however, such action shall not be contrary to Paragraph C. The Board shall give written notice of layoff to the individual no later than the Friday after the 1<sup>st</sup> Monday in May.

All teachers notified of layoff for the following school year shall not lose their fringe benefits or salary over the summer months afforded them under this Agreement and individual or supplemental employment contracts.
- G. Any teacher on layoffs shall be recalled in inverse order of layoff provided he/she is certified and highly qualified per the NCLB Act for the vacancy. No new teachers shall be employed by the Board while there are teachers of the bargaining unit who are laid off, unless there are no laid off teachers with proper certification to fill any vacancy which may arise.
- H. The Board shall give written notice of recall from layoff by sending a certified letter to said teacher, at his/her last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notice to the teacher. A teacher must respond, in writing, to his/her notice of recall. Failure to respond to the notice will result in the loss of all recall rights. Declining the position shall in no way affect the teacher's right to recall.
- I. If a certified notice of recall is returned to the Board as refused or undeliverable, the next eligible teacher will be recalled. If no other teacher on layoff is properly certified and highly qualified per the NCLB Act, Paragraph G shall become inoperative and a new teacher may be hired to fill the vacancy.

- J. Teachers shall retain their right to recall from their date of layoff, for a period equal to their seniority at the end of the school year in which they are laid off.

A laid off teacher who draws unemployment benefits during the summer and is called back to work prior to the first teacher workday will be required to have their salary reduced by two-thirds (2/3) of the unemployment benefits received. The teacher must select one of the following choices after the district's receipt of the MESC statement. - C. The Board and the Association agree that the Master Agreement will remain in effect for employees who participate in site-based decision-making activities.

However, the two parties recognize that the process may produce innovative proposals that could call for new contract interpretation and application. Therefore, the Superintendent and the Association Negotiators agree to jointly review any proposal that modifies the Master Agreement and to seek resolutions to assist the building plan. Final approval of proposals that modify the Master Agreement shall require a letter of agreement between the Superintendent and Association Negotiators. All such letters of agreement shall be on a trial basis and reviewed before the end of the school year.

- D. The building level site-based decision making committee will establish its own meeting schedule. Such meetings may take place during the regular workday; employees who are members of these committees will be released from their regular duties without loss of pay.

### **Section 3.1**

The Board further recognizes that classroom difficulties can be caused by disruptive students. Whenever it appears that a particular pupil requires the attention of special personnel, not available within the school staff, the Board will take reasonable steps to secure the services of such specialists for the child or will take reasonable steps, within the framework of the law, to relieve the teacher of the responsibilities with respect to such pupils.
- B. A teacher may exclude a pupil from one class when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his/her employment obligations will allow, a written statement of the incident.
- C. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative in writing. The Board will advise the teacher of his/her rights and obligations with respect to such assault and shall promptly render all reasonable assistance to the

It is agreed that the recommendations of said committees shall be seriously considered and acted upon by the Board.

It is also acknowledged that the primary duty and responsibility of the teacher is to teach, and that the organization of the school and the school day should be directed toward ensuring that the energy of the teacher is primarily utilized to this end.
- B. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size shall not exceed the following maximum standards except where the Association has agreed in writing to exceed these maxima.

4. In inclusion classrooms the overloads will be paid as follows:
